Independent Expenditure Table 2

Persons or Groups Reporting Independent Expenditures

from January 1, 2009 through December 31, 2010

The independent expenditures below were reported by persons other than political committees on FEC Form 5 within the given reporting period. Persons other than political committees are required to submit 24- and 48-hour notices of these communications, but must also report them on their next quarterly, monthly or election-sensitive report. The table below shows all FEC Form 5 submissions, including both original filings and all subsequent amendments. Simply summing all of these expenditures will generate an inflated total amount for this reporting period.
