History: This message has been forwarded.

Hello Randy, It was good speaking with you today. As stated I intend to file the amended report. We will need your help in making sure we follow the correct procedure. Also I will continue to chip away at proving that the LLC's were legal contributions as sole proprietors. Last I will track down the over charge receipt from Hertz and send a copy of it to you. I am hoping Brad can accommodate me at some point Monday at 3pm central time. I will call you Monday. Thanks for your patience in this matter and thanks for helping us to understand the process. This has certainly been a true learning experience for all of us, but we appreciate all that your team has done to help us through this. Have a great day and I will check in with you Monday. **Subject:** Response to Interim Audit Report

Greetings,

I just wanted to inform you that the 15 day response time extension expired yesterday and we will begin moving forward with the Draft Final Audit Report. I do not see where you have addressed the misstatement finding and I have not received additional requested information pertaining to your response for the receipt of prohibited contributions finding. We will send you the Draft Final Audit Report upon completion, feel free to contact me with any questions.
