## GENERAL COUNSEL'S REPORT

### I. Background

This matter was referred to the Office of General Counsel by the Reports Analysis Division. On January 3, 1980, the Commission found reason to believe that H.E. Chiles had violated 2 U.S.C. § 441a(a)(3) with respect to calendar year 1978. On March 12, 1981, a brief was sent to the respondent's attorneys, William Schweitzer and Jan Baran, stating the General Counsel's intent to recommend to the Commission a finding of no probable cause to believe against Mr. Chiles. A letter, dated March 23, 1981, from Messrs. Schweitzer and Baran in response to that brief has been received by this office. See Attachment 1.

### II. Legal Analysis

In their response, Messrs. Schweitzer and Baran state that Mr. Chiles agrees with the General Counsel's position and requests that the Commission make the recommended finding. In support of this position, Mr. Chiles referred the Commission to, and incorporated by reference, his submission of June 13, 1980.

In light of the reasons set forth in the General Counsel's Brief dated February 18, 1981, which take into account the respondent's submission of June 13, 1980, the General Counsel recommends that the Commission find no probable cause to believe the Act has been violated.

III. Recommendation

1. Find no probable cause to believe H.E. Chiles violated 2 U.S.C. § 441a(a)(3).
2. Close the file.

H.E. Chiles

Dear Messers. Schweitzer and Baran:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission, on January 3, 1980, found reason to believe that your client had violated section 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended and instituted an investigation of this matter.

After considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend that the Commission find no probable cause to believe that a violation has occurred.

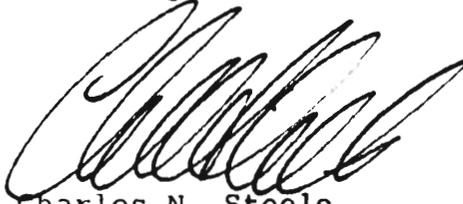

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies) stating your position on the issues and replying to the brief of the General Counsel. Three copies of such brief should also be forwarded to the Office of General Counsel. The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of no probable cause to believe a violation has occurred.

SUBJECT: MUR 1059

Attached for the Commission's review is a brief stating the position of the General Counsel on the legal and factual issues of the above-captioned matter. A copy of this brief and a letter notifying the respondent of the General Counsel's intent to recommend to the Commission a finding of no probable cause to believe was mailed on March 12, 1981. Following receipt of the Respondent's reply to this notice, this Office will make a further report to the Commission.

81010250542

Subsequently, a meeting was arranged for May 19, 1980 so that the staff could meet with Messrs. Schweitzer and Baran. Among other points, a discussion was held regarding the solicitation of some of the contributions in question, and it was agreed that the respondent's attorneys would provide a written position on this issue.

On June 13, 1980, this office received a response from Messrs. Schweitzer and Baran. According to this response, \$13,000 was incorrectly attributed to Mr. Chiles' contribution limitation. Therefore, since the Commission's original notification stated that Mr. Chiles' contributions totalled \$35,550 for 1978, this response concluded that the correct total for 1978 should read \$22,550.

The contributions disputed, and the reasons why, are as follows:

1. \$1,000 to the Citizens for the Republic (CFR) received on June 12, 1978

This contribution was made by Mrs. Chiles and a copy of the check was enclosed in the response.

2. \$1,000 to CFR received on September 14, 1978

According to the respondent, this money was not intended to be a contribution to a federal committee but, rather, it was meant for CFR's Education and Research Foundation which is not a political committee. Subsequent to Commission notification, Mr. Chiles requested and received a refund from CFR.

3. \$1,000 to the Republican National Committee (RNC) received on September 7, 1978.

Mr. Chiles' records show that he made a \$1,000 contribution to the Republican Tax Cut Blitz on September 1, 1978. This donation was made in response to a written request by Congressman Jack Kemp. Because the letter never mentioned that the money would be used in connection with

81010250544

campaigns for federal office, Mr. Chiles believed the donation was not a contribution but rather a donation in support of a public lobbying effort. A copy of the check which was made out to the Republican Tax Cut Blitz, along with a copy of the solicitation letter, was enclosed. Subsequent to Commission notification, Mr. Chiles requested and received a refund from the RNC.

4. \$10,000 to the Eisenhower Silver Jubilee (Jubilee) received on March 13, 1978.

Mr. Chiles' records reveal that on March 7, 1978 a check was made out to the Republican National Finance Committee (RNFC) in the amount of \$10,000. According to Mr. Chiles' affidavit, which was attached, this money was intended for the Building Fund. The Building Fund is an account established by the RNFC which is maintained exclusively to receive donations and make disbursements with respect to the purchase of the Eisenhower Center. To support Mr. Chiles' affidavit, Mr. Ted Welch, then Chairman of the RNFC, and Governor John B. Connally, then Chairman of the Building Fund, provided affidavits attesting to the fact that there is such a fund and that they had personally and individually solicited Mr. Chiles for a donation. Subsequent to receiving notification from the Commission, Mr. Chiles requested and received a refund from the RNC.

Due to the information contained in this response and information previously provided by Mr. Larimore, it was the opinion of this staff that Mr. Chiles' total should be reduced to \$31,550 and that the \$10,000 contribution would be the deciding factor as to whether Mr. Chiles violated the Act. In regard to this contribution, a letter, with questions, was sent to William J. McManus, treasurer of the RNFC, on June 26, 1980.

On August 14, 1980, this office received Mr. McManus' response. Attached to this response was the RNC's file (correspondence, deposit slips, etc.) on H.E. Chiles, plus a second set of copies. Although the original set was returned to the RNC, the set of copies was retained and made part of the response.

81040250545

The correspondence between Mr. Chiles and Mr. Welch indicates that Mr. Chiles was solicited to become a "Republican Eagle" early in 1978. 1/ Although it was apparent from these letters that the \$10,000 in question was Mr. Chiles' 1978 Eagle renewal check, there was no mention in these letters of the money going to the Building Fund. Therefore, on September 30, 1980, the Commission approved the sending of a letter, with questions, to the RNFC in an effort to ascertain whether Mr. Chiles' assertion that his check was intended for the Building Fund was plausible.

As no response was received, a memo requesting the Commission to authorize an order/subpoena was circulated to the Commission on December 22, 1980. However, on December 23, 1980, a response was received from Mr. McManus and, consequently, this office withdrew its request for the order/subpoena.

Based on Mr. McManus' second response, the following facts were ascertained:

1. Mr. Chiles' check was delivered to the RNC by mail and there was no accompanying documentation with the check.
2. An investigation by RNFC failed to determine who processed the check and why it was deposited into the Jubilee's account.
3. One can become a Republican Eagle by contributing to the Building Fund.
4. Although a Republican Eagle can specify into which account he or she would like a contribution placed, absent any direction from the contributor, the contribution would normally be placed in the RNC's general account.

---

1/ A "Republican Eagle" is any individual who contributes \$10,000 or more to the RNC in a given year.

8104950546

5. The RNC has no documents indicating that Mr. Chiles was advised of what his contribution would be used for, nor are they aware of any conversations concerning the use or uses that would be made of his contribution.

Legal Analysis

2 U.S.C. § 441a(a)(3) prohibits an individual from making contributions aggregating in excess of \$25,000 in a calendar year. Pursuant to 2 U.S.C. § 431(8)(B)(viii), formerly § 431(e)(5)(H), excluded from the definition of a contribution is "any ... deposit of money or anything of value to a national or a state committee of a political party specifically designated to defray the cost for construction or purchase of any office facility not acquired for the purpose of influencing the election of any candidate in any particular election for Federal office."

The question here is whether Mr. Chiles really did intend for the \$10,000 to go to the Building Fund. Based on the information at hand, it is the opinion of the General Counsel that the answer to this question is yes.

This conclusion is primarily based on the statements made in the affidavits of Messrs. Chiles, Connally and Welch and the answers to our questions from the RNFC. The above-mentioned evidence indicates that Mr. Chiles was specifically asked to donate to the Building Fund around the time the \$10,000 was given. The evidence also indicates that one can become a "Republican Eagle" by giving \$10,000 to the Building Fund. In addition, we have a statement from Mr. Welch to the

81040050547

effect that donations to the RNFC have, in the past, been inadvertently placed in the wrong account.

This evidence that Mr. Chiles did not intend to exceed his limitation is supported by the facts that (1) Mr. Chiles kept records of all his contributions and was aware of the \$25,000 limit and (2) he requested and received refunds for all the contributions he felt should not have been counted against his limit. While these refunds were after the fact, they do indicate a good faith effort by Mr. Chiles to comply with the Act.

Absent evidence such as a document indicating that the money was designated for a particular account, there is no basis for not believing Mr. Chiles. Consequently, it is the opinion of this office that the \$10,000 should not be included in Mr. Chiles list of 1978 contributions. As the elimination of this \$10,000 brings Mr. Chiles total below \$25,000, the General Counsel recommends the Commission find no probable cause that Mr. Chiles violated 2 U.S.C. § 441a(a)(3).

General Counsel's Recommendation

Find no probable cause to believe that H.E. Chiles violated 2 U.S.C. § 441a(a)(3).

MEMORANDUM TO: The Commission

FROM: Charles N. Steel  
General Counsel

SUBJECT: MUR 1059

On September 30, 1980, the Commission approved the sending of questions to the Republican National Finance Committee (RNFC) concerning a contribution by the respondent herein, H.E. Chiles. Because no response was received, a call was placed to Don Ivers, House Counsel to RNFC. Mr. Ivers stated that he hoped to have a response to us by November 7, 1980.

As yet, there has still been no response, and several phone calls have been placed to Mr. Ivers in order to determine when a response could be expected. These calls have been unsuccessful in reaching Mr. Ivers.

Accordingly, as further inquiry is needed of the RNFC and a lengthy response period has elapsed, the General Counsel recommends that the Commission authorize the attached order/subpoena.

Recommendation

Authorize the attached order/subpoena and the sending of the attached letter.

RE: MUR 1059

Gentlemen:

This is in response to your letter of October 2, 1980, again requesting information with respect to a March 7, 1978, contribution from Mr. H. E. Chiles. Your letter of October 2, 1980, contains nineteen questions which will be discussed below in numerical order:

1. Mr. Chiles' check for \$10,000 was delivered to the Republican National Committee by mail.
2. Our records do not reflect whether or not Mr. Chiles' check was addressed to any particular individual.
3. Mr. Chiles' check was received and processed in the normal course of business and the exact identity of the individual physically receiving and processing the check cannot be determined.
4. As was pointed out in our previous response, dated August 7, 1980, at paragraph 6, Mr. Chiles' check was not accompanied by any additional documentation.
5. Mr. Chiles' check was deposited in the normal course of business and the exact identity of the individual physically processing the check for deposit cannot be determined.
6. Our investigation has failed to determine who made the decision to have Mr. Chiles' check deposited into the Eisenhower Silver Jubilee Dinner account.
7. Our investigation has failed to determine the reason for making the decision to deposit Mr. Chiles' check into the Eisenhower Silver Jubilee Dinner account.

8. In our previous response, dated August 7, 1980, at paragraph 9, it was pointed out that, upon closing out of the Eisenhower Silver Jubilee Dinner account, Mr. Chiles' contribution was transferred into the Republican National Committee General Account and utilized accordingly. This would be the normal treatment of contributions made to the Eisenhower Silver Jubilee Dinner by individuals who were previously designated Republican Eagles.

9. For a discussion of how an individual becomes a "Republican Eagle" and what being an Eagle entails, your attention is respectfully directed to the attached brochure entitled, REPUBLICAN EAGLES.

10. A Republican Eagle can specify into which account he or she would like their contribution placed.

11. In the absence of any direction from the contributor, Eagle contributions are normally placed in the Republican National Committee General Account. However, the Republican National Committee reserves the right, in the absence of any specific direction from the contributor, to deposit contributions into accounts other than the Republican National Committee General Account according to the needs of the Republican National Committee at the time of the receipt of the contribution.

12. Eagles and other contributors are not generally advised of what their contribution will be used for, but contributors may be requested to contribute for a specific purpose.

13. The Republican National Committee has no documents indicating that Mr. Chiles was advised of what his contribution would be used for.

14. The Republican National Committee has no knowledge of any conversations with Mr. Chiles concerning the use or uses that would be made of his contribution.

15. A contributor of \$10,000 or more to the Building Fund can become an Eagle. Your attention is again respectfully directed to the attached brochure entitled, REPUBLICAN EAGLES.

16. Mr. Chiles was an Eagle in 1978 and was so designated as a result of the \$10,000 contribution which is the subject of this inquiry.

17. The refund to Mr. Chiles was made from the Republican National Committee Contribution Account.

18. The contribution was attributed only to Mr. Chiles because only Mr. Chiles' name appears on the check or is indicated by a signature on the

61040250561

check made in his behalf. The notation in the lower lefthand corner of the check was apparently not considered sufficient direction from the contributor to attribute any portion of the contribution to Mrs. Chiles. See 11 CFR 100.7 (c)(b).

19. We are unable, at present, to locate any further documentation of the solicitation, receipt, deposit, transfer and refund of Mr. Chiles' \$10,000 contribution other than that submitted to the Federal Election Commission in the course of fulfilling the regular reporting requirements imposed upon this committee by the Federal Election Campaign Act of 1971, as amended, and Commission regulations.

The information set forth above is based upon a thorough review of Republican National Committee records with respect to the 1978 Eisenhower Silver Jubilee Dinner, the Eisenhower Center Building Fund and general contributor records. Any further questions with respect to this matter should be directed to Donald L. Ivers, House Counsel, Republican National Committee, or to Arlene Triplett, Comptroller for the Republican National Committee.

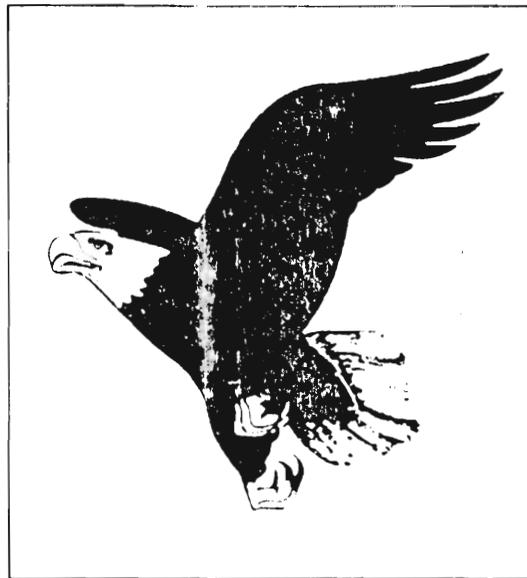

Very truly yours,

  
William J. McManus  
Treasurer

RE: MUR 1059

DATE: September 2, 1980

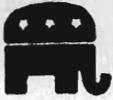

On September 2, 1980, I received a call from Bill Schweitzer concerning the Chiles case. He was inquiring as to the status of it in that David told him that if he had any questions, he could contact me. I have reviewed the file, and it involves a question of whether a \$10,000 contribution to Mr. Chiles was in fact made to the building fund. We have received some information from the RNC that has caused us to seek further information. I told Schweitzer that we probably would want to ask some more questions, not saying what form these questions would take, and that we may ask them both of Chiles and the RNC. I further indicated that the questions would probably be along the line of the building fund contribution, or at least as they allege it to be a building fund contribution.

I have asked Scott Thomas to work with Marybeth Tarrant on the case, and Scott is reviewing the file. I told Schweitzer that Scott would be involved in the case. I also indicated that we would know by the end of the week whether we were going to go with recommendations to the Commission, or whether we were to ask further questions. When that judgment is made, I would think that we might want to get back to Schweitzer and indicate to him what our intentions are at least as to Chiles.

He gave no indication that he had any knowledge of the information that the RNC has supplied us.

Dear Eddie:

This will acknowledge and thank you for your letter of January 5th.

Needless to say, I am delighted to know that you and Fran enjoyed our meeting here in Washington on December 19th.

We did have a Lanier recording machine and tried to get the remarks that were made during the afternoon. Unfortunately, it did not come out as well as we had hoped. We are trying to have a transcription made and will be happy to send you eventually what we are able to decipher.

In the meantime, I am enclosing herewith a copy of Bill Simon's remarks at a meeting that we had in Jacksonville, Florida on December 28th. Actually, his remarks there amounted to virtually a duplication of what he had to say at our meeting in Washington.

Thanks again, Eddie, for your good letter.

Dear Ted:

My wife, Fran, and I want to thank you and the Republican National Finance Committee for putting on what we thought was a superior seminar and one that was most enlightening and enjoyable.

We truly appreciate all the time and effort that went into the production of this seminar and we truly appreciate the fact that a lot of very busy and distinguished people were willing to give of their time in this matter.

Fran and I will continue to do all we can to help make 1978 a great year for the conservatives and for the Republican Party.

Incidentally, Ted, I hope when you get all the speeches that were made transcribed that you will send me a copy of each. As I mentioned to you before, I will be more than glad to pay for the transcripts and for the copies, if you will just let me know the charge.

A very happy and successful 1978 to you.

Dear Mr. Chiles:

I have just recently learned from Trammell Crow that you have agreed to serve as a Co-Chairman with him of the dinner to be held in Dallas on April 6th. This, as you know, will be one of approximately 20 closed circuit T.V. dinners that we will be holding that evening as our major fund raising effort for the Republican National Committee this year.

It was a pleasure and a privilege for me, Mr. Chiles, to have met you at the dinner that Trammell held at his home last fall.

As we enter this crucial year of 1978, I am writing to formally ask you to serve with me as a Co-Chairman of the Republican National Finance Committee this year.

Your having been an Eagle in the past is an indication of the support you have already given the Republican National Committee.

At the January 20th Republican National Committee meeting here in Washington, a 1978 budget was approved calling for over \$19.4 million to be raised this year. These funds will be used to finance the most ambitious program of direct candidate grants and candidate support services ever undertaken by the RNC. Additionally, for the first time, almost \$2.5 million is budgeted to be transferred to State Central Committees to enable them to meet their direct candidate support obligations.

In order to meet the challenge directed to the Finance Committee, I want to have National Finance Co-Chairmen of regional and national prominence who represent at least 20 of our largest states. I am sure you understand, Mr. Chiles, that this is not an honorary position. As the Volunteer National Finance Chairman, I feel quite strongly that one cannot solicit donations unless one has contributed personally. Thus, I am a 1978 Eagle as is Bill Brock, and all members of the Republican National Finance Committee, in my opinion, should also commit to become Eagles.

81040250604

Mr. H. E. Chiles

-2-

As you are well aware, the Eagle program can be successful only through person to person solicitation efforts. Thus, I will be relying on National Finance Co-Chairmen to assist me by hosting events or making appointments for me to meet with potential new Eagles as well as individuals who have been Eagles in the past.

No one individual can raise the very substantial budget necessary for success in the critical 1978 elections. Working together, however, I am certain we can meet our goal.

In asking you to share the burden of this task, I am also asking you to share in the recognition which you will richly deserve. Bill Brock has agreed to give the National Finance Co-Chairmen direct input into the distribution of RNC funds. There will be many opportunities for us to meet privately with Bill and other members of the Republican leadership.

I look forward to your early acceptance of this most important appointment. The task is great, and we need to get started.

Very truly yours,

Ted Welch

It was good of you to have joined us Sunday evening and Monday in Houston. I thoroughly enjoyed the 1 1/2 days that we had together, and I hope that you did too.

Barbara and George Bush were so gracious and our trip to the Armstrong Ranch was an event that I will long remember.

I was happy to observe the enthusiasm that both of you shared about the importance of our forthcoming April 6th dinner in Dallas.

Inasmuch as it will be the only event that will be sponsored by the national committees in your area this year, I really hope that you will want to go all out to insure that the Dallas dinner will be a tremendous success.

Again, it was great to be with both of you, and I am looking forward to seeing you soon.

Dear Eddie:

Thank you for having the message delivered to me that your 1978 Eagle renewal check is in the mail. I am, of course, delighted to know that you are once again in the "fold."

While I am sorry that you don't feel you can commit the time to serve as a regional national co-chairman of the Republican National Finance Committee, I can understand this, Eddie, and I know that you will continue to do all that you can to help us as you have in the past.

Enclosed is a cover letter and data sheets that will be mailed to the dinner chairmen for the April 6th dinner. I will also be sending similar information to our Eagles, but thought you might be interested in getting an advance copy since the material clearly points out the responsibility that the RNC and State Parties have to finance our 1978 federal candidates.

The RNC can provide more than \$22 million in direct grants and "on behalf of" expenditures to our candidates, not to mention the financial support grants and services that are provided for our state races. Our task is a big one, but fund-raising so far this year indicates we have an excellent chance of raising our goal of \$19.5 million.

I will be talking with you by phone soon about the Dallas April 6th dinner. It seems to be shaping beautifully.

Warmest regards,

Ted Welch

Dear Eddie:

You have done it again!—and I wish that I could adequately express my personal appreciation to you for your extreme generosity in having become a Republican Eagle again in 1978. Your receipt for \$10,000 is enclosed.

In addition to our April 6th Dinners, we will be scheduling special Eagle events during the year around the country, as we have done in the past, to enable our Eagles to meet informally with the leaders of the Republican Party.

As a token of our appreciation for your generosity in becoming a Republican Eagle again in 1978, you will soon be receiving a Steuben Eagle glass. This glass has been especially designed by Steuben from the Eagle painting created especially for the Republican National Committee by the renowned wildlife artist, John Ruthven. Through one of our Eagles, these glasses have been made available to us at an unusually reasonable price. We hope you will enjoy this treasured glass and display it proudly.

We are also offering an additional Steuben Eagle glass to any Eagle who is responsible for recruiting a new Eagle, and we hope you will want to build toward a whole set of Eagle glasses!

We are enclosing a new card showing the Eagle incoming WATS line number, and we do hope you will use this whenever we can be helpful to you in connection with any questions or problems you might have.

The 1978 Eagle membership cards for the Capitol Hill Club have been ordered, and you will be receiving yours under separate cover soon. The Club, located next door to our offices here in the Eisenhower Center, has recently undergone a change of management and the service and facilities are better than ever.

1978 promises to be an exciting and challenging year for the Republican Party. I hope we will have an opportunity to get together frequently during the year to exchange ideas on how we can continue to improve chances for more Republican victories in elections at all levels.

Many thanks again for your wonderful support.

Very truly yours,

Ted Welch

Dear Eddie:

Consistent with our commitment that 1978 Eagles be asked to provide input on the distribution of candidate dollars in Texas, there will be a meeting on Friday, May 19th, in Austin, Texas.

The meeting begins at 1:00 at the Driscoll Hotel, and lunch will be served. Adjournment will be no later than 3:30. To the best of my knowledge, this is the first time those who raise and give political money have had the privilege of providing significant input on the distribution of it.

Trammell Crow wrote you recently about the meeting and urged your attendance.

Meeting with the Texas Eagles will be four key dinner committee members and the seventeen-person Texas Executive Campaign Committee appointed in 1976 by Ray Hutchinson that has the legal responsibility of distributing money raised by the Texas State Party to candidates. Also present will be Ray Barnhart, Chairman of the Texas Republican Party, Charles Black, Director of the Campaign Division of the Republican National Committee, and myself.

1978 is both critical and a year of opportunity for Texas Republicans that has tremendous national importance. Senator John Tower simply must be returned to the Senate. Texas is second only to California in the number of targeted Congressional races. There is a special opportunity to elect Jim Baker Attorney General of Texas. Significant gains can be made in the State Legislature. Electing Bill Clements Governor would make the Republican Party dominant in Texas and also give the Party a tremendous boost nationally. We must take advantage of our Texas opportunity by placing our candidate dollars in the hands of those who have the best chance of winning and need it most. We need your advice and input.

Dear Eddie:

Thank you for an excellent luncheon that was both enjoyable and productive. It appears to me that we came away from the luncheon with about \$100,000 more than we had before. That assumes there is no problem with your giving another \$10,000 and that Charles Tandy agrees to give \$10,000, which I am confident he will. I believe Dick will give \$10,000 personally and \$10,000 corporately, and I believe David and Gene will each give \$10,000. It is a response like this that encourages fundraisers. The thing that makes you so effective as a fundraiser is your serious, no-nonsense approach and willingness to commit your own personal resources beyond what you ask others to do.

From Fort Worth I went to Houston and visited with George Bush for a couple of hours. It happened that Martin Allday from Midland was there. Martin indicates there should be eight or ten Republican Eagles from Midland, which coincides with what you have been telling me for some time now. Martin is willing to set up an Eagles recruiting luncheon in Midland and thinks it would be a good idea to have you, H.L. Sonny Brown, and one other person to be the host. This sounds like a great idea to me.

If we are to get four to six new Eagles in Fort Worth, it seems to me the easiest way to do it would be to have a dinner party in your home, Bill Conner's, Charles Tandy's, or whomever, invited the existing Eagles and six or so Eagle prospects. I would come to the function and bring a "political star" with me. It occurred to me that if we had the function in Fort Worth in the evening we might have the Eagles recruiting luncheon in Midland on the same day. I know you are running in all directions at the same time and doing far more than one person should be expected to do or be physically capable of doing. Martin said he could set up the luncheon and get the prospects there, but feels it would be extremely helpful if you could attend. I will be in contact with you in the next few days about this.

Mr. H. E. Chiles

I hope your Howard Jarvis function went well, and I am certain it did. Give my regards to Fran.

Dear Eddie:

I know that Ted has already written you about our meeting in Fort Worth on Tuesday.

He indicated in that letter that you would be hearing further from me with respect to the Republican National State Elections Committee/Corporate.

I am pleased to send you herewith a letter from the General Counsel of that Committee which I hope will answer whatever legal questions you and/or your associates might have in this regard.

If there are any further questions, I hope that you will not hesitate to contact me.

Dear Mr. Chiles:

It is my understanding that you have expressed a possible interest in making a contribution to the Republican National State Elections Committee or the Republican National State Elections Committee/Corporate. The purpose of this letter is to provide you with further information concerning the above Committees.

The Republican National State Elections Committee and the Republican National State Elections Committee/Corporate have been established to participate exclusively in state and local elections by actively supporting and soliciting support for Republican candidates at the grassroots level. In establishing these Committees, considerable time was devoted to research of the election laws of the 50 states, including the State of Texas. Our research of the Texas Election Laws has satisfied us that Texas corporations may contribute to the Republican National State Elections Committee/Corporate, without limitation. The same may be said for individuals in the State of Texas. The Republican National State Elections Committee and the Republican National State Elections Committee/Corporate can then utilize those funds in other states as governed by the election laws of those states. Our position in this regard is further supported by the position taken by the Honorable Steven C. Oaks, Secretary of State of the State of Texas and Chairman of the Texas State Election Board. In a speech delivered by Mr. Oaks on June 29, 1978, to the Corporate Counsel Section of the Texas State Bar, Mr. Oaks stated:

"It does not appear, however, that Article 14.06 of the Texas Election Code and Article 1349 of Vernon's Texas Statutes prohibit a Texas corporation from making contributions to candidates in other states."

Because contributions made to the Republican National State Elections Committee and the Republican National State Elections Committee/Corporate for use by those Committees outside the State of Texas would not be governed by the Texas election laws, there is no requirement in the Texas election laws that they be reported to the State of Texas.

In addition to supporting Republican candidates at the state and local level, the Republican National State Elections Committee and the Republican National State Elections Committee/Corporate are exploring the possibility of undertaking the task of taking the Republican tax cut initiative directly to the states. One means under consideration for doing this is to have the Republican National State Elections Committee and the Republican National State Elections Committee/Corporate sponsor a showing of a twenty-eight minute film of the tax cut initiative throughout the country.

I hope that the above information answers any questions that you might have had in connection with the Republican National State Elections Committee and the Republican National State Elections Committee/Corporate. If you have any other questions, please don't hesitate to contact me.

Very truly yours,

Anton Reul  
General Counsel

Dear Eddie:

Soon you will be receiving from us a framed tribute written by George Bush to thank you for the outstanding job you did on the Dallas/Ft. Worth Eisenhower Silver Jubilee Dinner.

As Chairman of the Republican National Finance Committee, I want to take this opportunity to add once again my personal appreciation to you for your dedication and hard work. You are certainly one of the main reasons that 1978 is going to be a great success for the Republican Party.

I hope you will enjoy this memento with my thanks.

I wanted you to know how very much I personally appreciate your having sent us an additional \$1,000 in connection with our Republican Tax Cut Blitz program.

Having already contributed \$10,000 to the Republican National Committee to become an Eagle in 1978, your additional support for this very important program is doubly appreciated.

Many thanks again.

Re: MUR 1059

Dear Messers. Schweitzer and Baran:

This is in response to your letter of June 13, 1980, addressed to David Branch concerning MUR 1059.

After a review of your letter and the accompanying documents this office has decided to seek additional information in regard to the alleged violation. We hope to obtain this information and to make a recommendation to the Commission within a short period of time.

In the first paragraph of your letter you stated that you intended to demonstrate that the Commission should find "no reason to believe" that any violation has occurred. You should note that on January 3, 1980, the Commission found reason to believe Mr. Chiles may have violated 2 U.S.C. § 441a(a)(3). Mr. Chiles was notified of this finding by letter dated January 7, 1980.

Also, in the second paragraph of your letter you stated that the documents submitted to the Commission on behalf of Mr. Chiles are "part of the informal settlement process provided in the Act for purposes of negotiation and resolution", citing 2 U.S.C. § 437g generally. We are not certain to what specific provisions of the Act you were referring and we do wish to make it clear that this office considers the documents submitted as part of an attempt to show on behalf of Mr. Chiles that no probable cause to believe that he has violated the Act should be found. As there has been no specific request made on behalf of Mr. Chiles to have the Commission consider informal conciliation, this office does not consider the discussions held to date to be part of a conciliation attempt.

Very truly yours,

  
Charles W. Steele  
General Counsel

Dear Mr. McManus:

In furtherance of a Commission investigation in which your committee is not a respondent, the Office of General Counsel is seeking additional information concerning a March 7, 1978, contribution from Mr. H. E. Chiles. This contribution was reported as a receipt by the 1978 Eisenhower Silver Jubilee Dinner (the Dinner) (see attached page from their April 10, 1978 Quarterly Report), however, the check was made out to the Republican National Finance Committee (see attached). In connection with this contribution, please answer the following questions:

1. Who solicited Mr. Chiles for this contribution?
2. For what purpose was the contribution solicited?
3. For what purpose was Mr. Chiles told his contribution would be used?
4. In what account was the contribution deposited? State the name of the bank and the account number.
5. Were funds in this account used in connection with (a) federal elections? (b) non-federal (state and local) elections? (c) any other purpose? State such purpose.
6. Did Mr. Chiles designate or earmark his contribution for any specific purpose?

7. Did Mr. Chiles designate whether all or any portion of his contribution was to be used for non-federal purposes?
8. Did Mr. Chiles have any control over what your committee used the money for?
9. For what purpose was Mr. Chiles' contribution used?
10. Did your committee at this time maintain separate bank accounts for its federal and non-federal funds?
11. Did your committee at this time maintain a separate account for a building fund?
  - a) If so, were contributions specifically earmarked for such a fund?
  - b) Were contributions directly deposited into this account?

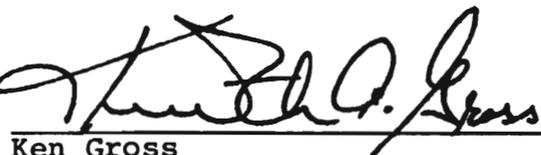

We request that you submit your answers to this office within 10 days of receipt of this letter. Please note that 2 U.S.C. § 437g(a)(12)(A) states that this matter shall not be made public by the Commission or by any other person without the written consent of the person being investigated.

Re: MUR 1059

Dear Mr. Branch:

This office represents H.E. Chiles, respondent, in Federal Election Commission ("FEC" or "Commission") Matter Under Review ("MUR") 1059. We are submitting this letter and accompanying documents to you as we agreed to do during our meeting with you and Ms. Marybeth Tarrant of your office on May 19, 1980. We intend to demonstrate below that our client has not violated the Federal Election Campaign Act, as amended ("Act"), that the Commission should find no reason to believe that any violation has occurred, and that no further action should be taken against Mr. Chiles.

This submission does not constitute a waiver of any legal or constitutional rights which may be asserted by Mr. Chiles. These and other documents submitted to the FEC on behalf of Mr. Chiles are part of the informal settlement process provided in the Act for purposes of negotiation and resolution. 2 U.S.C. § 437g (Supp. III 1979).

I. STATEMENT OF CASE

By letter dated January 7, 1980, Mr. Chiles was notified by Charles N. Steele, FEC General Counsel, that the Commission had found reason to believe that Mr. Chiles may have violated 2 U.S.C. § 441a(a)(3) (1976) with respect to calendar year 1978. Section 441a(a)(3) provides that no individual may make contributions, as that word is defined in the Act, which aggregate more than \$25,000 in any calendar

year. Mr. Steele's letter was accompanied by a two page listing of alleged contributions, each identified by recipient, date and amount, and aggregating in the amount of \$35,550. Apparently the listed items constituted the basis upon which the Commission concluded that Mr. Chiles may have violated the Act.

In response to Mr. Steele's letter, Mr. Chiles' bank statements and records were reviewed. As a result of this review and other research, Mr. Chiles has concluded that certain items contained in the list sent by Mr. Steele were either incorrectly attributed to Mr. Chiles, or never intended as contributions under the Act. Specifically, the listing incorrectly attributes to Mr. Chiles a contribution to Citizens for the Republic (June 12, 1978). This donation was made by Frances Chiles, Mr. Chiles' wife. Furthermore, the following items were never intended by Mr. Chiles to be contributions: Citizens for the Republic (September 14, 1978), Republican National Committee and 1978 Eisenhower Silver Jubilee. The reasons as to why each of these items should not be attributed to Mr. Chiles nor treated as contributions are discussed below with respect to each item. If Mr. Steele's list were adjusted accordingly, the resulting total would be \$22,550, substantially below the limit contained in section 441a(a)(3).

II. DONATIONS WHICH SHOULD NOT BE INCLUDED IN DETERMINING MR. CHILES' 1978 CONTRIBUTIONS SUBJECT TO § 441a(a)(3).

A. Contribution Incorrectly Attributed to Mr. Chiles -- Citizens for the Republic (June 12, 1978):

The Commission has attributed to Mr. Chiles a contribution of \$1,000 to Citizens for the Republic reported as received on June 12, 1978. Mr. Chiles has no record of such a contribution. Upon inquiry, however, it was discovered that Mrs. Chiles had sent a check in an identical amount made payable to "CFTR Action Fund" dated June 7, 1978 (Exhibit A).

B. Donations Which Were Not Intended by Mr. Chiles to Be Contributions.

1. Citizens for the Republic (September 14, 1978):

The list sent by Mr. Steele includes a purported contribution to Citizens for the Republic in the amount of \$1,000 reported by the committee as received on September 14, 1978. Mr. Chiles has a record of a check made payable to "Citizens for the Republic" in an identical amount dated September 6, 1978 (Exhibit B). This donation, however, was not intended

81040250644

David S. Branch, Esquire

1980 JUN 13 PM

by Mr. Chiles to be a contribution to a federal committee. (Exhibit C, Chiles Aff. ¶ 2). The donation was intended by Mr. Chiles to be used by Citizens for the Republic Education and Research Foundation which is not a political committee and does not support candidates for federal office. When Mr. Chiles learned that this donation may not have been used for its intended purpose, he requested and received a refund from Citizens for the Republic. (Exhibit D).

2. Republican National Committee: The list contains a purported contribution of \$1,000 to the Republican National Committee reported as received on September 7, 1978. Mr. Chiles has no record of such a contribution to the Republican National Committee. Mr. Chiles' records do reflect a donation to "The Republican Tax Cut Blitz" in an identical amount dated September 1, 1978. (Exhibit E). This donation was made by Mr. Chiles in response to a written request by Congressman Jack Kemp (Exhibit F). Congressman Kemp requested a donation in order to finance a Tax Cut Blitz whose avowed purpose was to "take the message of the Republican Tax Cut Plan directly to the people of this country." The letter was typed on Congressman Kemp's congressional stationery and bears the letterhead "Congress of the United States, House of Representatives, Washington, D.C., 20003." The letter refers to legislation then pending in Congress, the "Roth-Kemp tax cut bill," and of Republican legislative efforts in the House of Representatives to pass the bill. There is no express statement that any donations to the Republican Tax Cut Blitz would be used in connection with campaigns for federal office. To the contrary, Congressman Kemp explicitly represented that "the Republican National Committee has already budgeted every penny it has raised to support our candidates."

Because of these representations and the general tenor of Congressman Kemp's letter, Mr. Chiles believed that his donation to the Republican Tax Cut Blitz was not a contribution for use in campaigns for federal office, but rather a donation in support of a public lobbying effort for passage of the Roth-Kemp bill then pending in Congress. (Exhibit C, Chiles Aff. ¶ 3). When Mr. Chiles learned that this donation may not have been used for its intended purpose, he requested and received a refund from the Republican National Committee.

3. 1978 Eisenhower Silver Jubilee: The list contains a purported contribution by Mr. Chiles to the 1978 Eisenhower Silver Jubilee in the amount of \$10,000 and reported as received on March 13, 1978. Mr. Chiles does not

12

have any record of such a contribution. Mr. Chiles does have a record of a donation from him and Mrs. Chiles to the Republican National Finance Committee ("RNFC") for an identical amount dated March 7, 1978 (Exhibit G). Mr. Chiles then and now intended that this money be used for the Building Fund. (Exhibit C, Chiles Aff. ¶ 4). The Building Fund is an account established by the RNFC which is maintained exclusively to receive donations and make disbursements with respect to the purchase of the Eisenhower Center, National Republican headquarters in Washington, D. C. (Exhibit H, Welch Aff. ¶ 2). Mr. Chiles had been personally solicited by Mr. Ted Welch, RNFC Chairman, for a donation to the Building Fund. (Exhibit C, Chiles Aff. ¶ 4; Exhibit H, Welch Aff. ¶ 4). Mr. Chiles had also been solicited for a donation by the Building Fund Chairman, Governor John B. Connolly. (Exhibit I, Connolly Aff. ¶ 3). When Mr. Chiles discovered that this donation may not have been used for its intended purpose, he requested and received a refund from the RNFC.

Although Mr. Chiles has not contributed to the Eisenhower Silver Jubilee Dinner in 1978, Mrs. Chiles has. Such a contribution was made by her in the amount of \$3,000 dated April 4, 1980. (Exhibit J). In contrast to the \$10,000 donation by Mr. Chiles, the payee on Mrs. Chiles' check is "Eisenhower Silver Jubilee Dinner," and not "Republican National Finance Committee." Furthermore, Mrs. Chiles' contribution contained on the check a notation that the donation was for the purchase of "6 tickets" to the dinner.

Unfortunately, FEC records do not appear to reflect accurately Mrs. Chiles' contribution as well. The contribution by Mrs. Chiles was to a joint fundraising event. RNFC officials have orally represented to counsel that all contributions to the Dinner were divided as follows: 7% to the National Republican Congressional Committee, 7% to the National Republican Senatorial Committee, 25% to the Texas Republican Congressional Committee (a federal committee), 25% to the Texas Republican Campaign Committee (a state and local committee) and the balance of 36% to the RNFC. Under this formula \$1,080 of Mrs. Chiles' \$3,000 contribution was allocable and actually went to the RNFC. In the year-end report for 1978, the RNFC disclosed on its computerized schedule A a contribution from Mrs. Chiles of \$1,080 for December 2, 1978. (Exhibit K). Mrs. Chiles has no record of any such contribution in that amount. It appears that this item constituted the RNFC's share of Mrs. Chiles' \$3,000 contribution to the Dinner Committee.

David S. Branch, Esquire

On the other hand, Mr. Chiles' donation was not allocated among the participants in the Eisenhower Silver Jubilee Dinner. Notwithstanding the fact that it was payable to the RNFC and intended for the Building Fund, the donation was first disclosed by the Eisenhower Silver Jubilee, and then apparently transferred to the RNFC. (Exhibit K).

III. THE COMMISSION SHOULD FIND NO REASON TO BELIEVE THAT MR. H. E. CHILES VIOLATED 2 U.S.C. § 441a(a)(3).

A. A Donation by Mrs. Chiles in the Amount of \$1,000 Is Not Subject to Mr. Chiles' Annual Limit.

Section 441a(a)(3) provides, in pertinent part, that "no individual shall make contributions aggregating more than \$25,000 in any calendar year." 2 U.S.C. § 441a(a)(3) (1976) (emphasis added). The Commission has stated that "under the Act a wife is an individual who is entitled to make contributions in her own name in the same manner and under the same limitations as her husband," including with respect to the annual \$25,000 limitation. Advisory Opinion 1975-31, Fed. Elec. Campaign Fin. Guide (CCH) ¶ 5145 (November 28, 1975). The Commission has further recognized that each spouse has a separate limit even though there may be only a single source of income for that family. Id.; 11 C.F.R. § 110.1(i)(1) (1980).

As demonstrated above, Mrs. Chiles has made a separate \$1,000 donation to Citizens for the Republic Action Fund. This donation was incorrectly attributed to Mr. Chiles by the Commission. We have submitted a copy of Mrs. Chiles' check to CFTR Action Fund. Therefore, this item in the amount of \$1,000 should be deducted from Mr. Steele's list.

B. Donations by Mr. Chiles in the Sum of \$12,000 Were Not Made for the Purpose of Influencing Elections.

Under the Act, a contribution means, in pertinent part, a "gift . . . of money . . . made by any person for the purpose of influencing" any election for Federal office. 2 U.S.C. § 431(e)(1) (1976) (amended 1980). Only contributions, as thus defined, are subject to the Act's limitations, including the annual limit. 2 U.S.C. § 441a(a)(3) (1976). Mr. Chiles in his affidavit has sworn that certain gifts by him in 1978 which the Commission has treated as contributions were donated for purposes other than to influence federal elections. (Exhibit C, Chiles Aff. ¶ 2,3 & 4). Additional

81040250647

June 13, 1980  
Page 6

documentation has been submitted in support of Mr. Chiles' affidavit.

As to the alleged \$1,000 contribution to Citizens for the Republic, we have submitted a letter from that organization which accompanied a refund to Mr. Chiles. The letter acknowledges the existence of a separate organization, CFTR Education and Research Foundation, which is not a political committee and to whom Mr. Chiles' original donation was intended. Therefore, this \$1,000 donation is not a contribution and not subject to limitation.

As to the alleged \$1,000 contribution to the Republican National Committee, Mr. Chiles states that he did not intend his gift to the Republican Tax Cut Blitz to go to the RNC or to be otherwise used for federal elections. (Exhibit C, Chiles Aff. ¶ 3). We have submitted documents in support of Mr. Chiles' sworn statement including a copy of the solicitation letter from Congressman Kemp and a copy of the check to the "Republican Tax Cut Blitz." The solicitation letter fails to state that the requested donation is for the RNC. To the contrary, the letter strongly suggests that the Republican Tax Cut Blitz is a lobbying organization which advocates the passage in Congress of the Roth-Kemp bill. On this basis Mr. Chiles' donation of \$1,000 was not for the purpose of influencing federal elections, and, therefore, was not a contribution nor subject to limitation.

Finally, Mr. Chiles never made a contribution of \$10,000 to the Eisenhower Silver Jubilee Dinner. Mr. Chiles' donation of \$10,000 to the RNFC was intended by him for the Building Fund. (Exhibit C, Chiles Aff. ¶ 4) To support his affidavit in this regard, we have submitted affidavits by Mr. Ted Welch, then Chairman of RNFC, and Governor John B. Connolly, then Chairman of the Building Fund, attesting to the fact that there is such a fund and that they had personally and individually solicited Mr. Chiles for a donation. We also have submitted a copy of the check, written on behalf of Mr. & Mrs. Chiles.

The RNFC conducts multifarious fundraising activities. During 1978, individuals, including Mr. Chiles, were solicited for numerous purposes, federal and non-federal, including on behalf of the Eisenhower Silver Jubilee, and the Eisenhower Center (Building Fund). In this flurry of solicitation activity, it is virtually predictable that, on occasion, the RNFC may overlook the intended purpose of a donation and make an erroneous, although inadvertant, deposit. (Exhibit H, Welch Aff. ¶ 5). In this case the confusion is compounded

81040250648

David S. Branch, Esquire  
 June 13, 1980  
 Page 7

'80 JUN 13 PM 4:42

by the fact that the RNFC, which reported Mr. Chiles' donation in connection with the Eisenhower Silver Jubilee, did not divide the proceeds of his check among the dinner participants. The failure to do so is in contrast to the manner in which Mrs. Chiles' clearly designated check was handled.

Donations to a fund such as the Building Fund are specifically exempted in the Act from the definition of contribution. 2 U.S.C. § 431(e)(5)(H) (1976) (amended 1980). Therefore, for the reasons stated above the \$10,000 donation to the RNFC for the Building Fund is not a contribution by Mr. Chiles and is not subject to limitations.

C. Mr. Chiles' 1978 Contributions Subject to Limitation Totalled \$22,550.

Mr. Chiles' 1978 contributions for purposes of section 441a(a)(3) totalled \$22,550. This sum is attained by subtracting from the total \$35,550 used by Mr. Steele and deducting the following items:

TOTAL from Steele Letter		\$35,550
LESS:		
Eisenhower Silver Jubilee (RNFC)	\$10,000	
RNC (Republican Tax Cut Blitz)	1,000	
CFTR (Mrs. Chiles)	1,000	
CFTR (Ed. & Research Foundation)	1,000	
	<u>(\$13,000)</u>	<u>(13,000)</u>
TOTAL CONTRIBUTIONS BY H.E. CHILES SUBJECT TO SECTION 441a(a)(3)		<u>\$22,550</u>

V. CONCLUSION

On the basis of the above discussion and the supporting documents, we respectfully request that the Commission find no reason to believe that H. E. Chiles violated 2 U.S.C. § 441a(a)(3) (1976), and take no further action against him.

Respectfully submitted,

AFFIDAVIT OF H. E. CHILES

H. E. Chiles, first being duly sworn, deposes and says:

I have received and read the letter from the Federal Election Commission ("FEC") General Counsel, Charles N. Steele, addressed to me and dated January 7, 1980. I have received and read a list which accompanied Mr. Steele's letter, and which list includes purported contributions by me for the purpose of influencing campaigns for federal office in the sum of \$35,500. I have the following knowledge and recollection with regard to certain of the purported contributions contained on Mr. Steele's list.

1. With respect to the item described as "Citizens for the Republic, 6/12/78, \$1,000," I have no knowledge, recollection or record of making such a contribution.

2. With respect to the item described as "Citizens for the Republic, 9/14/78, \$1,000" I recall making a donation on or about that time in an identical amount to a similarly named organization, Citizens for the Republic ("CFTR") Education and Research Foundation. It is and was my intention that my donation be used to support the educational and research activities of CFTR Education and Research Foundation. At no time did I

81040250653

intend that this donation be used by any candidate or any political committee, or otherwise be used to influence elections for federal office.

3. With respect to the item described as "Republican National Committee, 9/7/78, \$1,000" I have no knowledge, recollection or record of such a contribution. I do recall making a donation on or about that time in an identical amount to another organization named "The Republican Tax Cut Blitz," which advocated passage of the Roth-Kemp bill. My donation was made in response to a written appeal by one of the bill's sponsors, Congressman Jack Kemp. At no time did I intend that this donation be used by any candidate or any political committee, or otherwise be used to influence elections for federal office.

4. With respect to the item described as "1978 Eisenhower Silver Jubilee, 3/13/78, \$10,000," I have no knowledge, recollection or record of such a contribution. I do recall making a donation on or about that time in an identical amount to the Republican National Finance Committee ("RNFC"). My donation to RNFC was in response to personal solicitations by RNFC Chairman, Ted Welch, and Building Fund Chairman, John B. Connolly, who requested a donation for the Building Fund. The Building Fund was represented to me to be an account which was used by the RNFC exclusively to finance the purchase of the

61040250654

Eisenhower Center in Washington, D.C. I made the donation to the Building Fund with the understanding that this and similar donations are specifically exempted from federal election laws and contribution limits. In all other respects I did not intend that this donation be used by the RNFC for any purpose other than for the Building Fund.

Mr. and Mrs. H. E. Chiles  
Western Company of North America  
2525 Ridgmar Boulevard  
Fort Worth, Texas 76101

Dear Eddie and Fran:

Because you are a Republican leader, I want to alert you to an emergency that faces our Party.

The Democrat Party Congressional leadership--in an unbelievable power play--is conspiring to prevent Republicans from enacting a 33-per cent across-the-board reduction in individual income tax rates.

For example, Tip O'Neill, Democrat Speaker of the House, decided not even to let our Republican Roth-Kemp tax cut bill out of the Rules Committee so that Congressmen could vote on it. He decided!

The Democrat Party-controlled House Rules Committee then issued a rule to keep the Republican plan from being offered before the House. Only by the most intricate parliamentary maneuvers was the Republican plan offered. The Democrats then defeated it.

If we are going to overcome this blatant abuse of the Congressional system--and if we are going to be successful in providing Americans the tax relief they so desperately need--we must take the facts directly to the people.

That's why I am writing you today. With your help, we can do just that--take our message to the American people. Republican leaders are going to jet to nine major cities across the country to discuss the Republican tax cut plan with the people who pay the taxes. People like you!

There will be rallies, TV and radio appearances, news coverage, receptions, and other activities to help spread the word about our Republican tax cut plan.

Working with President Ford, Governor Reagan, Senator Bill Roth, Republican National Committee Chairman Bill Brock, and other Republican leaders, we have determined there is only one way to break the stranglehold the Democrats have. That is a nationwide Tax Cut Blitz.

We've scheduled the Blitz for September 20, 21, and 22--less than 30 days away. Starting in Washington, D.C., we will take the Republican tax cut message across the United States, climaxing in Los Angeles on September 22.

NOT PRINTED AT GOVERNMENT EXPENSE

Copy of our report is filed with the Federal Election Commission and is available for purchase from the Federal Election Commission, Washington, D.C."

That's why I am writing to you today. I need your help to make the Republican Tax Cut Plan happen...regardless of what President Carter, Tip O'Neill, or the Democrat power structure thinks or tries to do.

For too long, the average American has carried the tax burden of our country. And for too long, the federal government has ignored our needs through wasteful and inefficient government spending.

You and I, working together with a few thousand other concerned Americans, can do something about inflation. We can break the stranglehold the Democrat leadership has on the Republican Tax Cut Plan to expand the economy. People at work never created inflation.

You can make the difference in our Republican Tax Cut Blitz plans!

First, plan to join us at an event being held in the city nearest you. The news coverage and the press conferences planned will make this Blitz unique in American politics.

I have enclosed for you a list of the nine cities in which the Tax Cut Blitz will hold a series of events. You can play a major supporting role in this Tax Cut Blitz by planning to be there.

Second, you can help support this massive undertaking financially. While I hesitate to ask, frankly, we need investments in our Tax Cut Blitz of \$1,000 or more.

I realize I am making a tremendous request of you. But, these are crucial times. The Republican National Committee has already budgeted every penny it has raised to support our candidates. In fact, no political committee in Washington or anywhere in the country has the funds budgeted for this critical last minute effort to inform the American people of the Republican Tax Cut Plan.

All of us are making a great commitment to the Tax Cut Blitz. We need your support to make the Tax Cut Blitz a success. Please add your commitment to ours by sending your check for \$1,000 today.

Your contribution will reserve a place for you at the special Tax Cut Blitz Reception to be held in each city. But, much more importantly, it will help us take the message of the Republican Tax Cut Plan directly to the people of this country via this nationwide Tax Cut Blitz on September 20, 21, and 22.

America needs a Republican tax cut now!

But talk isn't enough. Please use the enclosed envelope to send me the most generous contribution you can. A \$1,000 investment in the Tax Cut Blitz is the best way we have to take our message to Americans across this great land.

But, we must have the \$39,000 reservation fee for the aircraft to United Airlines by September 6.

And, we must have \$67,500 for brochures, information for candidates, deposits for hotel reservations, flyers and press kits by September 11. As you can see, time is critical.

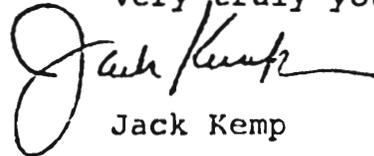

The tax cut movement is going to make history.

I hope to see your name on my list of Tax Cut Blitz sponsors. Plus, I want to meet you personally at the reception and thank you for your help.

You know I would not ask you to make such a substantial contribution if this was not an emergency for the American taxpayers. I'm counting on your financial support to make this project a success.

Because of your previous generosity, we are on the brink of giving this country a real alternative to the high-taxing Democrats. With your immediate financial help, I am confident that the Tax Blitz will be successful. Thank you.

Very truly yours,

Jack Kemp

AFFIDAVIT OF TED WELCH

Ted Welch, first being duly sworn, deposes and says:

1. From 1977 until 1979, I served as Chairman of the Republican National Finance Committee ("RNFC"). In that capacity, I had the responsibility of supervising all fundraising activity on behalf of the RNFC.

2. While I was Chairman, the RNFC solicited donations of money to be used by the RNFC in support of campaigns for federal offices and campaigns for state and local offices. At that time, the RNFC maintained separate accounts according to federal and non-federal purposes. Additionally, the RNFC maintained a separate account known as the Building Fund which was maintained exclusively to receive donations not subject to federal election law limits and make disbursements with respect to the purchase of the Eisenhower Center, National Republican headquarters in Washington, D.C.

3. During my tenure as Chairman of the FNFC, I became acquainted with Mr. H. E. Chiles of Fort Worth, Texas. On numerous occasions I met with Mr. Chiles and spoke with him regularly by telephone. During my meetings and conversations with Mr. Chiles, I discussed with him, and solicited from him, donations to a variety of political, charitable and economic causes. I specifically recall discussing with Mr. Chiles, and requesting from

81040250562

him, separate donations to various RNFC fundraising projects, including federal and non-federal activities.

4. I specifically recall discussing with Mr. Chiles, in early 1978, the building fund and suggesting he seriously consider contributing to it.

5. I recall instances during my tenure as Chairman of RNFC in which donations to the RNFC for one purpose or account may have been used inadvertently for another purpose or may have been deposited inadvertently into another account.

John B. Connally, first being duly sworn, deposes and says:

1. From September, 1977 until April, 1978, I served as Chairman of the Republican National Finance Committee's Building Fund ("Building Fund"). In that capacity, I had the responsibility of supervising fundraising activity on behalf of the Building Fund.

2. The Republican National Finance Committee ("RNFC") established the Building Fund for the purpose of financing the purchase of the Eisenhower Center in Washington, D.C. The RNFC maintained the Building Fund as a separate account in order to permit the receipt of donations not subject to federal election law limits.

3. In early 1978, I asked Mr. H. E. Chiles of Forth Worth, Texas to make a donation to the Building Fund.

After an April 16, 1980, meeting at which Mr. Larimore and Mr. Godfrey represented the respondent, we received a phone call from William Schweitzer who stated that he and Jan Baran would be representing the respondent from then on.

On May 19, 1980, Mr. Schweitzer and Mr. Baran met with the staff. Among other points, a discussion was held regarding the solicitation of several of the contributions in question and it was agreed that the respondent's attorneys would provide a written position on this issue by June 2, 1980.

As Mr. Tom Larimore, attorney for the respondent, disputed several of the contributions in question, letters went out, on March 10, 1980, to Mr. Larimore and several of the recipient committees for clarification. We have received responses to all of our letters.

On March 31, 1980, Mr. Larimore called this office and requested a meeting on April 16, 1980. This office is planning to meet with Mr. Larimore on that date and will make a report to the Commission subsequent to that meeting.

Dear Mr. Steele:

In reply to your letter of March 4, 1980, the copy of our April 10, 1978 Quarterly Report was not attached to your letter, however, we had a copy in our file.

The \$100 contribution you refer to from H.E. Chiles was made 3/31/78, but the date was typed in the wrong column on the report, and it appeared to be made at the same time as a \$250 contribution, made on February 23, 1978. We do not have copies of the checks, but we are enclosing a copy of our deposit slips. According to our records, the total contribution of Mr. and Mrs. Chiles to this campaign in 1978 was \$350.

MUR 1059

INTERIM INVESTIGATIVE REPORT #1

On January 3, 1980, the Commission found reason to believe that H.E. Chiles may have violated 2 U.S.C. §441a (a)(3). A letter went out to the respondent on January 7, 1980.

On January 21, 1980, this office received a response from Tom L. Larimore, attorney for Mr. Chiles. As Mr. Larimore disputes several of the contributions referred to in our first letter, this office is presently drafting letters to be sent to the respondent and several of the recipient committees for clarification.

Upon receipt of responses to these letters, a recommendation will be made to the Commission.

Re: MUR 1059

Dear Mr. Steele:

Mr. H.E. Chiles has asked me to respond to your letter to him dated January 7, 1980.

I have reviewed the list which you included with your letter dated January 7th of alleged contributions by Mr. Chiles to various committees. For your information, an examination of Mr. Chiles' bank records has been made. We have not located any checks or check stubs made out to the following committees.

Eisenhower Silver Jubilee	3-13-78	\$10,000
Gearhart for Congress	2-23-78	\$ 100
Citizens for Republic	6-12-78	\$ 1,000
Republican National Committee	9-7-78	\$ 1,000
Oklahoma Republican State Committee	10-16-78	\$ 250

61040250729

In addition, said examination has revealed that the payment to the "Thorsness '78" committee dated July 20, 1978, in the amount of \$1,000 was made by Mr. Chiles' wife, Frances H. Chiles.

Since the information upon which your January 7, 1980, letter is based is incorrect, the Federal Election Commission should not have reason to believe that Mr. Chiles has violated Sec. 441a (a)(3) or any other provision of the Federal Election Campaign Act of 1971, as amended.

Please advise if I may be of any further assistance.

Best regards.

Dear Mr. Steele:

In regard to your case #MUR 1059, Maxi Pope Alles, I thought I might pass on to you some thoughts concerning what appears to be an error, the blame for which might, at least, partially, be charged to me.

I has come to my attention that after having made the maximum contribution to candidates running for federal office, Mrs. Alles also gave me her check for her Lincoln Club membership for \$500.00, some of which also went to candidates running for a federal office.

Because of my not having made it known to Mrs. Alles some of the money she gave to me would go to federal candidates too, it appears that a violation has occurred which is clearly not Mrs. Alles' fault. I wish you would be good enough to advise me as to what I should do to help her clear this matter up. Your earliest consideration here would be appreciated.

Kindest personal regards,

Price Sanders, Director

Re: MUR 1059

Dear Mr. Chiles:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission has found reason to believe that you may have violated section 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended ("the Act"). This section of the Act makes it unlawful for any individual to make contributions to federal elections aggregating in excess of \$25,000 in a calendar year. Specifically it appears that you have made contributions totalling \$35,550.00. Please note that this total includes contributions made in 1977 and 1979 which were given to candidates running for election during 1978 and therefore are attributable to 1978. See also section 110.5 of the Commission's Regulations, 11 C.F.R. §110.5. Please see the attached sheets detailing your contributions. The dates used indicate the receipt date by the committees.

We have numbered this matter MUR 1059. Please refer to this number in all future correspondence.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Where appropriate, statements should be submitted under oath.

The Commission is under a duty to investigate this matter and your response should be submitted within ten days after receipt of this notification. If no response is received, the Commission may take further action based on the information at hand.

Re: MUR 1059

Dear Mr. Chiles:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission has found reason to believe that you may have violated section 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended ("the Act"). This section of the Act makes it unlawful for any individual to make contributions to federal elections aggregating in excess of \$25,000 in a calendar year. Specifically it appears that you have made contributions totalling \$35,550.00. Please note that this total includes contributions made in 1977 and 1979 which were given to candidates running for election during 1978 and therefore are attributable to 1978. See also section 110.5 of the Commission's Regulations, 11 C.F.R. §110.5. Please see the attached sheets detailing your contributions. The dates used indicate the receipt date by the committees.

We have numbered this matter MUR 1059. Please refer to this number in all future correspondence.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Where appropriate, statements should be submitted under oath.

The Commission is under a duty to investigate this matter and your response should be submitted within ten days after receipt of this notification. If no response is received, the Commission may take further action based on the information at hand.

If you have any questions, please contact Marybeth Tarrant, the staff member assigned to this matter, at 202-523-4175.

This matter will remain confidential in accordance with 2 U.S.C. Section 437g(a)(3)(B) unless you notify the Commission in writing that you wish the investigation to be made public.

If you intend to be represented by counsel in this matter, please have such counsel so notify us in writing.

Sincerely,

Charles N. Steele  
General Counsel

SUBJECT: INDIVIDUALS EXCEEDING \$25,000 YEARLY LIMIT.

Attached are MUR updates to seven of nine RAD referrals concerning individuals who exceeded the \$25,000 yearly limits. These updates contain contributions made in 1977 and 1979 to candidates or candidate committees which may be attributed to the 1978 limitations.

In the case of an individual residing in a community property state the pages of the G Index showing all contributions from the contributor and his/her spouse have been attached.

All contributions from an individual which aggregate in excess of \$1,000 to a Federal candidate have been reviewed for election designation. Unless otherwise noted, no contributions aggregating in excess of \$1,000 were designated to a particular election.

Gentlemen:

In compliance with Section 109.2(b) (1) of the Federal Election Commission Regulations, I am reporting the following information in lieu of filing an FEC Form 5. My name is H. E. Chiles, and I am Chairman of the Board of The Western Company of North America, and my business address is P.O. Box 186, Fort Worth, Texas, 76101. The advertisement contained a clear and conspicuous statement that the advertisement was not authorized by any candidate, and that the advertisement was financed by me personally.

Very truly yours,

GENERATION OF MATTER

This matter was one of a number of similar matters referred to this office by the Reports Analysis Division on October 22, 1979. The matter involves a possible violation of 2 U.S.C. §441a(a)(3) by the respondent contributor.

BACKGROUND

Section 441a(a)(3) of the Act prohibits aggregate contributions by an individual in excess of \$25,000 in any calendar year. The Act and §110.5 of the Regulations also provide that non-election year contributions made to a principal, authorized or single campaign committee, or independent expenditures made, and designated for an election, shall count against the \$25,000 limit.

The RAD referral included contributor information about this respondent for 1978 only. Consistent with the Act and the Regulations, we requested RAD to supplement its referral with information about 1977 and 1979 contributions. We expect to receive this information by November 13, 1979.

After this information is received and analyzed we will present a full report and recommendation to the Commission. We expect to make this presentation within two weeks.

RECOMMENDATION

Defer action on this matter pending receipt and analysis by Office of General Counsel of new information from Reports Analysis Division.

MEMORANDUM

TO: WILLIAM OLDAKER  
THROUGH: ORLANDO B. POTTER *OB.P.*  
FROM: THOMAS HASELHORST *TH*  
SUBJECT: NINE REFERRALS OF INDIVIDUALS WHO HAVE EXCEEDED THE \$25,000  
AGGREGATE CONTRIBUTION LIMIT PER CALENDAR YEAR.

This packet contains eight of nine referrals of individuals who have exceeded the aggregate yearly contribution limitation. The ninth referral is being forwarded with the Kansas Democratic State Committee referral because the individual made an excessive contribution to that committee.

These referrals were initiated through review of Section 1 of the G Index. Each contribution listed was verified by checking the committee reports. All contributions shown on the G Index and included in the referrals were made during 1978.

The Reports Analysis Division has made no attempt to communicate with the individuals in question.

If you have any questions please contact Mary Luppi in the Compliance Section at 357-0023.
