Gentlemen:

In answer to your questions regarding Mrs. Maxey Pope Alles' contribution, the contribution was by check deposited in the Republican Central Committee of Los Angeles County-Federal Account #03-001856, at the Community Bank, 3124 San Fernando Rd., Los Angeles, Ca. 90041. Funds in this account were used in connection with registration and get-out-the vote. Mrs. Alles did not earmark her contribution or designate non-federal purposes. She did not have control over what the committee used the money for, and contributions went for registration and get-out-the vote, which is as contributors were informed. The Republican Central Committee maintained separate bank accounts for individual and corporate funds. No funds went to federal candidates.

If we can be of any further assistance, please call.

Federal Election Commission
Attn: Charles N. Steele

Gentlemen:

In answer to your questions, the contribution was by check deposited in the Lincoln Clubs of Los Angeles County account #1186-181, at Security Pacific National Bank, 333 S. Hope Street, Los Angeles, California 90017. Funds in this account are principally used in connection with federal elections. Mrs. Alles did not earmark her contribution or designate non-federal purposes. She did not have control over what the committee used the money for, and contributions go principally for contributions to federal campaigns, which is as contributors are informed. The committee maintained separate bank accounts for federal (individual) and non-federal (corporate) funds, the second account being reported to the California Secretary of State.

Upon checking Mrs. Maxy Pope Alles' Expenditure and Major Donor Committee campaign statement, which she filed with the California Secretary of State's office, the nature of the mistake can be seen. Mrs. Alles reported the contribution to the Lincoln Club to the Secretary of State of California, using the Lincoln Club California identification number (ID #742070).

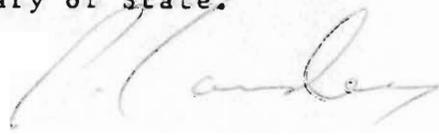

As discussed with Marybeth Tarrent, we are now drawing a check from the Lincoln Club's Federal account to the Lincoln Club's State and local account for \$500.00 in the hope of correcting the situation for Mrs. Alles. We shall use the \$500.00 for state and local candidates.

Attached is a photocopy of Mrs. Alles' personal state campaign report for January 1, 1978 to April 23, 1978, filed in June of 1978, which shows that Mrs. Alles reported the contribution to the California Secretary of State.

Re: MUR 1057
Maxy Pope Alles

Dear Mr. Steele:

This is in response to your letter dated December 18, 1979 concerning possible violations of section 441a(a)(3) of the Federal Election Campaign Act of 1971 by Maxy Pope Alles.

We have not made the effort to review in detail each of the contributions included on the list you sent, but for present purposes are willing to assume their substantial accuracy. It appears that at least the following items should be excluded from the list because they were not contributions affecting federal elections:

Republican Finance Committee - Orange County Dinner. California I.D. No. 771-337	125.
United Republican Finance Committee - Early Bird. California I.D. No. 742-145	500.
1978 Eisenhower Silver Jubilee - Dinner. California I.D. No. 741-463 (1/2 of \$500)	250.
Lincoln Clubs - Los Angeles. California I.D. No. 742-070 (1/2 of \$500)	250.
	<u>\$1,125.</u>

The balance of the apparent excess is explained by Mrs. Alles' failure to understand that contributions made in 1977 (\$3,700) may constitute 1978 contributions for purposes of the Campaign Act and an unintentional failure to keep an accurate count of the total contributions made in 1978.

Re: MUR 1057

Dear Mrs. Alles:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission has found reason to believe that you may have violated section 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended ("the Act"). This section of the Act makes it unlawful for any individual to make contributions aggregating in excess of \$25,000 in a calendar year. Specifically it appears that you have made contributions totalling \$31,413.00. Please note that this total includes contributions made in 1977 which were given to candidates running for election during 1978 and therefore are attributable to 1978. See also section 110.5 of the Commission's Regulations, 11 C.F.R. §110.5. Please see the attached sheets detailing your contributions. The dates used indicate the receipt date by the committees.

We have numbered this matter MUR 1057. Please refer to this number in all future correspondence.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Where appropriate, statements should be submitted under oath.

The Commission is under a duty to investigate this matter and your response should be submitted within ten days after receipt of this notification. If no response is received, the Commission may take further action based on the information at hand.

If you have any questions, please contact Marybeth Tarrant, the staff member assigned to this matter, at 202-523-4175.

This matter will remain confidential in accordance with 2 U.S.C. Section 437g(a) (3) (B) unless you notify the Commission in writing that you wish the investigation to be made public.

If you intend to be represented by counsel in this matter, please have such counsel so notify us in writing.

Sincerely,

Charles N. Steele

Re: MUR 1057

Dear Mrs. Alles:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission has found reason to believe that you may have violated section 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended ("the Act"). This section of the Act makes it unlawful for any individual to make contributions aggregating in excess of \$25,000 in a calendar year. Specifically it appears that you have made contributions totalling \$31,413.00. Please note that this total includes contributions made in 1977 which were given to candidates running for election during 1978 and therefore are attributable to 1978. See also section 110.5 of the Commission's Regulations, 11 C.F.R. §110.5. Please see the attached sheets detailing your contributions. The dates used indicate the receipt date by the committees.

We have numbered this matter MUR 1057. Please refer to this number in all future correspondence.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Where appropriate statements should be submitted under oath.

The Commission is under a duty to investigate this matter and your response should be submitted within ten days after receipt of this notification. If no response is received, the Commission may take further action based on the information at hand.

00040310684

If you have any questions, please contact Marybeth Tarrant, the staff member assigned to this matter, at 202-523-4175.

This matter will remain confidential in accordance with 2 U.S.C. Section 437g(a)(3)(B) unless you notify the Commission in writing that you wish the investigation to be made public.

If you intend to be represented by counsel in this matter, please have such counsel so notify us in writing.

Sincerely,

Charles N. Steele
General Counsel

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This matter involves a possible violation of §441a(a) (3) by the respondent contributor. On November 16, 1979, the Commission voted to defer action on the matter pending receipt and analysis by the Office of General Counsel of new information from the Reports Analysis Division (RAD).

II. EVIDENCE/ANALYSIS

On November 23, 1979, this office received a referral update from RAD. This update included 1977 contributions made by the respondent to the principal campaign committees of candidates running for election in 1978 and, in accordance with the Act, are considered as having been made during calendar year 1978. 1/ See also Section 110.5(b) of the Regulations.

According to Section I of the G Index, Mrs. Pope made a total of \$31,413.00 in contributions for 1978. (See the attached referral and referral updates for specific recipients, dates and amounts.) Therefore, it appears that the respondent

1/ Subsequent to this, another update was received from RAD.

may have violated 2 U.S.C. §441a(a)(3) which prohibits an individual from making contributions aggregating in excess of \$25,000 in a calendar year.

Re: MUR 1057

Dear Mrs. Alles:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission has found reason to believe that you may have violated section 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended ("the Act"). This section of the Act makes it unlawful for any individual to make contributions aggregating in excess of \$25,000 in a calendar year. Specifically it appears that you have made contributions totalling \$31,413.00. Please note that this total includes contributions made in 1977 which were given to candidates running for election during 1978 and therefore are attributable to 1978. See also section 110.5 of the Commission's Regulations, 11 C.F.R. §110.5. Please see the attached sheets detailing your contributions. The dates used indicate the receipt date by the committees.

We have numbered this matter MUR 1057. Please refer to this number in all future correspondence.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Where appropriate, statements should be submitted under oath.

The Commission is under a duty to investigate this matter and your response should be submitted within ten days after receipt of this notification. If no response is received, the Commission may take further action based on the information at hand.

GENERATION OF MATTER

This matter was one of a number of similar matters referred to this office by the Reports Analysis Division on October 22, 1979. The matter involves a possible violation of 2 U.S.C. §441a(a)(3) by the respondent contributor.

BACKGROUND

Section 441a(a)(3) of the Act prohibits aggregate contributions by an individual in excess of \$25,000 in any calendar year. The Act and §110.5 of the Regulations also provide that non-election year contributions made to a principal, authorized or single campaign committee, or independent expenditures made, and designated for an election, shall count against the \$25,000 limit.

The RAD referral included contributor information about this respondent for 1978 only. Consistent with the Act and the Regulations, we requested RAD to supplement its referral with information about 1977 and 1979 contributions. We expect to receive this information by November 13, 1979.

After this information is received and analyzed we will present a full report and recommendation to the Commission. We expect to make this presentation within two weeks.

RECOMMENDATION

Defer action on this matter pending receipt and analysis by Office of General Counsel of new information from Reports Analysis Division.

TO: WILLIAM OLDAKER

THROUGH: ORLANDO B. POTTER *OB.P.*

FROM: THOMAS HASELHORST *TH*

SUBJECT: NINE REFERRALS OF INDIVIDUALS WHO HAVE EXCEEDED THE \$25,000
AGGREGATE CONTRIBUTION LIMIT PER CALENDAR YEAR.

This packet contains eight of nine referrals of individuals who have exceeded the aggregate yearly contribution limitation. The ninth referral is being forwarded with the Kansas Democratic State Committee referral because the individual made an excessive contribution to that committee.

These referrals were initiated through review of Section 1 of the G Index. Each contribution listed was verified by checking the committee reports. All contributions shown on the G Index and included in the referrals were made during 1978.

The Reports Analysis Division has made no attempt to communicate with the individuals in question.

If you have any questions please contact Mary Luppi in the Compliance Section at 357-0023.

FEDERAL ELECTION COMMISSION

1325 K STREET N.W.
WASHINGTON, D.C. 20463

August 11, 1978

Jack Courtemanche, Treasurer
Citizens for the Republic
1253 Seventh Street, Suite 200
Santa Monica, California 90401

Dear Mr. Courtemanche:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, (the Act) as amended. During review of the June Monthly Report of Receipts and Expenditures, we noticed entries indicating that you may have received contributions which exceed the limits set forth in the Act. A copy of that portion of your report is attached so that a review of your records can be made.

The Act precludes individuals from making a political contributions to a multicandidate committee in any calendar year in the excess of \$5,000.

The Commission recommends that if you find the contributions you received were in excess of the limits set forth in the Act, you return the amounts in excess of \$5,000 to the donors. These returns should be reported immediately by letter and should be reflected as contribution refunds on your next report of receipts and expenditures. If you find that the entries in question are incomplete or incorrect, please submit a statement which would clarify these particular matters for the public record. You may do so by amending your original report by letter.

Please notify the Commission within fifteen (15) days from the date of this letter of the determination made on these matters. If you have any questions concerning these matters, please do not hesitate to contact Mark Kleinman (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is 523-4048.

Sincerely,

Orlando B. Potter
