ActBlue is just a secure way of contributing to a candidate of MY choice. They do NOT influence me, my thinking, my choices, my advocacy or anything else. To categorize ActBlue as a PAC tortures the meaning of PAC beyond all recogniztion. Further, it shows a bias in favor of REPUBLICANS. As such your proposed action is biased in the extreme. Please do NOT take this proposed action on ActBlue.

Daniel W. Marcum, JD, LL.M.
