RE: MUR 1571

Dear Mr. Zachritz:

On August 9, 1983, the Commission found reason to believe that you had violated 2 U.S.C. § 434(a)(2)(A)(ii), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act") in connection with the above-referenced MUR. However, after considering the circumstances of this matter, the Commission has determined to take no further action and close its file. The file will be made part of the public record within 30 days. Should you wish to submit any materials to appear on the public record, please do so within 10 days.

The Commission reminds you that failure to file required reports in a timely fashion nevertheless appears to be a violation of 2 U.S.C. § 434, and you should take immediate steps to ensure that this activity does not occur in the future.

The General Counsel's Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

If you have any questions, please direct them to Suzanne Callahan at (202) 523-4529.

Sincerely,

Danny L. McDonald

SUMMARY OF ALLEGATIONS

The Edwards in '82 Committee, the principal campaign committee supporting Marvin Edwards in the 1982 General Election, failed to file timely the 30 Day Post-General Election Report. Mr. Edwards won the election with 67.2 percent of the vote.

On September 27, 1982, the committee was notified that the report was due on December 2, 1982. On January 13, 1983, the committee was notified that the Clerk of the House of Representatives had not received the report. The committee filed the 30 Day Post-General Election Report on January 26, 1983.

FACTUAL AND LEGAL ANALYSIS

As set forth in 2 U.S.C. § 434(a)(2)(A)(ii), principal campaign committees of House and Senate candidates must file:

- (ii) a post-general election report, which shall be filed no later than the 30th day after any general election in which such candidate has sought election, and which shall be complete as of the 20th day after such general election; ...

The respondent committee's failure to file the 30 Day Post Election report in a timely fashion is a violation of the above-referenced provision of the Act.

83040415178

However, the violation is mitigated by the fact that the committee has now filed all its reports and the late filing concerned post election reports while the pre-election reports were filed in a timely manner. The Commission has concluded, as a matter of policy, that it wishes to resolve these violations involving late filing as quickly as possible. Therefore, the Office of General Counsel recommends finding reason to believe that the Edwards in '82 Committee violated 2 U.S.C. § 434(a)(2)(A)(ii), but that no further action be taken in this matter.

RECOMMENDATIONS

1. Find reason to believe the Edwards in '82 Committee violated 2 U.S.C. § 434(a)(2)(A)(ii).
2. Take no further action.
3. Close the file.

GENERATION OF MATTER

This matter was referred to the Office of General Counsel by the Reports Analysis Division. On July 26, 1983, the Commission voted to open a MUR in this matter.

SUMMARY OF ALLEGATIONS

The Edwards in '82 Committee, the principal campaign committee supporting Marvin Edwards in the 1982 General Election, failed to file timely the 30 Day Post-General Election Report. Mr. Edwards won the election with 67.2 percent of the vote.

On September 27, 1982, the committee was notified that the report was due on December 2, 1982. On January 13, 1983, the committee was notified that the Clerk of the House of Representatives had not received the report. The committee filed the 30 Day Post-General Election Report on January 26, 1983.

FACTUAL AND LEGAL ANALYSIS

As set forth in 2 U.S.C. § 434(a)(2)(A)(ii), principal campaign committees of House and Senate candidates must file:

83040415182

(ii) a post-general election report, which shall be filed no later than the 30th day after any general election in which such candidate has sought election, and which shall be complete as of the 20th day after such general election; ...

The respondent committee's failure to file the 30 Day Post Election report in a timely fashion is a violation of the above-referenced provision of the Act.

Therefore, the Office of General Counsel recommends finding reason to believe that the Edwards in '82 Committee violated 2 U.S.C. § 434(a)(2)(A)(ii). However, the violation is mitigated by the fact that the committee has now filed all its reports and the late filing concerned post election reports while the pre-election reports were filed in a timely manner. The Commission has concluded, as a matter of policy, that it wishes to resolve these violations involving late filing as quickly as possible. The Office of General Counsel accordingly recommends taking no further action in this matter.

RECOMMENDATIONS

1. Find reason to believe the Edwards in '82 Committee violated 2 U.S.C. § 434(a)(2)(A)(ii).
2. Take no further action.
3. Close the file.
4. Send attached notification.

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

September 27, 1982

**GENERAL ELECTION REPORTS FILING NOTICE
FOR AUTHORIZED COMMITTEES**

Under the Federal Election Campaign Act of 1971, as amended, principal campaign committees of candidates* for Federal office who are on the ballot for the 1982 general elections must file Pre-General Election and Post-General Election Reports due October 21, 1982, and December 2, 1982, respectively. This notice provides filing information for these reports.

WHO MUST FILE

All principal campaign committees of candidates for Federal office in the 1982 general Election must file the Pre-General Election and Post-General Election Reports of Receipts and Disbursements covering the dates shown on the calendar on the back of this notice.

The Pre-General and Post-General Election Reports must include all reportable transactions of the principal campaign committee and any other authorized committee(s) together with any activity of the candidate and must be filed by October 21, 1982, and December 2, 1982, respectively. These reports must disclose all financial activity not previously disclosed, and must be filed regardless of the total amount of financial activity undertaken during the reporting periods. All campaign-related activity of the candidate (including contributions received, loans received or made, and disbursements made) is considered to be activity undertaken as an agent of the candidate's authorized committee(s) and must be reported by the authorized committee(s).

DATE DUE

The Pre-General Election Report must be hand-delivered or received by first class mail at the appropriate filing office no later than close of business October 21, 1982. Reports sent registered or certified mail must be postmarked no later than midnight October 18, 1982.

The Post-General Election Report must be hand-delivered or received by first class mail at the appropriate filing office by close of business December 2, 1982. Reports sent registered or certified mail must be postmarked no later than midnight December 2, 1982.

*For purposes of the Act, a "candidate" is an individual who seeks nomination for election, or election, to Federal office, and who has:

1. Received contributions aggregating in excess of \$5,000 or has made expenditures aggregating in excess of \$5,000; OR
2. Given his or her consent to another person to receive contributions or make expenditures on behalf of such individual and such person has received contributions or made expenditures aggregating in excess of \$5,000.

5

The following chart is included for your convenience showing coverage periods and due dates for reports due during October and the following months:

NAME OF REPORT	PERIOD COVERED	REG./CERT. MAIL DATE	FILING DATE
Third Quarterly Report	7/1* - 9/30/82	October 15, 1982	October 15, 1982
Pre-General Election Report	10/1 - 10/13/82	October 18, 1982	October 21, 1982
Post-General Election Report	10/14 - 11/22/82	December 2, 1982	December 2, 1982
Year-End Report	11/23 - 12/31/82	January 31, 1983	January 31, 1983

*Or from date of committee registration, or the close of books of the last report filed, whichever date is later.

WHAT FORM TO USE

All authorized committees of House and Senate candidates should use FEC Form 3 with appropriate schedules for filing the Pre-General and Post-General Election Reports. Authorized committees other than the principal campaign committee should file their reports with the principal campaign committee. The principal campaign committee, in turn, files a consolidated form (FEC Form 3Z), together with its own report and the reports of the authorized committees, with the appropriate Federal and State offices.

FAILURE TO FILE REPORTS

Committees should be aware that the names of non-filers may be published by the Commission. In addition, failure to file required reports may result in compliance proceedings under the provisions of the Federal Election Campaign Act.

Committees must submit legible reports which can be reproduced clearly. Illegible documents will not be accepted as reports, and committees filing such documents will be required to refile.

Please peel off the label on the envelope used for this mailing and place it on the front of the reporting form. This will assist the Commission in the identification of the committee filing the report.

WHERE TO FILE

Committees should consult the instructions on the back of the Summary Page of FEC Form 3 for information on where to file their reports.

Dear Mr. Zachritz:

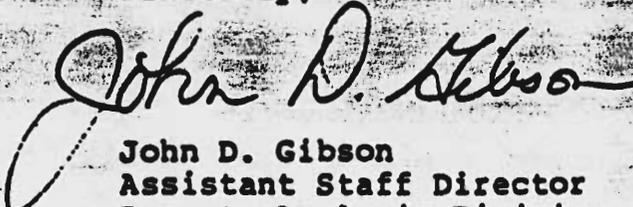

It has come to the attention of the Federal Election Commission that you may have failed to file the 30 Day Post-General Election Report of Receipts and Expenditures as required by the Federal Election Campaign Act. Prior notice was sent to you on September 27, 1982 advising you that the 30 Day Post-General Election Report (covering the period from the closing date of your last report or from the date of registration, whichever is later, through November 22, 1982) was due on December 2, 1982.

It is important for your report to be available on a timely basis for the public record. The report should be filed immediately with the Clerk of the House, Office of Records and Registration, 1036 Longworth House Office Building, Washington, DC 20515, or the Secretary of the Senate, Office of Public Records, 119 D Street, NE, Washington, DC 20510, as appropriate. A copy of the report should also be filed with the Secretary of State or equivalent state officer.

The failure to file the 30 Day Post-General Report may result in audit or legal enforcement action.

If you have any questions regarding this matter, please contact Suzanne Wilson on our toll-free number (800) 424-9530. Our local number is (202) 523-4048.

SUMMARY OF ALLEGATIONS

The Edwards in '82 Committee, the principal campaign committee supporting Marvin Edwards in the 1982 General Election, failed to file timely the 30 Day Post-General Election Report. Mr. Edwards won the election with 67.2 percent of the vote.

On September 27, 1982, the committee was notified that the report was due on December 2, 1982. On January 13, 1983, the committee was notified that the Clerk of the House of Representatives had not received the report. The committee filed the 30 Day Post-General Election Report on January 26, 1983.

FACTUAL AND LEGAL ANALYSIS

As set forth in 2 U.S.C. § 434(a)(2)(A)(ii), principal campaign committees of House and Senate candidates must file:

- (ii) a post-general election report, which shall be filed no later than the 30th day after any general election in which such candidate has sought election, and which shall be complete as of the 20th day after such general election; ...

The respondent committee's failure to file the 30 Day Post Election report in a timely fashion is a violation of the above-referenced provision of the Act.

83040415192

9

However, the violation is mitigated by the fact that the committee has now filed all its reports and the late filing concerned post election reports while the pre-election reports were filed in a timely manner. The Commission has concluded, as a matter of policy, that it wishes to resolve these violations involving late filing as quickly as possible. Therefore, the Office of General Counsel recommends finding reason to believe that the Edwards in '82 Committee violated 2 U.S.C. § 434(a)(2)(A)(ii), but that no further action be taken in this matter.

RECOMMENDATIONS

1. Find reason to believe the Edwards in '82 Committee violated 2 U.S.C. § 434(a)(2)(A)(ii).
2. Take no further action.
3. Close the file.

These reports must disclose all financial activity not previously disclosed, and must be filed regardless of the total amount of financial activity undertaken during the reporting periods. *For purposes of the Act, a "candidate" is an individual who seeks nomination for election, or election, to Federal office, and who has:

1. Received contributions aggregating in excess of \$5,000 or has made expenditures aggregating in excess of \$5,000; OR
2. Given his or her consent to another person to receive contributions or make expenditures on behalf of such individual and such person has received contributions or made expenditures aggregating in excess of \$5,000.

The following chart is included for your convenience showing coverage periods and due dates for reports due during October and the following months:

Pre-General Election Report	10/1 - 10/13/82	October 18, 1982	October 21, 1982
Post-General Election Report	10/14 - 11/22/82	December 2, 1982	December 2, 1982

*Or from date of committee registration, or the close of books of the last report filed, whichever date is later.

WHAT FORM TO USE

All authorized committees of House and Senate candidates should use FEC Form 3 with appropriate schedules for filing the Pre-General and Post-General Election Reports. Authorized committees other than the principal campaign committee should file their reports with the principal campaign committee. The principal campaign committee, in turn, files a consolidated form (FEC Form 3Z), together with its own report and the reports of the authorized committees, with the appropriate Federal and State offices.

FAILURE TO FILE REPORTS

Committees should be aware that the names of non-filers may be published by the Commission. In addition, failure to file required reports may result in compliance proceedings under the provisions of the Federal Election Campaign Act.

Committees must submit legible reports which can be reproduced clearly. Illegible documents will not be accepted as reports, and committees filing such documents will be required to refile.

Please peel off the label on the envelope used for this mailing and place it on the front of the reporting form. This will assist the Commission in the identification of the committee filing the report.

WHERE TO FILE

Committees should consult the instructions on the back of the Summary Page of FEC Form 3 for information on where to file their reports.

Dear Mr. Zachritz:

It has come to the attention of the Federal Election Commission that you may have failed to file the 30 Day Post-General Election Report of Receipts and Expenditures as required by the Federal Election Campaign Act. Prior notice was sent to you on September 27, 1982 advising you that the 30 Day Post-General Election Report (covering the period from the closing date of your last report or from the date of registration, whichever is later, through November 22, 1982) was due on December 2, 1982.

It is important for your report to be available on a timely basis for the public record. The report should be filed immediately with the Clerk of the House, Office of Records and Registration, 1036 Longworth House Office Building, Washington, DC 20515, or the Secretary of the Senate, Office of Public Records, 119 D Street, NE, Washington, DC 20510, as appropriate. A copy of the report should also be filed with the Secretary of State or equivalent state officer.

The failure to file the 30 Day Post-General Report may result in audit or legal enforcement action.

If you have any questions regarding this matter, please contact Suzanne Wilson on our toll-free number (800) 424-9530. Our local number is (202) 523-4048.

Sincerely,

John D. Gibson
