To Whom It May Concern:

I would like to file an official complaint against U.S. Congressional Candidate Wayne Christian. Christian is running in the *Republican* primary for Texas U.S. Congressional District # 1. Wayne also currently holds the office of Texas State Representative.

Wayne Christian filled to begin fundraising with the FEC in October 2003. Christian announced his candidacy in late October and began direct mail solicitations in the last week of October 2003.

Allegations:

1. 10.4 Transfer from Candidate's Nonfederal Committee Are Prohibited.

A candidate's authorized (Federal) committee may not accept funds or assets transferred from a committee established by the same candidate for a nonfederal election campaign. At its option, however, a nonfederal committee of the same candidate may refund its left over funds to its contributors and may coordinate arrangements with the federal campaign for a solicitation of those same persons. The full cost of this solicitation must be paid by the Federal committee.

- Wayne Christian has been running for congress since October, (In the state of Texas candidate can not run in two separate elections being held on the same day) Yet he listed heavy political expenditures between November and December 31st on his year end report to the Texas ethics committee regarding his State House campaign.
- Wayne Christian Purchased a Lexus Automobile, New car stereo, and repairs with state State Rep campaign funds. Now he uses that asset to attend all U.S. Congressional campaign functions.
- www.Christainforcongress.org directly refers all political and campaign calls to Wayne Christian's State and district offices.
- Wayne Christian uses the Texas State Seal and Texas House of Representatives letter head on campaign literature. That been sent by mail and can also be obtained on his web site.
- Wayne Christian's Direct mail requests that U.S. Congressional contributions be sent to his State Rep District office.
- Wayne Christian in his January 31 FEC report's a Questionable Loan of $214,152 and 45 cents.

Sincerely,
Kyle Stephens

"The best person to represent you is Wayne Christian My mother always told me if you find someone good and decent - go to bat for them! I can work closely with Wayne, and Nacogdoches will be well served by someone who can walk into the Governor's Office and get something done!"

Christian for Congress Committee

State Representative
Wayne Christian

204 Houston St.
Center, Texas 75935

Dear Friend.

For almost eight years, it has been my great honor and privilege to represent the good folks of Nacogdoches County in the Texas House of Representatives Four times, I have stood before you in an election, and four times you have placed your trust in me to go to Austin and stand up for what is right. This is a responsibility I take very seriously, and I have always tried to earn the trust you have placed in me by serving with honor and integrity

I am very proud of the things we have accomplished for Nacogdoches during my four terms in the legislature: more jobs, more state investment, record funding for Stephen F Austin State University, and most recently, a badly-needed second district court are only a few of the many achievements we have seen. Currently, I am leading the fight to lower our property taxes.

As you may have already heard, I recently announced that I am running to be the next Congressman for Nacogdoches County and the rest of Congressional District One I believe we need a Congressman with a proven record of delivering for East Texas and Nacogdoches County I have that record, and I hope to have your support.

In these times, the U.S Congress is not the place for on-the-job training I am the only candidate in this race with legislative experience, and the only candidate with a proven history of working with President Bush and other leaders in Washington. I truly believe that I am the candidate best suited to represent you in our nation's capital, and will be ready to begin work the day I am sworn in

Congressional District One covers a large area, and my campaign will need all the help possible to spread our message of strong economy, strong defense and strong families. I would be honored to have any support you can give, whether it be volunteering at headquarters, putting out signs, contacting friends across the district, or just lending your name for a formal endorsement.

If possible, I hope you can contribute financially as well. The costs (mail, signs, media, etc.) will literally be in the hundreds of thousands of dollars. Every donation will be used to spread the word across East Texas about my conservative values and proven record of leadership

Let me close by saying again how honored I am by the support you have given me as your State Representative. I hope you will continue to support me in my campaign for U S Congress. It is also my hope that as your proven representative in Austin, I have earned your trust for Washington. Why send someone new, when proven local experience is available?

Sincerely,

Wayne Christian
