Subject:	Don't make Act Blue what they aren't
Date:	12/10/2007 11:51 PM

Please keep it safe to donate to the candidates of our choice through the save avenue of Act blue. They should not be considered a PAC because they are not a PAC. It would kill thousands of peoples ability to donate and have those donations matched if you do this. Please think about how this will affect Americans and their rights to donate through safe means like Act blue.

Kind Regards,
Daniel Burns
