Many know that Obama received monies from foreign sources -- which are expressly forbidden by U.S. campaign finance law. You know, LAW, which citizens of this country are expected to abide by or face the repercussions?

The American People need an audit of the Obama for America (C00431445) and Obama Victory Fund (C00451393). We are depending on the FEC to assure compliance with fair practices. Please audit the Obama Presidential Campaign Funds.
