

**2008 PRESIDENTIAL PRIMARY DATES
AND CANDIDATE FILING DEADLINES FOR BALLOT ACCESS**

(Data as of 8/14/08)

Note: Dates Subject to Change / S Indicates Senate Election / General Election Date 11/4/08

Establishing the date for a Presidential primary, and determining the type of Presidential primary held, varies from state to state. This is due to differences in state statutes, party constitutions, party rules and regulations, party by-laws, and delegate selection plans. In some states, a caucus and/or convention may be held instead of a Presidential primary election. Other states may use a combination of both caucuses and primaries for delegate selection. This state-by-state variation should be kept in mind when examining this listing of dates for the 2008 Presidential primaries. Questions concerning a state's primary election procedure should be addressed to the state's Election Director.
