Complaint of Over Limit Contributions and Request for Audit - Obama for America (C00431445) and Obama Victory Fund (C00451393)
No USA State Designation, Foreign and Domestic Donors
(Update to MUR 6142)

Dear Sir or Madam,

This is a complaint on MUR 6142 about the Presidential Campaign Funds of Barack Obama.

There are so many discrepancies in what the Obama team posted and what the law states is permissible that the FEC should have no question but to audit the Obama Campaign books.

Some questions the reporting raises include:

Numerous over the limit contributions

The numbers don't even add up to the tune of $255 million.

Numerous zip codes posted that do not coincide with the state named (a California address for example with a New York zip code).

At least $4 million in donations given by foreign contributors (which itself is illegal on the face of it).

I have to believe that as officers sworn to uphold the election laws, these would be of great concern to you. You must audit the Obama Campaign

books. If you do not, who is electing our representatives--us or whoever can game the system enough to "raise" funds--from bogus contributors, foreigners, and fat cat money men who simply put in thousands of tiny donations under bogus names?

Please audit the Obama Presidential Campaign Funds. Thank you for your time and consideration.

Sincerely,

Stacy M. Wilhelm
