OFFICE OF GENERAL COUNSEL

DATE: 12 May 1987

ANALYST: Anthony Raymond

I. COMMITTEE: United Republican Fund of Illinois  
(C00005819)  
H. L. Osborn, Treasurer  
320 North Michigan, Suite 25S  
Chicago, IL 60601

II. RELEVANT STATUTE: 11 CFR 102.5(a)(1)(i)

III. BACKGROUND:

Receipt of Funds from the Non-Federal Account

The United Republican Fund of Illinois ("the Fund") disclosed receipts from its non-federal account totalling \$33,323.00 for the 1985-1986 election cycle (see chart).

The 1985 Mid-Year Report disclosed three (3) transfers-in totalling \$9,300 during the period January 29, 1985 through June 30, 1985 (Attachment 2).<sup>1/</sup> The 1986 April Quarterly Report disclosed four (4) transfers-in and two (2) loan repayments totalling \$18,700 during the period February 14, 1986 through March 20, 1986 (Attachment 3). The 1986 12 Day Pre-General Report disclosed two (2) transfers-in and one (1) loan repayment totalling \$3,823 during the period September 18, 1986 through October 10, 1986 (Attachment 4).

Requests for Additional Information ("RFAI's") were sent to the Fund on December 23, 1986, asking it to clarify whether the transfers-in/loans repayments were made from an account maintained for non-federal activity. The Fund was advised that such activity is prohibited by 11 CFR 102.5. It was recommended that if the transfers-in/loan repayments were from a non-federal account, the full amount should be returned (Attachments 5, 6 and 7).

<sup>1/</sup> The 1985 Mid-Year Amendment allocated \$725 of the \$9,300 as loan repayment.

The Fund filed a response on January 7, 1987, indicating that "The United Republican Fund of Illinois, extant since 1934, is not a political committee under 11 CFR 100.5." The response also stated that, in 1980, the Fund established a separate bank account under 11 CFR 102.5(b)(1)(i) which was designated as the Federal Election Account:

The Federal Election bank account has been used for direct deposit of contributions received from individuals who indicate their wish to support a candidate or candidates for Federal office. Other receipts for membership renewals and contributions from members are deposited in the Fund's regular checking account. When the Executive Committee of our Board of Governors decides that there are sufficient funds subject to the limitations and prohibitions of the Act and that it is desirable to use some of such funds to support candidates for Federal office, the amount designated is contributed to the Federal Election Account, in accord with 11 CFR 102.5(b)(1)(ii) (Attachment 8).

On January 16, 1987, Second Notices were sent to the Fund for the 1985 Mid-Year, 1986 April Quarterly and 1986 12 Day Pre-General Reports because it had failed to return the loan repayments and transfers-in to the non-federal account (Attachments 9, 10 and 11).

The 1986 30 Day Post General Report disclosed a transfer-in of \$1,500 from the Fund's non-federal account on October 29, 1986 (Attachment 12). An RFAI was sent to the Fund on January 21, 1987, asking it to clarify whether the transfer-in was made from an account maintained for non-federal activity. The Fund was advised that such activity is prohibited by 11 CFR 102.5. It was recommended that if the transfer-in was from a non-federal account, the full amount should be returned (Attachment 13).

On January 29, 1987 the Reports Analysis Division ("RAD") analyst received a telephone call from Mr. James Otis, acting legal counsel for the Fund. Mr. Otis stated his belief that the Fund was operating under 11 CFR 102.5(b) and that it therefore does not meet the definition of a political committee under 11 CFR 100.5. The RAD analyst informed Mr. Otis that he would research the matter and call him back (Attachment 14).

REPORTS ANALYSIS OGC REFERRAL

On February 2, 1987, the RAD analyst called Mr. Steve Baer, the Executive Director of the Fund. The RAD analyst informed Mr. Baer that the Fund appears to be operating under 11 CFR 102.5(a) instead of 11 CFR 102.5(b), on the grounds that the Fund had two separate accounts and had made contributions to various federal candidates. The RAD analyst also informed Mr. Baer that the transfers-in would have to be refunded to the non-federal account. The RAD analyst then informed Mr. Baer that he could list the total amount as a debt owed to the non-federal account, should the Fund not have sufficient money to repay the non-federal account at this time (Attachment 15).

A Second Notice for the 1986 30 Day Post-General Report was sent to the Fund on February 12, 1987 for failure to respond in writing (Attachment 16).

On February 20, 1987, the Fund filed amended reports for the 1985 Mid-Year, 1986 April Quarterly, 1986 July Quarterly, 1986 12 Day Pre-General and the 1986 30 Day Post-General reporting periods. The reports included a Schedule D itemizing the amount owed to the non-federal account for transfers-in, loan repayments and administrative costs. The response also included copies of two checks dated February 6, 1987, and February 16, 1987, totalling \$27,756.00, made payable to the non-federal account (Attachments 17, 18, 19, 20, 21 and 22). The response indicated that of the amount transferred out, \$23,103 was for the transfers-in and loan repayments.

On March 11, 1987, an RFAI was sent to the Fund questioning the discrepancy between the original April Quarterly and the Amended April Quarterly dated February 20, 1987. The original 1986 April Quarterly Report disclosed a total of \$13,200 in transfers-in from the non-federal account reported on Line 12 of the Detailed Summary Page. The Amended April Quarterly dated February 20, 1987, reduced the transfer-in amount to \$2,980, while correspondingly increasing the amount on Line 11(a) to \$10,220 (Attachment 23).

The Committee filed a response on March 28, 1987, indicating that the reduction on Line 12 and corresponding increases on Line 11(a) were attributed to earmarked contributions that were erroneously reported on the original report (Attachment 24). The response also included a copy of a June 30, 1986 amendment to the 1986 April Quarterly Report that had indicated that some of the

transfers reported on Line 12 were earmarked contributions for federal candidates; however, that amendment did not change the totals reported on Lines 11(a) and 12 of the Detailed Summary Page (Attachment 25).

No further responses have been submitted by The Fund.

**Identification Number: C00005819**

**Reference: Mid-Year Report (1/1/85-6/30/85)**

**Dear Mr. Osborn:**

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses a receipt of \$9,200 from the United Republican Fund of Illinois (pertinent portion attached). Please clarify whether this transfer is from an account maintained by your committee for non-Federal activity. If so, be advised that such transfer is prohibited by 11 CFR 102.5(a)(1)(i) and the full amount of the transfer should be returned to the non-Federal account. Please inform the Commission immediately in writing and provide a photocopy of your check for the transfer-out. In addition, the transfer-out should be disclosed on a supporting Schedule B for Line 27 of your next report.

If, however, this transaction represents an "internal transfer" of funds from one Federal account to another, and the source(s) of such funds has been identified in previous reports of receipts and disbursements, please note that such transfers should not be itemized as doing so inflates total receipts and cash on hand. If this is the case, please amend your report accordingly.

Although the Commission may take further legal action regarding the acceptance of funds from a non-Federal account, your prompt transfer-out of the funds in question, or clarification of the transaction, will be taken into consideration.

An amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need

**Dear Mr. Osborn:**

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A, supporting Line 14 of the Detailed Summary Page discloses a \$5,500 loan repayment from what appears to be an account maintained by your committee for non-federal activity. If so, be advised that 11 CFR 102.5(a)(1)(i) prohibits a non-federal account from financing activity in connection with federal elections, and the full amount of the loan repayment should be returned to the non-federal account. Please inform the Commission immediately in writing and provide a photocopy of your check for the transfer-out.

Although the Commission may take further legal action regarding the acceptance of funds from a non-federal account, your prompt transfer-out of the funds in question, or clarification of the transaction, will be taken into consideration.

-Your report discloses no payments for administrative expenses. Each committee utilizing separate Federal and non-Federal accounts is required to allocate any administrative expenses between the accounts in proportion to the amount of funds expended on Federal and non-Federal elections or on another reasonable basis. Administrative expenses are those day-to-day costs of operating the committee, including rent, utilities, salaries and other miscellaneous office expenses. The Federal account of the committee must pay its share of such expenses. 11 CFR 106.1(e) and 102.5(a)(1)(i).

If your organization has incurred such administrative costs and your non-Federal account has paid for all such costs, your Federal account must reimburse the non-Federal account for its portion of the expenses. The amount incurred by the Federal account should be disclosed as a debt or obligation owed to the non-Federal account on Schedule D supporting Line 10 of the Summary Page. When payments are made toward the debt, they should be reported on Schedule B supporting Line 19 of the Detailed Summary Page and the debt should be reduced by a corresponding amount.

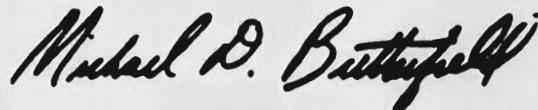

-Schedule A of your report discloses a receipt of \$13,200 from the United Republican Fund of Illinois (pertinent portion attached). Please clarify whether this transfer is from an account maintained by your committee for non-Federal activity. If so, be advised that such transfer is prohibited by 11 CFR 102.5(a)(1)(i) and the full amount of the transfer should be returned to the non-Federal account. Please inform the Commission immediately in writing and provide a photocopy of your check for the transfer-out. In addition, the transfer-out should be disclosed on a supporting Schedule B for Line 27 of your next report.

renewals and contributions from members are deposited in the Fund's regular checking account. When the Executive Committee of our Board of Governors decides that there are sufficient funds subject to the limitations and prohibitions of the Act and that it is desirable to use some of such funds to support candidates for Federal office, the amount designated is contributed to the Federal Election Account, in accord with 11 CFR 102.5 (b)(1) (ii). **Dear Mr. Osborn:**

On December 23, 1986, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your January 7, 1987 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response indicates that on June 24, 1980 a separate federal committee and bank account was established for your committee under 11 CFR 102.5(b)(1)(i). Please note that a party organization that plans to support both Federal and non-Federal candidates must be organized and registered with the Commission in one of two manners. Under 11 CFR 102.5(a)(1)(ii), a party organization may register as a political committee that engages in both Federal and non-Federal election activity. A committee registered in this manner must report all receipts and disbursements, including those that pertain to non-Federal activity.

Alternatively, under 11 CFR 102.5(a)(1)(i), a party organization may establish a political committee to conduct Federal election activity and a second fund, with a separate bank account to engage exclusively in non-Federal activity. Under these circumstances, the Federal account alone is considered a political committee with registration and reporting obligations under the Act. The Federal account may receive only contributions designated or expressly solicited for Federal campaigns and must observe the Act's prohibitions and limitations on contributions. In

addition, 11 CFR 102.5(a)(1)(i) prohibits a non-Federal account from financing activity in connection with Federal elections and expressly prohibits the transfer of funds to the Federal account from the party organization's non-Federal account.

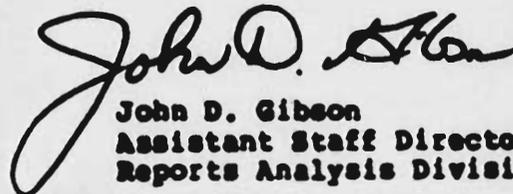

It appears that your organization has established separate Federal and non-Federal accounts under 11 CFR 102.5(a)(1)(i) and that your Federal account has received transfers and loan repayments from your non-Federal account. If so, be advised that such transfers are prohibited by 11 CFR 102.5(a)(1)(i) and the full amount of the transfers and loan repayments should be returned to the non-Federal account. Please inform the Commission immediately in writing and provide a photocopy of your check for the transfer-out. In addition, the transfer-out should be disclosed on a supporting Schedule B for Line 27 of your next report.

Although the Commission may take further legal action regarding the acceptance of funds from a non-Federal account, your prompt transfer-out of the funds in question, or clarification of the transaction, will be taken into consideration.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Michael Butterfield on our toll-free number (800) 424-9530 or our local number (202) 376-2480.

Your January 7, 1987 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

addition, 11 CFR 102.5(a)(1)(i) prohibits a non-Federal account from financing activity in connection with Federal elections and expressly prohibits the transfer of funds to the Federal account from the party organization's non-Federal account.

It appears that your organization has established separate Federal and non-Federal accounts under 11 CFR 102.5(a)(1)(i) and that your Federal account has received transfers and loan repayments from your non-Federal account. If so, be advised that such transfers are prohibited by 11 CFR 102.5(a)(1)(i) and the full amount of the transfers and loan repayments should be returned to the non-Federal account. January 16, 1987

Reference: 12 Day Pre-General Report (7/1/86-10/15/86)

Dear Mr. Osborn:

On December 23, 1986, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your January 7, 1987 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response indicates that on June 24, 1986 a separate federal committee and bank account was established for your committee under 11 CFR 102.5(b)(1)(i). Please note that a party organization that plans to support both Federal and non-Federal candidates must be organized and registered with the Commission in one of two manners. Under 11 CFR 102.5(a)(1)(ii), a party organization may register as a political committee that engages in both Federal and non-Federal election activity. A committee registered in this manner must report all receipts and disbursements, including those that pertain to non-Federal activity.

Alternatively, under 11 CFR 102.5(a)(1)(i), a party organization may establish a political committee to conduct Federal election activity and a second fund, with a separate bank account to engage exclusively in non-Federal activity. Under these circumstances, the Federal account alone is considered a political committee with registration and reporting obligations under the Act. The Federal account may receive only contributions designated or expressly solicited for Federal campaigns and must observe the Act's prohibitions and limitations on contributions. In

addition, 11 CFR 102.5(a)(1)(i) prohibits a non-Federal account from financing activity in connection with Federal elections and expressly prohibits the transfer of funds to the Federal account from the party organization's non-Federal account.

It appears that your organization has established separate Federal and non-Federal accounts under 11 CFR 102.5(a)(1)(i) and that your Federal account has received transfers and loan repayments from your non-Federal account. If so, be advised that such transfers are prohibited by 11 CFR 102.5(a)(1)(i) and the full amount of the transfers and loan repayments should be returned to the non-Federal account. Please inform the Commission immediately in writing and provide a photocopy of your check for the transfer-out. In addition, the transfer-out should be disclosed on a supporting Schedule B for Line 27 of your next report. *no*

Although the Commission may take further legal action regarding the acceptance of funds from a non-Federal account, your prompt transfer-out of the funds in question, or clarification of the transaction, will be taken into consideration.

-Your report discloses a loan repayment on Schedule A from United Republican Fund of Illinois, which has not been recorded on Schedule C. Loans and loan repayments received must be reflected on Schedule C as well as on Schedule A. 2 U.S.C. §§434(b)(3)(E) and (5)(D).

-Your report discloses no payments for administrative expenses. Each committee utilizing separate Federal and non-Federal accounts is required to allocate any administrative expenses between the accounts in proportion to the amount of funds expended on Federal and non-Federal elections or on another reasonable basis. Administrative expenses are those day-to-day costs of operating the committee, including rent, utilities, salaries and other miscellaneous office expenses. The Federal account of the committee must pay its share of such expenses. 11 CFR 106.1(e) and 102.5(a)(1)(i).

If your organization has incurred such administrative costs and your non-Federal account has paid for all such costs, your Federal account must reimburse the non-Federal account for its portion of the expenses. The amount incurred by the Federal account should be disclosed as a debt or obligation owed to the non-Federal account on Schedule D supporting Line 10 of the

**Summary Page.** When payments are made toward the debt, they should be reported on Schedule B supporting Line 19 of the Detailed Summary Page and the debt should be reduced by a corresponding amount.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

**Reference: 30 Day Post-General Report (10/16/86-11/24/86)**

**Dear Mr. Osborn:**

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

3703453177

-Schedule A of your report discloses a receipt of \$1,500 from the United Republican Fund of Illinois (pertinent portion attached). Please clarify whether this transfer is from an account maintained by your committee for non-Federal activity. If so, be advised that such transfer is prohibited by 11 CFR 102.5(a)(1)(i) and the full amount of the transfer should be returned to the non-Federal account. Please inform the Commission immediately in writing and provide a photocopy of your check for the transfer-out. In addition, the transfer-out should be disclosed on a supporting Schedule B for Line 27 of your next report.

If, however, this transaction represents an "internal transfer" of funds from one Federal account to another, and the source(s) of such funds has been identified in previous reports of receipts and disbursements, please note that such transfers should not be itemized as doing so inflates total receipts and cash on hand. If this is the case, please amend your report accordingly.

MB

Although the Commission may take further legal action regarding the acceptance of funds from a non-Federal account, your prompt transfer-out of the funds in question, or clarification of the transaction, will be taken into consideration.

-Your report discloses no payments for administrative expenses. Each committee utilizing separate Federal and non-Federal accounts is required to allocate any

administrative expenses between the accounts in proportion to the amount of funds expended on Federal and non-Federal elections or on another reasonable basis. Administrative expenses are those day-to-day costs of operating the committee, including rent, utilities, salaries and other miscellaneous office expenses. The Federal account of the committee must pay its share of such expenses. 11 CFR 106.1(e) and 102.5(a)(1)(i).

If your organization has incurred such administrative costs and your non-Federal account has paid for all such costs, your Federal account must reimburse the non-Federal account for its portion of the expenses. The amount incurred by the Federal account should be disclosed as a debt or obligation owed to the non-Federal account on Schedule D supporting Line 10 of the Summary Page. When payments are made toward the debt, they should be reported on Schedule B supporting Line 19 of the Detailed Summary Page and the debt should be reduced by a corresponding amount.

An amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 376-2480.

**COMMITTEE:** United Republican Fund of Illinois

**DATE:** 1/29/87

**SUBJECT(S):** Federal/Non-Federal Activity

Mr. Otis called concerning the RFAI's sent to the Fund regarding 102.5 activity. Mr. Otis (acting legal counsel), stated that the Fund is not a party committee, rather a private organization. Mr. Otis also stated that the Fund was operating under 102.5(b), believing that the Fund is not really a federal committee as defined in the Code of Federal Regulations. I informed Mr. Otis that I would like to look into this matter and call him back.

**CONVERSATION WITH:** Steve Baer (Executive Director)

**COMMITTEE:** United Republican Fund of Illinois

**DATE:** February 2, 1987

**SUBJECT(S):** Amending Reports

I called Mr. Baer concerning a conversation we had last week. Specifically, I explained to Mr. Baer that I thought his committee was operating under 102.5(a) instead of 102.5(b) on the grounds that the committee had two separate accounts and had made contributions to various federal candidates. I also explained to Mr. Baer that the money transferred from the non-federal account to the federal account would have to be refunded back to the non-federal account. I then informed Mr. Baer that in the meantime he should list the money owed to the non-federal account as a debt and report it on the Summary Page of FEC form 3x. Mr. Baer stated that he was not sure how to divide administrative costs between the federal and non-federal accounts. I explained that it depended upon the ratio of activity between the two accounts and that the costs should be divided accordingly. I then informed Mr. Baer that he should provide the FEC with detailed information regarding the transfers and amend the reports as soon as possible. He agreed to do so.

Dated 2/20/87

Dear Mr. Osborne:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your original report disclosed transfers totalling \$13,200 received from your non-federal account reported on Line 12 of the Detailed Summary Page. The amended report discloses a reduction of the amount on Line 12 along with a corresponding increase on Line 11(a). Please clarify this discrepancy. NB

-Line 11a of the Detailed Summary Page discloses a figure for the total amount of contributions from individuals/persons other than political committees. In addition, the memo entry portion of the Detailed Summary Page is blank, and no supporting schedules have been provided. Please amend your report by itemizing all contributions from individuals/persons, which aggregate greater than \$200 in the calendar year, and/or provide a figure for the total amount of unitemized contributions from individuals/persons, which have been received during the reporting period. 11 CFR 104.3(a)(2).

An amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 376-2480.

Reference: Your letter dated March 11, 1987  
regarding our Amended April Quarterly  
Report for the period 1-1-86 through  
3-31-86

Dear Mr. Putterfield:

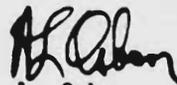

As your letter points out, our original report showed  
transfers of \$13,200 on Line 12. After the report was  
filed, in auditing contributions received in connection  
with two fund-raising events, we found that \$10,220 of  
contributions earmarked for candidates for Federal offices  
had not been segregated to deposit in our Federal Account.  
On June 27, 1986 we submitted 12 pages of Schedule A to  
give details of the \$10,220. A copy of the transmittal  
letter is attached.

Our Amended Report dated Feb 16, 1987 shows the  
proper split of the \$13,200 shown in our original  
report - \$10,220 on Line 11 and \$2,980 on line 12  
and on Schedule D.

- In retrospect, I believe we should have -
- (a) submitted a Summary Page marked "Amendment" and  
a revised "Detailed Summary Page" with the  
Schedules mailed on June 27, 1986, and
  - (b) re-submitted the 12 pages of Schedule A with the  
Amended Report dated February 16, 1987.

We enclose a complete Amended Report for 1-1-86  
through 3-31-86. Again, your assistance in getting  
all our filings corrected is appreciated.

Sincerely,

**I. GENERATION OF MATTER**

This matter arose from a referral by the Reports Analysis  
Division ("RAD") on May 13, 1987.

**II. FACTUAL AND LEGAL ANALYSIS**

The United Republican Fund of Illinois ("URF") is an  
organization which finances activity in connection with both  
federal and non-federal elections. URF is qualified as a  
multicandidate political committee. In 1980, URF established a

RECEIVED  
FEDERAL ELECTION COMMISSION  
SECRETARIAT

federal account which is registered with the Commission.<sup>1/</sup> H. L. Osborn is the treasurer of both URF's federal and non-federal accounts. The issues raised in this referral relate to transfers-in from the non-federal account to the federal account, the allocation of administrative expenditures, and the passing on of earmarked contributions.

According to URF's original reports which were filed with the Commission, there was \$33,323.00 in transfers-in and loan repayments. However, URF amended its 1986 April Quarterly Report to show that \$10,220.00 which originally had been listed as transfers-in were in actuality earmarked contributions to federal candidates. After URF received RAD inquiries, it then transferred out of its federal account \$23,103.00 which represented the transfers-in and loan repayments and an additional \$4,653.00 to cover the federal account's share of administrative expenditures, making a total of \$27,756.00 transferred out to the non-federal account.

**A. Transfers from Non-Federal Account**

Commission regulations provide that an organization which establishes a separate federal account may not transfer funds into the federal account from any other account maintained by the

---

<sup>1/</sup> When URF filed its Statement of Organization with the clerk of the House of Representatives in 1972, URF reported that it was affiliated with the Illinois Republican State Central Committee. In 1987, URF notified the Commission that it was not a party committee. See Attachment 1 at page 36.

88040711327

organization for the purpose of financing activity in connection with non-federal elections. 11 C.F.R. § 102.5(a)(1)(i). Also, pursuant to 11 C.F.R. § 102.5(a)(2), all contributions to such federal accounts must be designated for the federal account, the solicitation must expressly state that the contribution will be used in connection with a federal election, and contributors must be informed that all contributions are subject to the prohibitions and limitations of the Act.

In the instant case, URF reported that funds from its non-federal account had been transferred into its federal account. See Attachment 1, page 7, for a listing of the dates and amounts of transfers-in and loan repayments. RAD made inquiries about the funds which had been transferred into the federal account. In a letter dated January 7, 1987, URF responded to the RAD inquiries. In that letter URF described how it operates the URF Federal Election Account:

The Federal Election bank account has been used for direct deposit of contributions received from individuals who indicate their wish to support a candidate or candidates for Federal office. Other receipts for membership renewals and contributions from members are deposited in the Fund's regular checking account. When the Executive Committee of our Board of Governors decides that there are sufficient funds subject to the limitations and prohibitions of the Act and that it is desirable to use some of such funds to support candidates for Federal office, the amount designated is contributed to the Federal Election Account, in accord with 11 C.F.R. § 102.5(b)(1)(ii). These contributions are reported on line 12 of the Summary and on a Schedule A, consistent with our reporting practice since establishment of the Federal Account in 1980.

68040711328

URF further responded to these inquiries by transferring \$27,756 out of its federal account in two checks on February 6 and 16, 1987. Since the date of the last transfer from the non-federal to the federal account was October 29, 1986, more than 100 days elapsed before this corrective action was taken. Of this figure, \$23,103 represented funds which had been improperly transferred into the federal account. Since these funds that had not been designated for the federal account and had been transferred into it from the non-federal account, URF appears to have violated 11 C.F.R. § 102.5(a)(1)(i) and (a)(2).

Illinois law does not prohibit corporate and labor contributions to State and local candidates. As a result, a violation of 2 U.S.C. § 441b may have also occurred since the non-federal funds which were transferred in may have included corporate and/or labor union funds.

Therefore, this Office recommends that the Commission find reason to believe that the United Republican Fund of Illinois Federal Election Account and H.L. Osborn, as treasurer, and the United Republican Fund of Illinois and H. L. Osborn, as treasurer, violated 2 U.S.C. § 441b and 11 C.F.R. § 102.5(a).

**B. Administrative Expenses**

Commission regulations provide that political committees which establish a federal account must allocate administrative expenses between the federal account and any other account maintained by the Committee in connection with non-federal elections. 11 C.F.R. § 102.5(a)(1)(i). Pursuant to 11 C.F.R.

8 8 0 4 0 7 1 1 3 2 9

§ 106.1(e), administrative expenses shall be allocated between a committee's "Federal and non-Federal accounts in proportion to the amount of funds expended on Federal and non-Federal elections, or on another reasonable basis." Id. The Act requires a political committee to report all disbursements, including operating expenses, for the reporting period and the calendar year. 2 U.S.C. § 434(b)(4).

RAD made inquiries on December 23, 1986, concerning URF's failure to note any allocation of administrative expenses on its 1986 April Quarterly and 1986 12 Day Pre-General Election Reports. URF responded to these inquiries by transferring \$4,653 from the Federal Election Account to the non-federal account in February of 1987. This dollar figure was composed of the following:

<u>Time Period</u>	<u>Allocation of Administrative Expenses</u>
1/1/85 - 6/30/85	\$2,172
1/1/86 - 3/31/86	\$ 795
4/1/86 - 6/30/86	\$ 134
7/1/86 - 10/15/86	\$1,090
10/16/86 - 11/24/86	\$ 462
<b>TOTAL</b>	<u>\$4,653</u>

See Attachment 1, page 40. The information supplied by URF does not provide which expenses were allocated nor the basis for their allocation. Furthermore, the allocation did not occur in a timely manner. Thus, it appears that URF may not have allocated administrative expenses as required by 11 C.F.R.

88040711330

§ 102.5(a)(1)(i) and 106.1(e), and did not timely report such allocations in violation of 2 U.S.C. § 434(b)(4).

Therefore, in order to resolve these questions, this Office recommends that the Commission find reason to believe that the United Republican Fund of Illinois -Federal Election Account and H. L. Osborn, as treasurer, violated 2 U.S.C. § 434(b)(4) and 11 C.F.R. §§ 102.5(a) and 106.1(e) in connection with the allocation of administrative expenses.

**C. Earmarked Contributions**

The Act provides that the intermediary or conduit of earmarked funds must report the original source and the intended recipient of such funds to the Commission and the intended recipient. 2 U.S.C. § 441a(a)(8). Commission regulations require that if earmarked funds pass through a conduit's account, the conduit must disclose each contribution on schedules of itemized receipts and expenditures. 11 C.F.R. § 110.6(c)(1)(i). If the contribution was passed on in the form of the contributor's check, then the conduit must disclose each contribution on a separate schedule attached to the conduit's next report or a letter. 11 C.F.R. § 110.6(c)(1)(ii). In either case, the report must include: the contributor's name, address, occupation and employer (only if the contribution exceeds \$200), amount of contribution, the date the contribution was received by the conduit, the intended recipient as designated by the contributor, the date the contribution was passed on, and whether the contribution was passed on by cash, contributor's check or

88040711331

conduit's check. 11 C.F.R. § 110.6(c)(4). A conduit has 10 days after receipt of an earmarked contribution to pass it on, if the intended recipient is an authorized political committee.

11 C.F.R. § 102.8(a) and (d). The intended recipient shall disclose on his next report each conduit through which the contribution passed. 11 C.F.R. § 110.6(c)(3).

When URF filed its original 1986 April Quarterly Report, it stated that all of its receipts for that quarter had been either transfers-in or loan repayments from the non-federal to the federal account. The April Quarterly also reported contributions to a number of Congressional candidates. On June 30, 1986, the Commission received a letter from URF which stated that \$10,220.00 of the receipts reported in the April Quarterly were in actuality earmarked contributions. In part, the letter stated.

After the report was filed, we found that contributions earmarked for Federal candidates had not been separated from other contributions received in connection with two fund raising events.

From this description it is not possible to determine whether the earmarked funds were originally deposited in the non-federal account. Attached to this letter were separate schedules which listed the contributor's name, address, occupation, employer, amount of contribution, intended recipient, and a date. These reports, however, did not disclose all of the information required by 11 C.F.R. § 110.6(c)(4). Specifically, URF did not specify if the date it reported was the date of receipt or the

8 8 0 4 0 7 1 1 3 3 2

date the contribution was passed on, and whether the contribution was passed on by cash, conduit's check or contributor's check.

The break-down by candidate is as follows:

<u>Candidate</u>	<u>Amount Originally Listed As Contribution</u>	<u>Amount Listed As Earmarked</u>
Gottlieb	\$5,000	\$5,100 <sup>2/</sup>
Crawford	1,500	1,000
Tierney	4,000	2,225
McHard	500	45
Salvi	3,800	1,700
Stear	150	150

Based upon URF's reported cash-on-hand at the end of the quarter, it appears that the amounts originally listed as contributions included the earmarked contributions for each candidate.<sup>3/</sup> From this, it appears that the earmarked funds may have passed through the conduit's account; however, URF's reports do not indicate how these contributions were passed on to the intended recipient by the conduit. Therefore, it appears that URF may have violated 11 C.F.R. § 110.6(c)(1). Moreover, URF reported these earmarked contributions as occurring in March 1986 on its Amended April Quarterly filed on June 30, 1986. It is not

---

<sup>2/</sup> On the basis of information presently available, this Office is not able to reconcile the discrepancy in these figures.

<sup>3/</sup> Except for the unexplained discrepancy in the contributions to Gottlieb, the amounts of the subject contributions are within the applicable limitation of 2 U.S.C. § 441a(a)(2)(A) and thus do not raise a question of whether URF made excessive contributions to these candidates. Therefore, until the facts are further clarified, this report does not address the application of 11 C.F.R. § 110.6(d) regarding direction or control and whether URF properly reported these contributions.

88040711333

clear from the reports whether the date on the report is the date of receipt, the date of the transfer to the federal account, or the date the contributions were passed on. Therefore, URF may have violated 11 C.F.R. § 102.8(a) since it may not have passed the contributions on within the required 10-day period. See 11 C.F.R. § 102.8(d).

Other questions arise when the contributions to each of the candidates are examined on an individual basis.

1. Gottlieb

George Gottlieb was the Republican candidate in the general election in the 11th District of Illinois for the House of Representatives. URF reported that it contributed \$5,000.00 to Citizens for Gottlieb on March 5, 1986. On URF's Amended 1986 April Quarterly, it reported passing on \$5,100.00 in earmarked contributions to Gottlieb. Citizens for Gottlieb reported on its 1986 April Quarterly, that it received \$5,000.00 from URF on March 10, 1986; however, it has not reported the receipt of any earmarked funds from URF.

Some of the individuals who gave earmarked funds to URF for Citizens for Gottlieb may have exceeded their contribution limit. For instance, URF reported that James B. Crowley gave an earmarked contribution of \$1,500.00. Also, Larry Dieden gave \$1,000.00 to URF that was earmarked for Gottlieb and Larry and Nancy Dieden contributed \$50.00 directly to Citizens for Gottlieb.

88040711334

2. Crawford

Hiram Crawford, Jr. was an unsuccessful candidate in the Republican primary in the 1st District of Illinois. Mr. Crawford never filed a Statement of Candidacy or registered a campaign committee with the Commission. URF reported that it contributed \$1,500.00 to Friends of Hiram Crawford, Jr. for U.S. Congress in March 1986. On its Amended 1986 April Quarterly, URF reported passing on \$1,000.00 in earmarked funds to Crawford.

3. Tierney

James J. Tierney was the Republican candidate in the general election in the 3rd District of Illinois. URF reported that it contributed \$4,000.00 to Citizens for Tierney in March 1986. On its Amended 1986 April Quarterly, URF reported passing on \$2,225.00 in earmarked contributions to Tierney. On its April Quarterly, Citizens for Tierney did not report receiving any contributions from URF nor did it report receiving earmarked contributions.

4. McHard

Samuel McHard was the Republican candidate in the general election in the 17th District of Illinois. URF reported contributing \$500.00 to Sam McHard for Congress on March 12, 1986. On its Amended 1986 April Quarterly, URF reported passing on one earmarked contribution for \$45.00 to McHard. Mr. McHard's authorized committee, McHard for Congress Committee, reported receiving \$500.00 from URF on March 19, 1986. It has not reported the earmarked contribution.

88040711335

5. Salvi

Albert J. Salvi was the Republican candidate in the general election in the 19th District of Illinois. URF reported a \$3,800.00 contribution to Salvi for Congress on March 18, 1986. On its amended 1986 April Quarterly, URF reported passing on \$1,700.00 in earmarked contributions to Salvi. Salvi for Congress reported receiving \$3,800.00 from URF on March 17, 1986, but it has not reported any earmarked contributions.

6. Stear

Dennis Stear was an unsuccessful candidate in the Republican primary in the 17th District of Illinois. URF reported contributing \$150.00 to "Dennis Stear for U.S. Rep. 17th Dist." on March 18, 1986. On its Amended 1986 April Quarterly, URF reported passing on \$150.00 in earmarked contributions to Stear. Stear has not filled a Statement of Candidacy or registered a campaign committee with the Commission.

Although the information regarding the recipient candidates and their committees also suggests possible violations of the Act, this Office makes no recommendations at this time regarding these issues. We note that these candidates and committees were not the focus of the RAD referral. Moreover, the response by URF to the proposed findings and interrogatories may further clarify these issues. Since it is not clear that the earmarked funds were deposited into the non-federal account, this Office is making recommendations concerning only the URF Federal Election Account at this time.

63040711336

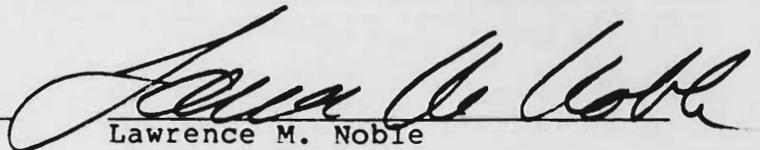

Accordingly, this Office recommends that the Commission find reason to believe that the United Republican Fund of Illinois - Federal Election Account and H. L. Osborn, as treasurer, violated 11 C.F.R. §§ 102.8(a), 110.6(c)(1) and 110.6(c)(4).

**III. RECOMMENDATIONS**

1. Open a Matter Under Review.
2. Find reason to believe that the United Republican Fund of Illinois - Federal Election Account and H. L. Osborn, as treasurer, violated 2 U.S.C. §§ 434(b)(4), 441b, and 11 C.F.R. §§ 102.5(a), 102.8(a), 106.1(e), and 110.6(c)(1) and (c)(4).
3. Find reason to believe that the United Republican Fund of Illinois and H. L. Osborn, as treasurer, violated 2 U.S.C. §§ 441b and 11 C.F.R. § 102.5(a).

United Republican Fund of  
Illinois and H. L.  
Osborn, as treasurer

Dear Mr. Osborn:

On September 15, 1987, the Federal Election Commission found that there is reason to believe that the United Republican Fund of Illinois - Federal Election Account ("Committee") and you, as treasurer, violated 2 U.S.C. §§ 434(b)(4), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act") and 11 C.F.R. §§ 102.5(a) and 106.1(e) of Commission regulations. On September 15, 1987, the Commission also found that the United Republican Fund of Illinois and you, as treasurer, violated 11 C.F.R. § 102.5(a) of Commission regulations. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office, along with answers to the enclosed questions, within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

The investigation now being conducted will be confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Susan Beard, the attorney assigned to this matter, at (202) 376-8200.

RECEIVED  
FEDERAL ELECTION COMMISSION  
OFFICE OF GENERAL COUNSEL  
87 OCT -6 PM 2:12

Dear Ms. Beard:

Enclosed please find a Statement of Designation of Counsel in the above-captioned matter.

On behalf of my client, the United Republican Fund of Illinois, I would like to respectfully request an extension of twenty (20) days to submit answers to the interrogatories and to respond to the document requests enclosed with the Chairman's letter, dated September 23, 1987, as well as to submit additional materials relevant to the Commission's consideration of this matter. My reasons for requesting this extension are as follows:

1. While the Complaint was mailed on September 23, 1987, the Executive Director of the United Republican Fund of Illinois did not actually open it until Thursday, October 1, 1987.

2. As soon as the Executive Director opened the Complaint, he immediately contacted one of my partners in Chicago, and he made numerous efforts to contact Mr. Osborn, the Treasurer. To date, he has not been able to reach Mr. Osborn by telephone.

3. I first discussed the matter with one of my partners in Chicago late in the evening on Thursday, October 1, 1987. However, I was out of the city until October 4, 1987, and I did not receive any materials from my Chicago office until Monday, October 5, 1987.

4. Obviously, we will have to reach Mr. Osborn, and we will need time to review the factual and legal analysis. In addition, we will also need time to answer the interrogatories and request for documents. Based on my preliminary review of this material, the factual analysis required to respond adequately to the Commission will be time-consuming.

Therefore, for the above reasons, I respectfully request on behalf of my client an extension of twenty (20) days to respond. It is my understanding that the current due date is October 13, 1987, and I request an extension of twenty (20) days from that date.

I would appreciate hearing from you as soon as possible concerning this request.

Sincerely,

Steven L. Engelberg

COMPREHENSIVE INVESTIGATIVE REPORT

On September 15, 1987, the Commission found reason to believe that the United Republican Fund of Illinois - Federal Election Account and H.L. Osborn, as treasurer, violated 2 U.S.C. § 434(b)(4) and 11 C.F.R. §§ 102.5(a) and 106.1(e). On the same day the Commission also found reason to believe that the United Republican Fund of Illinois and H.L. Osborn, as treasurer, violated 11 C.F.R. § 102.5(a). These findings were based on transfers from the non-federal to the federal account and on a failure to timely allocate administrative expenses.

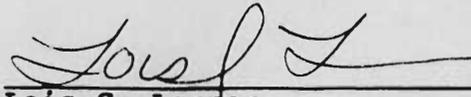

The Respondents were notified of the reason to believe findings on September 23, 1987. On October 6, 1987, this Office received a request for an extension of time to respond to the reason to believe findings and the interrogatories and the requests for production of documents. The request stated that the Committee had been unable to locate its treasurer, Mr. Osborn, and that counsel was out of town and thus needed additional time to prepare a response. In light of these circumstances this Office granted an extension of time of twenty-days, until November 2, 1987.

88040711348

After receiving these responses and evaluating them, this Office will report to the Commission with appropriate recommendations.

Re: MUR 2536

Dear Mr. Thomas:

This response is submitted on behalf of the United Republican Fund of Illinois -- Federal Election Account ("URFI") and H.L. Osborn, as Treasurer. Enclosed herewith are the Answers to Interrogatories propounded to URFI. (Mr. Kent Whitney has succeeded Mr. Osborn as Treasurer of URFI.)

In responding to the Commission's findings as stated in your letter of September 23, 1987, URFI would like to point out that immediate corrective action was taken when problems with previous reports were called to the attention of Mr. Osborn and URFI. By their correspondence of January 7, 1987, February 4, 1987 and February 16, 1987, URFI responded to the Commission's inquiries and submitted amended reports to the Commission showing that corrective action had been taken.

This corrective action consisted of transfers back from the Fund's federal account to the non-federal account, and an allocation of administrative expenses between the two accounts. These corrective measures were promptly implemented upon notice from the Commission, and URFI requests that their prompt action be given due consideration.

The problems which required these corrective actions stem in part from the initial affiliation of URFI with the Illinois State Republican Party. Although URFI subsequently severed this affiliation, a misapprehension concerning the

applicable reporting requirements persisted and unfortunately resulted in the problems noted by the Commission. The fund transfers which have caused problems were made openly and were recorded in reports in the manner which URFI believed was appropriate.

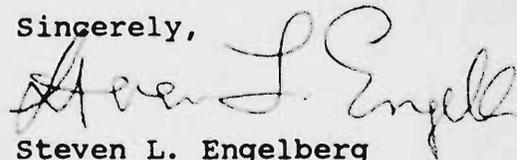

In their continuing good faith effort to meet all of the Commission's reporting requirements in a timely and satisfactory manner, URFI has arranged to retain expert assistance in preparing future reports. Their goal is to avoid any future occurrences of the unintentional problems which have arisen in the past.

URFI has acted in good faith and has made best efforts to comply with all provisions of the Federal Election Campaign Act. It intends to assure that its future filing record will be perfect. While it is not a justification for mistakes made, URFI hopes that the Commission will remain mindful of the fact that the minimal activity in their federal account contributed to URFI's inadequate reporting, and that corrective action has been taken. For this reason, it requests that the Commission take no further action in this matter. However, if the Commission is not inclined to close this matter, respondents request pre-probable cause conciliation.

I am available to discuss this matter with you further at your convenience.

Thank you for your consideration.

Sincerely,

  
Steven L. Engelberg

1. b. Identify the sources of funds received by the United Republican Fund's Non-Federal Account(s) constituting the balances in the accounts on the above dates. For purposes of this matter such funds constituting the balance are the contributions received by URF most recent to each specified date. The source of the funds should be broken down by contributor name, amount of contribution, and date of contribution.

ANSWER. The computer record keeping system employed by URFI prior to 1986 was structured to facilitate the reporting of donors whose aggregate donations exceeded \$150.00 which was the required disclosure limit under Illinois state law. Where donations did not exceed \$150.00, the record keeping system was not designed to match donor names with the specific date of contributions. Therefore, the records available in many instances do not allow matching of contributor names, amount of contribution and date of contribution for the year 1985. Where available, this information is supplied in the list below. Also, a computer printout of all donations in 1985 by contributor is attached as Attachment 1. The limitations of our record keeping system have been corrected, and most of the information requested is available for 1986. All available information requested for 1986 is contained in Attachment #1(a).

ANSWER. The following contributions were deposited into the United Republicans Fund's Non-Federal Account on the dates listed below. These contributions are recorded as of the date of deposit which may not be the same as the date of the transaction record at the financial institutions due to established banking practices regarding recordation of deposits. With respect to the dates on which contributions were transferred out of the non-federal account, see Answer to 3.c. below.

ANSWER. The following amounts were paid to the indicated candidates on the dates listed:

Date	Candidate	Amount
3-05	Citizens for Gottlieb	5,000.00
3-11	Friends of Hiram Crawford, Jr. for U.S. Congress	1,000.00

3-18	Dennis Stear for U.S. Representative-17th District	150.00

3. e. State whether each earmarked contribution was passed on to the intended recipient by cash, contributor's check or United Republican Fund check;

ANSWER. All of the amounts paid to candidates, as listed in 3.d. above, were paid by check drawn on the United Republican Fund of Illinois' Federal Election Account at the Continental Illinois National Bank and Trust Company of Chicago.

38040711397

3. f. State whether these contributions were earmarked by the contributor;

ANSWER. All of the contributions which are listed in

3.a. above were earmarked by the respective contributors.

88040711398

3. g. Describe the method by which these contributions were earmarked;

Answer. All of the contributions which were listed in 3.a. above were solicited by the respective candidate for whom the contribution was earmarked.

Candidates were informed that the United Republican Fund would return to the candidate any contribution made to the United Republican Fund which had been solicited by the candidate and earmarked by the contributor for the candidate himself, as per Federal Election Commission regulations regarding earmarked contributions.

The incentive for candidates was that the United Republican Fund Federal Election Account would match, in whole or in part, the amount of the earmarked contribution passing through the Fund's account to the candidate. The incentive for the fund was that endorsed candidates would work harder to raise finances for themselves, and that the fund would obtain the names of candidate donors for its mailing list. Contributors, therefore, orally, or occasionally in the memo of their check, indicated that their check to the United Republican Fund was earmarked for the candidate.

88040711399

3. i. State whether the United Republican Fund provided the recipient candidates a report that included the information required by 11 C.F.R. §110.6(c)(4). If so, provide copies of each such report.

ANSWER. Because the candidate himself acted as solicitor of the earmarked gift and knew the contributor, the object of the reporting requirement under 11 CFR 110.6(c) was thought to be fulfilled and the report unnecessary. The United Republican Fund intends to ensure that all Commission reporting requirements are fully met in the future, and the procedures discussed herein will be restructured to attain that goal.

38040711401

4. a. State the total amount of administrative expenses incurred and/or paid by the United Republican Fund in 1985 and 1986.

ANSWER. The total administrative expenses paid by the United Republican Fund of Illinois during the years ended December 31, 1985, and 1986, amount to \$72,225, and \$80,587, respectively.

88040711402

4. b. State and describe the method used to allocate administrative expenses between the United Republican Fund's federal and non-federal accounts for 1985 and 1986.

ANSWER. The non-Federal account of the United Republican Fund paid the total administrative burden and was reimbursed by the Federal Election Account of the United Republican Fund. The amount of administrative burden allocated to the Federal Election Account of the United Republican Fund was computed based as a percentage of receipts from the Federal Election Account over the combined receipts of the Federal Election Account and the non-Federal account of the United Republican Fund. The percentage was based on the cumulative figures from the beginning of the calendar year. Attached hereto as Attachment 4 is a worksheet which details the formula utilized for allocating administrative expenses.

88040711403

4. c. State when the allocation of the administrative expenses between the United Republican Fund's federal and non-federal account was made for calendar years 1985 and 1986.

ANSWER. The allocation of administrative burden between the Federal Election Account and the non-Federal account of the United Republican Fund for the years ended December 31, 1985, and 1986, was paid on February 16, 1987. This allocation was made promptly upon receiving notice from the Commission that the United Republican Fund's administrative allocation for the federal account was not properly made. (See correspondence and amended reports forwarded to Mr. Michael D. Butterfield by H.L. Osborn on February 16, 1987.)

88040711404

4. d. With respect to each allocated expense, identify the total amount paid, the date of payment, and the purpose of the expense.

ANSWER. Expenses were allocated to cover the administrative costs associated with the federal account as follows:

Date	Purpose	Amount
02-16-87	Allocation of full administrative expenses for 1985	\$2,967
02-16-87	Allocation of all administrative expenses for 1986	\$1,686
	Total Reimbursement	\$4,653

88040711405

4. e. Explain in detail the reason(s) why the administrative expenses of the United Republican Fund allocable to the federal account were not reported by the federal account for the reporting period in which such expense was incurred or paid.

ANSWER. An allocation of administrative burden was not reported or paid in the reporting periods for 1985, and 1986, because the United Republican Fund had conducted their entire efforts to finance state and local elections and received only an occasional federal contribution prior to 1985. Beginning in 1985, the United Republican Fund received many earmarked contributions. Inasmuch as the United Republican Fund was only a conduit, as described in Answer 3.g. above, it was felt an allocation of administrative burden would not be required. This procedure has been revised pursuant to the notices received from the Commission.

88040711406

5. Provide a list of, and copies of all checks and any other documents relating to the United Republican Fund's contributions, whether or not earmarked, to Citizens for Gottlieb, Friends of Hiram Crawford, Jr., for U.S. Congress, Citizens for Tierney, Sam McHard for Congress, Salvi for Congress, and Dennis Stear for U.S. Rep. 17th Dist. with respect to the 1986 election cycle.

**ANSWER.** See copies of checks attached hereto as Attachment 5.

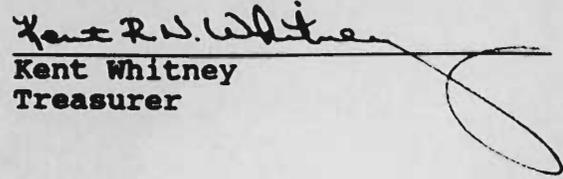

The following list provides information regarding all contributions provided by the United Republican Fund to Citizens for Tierney, Sam McHard for Congress, Salvi for Congress, and Denni Stear for U.S. Rep. 17th Dist. with respect to the 1986 election cycle:

Re: United Republican Fund of Illinois, MUR 253

Dear Ms. Beard:

This letter will confirm the matters which we have discussed in our telephone conversations of the past several days.

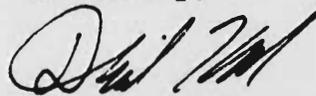

First, the response filed on behalf of the United Republican Fund of Illinois is intended to respond to all aspects of the Commission's inquiry and is not limited to the Fund's Federal Account. I apologize for any confusion with respect to this issue, and we would request pre-probable cause conciliation with respect to all matters, not just the Federal Election Account.

Second, Mr. Kent Whitney is the Fund's Treasurer with respect to both the federal and non-federal accounts.

Finally, I have asked the Fund to prepare answers to Interrogatories #1(a) and (b) for the date of September 18, 1986. This information is being prepared and will be forwarded to you promptly.

If I can provide any further information, please call.

Sincerely,

David Kovach

**GENERAL COUNSEL'S REPORT**

**I. BACKGROUND**

On September 15, 1987, the Commission found reason to believe that the United Republican Fund of Illinois - Federal Election Account and H. L. Osborn, as treasurer, violated 2 U.S.C. § 434(b)(4) and 11 C.F.R. §§ 102.5(a) and 106.1(e). On the same day, the Commission also found reason to believe that the United Republican Fund of Illinois and H. L. Osborn, as treasurer, violated 11 C.F.R. § 102.5(a). These findings were based on transfers from the non-federal to the federal account and on a failure to timely allocate administrative expenses. On November 2 and 13, 1987, responses were received by the Commission which included requests for pre-probable cause conciliation.

**II. ANALYSIS**

The response received consists of several hundred pages, many of which are copies of reports filed by the United Republican Fund with the State of Illinois. Since the response is lengthy, it will take some time to review and analyze the

information provided by Respondents. Once the review of the response is completed, this Office will circulate a further report with appropriate recommendations to the Commission.

**III. RECOMMENDATIONS**

1. Decline at this time to enter into conciliation prior to a finding of probable cause to believe with the United Republican Fund of Illinois - Federal Election Account and Kent Whitney, as treasurer, and the United Republican Fund of Illinois and Kent Whitney, as treasurer.
2. Approve the attached letter.

United Republican Fund of  
Illinois and Kent  
Whitney, as treasurer

Dear Mr. Engelberg:

On September 23, 1987, your clients were notified that the Federal Election Commission found reason to believe that your clients, the United Republican Fund of Illinois - Federal Election Account and its treasurer violated 2 U.S.C. § 434(b)(4) and 11 C.F.R. §§ 102.5(a) and 106.1(e), and that the United Republican Fund of Illinois and its treasurer violated 11 C.F.R. § 102.5(a). On November 2 and 13, 1987, you submitted requests to enter into conciliation negotiations prior to a finding of probable cause to believe.

The Commission has considered your request and determined, because of the need to complete its review of your clients' response, to decline at this time to enter into conciliation prior to a finding of probable cause to believe.

At such time when the review of your clients' response has been completed, the Commission will reconsider your request to enter into conciliation prior to a finding of probable cause to believe.

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On September 15, 1987, the Commission found reason to believe that the United Republican Fund of Illinois - Federal Election Account and its treasurer ("Federal Account") violated 2 U.S.C. § 434(b)(4) and 11 C.F.R. §§ 102.5(a) and 106.1(e). On the same day, the Commission also found reason to believe that the United Republican Fund of Illinois and its treasurer ("State Account") violated 11 C.F.R. § 102.5(a).1/

1/ The First General Counsel's Report also recommended finding reason to believe that the State Account violated 2 U.S.C. § 441b and that the Federal Account violated 2 U.S.C. § 441b and 11 C.F.R. §§ 102.8(a) and 110.6(c)(1) and (c)(4). These additional recommendations dealt with the possible transfer of corporate funds and the passing on of earmarked contributions. This Office has reviewed the tape of the discussion of this matter at the September 15th meeting. After a lengthy discussion on the issues raised in the First General Counsel's Report the Commission found reason to believe on 2 U.S.C. § 434(b)(4) and 11 C.F.R. §§ 102.5(a) and 106.1(e) against the Federal Account and on 11 C.F.R. § 102.5(a) against the State Account. The Commission also approved sending all of the interrogatories proposed by the Office of the General Counsel, which included questions relating to the corporate funds and earmarking issues. Based on the discussion and motion on which the Commission's action was based, it is this Office's understanding that recommendations regarding these issues would be possible after a review of the responses to the interrogatories. Such recommendations are discussed and included in this report and the proposed conciliation agreement.

88040711679

The violation of Section 102.5(a) against all Respondents was based upon a series of transfers and loan repayments that were made from the State Account to the Federal Account during the 1985-86 election cycle. The violations of 2 U.S.C. § 434(b)(4) and 11 C.F.R. §§ 102.5(a) and 106.1(e) against the Federal Account were based on the allocation of administrative expenses between the Federal and State Accounts.

On November 2 and 13, 1987, responses were received by the Commission which included requests for pre-probable cause conciliation. On November 27, 1987, the Commission decided to decline to enter into pre-probable cause conciliation pending a full review of the responses received.

## II. ANALYSIS

The responses received by the Commission affect the legal analysis that was presented in the First General Counsel's Report of September 1, 1987.

### A. Transfers and Loan Repayments from the State Account

During the 1985-86 election cycle, \$33,323 were either transferred from the State Account to the Federal Account or were loan repayments from the State Account to the Federal Account. According to amended reports filed by the Committee, \$10,220 of the amount originally reported as transfers were in actuality

88040711630

funds that had been earmarked by their contributors as being for federal candidates. These earmarked funds had been deposited initially into the State Account. During February, 1987, the remaining \$23,103 consisting of \$16,055 in transferred funds and \$7,048 in loan repayments were taken out of the Federal Account and returned to the State Account.

Based upon the responses received, it appears that a portion of the \$16,055 in funds that were transferred from the State Account to the Federal Account may not have met the limitations and prohibitions of the Act. Pursuant to 2 U.S.C. § 441b, corporate funds cannot knowingly be deposited into a federal account.

The Respondents used a LIFO analysis to determine the origin of the funds that were in the State Account on each date that a transfer occurred from the State Account to the Federal Account. From the information supplied by Respondents, it appears that there were corporate funds in the State Account on all but one<sup>2/</sup>

<sup>2/</sup> In several cases the responses received are not clear regarding whether a contributor was a corporation or not. On two dates it is not totally clear whether corporate funds were present in the State Account. For March 4, 1986, the responses included among the contributors the following: Robert Dold/Rose Exterminator Co.; E.A.; Thomas R. Roeser, Quaker Oats; Tom B[R]oeser Quaker Oats; and, Citizens for Barkhausen. For September 18, 1986, the contributors included Herbalife Supervisors and Oak Park Freedom Committee. For the present this Office is assuming that at least some of these contributors are corporations or contributed corporate funds.

8 3 0 4 0 7 1 1 6 8 1

of the dates on which funds were transferred from the State to the Federal Accounts. The dates on which corporate funds were present are: May 28, 1985; June 30, 1985; March 4, 1986; March 11, 1986; March 13, 1986; March 20, 1986; September 18, 1986; October 10, 1986; and, October 29, 1986. Attachment 1 at 6-45. The only date on which funds were transferred from the State Account to the Federal Account when no corporate funds were in the State Account was January 29, 1985. Attachment 1 at 6.

As far as the \$7,048 in loan repayments are concerned, the Federal Account reported making several loans to the State Account. During the 1985-86 election cycle the State Account repaid \$7,048 of these loans. Pursuant to 11 C.F.R. § 100.7(a)(1)(i)(E), a political committee under the Act may make a loan to any person. The repayment of the principal amount of the loan shall not be a contribution from the debtor to the lender committee; however, the repayment must be made with funds that are subject to the prohibitions concerning contributions by foreign nationals, corporations and labor unions. Id. Based upon the responses received it appears that the loan repayments met the provisions of 11 C.F.R. § 100.7(a)(1)(i)(E). While there were corporate funds in the State Account on four of the five dates on which loan repayments were made, it appears that on each of the dates there were sufficient non-corporate funds available

83040711632

to cover the amounts of the loan repayments for that date.<sup>3/</sup>  
Loan repayments were made on January 29, 1985; May 28, 1985;  
February 14, 1986; March 4, 1986; and, October 10, 1986.

Since corporate funds were present in the State Account on dates on which the \$16,055 in transfers (other than the loan repayments) occurred from the State Account to the Federal Account, a violation of 2 U.S.C. § 441b occurred. Accordingly, this Office recommends that the Commission find reason to believe that the United Republican Fund of Illinois - Federal Election Account and Kent Whitney, as treasurer, and the United Republican Fund of Illinois and Kent Whitney, as treasurer, violated 2 U.S.C. § 441b. This violation is included in the proposed conciliation agreement.

**B. Allocation of Administrative Expenses**

On September 15, 1987, the Commission found reason to believe that the Federal Account violated 2 U.S.C. § 434(b)(4), and 11 C.F.R. §§ 102.5(a) and 106.1(e) for failing to properly

---

<sup>3/</sup> Recently, in MUR the Commission discussed whether the presence of corporate funds in a debtor's account would violate the provisions of 11 C.F.R. § 100.7(a)(1)(i)(E) and 2 U.S.C. § 441b, even if there were sufficient non-corporate funds. In MUR, there were insufficient non-corporate funds, and as a result the issue did not need to be resolved. However, it is this Office's understanding that the Commission would view the presence of sufficient noncorporate funds in the debtor's account at the time of the loan repayment as meeting the requirements of 11 C.F.R. § 100.7(a)(1)(i)(E). This Office's understanding is reflected in the Factual and Legal Analysis.

88040711633

and timely allocate administrative expenses and report the allocation.

The Respondents used a formula that was based upon receipts received by each account to calculate the allocation of administrative expenses. Attachment 1 at 54. The formula consisted of a ratio of the receipts of the Federal Account over the combined receipts of both accounts. The ratio was based on the cumulative figures from the beginning of the calendar year. By using this formula, the Respondents determined that the Federal Account owed the State Account \$4,653 in administrative expenses over the period from January 1, 1985, to December 31, 1986. The Federal Account paid the State Account \$4,653 for its share of administrative expenses in February, 1987. The method of allocation used by the the Respondents is identical to one described in the FEC Record of December 1977. Therefore, this method of allocation appears to be "reasonable" as required by 11 C.F.R. §§ 102.5(a) and 106.1(e).<sup>4/</sup>

<sup>4/</sup> The FEC Record discussed a staff guideline which read:

The allocable Federal portion of the administrative expenses is determined by the ratio of (1) the total amount which the Federal campaign committee received into its Federal account to (2) the total of all receipts [of both the Federal and non-Federal committees].

The FEC Record continued to state that the ratio should be cumulative from the beginning of the year to the closing date of the report, and that receipts such as refunds and loan repayments should not be included in the figure for total receipts. The Respondents stated that the ratio they used was based on the cumulative figures from the beginning of the calendar year.  
(Footnote continued)

83040711634

In their response, Respondents also stated that the allocation of administrative expenses for 1985 and 1986 was not made until February of 1987. Attachment 1 at 55. Thus, it appears that the allocation and reporting were not timely.

Accordingly, this Office is recommending that the Commission take no further action against the United Republican Fund of Illinois - Federal Election Account and its treasurer, for violations of 11 C.F.R. §§ 102.5(a) and 106.1(e) regarding the method of the allocation of administrative expenses, but to retain a violation of 2 U.S.C. § 434(b)(4) in the proposed conciliation agreement for the failure to timely report these allocations.

C. Earmarked Funds

As noted above, the Committee has stated that \$10,220 of the amount originally reported as a transfer to the Federal Account were earmarked contributions mistakenly deposited into the State Account.<sup>5/</sup> The responses to the interrogatories on this issue show that the Committee did not properly report and transmit

(Footnote continued)

Attachment 1 at 54. The Commission is currently involved in a rulemaking proceeding on allocation methods. See Agenda Document 88-15.

<sup>5/</sup> The Committee's response to the interrogatories states that only \$10,200 were transferred. Attachment 1 at 46. However, prior reports filed by the Committee and other portions of the Committee's response indicate that \$10,220 in earmarked contributions were accepted. This Office is using the \$10,220 figure for the earmarked funds analysis and has not been able to account for the \$20 discrepancy.

88040711685

these funds as earmarked contributions, notwithstanding their deposit into the State Account and their subsequent transfer to the Federal Account.

The Act provides that the intermediary or conduit of earmarked funds must report the original source and the intended recipient of such funds to the Commission and the intended recipient. 2 U.S.C. § 441a(a)(8). Commission regulations require that if earmarked funds pass through a conduit's account, the conduit must disclose each contribution on schedules of itemized receipts and expenditures. 11 C.F.R. § 110.6(c)(1)(i). If the contribution was passed on in the form of the contributor's check, then the conduit must disclose each contribution on a separate schedule attached to the conduit's next report or a letter. 11 C.F.R. § 110.6(c)(1)(ii). In either case, the report must include: the contributor's name, address, occupation and employer (only if the contribution exceeds \$200), amount of contribution, the date the contribution was received by the conduit, the intended recipient as designated by the contributor, the date the contribution was passed on, and whether the contribution was passed on by cash, contributor's check or conduit's check. 11 C.F.R. § 110.6(c)(4). A conduit has 10 days after receipt of an earmarked contribution to pass it on, if the intended recipient is an authorized political committee. 11 C.F.R. § 102.8(a) and (c).

In its response, the Federal Account stated that it failed to report the original source of the earmarked funds to the

8 8 0 4 0 7 1 1 6 8 6

intended recipients. Attachment 1 at 52. The failure to report this information is a violation of 2 U.S.C. § 441a(a)(8). The report covering the earmarked contributions that was filed with the Commission failed to state the date the contribution was passed on to the intended recipient and whether the contribution was passed on in cash, by contributor's check, or by conduit's check. Attachment 1 at 112-124. Failure to report this information is a violation of 11 C.F.R. § 110.6(c)(4).

As far as the timely transmittal of the earmarked contributions is concerned, there appears to be several instances in which the earmarked contributions were not passed on to the intended recipients within ten days. With regard to Citizens for Gottlieb, the Respondents reported receiving \$5,100 in earmarked contributions. Attachment 1 at 113-114. However, the Respondents only passed on \$5,000 to the Gottlieb campaign. Attachment 1 at 47. Therefore, it appears that \$100 was never passed on. With regard to the Salvi for Congress Committee, the Respondents received \$500 in earmarked contributions on March 7, 1986, and an additional \$1,200 on March 18. Attachment 1 at 122. The Respondents paid the Salvi Committee \$3,800 on March 18. Attachment 1 at 47. Thus, \$500 of the earmarked contributions were not passed on until the eleventh day after they were received. Finally, with regard to Dennis Stear for U.S. Representative - 17th District, the Respondents received \$15 on March 6, \$60 on March 10, and \$75 on March 11. Attachment 1 at 123. The Respondents passed on these earmarked contributions on

1  
1

March 18. Attachment 1 at 47. Thus, \$15 in earmarked contributions were not passed on until 12 days after they were received.

Based on the response given by the Federal Account, it appears that the Federal Account violated 2 U.S.C. § 441a(a)(8) for failing to send reports covering the earmarked contributions to the intended recipients, 11 C.F.R. § 110.6(c)(4) for failing to include all of the required information regarding earmarked contributions in the report filed with the Commission, and 11 C.F.R. § 102.8(a) for failing to pass on the earmarked contributions within ten days of receipt. Accordingly, this Office recommends that the Commission find reason to believe that the United Republican Fund of Illinois - Federal Election Account and Kent Whitney, as treasurer, violated 2 U.S.C. § 441a(a)(8) and 11 C.F.R. §§ 102.8(a) and 110.6(c)(4). These violations are also included in the proposed conciliation agreement.<sup>6/</sup>

<sup>6/</sup> Based upon the Respondents' written response to the interrogatories, it appears that in three instances earmarked funds were passed on to the intended committees before the Respondents reported receiving the earmarked contributions from the original contributors. Attachment 1 at 39-41, 47, and 113-121. The committees involved were Citizens for Gottlieb, Citizens for Tierney and Sam McHard for Congress. According to Respondents' counsel, this discrepancy in the response is due to the fact that in these three instances the Respondents used the date the bank credited its account for the deposit of the earmarked contributions and not the date that the earmarked contributions were actually received. This Office was also informed that, for example, in the Gottlieb situation, a fundraiser was held on March 5, 1986, at which time the Respondents received \$5,000 in earmarked funds and that the Respondents issued a check to the Gottlieb Committee for \$5,000 on that day. The Respondents received an additional \$100 in earmarked funds for the Gottlieb campaign on March 18, 1986.

Illinois - Federal Election  
Account and Kent Whitney, as  
treasurer

United Republican Fund of  
Illinois and Kent Whitney, as  
treasurer

Dear Mr. Engelberg:

On September 15, 1987, the Federal Election Commission found reason to believe that the United Republican Fund of Illinois - Federal Election Account and its treasurer violated 2 U.S.C. § 434(b)(4) and 11 C.F.R. §§ 102.5(a) and 106.1(e) and that the United Republican Fund of Illinois and its treasurer violated 11 C.F.R. § 102.5(a). On March 8, 1988, the Commission determined that the United Republican Fund of Illinois - Federal Election Account and Kent Whitney, as treasurer, violated 2 U.S.C. §§ 441a(a)(8) and 441b and 11 C.F.R. §§ 102.8(a) and 110.6(c)(4). The Factual and Legal Analysis which formed a basis for the Commission's finding, is attached for your information.

At your request, on March 8, 1988, the Commission determined to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe.

Enclosed is a conciliation agreement that the Commission has approved in settlement of this matter. If your clients agree with the provisions of the enclosed agreement, please sign and return it, along with the civil penalty, to the Commission. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible.

RECEIVED  
FEDERAL ELECTION COMMISSION

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission ("the Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found reason to believe that the United Republican Fund of Illinois - Federal Election Account and its treasurer ("Federal Respondents"), violated 2 U.S.C. §§ 434(b)(4), 441a(a)(8) and 441b and 11 C.F.R. §§ 102.5(a), 102.8(a), 106.1(e) and 110.6(c)(4). The Commission also found reason to believe that the United Republican Fund of Illinois and its treasurer ("State Respondents"), violated 11 C.F.R. § 102.5(a).

NOW, THEREFORE, the Commission and the Respondents, having participated in informal methods of conciliation, prior to a finding of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C. § 437g(a)(4)(A)(i).

II. The Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

83040711712

III. The Respondents enter voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

1. Respondent, United Republican Fund of Illinois - Federal Election Account, is a political committee within the meaning of 2 U.S.C. § 431(4).

2. Respondent, United Republican Fund of Illinois, is a non-federal political committee that is registered and reports in Illinois.

3. Kent Whitney is the current treasurer of both the Federal and State Respondents, and was not associated with either Respondent at the time of the occurrences giving rise to the violations cited herein. During the period of the activities at issue in this Matter Under Review, H. L. Osborn was the treasurer of the Federal and State Respondents.

4. In 1985 and 1986, nine transfers of funds totalling \$26,275 were made from the State Respondents to the Federal Respondents:

<u>DATE</u>	<u>AMOUNT</u>	<u>PURPOSE</u>
1/29/85 or 5/28/85	\$ 75	transfer-in
6/30/85	8,500	transfer-in
3/4/86	3,000	transfer-in
3/11/86	3,200	transfer of earmarked contributions
3/13/86	3,000	transfer of earmarked contributions

88040711713

<u>DATE</u>	<u>AMOUNT</u>	<u>PURPOSE</u>
3/20/86	4,000	transfer of earmarked contributions
9/18/86	2,000	transfer-in
10/10/86	1,000	transfer-in
10/29/86	1,500	transfer-in

5. On January 29, 1985, there were no corporate or union funds in the State Respondents' account. However, on every other day on which a transfer occurred, there were corporate funds in the State Respondents' account.

6. The Federal Respondents did not perform or report an allocation of administrative expenses in 1985 or 1986. In February of 1987, the Federal Respondents performed an allocation and filed a separate allocation of administrative expenses which covered the period from January 1, 1985, to December 31, 1986. The administrative expenses allocated to the Federal Respondents over this period totalled \$4,653. The Federal Respondents contend that they misunderstood the requirements regarding the allocation of administrative expenses.

7. On June 30, 1986, the Commission received a letter from the Federal Respondents which stated that \$10,220 in receipts which had originally been reported as transfers-in from the State Respondents were funds that had been earmarked by their contributors for federal candidates. Attached to the letter were schedules regarding these funds. The schedules did not include

88040711714

the date the earmarked funds were passed on to the intended candidates and whether the earmarked funds were passed on by cash, contributor's check or conduit's check.

8. The Federal Respondents did not report the original source of the earmarked funds to the intended recipients of the earmarked funds.

9. The Federal Respondents received a total of \$1,700 in earmarked contributions for the Salvi for Congress Committee, \$500 of which was passed on to the intended recipient 11 days after it was received.

10. The Federal Respondents received \$150 in earmarked contributions for Dennis Stear for U.S. Representative - 17th District, \$15 of which was passed on to the intended recipient 12 days after it was received.

11. The Federal Respondents received \$5,100 in earmarked contributions for Citizens for Gottlieb, \$100 of this was not passed on to the intended recipient.

12. Section 434(b)(4) of Title 2 requires a political committee to report all disbursements, including operating expenses, for the reporting period and the calendar year.

13. Section 441a(a)(8) of Title 2 requires an intermediary or conduit to report the original source of earmarked contributions to the intended recipient and the Commission.

14. Section 441b of Title 2 prohibits a political committee from knowingly accepting or receiving directly or

88040711715

indirectly any funds from a corporation, union or national bank.

15. Pursuant to 11 C.F.R. § 102.5(a), an organization which is a political committee under the Act that finances activity in connection with both federal and non-federal elections and which has a separate federal account shall not transfer funds to the federal account from any other account maintained by the organization for the purpose of financing activity in connection with non-federal elections. Also, administrative expenses must be allocated on a reasonable basis between the federal account and any other account maintained by the Committee for the purpose of financing activity in connection with non-federal elections.

16. Pursuant to 11 C.F.R. § 102.8(a), an intermediary or conduit who receives earmarked contributions for authorized political committees shall forward the earmarked contributions to the intended recipient no later than 10 days after receipt.

88040711716

the name of his or her employer; (2) the amount of the contribution, the date the conduit received it, and the intended recipient as designated by the contributor; and, (3) the date the contribution was passed on to the intended recipient, and whether the contribution was passed on in cash, by contributor's check, or by conduit's check.

V. 1. The State Respondents transferred funds to a federal account from an account maintained for the purpose of financing non-federal elections in violation of 11 C.F.R. § 102.5(a).

2. The Federal Respondents failed to report the allocation of its administrative expenses in a timely manner in violation of 2 U.S.C. § 434(b)(4).

8. The Federal Respondents failed to file a report with the Commission and the intended recipients of the earmarked contributions which included the date the earmarked contributions were passed on to the intended recipients and whether the contribution was passed on in cash, by contributor's check, or by conduit's check in violation of 11 C.F.R. § 110.6(c)(4).

VI. Federal and State Respondents will pay a civil penalty to the Federal Election Commission in the amount of four thousand five hundred dollars (\$4,500.00), pursuant to 2 U.S.C. § 437g(a)(5)(A).

VII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement.
