Legal Standard
A. Entitlement to Payments From the Fund. The national committee of a major party shall be entitled to payments with respect to any presidential nominating convention, in amounts that, in the aggregate shall not exceed $4,000,000, as adjusted by the Consumer Price Index. The major party entitlement for the 2012 nominating convention was $18,248,300. 26 U.S.C. §9008(b)(1) & (5).

B. Repayments. Any portion of the entitlement that remains unspent after all convention expenses have been paid shall be returned to the Secretary of the Treasury. The national committee or convention committee shall make an interim repayment of unspent funds based on the financial position of the committee as of the end of the ninth month following the last day of the convention, allowing for a reasonable amount as determined by the Commission to be withheld for unanticipated contingencies. The interim repayment shall be made no later than 30 calendar days after the end of the ninth month following the last day of the convention. 11 CFR §9008.12(b)(5).

C. Repayment Determination Procedures. The Commission will follow the same repayment determination procedures, and the committee has the same rights and obligations as are provided for repayment determinations involving publicly funded candidates under 11 CFR 9007.2(c) through (h). 11 CFR §9008.12(c).

D. Net Outstanding Convention Expenses (NOCE). A convention committee shall file, no later than 60 days after the last day of the convention, a statement of that committee's "net outstanding convention expenses." This statement must contain, among other things:

- The total of all committee assets including cash on hand, amounts owed to the committee and capital assets listed at their fair market value;

- An estimate of necessary winding-down costs. 11 CFR §9008.10(g).

[a] Estimated winding down costs will be compared to actual winding down costs and adjusted accordingly.
The NOCE as calculated by the Audit staff indicates that DNCC did not receive payments of federal funds in excess of its entitlement.

At the exit conference held at the end of audit fieldwork, DNCC representatives were informed of the NOCE as calculated by the Audit staff. This NOCE indicated that the DNCC had a surplus of approximately $17,000. The Audit staff explained that adjustments to the NOCE calculations would be necessary based upon any additional documentation provided. Such documentation was provided to the Audit staff subsequent to the exit conference and resulted in a reduction of the initial NOCE surplus to a balance of $1,000. On July 26, 2013, the DNCC made an interim repayment to the United States Treasury in the amount of $1,000 pursuant to 11 CFR §9008.12(b)(5). Subsequently, DNCC representatives were provided a copy of the NOCE updated by the Audit staff which indicates the amount repayable to the United States Treasury is $0.

B. Preliminary Audit Report & Audit Division Recommendation
The Preliminary Audit Report recommended that DNCC demonstrate if any adjustment is required to any component of the NOCE statement or provide other comments if it so desired.

C. Committee Response Preliminary Audit Report
In response to the Preliminary Audit Report recommendation, the DNCC requested no adjustments and had no further comments.
