GENERAL COUNSEL'S REPORT

On April 20, 1984, the Commission found reason to believe that the Auto Dealers for Free Trade Political Action Committee and Estelle Gardner (hereinafter "the Respondent"), as treasurer of Auto Dealers for Free Trade Political Action Committee, violated 2 U.S.C. § 434(a)(4)(B) by failing to file five (5) reports in a timely manner during the 1981-1982 election cycle. This matter was generated internally as a result of a referral from the Reports Analysis Division to the Office of General Counsel. The Auto Dealers for Free Trade Political Action Committee was established on April 19, 1981, as an independent political committee.

During the 1981-1982 election cycle, the Respondent failed to file the following reports in a timely manner:

<u>Report Type</u>	<u>Beginning Cash</u>	<u>Receipts</u>	<u>Disbursements</u>	<u>End Cash</u>	<u>Days Late</u>
June Monthly (5/1/81-5/31/81)	\$ 0	\$9,100.00	\$ 21.13	\$ 9,078.87	6

On May 4, 1984, this Office was contacted by Respondents' counsel in response to the Commission's findings. During this communication, counsel was informed of Respondents' options in this matter and that the reports must be filed in a timely manner in the future in order to avoid any further late filer notices and/or possible civil penalties. Counsel responded by stating that a new procedure to ensure timely filings of all reports had been initiated.

On May 8, 1984, Respondents formally responded to the Commission's findings.

Re: MUR 1682

Dear Mr. Edwards:

As designated counsel of the Auto Dealers & Drivers for Free Trade Political Action Committee ("PAC") (see Attachment 1), I am responding to the letter of April 25, 1984 from the Federal Election Commission ("Commission") regarding the PAC's timely filing of five reports during the 1981-1982 election cycle.

The issue of timely filing of these five 1981-1982 reports was first brought to the PAC's attention when Michael Filler, Reports Analysis Division, by letter of September 24, 1983 requested an explanation of the reasons behind the late filings. The PAC provided such explanation in its reply dated September 26, 1983 (Attachment 9). The PAC was unaware that further information was necessary until it received the Commission's April 25 letter.

For your ease in reviewing the PAC's reporting record, particularly its vastly improved and timely filing performance since early 1982, I am attaching a chart which indicates the due dates of each required report, and the dates on which such reports were prepared and sent to the Commission (Attachment 2). Also attached for your review are the Summary and Detailed Summary Pages of all available monthly reports from May, 1981 through March, 1984 (Attachments 3 - 6).

The following additional background will help explain the attached chart. When the PAC was first established in May, 1981, its staff members responsible for reporting compliance were inexperienced in such duties and had some difficulty

84040473204

PATTON, BOGGS & BLOW

Conley Edwards, Jr., Esquire
May 8, 1984
Page Two

learning the filing requirements. This problem was compounded by the PAC's circuitous procedure for preparing its reports. Each month, a draft report would be prepared by the PAC staff in New York. The draft would be sent to Washington, D.C. for review by the PAC's legal counsel, sent back to New York to be finalized and signed by the PAC Treasurer, and then returned to Washington for submission to the Commission. Obviously, the extra time required for mailing alone jeopardized timely filing.

To improve the PAC's operations and reporting performance, the PAC's officers took two important actions. First, they hired a new Associate Director of the PAC in February, 1982, who immediately commenced a thorough review of all the reports the PAC had filed with the Commission. Finding a number of discrepancies in some of the reports, the Associate Director and the Treasurer, at their own initiative, filed amended versions of all reports that had been filed between May, 1981 and the first months of 1982 (Attachment 7). This project took an enormous amount of time, and was the primary reason that the PAC's year-end report for 1981 and monthly reports of February and March, 1982 were not timely filed. The second action taken to ensure timely filing was to initiate a new reporting procedure. Instead of shuttling draft reports between New York and Washington, the PAC Treasurer finalized and signed monthly reports in New York and then transmitted them to Washington for counsel's review and submission to the Commission.

You will note from the attached charts that the PAC's record for timely filing improved dramatically after these corrective actions were taken. For the balance of the monthly reports filed in 1982, all were timely filed except the April report which was only one day late. In 1983, ten of the twelve monthly reports were timely filed. One report was four days late, and one was only one day late. In 1984, all monthly reports have been filed in a timely manner.

As you can see from this improved filing performance, the PAC's staff have made good faith efforts to comply fully with the Commission's reporting requirements. Other examples of the PAC's good faith efforts are demonstrated in the attached correspondence in which the PAC has responded quickly and completely to the Commission's inquiries and requests for amended reports. These PAC efforts have included: establishment of a new procedure to allocate operating expenditures between the PAC's state and federal accounts (Attachment 8); explanation of the PAC's initial difficulties in completing its report preparation and review process before the monthly filing deadline (Attachment 9); and clarification of disbursements to non-federal candidates (Attachment 10).

The PAC's staff has always endeavored to comply with the letter and spirit of the Federal Election Campaign Act and will continue to do so. To this end, the PAC stands ready to provide additional information to resolve any remaining questions you may have about the PAC's reporting performance.

We would appreciate your careful consideration of this explanation and supporting documents. We believe they demonstrate that no further Commission action against the PAC is warranted. Please contact me at the above direct dial telephone number if you have any questions. Thank you.

Re: MUR 1682

Dear Mr. Edwards:

On behalf of the Auto Dealers & Drivers For Free Trade Political Action Committee, I am following up on our telephone discussion yesterday by requesting the opportunity to enter into conciliation pursuant to the Commission's regulations, 11 C.F.R. § 111.18(d). We would like to do so in an effort to avert the possibility of a probable cause finding.

We await receipt of a copy of your report and attached proposed conciliation agreement. As soon as we have had an opportunity to review the proposed agreement, we will be back in touch with you immediately.

Thank you for your careful consideration of our May 8, 1984 response. I am hopeful that we will be able to reach a mutually acceptable conciliation agreement in the very near future.

Respectfully submitted,

RE: MUR 1682
Auto Dealers for Free Trade
Political Action Committee
Estelle Gardner, Treasurer

Dear Ms. Boyce:

On April 20, 1984, the Commission found reason to believe that the Auto Dealers for Free Trade Political Action Committee and Estelle Gardner as treasurer violated 2 U.S.C. § 434(a)(4)(B). At your request the Commission determined on June , 1984, to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe.

Enclosed is a conciliation agreement that the Commission has approved in settlement of this matter. If your clients agree with the provisions of the enclosed agreement, please sign and return it, along with the civil penalty, to the Commission. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible. If you have any questions or suggestions for changes in the agreement, or if you wish to arrange a meeting in connection with a mutually satisfactory conciliation agreement, please contact Conley Edwards, Jr. at (202) 523-4000.

Sincerely,

Charles N. Steele

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission (hereinafter "the Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found reason to believe that the Auto Dealers for Free Trade Political Action Committee and Estelle Gardner (hereinafter "the Respondent") as treasurer of Auto Dealers for Free Trade Political Action Committee, violated 2 U.S.C. § 434(a)(4)(B) by failing to file five (5) reports in a timely manner during the 1981-1982 election cycle.

NOW, THEREFORE, the Commission and Respondent, having participated in informal methods of conciliation, prior to a finding of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondent, and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C.

§ 437g(a)(4)(A)(i).

II. Respondent has had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondent enters voluntarily into this agreement with the Commission.

V. WHEREFORE, Respondent agrees:

1. Respondent's failure to file the Auto Dealers for Free Trade Political Action Committee's 1981-1982 reports in a timely manner is a violation of 2 U.S.C. § 434(a)(4)(B).

2. Respondent has filed all the Auto Dealers for Free Trade Political Action Committee's 1981-1982 reports as required by 2 U.S.C. § 434(a)(4)(B).

VI. Respondent will pay a civil penalty to the Treasurer of the United States in the amount of Four Hundred Dollars (\$400.00) pursuant to 2 U.S.C. § 437g(a)(5)(A).

VII. Respondent agrees that it shall not undertake any activity that is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. § 431, et seq.

learning the filing requirements. This problem was compounded by the PAC's circuitous procedure for preparing its reports. Each month, a draft report would be prepared by the PAC staff in New York. The draft would be sent to Washington, D.C. for review by the PAC's legal counsel, sent back to New York to be finalized and signed by the PAC Treasurer, and then returned to Washington for submission to the Commission. Obviously, the extra time required for mailing alone jeopardized timely filing.

To improve the PAC's operations and reporting performance, the PAC's officers took two important actions. First, they hired a new Associate Director of the PAC in February, 1982, who immediately commenced a thorough review of all the reports the PAC had filed with the Commission. Finding a number of discrepancies in some of the reports, the Associate Director and the Treasurer, at their own initiative, filed amended versions of all reports that had been filed between May, 1981 and the first months of 1982 (Attachment 7). This project took an enormous amount of time, and was the primary reason that the PAC's year-end report for 1981 and monthly reports of February and March, 1982 were not timely filed. The second action taken to ensure timely filing was to initiate a new reporting procedure. Instead of shuttling draft reports between New York and Washington, the PAC Treasurer finalized and signed monthly reports in New York and then transmitted them to Washington for counsel's review and submission to the Commission.

You will note from the attached charts that the PAC's record for timely filing improved dramatically after these corrective actions were taken. For the balance of the monthly reports filed in 1982, all were timely filed except the April report which was only one day late. In 1983, ten of the twelve monthly reports were timely filed. One report was four days late, and one was only one day late. In 1984, all monthly reports have been filed in a timely manner.

As you can see from this improved filing performance, the PAC's staff have made good faith efforts to comply fully with the Commission's reporting requirements. Other examples of the PAC's good faith efforts are demonstrated in the attached correspondence in which the PAC has responded quickly and completely to the Commission's inquiries and requests for amended reports. These PAC efforts have included: establishment of a new procedure to allocate operating expenditures between the PAC's state and federal accounts (Attachment 8); explanation of the PAC's initial difficulties in completing its report preparation and review process before the monthly filing deadline (Attachment 9); and clarification of disbursements to non-federal candidates (Attachment 10).

Political Action Committee**

November 30, 1982

Ms. Pam Brown
Federal Election Commission
1325 K Street, N.W.
Washington, D.C. 20463

Dear Ms. Brown:

Enclosed you will find an amendment to the pre-general report, as well as the post-election report for the Auto Dealers & Drivers for Free Trade Political Action Committee (C00141903).

8 The amendment to the pre-general report is a result of three contributions tendered
6 by the PAC and subsequently returned by the following campaign committees: 1)
2 Dannemeyer for Congress (\$2,000), 2) Gradison for Congress (\$250) and 3) Synar for
3 Congress (\$500). All three of these contributions are listed on schedule B of the
4 amended report with the date that the respective campaign committee returned the
5 contribution to the PAC. The brackets, and date, indicate that they are "negative
6 disbursements."

8 As a point of information, the post-general report also includes two negative disburse-
6 ments. The Conable for Congress Committee (\$500) and the campaign committee of Rep.
2 J.J. "Jake" Pickle (\$500) refunded their contributions to the PAC. Both disburse-
4 ments are listed under schedule B, as required, and bracketed to indicate that they
0 were returned.

8 I hope that this does not cause you, or your office any additional work. Thank you
4 for your cooperation in this matter.

8 Regards,

Frank Glacken
Associate Director

Mr. Eugene LaCroce
 Federal Elections Commission
 1325 K Street, N.W.
 Washington, D.C. 20036

Dear Mr. LaCroce:

This letter is in response to your recent letters (C00141903) to Ms. Estelle Gardner requesting clarification of administrative expenses incurred by the Auto Dealers and Drivers for Free Trade Political Action Committee ("Auto PAC") for the period of April 1981 to August 1982. Specifically, you have asked how the administrative expenses reported could have been so small relative to the amount of money collected by the Auto PAC for the period in question.

Auto PAC maintains a separate state fund, which accepts mainly corporate money and other funds that cannot be used in federal elections. 11 C.F.R. §102.5. The state fund is not required to register with the Federal Elections Commission. During the period in question, the state fund incurred most of the administrative expenses connected with running Auto PAC because the overwhelming amount of time spent concerned state fund activities. This was the case for several reasons.

First, Auto PAC concentrated its fund raising efforts on soliciting local foreign car dealers. These are individuals who have not previously been active in politics and hence find it easier to contribute with a corporate check rather than a personal one. Total federal receipts for the period in question were less than \$40,000, while income to the state fund was considerably higher.

A related point to note is that total fund raising costs to both the federal and state funds were much lower than

8404047342

Mr. Eugene LaCroce

Page Two

are usually incurred by a non-connected PAC. This is because Auto PAC's clientele is readily identifiable, i.e., local auto dealers, as opposed to potential donors of other non-connected PACs which tend to be more ideological and therefore rely to a much greater degree on direct mail prospecting. Auto PAC has relied very little on direct mail solicitations.

Secondly, given its revenue base, Auto PAC sought during the period in question to develop an intellectual case for free trade. There were numerous discussions by Auto PAC officials regarding projects relating to original research, grants and contracts, and advertising directed specifically to individual citizens. All of these programs, of course, could be funded with corporate money from the state fund. In contrast to these activities, the federal fund was limited to receiving a few modest contributions and filing regular reports with the FEC.

Thus, during the period in question, it is our belief that Auto PAC did reasonably apportion administrative expense between the two funds in a manner that "equitably reflected the actual use and benefit" to each fund. 11 C.F.R. §106.1(a). AO 1978-67.

This emphasis on state fund activities changed somewhat in the late months of 1982. First, the emergence of local content legislation as a federal issue caused an increase in contributions to the federal fund. Over 80% of funds received by the federal fund were collected in the last four months of 1982. Secondly, the mid-term elections represented a perfect opportunity for local dealers to help candidates who supported free trade and opposed content legislation. The federal fund became more active and this is reflected in the federal fund's increased revenues and overhead expenditures in the last months of 1982.

For the future, it is expected that local content will continue to be high on the agenda of the Congress. In addition, 1984 is a presidential year and Auto PAC and its supporters are interested in helping candidates who will support the free trade philosophy. Auto PAC will undoubtedly be devoting a greater percentage of its time to federal matters than it had previously.

To avoid any questions regarding allocation of overhead between its state and federal funds, Auto PAC proposes to allocate all administrative liabilities in proportion to the monthly receipts of each fund. For instance, if receipts in a given month of the federal fund are \$10,000 and receipts of the state fund are \$5,000, and if total administrative liabilities are

8404047343

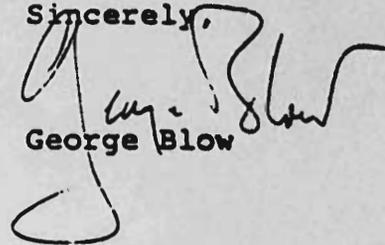

Mr. Eugene LaCroce
March 14, 1983
Page Three

\$6,000, Auto PAC will allocate \$4,000 to be paid by the federal fund and \$2,000 to be borne by the state fund. Initially, all overhead expenses will be paid directly from the state fund. At the end of the month, the federal fund will issue one check for its share of overhead, payable to the state fund.

This policy is effective beginning January 1, 1983. You will receive an amended report for January 1983 in the next few days.

I hope that this information answers your concerns. Please let me know if I can be of further assistance.

Sincerely,

George Blow

Dear Ms. Gardner:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your reports have disclosed limited payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, utilities, telephone service, and supplies. Any such payments to a person aggregating in excess of \$200 in a calendar year must be disclosed on Schedule B, supporting Line 19 of the Detailed Summary Page. (2 U.S.C. 434(b)(5)) In addition, if expenses have been incurred but not paid in a reporting period, the activity should be disclosed as a debt on Schedule D, if the obligation is \$500 or more, or outstanding for sixty (60) days or more. (11 CFR 104.11)

If these expenses are being paid by a connected organization, your Statement of Organization must be amended to reflect this relationship. (2 U.S.C. 433(b)(2))

If your committee has used corporate or labor facilities (e.g., telephones or photocopiers), payment must be made within a commercially reasonable time in the amount of the normal and usual rental charge. (11 CFR 114.9(d)) These payments should be disclosed on Schedule B, supporting Line 19 of the Detailed Summary Page, as discussed above.

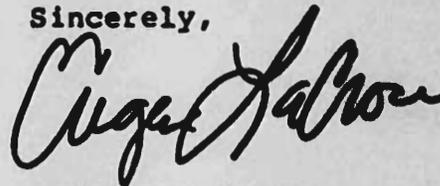

Finally, any good or service provided to the committee by an individual, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that individual, and would be subject to the disclosure requirements of 2 U.S.C. 434(b)(3) and 11 CFR 104.13.

84040473345

Please provide clarification regarding administrative expenses incurred by your committee and/or amend your report to disclose such expenses according to the referenced provisions of the Act and Commission regulations.

An amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 357-0026.

Dear Mr. Filler:

This letter is written in response to your letter of September 14th in regards to the late filings by the Auto Dealers & Drivers for Free Trade Political Action Committee (C00141903) in the 1981-82 election cycle.

The PAC has always sought to comply with the Federal Election Campaign Act of 1971 to the fullest extent. To that end, in the periods in questions, (June monthly 1981, November monthly 1981, Year-end 1981, February monthly 1982, and March monthly 1982) the 1981 reports were, at that time, prepared by our Washington counsel and then mailed to New York for signature. The primary reason for the delays in filing 1981 reports was the time loss in mailing them between Washington and New York before filing with your office.

At the beginning of 1982 (January) the attorney assigned to our account in Washington left the firm. As a result, after a period of a month, a new attorney was assigned to consult with the PAC's officers and directors. The decision was then made to transfer all appropriate information to our New York office where all reports would be prepared so that we might better comply with the Act and FEC regulations.

On the advice of our new counsel we carefully checked all reports that had been prepared and filed in 1981. A few minor changes had to be made. As you are aware, the 1981 reports were amended to reflect the Committee's receipts and disbursements, accurately.

8404047347

Mr. Michael B. Filler
September 26, 1983
Page 2

At the same time, we were also under a deadline to file the appropriate monthly reports for January and February in 1982. This we did to the best of our ability in accordance with the Act.

While we have always endeavored to comply fully with the Act on the prescribed timetables, we have also endeavored to be as accurate and complete as possible in completing our reports.

As you are aware, this does take time. The PAC's staff is small and is always mindful of filing in a timely fashion.

Please feel free to call our counsel in Washington, Ms. Kate Boyce of Patton, Boggs & Blow at (202) 457-6094 with any suggestions about this matter.

I hope that you are satisfied with the facts about this matter. We will continue our endeavors to meet the requirements of the Federal Election Campaign Act of 1971 for the current election cycle.

Sincerely,

RE: Amendment of April and October, 1983 Reports
of Auto Dealers & Drivers for Free Trade PAC,
I.D. No. C00141903

Dear Ms. Harley:

This responds to your letter of March 30, 1984 and April 2, 1984 regarding the PAC reports referenced above.

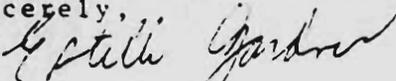

Attached are amendments to the PAC's April, 1983 Report, including amended Detail Summary Page and a copy of the original page three of Schedule A. For some inexplicable reason, the page three submitted to the Federal Election Commission contained a total receipts figure of \$12,848. You will note that the attached page displays the correct figure of \$13,848.

As to the October, 1983 Report, the amount of \$4,650 total receipts was incorrect due to an error in addition on page nine of Schedule A. The error has been corrected and the corrected amount of \$4,200 has been entered on page nine as well as on the Detailed Summary Page and the Summary Page of the Report. Attached are the corrected pages of the October, 1983 Report.

In accordance with the notice in your April 2, 1984 letter, in all of the PAC's subsequent Reports, we will enter all contributions to Federal candidates/committees on Line 21 of the Detailed Summary Page, and all contributions to non-Federal candidates/committees which exceed \$200 in the aggregate on Line 27 of the Detailed Summary Page. Furthermore, we will itemize all such contributions to non-Federal candidates/committees on a separate Schedule B.

Thank you for your assistance. If you should have any questions, please feel free to contact me, or the PAC's legal counsel, Kate Boyce, in Washington, D.C. at (202) 457-6094.

Sincerely,

Estelle Gardner

RE: MUR 1682

Dear Ms. Gardner:

On April 20, 1984, the Federal Election Commission determined that there is reason to believe that you, as treasurer, and the Auto Dealers for Free Trade Political Action Committee, violated 2 U.S.C. § 434(a)(4)(B), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act") by failing to file five (5) reports in a timely manner during the 1981-1982 election cycle. The General Counsel's factual and legal analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's consideration of this matter.

In the absence of any additional information which demonstrates that no further action should be taken against you and the Auto Dealers for Free Trade Political Action Committee, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation. Of course, this does not preclude the settlement of this matter through conciliation prior to a finding of probable cause to believe if so desired. See 11 C.F.R. § 111.18(d).

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address and telephone number of such counsel, and a statement authorizing such counsel to receive any notifications and other communications from the Commission.

SUMMARY OF ALLEGATIONS

The Auto Dealers for Free Trade Political Action Committee (hereinafter "the Committee") failed to file five (5) reports in a timely manner during the 1981-1982 election cycle in violation of 2 U.S.C. § 434(a)(4)(B).

FACTUAL BASIS AND LEGAL ANALYSIS

According to RAD, the Committee failed to file five (5) reports in a timely manner during the 1981-1982 election cycle. The 1982 reports were filed from six (6) to twenty-three (23) calendar days late.

During the 1981-1982 election cycle, the Committee failed to file the following reports in a timely manner:

<u>Report Type</u>	<u>Due Date</u>	<u>Date Filed</u>
June Monthly (5/1/81-5/31/81)	6/20/81	6/26/81
November Monthly (10/1/81-10/31/81)	11/20/81	12/1/81
Year End (12/1/81-12/31/81)	1/31/82	2/22/82
February Monthly (1/1/82-1/31/82)	2/20/82	3/15/82
March Monthly (2/1/82-2/28/82)	3/20/82	4/6/82

84040473372

The Committee's counsel, Frank Donatelli, requested a meeting with the analyst to discuss reporting problems. On March 1, 1983, representatives of RAD met with Mr. Donatelli and stressed the importance of filing in a timely manner. See Attachment II. Mr. Donatelli stated that the committee would be punctual in filing all future reports.

On September 14, 1983, the Committee was sent a chronic late filer notice requesting reasons for lateness. Estelle Gardner, the Committee Treasurer, by letter dated September 26, 1983. She stated that the reports were late because they were prepared by the Committee's counsel in Washington and then were mailed to New York for signature. The Committee now prepares all of its reports in New York to avoid reporting delays in the future. See Attachment III.

2 U.S.C. § 434(a)(4)(B)^{1/} requires that all political committees other than authorized committees of a candidate shall file:

monthly reports in all calendar years which shall be filed no later than the 20th day after the last day of the month, except that, in lieu of filing the reports otherwise due in November and December of any year in which a regularly scheduled general election is held, a pre-general election report shall be filed in accordance with paragraph (2)(A)(i), a post-general election report shall be filed in accordance with (2)(A)(ii), and a year end report shall be filed no later than January 31 of the following year.

^{1/} See also 11 C.F.R. § 104.5(c)(3).

8404047373

Based on the above, a compliance action should be instituted since it appears that the Committee and Estelle Gardner^{2/} as treasurer of the Committee violated 2 U.S.C. § 434(a)(4)(B) by failing to file five (5) 1981 and 1982 reports in a timely manner. Therefore, the Office of General Counsel recommends that reason to believe be found against the Auto Dealers for Free Trade Political Action Committee and Estelle Gardner as treasurer of the Auto Dealers for Free Trade Political Action Committee.

84040473374

^{2/} 2 U.S.C. § 434(a)(1) states:

each treasurer of a political committee shall file reports of receipts and disbursements in accordance with the provisions of this subsection. The treasurer shall sign each such report.

Based on the above, a compliance action should be instituted since it appears that the Committee and Estelle Gardner^{2/} as treasurer of the Committee violated 2 U.S.C. § 434(a)(4)(B) by failing to file five (5) 1981 and 1982 reports in a timely manner. Therefore, the Office of General Counsel recommends that reason to believe be found against the Auto Dealers for Free Trade Political Action Committee and Estelle Gardner as treasurer of the Auto Dealers for Free Trade Political Action Committee.

RE: MUR

Dear Ms. Gardner:

On , 1984, the Federal Election Commission determined that there is reason to believe that you, as treasurer, and the Auto Dealers for Free Trade Political Action Committee, violated 2 U.S.C. § 434(a)(4)(B), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act") by failing to file five (5) reports in a timely manner during the 1981-1982 election cycle. The General Counsel's factual and legal analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's consideration of this matter.

In the absence of any additional information which demonstrates that no further action should be taken against you and the Auto Dealers for Free Trade Political Action Committee, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation. Of course, this does not preclude the settlement of this matter through conciliation prior to a finding of probable cause to believe if so desired. See 11 C.F.R. § 111.18(d).

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address and telephone number of such counsel, and a statement authorizing such counsel to receive any notifications and other communications from the Commission.

The investigation now being conducted will be confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Conley Edwards, Jr. at (202) 523-4000.

GENERATION OF MATTER

This matter was referred to the Office of General Counsel for review as a result of the Auto Dealers for Free Trade Political Action Committee's (hereinafter "the Committee") continued failure to file reports in a timely manner. Attachment I.

SUMMARY OF ALLEGATIONS

According to RAD, the Committee failed to file five (5) reports in a timely manner during the 1981-1982 election cycle. The Committee's 1982 reports were filed from six (6) to twenty-three (23) calendar days late.

FACTUAL AND LEGAL ANALYSIS

During the 1981-1982 election cycle, the Committee failed to file the following reports in a timely manner:

March Monthly (2/1/82-2/28/82)	3/20/82	4/6/82

On March 1, 1983, representatives of RAD met with the counsel for the Committee and stressed the importance of filing in a timely manner. See Attachment II. Counsel indicated that the committee would be punctual in filing all future reports.

On September 14, 1983, the Committee was sent a chronic late filer notice requesting reasons for lateness. By letter of September 26, 1983, the Committee Treasurer stated that the reports were late because they were prepared by the Committee's counsel in Washington and then were mailed to New York for signature. The Committee now prepares all of its reports in New York to avoid reporting delays in the future. See Attachment III.

2 U.S.C. § 434(a)(4)(B)^{1/} requires that all political committees other than authorized committees of a candidate shall file:

monthly reports in all calendar years which shall be filed no later than the 20th day after the last day of the month, except that, in lieu of filing the reports otherwise due in November and December of any year in which a regularly scheduled general election is held, a pre-general election report shall be

filed in accordance with paragraph (2)(A)(i), a post-general election report shall be filed in accordance with (2)(A)(ii), and a year end report shall be filed no later than January 31 of the following year.

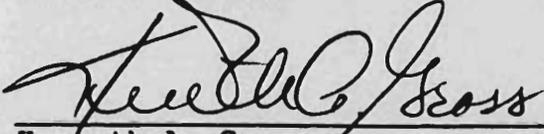

Based on the above, a compliance action should be instituted since it appears that the Committee and Estelle Gardner^{2/} as treasurer of the Committee violated 2 U.S.C. § 434(a)(4)(B) by failing to file five (5) 1981 and 1982 reports in a timely manner. Accordingly, we recommend that reason to believe be found in this matter.

RECOMMENDATIONS

1. Open a MUR.
2. Find reason to believe that the Auto Dealers for Free Trade Political Action Committee and Estelle Gardner as treasurer of the Auto Dealers for the Free Trade Political Action Committee violated 2 U.S.C. § 434(a)(4)(B) by failing to file five (5) reports in a timely manner during the 1981-1982 election cycle.
3. Approve and send attached letter and General Counsel's Factual and Legal Analysis.

III. BACKGROUND:

Failure to File Timely Reports

The Auto Dealers for Free Trade Political Action Committee (the "Committee"), failed to file five (5) reports in a timely manner during the 1981-82 election cycle (Attachments 2a-e). The filings were between 6 and 23 calendar days late. Listed below are the reports filed late, the date each was due, and the date each report was filed:

<u>Report Type</u>	<u>Due Date</u>	<u>Date Filed</u>
June Monthly (5/1/81-5/31/81)	6/20/81	6/26/81
November Monthly (10/1/81-10/31/81)	11/20/81	12/1/81
Year End (12/1/81-12/31/81)	1/31/82	2/22/82
February Monthly (1/1/82-1/31/82)	2/20/82	3/15/82
March Monthly (2/1/82-2/28/82)	3/20/82	4/6/82

The Committee's counsel, Frank Donatelli, requested a meeting with the analyst to discuss reporting problems. On March 1, 1983, representatives of RAD met with Mr. Donatelli and stressed the importance of filing in a timely manner. Mr. Donatelli stated the committee would be punctual in filing all future reports (Attachment 3).

Attachment I

84040475392

On September 14, 1983, the Committee was sent a chronic late filer notice requesting reasons for lateness (Attachment 4). Estelle Gardner, the Committee Treasurer, responded in writing on September 29, 1983 (Attachment 5). She stated that the reports were late because they were prepared by the committee's counsel in Washington and then were mailed to New York for signature.*/ The Committee now prepares all of its reports in New York to avoid reporting delays in the future.

IV. OTHER PENDING MATTERS INITIATED BY RAD:

None

84040473393

*/ The other reasons for late filing were a change in the Committee's counsel, the transfer of appropriate information to New York for preparing reports, and a small staff.

TELECONANALYST Eugene La Croce
initiated call? *ELC*TELECON WITH: Frank Donatelli, Counsel for Auto Dealers and Drivers
initiated call? x Candidate/Committee: Auto Dealers and Drivers for Free Trade Political Action
Committee (C00141903)

DATE: March 1, 1983

SUBJECT(S): Letters from the FEC (February 16, 1983)

Mr. Donatelli requested a meeting to discuss the letters sent to him from the FEC dated 16 February 1983. Section Chief Michael Filler was also present for the discussion.

I informed Mr. Donatelli that Auto PAC had filed several late reports. He was given a copy of the filing date deadlines for Monthly and Quarterly filers. We were assured that the committee will be more punctual in the future.

The committee also failed to provide aggregate year-to-date totals for contribution receipts. This occurred in mid-1982 and continued throughout the year. Mr. Donatelli said it was an oversight and would be corrected on all reports.

The committee's largest problem was its lack of administrative expenses. Auto PAC collected \$232,822 but had limited, if any, administrative expenses. The 1982 reports for January 1 through August 31 credited the operating expense account for a total of \$7.50.

Mr. Donatelli stated that the PAC had a non-federal account responsible for most of the group's activity. Any funds collected into the federal account were incidental contributions acquired during solicitations for the non-federal account or can be attributed to the word-of-mouth efforts of the PAC's chairman. PAC growth on the federal level can also be traced to recent federal activity (i.e. Federal Trade Commission regulations) which increased interest in the federal PAC. Mass mailings or other forms of solicitation were not used to raise this money.

It was requested of Mr. Donatelli that he explain this history of the PAC in his response to the RFAIs. For Mr. Donatelli's questions about possible formulas for allocating administrative expenses between federal and non-federal accounts, it was suggested that he refer to 11 CFR 102.5 and 106.1(e) of the regulations.

Dear Ms. Gardner:

This letter is prompted by the Commission's review of the reports filed by your committee for the 1981-82 election cycle. A review of the reports listed below indicates that your committee repeatedly failed to file reports in a timely manner. Timely filing is a specific requirement of the Federal Election Campaign Act and essential to fulfilling the public disclosure concept embodied in the law. The Commission views late filing as a serious violation of the Act.

<u>Report Type</u>	<u>Due Date</u>	<u>Date Filed</u>
June Monthly (5/1/81-5/31/81)	6/20/81	6/26/81
November Monthly (10/1/81-10/31/81)	11/20/81	12/1/81
Year End (12/1/81-12/31/81)	1/31/82	2/22/82
February Monthly (1/1/82-1/31/82)	2/20/82	3/15/82
March Monthly (2/1/82-2/28/82)	3/20/82	4/6/82

This communication affords you the opportunity to present the reasons behind the late tenders noted above. Your response should be filed with the Federal Election Commission, 1325 K Street, NW, Washington, DC 20463 within fifteen (15) days of the date of this letter. The Commission will consider your response to this notice before taking action in this matter. Dear Mr. Filler:

This letter is written in response to your letter of September 14th in regards to the late filings by the Auto Dealers & Drivers for Free Trade Political Action Committee (C00141903) in the 1981-82 election cycle.

The PAC has always sought to comply with the Federal Election Campaign Act of 1971 to the fullest extent. To that end, in the periods in questions, (June monthly 1981, November monthly 1981, Year-end 1981, February monthly 1982, and March monthly 1982) the 1981 reports were, at that time, prepared by our Washington counsel and then mailed to New York for signature. The primary reason for the delays in filing 1981 reports was the time loss in mailing them between Washington and New York before filing with your office.

At the beginning of 1982 (January) the attorney assigned to our account in Washington left the firm. As a result, after a period of a month, a new attorney was assigned to consult with the PAC's officers and directors. The decision was then made to transfer all appropriate information to our New York office where all reports would be prepared so that we might better comply with the Act and FEC regulations.

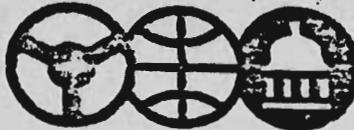

On the advice of our new counsel we carefully checked all reports that had been prepared and filed in 1981. A few minor changes had to be made. As you are aware, the 1981 reports were amended to reflect the Committee's receipts and disbursements, accurately.

At the same time, we were also under a deadline to file the appropriate monthly reports for January and February in 1982. This we did to the best of our ability in accordance with the Act.

While we have always endeavored to comply fully with the Act on the prescribed timetables, we have also endeavored to be as accurate and complete as possible in completing our reports.

As you are aware, this does take time. The PAC's staff is small and is always mindful of filing in a timely fashion.

Please feel free to call our counsel in Washington, Ms. Kate Boyce of Patton, Boggs & Blow at (202) 457-6094 with any suggestions about this matter.

I hope that you are satisfied with the facts about this matter. We will continue our endeavors to meet the requirements of the Federal Election Campaign Act of 1971 for the current election cycle.

Sincerely,

RE: MUR

Dear Ms. Gardner:

On , 1984, the Federal Election Commission determined that there is reason to believe that you, as treasurer, and the Auto Dealers for Free Trade Political Action Committee, violated 2 U.S.C. § 434(a)(4)(B), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act") by failing to file five (5) reports in a timely manner during the 1981-1982 election cycle. The General Counsel's factual and legal analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's consideration of this matter.

In the absence of any additional information which demonstrates that no further action should be taken against you and the Auto Dealers for Free Trade Political Action Committee, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation. Of course, this does not preclude the settlement of this matter through conciliation prior to a finding of probable cause to believe if so desired. See 11 C.F.R. § 111.18(d).

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address and telephone number of such counsel, and a statement authorizing such counsel to receive any notifications and other communications from the Commission.

The investigation now being conducted will be confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Conley Edwards, Jr. at (202) 523-4000.

SUMMARY OF ALLEGATIONS

The Auto Dealers for Free Trade Political Action Committee (hereinafter "the Committee") failed to file five (5) reports in a timely manner during the 1981-1982 election cycle in violation of 2 U.S.C. § 434(a)(4)(B).

FACTUAL BASIS AND LEGAL ANALYSIS

According to RAD, the Committee failed to file five (5) reports in a timely manner during the 1981-1982 election cycle. The 1982 reports were filed from six (6) to twenty-three (23) calendar days late.

During the 1981-1982 election cycle, the Committee failed to file the following reports in a timely manner:

<u>Report Type</u>	<u>Due Date</u>	<u>Date Filed</u>
June Monthly (5/1/81-5/31/81)	6/20/81	6/26/81
November Monthly (10/1/81-10/31/81)	11/20/81	12/1/81
Year End (12/1/81-12/31/81)	1/31/82	2/22/82
February Monthly (1/1/82-1/31/82)	2/20/82	3/15/82
March Monthly (2/1/82-2/28/82)	3/20/82	4/6/82

84040473409

The Committee's counsel, Frank Donatelli, requested a meeting with the analyst to discuss reporting problems. On March 1, 1983, representatives of RAD met with Mr. Donatelli and stressed the importance of filing in a timely manner. See Attachment II. Mr. Donatelli stated that the committee would be punctual in filing all future reports.

On September 14, 1983, the Committee was sent a chronic late filer notice requesting reasons for lateness. Estelle Gardner, the Committee Treasurer, by letter dated September 26, 1983. She stated that the reports were late because they were prepared by the Committee's counsel in Washington and then were mailed to New York for signature. The Committee now prepares all of its reports in New York to avoid reporting delays in the future. See Attachment III.

2 U.S.C. § 434(a)(4)(B)^{1/} requires that all political committees other than authorized committees of a candidate shall file:

monthly reports in all calendar years which shall be filed no later than the 20th day after the last day of the month, except that, in lieu of filing the reports otherwise due in November and December of any year in which a regularly scheduled general election is held, a pre-general election report shall be filed in accordance with paragraph (2)(A)(i), a post-general election report shall be filed in accordance with (2)(A)(ii), and a year end report shall be filed no later than January 31 of the following year.

^{1/} See also 11 C.F.R. § 104.5(c)(3).

84040475410

Based on the above, a compliance action should be instituted since it appears that the Committee and Estelle Gardner^{2/} as treasurer of the Committee violated 2 U.S.C. § 434(a)(4)(B) by failing to file five (5) 1981 and 1982 reports in a timely manner. Therefore, the Office of General Counsel recommends that reason to believe be found against the Auto Dealers for Free Trade Political Action Committee and Estelle Gardner as treasurer of the Auto Dealers for Free Trade Political Action Committee.

84040473411

^{2/} 2 U.S.C. § 434(a)(1) states:

each treasurer of a political committee shall file reports of receipts and disbursements in accordance with the provisions of this subsection. The treasurer shall sign each such report.

In addition, the memo entry portion of the Detailed Summary Page is blank, and no supporting schedules have been provided. Please amend your report by itemizing all contributions from individuals/persons, which aggregate greater than \$200 in the calendar year, and/or provide a figure for the total amount of unitemized contributions from individuals/persons, which have been received during the reporting period.
