## DESCRIPTION OF REPORT

## PURPOSE:

This study is designed to provide information on the financial transactions of Democratic, Republican, and non-party political committees, with emphasis on those transactions which support candidates for Federal office, for the period which began on January 1, 1979. Political committees, which are entities registered with the Federal Election Commission, report their financial activity to the Commission on a periodic basis. Information on receipts, disbursements, and debts from these reports has been entered into the Commission's computer system; programs have been used to produce all TABLES included in this study. The TABLES are organized into four VOLUMES. VOLUME I, SUMMARY TABLES, provides data for the Democratic and Republican national political committees and Presidential convention committees, for all state and local major party committees by state totals and overall total, and for all non-party committees by six group totals; it also includes tables providing information on contributions made to candidates. VOLUME II, STATE AND LOCAL PARTY DETAILED TABLES, presents financial information for each registered state and local major party committee, while VOLUME III (Corporate and Labor) and VOLUME IV (No Connected Organization, Trade/Membership/Health, Cooperative, Corporation without Stock) do the same for each non-party political committee.

## WHAT IS NOT INCLUDED:

This study only provides information for the Democratic and Republican parties\* rather than for all party committees, both major and minor, which are registered with the Federal Election Commission. The study does not contain all of the information reported by the committees; for this reason it is not possible to add up a committee's specific receipts or disbursements and expect them to equal its total receipts or total disbursements.\*\*

\*This final study excludes party joint-fundraising committees and all financial activity which they have reported. The study already includes the net proceeds reported by the beneficiaries of the joint fundraising; in order to avoid the double-counting of money, therefore, the study excludes activity reported by the joint-fundraising committees themselves.

\*\*For those familiar with the reporting of receipts and disbursements, it can be noted that the following information is not included: unitemized receipts and disbursements, and itemized other income, contributions from candidates, loans/loan repayments/refunds/rebates/returns received from unregistered committees, operating expenditures, contributions/loans/loan repayments/contribution refunds made to unregistered committees, contribution refunds made to registered candidates or committees, exempt Presidential fundraising/legal/accounting expenditures, and in-kind contributions made to registered committees.

#### LIMITATIONS:

This study is a final report, designed to give a complete picture of the financial activity which occurred during the 1979-80 election cycle. It is possible, however, that the information contained in this report may be subsequently amended by the reporting committees.

Available at the Commission for inspection are microfilmed copies of the original reports which show information as reported by the filers. The microfilmed public record is the official record of the Federal Election Commission. This final study is one of several tools which have been developed to summarize the vast quantity of data available on the microfilmed public record.

#### PERIOD COVERED:

The beginning point for information in this study is committee reports on financial activity which occurred after December 31, 1978. As subsequent reports pertaining to 1979-80 activity were received during 1979, 1980, and 1981, the dollar figures contained on them were entered into the computer system and added to earlier information. The computer programs which produced this REPORT'S TABLES were run on December 18, 1981 and used all the 1979-80 data which had been entered up to and including that date.

### SUMMARY OF TABLES

#### NATIONAL, PRESIDENTIAL CONVENTION, STATE AND LOCAL POLITICAL COMMITTEES

The TABLES are designed to show selected information for the Democratic and Republican national political committees, for Presidential convention committees, and for all state and local major party committees by totals.\* (Party political committees are those committees that are part of the official party structure at the national, State, or local level, which have registered as political committees under the Federal Election Campaign Act, as amended.) Also provided, at the end of the listings of state and local committees, is information for major party committees formed by Americans in foreign countries. The EXPLANATIONS OF COLUMNS for national and for state and local committees provide detailed definitions of columns and explanations of organization; they should be used in conjunction with the TABLES.

TABLE A, "SELECTED FINANCIAL ACTIVITY OF DEMOCRATIC AND REPUBLICAN NATIONAL POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," displays receipt, disbursement, and debt information. Total receipts and total disbursements, which are shown first in their respective places, are not necessarily accurate reflections of the "real" money that is available for political

\*This final study excludes party joint-fundraising committees and all financial activity which they have reported. The study already includes the net proceeds reported by the beneficiaries of the joint fundraising; in order to avoid the double-counting of money, therefore, the study excludes activity reported by the joint-fundraising committees themselves.

campaign financing. These figures are frequently inflated, due in large part to the fact that these sums include receipts from committees within the same category (e.g., Congressional) which have historically transferred monies between themselves, as allowed by the Federal Election Campaign Act, as amended. These receipts should be treated as though they were internal transfers within a category of committees so that the same dollar is not counted twice as a receipt. Therefore, all such transfers within a category are given in the next column of the TABLE. These transfers are then subtracted from total receipts (or total disbursements) in order to produce an adjusted figure in the third column (either "TOTAL MINUS TI SC" or "TOTAL MINUS TO SC"). It is these two columns which most accurately depict receipts and disbursements. For additional information on categories of committees, see page xxiv NATIONAL - DEMOCRATIC and page xxvi NATIONAL - REPUBLICAN.

A further note should be added about six Republican national committees. The Republican National Committee-Contributions, the National Republican Senatorial Committee-Contributions, and the National Republican Congressional Committee-Contributions receive

contributions and transfer them to the respective Expenditures committees. Because the three Contributions committees report quarterly while the three Expenditures file monthly, the "TOTAL MINUS TI SC" and "TOTAL MINUS TO SC" figures for the six committees may contain a lag.

The remaining information in this TABLE on specific types of receipts and disbursements provides a partial picture of a political committee's exact income and spending. As was noted in the DESCRIPTION OF REPORT where the omitted information was enumerated, the selected receipts and disbursements do not add up to the total receipts and disbursements. A suggestion is offered for arriving at a more exact picture of the cash disbursements which a committee has made: since a committee receiving a free in-kind contribution of services, goods, or property reports it both as a receipt and as if it has been paid for, the amount given in the "IN-KIND CONTRIB REG COM" receipts column may be subtracted from the "TOTAL DISBURSEMENTS" figure to arrive at a more precise sense of the cash actually dispensed.

TABLE A next provides a committee's "cash on hand" and debts figures. Amounts of

is assistance to candidates\* by Federal office and party, which are shown after "cash on hand" and debts, indicate its candidate activity.

TABLE B, "SELECTED FINANCIAL ACTIVITY OF DEMOCRATIC AND REPUBLICAN PRESIDENTIAL CONVENTION POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," presents for publicly and privately financed Presidential convention committees identical information to that given for national committees in TABLE A.

\* Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions in excess of \$5,000.

TABLE C, "STATE TOTALS OF SELECTED FINANCIAL ACTIVITY OF DEMOCRATIC AND REPUBLICAN STATE AND LOCAL POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," is identical in design to TABLE A except in two respects. Unlike TABLE A where each of the national committees is listed, TABLE C shows all the state and local party committees in a state grouped together. And the method used to convey an accurate picture of the "real" money available for campaign financing is modified here to adjust for transfers between committees within the same state. The results of the adjustment are labeled "TOTAL MINUS TI PSS" and "TOTAL MINUS TO PSS." (Note that the 1979 Amendments to the Federal Election Campaign Act relax the registration and reporting requirements for local party organizations by modifying the definition of which activities cause such an organization to become a political committee.)

TABLE D, "SUMMARY INFORMATION ON THE FINANCIAL ACTIVITY AND ASSISTANCE TO CANDIDATES OF DEMOCRATIC AND REPUBLICAN NATIONAL, PRESIDENTIAL CONVENTION, AND STATE/LOCAL POLITICAL COMMITTEES," summarizes in one place information which is contained on various pages of TABLE A, B, and C. It

displays data on adjusted receipts and disbursements, latest "cash on hand," debts, and assistance to candidates\*. Also given is the number of committees in each of the groups.

TABLE E, "CONTRIBUTIONS TO CANDIDATES FROM DEMOCRATIC AND REPUBLICAN NATIONAL, AND STATE/LOCAL POLITICAL COMMITTEES BY OFFICE AND INCUMBENT/CHALLENGER-OTHER/OPEN-SEAT CANDIDATE STATUS," shows contributions to incumbent versus other candidates\* for various Federal offices from different kinds of party committees, e.g., do state/local committees contribute to incumbent House members while national committees support open-seat Senate candidates.

\* Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions in excess of \$5,000.

TABLE F, "CONTRIBUTIONS TO CANDIDATES FROM DEMOCRATIC AND REPUBLICAN NATIONAL, AND STATE/LOCAL POLITICAL COMMITTEES BY CONTRIBUTION AMOUNT," continues the presentation of information on contributions to candidates\*. The TABLE displays relationships between types of committees and the size of contribution which they made to candidates, e.g., do national committees make larger contributions than state and local groups. In addition, the percentage of committees in a group which have participated in this campaign financing activity is given.

TABLE G, "TOTAL RECEIPTS OF DEMOCRATIC AND REPUBLICAN POLITICAL COMMITTEES (NATIONAL AND PRESIDENTIAL CONVENTION/STATE/LOCAL TOTALS) BY RECEIPT AMOUNT," serves two purposes. It displays the distribution of national and Presidential convention/state/local committees into different total receipts classes, and it provides the basis for TABLE H. It summarizes information from TABLES A, B, and C and shows whether national or Presidential convention/state/local groups tend to have committees which receive larger inflows of funds.

TABLE H, "CONTRIBUTIONS TO CANDIDATES FROM SEVEN TOTAL RECEIPT CLASSES OF DEMOCRATIC AND REPUBLICAN POLITICAL COMMITTEES (NATIONAL/STATE/LOCAL TOTALS) BY CONTRIBUTION AMOUNT," sets out the relationship between the size of a committee's total receipts and the number and size of its contributions to candidates\*, e.g., does a committee with total receipts of \$82,000 make many contributions of moderate size while one with income of \$7,000 makes a small number of large contributions.

\* Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions in excess of \$5,000.

TABLES I, "LATEST CASH-ON-HAND OF DEMOCRATIC AND REPUBLICAN POLITICAL COMMITTEES (NATIONAL AND PRESIDENTIAL CONVENTION/STATE/LOCAL TOTALS) BY CASH-ON-HAND AMOUNT," like TABLE G, serves two purposes. It presents the distribution of national and Presidential convention/state/local committees into different latest 1980 "cash on hand" classes, and it provides the basis for TABLE J. It summarizes information from TABLES A, B, and C and shows whether national or Presidential convention/state/local groups tend to have committees which report larger latest 1980 "cash on hand" amounts.

TABLE J, "CONTRIBUTIONS TO CANDIDATES FROM SEVEN LATEST CASH-ON-HAND CLASSES OF DEMOCRATIC AND REPUBLICAN POLITICAL COMMITTEES (NATIONAL/STATE/LOCAL TOTALS) BY CONTRIBUTION AMOUNT," displays the relationship between the size of a committee's latest 1980 "cash on hand" and the number and size of its contributions to candidates\*, e.g., does a committee with latest 1980 "cash on hand" of \$103,000 make many contributions of moderate size while one with latest 1980 "cash on hand" of \$2,500 makes a small number of large contributions.

TABLE K, "EXPENDITURES ON BEHALF OF CANDIDATES FROM DEMOCRATIC AND REPUBLICAN NATIONAL, AND STATE/LOCAL POLITICAL COMMITTEES BY OFFICE AND INCUMBENT/CHALLENGER-OTHER/OPEN-SEAT CANDIDATE STATUS," shows expenditures on behalf of incumbent versus other candidates\* for various Federal offices from different kinds of party committees, e.g., do state/local committees make expenditures on behalf of incumbent House members while national committees support open-seat Senate candidates.

\* Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions in excess of \$5,000.

## SUMMARY OF TABLES

### NON-PARTY POLITICAL COMMITTEES

The TABLES are designed to show selected information for the non-party political committees by totals for six types of committees. (A non-party political committee means any committee that has not been authorized by any candidate and which is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.) The EXPLANATIONS OF COLUMNS for non-party committees provides detailed definitions of columns and explanations of organization; it should be used in conjunction with the TABLES.

TABLE A, "SELECTED FINANCIAL ACTIVITY OF NON-PARTY POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," displays receipt, disbursement, and debt information. Total receipts and total disbursements, which are shown first in their respective places, are not necessarily accurate reflections of the "real" money that is available for political campaign financing. These figures are frequently inflated, due in large part to the fact that these sums include receipts from affiliated committees. Since affiliated committees are subject to one contribution limit (2 U.S.C. Section

441a), these receipts should be treated as though they were internal transfers so that the same dollar is not counted twice as a receipt. Therefore, all such transfers are given in the next column of the TABLE. These transfers are then subtracted from total receipts (or total disbursements) in order to produce an adjusted figure in the third column (either "TOTAL MINUS TI AFF" or "TOTAL MINUS TO AFF"). It is these two columns which most accurately depict receipts and disbursements.

The remaining information in this TABLE on specific types of receipts and disbursements provides a partial picture of a political committee's exact income and spending. As was noted in the DESCRIPTION OF REPORT where the omitted information was enumerated, the selected receipts and disbursements do not add up to the total receipts and disbursements. A suggestion is offered for arriving at a more exact picture of the cash disbursements which a committee has made: since a committee receiving a free in-kind contribution of services, goods, or property reports it both as a receipt and as if it has been paid for, the amount given in the "IN-KIND CONTRIB REG COM" receipts column may be subtracted from the "TOTAL DISBURSEMENTS"

figure to arrive at a more precise sense of the cash actually dispensed.

TABLE A next provides a committee's "cash on hand" and debts figures. Amounts of its assistance to candidates\* by Federal office and party, which are shown after "cash on hand" and debts, indicate its candidate activity.

TABLE B, "SUMMARY INFORMATION ON THE FINANCIAL ACTIVITY AND ASSISTANCE TO CANDIDATES OF NON-PARTY POLITICAL COMMITTEES," summarizes in one place information which is contained on various pages of TABLE A. It displays data on adjusted receipts and disbursements, latest "cash on hand," debts and assistance to candidates\*. Also given is the number of committees in each of the groups.

TABLE C, "CONTRIBUTIONS TO CANDIDATES FROM NON-PARTY POLITICAL COMMITTEES BY CANDIDATES' PARTY," displays different types of non-party committees and their candidate\* contribution activity. In addition the percentage of committees in a group which have engaged in campaign financing is given.

TABLE D, "CONTRIBUTIONS TO CANDIDATES FROM NON-PARTY POLITICAL COMMITTEES BY

OFFICE, INCUMBENT/CHALLENGER-OTHER/OPEN-SEAT CANDIDATE STATUS AND PARTY," provides data on contributions to candidates\*, e.g., does a particular type of non-party committee contribute to candidates for one federal office or for all three offices, to incumbents or to other candidates, or to candidates of a particular party.

TABLE E, "CONTRIBUTIONS TO CANDIDATES FROM NON-PARTY POLITICAL COMMITTEES BY CONTRIBUTION AMOUNT," continues the presentation of information on contributions to candidates\*. The TABLE displays relationships between types of committees and the size of contributions which they made to candidates, e.g., does one type of committee make larger contributions than another.

\* Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions in excess of \$5,000.

TABLE F, "TOTAL RECEIPTS OF NON-PARTY POLITICAL COMMITTEES BY RECEIPT AMOUNT," serves two purposes. It displays the distribution of corporation-connected, labor-connected, etc. committees into different total receipts classes; and it provides the basis for TABLE G. It summarizes information from TABLE A and shows whether one group or another tends to have committees which receive larger inflows of funds.

TABLE G, "CONTRIBUTIONS TO CANDIDATES FROM SEVEN TOTAL RECEIPT CLASSES OF NON-PARTY POLITICAL COMMITTEES BY CONTRIBUTION AMOUNT," sets out the relationship between the size of a committee's total receipts and the number and size of its contributions to candidates\*, e.g., does a committee with total receipts of \$82,000 make many contributions of moderate size while one with an income of \$7,000 makes a small number of large contributions.

TABLE H, "LATEST CASH-ON-HAND OF NON-PARTY POLITICAL COMMITTEES BY CASH-ON-HAND AMOUNT," like TABLE F, serves two functions. It presents the distribution of corporation-connected, labor-connected, etc., committees into different latest 1980 "cash on hand" classes; and it provides the basis for TABLE I. It summarizes information from TABLE A

and indicates whether one group or another tends to have committees which have larger latest 1980 "cash on hand."

TABLE I, "CONTRIBUTIONS TO CANDIDATES FROM SEVEN LATEST CASH-ON-HAND CLASSES OF NON-PARTY POLITICAL COMMITTEES BY CONTRIBUTION AMOUNT," sets out the relationship between the size of a committee's latest 1980 "cash on hand" and the number and size of its contributions to candidates\*, e.g., does a committee with latest 1980 "cash on hand" of \$103,000 make many contributions of moderate size while one with latest 1980 "cash on hand" of \$2,500 makes a small number of large contributions.

\* Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions in excess of \$5,000.

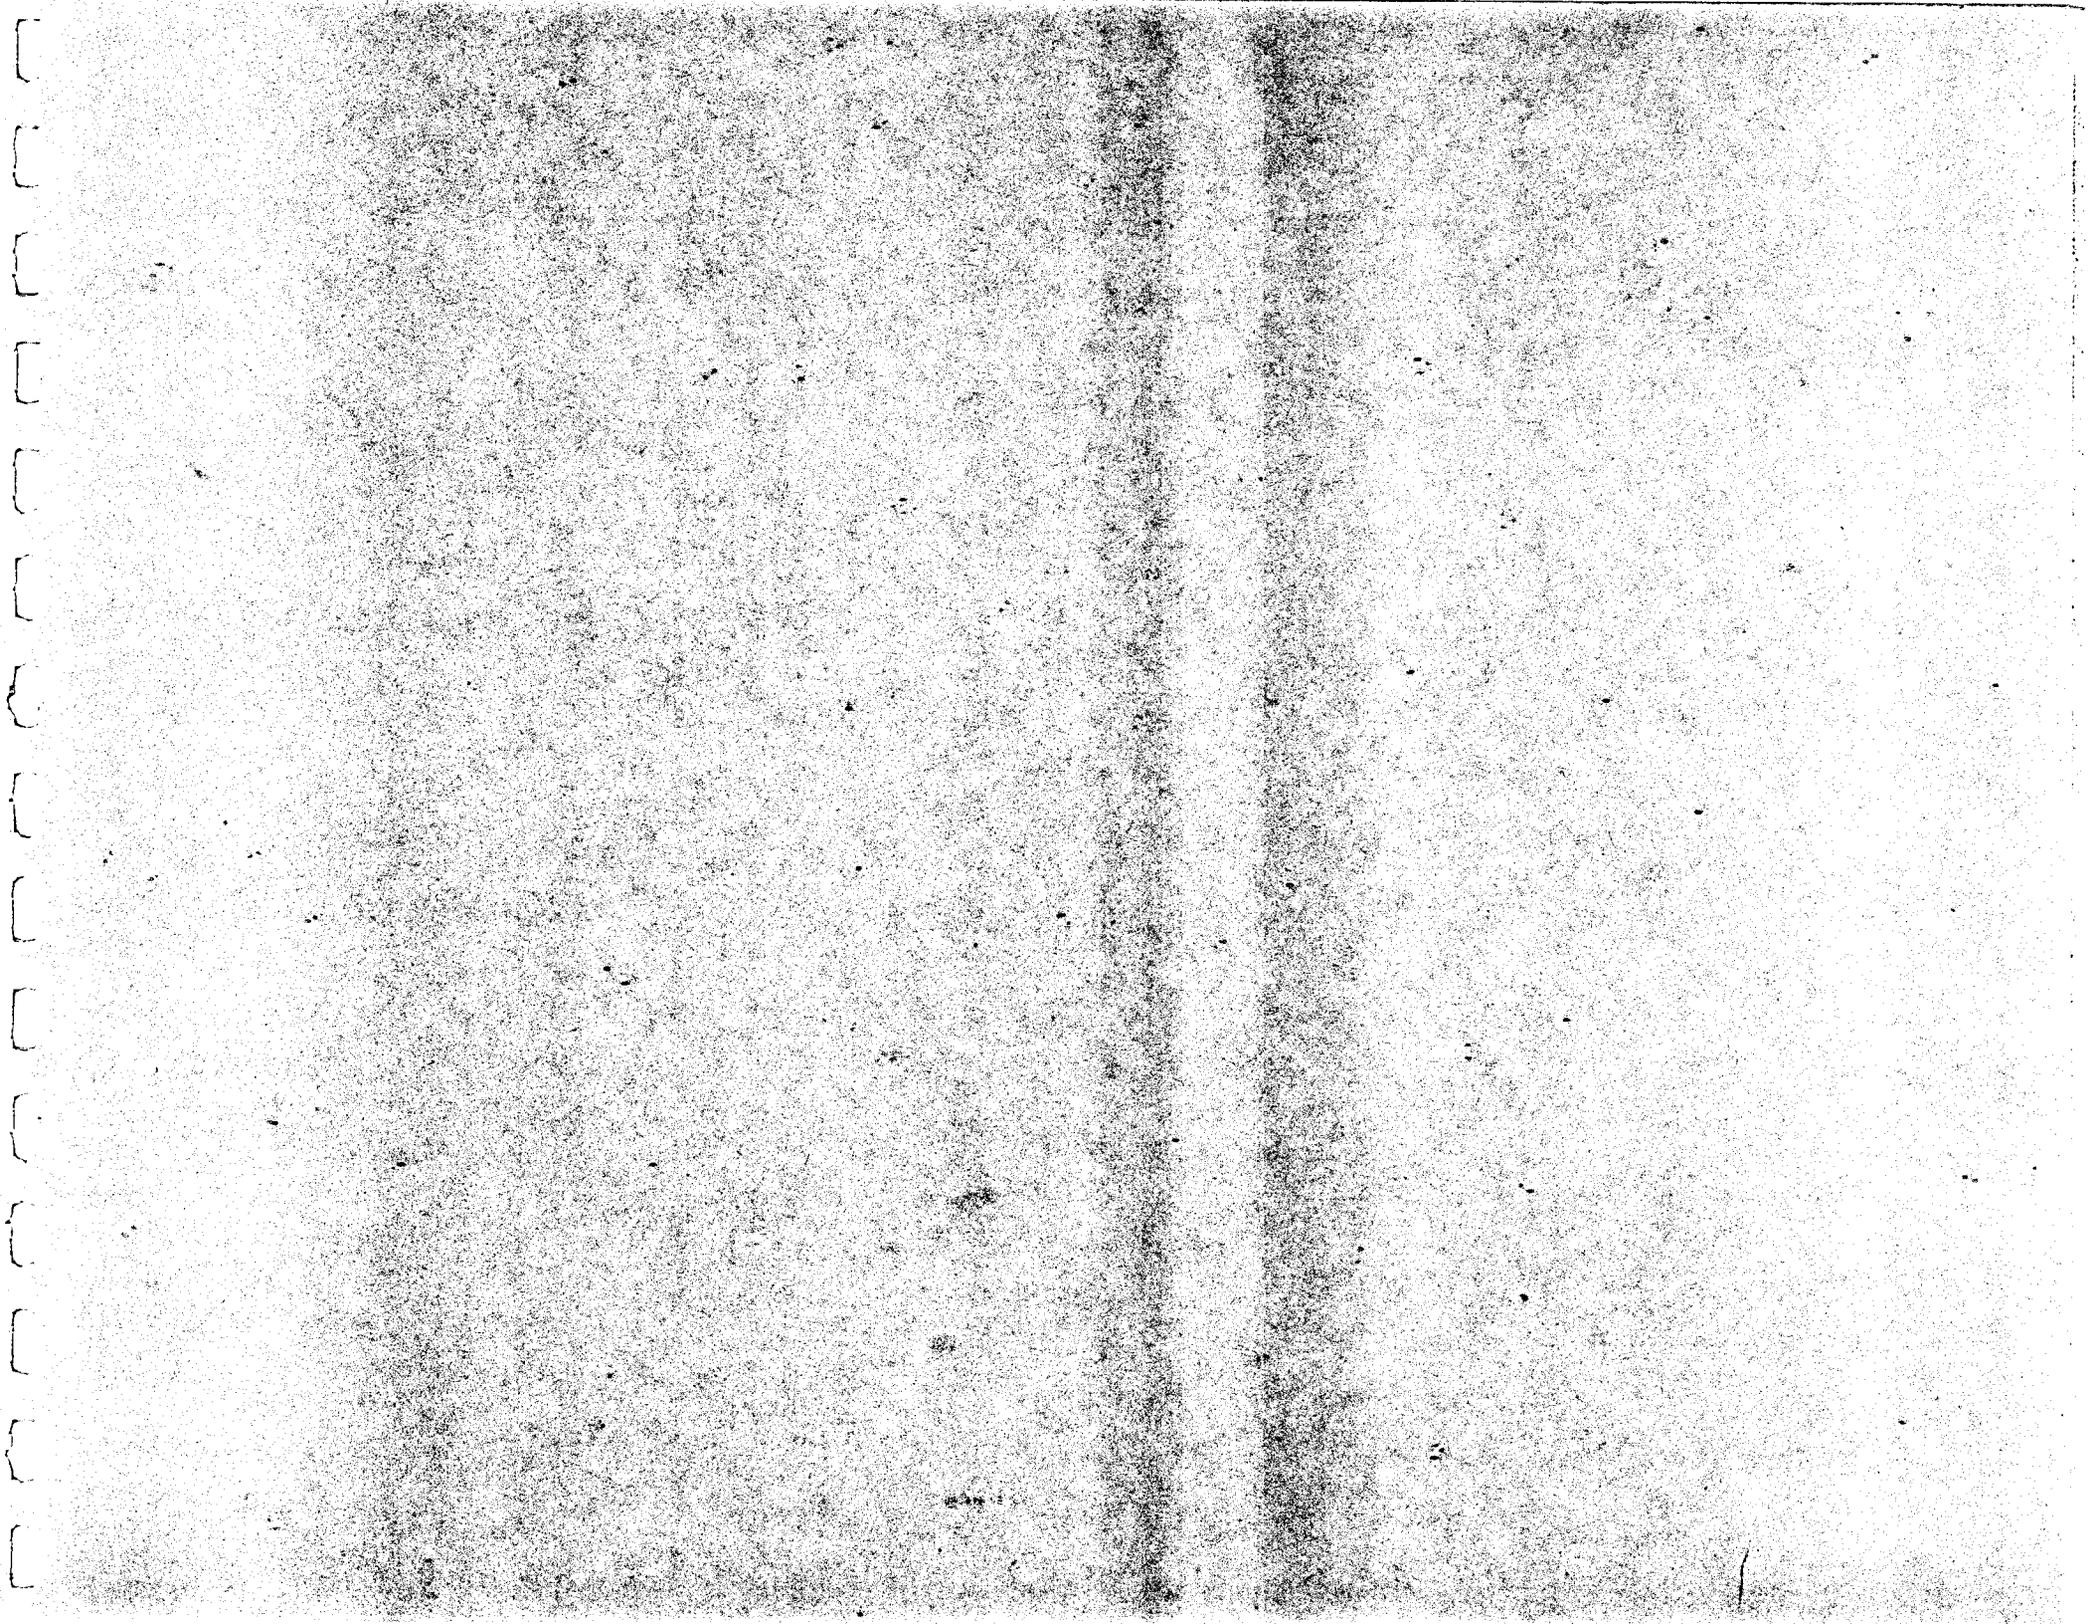

TABLE J, "EXPENDITURES ON BEHALF OF CANDIDATES FROM NON-PARTY POLITICAL COMMITTEES BY CANDIDATES' PARTY," displays different types of non-party committees and their expenditures on behalf of candidates\*. In addition the percentage of committees in a group which have engaged in this campaign financing activity is given.

TABLE K, "EXPENDITURES ON BEHALF OF CANDIDATES FROM NON-PARTY POLITICAL COMMITTEES BY OFFICE, INCUMBENT/CHALLENGER-OTHER/OPEN-SEAT CANDIDATE STATUS AND PARTY," provides data on expenditures on behalf of candidates\*, e.g., does a particular type of non-party committee make expenditures on behalf of candidates for one Federal office or for all three offices, of incumbents or of non-incumbents, or of candidates affiliated with a particular party.

\* Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions in excess of \$5,000.

TABLE L, "INDEPENDENT EXPENDITURES AGAINST CANDIDATES BY POLITICAL COMMITTEES BY CANDIDATES' PARTY," displays different types of non-party committees and their independent expenditures against candidates\*. In addition the percentage of committees in a group which have engaged in this campaign financing activity is given.

TABLE M, "INDEPENDENT EXPENDITURES AGAINST CANDIDATES BY POLITICAL COMMITTEES BY OFFICE, INCUMBENT/CHALLENGER-OTHER/OPEN-SEAT CANDIDATE STATUS, AND PARTY," provides data on independent expenditures against candidates\*, e.g., does a particular type of non-party committee make independent expenditures against candidates for one Federal office or for all three offices, against incumbents or against non-incumbents, or against candidates affiliated with a particular party.

EXPLANATIONS OF COLUMNS

#### EXPLANATION OF COLUMNS

#### NATIONAL PARTY POLITICAL COMMITTEES

This section explains the special terms that appear as labels of the different columns, how the amount is derived for each column and, where appropriate, the significance of the column. Words included in this section are listed in the order in which they appear in each table. For example, the column in TABLE A, labeled REFUNDS, REBATES, appears under TABLE A, as the fourth entry. Readers are encouraged to consult this section regularly as they use the report.

Readers should be aware that the terms as used in this report may be defined differently than they are in the Federal Election Campaign Act of 1971, as amended.

The line number and (where appropriate) the schedule letter of the Revised January 1978 FEC Form 3 on which the receipt and disbursement information were reported are indicated. The line number and the schedule letter of the March 1980 FEC Form 3X are given in parenthesis.

(Party political committees are those committees that are part of the official party structure at the national, State, or local level, which have registered as political committees under the Federal Election Campaign Act, as amended.)

#### TABLE A - SELECTED FINANCIAL ACTIVITY OF DEMOCRATIC AND REPUBLICAN NATIONAL POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY

##### TOTAL RECEIPTS:

This column includes all in-coming funds reported on Line 19 (Line 18).

##### TRANS IN PARTY SAME CAT (Transfers In from Party Political Committees Which Are in The Same Category):

"Transfers" are exchanges of funds between party political committees. A party political committee which receives funds from another party political committee receives a "transfer in."

Party political committees within the same category (e.g., Congressional), as used in this report and in the 1977-78 FEC Reports on Financial Activity, are committees which have been grouped together because they have historically transferred monies between themselves, as allowed by the Federal Election Campaign Act, as amended. The figures in this column are taken from line 15a or 15b of Schedule A (Line 12 of Schedule A). For additional information, on categories of committees, see page xxiv NATIONAL-DEMOCRATIC and

TOTAL MINUS TI SC (Total Receipts Minus Transfers In from Party Political Committees Which Are in the Same Category):

This column represents the difference between the total receipts of a national party political committee and the total transfers it has received from committees, in the same category. Figures in this column more accurately depict the receipts situation, since total receipts are frequently inflated due to transfers between committees in the same group.

REFUNDS, REBATES:

The receipts given in this column represent itemized refunds, rebates, or returns of disbursements to the listed political committee. These incoming monies include such things as refunds of deposits on office equipment. The amounts are as reported on Line 18a of Schedule A (Line 15 or Line 16 of Schedule A).

TRANS IN PARTY OTHER (Transfers in from Other Party Political Committees):

This column represents transfers to a national party political committee from other party political committees which are not in

the same category as the reporting committee. The figures are taken from Line 15a or 15b of Schedule A (Line 12 of Schedule A).

CORPORATION:

These figures are contributions received from non-party political committees which have identified themselves as being connected with a corporation entity. The amounts are as reported on Line 15b of Schedule A (Line 11c of Schedule A).

LABOR:

These amounts are contributions received from non-party political committees which have indicated a connection with a labor organization. The source is Line 15b of Schedule A (Line 11c of Schedule A).

NON-CONNECT:

Amounts here are contributions received from non-party political committees which have not reported a connected organization. The exception to this is that contributions from political committees in the health-related field are included in the following column. Line 15b of Schedule A (Line 11c of Schedule A) is the source.

TRADE/MEMBER/HEALTH:

Contributions from non-party political committees which have reported a connection with a trade association or a membership organization and from political committees in the health-related field are shown in this column. The amounts are as reported on Line 15b of Schedule A (Line 11c of Schedule A).

COOPERATIVE:

This column contains contributions from non-party political committees which report that they are connected with a cooperative. Amounts are from Line 15b of Schedule A (Line 11c of Schedule A).

CORP W/O STOCK (Corporation Without Capital Stock):

Contributions from non-party political committees which reported a connection with a corporation without capital stock are included in this column. Line 15b of Schedule A (Line 11c of Schedule A) is the source.

TOTAL NON-PARTY CONTRIB (Total Contributions from Non-Party Political Committees):

This column, a summation of the preceding six, represents the total contribution to party political committees from non-party political committees.

IN-KIND CONTRIB REG COM (In-Kind Contributions from Registered Political Committees):

"In-kind contributions" are donations of services, goods, or property, e.g., the use of office space or equipment. They are valued at the ordinary market price and are reported on Line 15c of Schedule A (Line 11c or Line 12 of Schedule A). They are made by other political committees registered under the Federal Election Campaign Act.

UNREG COMMITT (Unregistered Committee):

Itemized transfers (either donations of money or in-kind contributions of services, goods, or property) from political organizations which are not registered under the Federal Election Campaign Act are included in this column. Line 15b or 15c of Schedule A (Line 11c or Line 12 of Schedule A) is the origin.

LOANS IN:

This column contains itemized loans received from individuals, candidates, other political committees, or from banks in the ordinary course of business. Line 15a or Line 17a of Schedule A (Line 12 or Line 13 of Schedule A) is the source.

These amounts represent itemized repayments from individuals, candidates, or other political committees for loans previously made by the listed political committee. The figures are taken from Line 15a or Line 17a of Schedule A (Line 12 or Line 14 of Schedule A).

\$500 AND UP CONTRIB:

The amounts are the sum of itemized contributions of \$500 and over from individuals. The contributions may be either monies given directly to the committee or earmarked through another political committee or they may be in-kind contributions of services, goods, or property. (Contributions earmarked through the committee are not included.) The source is Line 14a of Schedule A (Line 11a of Schedule A).

reported by a political committee on Line 25 - Total Expenditures (Line 28 - Total Disbursements).

TRANS OUT PARTY SAME CAT (Transfers Out to Party Political Committees Which Are in the Same Category):

"Transfers" are exchanges of funds between party political committees. A party political committee which disburses funds to another party political committee makes a "transfer out."

Party political committees within the same category (e.g., Congressional), as used in this report and in the 1977-78 FEC Reports on Financial Activity, are committees which have been grouped together because they have historically transferred monies between themselves, as allowed by the Federal election Campaign Act, as amended.

The figure in this column are taken from Line 22a or 22b of Schedule B (Line 20 of Schedule B). For additional information, on categories of committees, see page xiv NATIONAL - DEMOCRATIC and page xvi NATIONAL - REPUBLICAN.

EXPLANATION OF COLUMNS

NATIONAL PARTY POLITICAL COMMITTEES

TABLE A (cont.)

This column represents the difference between the total disbursements of a national party political committee and the total transfers it has made to committees in the same category. Figures in this column more accurately depict the disbursements situation, since total disbursements are frequently inflated due to transfers between committees in the same group.

TRANS OUT PARTY OTHER (Transfers Out to Other Party Political Committees):

This column represents transfers to other party political committees which are not in the same category as the reporting committee. The figures are taken from Line 22a or 22b of Schedule B (Line 20 of Schedule B).

TOTAL NON-PARTY CONTRIB (Total Contributions to Non-Party Political Committees):

Figures here are contributions to non-party political committees. They are taken from Line 22b of Schedule B (Line 21 of Schedule B).

LOANS OUT:

Amounts here are itemized loans made to individuals, candidates, or other political committees. They are taken from Line 21a or

Line 22a of Schedule B (Line 20 or Line 25 of Schedule B).

REPAYMENTS:

The figures are itemized repayments made to individuals, candidates, other political committees, or to banks for loans previously made in the ordinary course of business. The amounts are as reported on Line 21a or Line 22a of Schedule B (Line 20 or Line 24 of Schedule B).

CONTRIB REFUNDS:

Itemized contribution refunds made to individuals, as reported by the political committee on Line 21a of Schedule B (Line 26a of Schedule B), are displayed in this column.

LATEST CASH-ON-HAND:

These amounts are a political committee's most recently reported 1980 "cash on hand." These balances are taken from Line 10 (Line 8).

1/1/79 CASH-ON-HAND:

A political committee's "cash on hand" on January 1, 1979 is given in this column. This beginning cash balance is reported on Line 6 (Line 6).

This column represents the outstanding debts and obligations owed TO the listed political committee. The amounts are taken from Line 12 (Line 9) of the committee's latest report.

## DEBTS OWED BY:

The outstanding debts and obligations owed BY the listed political committee are given in this column. The figures are from Line 13 (Line 10) of the committee's latest report.

## TOTAL CONTRIBUTIONS TO CANDIDATES:

These ten columns represent contributions (donations of money or in-kind contributions of services, goods, or property) to candidates from the listed political committee. The first three columns show combined contributions to Senate and House contestants broken down by incumbent, challenger-other, and open-seat candidate status. (Incumbents are those who have held a Congressional office at any time during the 96th Congress. All candidates who are not incumbent or open-seat candidates are categorized as "challengers-others." Open-seat candidates are those seeking election during 1979 or 1980 to a seat where an incumbent is not seeking re-election.) The next three columns show contributions to Senate candidates broken down by party (Democratic, Republican, and all other minor party and independent contenders). The next three

columns give the same breakdown for contributions to House candidates. The tenth column gives the combined sum of all contributions to Presidential, Senatorial, and Congressional candidates. The amounts are as reported on Line 22b or 22c of Schedule B (Line 21 of Schedule B). (Note that some of these contributions may have been made to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.)

## TOTAL EXPENDITURES ON BEHALF OF CANDIDATES:

Figures here represent expenditures on behalf of candidates made by a party political committee which are permitted by 2 U.S.C. Section 441a(d). The amounts are taken from Line 24 of Schedule F (Line 23 of Schedule F). (Note that some of these expenditures may have been made on behalf of individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.)

## NATIONAL-DEMOCRATIC:

Included in this TABLE are Democratic party political committees which have a scope larger than that of a single state or

Democratic National Committee political committees

Democratic Senatorial political committees

Democratic Congressional (House) political committees

Association of State Democratic Chairpersons - this political committee is a fundraising arm of the Democratic National Committee which serves as a fundraising agent and organizer for selected Democratic State Central committees and Dollars for Democrats committees throughout the country

Other Democratic national political committees - these committees are ones which operate in more than one state (either by making contributions to

candidates or by making expenditures) and which have such characteristics as association with an incumbent Federal officeholder (either by containing the name of the officeholder in its title or by having him or her as an officer of the committee) or affiliation at one time in the past with a national party committee.

The segregation of these national - level committees into different categories, in this report and in the 1977-78 FEC Reports on Financial Activity, is indicated by the presence of a SUBTOTAL. Each time a SUBTOTAL appears, it signifies that the preceding committees have historically transferred monies between themselves, as allowed by the Federal Election Campaign Act, as amended. The last group of committees, the other Democratic national political committees, is not followed by a SUBTOTAL because entities in this group do no transfer significant monies between themselves.

The following exceptions exist to the rule whereby a SUBTOTAL signifies a category of committees: the Democratic House and Senate Council transfers monies to the Democratic Senatorial Campaign Committee.

The identification number which the Federal Election Commission has assigned to a committee (C.....) is listed next to the committee's name. Also given is the ending coverage date of the most recent report

\*This final study excludes party jointfundraising committees and all financial activity which they have reported. The study already includes the net proceeds reported by the beneficiaries of the joint fundraising; in order to avoid the double-counting of money, therefore, the study excludes activity reported by the jointfundraising committees themselves.

If no ending coverage date is printed next to the name of a committee, it means that for a variety of possible reasons the committee has not filed a report containing financial activity information.

An asterisk (\*) following a committee's name means that the committee files its reports with the Secretary of the Senate or with the Clerk of the House of Representatives.

NATIONAL - REPUBLICAN:

Included here are Republican party political committees which are active in more than a single state or locality.\* These national party political committees are divided into the following categories:

CHALLENGER - OTHER:

All candidates who are not incumbent or open-seat candidates are included in this category. These candidates may be, for example, 1980 challengers of Congressional incumbents or they may be unsuccessful 1978 or potential 1982 Senatorial aspirants.

Open-seat candidates are those seeking election during 1979 or 1980 to seats where an incumbent is not seeking re-election.

CANDIDATE STATUS:

Within each candidate status column (incumbent, challenger - other, open-seat, totals) the "number" segment indicates the number of instances where a committee in the group has contributed to a candidate. (Multiple contributions by a committee to the same candidate are summarized and counted as one instance.) The "dollars" portion shows

the total amount contributed to one or more candidates. The "per cent" figure is the proportion which the dollar constitute of all contributions made to candidates by a group of political committees. ## EXPLANATION OF COLUMNS

### STATE AND LOCAL PARTY POLITICAL COMMITTEES

This section explains the special terms that appear as labels of the different columns, how the amount is derived for each column and, where appropriate, the significance of the column. Words included in this section are listed in the order in which they appear in each table. For example, the column in TABLE A, labeled REFUND, REBATES, appears under TABLE A, as the fourth entry. Readers are encouraged to consult this section regularly as they use the report.

Readers should be aware that the terms as used in this report may be defined differently than they are in the Federal Election Campaign Act of 1971, as amended.

The line number and (where appropriate) the schedule letter of the Revised January 1978 FEC Form 3 on which the receipt and disbursement information was reported are indicated. The line number and the schedule letter of March 1980 FEC Form 3X are given in parenthesis. (Party political committees are those committees that are part of the official party structure at the State or local level, which have registered as political committees under the Federal Election Campaign Act, as amended.)

#### TOTAL RECEIPTS:

This column includes all in-coming funds reported on Line 19 (Line 18).

**TRANS IN PARTY SAME STATE (Transfers In from Party Political Committees Which Are Located in the Same State):**

"Transfers" are exchanges of funds between party political committees. A party political committee which receives funds from another party political committee receives a "transfer in."

When a committee has its address located within the same state as another committee they are considered to be within the same state.\* Special care needs to be used when examining committees within the District of Columbia. Figures in this column are taken from Line 15a or 15b of Schedule A (Line 12 of Schedule A).

**TOTAL MINUS TI PSS (Total Receipts Minus Transfers In from Party Political Committees Located in the Same State):**

\*If a committee reports receiving a "transfer in" from a jointfundraising committee, the transfer is treated as if it were from a party committee NOT located in the same state regardless of address. The transfer will be found in the column entitled TRANS IN PARTY OTHER.

TABLE C (cont.)

This column represents the difference between the total receipts of a party political committee with an address in one state and the total transfers it has received from other party political committees located in the same state. REFUNDS, REBATES:

The receipts given in this column represent itemized refunds, rebates, or returns of disbursements to the listed political committee. These incoming monies include such things as refunds of deposits on office equipment. The amounts are as reported on Line 18a of Schedule A (Line 15 or Line 16 of Schedule A).

TRANS IN PARTY OTHER (Transfers In from Party Political Committees Which Are NOT Located in the Same State):

This column represents transfers to a party political committee from other party political committees with addresses not located in the same state. The amounts come from Line 15a or 15b of Schedule A (Line 12 of Schedule A).

The amounts are the sum of itemized contributions of \$500 and over from individuals. The contributions may be either monies given directly to the committee or earmarked through another political committee or they may be in-kind contributions of services, goods, or property. (Contributions earmarked through the committee are not included.) The source is Line 14a of Schedule A (Line 11a of Schedule A).

**TOTAL DISBURSEMENTS:**

This column includes all outgoing funds reported by a political committee on Line 25 - Total Expenditures (Line 28 - Total Disbursements).

**TRANS OUT PARTY SAME STATE (Transfers Out to Party Political Committees Which Are Located in the Same State):**

"Transfers" are exchanges of funds between party political committees. A party political committee which disburses funds to another party political committee makes a "transfer out."

When a committee has its address located in the same state as another committee they are considered to be within the same state.\* Special care should be taken when examining committees within the District of Columbia. Figures in this column are taken from Line 22a or 22b of Schedule B (Line 20 of Schedule B).

**TOTAL MINUS TO PSS (Total Disbursements Minus Transfers Out to Party Political Committees Located in the Same State):**

This column represents the difference between the total disbursements of a party political committee with an address in one state and the total transfers it has made to other party political committees located in the same state. Figures in this column more accurately depict the disbursements situation, since total disbursements are frequently inflated due to transfers between party committees in the same state.

\*If a committee reports making a "transfer out" to a jointfundraising committee, the transfer is treated as if it were to a party committee NOT located in the same state regardless of address. The transfer will be found in the column entitled TRANS OUT PARTY OTHER.

## TOTAL CONTRIBUTIONS TO CANDIDATES:

These ten columns represent contributions (donations of money or in-kind contributions of services, goods, or property) to candidates from the listed political committee. The first three columns show combined contributions to Senate and House contestants broken down by incumbent, challenger-other, and open-seat candidate status. (Incumbents are those who have held a Congressional office at any time during the 96th Congress. All candidates who are not incumbent or open-seat candidates are categorized as "challengers-others." Open-seat candidates are those seeking election during 1979 or 1980 to a seat where an incumbent is not seeking re-election.) The next three columns show contributions to Senate candidates broken down by party (Democratic, Republican, and all other minor party and independent contenders). The next three columns give the same breakdown for contributions to House candidates. The tenth column gives the combined sum of all contributions to Presidential, Senatorial, and Congressional candidates. The amounts are as reported on Line 22b or 22c of Schedule B (Line 21 of Schedule B). (Note that some of these contributions may have been made to individuals who may not be statutory "candidates" under the 1979

Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.)

## TOTAL EXPENDITURES ON BEHALF OF CANDIDATES:

Figures here represent expenditures on behalf of candidates made by a party political committee which are permitted by 2 U.S.C. Section 441a(d). The amounts are taken from Line 24 of Schedule F (Line 23 of Schedule F). (Note that some of these expenditures may have been made on behalf of individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.)

## STATE AND LOCAL - DEMOCRATIC:

This category is composed of subnational Democratic party political committees which operate primarily in one state or locality. (Note that the 1979 Amendments to the Federal Election Campaign Act relax the registration and reporting requirements for local party organizations by modifying the definition of which activities cause such an organization to become a political committee.)

The identification number which the Federal Election Commission has assigned to a

committee (C.....) is listed next to the committee's name. Also given is the ending coverage date of the most recent report containing 1979-1980 financial activity information which a committee has filed. If the committee has omitted the ending coverage date on its most recent report containing such information, an attempt has been made to supply the date based on evidence from the report. If no ending coverage date is printed next to the name of a committee, it means that for a variety of possible reasons the committee has not filed a report containing financial activity information.

STATE AND LOCAL - REPUBLICAN:

Non-national Republican party political committees whose activity occurs primarily within one state or locality are included in this grouping.\* (Note that the 1979 Amendments to the Federal Election Campaign Act relax the registration and reporting requirements for local party organizations by modifying the definition of which activities cause such an organization to become a political committee.)

The printed identification number and ending coverage date have the same meanings as have been given immediately above.

Categories which appear in subsequent party-related tables are defined in the EXPLANATION OF COLUMNS - NATIONAL PARTY POLITICAL COMMITTEES.

\*This final study excludes party jointfundraising committees and all financial activity which they have reported. The study already includes the net proceeds reported by the beneficiaries of the joint fundraising; in order to avoid the double-counting of money, therefore, the study excludes activity reported by the jointfundraising committees themselves.

## EXPLANATION OF COLUMNS

### NON-PARTY POLITICAL COMMITTEES

This section explains the special terms that appear as labels of the different columns, how the amount is derived for each column and, where appropriate, the significance of the column. Words included in this section are listed in the order in which they appear in each table. For example, the column in TABLE A, labeled REFUNDS, REBATES, appears under TABLE A, as the fourth entry. Readers are encouraged to consult this section regularly as they use the report.

Readers should be aware that the terms as used in this report may be defined differently than they are in the Federal Election Campaign Act of 1971, as amended.

The line number and (where appropriate) the schedule letter of the Revised January 1978 FEC Form 3 on which the receipts and disbursements information was reported are indicated. The line number and the schedule letter of the March 1980 FEC Form 3X are given in parenthesis.

(A non-party political committee means any committee that has not been authorized by any candidate and which is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.)

TABLE K - EXPENDITURES ON BEHALF OF CANDIDATES FROM NON-PARTY POLITICAL COMMITTEES BY OFFICE, INCUMBENT/CHALLENGER-OTHER/OPEN-SEAT CANDIDATE STATUS AND PARTY

INCUMBENT:

Incumbent candidates are those who have held the Presidential office on or after 1/21/77 or a Congressional office at any time during the 96th Congress.

With respect to the six special elections in 1979 and 1980 for vacant House seats, expenditures for a candidate in such an election appear in the open-seat category.

However, post-election expenditures for the winner of a special election appear in the incumbent column.

CHALLENGER - OTHER:

All candidates who are not incumbent or open-seat candidates are included in this category. These candidates may be, for example, 1980 challengers of Congressional incumbents or they may be unsuccessful 1978 or potential 1982 Senatorial aspirants.

OPEN-SEAT:

Open-seat candidates are those seeking election during 1979 or 1980 to seats where an incumbent is not seeking re-election.

PARTY:

Within each of the candidates' party columns (Democratic, Republican, Other, Subtotal) the "number" segment indicates the number of instances where a committee in the group (e.g., those connected with a corporate entity) has made expenditures on behalf of a candidate with a particular party/ candidate status, including disbursements for honoraria or election recounts as well as independent expenditures. (Multiple expenditures on behalf of the same candidate by a committee are summarized and counted as one

The "per cent" portion gives the proportion of all expenditures on behalf of candidates made by a non-party group which were made for candidates of a particular party/candidate status. (Note that some of these expenditures may have been made on behalf of individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.)

NON-PARTY COMMITTEE GROUPS:

The meanings of the terms "CORPORATION," etc. have been defined above in TABLE A.

against the same candidate by a committee are summarized and counted as one instance.) The "dollars" segment of the columns gives the total amount expended against the candidates identified with the listed political party. The "per cent" portion indicates what proportion of all independent expenditures against candidates made by a non-party group were made against candidates affiliated with the listed political party. (Note that some of these expenditures may have been made against individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.)
