Final Audit Report of the
Commission on the New Hampshire
Republican State Committee

Why the Audit Was Done
Federal law permits the Commission to conduct audits and field investigations of any political committee that is required to file reports under the Federal Election Campaign Act (the Act). The Commission generally conducts such audits when a committee appears not to have met the threshold requirements for substantial compliance with the Act. The audit determines whether the committee complied with the limitations, prohibitions and disclosure requirements of the Act.

Future Action
The Commission may initiate an enforcement action, at a later time, with respect to any of the matters discussed in this report.

Background

Authority for Audit
This report is based on an audit of the New Hampshire Republican State Committee (NHRSC), undertaken by the Audit Division of the Federal Election Commission (the Commission) in accordance with the Federal Election Campaign Act of 1971, as amended (the Act). The Audit Division conducted the audit pursuant to 2 U.S.C. §438(b), which permits the Commission to conduct audits and field investigations of any political committee that is required to file a report under 2 U.S.C. §434. Prior to conducting any audit under this subsection, the Commission must perform an internal review of reports filed by selected committees to determine if the reports filed by a particular committee meet the threshold requirements for substantial compliance with the Act. 2 U.S.C. §438(b).

Scope of Audit
Following Commission-approved procedures, the Audit staff evaluated various risk factors and as a result, this audit examined:
1. the disclosure of disbursements, debts and obligations;
2. the disclosure of expenses allocated between federal and non-federal accounts;
3. the disclosure of individual contributors' occupation and name of employer;
4. the consistency between reported figures and bank records;
5. the completeness of records; and
6. other committee operations necessary to the review.

Limitations
In maintaining its disbursement records, NHRSC satisfied the minimum recordkeeping requirements of 11 CFR §102.9; however, the Audit staff's testing of disbursements was limited by the lack of some external documentation, such as invoices. This lack of third party records limited testing of the nature of the expenditures and the adequacy of disclosure information, such as, payee address and purpose for disbursements.

Audit Hearing
New Hampshire Republican State Committee declined the opportunity for a hearing before the Commission on the matter presented in this report.

Commission Findings

Finding 1. Misstatement of Financial Activity
During audit fieldwork, a comparison of NHRSC's reported figures to bank records revealed a misstatement of receipts, disbursements and ending cash-on-hand in 2007, and receipts and ending cash in 2008. For 2007, NHRSC understated receipts by $17,444, disbursements by $29,263 and overstated ending cash-on-hand by $9,929. In 2008, receipts were understated by $59,317 and ending cash-on-hand was understated by $26,142. In response to the Interim Audit Report, NHRSC amended its reports to materially correct the misstatements.

The Commission approved a finding that NHRSC misstated financial activity for calendar years 2007 and 2008. (For more detail, see p. 4)

Finding 2. Reporting of Debts and Obligations
During audit fieldwork, the Audit staff noted that NHRSC did not disclose debts outstanding as of January 1, 2007, in the amount of $375,082 for legal services. In response to the Interim Audit Report, NHRSC amended its reports to materially correct the disclosure of these debts.

The Commission approved a finding that NHRSC failed to disclose debt for legal services. (For more detail, see p. 7)
Part IV
Commission Findings

Finding 1. Misstatement of Financial Activity

Summary
During audit fieldwork, a comparison of NHRSC’s reported figures to bank records revealed a misstatement of receipts, disbursements and ending cash-on-hand in 2007, and receipts and ending cash in 2008. For 2007, NHRSC understated receipts by $17,444, disbursements by $29,263 and overstated ending cash-on-hand by $9,929. In 2008, receipts were understated by $59,317 and ending cash-on-hand was understated by $26,142. In response to the Interim Audit Report, NHRSC amended its reports to materially correct the misstatements.

The Commission approved a finding that NHRSC misstated financial activity for calendar years 2007 and 2008.

Legal Standard
Contents of Reports. Each report must disclose:

- The amount of cash-on-hand at the beginning and end of the reporting period;
- The total amount of receipts for the reporting period and for the calendar year;
- The total amount of disbursements for the reporting period and for the calendar year;
and

- Certain transactions that require itemization on Schedule A (Itemized Receipts) or Schedule B (Itemized Disbursements). 2 U.S.C. §434(b)(1), (2), (3), (4) and (5).

Facts and Analysis

A. Facts
As part of this audit, the Audit staff reconciled reported activity to bank records for calendar years 2007 and 2008. The following charts outline the discrepancies for the beginning cash balances, receipts, disbursements, and the ending cash balances for each year. Succeeding paragraphs address the reasons for the misstatements, if known.

</table>

The beginning cash-on-hand was understated by $1,890, and is unexplained, but is likely the result of prior period discrepancies.

**The net understatement of receipts was the result of the following:**
- Unreported transfers from non-federal account $10,000
- Reported intra-account transfer as a transfer from a non-federal account (500)
- Unreported deposit 3,851
- Unexplained difference 4,093
  **Net understatement of receipts** $17,444

**The understatement of disbursements was the result of the following:**
- Unreported disbursements $14,451
- Unreported transfers to non-federal accounts 12,375
- Unexplained difference 2,437
  **Understatement of disbursements** $29,263

The $9,929 overstatement of the ending cash-on-hand was the result of the misstatements described above.

The net understatement of receipts resulted from the following:

- Unreported transfers from Republican National Committee (RNC) $30,100
- Unreported interest from a certificate of deposit $672
- Unreported receipt from non-federal account $3,394
- Transfer from RNC reported incorrectly $900
- Unreported receipt from a political party committee $40,000
- Reported receipts not supported by deposits $(5,000)
- Receipts erroneously linked to committee $(10,000)
- Unexplained difference $(749)

Net understatement of receipts $59,317

The understatement of disbursements in the amount of $23,246 resulted from disbursements that were not reported $12,674, disbursements reported incorrectly $(2,706) and an unexplained under reporting of disbursements $13,278.

The $26,142 understatement of the ending cash-on-hand was the result of the misstatements described above.

B. Interim Audit Report & Audit Division Recommendation
The Audit staff presented this matter during the exit conference and provided work papers detailing the adjustments. NHRSC representatives made no comment on the issue.

The Audit staff recommended that NHRSC:

- Amend its reports to correct the misstatements for 2007 and 2008 as noted above; and,
- Amend its most recently filed report to correct the cash-on-hand balance with an explanation that the change resulted from a prior period audit adjustment. Further, NHRSC should reconcile the cash balance of its most recent report to identify any subsequent discrepancies that may impact the $26,142 adjustment recommended by the Audit staff.

C. Committee Response to Interim Audit Report
In response to the Interim Audit Report, NHRSC filed amended reports that materially corrected the misstatements.

In addition, NHRSC demonstrated that some adjustments suggested in the Interim Audit Report were not necessary. The amounts shown in the table above have been revised to reflect these changes.

D. Draft Final Audit Report
In the Draft Final Audit Report, the Audit staff acknowledged that it and NHRSC representatives agreed upon clarifications and the committee filed corrective amendments.
Commission Conclusion
On October 12, 2011, the Commission considered the Audit Division Recommendation Memorandum in which the Audit Division recommended that the Commission adopt a finding that NHRSC misstated financial activity for calendar years 2007 and 2008.

The Commission approved the Audit staff's recommendation.
