The audit determines whether the committee complied with the limitations, prohibitions and disclosure requirements of the Act.

About the Committee (p. 2)
The National Council of Farmer Cooperatives Co-op/PAC is a non-connected, qualified, multi-candidate political Action Committee and is headquartered in Washington, D.C. For more information, see chart on Committee Organization.

Part I
Background

Authority for Audit
This report is based on an audit of the National Council of Farmer Cooperatives Co-op/PAC (NCFC), undertaken by the Audit Division of the Federal Election Commission (the Commission) in accordance with the Federal Election Campaign Act of 1971, as amended (the Act). The Audit Division conducted the audit pursuant to 2 U.S.C. §438(b), which permits the Commission to conduct audits and field investigations of any political committee that is required to file a report under 2 U.S.C. §434. Prior to conducting any audit under this subsection, the Commission must perform an internal review of reports filed by selected committees to determine whether the reports filed by a particular committee meet the threshold requirements for substantial compliance with the Act. 2 U.S.C. §438(b).

Scope of Audit
Following Commission-approved procedures, the Audit staff evaluated various risk factors and as a result, this audit examined:
1. the disclosure of individual contributors’ occupation and name of employer;
2. the disclosure of disbursements;
3. the consistency between reported figures and bank records;
4. the completeness of records; and
5. other committee operations necessary to the review.

Findings and Recommendations

Finding 1. Misstatement of Financial Activity
During audit fieldwork, a comparison of NCFC’s reported figures with its bank records indicated that in 2009, NCFC understated receipts and disbursements by $10,770 and $806, respectively, and overstated ending cash by $5,133. In 2010, NCFC overstated beginning cash by $13,000 and disbursements by $6,500. In response to the Interim Audit Report, NCFC filed amended disclosure reports to correct the misstatements. (For more detail, see p. 4)

Finding 2. Disclosure of Occupation/Name of Employer
During audit fieldwork, a review of itemized contributions from individuals indicated that 57 percent of the contributions failed to include adequate disclosure for occupation and name of employer. The Audit staff found that the required information was available for 89 percent of the itemized contributions in NCFC’s records. In response to the Interim Audit Report, NCFC filed amended reports to include the missing information. (For more detail, see p. 6)

Finding 3. Disclosure of Contributions to Candidate Committees
During audit fieldwork, a review of disbursements identified 80 percent of contributions to federal candidates that failed to include required disclosure information, such as office sought, state or district, or disclosed incorrect candidate information. In response to the Interim Audit Report, NCFC filed amended reports to include the missing or corrected information. (For more detail, see p. 7)

## Findings and Recommendations

### Finding 1. Misstatement of Financial Activity

#### Summary
During audit fieldwork, a comparison of NCFC's reported figures with its bank records indicated that in 2009, NCFC understated receipts and disbursements by $10,770 and $806, respectively, and overstated ending cash by $5,133. In 2010, NCFC overstated beginning cash by $13,000 and disbursements by $6,500. In response to the Interim Audit Report, NCFC filed amended disclosure reports to correct the misstatements.

#### Legal Standard
**Contents of Reports.** Each report must disclose:
- the amount of cash-on-hand at the beginning and end of the reporting period;
- the total amount of receipts for the reporting period and for the calendar year;
- the total amount of disbursements for the reporting period and for the calendar year; and
- certain transactions that require itemization on Schedule A (Itemized Receipts) or Schedule B (Itemized Disbursements).

#### Facts and Analysis

**A. Facts**
During audit fieldwork, the Audit staff reconciled NCFC's reported financial activity with its bank records for calendar years 2009 and 2010. The following charts outline the discrepancies for the receipt, disbursement, and ending cash balances for 2009 and 2010. Subsequent paragraphs address the reasons for the misstatements.

² The amount in this column cannot be calculated accurately due to numerous discrepancies throughout 2009 between amounts reported for ending cash and the beginning cash in the subsequent period.
In 2009, NCFC understated receipts by $10,770 as a result of failing to report any of its July receipts.

The understatement of disbursements was due to the following:

- Disbursements supported by check/debit, not reported $ 5,601
- December 2009 disbursement, reported June 2010 1,500
- Disbursements reported, not supported by check/debit (3,500)
- Disbursement incorrectly reported (2,795)

Net Understatement of Disbursements $ 806

NCFC overstated the beginning cash balance for 2010 by $16,000 for the above reasons and because NCFC reported an increase in the beginning cash balance of $7,877 ($50,193 - $42,326) as of January 1, 2010. The difference in the ending cash and the 2010 beginning cash illustrates NCFC’s failure to consistently report beginning cash balances that equaled ending cash balances from the previous period.3

The overstatement of disbursements was due to the following:

- Disbursements supported by check/debit, not reported $ 3,000
- December 2009 disbursement, reported June 2010 (1,500)
- Disbursements reported, not supported by check/debit (8,000)

Net Overstatement of Disbursements $ (6,500)

B. Interim Audit Report & Audit Division Recommendation
At the end of audit fieldwork, Audit staff discussed this matter with NCFC representatives at the exit conference. NCFC representatives acknowledged the discrepancies in the reports and indicated that NCFC would file corrective amendments.

---

3 NCFC failed to carry over the correct ending cash balance to the subsequent report for all but one of its reports filed between May 2009 and Year-End 2010. The Reports Analysis Division sent 19 Requests for Additional Information concerning this issue to NCFC during the period covered by the audit.

4 This column does not total due to numerous discrepancies throughout 2010 between amounts reported for ending cash and the subsequent period’s beginning cash, these numbers do not foot.
The Interim Audit Report recommended that NCFC amend its reports to correct the misstatements noted above.

C. Committee’s Response to Interim Audit Report
NCFC filed amended reports to materially correct the misstatement of receipts, disbursements and ending cash-on-hand for 2009 and beginning cash-on-hand and disbursements for 2010.

Finding 2. Disclosure of Occupation/Name of Employer

Summary
During audit fieldwork, a review of itemized contributions from individuals indicated that 57 percent of the contributions failed to include adequate disclosure for occupation and name of employer. The Audit staff found that the required information was available for 89 percent of the itemized contributions in NCFC’s records. In response to the Interim Audit Report, NCFC filed amended reports to include the missing information.

Legal Standard
A. Required Information for Contributions from Individuals. For each itemized contribution from an individual, the committee must provide the following information:
• the contributor’s full name and address (including zip code);
• the contributor’s occupation and the name of his or her employer;
• the date of receipt (the date the committee received the contribution);
• the amount of the contribution; and
• the calendar-year-to-date total of all contributions from the same individual.

B. Best Efforts to Collect Contributions. When the treasurer of a political committee shows that the committee used “best efforts” (see below) to obtain, maintain, and submit the information required by the Act, the committee’s reports and records will be considered in compliance with the Act. 2 U.S.C. §432(i) and 11 CFR §104.7(a).

C. Definition of Best Efforts. The treasurer and the committee will be considered to have used “best efforts” if the committee satisfied all of the following criteria.
• All written solicitations for contributions included:
  o a clear request for the contributor’s full name, mailing address, occupation, and name of employer; and
  o the statement that such reporting is required by Federal law. (Note that the request and statement must appear in a clear and conspicuous manner on any response material included in a solicitation.)
• Within 30 days of receipt of the contribution, the treasurer made at least one effort to obtain the missing information, in either a written request or a documented oral request.
• The treasurer reported any contributor information that, although not initially provided by the contributor, was obtained in a follow-up communication or was
contained in the committee's records or in prior reports that the committee filed during the same two-year election cycle. 11 CFR § 104.7(b).

Facts and Analysis

A. Facts
During audit fieldwork, a review of NCFC's itemized contributions from individuals for disclosure of occupation and name of employer indicated that NCFC failed to disclose the required information for 57 percent of contributions itemized. In a review of NCFC's records, the Audit staff noted that NCFC had the required information for 89 percent of the itemized contributions reviewed. NCFC failed to include in its reports the information it had in its possession.

B. Interim Audit Report & Audit Division Recommendation
The Audit staff presented this matter to NCFC representatives at the first conference. The treasurer stated that NCFC would, using the contributor information already obtained, amend the reports to disclose occupation and name of employer.

The Interim Audit Report recommended that NCFC amend reports to disclose the occupation and name of employer for contributions from individuals.

C. Committee's Response to Interim Audit Report
NCFC filed amended reports to materially correct inadequate and/or missing disclosure information for occupation and name of employer for itemized contributions from individuals.

Finding 3. Disclosure of Contributions to Candidate Committees

Summary
During audit fieldwork, a review of disbursements identified 80 percent of contributions to federal candidates that failed to include required disclosure information, such as office sought, state and district, or disclosed incorrect candidate information. In response to the Interim Audit Report, NCFC filed amended reports to include the missing or corrected information.

Legal Standard
Reporting Contributions to Candidate Committees. When operating expenditures to the same person exceed $200 in a calendar year, the committee must report:

- the amount of the expenditures;
- the date when the expenditures were made;
- the name and address of the payee;
- the purpose of the expenditures (2 U.S.C. § 434(b)(5)(A) and 11 CFR §§ 104.3(b)(3)(i)); and
the candidate’s name and office sought (including the state and, if applicable, Congressional district) (11 CFR §104.3(b)(3)(v)).

Facts and Analysis

A. Facts
During audit fieldwork, the Audit staff reviewed the committee’s contributions to candidate committees. The review indicated that NCFC failed to correctly disclose candidate information such as state, office sought and, if applicable, congressional district for 80 percent of the contributions.

B. Interim Audit Report & Audit Division Recommendation
The Audit staff presented this matter to NCFC representatives at the exit conference. The treasurer stated that NCFC would amend its reports to properly disclose candidate information for each contribution.

The Interim Audit Report recommended that NCFC file amended reports to properly disclose the candidate information, such as office sought, candidate state and, if applicable, congressional district for its contributions to candidate committees.

C. Committee’s Response to Interim Audit Report
NCFC filed amended reports to materially correct the inadequate and/or incorrect disclosure information for contributions to federal candidates.
