Re: MUR 7340 – Republican National Committee

Dear Mr. Jordan:

We represent the Republican National Committee (the "RNC") and Anthony Parker in his official capacity as Treasurer of the RNC in the above-captioned matter.

We have reviewed the supplemental complaint filed on May 15, 2019 by Common Cause. The supplemental complaint's allegations are directed at other respondents in this matter, not the RNC. The supplemental complaint also does not provide any new information pertaining to the original complaint's allegations against the RNC, which we previously refuted in our April 30, 2018 response.

For the reasons set forth in our April 30, 2018 response, the Commission should find no reason to believe the RNC violated the Federal Election Campaign Act or Commission regulations and should promptly dismiss this matter.

Respectfully Submitted,

Michael E. Toner /BZ
