AUDIT DIVISION

SUBJECT: DEMOCRATIC STATE CENTRAL COMMITTEE/FEDERAL
ACCOUNT (CONNECTICUT) - MATTERS REFERRED
TO OFFICE OF GENERAL COUNSEL

On January 21, 1987, the Commission approved the final audit report of the Audit Division on the Democratic State Central Committee/Federal Account. Attached as Exhibits A and B are matters noted in the final audit report which the Commission voted to refer to your office for review and consideration.

All workpapers in support of these matters are available for review in the Audit Division.

Contributions To and/or Expenditures
on Behalf of Federal Candidates

1. Contributions in Excess of the Limitation

Section 441a(a)(1)(A) of Title 2, United States Code states that no person shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$1,000.00.

A review of FEC disclosure reports and supporting expenditure documentation indicated that the Committee made expenditures on behalf of Congressman Bruce Morrison during the audit period. From September 19, 1983 through January 26, 1984, the Committee made eight expenditures for printing, postage, and mailing which benefitted Congressman Morrison. These expenditures totaled \$7,292.89 and were reported as in-kind contributions to Congressman Morrison's 1982 election campaign.^{1/} In a letter dated March 8, 1985, the Committee provided the following contribution election designations: ^{2/}

1982 Convention	\$2,657.05
1982 Primary Election	3,165.22
1982 General Election	<u>1,437.42</u>
	<u>\$7,259.69</u> ^{3/}

^{1/} A review of the Bruce A. Morrison for Congress Committee reports indicates that the committee had net debts remaining from the convention, primary, and general elections at the time of the contributions (see footnote ^{2/}). Therefore, pursuant to 11 C.F.R. § 110.1(a)(2)(i), the Committee was entitled to make contributions to the candidate.

^{2/} Under the Connecticut General Statute, political parties nominate candidates at district conventions. However, if certain conditions are met, the party-endorsed candidates may be challenged in a primary election. This was the case in Congressman Morrison's Third Congressional District in 1982. Therefore, there were three elections for contribution limitation purposes: The convention (7/19/82), the primary election (9/7/82) and the general election (11/2/82).

^{3/} A \$33.20 discrepancy exists between the reported disbursements (\$7,292.89) and the sum of the election designation amounts (\$7,259.69) because only \$166.80 of a reported \$200 disbursement was allocated to the candidate.

21040332932

An analysis of the Committee's reports and statements on file with the Commission indicates that it had not yet satisfied the conditions for multi-candidate committee status as of the time the expenditures/in-kind contributions were made (2 U.S.C. § 441a(a)(4)). The Commission's Reports Analysis Division established the Committee's date of qualification as October 17, 1984. Therefore, the Committee was subject to a \$1,000 per election contribution limitation. As such, it would appear that the Committee exceeded the 2 U.S.C. § 441a(a)(1)(A) limitation by \$4,259.69 (\$7,259.69 - [3 x \$1,000]).

In a letter to the Commission dated June 18, 1985, counsel for the Committee expressed his opinion that the Democratic State Central Committee operated as a multi-candidate committee although it may have failed to comply with (the Act's) formal requirements. Counsel argues: "We believe after thorough review that we did not exceed expenditures allowed in the convention, primary or the election. Although the Democratic State Central Committee of the State of Connecticut does not appear to have filed the forms necessary to be listed and considered a multi-candidate committee, we would hope your commission would look beyond the formal and focus on the operation of said committee. We believe the operation certainly indicates a multi-candidate committee. It was in operation for more than six (6) months and received donations from more than fifty (50) sources."

It is not clear to the Audit staff what Committee counsel means by "failing to file [the necessary] forms" to qualify for multi-candidate status. Establishing multicandidate status requires a political committee to meet the provisions set forth in 11 C.F.R. § 100.5(e)(3) but does not require the filing of any form(s). We note that the Committee had a federally registered account during the 1982 election cycle. The committee registered on October 12, 1982 and filed only one report, terminating with their 30 Day Post General Election Report covering 9/28-11/29/82. The (current) Committee registered May 18, 1983. According to a review of the respective committees' reports, the 1982 committee was not qualified as multi-candidate nor would the (1984) Committee have been qualified at the time of the contributions in question even had there been no break in reporting status. As of the time of the contributions, the Committee had not received contributions from more than 50 persons.

In the Interim report, the Audit staff recommended that the Committee provide an explanation or otherwise demonstrate why the in-kind contributions to the Bruce A. Morrison for Congress Committee were not in excess of the 2 U.S.C. § 441a(a)(1)(A) contribution limit.

91040332933

On December 15, 1986, the Committee responded that "the Bruce A. Morrison for Congress Committee returned to the federal account all overpayments". No documentation to support this statement was supplied, however, a review of the Committee's disclosure reports revealed a payment to the Committee on December 31, 1985 of \$4,292.89 from the Congressman Bruce A. Morrison Re-Election Committee for the overpayments.

It is the opinion of the Audit staff that the Committee has not demonstrated why the in-kind contributions to the Morrison Committee were not in excess of the contribution limit.

Recommendation

The Audit staff recommends that this matter be referred to the Office of General Counsel for further review.

2. Expenditures for Newspaper Advertisement -
Presidential Candidate

Section 441a(d)(2) of Title 2, United States Code, states that the national committee of a political party may not make any expenditure in connection with the general election campaign of any candidate for President of the United States who is affiliated with such party which exceeds an amount equal to 2 cents multiplied by the voting age population of the United States (as certified under subsection (e) of this section). Any expenditure under this paragraph shall be in addition to any expenditure by a national committee of a political party serving as the principal campaign committee of a candidate for the office of President of the United States.

Section 431(9)(B)(ix)(1) of Title 2, United States Code, states that the term "expenditure" does not include the payment by a State or local committee of a political party of the costs of voter registration and get-out-the-vote activities conducted by such committee on behalf of nominees of such party for President and Vice President: provided that, such payments are not for the costs of campaign materials or activities used in connection with any broadcasting, newspaper, magazine, billboard, direct mail, or similar type of general public communication or political advertising.

Section 110.7(a)(4) of Title 11, Code of Federal Regulations, states that the national committee of a political party may make expenditures authorized by this section through any designated agent, including State and subordinate party committees.

21040332934

Section 431(8)(A)(i) of Title 2, United States Code, states that the term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office.

The Committee reported a disbursement of \$2,200 on October 26, 1984 for a newspaper advertisement. In a letter dated March 8, 1985, in response to an inquiry from the Reports Analysis Division, the Committee noted that the advertisement supported "the presidential candidacy of Walter F. Mondale." They added, "The ad was actually sponsored by Connecticut Democrats '84, an affiliated committee..., which reimbursed us for that expenditure."^{4/}

In follow-up correspondence, the Reports Analysis Division sought clarification as to whether the disbursement constituted an in-kind contribution or a coordinated expenditure. The Committee was apprised of the prohibition against in-kind contributions to publicly funded presidential campaigns and of the requirement that a state party committee receive prior authorization from its national party committee to make a coordinated expenditure(s) (11 C.F.R. §§ 9003.2(a)(2) and 110.7(a)(4), respectively).

Further correspondence between the Commission and the Committee's counsel revealed the following:

1. In April, 1985, Connecticut Democrats '84 reimbursed the Committee \$2,200 from their non-Federal account. (Connecticut Democrats '84's Federal account terminated with their final report covering through December 31, 1984). The Committee deposited the \$2,200 reimbursement in their non-Federal account.

2. The Committee's counsel did not think that either the Committee or Connecticut Democrats '84 had been authorized (by the DNC) to make the expenditure on behalf of Mondale/Ferraro.

^{4/} Connecticut Democrats '84 registered with the Federal Election Commission as a subordinate committee of the Connecticut Democratic State Central Committee.

91040332935

Given the circumstances described above, it is clear that the Committee made an expenditure on behalf of the Mondale/Ferraro campaign from its Federal account. The reimbursement occurred between two unregistered accounts/committees and therefore did not serve to reimburse the Committee's Federal account. Also, it would appear that neither the Committee nor the Connecticut Democrats '84 received prior authorization from the DNC to expend any portion of the DNC's 2 U.S.C. § 441a(d)(2) limitation.

In the Interim Audit report, the Audit staff recommended that the Committee either:

a) provide evidence and/or documentation to show that they were authorized by the national committee to make expenditures on behalf of Walter Mondale's general election campaign pursuant to 2 U.S.C. § 441a(d)(2) and 11 C.F.R. § 110.7(a)(4), or,

b) demonstrate why the \$2,200 disbursement for the newspaper advertisement does not constitute an expenditure on behalf of Walter Mondale's general election campaign prohibited by 2 U.S.C. § 441a(d)(2).

On December 15, 1986, the Committee responded that, according to the campaign director of Connecticut Democrats '84, all advertisements done for Walter Mondale were done with the permission of the Walter Mondale Committee. However, no further evidence was submitted. This response raises the additional question of the making and receipt of an in-kind contribution to a publicly funded Presidential campaign.

Recommendation

The Audit staff recommends that this matter be referred to the Office of General Counsel for further review.

Transfer of Funds From Unregistered/Non-Federal
Committees

Section 102.5(a)(1)(i) of Title 11, Code of Federal Regulations states, in part, that a political committee which finances political activity in connection with both federal and non-federal elections, shall establish a separate federal account and shall deposit only funds subject to the prohibitions and limitations of the Act into such federal account. No transfers may be made to such federal account from any other account(s) maintained by such organization for the purpose of financing activity in connection with non-federal elections.

Section 441(b) of Title 2, United States Code states, in part, that it is unlawful for any corporation, national bank, or labor organization to make a contribution or expenditure in connection with any election to any Federal office.

On the April Quarterly FEC Report, covering January 1-March 31, 1984, the Committee disclosed a receipt of \$5,000 from the Democratic State Central Committee (a non-federal committee). On October 15, 1984, in response to correspondence from the Reports Analysis Division, the Committee acknowledged that the transfer had been made from their State account to the Federal account. The Committee stated that "they were under the impression that monies could be transferred from our State Account to our Federal Account because Connecticut law has the same restrictions on contributions as Federal law." 5/

The Committee also stated that they were preparing to repay the State account and therefore would acknowledge the \$5,000 transfer as a debt owed to the State account on their FEC Report(s). 6/ On October 23, 1984, the Committee repaid the obligation to the Democratic State Central Committee which was verified by the auditors during the audit fieldwork.

5/ It should be noted that under Connecticut law the use of labor union treasury funds is allowed in state elections.

6/ A similar transfer of \$16,000 made on May 17, 1983, was the subject of MUR 1900.

In the Interim Audit report, the Audit staff recommended that the Committee provide an explanation and/or documentation as to why the transfer was not in violation of 2 U.S.C. § 441b and 11 C.F.R. § 102.5(a)(1)(i).

On December 15, 1986, the Committee responded only that the \$5,000 was repaid to the Democratic State Central Committee.

The Audit staff recommends that this matter be referred to the Office of General Counsel for further review.

I. GENERATION OF MATTER

Pursuant to Section 438(b) of Title 2 of the United States Code, the Commission conducted an audit of the Democratic State Central Committee/Federal Account (Connecticut) (the "Committee") for the period from May 18, 1983, through December 31, 1984. On January 21, 1987, the Commission approved the final audit report and referred certain matters arising from the audit to the Office of the General Counsel.

40332939

II. FACTUAL AND LEGAL ANALYSIS

A. Contributions in Excess of Limitations

21040832990

The Federal Election Campaign Act of 1971, as amended (the "Act"), provides that no person shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$1,000. 2 U.S.C. § 441a(a)(1)(A). The Act defines "person" to include any committee, organization, or group of persons. 2 U.S.C. § 431(11). The Act further provides that no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$5,000. 2 U.S.C. § 441a(a)(2)(A). The Act defines "multicandidate political committee" to mean a political committee which has been registered under Section 433 of Title 2 "for a period not less than 6 months, which has received contributions from more than 50 persons, and except for any State political party organization, has made contributions to 5 or more candidates for Federal office." 2 U.S.C. § 441a(a)(4). The Act also provides that no candidate or political committee shall knowingly accept contributions in excess of the limitations of Section 441a. 2 U.S.C. § 441a(f).

A review of the Committee's disclosure reports filed with the Commission indicated it had made in-kind contributions totalling \$7,292.89 from September 19, 1983, through January 26, 1984, on behalf of Congressman Bruce Morrison with respect to his

Committee was not qualified as a multicandidate political committee at the time it made these contributions and, thus, was subject to the \$1,000 per election limitation of 2 U.S.C.

§ 441a(a)(1)(A).

Therefore, the Committee could have contributed a total of \$3,000 to Bruce Morrison with respect to the 1982 elections. Its reported contributions of \$7,292.89 was \$4,292.89 in excess of the limitations. The Committee has subsequently reported the refund on December 31, 1985, of \$4,292.89 from the Congressman Bruce A. Morrison Re-Election Committee, the current authorized political committee of Bruce Morrison.^{3/} The Morrison Committee's 1985 Year End Report (and amendment), however, discloses no such disbursement to the Democratic State Central Committee.

^{3/} The Act also permits a state party committee to make limited coordinated party expenditures on behalf of the general election campaign of a candidate for Representative in Congress. 2 U.S.C. § 441a(d)(3). The Democratic State Central Committee registered a federal account with the Commission on October 12, 1982, which filed one report covering September 28, 1982, through November 29, 1982, and terminated. This account reported \$37,187 in expenditures, none of which were reported as coordinated party expenditures on behalf of any Federal candidate, including Mr. Morrison.

A March 28, 1984, letter from the Morrison committee to the state committee, however, refers to expenditures (other than the \$7,292.89 in question) by the state committee's federal account that occurred in 1982 and did not exceed the \$18,440 limitation on coordinated party expenditures. See Attachment 5. Thus, it cannot be determined at this time if any portion of the \$7,292.89 in in-kind contributions may be attributable to the Committee's coordinated party expenditure limitation for 1982 with respect to Mr. Morrison's campaign. The Morrison committee's letter and the reported refund of \$4,292.89 suggest, inferentially, that these expenditures are not so attributable.

91040332992

Accordingly, the Office of the General Counsel recommends that the Commission find reason to believe the Democratic State Central Committee/Federal Account and Maureen G. Satti, as treasurer, violated 2 U.S.C. § 441a(a)(2)(A) and the Congressman Bruce A. Morrison Re-Election Committee and Elaine E. Thompson, as treasurer, violated 2 U.S.C. § 441a(f).^{4/}

B. Expenditures in Excess of Limitations

21040332993
The Act provides that notwithstanding any other provisions of law with respect to limitations on expenditures or contributions, a national committee of a political party may make certain limited expenditures in connection with the general election campaign of any candidate for President who is affiliated with that party. 2 U.S.C. § 441a(d)(2). The Act does not provide a similar expenditure authority with respect to any candidate for President for state party committees. See 2 U.S.C. § 441a(d). Commission regulations, however, state that a national party committee may make such expenditures through any designated agent, including state and subordinate party committees. 11 C.F.R. § 110.7(a)(4). National and state party committees may not make independent expenditures on behalf of Federal candidates affiliated with the party. 11 C.F.R. § 110.7(a)(5) and § 110.7(b)(4).

^{4/} The subject expenditures were reported as made on behalf of Bruce Morrison's 1982 general election campaign. His authorized committee for that election was the Bruce A. Morrison for Congress Committee, which has since terminated with the Commission. Mr. Morrison's current committee is the Congressman Bruce A. Morrison Re-Election Committee. In its termination report the 1982 committee reported the transfer of its remaining cash-on-hand to the current committee. Therefore, the finding is made with respect to the current committee and its current treasurer.

The Act and regulations exclude from the definition of contribution and expenditure certain types of disbursements by state and subordinate party committees on behalf of their candidates, including presidential candidates. See, e.g., 2 U.S.C. § 431(9)(B)(iv), (viii), and (ix); 11 C.F.R. § 100.8(b)(10), (16), and (18). Disbursements for newspaper advertisements and other similar types of general public political advertising, however, do not qualify for these exemptions. Id. The Act further provides that no political committee shall knowingly make any expenditure in violation of Section 441a and that no officer or employee of a political committee shall knowingly make any expenditure on behalf of a candidate in violation of any limitation imposed on contributions and expenditures under Section 441a. 2 U.S.C. § 441a(f).

The Committee reported as an operating expense a disbursement of \$2,200 on October 26, 1984, to the Connecticut Jewish Ledger for advertising. See Attachment 7. In its March 8, 1985, response to an inquiry from the Reports Analysis Division, the Committee stated that this advertisement supported the presidential candidacy of Walter F. Mondale. See Attachment 3. It further stated that the advertisement was sponsored by Connecticut Democrats '84, an affiliated committee.^{5/} The Committee further stated that it had been

^{5/} Connecticut Democrats '84 also reported a total of \$3,610.63 in coordinated party expenditures on behalf of Walter F. Mondale for the printing of advertising and flyers. See Attachment 8. This committee however, was not covered by the audit and was not included in the referral. It has terminated its registration with the Commission.

reimbursed by the Connecticut Democrats '84; but according to the audit, it appears that this reimbursement was made from the non-federal account of the Connecticut Democrats '84 to the Committee's non-federal account.

Since this expenditure was for a newspaper advertisement on behalf of a presidential candidate, it does not qualify for any of the exemptions to the definition of contribution and expenditure that apply to state party committees. Furthermore, although the Committee has indicated that the advertisement may have been authorized by the Mondale/Ferraro Committee, the pertinent issue is whether it made this expenditure as the designated agent of the Democratic National Committee. The Committee has not produced any evidence of such designation. Therefore, it appears that the Committee made an expenditure in violation of the limitations established under Section 441a of Title 2.

Accordingly, this Office recommends that the Commission find reason to believe the Democratic State Central Committee/Federal Account and Maureen G. Satti, as treasurer, violated 2 U.S.C. § 441a(f).^{6/}

^{6/} In previous matters involving similar circumstances involving congressional candidates, the cited violation was 2 U.S.C. § 441a(d). Section 441a(d) merely sets forth the expenditure limits of the national party committees and the state party committees. Section 441a(f) states that it is a violation to exceed the contribution or expenditure limits set forth in 441a. For that reason, this Office now concludes that the more appropriate section to cite as a violation is Section 441a(f).

C. Transfer of Funds from Non-Federal Account

Commission regulations permit an organization, including a party committee, which finances political activity in connection with both Federal and non-Federal elections the option of establishing a separate Federal account. 11 C.F.R.

§ 102.5(a)(1)(i) and (ii). Only funds subject to the prohibitions and limitations of the Act may be deposited into this account. Furthermore, the regulations provide that no transfers may be made to this separate Federal account from any other accounts maintained by the organization for the purpose of financing activity in connection with non-Federal elections. Id. Only funds meeting the requirements of 11 C.F.R. § 102.5(a)(2) may be deposited into this Federal account. The Act prohibits any corporation or labor organization from making contributions or expenditures in connection with a Federal election. 2 U.S.C. § 441b(a). Connecticut permits labor organizations to use their treasury funds in state elections.^{7/}

The Committee disclosed a receipt of \$5,000 on January 8, 1984, from the Democratic State Central Committee's non-Federal account. In an October 12, 1984, response to an inquiry from the

^{7/} Connecticut permits an organization to make contributions or expenditures only by first forming its own political committee. Such political committee may be authorized to receive funds exclusively from the organization's treasury or from voluntary contributions, but not both. Conn. Gen. Stat. § 9-336c(1983). Connecticut defines "organization" to include "all labor organizations" as defined under certain state or Federal laws. (Conn. Gen. Stat. § 9-335(4)(1983)). See Attachment 9.

Reports Analysis Division, the Committee stated that it intended to repay the non-Federal account and would show the amount as a debt owed to the non-Federal account. See Attachment 6. The Committee reported the repayment of this \$5,000 debt on October 23, 1984, which repayment was verified during the audit.^{8/} See Attachment 7.

Accordingly, this Office recommends that the Commission find reason to believe the Democratic State Central Committee and the Democratic State Central Committee/Federal Account and Maureen G. Satti, as treasurer, violated 2 U.S.C. § 441b and 11 C.F.R. § 102.5(a).

III. RECOMMENDATIONS

1. Find reason to believe the Democratic State Central Committee/Federal Account and Maureen G. Satti, as treasurer, violated 2 U.S.C. §§ 441a(a)(2)(A), 441a(f), and 441b, and 11 C.F.R. § 102.5(a).
2. Find reason to believe the Democratic State Central Committee violated 2 U.S.C. § 441b and 11 C.F.R. § 102.5(a).
3. Find reason to believe the Congressman Bruce A. Morrison Re-Election Committee and Elaine E. Thompson, as treasurer, violated 2 U.S.C. § 441a(f).

RE: MUR 2335
Congressman Bruce A.
Morrison Re-Election
Committee and Elaine E.
Thompson, as treasurer

Dear Ms. Thompson:

On September 9, 1987, the Federal Election Commission found that there is reason to believe the Congressman Bruce A. Morrison Re-Election Committee ("Committee") and you, as treasurer, violated 2 U.S.C. § 441a(f), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office, along with answers to the enclosed questions, within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be

pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

The investigation now being conducted will be confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Michael Marinelli, the attorney assigned to this matter, at (202) 376-8200.

The Federal Election Campaign Act of 1971, as amended (the "Act"), provides that no person shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$1,000. 2 U.S.C. § 441a(a)(1)(A). The Act defines "person" to include any committee, organization, or group of persons. 2 U.S.C. § 431(11). The Act further provides that no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$5,000. 2 U.S.C. § 441a(a)(2)(A). The Act defines "multicandidate political committee" to mean a political committee which has been registered under Section 433 of Title 2 "for a period not less than 6 months, which has received contributions from more than 50 persons, and except for any State political party organization, has made contributions to 5 or more candidates for Federal office." 2 U.S.C. § 441a(a)(4). The Act also provides that no candidate or political committee shall knowingly accept contributions in excess of the limitations of Section 441a. 2 U.S.C. § 441a(f).

A review of disclosure reports filed with the Commission by the Democratic State Central Committee/Federal Account (the "Committee") indicated the Committee had made in-kind contributions totalling \$7,292.89 from September 19, 1983, through January 26, 1984, on behalf of Congressman Bruce Morrison with respect to his 1982 election campaign. The Committee has provided the following designations and amounts for these in-kind contributions:

1982 Convention	\$2,657.05
1982 Primary Election	3,165.22
1982 General Election	1,437.42
	<u>\$7,259.69</u> ^{1/}

9104033005

The audit determined that the Bruce A. Morrison for Congress Committee, the 1982 authorized political committee of Bruce Morrison, had net debts outstanding at the time of these contributions. Furthermore, the Commission has previously determined that the party convention in Connecticut qualifies as an election under the Act. See Advisory Opinion 1976-58. Bruce Morrison was a candidate in all three elections in 1982 and, thus, was able to accept contributions with respect to each election. Because the Morrison Committee had outstanding debts for these elections, the Committee could permissibly make contributions to Bruce Morrison with respect to these 1982 elections. See 11 C.F.R. § 110.1(a)(2)(i)(1984).

^{1/} The Committee allocated only \$166.80 of a \$200 disbursement.

The Committee registered with the Commission on May 18, 1983. The Commission's Reports Analysis Division had established the date of the Committee's qualification as a multicandidate political committee as October 17, 1984. The audit determined from a review of the Committee's reports that it had not received contributions from more than 50 persons at the time it made the in-kind contributions to Bruce Morrison. Thus, it appears that Committee was not qualified as a multicandidate political committee at the time it made these contributions and, thus, was subject to the \$1,000 per election limitation of 2 U.S.C. § 441a(a)(1)(A).

Therefore, the Committee could have contributed a total of \$3,000 to Bruce Morrison with respect to the 1982 elections. Its reported contributions of \$7,292.89 was \$4,292.89 in excess of the limitations. The Committee has subsequently reported the refund on December 31, 1985, of \$4,292.89 from the Congressman Bruce A. Morrison Re-Election Committee, the current authorized political committee of Bruce Morrison.^{2/} The Morrison

^{2/} The Act also permits a state party committee to make limited coordinated party expenditures on behalf of the general election campaign of a candidate for Representative in Congress. 2 U.S.C. § 441a(d)(3). The Democratic State Central Committee registered a federal account with the Commission on October 12, 1982, which filed one report covering September 28, 1982, through November 29, 1982, and terminated. This account reported \$37,187 in expenditures, none of which were reported as coordinated party expenditures on behalf of any Federal candidate, including Mr. Morrison. (continued)

91040833006

Committee's 1985 Year End Report (and amendment), however, discloses no such disbursement to the Democratic State Central Committee.

Accordingly, there is reason to believe the Congressman Bruce A. Morrison Re-Election Committee and Elaine E. Thompson, as treasurer, violated 2 U.S.C. § 441a(f).^{3/}

(Footnote 2 continued)

A March 28, 1984, letter from the Morrison committee to the state committee, however, refers to expenditures (other than the \$7,292.89 in question) by the state committee's federal account that occurred in 1982 and did not exceed the \$18,440 limitation on coordinated party expenditures. Thus, it cannot be determined at this time if any portion of the \$7,292.89 in in-kind contributions may be attributable to the Committee's coordinated party expenditure limitation for 1982 with respect to Mr. Morrison's campaign. The Morrison committee's letter and the reported refund of \$4,292.89 suggest, inferentially, that these expenditures are not so attributable.

^{3/} The subject expenditures were reported as made on behalf of Bruce Morrison's 1982 general election campaign. His authorized committee for that election was the Bruce A. Morrison for Congress Committee, which has since terminated with the Commission. Mr. Morrison's current committee is the Congressman Bruce A. Morrison Re-Election Committee. In its termination report the 1982 committee reported the transfer of its remaining cash-on-hand to the current committee. Therefore, the finding is made with respect to the current committee and its current treasurer.

Maureen G. Satti, as
treasurer

Dear Ms. Satti:

On September 9, 1987, the Federal Election Commission found that there is reason to believe the Democratic State Central Committee/Federal Account ("Committee") and you, as treasurer, violated 2 U.S.C. §§ 441a(a)(1)(A), 441a(f), and 441b, provisions of the Federal Election Campaign Act of 1971, as amended ("the Act") and 11 C.F.R. § 102.5(a), of Commission regulations. On September 9, 1987, the Federal Election Commission also found that there is reason to believe the Democratic State Central Committee ("Committee"), violated 2 U.S.C. § 441b. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office, along with answers to the enclosed questions, within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

2104033012

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

The investigation now being conducted will be confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Michael Marinelli, the attorney assigned to this matter, at (202) 376-8200.

MUR: 2335

Pursuant to Section 438(b) of Title 2 of the United States Code, the Commission conducted an audit of the Democratic State Central Committee/Federal Account (the "Committee") for the period from May 18, 1983, through December 31, 1984.

A. Contributions in Excess of Limitations

The Federal Election Campaign Act of 1971, as amended (the "Act"), provides that no person shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$1,000. 2 U.S.C. § 441a(a)(1)(A). The Act defines "person" to include any committee, organization, or group of persons. 2 U.S.C. § 431(11). The Act further provides that no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$5,000. 2 U.S.C. § 441a(a)(2)(A). The Act defines "multicandidate political committee" to mean a political committee which has been registered under Section 433 of Title 2 "for a period not less than 6 months, which has received contributions from more than 50 persons, and except for any State

2104033014

political party organization, has made contributions to 5 or more candidates for Federal office." 2 U.S.C. § 441a(a)(4). The Act also provides that no candidate or political committee shall knowingly accept contributions in excess of the limitations of Section 441a. 2 U.S.C. § 441a(f).

A review of the Committee's disclosure reports filed with the Commission indicated it had made in-kind contributions totalling \$7,292.89 from September 19, 1983, through January 26, 1984, on behalf of Congressman Bruce Morrison with respect to his 1982 election campaign. The Committee has provided the following designations and amounts for these in-kind contributions:

1982 Primary Election	3,165.22
1982 General Election	1,437.42
	<u>\$7,259.69^{1/}</u>

The audit determined that the Bruce A. Morrison for Congress Committee, the 1982 authorized political committee of Bruce Morrison, had net debts outstanding at the time of these contributions. Thus, pursuant to 11 C.F.R. § 110.1(a)(2)(i) (1984) the Committee could permissibly make these contributions with respect to the 1982 elections. Furthermore, the Commission has previously determined that the party convention in Connecticut qualifies as an election under the Act. See Advisory Opinion 1976-58. Bruce Morrison was a candidate in all three elections in 1982 and, thus, was able to accept contributions with respect to each election. Similarly, the Committee could permissibly make contributions to Bruce Morrison with respect to these 1982 elections.

^{2/} The Committee has not, however, presented documentation to show it met the requirements for multi-candidate political committee status at the time of these in-kind contributions.

^{3/} The Act also permits a state party committee to make limited coordinated party expenditures on behalf of the general election campaign of a candidate for Representative in Congress. 2 U.S.C. § 441a(d)(3). The Democratic State Central Committee registered a federal account with the Commission on October 12, 1982, which filed one report covering September 28, 1982, through November 29, 1982, and terminated. (continued)

21540835016

Committee's 1985 Year End Report (and amendment), however, discloses no such disbursement to the Democratic State Central Committee.

Accordingly, there is reason to believe the Democratic State Central Committee/Federal Account and Maureen G. Satti, as treasurer, violated 2 U.S.C. § 441a(a)(1)(A).

B. Expenditures in Excess of Limitations

The Act provides that notwithstanding any other provisions of law with respect to limitations on expenditures or contributions, a national committee of a political party may make certain limited expenditures in connection with the general election campaign of any candidate for President who is affiliated with that party. 2 U.S.C. § 441a(d)(2). The Act does not provide a similar expenditure authority with respect to any candidate for President for state party committees. See 2 U.S.C. § 441a(d). Commission regulations, however, state that a national party committee may make such expenditures through any designated agent, including state and subordinate party committees. 11 C.F.R. § 110.7(a)(4). National and state party committees may not make independent expenditures on behalf of Federal candidates affiliated with the party. 11 C.F.R. § 110.7(a)(5) and § 110.7(b)(4).

(Footnote 3 continued)

A March 28, 1984, letter from the Morrison committee to the state committee, however, refers to expenditures (other than the \$7,292.89 in question) by the state committee's federal account that occurred in 1982 and did not exceed the \$18,440 limitation on coordinated party expenditures. Thus, it cannot be determined at this time if any portion of the \$7,292.89 in in-kind contributions may be attributable to the Committee's coordinated (Footnote continued)

been reimbursed by the Connecticut Democrats '84; but according to the audit, it appears that this reimbursement was made from the non-federal account of the Connecticut Democrats '84 to the Committee's non-federal account.

Since this expenditure was for a newspaper advertisement on behalf of a presidential candidate, it does not qualify for any of the exemptions to the definition of contribution and expenditure that apply to state party committees. Furthermore, although the Committee has indicated that the advertisement may have been authorized by the Mondale/Ferraro Committee, it has not produced any evidence of such authorization or that it made this expenditure as the designated agent of the Democratic National Committee. Therefore, it appears that the Committee made an expenditure in violation of the limitations established under Section 441a of Title 2.

Accordingly, there is reason to believe the Democratic State Central Committee/Federal Account and Maureen G. Satti, as treasurer, violated 2 U.S.C. § 441a(f).

C. Transfer of Funds from Non-Federal Account

Commission regulations permit an organization, including a party committee, which finances political activity in connection with both Federal and non-Federal elections the option of establishing a separate Federal account. 11 C.F.R. § 102.5(a)(1)(i). Only funds subject to the prohibitions and limitations of the Act may be deposited into this account. Furthermore, the regulations provide that no transfers may be made to this separate Federal account from any other accounts

maintained by the organization for the purpose of financing activity in connection with non-Federal elections. Id. Only funds meeting the requirements of 11 C.F.R. § 102.5(a)(2) may be deposited into this Federal account. The Act prohibits any corporation or labor organization from making contributions or expenditures in connection with a Federal election. 2 U.S.C. § 441b(a). Connecticut permits labor organizations to use their treasury funds in state elections.^{5/}

The Committee disclosed a receipt of \$5,000 on January 8, 1984, from the Democratic State Central Committee's non-Federal account. In an October 12, 1984, response to an inquiry from the Reports Analysis Division, the Committee stated that it intended to repay the non-Federal account and would show the amount as a debt owed to the non-Federal account. The Committee reported the repayment of this \$5,000 debt on October 23, 1984, which repayment was verified during the audit.^{6/}

Accordingly, because under 11 C.F.R. § 102.5(a) the state party and its Federal account are treated as separate entities for purposes of the Act, there is reason to believe the

^{5/} Connecticut permits an organization to make contributions or expenditures only by first forming its own political committee. Such political committee may be authorized to receive funds exclusively from the organization's treasury or from voluntary contributions, but not both. Conn. Gen. Stat. § 9-336c(1983). Connecticut defines "organization" to include "all labor organizations" as defined under certain state or Federal laws. (Conn. Gen. Stat. § 9-335(4)(1983)).

^{6/} It appears that a transfer of \$16,000 from the non-Federal account had previously occurred in 1983. The October 23, 1984, repayment included \$1,000 toward the \$16,000 transfer. Another repayment of \$200 on November 7, 1984, was also applied to the \$16,000 transfer. The balance of \$14,800 was repaid on December 6, 1984. See MUR 1900.

Dear Chairman Thomas:

As Counsel for the Democratic State Central Committee in the State of Connecticut, I forward you our request that the matter be placed on the pre-probable cause conciliation. This is in pursuant to my discussion with Michael Marinelli, your attorney.

I certainly would like the opportunity to appear and to present the Commission with additional facts; however, please be advised the factual and legal analysis on MUR2335 is objected to by the Democratic State Central Committee for the following reasons:

(1) Contributions in excess of limitations. There has been an admittance by the Democratic State Central Committee that its federal account did, in fact, overspend for the benefit of Congressman Bruce A. Morrison's re-election campaign. There was, in fact, agreement between the Federal Elections Commission and the Democratic State Central Committee that Mr. Morrison should repay the money. The money, in fact, was repaid as noted in our (Democratic State Central Committee) filings. We understand the problem is Congressman Morrison discloses no such disbursement to the Democratic State Central Committee. We have spoken to Congressman Morrison's office, and his offices advises and acknowledges the repayment of the funds, and they are now researching their own records in order to bring their compliance into conformity.

Mr. Scott E. Thomas, Chairman

Page 2

It is my understanding the people involved at the time the expenditures were made understood they had a greater limit. As a result, the overspending took place.

(2) Expenditures in excess of limitations. This involved a committee entitled "Connecticut Democrats 84". There was an expenditure of \$2,200 made for advertising from this committee. It is our understanding from the leaders of this committee, which to our knowledge is no longer in existence, had received permission from the presidential campaign of Walter F. Mondale for said expenditure. We have no independent verification of this.

We have been advised by Karen Simmons of your office the proper procedure would be for the Mondale/Ferraro Committee to refund the \$2,200 expenditure. We asked the Federal Elections Commission through Karen Simmons to advise what action we could take and what we should do regarding this contribution. We were told there may not be an answer for rectification because of the financial condition of the Mondale/Ferraro campaign. The Democratic State Central Committee, if needed, will do everything necessary to rectify this particular situation. We await discussion with you as to a resolution of this matter.

(3) Transfer of funds from the non-federal account. Again, we through ignorance did not understand this could not be done. When it was pointed out by the Federal Elections Commission, it was immediately rectified in terms of said payment. I believe this repayment was verified during your audit.

I, at this time, have not answered the interrogatories as set forth. The reason for this is we have a very small federal elections account, and a very small number in comparison with other states. Our entire checkbook was made available to your auditors. We would be pleased to make photocopies of all checks and all registers and forward them to your attention as you deem necessary. In addition, we do not have a copy of the advertisement that appeared in the "Connecticut Jewish Ledger".

Dear Ms. Simmons:

After my conversation with you of November 24, 1986 I am now in a position to respond to your letter October 23, 1986.

In reference to your recommendations contained on Page 6 and Page 7 please be advised that the Bruce A. Morrison for Congress Committee returned to the federal account all overpayments.

As to the payments from the state to the federal account, please be advised that said \$5,000.00 was repaid to the Committee which you have verified on your audit.

As to the \$2,200.00 disbursement for a newspaper advertisement, please be advised that I have spoken to the campaign director of Connecticut Democrats 84 who advises me that all advertisements done for Walter Mondale were done with the permission of the Walter Mondale Committee. If there is anything further that your committee needs, please do not hesitate to call.

We thank you for your courtesy and consideration in helping us complete the documentation for our federal account.

Mr. Scott E. Thomas, Chairman

Dear Chairman Thomas:

Approximately ten days ago, I had a conversation with your attorney, Michael Marinelli. At that time he asked for some additional information regarding the problems the Democratic State Central Committee/Federal Account has had in the past. I am enclosing for your reference two files: our 1984 reports to the Secretary of State, State of Connecticut and our 1985 reports to the Secretary of State, State of Connecticut pursuant to Attorney Marinelli's request.

In addition, we are forwarding you a bill received from the Jewish Ledger dealing with Connecticut Democrats '84 and we are forwarding to you a three-page document showing a deposit to our federal account on December 31, 1984 of \$12,292.89. These three deposits show \$4,292.89 as one of the deposits being made. The second document shows the entire deposit of \$12,292.89 and the third document shows the breakdown of the \$12,292.89 which includes the \$4,292.89 received from Congressman Bruce Morris's re-election committee.

We would at this time like to advise the Federal Election Commission and report to the Federal Election Commission that the Federal Account of the Democratic State Central Committee at the time of the alleged instances was very sparsely used. I believe your audit committee can advise you of the correctness of that statement.

We had a number of problems that existed dating back to early 1985. At that time, numerous discussions were held between myself and one of your employees, Lisa Stolaruk. At that time, a meeting was held in Washington between myself and Miss Stolaruk to attempt to resolve this problem. I will refer the commission to my correspondence to Miss Stolaruk dated June 18, 1985, October 2, 1985, December 10, 1985 and January 29, 1986. We believe that, at that time, we had an agreement as to how to rectify the problems that were caused and that were admitted.

Mr. Scott E. Thomas, Chairman

Page 2

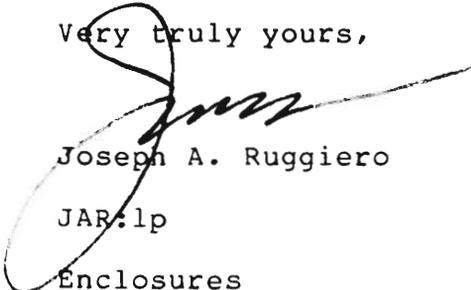

October 16, 1987

Subsequent to that time, an audit was, in fact, completed and recommendations as your file will show were made. At that time, all action required by the Federal Elections Commission was completed to the best of our knowledge and the best of our ability. I do not know of anything else the Democratic State Central Committee/Federal Account can do in order to rectify the problems that did, in fact, exist. We followed exactly the recommendations made by the Federal Elections Commission after the problems were discovered. I would also point out that the initial problems were raised by the Democratic State Central Committee when it became apparent that there was a possible violation. It appears to us that the outstanding item deals with Connecticut Democrats '84 which is a defunct committee which did, in fact, make expenditures on behalf of the presidential campaign of Walter F. Mondale in the amount of \$2,200.00. I would point out, we still do not have any independent verification of this; however, we have asked what action we should take to correct this situation since no evidence exists that we have been able to receive indicating an authorization by the presidential campaign of Mr. Mondale.

We would appreciate a quick resolution of this matter and at this point, we do not know of anything further that we can do to alleviate the problem. We look for your guidance and appreciate the relationship between our committee and your committee with the hopes of resolving this matter quickly and amicably.

Thank you for your consideration.

Very truly yours,

Joseph A. Ruggiero

MUR 2335

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On September 9, 1987, the Commission found reason to believe that the Democratic State Central Committee/Federal Account and Maureen G. Satti, as treasurer, violated 2 U.S.C. §§ 441a(a)(1)(A), 441a(f) and 441b and 11 C.F.R. § 102.5(a). The Commission also found reason to believe that the Democratic State Central Committee violated 2 U.S.C. § 441b and 11 C.F.R. § 102.5(a) and that the Bruce A. Morrison Re-Election Committee and its treasurer violated 2 U.S.C. § 441a(f).^{*/} On September 28, 1987, the Democratic State Central Committee/Federal Account and the Democratic State Central Committee requested pre-probable cause conciliation. On October 16, 1987, the Morrison Committee likewise requested pre-probable cause conciliation.

^{*/} The reason to believe finding was against Elaine E. Thompson, as treasurer; however, it was learned after the finding that Elaine Thompson had been replaced as treasurer by Eric Malchodi on June 12, 1987.

II. ANALYSIS

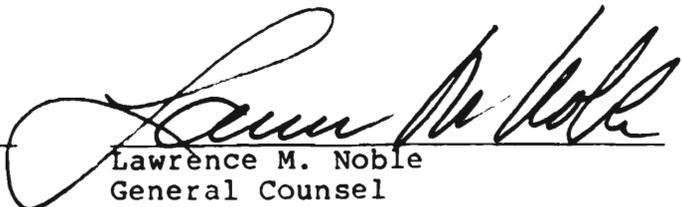

At this time the Office of the General Counsel recommends that both requests should be denied. The Morrison Committee has not yet responded to the Commission's interrogatories; the Democratic State Party Committee has provided only partial unsworn responses and has not provided all of the documents requested. The proposed letters ask respondents to submit their response to the interrogatories within 10 days.

III. RECOMMENDATIONS

1. Decline at this time to enter into conciliation prior to a finding of probable cause to believe with the Democratic State Central Committee/Federal Account (Connecticut) and Maureen G. Satti, as treasurer.
2. Decline at this time to enter into conciliation prior to a finding of probable cause to believe with the Democratic State Central Committee.
3. Decline at this time to enter into conciliation prior to a finding of probable cause to believe with the Congressman Bruce A. Morrison Re-Election Committee and Eric Malchodi, as treasurer.

Re: MUR 2335

Dear Mr. Noble:

On November 21, 1987, I received your letter of November 17, 1987. In response, I am enclosing Respondents' Answers To Interrogatories and Request for Production of Documents.

You will note that the verification attached as page 6 of the Answers is unsigned. It is being submitted that way in order to meet the ten day deadline set in your November 17 letter, a deadline made difficult by the Thanksgiving holiday. I will submit the signed verification in the next few days.

Donald Filer provided the information and document contained in the Answers and he is capable of furnishing testimony concerning the Answers. Robin Roger and I, both attorneys working for the above-entitled law firm, drafted the interrogatory responses.

FEDERAL ELECTION COMMISSION

In the Matter of

Congressman Bruce A. Morrison
Re-Election Committee and
Eric A. Malchodi, as Treasurer,

Respondents.

MUR 2335

RESPONDENTS' ANSWERS
TO INTERROGATORIES AND
REQUEST FOR PRODUCTION
OF DOCUMENTS

Respondents Congressman Bruce A. Morrison Re-Election Committee ("Committee") and Eric A. Malchodi ("Respondents") hereby respond to the Interrogatories and Request for Production of Documents propounded by the Federal Election Commission ("F.E.C.") as follows. Respondents reserve all rights to object to the admissibility of these responses at such time as the Federal Rules of Evidence may apply.

INTERROGATORY NO. 1:

A letter dated March 28, 1984, from the Congressman Bruce A. Morrison Re-Election Committee or the Bruce A. Morrison for Congress Committee (signed by Bennett Pudlin) to the Democratic State Central Committee listed expenditures by the Democratic State Central Committee totalling \$7,259.69.

(a) State whether or not these expenditures constituted in-kind contributions to Bruce A. Morrison or his authorized committee or constituted coordinated party

(9)	Hartford Postmaster	10/28/82	96.80
(10)	The Advocate Press	2/16/83	10,551.16

All of these expenditures are set forth in the DSCC's F.E.C. Report for the period September 28, 1982, through November 29, 1983, except the last expenditure, which is set forth in the DSCC's F.E.C. Report for the period January 1, 1983, through June 30, 1983.

(c) The Committee made a refund of \$4,292.89 to the DSCC on or about December 20, 1985. A check numbered 1193, dated December 20, 1985, drawn on the New Haven Savings Bank from the Committee's general election account was made payable to the DSCC in the amount of \$4,292.89, and was endorsed and deposited by the DSCC in its own account. A copy of both sides of that check is annexed hereto as Exhibit A.

Aside from that check, the Committee has no other documents relating to the refund. The Committee filed no report disclosing such refund to the DSCC. The refund check was drawn at the end of December 1985 but was not delivered to the payee until early January 1986. Consequently, the

2 1 0 4 0 3 3 0 4 6

Committee intended to file the refund check in the first F.E.C. filing of 1986, rather than in the last 1985 filing. Prior to the preparation and filing of the first F.E.C. report of 1986, the Committee staff underwent transition. The refund check was not included in the 1986 F.E.C. report because in the Committee's checkbook the refund check is shown as being written in 1985, not 1986, and thus it was overlooked when the Committee prepared its report of 1986 expenditures and disbursements.

DISCUSSION:

The central issue in this Matter Under Review is the in-kind contribution of \$7,292.89 by the DSCC to the Committee during the 1982 election cycle, a contribution admittedly in excess of statutory limits. The Committee unwittingly accepted the subject contribution from the DSCC in the mistaken belief that the DSCC was a multi-candidate committee pursuant to 2 U.S.C. §441a(a)(4). This assumption was, even at the time the contribution was accepted by the Committee, reasonable; the Committee was incorrectly advised by the DSCC that it was a multi-candidate committee. Furthermore, since then the DSCC has become a multi-candidate committee.

Thus, the inappropriate acceptance by the Committee of the subject contribution was innocent and reasonably justified. Indeed, upon the Committee's realization that the

9104033047

contribution was accepted in error, the Committee voluntarily corrected the error by refunding the excess contribution to the DSCC. This refund is documented by the annexed Exhibit A. The Committee's voluntary compliance with the Federal Election Campaign Act indicates its ongoing good faith and interest in abiding by the FECA. Accordingly, an appropriate refund having already been voluntarily made, the instant Matter Under Review should be closed.

Re: MUR 2335
Our File No. 9992-51

Dear Mr. Noble:

Enclosed is a verified copy of Respondents' Answers to Interrogatories and Requests For Production of Documents in the above-entitled matter under review.

You will note that the enclosed document differs from Respondents' Answers submitted on November 30th with respect to the answer to interrogatory 1(c). Upon further recollection and consideration, it was determined that the reason why the refund check was not included in an F.E.C. report stated in the Answers submitted on November 30th was inaccurate.

Thank you for your consideration.

Sincerely yours,

MUR 2335

SENSITIVE

**EXECUTIVE SESSION
APR 19 1988**

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This MUR was generated from an audit of the Democratic State Central Committee/Federal Account (Connecticut) (the "Central Committee"). On September 9, 1987, the Commission found reason to believe that the Democratic State Central Committee/Federal Account and Maureen G. Satti, as treasurer, had committed multiple violations of the Federal Campaign Act of 1971, as amended (the "Act"). These were: the making of excessive contributions from September 19, 1983 through January 26, 1984, to the Congressman Bruce A. Morrison Re-Election Committee (the "Morrison Committee"), in violation of 2 U.S.C. § 441a(a)(1)(A); the making of an excessive expenditure on October 26, 1984, on behalf of the Mondale campaign, in violation of 2 U.S.C. § 441a(f); and the transfer on January 8, 1984, from the Central Committee's non-Federal account to its Federal account funds that may have contained union or corporate contributions, in violation of 2 U.S.C. § 441b and 11 C.F.R § 102.5(a)(1)(i). A reason to believe finding was made against the Democratic State Central Committee (non-Federal account) regarding the 2 U.S.C. § 441b

21040333424

and 11 C.F.R. § 102.5 violation. The Commission also found reason to believe that the acceptance of the excessive contributions from the Central Committee constituted a violation of 2 U.S.C. § 441a(f) by the Morrison Committee.

On September 28, 1987, the Democratic State Central Committee/Federal Account and the Democratic State Central Committee requested pre-probable cause conciliation. On October 16, 1987, the Morrison Committee likewise requested pre-probable cause conciliation. Respondents had not fully answered the interrogatories that were sent, therefore, the Commission determined on November 12, 1987, to decline the requests for pre-probable cause conciliation until the investigation was completed. On December 4, 1987, this Office received a full response to the interrogatories from the Morrison Committee. On March 17, 1988, this Office received copies of the Central Committee's 1985 state election report filings. These reports do not provide the information needed with regard to the Committee's non-Federal account at the time of its January 8, 1984 violation of 11 C.F.R. § 102.5. Therefore, the state party committee has not yet fully answered the Commission's interrogatories.

II. ANALYSIS

A. Misreporting of Coordinated Expenditures by the Central Committee

The Federal Election Campaign Act of 1971, as amended (the "Act"), allows state political party committees to make limited expenditures on behalf of the party's House candidates during a general election campaign. 2 U.S.C. § 441a(d)(3). Party

committees must report these expenditures as a separate category of disbursements. 2 U.S.C. § 434(b)(4)(H)(iv).

In its response to interrogatory #1(b) (see Attachment 1, p.4), the Morrison Committee has listed all coordinated party expenditures made on its behalf by the Central Committee in the 1982 election cycle. These total \$18,267.98. The expenditures have been identified with entries found in the Central Committee's 1982 30-Day Post General Election Report and its 1983 July 31 Mid-Year Report. See Attachment 2, pp. 17-18, and 25. However, \$7,716.82 of the coordinated expenditures have been misreported. Rather than listing the amounts spent as coordinated party expenditures and using the Schedule F form, the Central Committee listed them as ordinary operating expenditures under Schedule A of the 30-Day Post General Election Report.

This Office notes that the misreporting occurred outside the period, May 18, 1983 to December 31, 1984, covered by the audit of Central Committee finances. Nevertheless, the audit did concern contributions made to the 1982 Morrison campaign by the Central Committee, to which these coordinated expenditures made on Morrison's behalf for the same campaign are related. Furthermore, this is the first time evidence of the misreporting of these expenditures has been made known to the Commission. Therefore, the Office of the General Counsel recommends that the Commission find reason to believe the Democratic State Central Committee/Federal Account (Connecticut) and Maureen G. Satti, as treasurer, violated 2 U.S.C. § 434(b)(4)(H)(iv). The

2104033426

notification letter to counsel for the Committee also reminds him of the need to provide the state reports omitted from the earlier response to the Commission's interrogatories and request for documents.

B. Excessive Contributions made by the Candidate's Wife

In reviewing the responses in this matter and the reports of the Central Committee relating to the excessive contributions to the Morrison Committee and the Central Committee's coordinated expenditures on behalf of Congressman Morrison, this Office discovered that the candidate, Bruce Morrison, and his wife, Jane Morrison, made contributions to the Central Committee in 1982 and 1983 that match in date and amounts the Central Committee's coordinated party expenditures on behalf of Mr. Morrison. Only one coordinated party expenditure, an expenditure of \$100 made on October 25, 1982, seems to lack a corresponding contribution by the Morrisons. The following chart indicates the relationship.

1982 Morrison Contributions Bruce Morrison		Coordinated Party Expenditures on Bruce Morrison's Behalf ^{1/}

		10/26/82	158.20
	<u>\$3,736.48</u>		<u>\$3,734.20</u>

^{1/} As noted above, the Central Committee did not report the 1982 expenditures on behalf of Mr. Morrison, but instead reported them as operating expenditures. In their response to the Commission's questions, these expenditures have now been identified as coordinated expenditures on behalf of Mr. Morrison.

	<u>\$10,000</u>		<u>\$10,551.16</u>

The correlations shown on this chart establish that Jane Morrison made contributions to the Central Committee in order for the Central Committee to make coordinated party expenditures on behalf of Bruce Morrison. Under the Act, Jane Morrison could make contributions to Bruce Morrison or his authorized campaign committee that did not exceed in the aggregate \$1,000 per election. She could also make contributions to any other political committee such as the Central Committee that did not exceed in the aggregate \$5,000 per calendar year.

A review of the reports of the Morrison Committee do not indicate any contributions were made by Jane Morrison for the

^{2/} In 1982, the Central Committee had total receipts of \$37,187 and made total disbursements of \$37,187. At the end of 1982, it had cash on hand of \$0. Thus, the \$10,000 in loans by the Morrisons on February 16, 1983, plus a \$551.16 transfer from its non-Federal account that same day were the only funds available to the Central Committee's Federal account for which to make its February 16, 1983, \$10,551.16 coordinated expenditure on behalf of Bruce Morrison. That was also the only expenditure listed on the Central Committee's 1983 July 31 Mid-Year Report.

general election. As noted earlier, Jane Morrison's contributions to the Central Committee totalled \$3,881.72 in 1982 and \$5,000 in 1983. Thus, Jane Morrison's contributions to the Central Committee are within the limitation of 2 U.S.C. § 441a(a)(1)(C), and there is no evidence that there were contributions made directly to her husband's committee that violated 2 U.S.C. § 441a(a)(1)(A).

The question arises, however, whether the \$5,000 per year limitation of 2 U.S.C. § 441a(a)(1)(C) is the appropriate one where a person makes contributions to a state party committee for the purpose of its making coordinated expenditures on behalf of a specific candidate. In MUR 377, the Commission dealt with a situation where contributions to a state party committee were solicited and made for the purpose of the state party committee's paying a portion of the candidate's debts by utilizing its coordinated party expenditure authority.

The contributions were analyzed as having been "earmarked" by the contributors for the candidate with the state party committee acting as the conduit or intermediary and thus subject to the \$1,000 per election limitation rather than the \$5,000 per year limitation. The Commission also considered whether the "notwithstanding any other provision" language of 2 U.S.C. § 441a(d) applied to contributor limitations.

The Commission made reason to believe findings that the candidate committee and the state party committee had each violated 2 U.S.C. § 441a(f). After an investigation, this Office

2
1
J

0
3
3
3
4
2
9

concluded that the "notwithstanding" language did not apply to amounts contributors may give but only to amounts party committees may expend and that the earmarking provisions should apply.

Nevertheless, this Office took the position that such application should be made prospective. The Commission adopted this Office's recommendations to find no reasonable cause to believe the candidate and party committees violated 2 U.S.C. § 441a(f) and to instruct this Office to prepare regulations interpreting "expenditures" in Section 441a(d) and the applicability of the earmarking provisions to such expenditures. No regulations, however, were promulgated.

Moreover, MUR 377 is distinguishable from the circumstance here in that MUR 377 involved contributions to a party committee to retire the debts of the candidate's committee while this circumstance involves contributions by a candidate and his wife to a party committee to make expenditures on behalf of the candidate. Thus, present circumstances would seem to implicate the provisions of 11 C.F.R. § 110.1(h) rather than the earmarking provisions of 11 C.F.R. § 110.6.

Section 110.1(h) provides that a person may contribute to a candidate's committee with respect to a particular election and to another committee which supports the same candidate in the same election as long as the other committee is not an authorized committee of that candidate or a single candidate committee; the contributor does not give with the knowledge that a substantial

2104033430

portion will be contributed to, or expended on behalf of, that candidate in the same election; and the contributor does not retain control over the funds.

Jane Morrison's contributions to the Central Committee do not meet these criteria in that she gave these contributions to the state party committee with the knowledge that all of them would be expended on behalf of Bruce Morrison. Therefore, her contributions to the Central Committee totaling \$8,881.72 and expended with respect to the 1982 general election^{3/} exceed the \$1,000 limitation of 2 U.S.C. § 441a(a)(1)(A). Similarly, under this analysis, the Central Committee and the Morrison Committee have knowingly accepted contributions from Jane Morrison made in excess of the limitations of 2 U.S.C. § 441a(a)(1)(A), a violation of 2 U.S.C. § 441a(f).

The Commission has previously applied Section 110.1(h) in the case of contributions to a candidate's committee and contributions to a multicandidate political committee for its independent expenditure project on behalf of that candidate. See Advisory Opinion 1984-2. In the related enforcement matter, however, this Office and the Commission did not address the application of Section 110.1(h) to either the contributors or the multicandidate political committee. See MUR 1603. Furthermore, this Office is not aware of any previous instance in which Section 110.1(h) has been applied to a state party committee

^{3/} Coordinated party expenditures may only be made in connection with a candidate's general election campaign. See 2 U.S.C. § 441a(d)(3).

2 1 0 4 0 8 3 5 4 3 1

making coordinated expenditures, although such a circumstance falls within the language of Section 110.1(h). In the opinion of this Office, however, the facts of these circumstances warrant a conclusion that Jane Morrison has made contributions in excess of the limitations and that the Central Committee and the Morrison Committee knowingly accepted contributions in excess of the limitations.

Accordingly, this Office recommends that the Commission find reason to believe Jane Morrison has violated 2 U.S.C. § 441a(a)(1)(A) and that the Democratic State Central Committee/Federal Account and Maureen G. Satti, as treasurer, and the Congressman Bruce A. Morrison Re-election Committee and Eric Malchodi, as treasurer, have violated 2 U.S.C. § 441a(f).^{4/} It is further recommended by this Office that the Commission decline at this time to enter into pre-probable cause conciliation with the Morrison Committee and the Central Committee in order that they may respond to this new finding. This Office also recommends that the Commission decline to enter into pre-probable cause conciliation with the Democratic State Central Committee/non-Federal Account until it provides the requested information.

4/ The previous Section 441a(f) findings by Commission against the two committees were based on different factual grounds than the current recommendations. The Commission found that the Central Committee had violated Section 441a(f) by making an excessive \$2,200 expenditure on behalf of the 1984 Mondale Campaign. The earlier Section 441a(f) violation against the Morrison Committee was based on its acceptance of an excessive \$7,292.89 contribution from the Central Committee.

2 1 0 4 0 3 3 5 4 3 2

C. Acceptance of Excessive Contributions by the Morrison Committee

The audit of the Central Committee revealed that the Morrison Committee had accepted a total of \$7,292.89 from the Central Committee toward retiring debts from the three separate elections (convention, primary, general) in the 1982 race for the Connecticut Third District House seat. The Central Committee did not at the time have multicandidate committee status, and so its contributions were subject to the \$1,000 per election contribution limit of 2 U.S.C. § 441a(a)(1)(A). Since a Committee under 2 U.S.C. § 441a(f) cannot knowingly accept contributions in excess of the limits of section 441a, the Commission found a violation of Section 441a(f) on the part of the Morrison Committee for accepting \$4,292.89 more than the limits allow.

The reply of the Morrison Committee admits to the violation and provides documentation of a refund made to the Central Committee on December 31, 1985. A cancelled check of the refund is included in the Morrison Committee's response to the interrogatories and request for documents. See Attachment 1, p. 8.

The receipt of the refund had formerly been reported on the Central Committee's 1985 Year-End Report. However, the Morrison Committee failed to record the making of the refund as a disbursement in any of its reports. The Act requires that a committee report as a disbursement all contribution refunds as an offset to contributions. 2 U.S.C. § 434(b)(4)(F). Therefore,

this Office recommends that the Commission find reason to believe that the Congressman Bruce A. Morrison Re-Election Committee and Eric Malchodi, as treasurer, violated 2 U.S.C. § 434(b)(4)(F).

IV. RECOMMENDATIONS

SUBJECT: MUR 2335

On April 19, 1988, the Commission found reason to believe that the Democratic State Central Committee/Federal Account (Connecticut) ("the Central Committee") and Maureen G. Satti, as treasurer, violated 2 U.S.C. §§ 434(b) and 441a(f) and that the Bruce A. Morrison Re-Election Committee ("the Morrison Committee") and Eric Malchodi, as treasurer, violated 2 U.S.C. §§ 434(b)(4)(F) and 441a(f). The Commission also found reason to believe that Jane Morrison violated 2 U.S.C. § 441a(a)(1)(A). The Commission declined to enter into conciliation prior to a finding of probable cause to believe with the Central Committee and the Morrison Committee.

The Commission directed the Office of the General Counsel to modify the Factual and Legal Analyses and circulate them for Commission approval by tally vote. Attached are the revised Factual and Legal Analyses, modified as directed by the Commission. The major revision is the addition of 2 U.S.C. § 441a(a)(8) and 11 C.F.R. § 110.6 as a support for the Section 441a(f) recommendations against the Central Committee and the Morrison Committee and the Section 441a(a)(1)(A) recommendation against Jane Morrison. Further, the Factual and Legal Analysis to the Central Committee has been revised to include a 2 U.S.C. § 434(b) recommendation rather than a 2 U.S.C. § 434(b)(4)(H)(iv) finding. All necessary changes to the letters to the respondents have been made. Only the letter to the Central Committee needed to be revised.

2104033433

Accordingly, this Office recommends that the Commission approve the attached Factual and Legal Analyses and Letter to respondent.

Mrs. Jane Morrison

Dear Mrs. Morrison:

On April 19, 1988, the Federal Election Commission found that there is reason to believe you violated 2 U.S.C. § 441a(a)(1)(A), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office, within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against you, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

An individual may make contributions to a candidate or his authorized campaign that do not exceed in the aggregate \$1,000 per election. 2 U.S.C. § 441a(a)(1)(A). Section 110.1(h) of the Commission's regulations provides that a person may contribute to a candidate's committee with respect to a particular election and to another committee which supports the same candidate in the same election as long as the other committee is not an authorized committee of that candidate or a single candidate committee; the contributor does not give with the knowledge that a substantial portion will be contributed to, or expended on behalf of, that candidate in the same election; and the contributor does not retain control over the funds. In addition, the Act and regulations provide that all contributions by a person made on behalf of or to a candidate, including contributions which are in any way earmarked or otherwise directed to the candidate through an intermediary or conduit, are contributions from the person to the candidate. 2 U.S.C. § 441a(a)(8) and 11 C.F.R. § 110.6(a).

A review of the reports of the Democratic State Central Committee/Federal Account (Connecticut) (the "Central Committee") and information provided by the Congressman Bruce A. Morrison Re-Election Committee (the "Morrison Committee") reveals that the candidate, Bruce Morrison, and his wife, Jane Morrison, made

contributions to the Central Committee in 1982 and 1983 that match in date and amounts the Central Committee's expenditures on behalf of Mr. Morrison. The chart on page two illustrates the relationship.

Morrison's Behalf*

<u>Date</u>	<u>Amount</u>
2/16/83	\$10,551.16
	<u>\$10,551.16</u>

*/ In 1982, the Central Committee had total receipts of \$37,187 and made total disbursements of \$37,187. At the end of 1982, it had cash on hand of \$0. Thus, the \$10,000 in loans by the Morrisons on February 16, 1983, plus a \$551.16 transfer from its non-Federal account that same day were the only funds available to the Central Committee's Federal account for which to make its February 16, 1983, \$10,551.16 expenditure on behalf of Morrison. That was also the only expenditure listed on the Central Committee's 1983 July 31 Mid-Year Report.

210403344

The correlations shown on the chart provide evidence indicating that Jane Morrison may have made contributions to the Central Committee in order for the Central Committee to make expenditures on behalf of Bruce Morrison. If so, Jane Morrison's contributions to the Central Committee would not appear to meet the criteria of Section 110.1(h) in that she gave these contributions to the Central Committee with the knowledge that all of them would be expended on behalf of Bruce Morrison. Further, Jane Morrison's gifts may have been earmarked or directed to the Morrison Committee pursuant to Section 110.6 using the Central Committee as a conduit. Consequently, it appears that her contributions totaling \$8,881.72 and expended with respect to the 1982 general election exceeded the \$1,000 limitation of 2 U.S.C. § 441a(a) (1) (A).

Therefore, there is reason to believe Jane Morrison violated 2 U.S.C. § 441a(a) (1) (A).

RE: MUR 2335

Malchodi, as treasurer

Dear Mr. Altman:

On September 16, 1987, you were notified that the Federal Election Commission found reason to believe that your clients violated 2 U.S.C. § 441a(f). On April 19, 1988, the Commission found that your clients violated 2 U.S.C. §§ 434(b)(4)(F) and 441a(f). The Factual and Legal Analysis which formed a basis for the Commission's new findings is attached for your information. On October 16, 1987, you submitted a request to enter into conciliation negotiations prior to a finding of probable cause to believe.

The Commission has reconsidered your request and determined to decline at this time to enter into conciliation prior to a finding of probable cause to believe to permit a response to the new findings. Such information should be submitted to the Office of the General Counsel within 15 days of receipt of this letter.

At such time when the investigation in this matter has been completed, the Commission will again reconsider your request to enter into conciliation prior to a finding of probable cause to believe.

If you have any questions please contact Michael Marinelli, the attorney assigned to this matter, at (202) 376-8200.

The Federal Election Campaign Act of 1971, as amended (the "Act"), requires that a political committee report as a disbursement in reports filed with the Commission all contribution refunds. 2 U.S.C. § 434(b)(4)(F). On December 20, 1985, the Congressman Bruce A. Morrison Re-Election Committee (the "Morrison Committee") made a refund of \$4,292.89 to the Democratic State Central Committee/Federal Account (Connecticut) (the "Central Committee"). However, the Morrison Committee has failed to report the making of the refund as a disbursement on any report filed with the Commission. Therefore, there is reason to believe the Congressman Bruce A. Morrison Re-Election Committee and Eric Malchodi, as treasurer, violated 2 U.S.C. § 434(b)(4)(F).

An individual may make contributions to a candidate or his authorized campaign that do not exceed in the aggregate \$1,000 per election. 2 U.S.C. § 441a(a)(1)(A). treasurer

Dear Mr. Ruggiero:

On September 18, 1987, you were notified that the Federal Election Commission found reason to believe that your clients, the Democratic State Central Committee/Federal Account and Maureen G. Satti, as treasurer, violated 2 U.S.C. §§ 441a(a)(1)(A), 441a(f) and 441b and 11 C.F.R. § 102.5(a) and your client, the Democratic State Central Committee, violated 2 U.S.C. § 441b and 11 C.F.R. § 102.5(a). On April 19, 1988, the Commission further found that your client, the Democratic State Central Committee/Federal Account and Maureen G. Satti, as treasurer, had violated 2 U.S.C. §§ 434(b) and 441a(f). The Factual and Legal Analysis which formed a basis for the Commission's new findings is attached for your information.

On September 28, 1987, you submitted a request to enter into conciliation negotiations prior to a finding of probable cause to believe. The Commission has reconsidered your request and determined to decline at this time to enter into conciliation prior to a finding of probable cause to believe to permit a response to the new findings. Such information should be submitted to the Office of the General Counsel within 15 days of receipt of this letter.

You are reminded that a full response to the September 18, 1987, interrogatories and request for documents has not yet been provided. In particular, it is necessary to provide documentation including, but not limited to, state election report filings for 1983 identifying the source of funds in the

The correlations shown on this chart provide evidence indicating that Jane Morrison may have made contributions to the Central Committee in order for the Central Committee to make coordinated party expenditures on behalf of Bruce Morrison. If so, Jane Morrison's contributions to the Central Committee would not appear to meet the criteria of Section 110.1(h) in that she gave these contributions to the Central Committee with the knowledge that all of them would be expended on behalf of Bruce Morrison. Re: MUR 2335

Dear Ms. Lerner:

On May 27, 1988, I received your May 24th letter regarding the above-entitled Matter Under Review ("Letter"). The purpose of this letter is to seek a clarification of that Letter's import and to confirm the current procedural posture of this Matter.

From all the attendant facts and circumstances -- the history of proceedings in this Matter, the memo attached to the Letter, and some of the contents of the Letter itself -- I have surmised that on April 19, 1988, the Commission found reason-to-believe that my clients in this Matter committed additional violations of the FECA other than those considered on September 16, 1987. However, there appear to be other, alternative interpretations of the Commission's April 19 action, since my clients were not notified of a reason-to-believe finding by the FEC's Chairman or Vice Chairman and

Lois G. Lerner, Esq.
June 9, 1988

since the Letter characterizes the Commission's April 19 finding differently.

Accordingly, I would appreciate it if you would confirm that the Commission's April 19 determination was a reason-to-believe finding. If so, I would appreciate notice by the FEC's Chairman or Vice Chairman, as 11 CFR §111.18(a) prescribes.

On the other hand, if I am mistaken as to the nature of the Commission's April 19 determination, I would appreciate your letting me know precisely what phase of compliance proceedings this Matter is in, so that I can make an appropriate and timely response on behalf of my clients to the substantive issues raised in the Letter.

Thank you very much for your cooperation.

Sincerely yours,

James M. Altman

Dear Mr. Altman:

I am in receipt of your letter concerning the notification of additional reason to believe findings in MUR 2335, sent to you on May 24, 1988.

It is Commission practice that where additional reason to believe findings are made with respect to a respondent, the notification letter is signed either by General Counsel or his designee. That procedure was followed in this case. I further note that the Commission separately approved the notification letter sent to you at the same time it made these additional findings.

Re: MUR 2335
Congressman Bruce A. Morrison
Re-Election Commission

Dear Mr. Marinelli:

Pursuant to our conversation of this afternoon, I am writing to advise you that our firm has been retained to represent Jane Morrison in the above-referenced MUR. Ms. Morrison's written designation of counsel was sent to the Federal Election Commission yesterday.

In addition, I am writing to request that Congressman Morrison's and the Morrison Re-Election Committee's time to respond to the FEC's most recent findings be extended to and including July 11, 1988, the date on which Ms. Morrison's response is now due, so that I can consolidate the responses of each of the respondents.

Thank you for your attention to this request.

Very truly yours,

Robin Roger

FEDERAL ELECTION COMMISSION

----- x

IN THE MATTER OF : MUR 2335

CONGRESSMAN BRUCE A. MORRISON :
RE-ELECTION COMMITTEE and
ERIC A. MALCHODI, AS TREASURER. :

----- x

The Congressman Bruce A. Morrison Re-Election Committee ("Morrison Committee") and Eric A. Malchodi, its treasurer ("Malchodi"), and Jane Morrison, all respondents in the above-entitled matter-under-review ("Respondents"), hereby submit their joint response to the Factual and Legal Analyses which formed the basis for the "reason to believe" findings made by the Federal Election Commission ("FEC") on April 19, 1988, which findings were communicated to Respondents by two letters dated May 24, 1988.¹

PRELIMINARY STATEMENT

The May 24 letter to Jane Morrison, with its accompanying Factual and Legal Analysis, alleged that she violated 2 U.S.C. § 441a(a)(1)(A) in 1982 and 1983, when she allegedly contributed more than \$1000 to the Morrison Committee

¹ This response addresses only the new findings made by the FEC at its April 19, 1988, meeting. It does not discuss the factual or legal issues regarding the FEC's September 18, 1987, reason-to-believe findings, which the Morrison Committee and Malchodi discussed in their November 30, 1987, Answers to Interrogatories and Request for Production of Documents.

21040333596

with respect to the 1982 general election. Stated more specifically, the FEC suggested that Jane Morrison had contributed more than \$1000 to the Democratic State Central Committee/Federal Account (Connecticut) ("Central Committee") with knowledge or an understanding that those contributions would be used to make expenditures on behalf of the Morrison Committee. Based on that view of the facts, the FEC found reason to believe that those contributions were "earmarked contributions" to the Morrison Committee in an amount greater than § 441a(a)(1)(A) permits.

The May 24 letter to the Morrison Committee simply alleged the correlative law violation: the Morrison Committee allegedly violated § 441a(f) by accepting Jane Morrison's excessive earmarked contributions in 1982 and 1983.

As demonstrated below, the facts pertinent to the violations alleged in the May 24 letters and their accompanying Factual and Legal Analyses demonstrate that Respondents did not violate the Federal Election Campaign Act of 1971, as amended ("FECA"). The contributions allegedly made by Jane Morrison to the Morrison Committee through the Central Committee in 1982 were made, in fact, by Bruce Morrison: they were made at the direction of Bruce Morrison, out of funds jointly owned by Bruce and Jane Morrison. Accordingly, those contributions were made by the candidate himself, who may contribute to his authorized campaign committee without limitation. Moreover, even if those 1982

contributions were made by Jane Morrison, she was entitled under the FECA to contribute \$3000 to the Morrison Committee during the 1982 election cycle. Therefore, those 1982 contributions exceeded the contribution limitations by less than \$1000.

The allegedly unlawful contribution of Jane Morrison in 1983 -- the \$5,000 loan to the Central Committee on February 16, 1983 -- was not an earmarked contribution made through the Central Committee to the Morrison Committee. That loan was, as a matter of fact, a lawful contribution to the Central Committee which was paid back to Jane Morrison by the Central Committee in 1985.

I. THE 1982 PAYMENTS TO THE CENTRAL COMMITTEE DID NOT VIOLATE THE FECA, BECAUSE THEY WERE CONTRIBUTIONS MADE BY BRUCE MORRISON TO HIS OWN AUTHORIZED CAMPAIGN COMMITTEE

In the Factual and Legal Analysis annexed to its May 24, 1988 letter to Jane Morrison, the FEC includes a chart illustrating a relationship between payments allegedly made by Jane Morrison in 1982 to the Central Committee and certain expenditures made by the Central Committee on behalf of the Morrison Committee. The FEC asserts that Jane Morrison "may have made" contributions to the Central Committee "in order for the Central Committee to make expenditures on behalf of Bruce Morrison." In doing so, the FEC charges, Jane Morrison indirectly contributed more than the allowed \$1000 per election to the Morrison Committee through earmarked contributions.

candidate or a candidate's authorized committee." 11 C.F.R. § 110.6(b). In the case of Jane Morrison's \$5000 loan to the Central Committee, there was no such designation, instruction or encumbrance.

The facts are as follows. On or about October 25, 1982, a Connecticut printing company called the Advocate Press performed certain printing services at the request of the Central Committee. Those services were for letters in which the Central Committee urged people to vote for Bruce Morrison in the upcoming general election. The Central Committee promised the Advocate Press to pay for its services and, upon completing its services, the Advocate Press billed the Central Committee \$10,551.16 for its work.

The Central Committee did not at any time prior to the performance of the work by the Advocate Press or the receipt of the Advocate Press' bill for its services seek a commitment from Bruce or Jane Morrison, nor did Bruce or Jane Morrison make a commitment to the Central Committee that they (i.e., the Morrisons) would pay for the services rendered by the Advocate Press. Similarly, at no time prior to the Advocate Press's performing its services or sending the Central Committee its bill did Bruce or Jane Morrison agree to reimburse the Central Committee for its payment of the Advocate Press' bill.

Thus, in late October 1982, by requesting the Advocate Press to perform those printing services benefiting the Morrison

Campaign and by obligating itself to pay for them, the Central Committee made an expenditure on behalf of the Morrison Committee. See 11 C.F.R. § 100.8(a)(2) ("agreement to make an expenditure is an expenditure as of the date such ... obligation is made").

Approximately four months after the Central Committee's expenditure on behalf of the Morrison campaign, the Advocate Press once again sought payment from the Central Committee of the outstanding bill for its October 1982 printing services. At that time, as noted by the FEC in its Factual and Legal Analysis, the Central Committee had no assets. It contacted Bruce and Jane Morrison about a loan of the money to pay the Advocate Press.

Although neither Bruce nor Jane Morrison previously had any agreement or understanding with the Central Committee that individually or collectively they would pay the Advocate Press' bill for its October 1982 services or help the Central Committee pay for those services, at that time Bruce and Jane Morrison entertained the Central Committee's request for a loan. The Morrisons were concerned with maintaining a good working relationship with the Advocate Press, with which Bruce planned to do business in the future, and they determined that it would be advisable for them to advance \$10,000 to the Central Committee so that the Central Committee could then pay the Advocate Press.³

³ Although the Advocate Press' bill was somewhat more than the \$10,000 loaned to the Central Committee by the Morrisons, the

It cannot be overstated that in February 1983 Jane Morrison had no obligation to pay the Advocate Press, nor to reimburse the Central Committee, since she had not (1) requested the services of the Advocate Press, (2) agreed to pay the Press for its services, nor (3) promised the Central Committee that she would reimburse it for the costs of the printing services it paid. Consequently, she was not using the Central Committee as a conduit for a contribution to the Morrison Committee, since the Central Committee already had made its expenditure on the Morrison Committee's behalf. Jane Morrison's \$5000 loan four months later played no role whatsoever in the Central Committee's expenditure on behalf of the Morrison Committee. Thus, the pertinent facts disclose no "designation, instruction or encumbrance" in connection with Jane Morrison's \$5000 contribution to the Central Committee.

Moreover, given these factual circumstances, an FEC determination that Jane Morrison's \$5000 loan to the Central Committee was an earmarked contribution to the Morrison Committee would conflict with the whole notion of an "earmarked contribu-

(footnote continued from previous page)

Morrison's viewed their loans to the Central Committee as contributions to the Central Committee, see 11 C.F.R. § 100.7(a)(1) ("contribution" includes a loan) which were limited by the FECA to \$5,000 per calendar year. See 11 C.F.R. § 110.1(d). The fact that Bruce and Jane Morrison each contributed only \$5,000 to the Central Committee, thereby observing the FECA's applicable limitation, demonstrates clearly that they intended to make contributions to the Central Committee, not earmarked contributions to the Morrison Committee.

tion." The purpose of the earmarked contribution rule is to prevent circumvention of the FECA's contribution limitations by use of a conduit: the contributor transfers money to a third party with the understanding (i.e., "designation, instruction or encumbrance") that it will be passed on in the future to the contributor's actually intended recipient. Under the FEC regulations, the contribution is deemed made to the ultimate recipient, rather than the conduit, precisely because of that advance understanding.

But there was no such advance understanding with respect to Jane Morrison's \$5000 loan. Her loan did not make possible the Advocate Press' printing services benefitting the Morrison Committee. Those services already had been performed; the Morrison Committee already had been benefitted; the Central Committee already had committed itself to paying the Advocate Press and, as a matter of law, that expenditure by the Central Committee already had been made. See 11 C.F.R. § 100.8(a)(2). Thus, the \$5000 loan was not a payment to a conduit which subsequently made possible an expenditure to the Morrison Committee.

Indeed, that Jane Morrison's loan was not a payment to a conduit as part of an earmarked contribution is corroborated by the fact that the Central Committee paid her back that loan in 1985.

In summary, Jane Morrison loaned \$5000 to the Central Committee on February 16, 1983 not on the basis of any advance arrangement between herself and the Central Committee as a means of circumventing the contribution limitations of 2 U.S.C. § 441(a). Rather, Jane Morrison agreed to loan the Central Committee approximately \$5,000 in order to help the Central Committee discharge its independently and previously incurred debt to the Advocate Press. Thus, her \$5,000 loan was a lawful contribution to the Central Committee, not an unlawful earmarked contribution to the Morrison Committee.

CONCLUSION

The 1982 payments to the Central Committee in the amount of \$3,881.72 which, in its Factual and Legal Analysis, the FEC considers to be earmarked contributions to the Morrison Committee by Jane Morrison were indeed earmarked contributions, but they were made by Bruce Morrison. His wife acted at his direction in signing checks from their joint checking account. Since Bruce Morrison was a candidate entitled to contribute unlimited amounts to his own authorized campaign committee, those payments to the Central Committee were not unlawful.

Moreover, even if those contributions were attributable to Jane Morrison, they would have exceeded the FECA's contribution limitations by only \$881.72.

Jane Morrison's \$5,000 loan to the Central Committee was not an earmarked contribution to the Morrison Committee. It was simply a lawful contribution to the Central Committee.

Thus, for all the reasons stated above, Respondents did not violate the FEC.

Re: MUR 2335
Congressman Bruce A. Morrison
Re-Election Committee and Jane Morrison

Dear Mr. Marinelli:

The purpose of this letter is to confirm our telephone conversation yesterday regarding the above-entitled matter under review.

My clients, the Congressman Bruce A. Morrison Re-Election Committee and its treasurer, Eric Malchodi, and Jane Morrison ("Respondents"), would like to attempt pre-probable cause conciliation regarding all of the Commission's "reason-to-believe" findings regarding them. They request such conciliation, but without in any way conceding the accuracy of the Commission's factual findings, its legal analysis, or its conclusions of law. Indeed, as I explained to you in our telephone conversation, the Respondents firmly believe, for the reasons set forth in their July 11 Response, that they have no liability whatsoever with respect to the Commission's April 19, 1988 findings, and the Morrison

Committee still believes, for the reasons set forth in its November 30, 1987 Answers to Interrogatories, that it has no liability with respect to the Commission's September 9, 1987 finding.

Thank you for your consideration. I hope we will be able to reach an agreement satisfactory to our respective clients in the near future.

SENSITIVE
EXECUTIVE SESSION
JAN 24 1989

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This Matter was generated from an audit of the Democratic State Central Committee, Connecticut (federal account) (the "Central Committee"). On September 9, 1987, the Commission made reason to believe findings against the Central Committee and the Morrison Committee. It found reason to believe that the Central Committee violated Section 441a(f) when it made an October 26, 1984, excessive expenditure on behalf of the Mondale campaign, Section 441a(a)(1)(A) when it made from September 19, 1983 through January 26, 1984, excessive contributions to the Morrison Committee, and Sections 441b and 102.5(a)(1)(i) when on January 8, 1984, the Central Committee transferred funds from its state account to its federal account that may have contained union contributions. Reason to believe findings were made against the Central Committee (non-federal account) regarding the Section 441b and Section 102.5 violations. The Commission found reason to believe that the Morrison Committee's acceptance of the excessive contributions made from September 19, 1983, through

2104033510

January 26, 1984, violated Section 441a(f).

On April 19, 1988, the Commission made additional reason to believe findings. The Commission found that the Central Committee and Maureen G. Satti, as treasurer, had committed the following violations of the Federal Campaign Act of 1971, as amended (the "Act"): the failure to properly report \$7,716.82 in coordinated expenditures made by the Central Committee on behalf of the Congressman Bruce A. Morrison Re-Election Committee (the "Morrison Committee") for the 1982 election, in violation of 2 U.S.C. § 434(b) and accepting excessive contributions totaling \$7,881.72 from Jane Morrison, Congressman Morrison's wife, to be used on behalf of the Morrison Committee for the 1982 campaign, in violation of 2 U.S.C. § 441a(f).

The Commission found reason to believe against the Morrison Committee for its receipt of the \$7,881.72 in excessive contributions from Jane Morrison, in violation of 2 U.S.C. § 441a(f) and the failure to properly report a \$4,292.89 refund to the Central Committee, in violation of 2 U.S.C. § 434(b)(4)(F). At that time, the Commission declined to enter into pre-probable cause conciliation with the Central Committee and the Morrison Committee until the Central Committee complied with the Commission's discovery request and the Morrison Committee had responded to the latest reason to believe findings made against it.

The Commission also found reason to believe that Jane Morrison had violated 2 U.S.C. § 441a(a)(1)(A) by making the \$ 7,881.72 excessive contributions to the Central Committee to be

2 1 1 4 0 3 3 5 1 1

used on behalf of the Morrison Committee.

After extensions were requested and granted to the Morrison Committee and Jane Morrison, this Office received a joint response on July 13, 1988, from these respondents. On July 5, 1988, this Office received the Central Committee's reply to the Commission's earlier request that the Central Committee provide information regarding the Central Committee's non-federal account at the time of the its Section 102.5 violation.

This Office received a request from the Morrison Committee and Jane Morrison on October 6, 1988, extending the Morrison Committee's conciliation request to the April 19, 1988, findings and requesting pre-probable cause conciliation on behalf of Jane Morrison. On November 16, 1988, in a letter, the Central Committee also asked to extend its conciliation request to cover the April 19, 1988, findings.

II. ANALYSIS

A. Response by the Central Committee

The Central Committee has provided copies of its reports filed with the Office of the Secretary of State of Connecticut, for the period from January 1, 1983, to March 3, 1984. These reports provide some information regarding whether moneys from union treasuries were included in the January 8, 1984, transfer of \$5,000 from the Central Committee's non-federal account to its federal account.

The state reports covering 1983 indicate that out of the total receipts of \$625,093.31, the state committee's non-federal account had \$4,750 in receipts that came from sources which can

01J40333612

be identified as union organizations. In the state reporting period in which the January 8, 1984 transfer occurred, January 1, 1984, to March 3, 1984, there were \$2,125 in union contributions among receipts that totaled \$152,748.58. The Connecticut state reporting system does not require that a reporting committee provide the date a particular contribution was received. This renders it difficult without an audit of the Central Committee's non-federal account to determine precisely if the January 8, 1984 transfer contained any of the union contributions. The reports show transfers from other local candidate PACs that may have themselves received union treasuries contributions. These transfers total \$34,686 in 1983 and \$100 for the 1st reporting quarter in 1984. Although, the reports indicate that the amount of union contributions was small when compared to the total volume of the state account, there still appears to have been a violation.

Therefore, this Office recommends that the Commission approve the request of the Democratic State Central Committee, Connecticut (federal and non-federal accounts) to enter into conciliation prior to a finding of probable cause to believe.

B. Response by the Morrison Committee and Jane Morrison and the application of the earmarking provisions of the Act to coordinated party expenditures

1. Position taken by Respondents

The response submitted on behalf of the Morrison Committee and Jane Morrison responds to the finding made by the Commission that the \$8,881.72 in contributions made by Jane Morrison to the Central Committee from October 18, 1982, to February 16, 1983,

and expended on behalf of the Morrison Committee for 1982 general election exceeded Jane Morrison's \$1,000 contribution limit. The Commission made its finding because correlations between the timing and amounts of the contributions and expenditures made by the Central Committee on behalf of the Morrison campaign indicated that Jane Morrison made these contributions with the knowledge and intent that her gifts would be expended on behalf of her husband's campaign. The Commission further concluded that her gifts may have been earmarked or directed to the Morrison campaign pursuant to section 110.6 using the Central Committee as a conduit. These contributions consisted of a total of \$3,881.72 in gifts reported on the Central Committee's 1982 30-Day Post General Election Report and a \$5,000 loan made by Jane Morrison reported on the Central Committee's 1983 Mid-Year Report. See General Counsel's Report in MUR 2335 signed April 8, 1988.

In their reply, respondents admit that Jane Morrison made the \$3,881.72 in contributions listed in the Central Committee's 30-Day Post General Election Report with the knowledge that these gifts would be used to benefit her husband's campaign. However, respondents argue that these gifts drawn on the Morrisons' joint bank account were actually gifts from the candidate to the Central Committee made at Bruce A. Morrison's direction. Even though the checks were written in Jane Morrison's name, it was for convenience sake that Jane Morrison signed the checks rather

1 0 4 0 3 3 3 5 1 4

than her husband.¹

In the alternative, respondents argue that even if these gifts are considered contributions from Jane Morrison rather than the candidate, Jane Morrison could contribute a maximum of \$3,000 on the three distinct elections (convention, primary and general) that marked her husband's 1982 Congressional bid. Therefore, the excessive portion as regards these gifts should be viewed as only \$881.72.

As for the \$5,000 loan, respondents argue that there is no earmarking relationship between the loan and the expenditure on Bruce A. Morrison's behalf to which the funds from the loan were used. Respondents claim that the expenditure was the payment of a debt owed by the Central Committee to Advocate Press for printing services done on behalf of Morrison's campaign in the 1982 general election. Respondents note the order for the services was placed on or about October 25, 1982. Respondents deny that there was any agreement made before the obligation was incurred that the Morrisons would pay the debt.

2. The issue of the Central Committee's coordinated party expenditures on behalf of the Morrison Committee

In the September 18, 1987 interrogatories and request for documents, the Morrison Committee had been asked to identify all coordinated party expenditure's made on its behalf by the Central Committee for the 1982 election cycle. In its December 4, 1987

1. Besides the \$8,881.72 in contributions made by Jane Morrison, the Central Committee received \$8,736.48 in contributions made by Bruce A. Morrison. These contributions were made during the same period that Jane Morrison made her contributions and they also match in time and amount expenditures made by the Central Committee on behalf of the 1982 Morrison campaign.

9104033515

response to the interrogatories, the Morrison Committee lists as coordinated party expenditures, some expenditures that were entirely funded by Jane Morrison's earmarked contributions. The Central Committee's 1983 Mid-Year report lists \$5,000 of Jane Morrison's earmarked contributions as coordinated party expenditures when they were passed on the Morrison Committee. The remaining \$3,881.72 in earmarked contributions were reported as ordinary operating expenses the Central Committees 1982 30-Day Post General Election Report.

A threshold question is whether it is permissible for an individual to contribute to a state party Committee in excess of what he or she could give to an individual candidate and earmark or designate those contributions to that candidate, avoiding the limitations of the act by having the earmarked contributions characterized as coordinated party expenditures spent on behalf of the candidate. When the Commission accepted the recommendations made by this Office in the General Counsel's Report in MUR 2335 signed April 8, 1988, the Commission accepted the possibility that the earmarking provisions applied in this situation.

The response prepared by the Morrison Committee and Jane Morrison strongly suggests that Jane Morrison, the candidate's wife, directed her contributions to the Central Committee to assist her husband's campaign. The candidate, himself, did the same. When the Committee passed on the contributions to the Morrison Committee, an attempt was made to evade Mrs. Morrison's limitations under the 2 U.S.C. 441a(a)(1) by styling her

contributions to the Morrison campaign as coordinated party expenditures. Whatever the label chosen by the respondents, this Office feels that because of the circumstances of this case, it more appropriate throughout the analysis to regard the Mrs. Morrison gifts as contributions passed on to the Morrison Campaign by the Central Committee rather than coordinated party expenditures made by the Central Committee to the Morrison Committee.²

The Commission has dealt with these circumstances in only two previous matters. In MUR 377, the Commission considered a situation where contributions to a state party committee were solicited and made for the purpose of the state party committee's paying a portion of the candidate's debts by characterizing the contributions as coordinated party expenditures when used on behalf of the candidate. Accepting the earmarking analysis used by this Office, the Commission found reason to believe that the candidate committee and the state party committee had each violated 2 U.S.C. § 441a(f). After an investigation, the Commission accepted this Office's recommendation that there was no reasonable cause to believe a violation of Section 441a(f) occurred. See MUR 377. However, in MUR 752 when a state party committee solicited contributions to pay for a candidate debt and tried to pass them on to the candidate committee by claiming they

2. Therefore, the proposed conciliation agreement with the Central Committee includes an admission of a violation 2 U.S.C. § 441a(a)(8), the provision of the Act dealing with the reporting of earmarked contributions, rather 2 U.S.C. § 434(b)(4)(H)(iv), the provision of the Act dealing with the reporting of coordinated party expenditures.

were coordinated party expenditures on behalf of that candidate, the Commission found that the state party committee had violated Section 441a(a)(8) by failing to report the expenditures as earmarked contributions. See MUR 752.

3. Application of 11 C.F.R § 110.1(h)

In addition to the earmarking provisions of the Act, the April 19, 1988 Section 441a(f) finding was also based on Section 110.1(h) in that it was possible that Jane Morrison made and the Central Committee accepted contributions Jane Morrison knew would be used to assist the Morrison campaign.

Section 110.1(h) has never been applied to circumstances similar to these. The Commission has previously applied Section 110.1(h) in the case of contributions to a candidate's committee and contributions to a multicandidate political committee for its independent expenditure project on behalf of the candidate. See Advisory Opinion 1984-2. In the related enforcement matter, however, this Office and the Commission did not address the application of Section 110.1(h) to either the contributors or the multicandidate political committee. See MUR 1603. Furthermore, the Commission has not previously specifically extended the application of Section 110.1(h) to state party committees claiming to make coordinated expenditures.

After examining the above factors, this Office concludes that it would be a more direct approach to apply the earmarking provisions of the Act in the analysis of Jane Morrison's contributions rather than 11 C.F.R. § 110.1(h).

21540333518

4. Application of the earmarking provisions of the Act to the present situation.

In noting respondents' arguments regarding the \$3,881.72 contributions, this Office observes that under 11 C.F.R. § 104.8, absent evidence to the contrary, any contribution made by check or written instrument shall be reported as contribution by the last person signing the instrument prior to delivery to the candidate or committee. The Central Committee reported the contributions in question as having been made by Jane Morrison. Other than the bare assertions in the response, there is no evidence contemporaneous with the contributions indicating that these contributions were, in fact, made by Bruce A. Morrison and that Jane Morrison signed the checks on his behalf.

In addition, the \$3,881.72 contributions made by Jane Morrison should be counted toward the 1982 general election. They were listed in the Central Committee's 30-Day Report as having been made for the General Election. In its November 30, 1987 response to the Commission's interrogatories, the Morrison Committee identified the \$3,882.62 in expenditures which Jane Morrison's contributions made possible as coordinated party expenditures by the Central Committee. Coordinated party expenditures can only be made in connection with the general election.

Respondents assert that there was no prior agreement that the Morrisons would provide the funds for the work ordered from the Advocate Press. The services provided by the Advocate Press were apparently part of the coordinated party expenditures made to assist Congressman Morrison in his first bid for office. This

21040833519

Office notes that the period in which the order for printing services was placed, "on or about October 25, 1982", was the same period that the Central Committee was making the other expenditures for the Morrison campaign. These other expenditures for which there was an understanding that there would be compensation, were listed on the Central Committee's Reports as going toward mailing and postage services. Presumably, the printing services and mailing services were linked. Therefore, respondents are claiming that while the Morrisons knew of the effort being made on behalf of the Congressional campaign, they choose to make an agreement to provide the funds only for part of these services, and only months later agreed to provide the funds for all of it.

The Commission has found that earmarking provisions of the act are applicable where individuals have contributed to a state party committee knowing that the state party would use those contributions to pay for that candidate's committee's debt. See MURs 377 and 752. The Commission made its finding even though the debts were incurred before the earmarked contributions were made. Therefore, if the printing services done to benefit the Morrison Committee had been paid for by the Morrison Committee itself at the onset and the corresponding debt paid for the Central Committee, past analyses would have found the earmarking provision applicable. The result should be no different if the original debt was incurred by the Central Committee rather than the Morrison Committee, since the Morrison committee in either case benefited from the transaction latter paid for by Jane

21040333620

Morrison's contributions.

In conclusion, this Office regards the \$8,881.72 in contributions made by Jane Morrison as earmarked contributions passed on to the Morrison Campaign rather than as coordinated party expenditures spent by the Central Committee on behalf of the Morrison Committee. This Office regards the limit to be applied to these gifts to be the \$1,000 limit available to Jane Morrison for contributions to her husband's general election campaign. Further, this Office includes in the amount of earmarked contributions the \$5,000 loan made by Jane Morrison to the Central Committee.

Therefore, ~~because~~ this Office recommends that the Commission approve the request of Jane Morrison and the Congressman Bruce A. Morrison Re-Election Committee to enter into conciliation prior to a finding of probable cause to believe.

SENSITIVE

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This Matter was generated from an audit of the Democratic State Central Committee, Connecticut (federal account) (the "Central Committee"). On September 9, 1987, the Commission made reason to believe findings against the Central Committee and the Morrison Committee. It found reason to believe that the Central Committee violated 2 U.S.C. § 441a(f) when it made an October 26, 1984, excessive expenditure on behalf of the Mondale campaign, 2 U.S.C. § 441a(a)(1)(A) when it made from September 19, 1983 through January 26, 1984, excessive contributions totaling \$4,292.89 to the Morrison Committee, and 2 U.S.C. § 441b and 11 U.S.C. § 102.5(a)(1)(i) when on January 8, 1984, the Central Committee transferred funds from its state account to its federal account that may have contained union contributions. Reason to believe findings were made against the Central Committee (non-federal account) regarding the 2 U.S.C. § 441b and 11 U.S.C. § 102.5 violations. The Commission found reason to believe that the Morrison Committee's acceptance of the excessive

91040833657

contributions made from September 19, 1983, through January 26, 1984, violated 2 U.S.C. § 441a(f).

On April 19, 1988, the Commission made additional reason to believe findings. The Commission found that the Central Committee and Maureen G. Satti, as treasurer, had committed the following violations: failure to properly report \$7,716.82 in coordinated expenditures made by the Central Committee on behalf of the Congressman Bruce A. Morrison Re-Election Committee (the "Morrison Committee") for the 1982 election, in violation of 2 U.S.C. § 434(b), and acceptance of excessive contributions totaling \$7,881.72 from Jane Morrison, Congressman Morrison's wife, to be used on behalf of the Morrison Committee for the 1982 campaign, in violation of 2 U.S.C. § 441a(f).

The Commission found reason to believe that the Morrison Committee received the \$7,881.72 in excessive contributions from Jane Morrison in violation of 2 U.S.C. § 441a(f) and, that it failed to properly report a \$4,292.89 refund to the Central Committee in violation of 2 U.S.C. § 434(b)(4)(F). The Commission also found reason to believe that Jane Morrison had violated 2 U.S.C. § 441a(a)(1)(A) by making the \$7,881.72 in excessive contributions to the Central Committee to be used on behalf of the Morrison Committee.

Following an investigation into the violations, on January 24, 1989 the Commission approved respondents' earlier requests to enter into pre-probable cause conciliation. Conciliation agreements were mailed to the Central Committee, the Morrison Committee and Jane Morrison on February 3, 1989. The

2104033658

conciliation agreement sent to the Central Committee contained a \$5,000 civil penalty.

II. ANALYSIS

A. Response by the Central Committee

The Central Committee contacted staff from this Office on March 8, 1989, and stated that the Committee would accept the conciliation agreement without changes. However, the Central Committee requested information as to the proper way to complete paragraph VI.2. of the agreement requiring it to amend its reports to include the earmarked contribution from Jane Morrison. After discussion with RAD, staff from this Office conveyed the requested information to the Central Committee in a March 13, 1989 phone conversation.

On April 6, 1989, this Office received a signed conciliation agreement from the Central Committee. The Central Committee's amended reports were received on April 10, 1989.

The Office of the General Counsel recommends that the Commission accept the conciliation agreement signed by the Central Committee. There are no changes from the agreement approved by the Commission on January 24, 1989. An examination of the Central Committee's amended 1982 30-Day Post General Election and 1983 Mid-Year Reports indicate that the Central Committee has followed procedures set out by RAD regarding the reporting of the earmarked contributions. A check for the \$5,000

210403559

civil penalty has been received.

BEFORE THE FEDERAL ELECTION COMMISSION

In the Matter of)
Jane Morrison) MUR 2335

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission ("Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found reason to believe that Jane Morrison ("Respondent") violated 2 U.S.C. § 441a(a)(1)(A).

NOW, THEREFORE, the Commission and the respondent, having participated in informal methods of conciliation, prior to a finding of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondent and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C. § 437g(a)(4)(A)(i).

II. Respondent has had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondent enters voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

1. Jane Morrison is an person within the definition of 2 U.S.C. § 431(11). The Democratic State Central Committee, Connecticut is a political committee within the meaning of 2 U.S.C. § 431(4). The Congressman Bruce A. Morrison Re-Election

2104033684

Committee is a political committee within the meaning of 2 U.S.C. § 431(4) and the principal campaign committee of Congressman Bruce A. Morrison.

2. Pursuant to 2 U.S.C. § 441a(a)(1)(A), no person shall make contributions to any candidate or his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$1,000 with respect to a federal election. Therefore, Jane Morrison could have contributed a maximum of \$1,000 to Congressman Bruce Morrison's general election campaign.

3. Pursuant to 11 C.F.R. § 110.1(a)(2) which was in force in 1982-83, a contribution was to be considered as made for the election for which it was designated. In the case of a contribution not designated in writing for a particular election, it was to be considered as made for the general election if the contribution was made after the date of the primary election.

4. Pursuant to 2 U.S.C. § 441a(a)(8), all contributions made by a person, either directly or indirectly, on behalf of a particular candidate, including contributions which are in any way earmarked or otherwise directed through an intermediary or conduit to such candidate, shall be treated as contributions from such persons to such candidate. Pursuant to 2 U.S.C. § 431(8)(A)(i), the term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing a federal election.

21 J 40 3 3 5 3 5

5. The Democratic Congressional Primary in Connecticut was held on September 7, 1982. From October 18, 1982 to February 16, 1983, Jane Morrison made a total of \$8,881.72 in contributions, including a February 16, 1983 \$5,000 loan, to the Democratic State Central Committee, Connecticut with the understanding that they would be used to pay for activity supporting the Congressman Bruce A. Morrison Re-Election Committee in the 1982 general election campaign. The Democratic State Central Committee, Connecticut's 1985 Year End Report indicates that the \$5,000 loan was repaid to Jane Morrison on December 23, 1985.

6. In its 1982 30-Day Post General Election Report, the Democratic State Central Committee, Connecticut reported as designated for the 1982 general election, \$3,881.72 of the \$8,881.72 in contributions made by Jane Morrison. The February 16, 1983 \$5,000 loan made by Jane Morrison to assist the Morrison campaign was reported by the Democratic State Central Committee, Connecticut in its 1983 Mid-Year Report without a designation.

V. 1. Respondent made contributions totaling \$8,881.72 which were earmarked to pay for activity supporting the Congressman Bruce A. Morrison Re-Election Committee in the 1982 general election campaign and which were \$7,881.72 in excess of the \$1,000 contribution limitation available to Respondent for the general election, in violation of 2 U.S.C. § 441a(a)(1)(A).

VI. Respondent will pay a civil penalty to the Federal Election Commission in the amount of one thousand dollars

21040335536

(\$1,000), pursuant to 2 U.S.C. § 437g(a)(5)(A).

VII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

VIII. This agreement shall become effective as of the date that all parties hereto executed same and the Commission has approved the entire agreement.

IX. Respondent shall have no more than 30 days from the date this agreement becomes effective to comply with and implement the requirement contained in this agreement and to so notify the Commission.

X. This Conciliation Agreement constitutes the entire agreement between the parties on the matters raised herein, and no other statement, promise, or agreement, either written or

oral, made by either party or by agents of either party, that is not contained in this written agreement shall be enforceable.

RE: MUR 2335
Congressman Bruce A. Morrison
Re-Election Committee, and
Eric Malchodi, as treasurer

Dear Mr. Altman:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, and information supplied by your clients, Congressman Bruce A. Morrison Re-Election Committee, and Eric Malchodi, as treasurer, on September 9, 1987, the Federal Election Commission found reason to believe that your clients violated 2 U.S.C. § 441a(f) and instituted an investigation in this matter. On April 19, 1988, the Commission made additional reason to believe findings that your clients had violated 2 U.S.C. §§ 434(b)(4)(F) and 441a(f).

After considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe that violations have occurred.

The Commission may or may not approve the General Counsel's recommendation. Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within 15 days of your receipt of this notice, you may file with the Secretary of the Commission a brief (ten copies if possible) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of the General Counsel, if possible.) The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of whether there is probable cause to believe a violation has occurred.

21040333624

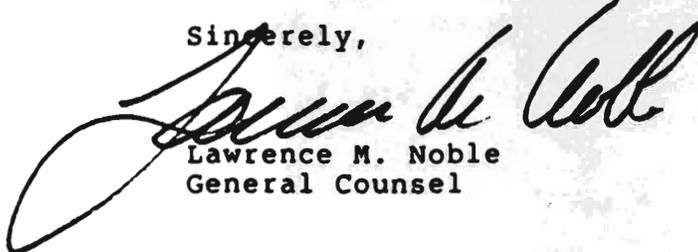

James Altman, Esquire

If you are unable to file a responsive brief within 15 days, you may submit a written request for an extension of time. All requests for extensions of time must be submitted in writing five days prior to the due date, and good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

A finding of probable cause to believe requires that the Office of the General Counsel attempt for a period of not less than 30, but not more than 90 days, to settle this matter through a conciliation agreement.

Should you have any questions, please contact Michael Marinelli, the attorney assigned to this matter, at (202) 376-8200.

Congressman Bruce A. Morrison)

GENERAL COUNSEL'S BRIEF

I. STATEMENT OF THE FACTS

A. Contributions received from the Democratic State Central Committee of Connecticut

The Congressman Bruce A. Morrison Re-Election Committee (the "Morrison Committee") is the principal campaign committee of Congressman Bruce A. Morrison and is the successor committee to the Bruce Morrison for Congress Committee. Congressman Morrison has represented the Third Congressional District of Connecticut since 1983.

In 1982, during the first Morrison campaign, Congressman Morrison was a candidate in three separate elections: the 1982 Democratic Convention, the 1982 Primary Election and the 1982 General Election. From September 19, 1983 through January 26, 1984, the Democratic State Central Committee (the "Central Committee") made a total of \$7,292.89 in in-kind contributions to the Morrison Committee which were used toward the payment of debts arising out of these three elections.^{1/}

^{1/} According to information provided by the Central Committee, these in-kind contributions were designated as follows among the three 1982 elections in which Congressman Bruce Morrison was a candidate:

1982 Convention	\$2,657.05
1982 Primary Election	3,165.22
1982 General Election	1,437.42
	<u>\$7,259.69</u>

91040833596

On December 20, 1985, the Congressman Bruce A. Morrison Re-Election Committee refunded \$4,292.89 of the \$7,292.89 in in-kind contributions given by the Central Committee. However, the Morrison Committee has not reported the making of the refund as a disbursement on any report filed with the Commission.

B. Contributions received from Jane Morrison

1. Correlation between Contributions and Expenditures

Information provided by the Central Committee and the Morrison Committee reveals that the candidate, Bruce Morrison, and his wife, Jane Morrison, made contributions to the Central Committee in 1982 and 1983 that match in date and amounts Central Committee expenditures on behalf of Mr. Morrison made between October 18, 1982 and February 16, 1983. The Chart below illustrates the relationship:

1982 Morrison Contributions		Expenditures made on	
<u>Bruce Morrison</u>		Bruce Morrison's Behalf	
<u>Date</u>	<u>Amount</u>	<u>Date</u>	<u>Amount</u>
10/21/82	\$3,736.48	10/25/82	\$3,376.00
		10/25/82	200.00
		10/26/82	158.20
	<u>\$3,736.48</u>		<u>\$3,734.20</u>

(Footnote 1 continued from previous page)

While both the Central Committee and the Morrison Committee admit the 1982 in-kind contributions totaled \$7,292.89, the Central Committee reported the allocation of only \$166.80 of a \$200 disbursement.

2/16/83	\$5,000 ^{4/}		
	<u>\$10,000</u>		<u>\$10,551.16</u>

2. Contributions totaling \$3,881.72 made by Jane Morrison to the Central Committee

According to information provided by the Morrison Committee, in the fall of 1982 the Central Committee approached Bruce Morrison for funds which it wanted to use to pay suppliers for certain services it wanted to procure for his campaign's benefit. The candidate then wrote out "a check" for the \$3,736.48 cited above and contributed it to the Central Committee. Jane Morrison

^{2/} In 1982, the Central Committee had total receipts of \$37,187 and made total disbursements of \$37,187. At the end of 1982, it had cash on hand of \$0. Thus, the \$10,000 in combined loans made by the Morrisons on February 16, 1983, plus a \$551.16 transfer from its non-Federal account that same day, were the only funds available to the Central Committee's Federal account from which to make its February 16, 1983, \$10,551.16 in expenditures on behalf of Bruce Morrison. This was also the only expenditure listed on the Central Committee's 1983 July 31 Mid-Year Report.

^{3/} This is reported by the Central Committee as a loan by Bruce Morrison to the Central Committee.

^{4/} This is reported by the Central Committee as a loan from Jane Morrison to the Central Committee.

21040833528

also wrote out "a check" in the amount of \$3,881.72 and likewise contributed it to the Central Committee.^{5/}

3. Loan of \$5,000 made by Jane Morrison to the Central Committee

Further, according to the Morrison Committee, in the fall of 1982 the Central Committee hired Advocate Press to provide printing services which consisted of the production of letters urging people to vote for Bruce Morrison in the upcoming general election. Four months later, in February 1983, when the bill became due, the Central Committee requested Mr. Morrison to pay Advocate Press through a loan to the Central Committee. Jane Morrison and Congressman Morrison each made a \$5,000 loan to the Central Committee.^{6/}

On September 9, 1987, the Commission found reason to believe that the Morrison Committee's acceptance of the excessive contributions made by the Central Committee between September 19, 1983 and January 26, 1984, violated Section 441a(f). On April 19, 1988, the Commission made additional reason to believe findings that the Morrison Committee and Eric Malchodi, as treasurer, had violated 2 U.S.C. § 441a(f) as a result of its receipt of the \$7,881.72 in excessive contributions made by Jane

^{5/} Although the Morrison Committee states that the contributions to the Central Committee payments were made through a single check, as the above chart indicates the Central Committee reported receiving the \$3,881.72 in a series of five contributions made in October 1982.

^{6/} Respondents claim that there was no understanding prior to the work being done by Advocate Press that the Morrisons would compensate the Central Committee for work done.

Morrison to the Central Committee in 1982 and 1983 for use in the Morrison campaign. The Commission also found reason to believe that the Morrison Committee and its treasurer violated 2 U.S.C. § 434(b)(4)(F) when it failed to properly report its \$4,292.89 refund to the Central Committee.

II. ANALYSIS

A. The Law

The Federal Election Campaign Act of 1971, as amended (the "Act"), provides that no person shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$1,000. 2 U.S.C. § 441a(a)(1)(A). The Act defines "person" to include any committee, organization, or group of persons. 2 U.S.C. § 431(11). The Act further provides that no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$5,000. 2 U.S.C. § 441a(a)(2)(A). The Act defines "multicandidate political committee" to mean a political committee which has been registered under Section 433 of Title 2 "for a period not less than 6 months, which has received contributions from more than 50 persons, and except for any State political party organization, has made contributions to 5 or more candidates for Federal office." 2 U.S.C. § 441a(a)(4).

21040833700

The Act also provides that no candidate or political committee shall knowingly accept contributions in excess of the limitations of Section 441a. 2 U.S.C. § 441a(f). In addition, the Act and regulations provide that all contributions made by a person on behalf of or to a candidate, including contributions which are in any way earmarked or otherwise directed to the candidate through an intermediary or conduit, are contributions from the person to the candidate. 2 U.S.C. § 441a(a)(8) and 11 C.F.R. § 110.6(a).

Under 11 C.F.R. § 110.1(a)(2) in force in 1982-83, a contribution was to be considered as made for the election for which it was designated. In the case of a contribution not designated in writing for a particular election, it was to be considered as made for the general election if the contribution is made after the date of the primary election.

A political committee must report as disbursements all contribution refunds made. 2 U.S.C. § 434(b)(4)(F).

B. Application of Law to the Facts

1. Excessive Contributions accepted from the Central Committee

The Central Committee registered with the Commission on May 18, 1983. The Commission's Reports Analysis Division established the date of the Committee's qualification as a multicandidate political committee as October 17, 1984. An audit of the Central Committee determined from a review of its reports that it had not received contributions from more than 50 persons at the time it made the in-kind contributions in 1983-84 to Bruce

21040833701

Morrison. Thus, the Central Committee was not qualified as a multicandidate political committee at the time it made the \$7,292.89 in contributions in 1983-84 and, thus, was subject to the \$1,000 per election limitation at 2 U.S.C. § 441a(a)(1)(A).

The Morrison Committee could have accepted a total of \$3,000 from the Central Committee with respect to the three 1982 elections.^{7/} The \$7,292.89 in reported contributions was \$4,292.89 in excess of the limitation, and the acceptance of these excessive in-kind contributions was a violation of 2 U.S.C. § 441a(f). The Central Committee has subsequently reported receipt of a refund on December 31, 1985, of \$4,292.89 from the Morrison Committee and the Morrison Committee has provided documentation of the refund. However, the Morrison Committee failed to record the making of the refund as a disbursement in any of its reports in violation of 2 U.S.C. § 434(b)(4)(F).

2. Excessive contributions accepted from Jane Morrison

a. First \$3,881.72 in contributions made by Jane Morrison

The Morrison Committee and its treasurer admit that Jane Morrison made the \$3,881.72 in contributions listed in the

^{7/} Besides the primary and general election, the convention would also be considered an election for the purposes of the Act since the Commission has previously determined that the party convention in Connecticut qualifies as an election under the Act. See Advisory Opinion 1976-58.

91040335702

Central Committee's 1982 30-Day Post General Election Report with the knowledge that these gifts would be used to benefit her husband's campaign. However, these respondents argue that these gifts, drawn on the Morrisons' joint bank account, were actually gifts from the candidate to the Central Committee made at Bruce A. Morrison's direction. Even though the checks were written in Jane Morrison's name, it was assertedly for convenience sake that Jane Morrison signed the checks rather than her husband.

In the alternative, respondents argue that even if these gifts are considered contributions from Jane Morrison rather than the candidate, Jane Morrison could have contributed a maximum of \$3,000 for the three distinct elections (convention, primary and general) that marked her husband's 1982 Congressional bid. Therefore, the excessive portion as regards these gifts should be viewed as only \$881.72.

With regard to respondents' first arguments regarding the \$3,881.72 in contributions, pursuant to 11 C.F.R. § 104.8, absent evidence to the contrary, any contribution made by check or written instrument shall be reported as a contribution by the last person signing the instrument prior to delivery to the candidate or committee. The Central Committee reported the contributions in question as having been made by Jane Morrison. Other than the bare assertions in the response, there is no evidence contemporaneous with the contributions indicating that these contributions were, in fact, made by Bruce A. Morrison and that Jane Morrison signed the checks on his behalf.

21040333703

As to the argument that these contributions should be divided among the three elections, this Office believes that, on the contrary, the \$3,881.72 should be counted toward the 1982 general election. These contributions were listed in the Central Committee's 30-Day Report as having been made for the General Election. In its November 30, 1987 response to the Commission's interrogatories, the Morrison Committee identified the \$3,882.62 in expenditures which Jane Morrison's contributions made possible as coordinated party expenditures by the Central Committee. Coordinated party expenditures can only be made in connection with the general election.

b. Loan made by Jane Morrison to the Central Committee

As for the \$5,000 loan on February 16, 1983, respondents argue that there was no earmarked relationship between the loan and the expenditure on Bruce A. Morrison's behalf to which the funds from the loan were applied. Respondents claim that the expenditure was the payment of a debt owed by the Central Committee to Advocate Press for printing services done on behalf of Morrison's campaign during the 1982 general election. Respondents note that the order for the services was placed on or about October 25, 1982. Respondents deny that there was any agreement made before the obligation was incurred that the Morrisons would pay the debt.

The services provided by the Advocate Press were apparently one of several varieties of services contracted for by the Central Committee to assist Congressman Morrison in his first bid

2104033704

for office, but actually paid for by the Congressman and his wife. This Office notes that the period in which the order for printing services was placed, "on or about October 25, 1982," was the same period that the Central Committee was making the other expenditures for the Morrison campaign listed above. These other expenditures, for which there was an understanding that there would be reimbursement by the Morrisons, were listed on the Central Committee's Reports as going toward mailing and postage services. Presumably, the printing services and mailing services were linked. Respondents claim that while the Morrisons knew of the effort being made on behalf of the Congressional campaign, they initially agreed to provide funds only for part of these services, and only months later agreed to provide funds for the entire amount involved.

This Office notes that the Commission has found that the earmarking provisions of the Act are applicable where individuals have contributed to a state party committee knowing that the state party will use those contributions to pay for a candidate committee's debt. See MURs 377 and 752. The Commission has found earmarking even though the debts were incurred before the earmarked contributions were made. Therefore, if the obligation for printing services purchased to benefit the Morrison Committee had been incurred by the Morrison Committee itself at the outset, and the corresponding debt paid by the Central Committee using Jane Morrison's contribution, the earmarking provision would be applicable. The result should be no different when the original

2104033705

debt was incurred by the Central Committee rather than the Morrison Committee, since the Morrison Committee benefited from the transactions later paid for with Jane Morrison's contributions. Respondent's claim that there was no prior agreement before the obligation was incurred that the Morrises would pay the Central Committee's debt is legally irrelevant. The important fact is that, at the time the Morrises made their loans to the Central Committee, these loans were intended to pay a debt related to activities undertaken to further the Morrison campaign.

In conclusion, this Office regards the \$8,881.72 in contributions made by Jane Morrison to the Central Committee, including the \$5,000 loan, as earmarked contributions to the Morrison campaign rather than as coordinated party expenditures made by the Central Committee on behalf of the Morrison Committee. Therefore, the limitation to be applied to these gifts is the \$1,000 limit available to Jane Morrison for contributions to her husband's general election campaign.

Since Jane Morrison's contributions, totaling \$8,881.72 and expended with respect to the 1982 general election, exceeded the \$1,000 limitation of 2 U.S.C. § 441a(a)(1)(A), the Morrison Committee knowingly accepted contributions from Jane Morrison in excess of the limitation at 2 U.S.C. § 441a(a)(1)(A), in violation of 2 U.S.C. § 441a(f).

11040333706

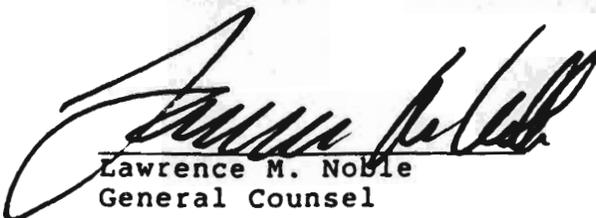

Therefore, the Office of the General Counsel recommends that the Commission find probable cause to believe that the Congressman Bruce A. Morrison Re-Election Committee and Eric Malchodi, as treasurer, violated 2 U.S.C. §§ 441a(f) and 434(b)(4)(F).

III. GENERAL COUNSEL'S RECOMMENDATIONS

Find probable cause to believe that the Congressman Bruce A. Morrison Re-Election Committee and Eric Malchodi, as treasurer, violated 2 U.S.C. §§ 441a(f) and 434(b)(4)(F).

Dear Mr. Marinelli:

As you know from our telephone conversation last week, I received a copy of the Commission's July 5, 1990 letter to me regarding the above-entitled matter on Wednesday, July 18. Accordingly, the time in which to file an answering brief on behalf of my clients would be 15 days thereafter, i.e., August 1.

I intend to file such a brief. However, I have a very busy work schedule between now and August 3, when I will go on vacation for 10 days. Accordingly, I hereby request an

extension of time in which to file my client's brief for 20 days, up to and including August 20. In light of the fact that the Commission's reason to believe findings were made so long ago, a 20 day extension should not be prejudicial to the Commission's interest in moving this matter along.

If you have any questions regarding this request, please contact me immediately. Thank you very much for your consideration.

JAN 8 1991

GENERAL COUNSEL'S REPORT

I. BACKGROUND

During an audit of the Democratic State Central Committee, Connecticut (federal account) (the "Central Committee"), the Commission discovered various violations of the Federal Election Campaign Act of 1971, as amended, by the Congressman Bruce A. Morrison Re-Election Committee (the "Morrison Committee"). On September 9, 1987, the Commission found reason to believe that the Morrison Committee and Eric Malchodi, as treasurer, violated 2 U.S.C. § 441a(f) when it accepted excessive contributions totaling \$4,292.89 from the Central Committee between September 19, 1983 and January 26, 1984. On April 19, 1988, the Commission found reason to believe that the Morrison Committee received the \$7,881.72 in excessive contributions from Jane Morrison in violation of 2 U.S.C. § 441a(f) and, that it failed to properly report a \$4,292.89 refund to the Central Committee in violation of 2 U.S.C. § 434(b)(4)(F).

Following the breakdown of pre-probable cause negotiations, a brief was mailed to the Morrison Committee on July 5, 1990, recommending that the Commission find probable cause to believe regarding all the above violations. A reply brief was received on August 21, 1990.

RE: MUR 2335
Congressman Bruce A. Morrison
Re-Election Committee, and
Eric Malchodi, as treasurer

Dear Mr. Altman:

On January 8, 1991, the Federal Election Commission found that there is probable cause to believe your clients, Congressman Bruce A. Morrison Re-Election Committee, and Eric Malchodi, as treasurer, violated 2 U.S.C. §§ 441a(f) and 434(b)(4)(F), provisions of the Federal Election Campaign Act of 1971, as amended.

The Commission has a duty to attempt to correct such violations for a period of 30 to 90 days by informal methods of conference, conciliation, and persuasion, and by entering into a conciliation agreement with a respondent. If we are unable to reach an agreement during that period, the Commission may institute a civil suit in United States District Court and seek payment of a civil penalty.

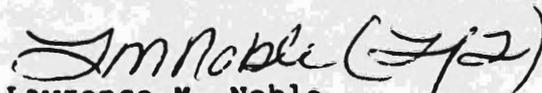

Enclosed is a conciliation agreement that the Commission has approved in settlement of this matter. If you agree with the provisions of the enclosed agreement, please sign and return it, along with the civil penalty, to the Commission within ten days. I will then recommend that the Commission accept the agreement. Please make your check for the civil penalty payable to the Federal Election Commission.

SENSITIVE

GENERAL COUNSEL'S REPORT

I. DISCUSSION

Attached is a conciliation agreement which has been signed by counsel for respondents the Congressman Bruce A. Morrison Re-Election Committee (the "Morrison Committee") and Eric Malchodi, the treasurer.

During an audit of the Democratic State Central Committee, Connecticut (federal account) (the "Central Committee"), the Commission discovered various violations of the Federal Election Campaign Act of 1971, as amended, by the Morrison Committee. On January 8, 1991, the Commission found probable cause to believe that the Morrison Committee and Eric Malchodi, as treasurer, violated 2 U.S.C. § 441a(f) when it accepted excessive contributions totaling \$4,292.89 from the Central Committee between September 19, 1983 and January 26, 1984. The Commission also found probable cause to believe that the Morrison Committee received \$7,881.72 in excessive contributions from Jane Morrison in violation of 2 U.S.C. § 441a(f) and, that it failed to properly report a \$4,292.89 refund to the Central Committee in violation of 2 U.S.C. § 434(b)(4)(F). The Commission approved on the same day a conciliation agreement containing a two thousand two hundred and fifty dollar (\$2,250) civil penalty.

2104033721

On February 4, 1991, this Office received a signed agreement from respondents' counsel containing no changes from the agreement approved by the Commission. A check for the full civil penalty was received on February 6, 1991.

Therefore, the Office of the General Council recommends that the Commission accept the attached conciliation agreement with the Congressman Bruce A. Morrison Re-Election Committee and Eric Malchodi, as treasurer, and close the file.

II. RECOMMENDATIONS

1. Accept the attached conciliation agreement with the Congressman Bruce A. Morrison Re-Election Committee and Eric Malchodi, as treasurer.
2. Close the file and approve the appropriate letter.

BEFORE THE FEDERAL ELECTION COMMISSION

In the Matter of)
) MUR 2335
Congressman Bruce A. Morrison)
Re-Election Committee and)
Eric Malchodi, as treasurer)

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission ("Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found probable cause to believe that the Congressman Bruce A. Morrison Re-Election Committee and Eric Malchodi, as treasurer ("Respondents"), violated 2 U.S.C. §§ 434(b)(4)(F) and 441a(f).

NOW, THEREFORE, the Commission and the Respondents, having dully entered into conciliation pursuant to 2 U.S.C. § 437g(a)(4)(A)(i), do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding.

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

1. Respondent, Congressman Bruce A. Morrison

40833726

Re-Election Committee, is a political committee within the meaning of 2 U.S.C. § 431(4).

2. Respondent, Eric Malchodi, is the treasurer of the Congressman Bruce A. Morrison Re-Election Committee.

3. Pursuant to 2 U.S.C. § 441a(f), a political committee cannot knowingly accept contributions in excess of the limits of 2 U.S.C. § 441a. Pursuant to 2 U.S.C. § 441a(a)(1)(A), no person or political committee, other than a multicandidate political committee, shall make contributions to a candidate or his authorized political committee which in the aggregate exceed \$1,000 with respect to a federal election. Pursuant to 2 U.S.C. § 431(8)(A)(i), the term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing a federal election.

4. Pursuant to 2 U.S.C. § 441a(a)(8), all contributions made by a person, either directly or indirectly, on behalf of a particular candidate, including contributions which are in any way earmarked or otherwise directed through an intermediary or conduit to such candidate, shall be treated as contributions from such persons to such candidate.

5. Pursuant to 11 C.F.R. § 110.1(a)(2) which was in force in 1982-83, a contribution was to be considered as made for the election for which it was designated. In the case of a

91040333727

contribution not designated in writing for a particular election, it was to be considered as made for the general election if the contribution was made after the date of the primary election.

6. Pursuant to 2 U.S.C. § 434(b)(4)(F), a political committee must report as disbursements all contribution refunds made.

7. From September 19, 1983, through January 26, 1984, the Congressman Bruce A. Morrison Re-Election Committee accepted a total of \$7,292.89 in in-kind contributions from the Democratic State Central Committee, Connecticut with respect to the 1982 elections.

8. From October 18, 1982, to February 16, 1983, the Congressman Bruce A. Morrison Re-Election Committee accepted a total of \$8,881.72 in contributions, including a February 16, 1983 \$5,000 loan, from Jane Morrison. These contributions were given to the Democratic State Central Committee, Connecticut by Jane Morrison and passed on to the Congressman Bruce A. Morrison Re-Election Committee through payment for activity supporting the Congressman Bruce A. Morrison Re-Election Committee in the 1982 general election campaign. The Democratic Central Committee, Connecticut's 1985 Year End Report indicates that the \$5,000 loan was repaid to Jane Morrison on December 23, 1985.

9. The Democratic Congressional Primary in Connecticut was held on September 7, 1982. In its 1982 30-Day Post General

21040833728

Election Report, the Democratic State Central Committee, Connecticut reported, as designated for the 1982 general election, \$3,881.72 of the \$8,881.72 in contributions made by Jane Morrison. The February 16, 1983 \$5,000 loan made by Jane Morrison to assist the Morrison campaign was reported by the Central Democratic Committee, Connecticut in its 1983 Mid-Year Report without a designation.

10. Respondents state that the February 16, 1983 \$5,000 loan was used to pay for services provided by Advocate Press. These services were ordered by the Democratic Central Committee, Connecticut on or about October 25, 1982, to assist the Morrison general election campaign.

11. On December 20, 1985, the Congressman Bruce A. Morrison Re-Election Committee made a refund of \$4,292.89 to the Democratic State Central Committee, Connecticut, but has not included the refund in its reports filed with the Commission.

V. 1. Respondents knowingly accepted contributions totaling \$7,292.89 from the Democratic State Central Committee, Connecticut, which were \$4,292.89 in excess of the \$3,000 combined contribution limitation for the 1982 convention, primary and general election, in violation of 2 U.S.C. § 441a(f).

2. Respondents failed to report the December 20, 1985 refund of \$4,292.89 to the Democratic State Central Committee, Connecticut as a disbursement in its 1985 Year End Report, in

9104033729

violation of 2 U.S.C. § 434(b)(4)(F).

3. Respondents contend that they accepted the excessive contributions from the Democratic State Central Committee, Connecticut on the basis of a representation that the Democratic State Central Committee, Connecticut, was a multicandidate committee at the time those contributions were made. Respondents contend that they made the December 20, 1985 \$4,292.89 refund when they learned that the Democratic State Central Committee, Connecticut, was not in fact a multicandidate committee. Respondents also contend that their failure to report the December 20, 1985 refund was not knowing and willful.

4. Respondents knowingly accepted contributions totaling \$8,881.72 from Jane Morrison which were earmarked to pay for activity supporting the Congressman Bruce A. Morrison Re-Election Committee in the 1982 general election and which were \$7,881.72 in excess of the \$1,000 contribution limitation available to her for the general election, in violation of 2 U.S.C. § 441a(f).

VI. 1. Respondents will pay a civil penalty to the Federal Election Commission in the amount of two thousand two hundred and fifty dollars (\$2,250), pursuant to 2 U.S.C. § 437g(a)(5)(A).

2. Respondents will amend their 1985 Year End Report to report the \$4,292.89 refund.

VII. The Commission, on request of anyone filing a complaint

30 / 33 / 33 / 40 / 33 / 31

under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

VIII. This agreement shall become effective as of the date that all parties hereto executed same and the Commission has approved the entire agreement.

IX. Respondents shall have no more than 30 days from the date this agreement becomes effective to comply with and implement the requirements contained in this agreement and to so notify the Commission.

X. This Conciliation Agreement constitutes the entire agreement between the parties on the matters raised herein, and no other statement, promise, or agreement, either written or

2104033731

oral, made by either party or by agents of either party, that is not contained in this written agreement shall be enforceable.
