Foster and McKeithen; remanded from the U.S. Supreme Court) preserved all provisions of the Louisiana state election code with the exception of the provisions which establish the dates on which members of Congress are elected. Therefore, in 2002, Congressional candidates did not participate in a primary election. The Congressional general election date was November 5, 2002, with a runoff election scheduled for December 7, 2002, if necessary.
