DESCRIPTION OF REPORT

PURPOSE:

This study is designed to provide information on the financial transactions of Democratic, Republican, and non-party political committees, with emphasis on those transactions which support candidates for Federal office for the period which began on January 1, 1985. Political committees which are entities registered with the Federal Election Commission report their financial activity to the Commission on a periodic basis. Information on receipts, disbursements, and debts from these reports has been entered into the Commission's computer system; programs have been used to produce all TABLES included in this study. The TABLES are organized into four VOLUMES. VOLUME I, SUMMARY TABLES, provides data for the Democratic and Republican national political committees and Presidential convention committees, for all state and local major party committees by state totals and overall total, and for all non-party committees by six group totals; it also includes tables providing information on contributions made to candidates. VOLUME II, STATE AND LOCAL PARTY DETAILED TABLES, presents financial information for each registered state and local major party committee, while VOLUME III (Corporate and Labor) and VOLUME IV (No Connected Organization, Trade Membership Health, Cooperative, Corporation Without Stock) do the same for each non-party political committee.

WHAT IS NOT INCLUDED:

This study only provides information for the Democratic and Republican parties rather than for all party committees, both major and minor, which are registered with the Federal Election Commission. The study does not contain all of the information reported by the committees.

LIMITATIONS:

This study is a final report designed to give a complete picture of the financial activity which occurred during the 1985-86 election cycle. Available at the Commission for inspection are microfilmed copies of the original reports which show information as reported by the filers. The microfilmed public record is the official record of

the Federal Election Commission. This final study is one of several tools which have been developed to summarize the vast quantity of data available on the microfilmed public record.

PERIOD COVERED:

The beginning point for information in this study is committee reports on financial activity which occurred after December 31, 1984. As subsequent reports were received during 1985, 1986, and 1987 the dollar figures contained on them were entered into the computer system and added to earlier information. The computer programs which produced this REPORT'S TABLES were run on January 29, 1988 and used certain 1985-86 data which had been entered up to and including that date. It should be noted that information from committee reports is placed into the computer system in stages, i.e., gross information (total receipts and disbursements, debts and "cash on hand") first, followed by itemized transactions.

II

SUMMARY OF TABLES

The TABLES in this VOLUME are designed to show selected information for all registered Democratic and Republican state and local party political committees.* (State and local party political committees are those committees that are part of the official party structure at the State or local level, which have registered as political committees under the Federal Election Campaign Act, as amended.) (Note that the 1979 Amendments to the Federal Election Campaign Act relax the registration and reporting requirements for local party organizations by modifying the definition of which activities cause such an organization to become a political committee.) Also provided, at the end of the listings of state and local political committees, is information for major party committees formed by Americans in foreign countries. The EXPLANATION OF COLUMNS for State and local committees provides detailed definitions of columns and explanations of organization; it should be used in conjunction with the TABLES.

*This final study excludes party joint fundraising committees and all financial activity which they have reported. The study already includes the net proceeds reported by the beneficiaries of the joint

TABLE A, "SELECTED FINANCIAL ACTIVITY OF STATE AND LOCAL POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," displays receipt, disbursement, and debt information for Democratic and Republican party committees. Total receipts and total disbursements, which are shown first in their respective places, are not necessarily accurate reflections of the "real" money that is available for political campaign financing. These figures are sometimes inflated, due in large part to the fact that these sums include receipts from affiliated committees. As a result of reduced processing of information during the 1985-86 election cycle, it is not possible to isolate transfers among affiliated committees. As such, receipts and disbursements for a few state and local committees are somewhat inflated. The remaining information in this TABLE on specific types of receipts and disbursements provides a partial picture of a political committee's exact income and spending.

fundraising; in order to avoid the double-counting of money, therefore, the study excludes activity reported by the joint fundraising committees themselves.

The remaining information in this TABLE on specific types of receipts and disbursements provides a partial picture of a political committee's exact income and spending. As was noted in the DESCRIPTION OF REPORT where the omitted information was enumerated, the selected receipts and disbursements do not add up to the total receipts and disbursements.

TABLE A next provides a committee's "cash on hand" and debts figures. Amounts of its assistance to candidates* by Federal office and party, which are shown after "cash on hand" and debts, indicate its candidate activity to date.

*Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Federal Election Campaign Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.

EXPLANATION OF COLUMNS

STATE AND LOCAL PARTY POLITICAL COMMITTEES

This section explains the special terms that appear as labels of the different columns, how the amount is derived for each column and, where appropriate, the significance of the column. Words included in this section are listed in the order in which they appear in each table. Readers are encouraged to consult this section regularly as they use the report.

Readers should be aware that the terms as used in this report may be defined differently than they are in the Federal Election Campaign Act of 1971, as amended.

The line number and (where appropriate) the schedule letter of the March 1980 FEC Form 3X on which the receipt and disbursement information was reported are given in parenthesis. (Party political committees are those committees that are part of the official party structure at the national, State, or local level, which have registered as political committees under the Federal Election Campaign Act, as amended.)

TABLE A - STATE TOTALS OF SELECTED FINANCIAL ACTIVITY OF DEMOCRATIC AND REPUBLICAN STATE AND LOCAL POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY

TOTAL RECEIPTS:

This column includes all incoming funds reported on Line 18.

TOTAL INDIV CONTRIB:

The sum of contributions from individuals (both itemized and unitemized) is reported here. Values are taken from Line 11a, Column A of each report filed by the party committee.

TOTAL DISBURSEMENTS:

This column includes all outgoing funds reported by a political committee on Line 28 - Total Disbursements.

BEGINNING CASH-ON-HAND:

A political committee's "cash on hand" on January 1, 1985 (or its initial 1985 "cash on hand" if it registered subsequent to 1/1/85) is given in this column. This beginning cash balance is reported on Line 6.

LATEST CASH-ON-HAND:

These amounts are a political committee's most recently reported 1986 "cash on hand." These balances are taken from Line 8.

DEBTS OWED TO:

This column represents the outstanding debts and obligations owed TO the listed political committee. The amounts are taken from Line 9 of the committee's latest report.

DEBTS OWED BY:

The outstanding debts and obligations owed BY the listed political committee are given in this column. The figures are from Line 10 of the committee's latest report.

TOTAL CONTRIB TO CANDID:

This column represents the sum of all contributions (donations of money or in-kind contributions of services, goods, or property) to Federal candidates during the period from January 1, 1985 through December 31, 1986. The source is Line 21 of Schedule B.

NUMBER OF CAND:

The number of Federal candidates to whom the committee made contributions during 1985-86. The source is Line 21 of Schedule B.

IN-KIND CONTRIB TO CANDID:

This column includes the total dollar value of contributions of goods, services, or property made to Federal candidates as reported by the party committee making the contributions. Note that this represents a subset of TOTAL CONTRIB TO CAND and not additional activity. The source is Line 21 of Schedule B.

CONTRIB TO CANDID 1985:

The proportion of TOTAL CONTRIB TO CAND made during 1985 is shown here. These may represent contributions to debt retirement from previous races, contributions to candidates in special elections, or contributions to 1986 election campaigns. Contributions and dates are reported on Line 21 of Schedule B.

CONTRIB TO PRES:

The proportion of TOTAL CONTRIB TO CANDID made to candidates for the Office of President is shown here, along with the number of Presidential candidates to whom contributions were made.

CONTRIB TO SENATE:

TOTAL EXPENDITURES FOR:

Figures here represent expenditures on behalf of candidates made by a party political committee which are permitted by 2 U.S.C. Section 441a(d).

These expenditures may be coordinated with the campaign and are limited to general election campaigns. The state (and all local committees within the state combined) may spend \$20,400 on House campaigns and a sum based on voting age population for Senate campaigns.

CONTRIBUTIONS AND EXPENDITURES ON BEHALF OF:

The following six columns isolate contributions to Senate and House candidates by Incumbent/Challenger/Open-Seat status including the number of candidates and amount contributed in each category. The final three columns identify expenditures made by party committees by office sought by candidates supported.

STATE AND LOCAL - DEMOCRATIC:

This category is composed of subnational Democratic party political committees which operate primarily in one state or locality. (Note that the 1979 Amendments to the Federal Election Campaign Act relax the registration and reporting requirements for local party organizations by modifying the definition of which activities cause such an organization to become a political committee.)

The identification number which the Federal Election Commission has assigned to a committee (C.....) is listed next to the committee's name. Also given is the ending coverage date of the most recent report containing 1985-86 financial activity information which a committee has filed. If no ending coverage date is printed, it means that for a variety of reasons the committee has not filed a report containing financial activity information.

STATE AND LOCAL - REPUBLICAN:

Non-national Republican party political committees whose activity occurs primarily within one state or locality are included in this grouping. (Note that the 1979 Amendments to the Federal Election Campaign Act relax the registration and reporting requirements for local party organizations by modifying the definition of which activities cause such an organization to become a political committee.)

The printed identification number has the same meaning as has been given immediately above.

* * * * *

Categories which appear in subsequent party-related tables are defined in the EXPLANATION OF COLUMNS - NATIONAL PARTY POLITICAL COMMITTEES.
