Subject
Indiana Democratic Party draft final audit report

History:
This message has been forwarded.

Dear Henry,
I have received the Draft Final Audit Report (LRA #823) dated December 17, 2010, and have read and understand its contents. In addition to amending our 2007 reports to materially correct misstatements detailed by the Audit staff, I have reconciled our cash balance on our most recent (2010 post-general) report with a note that the change was a result of an audit adjustment. The state party does not intend to take further action and waives a hearing before the Commission.
I hope that we have satisfactorily fulfilled the Commission's expectations. Please let me know if I can be of any further assistance.
Best regards,

Alice
