OFFICE OF GENERAL COUNSEL

DATE: 20 April 1989

I. COMMITTEE: Dave Baker for Congress
(C00222133)
Patricia K. Baker, Treasurer
(June 15, 1988 to Present)
Hank Adler, Treasurer
(January 22, 1988 - June 14, 1988)
13722 Red Hill #41
Tustin, CA 92680^{1/}

II. RELEVANT STATUTE: 2 U.S.C. §441a(f)

III. BACKGROUND:

Acceptance of an Apparent Excessive In-kind Contribution

Dave Baker for Congress ("the Committee") received an apparent excessive in-kind contribution of \$11,000 from an individual. One refund of \$5,500 was made within sixty (60) days of receipt, resulting in an apparent excessive contribution of \$5,500.

Schedule A of the Committee's 1988 April Quarterly Report discloses the receipt, on January 17, 1988, of a \$1,000 contribution from Stella Crawford. This contribution is designated for the Primary election (Attachment 2).

Schedule A of the Committee's 1988 July Quarterly Report discloses the receipt of an \$11,000 in-kind contribution from Stella Crawford on June 3, 1988. This contribution is designated for the Primary election (Attachment 3). Schedule B of the Committee's July Quarterly Report identifies Stella Crawford's in-kind contribution as a contribution for Green Stripe Media (Attachment 4).

^{1/} The previous address of record was 24 Warmspring, Irvine, CA 92714. The change of address occurred on October 13, 1988.

00607040600

A Request for Additional Information ("RFAI") was sent to the Committee on September 27, 1988 (Attachment 5). The RFAI informed the Committee that there appeared to be a contribution made to the Committee that exceeded the limits set forth in the Act.

A response was received on October 16, 1988 (Attachment 6). This response included a copy of a \$5,500 repayment check, dated July 15, 1988, to Stella Crawford. In addition, the Committee provided a letter from Stella Crawford, dated August 20, 1988. In her letter, Stella Crawford states that she "received from you the balance of the \$11,000 borrowed (an additional \$5,500.00)." This letter supports the Committee's claim that the second check for \$5,500 was written on August 18, 1988.

The Committee's 1988 October Quarterly Report discloses the \$11,000 refund on Schedule B and Schedule C. On Schedule C, the Committee discloses that the candidate used personal funds to refund the apparent excessive in-kind contribution (Attachment 7).

SEP 27 1988

Identification Number: C00222133

Reference: July Quarterly Report (5/19/88-6/30/88)

Dear Ms. Baker:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. An individual or a political committee other than a multicandidate committee may not make a contribution to a candidate for Federal office in excess of \$1,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office. (2 U.S.C. §§441a(a) and (f); 11 CFR 110.1(b), (e) and (k))

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limits, you should either refund to the donor the amount in excess of \$1,000 or get the donor to redesignate and/or reattribute the contribution in writing. All refunds, redesignations, and reattributions must be made within sixty days of the treasurer's receipt of the contribution. Copies of refund checks and copies of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR 104.8(d)(2), (3) and (4))

3 9 1 3 3 7 0 6 7 7

TG

DAVE BAKER FOR CONGRESS
PAGE 2

Although the Commission may take further legal steps, prompt action by you to refund or seek redesignation and/or reattribution of the excessive amount will be taken into consideration.

-Line 17, Column A, of the Detailed Summary Page discloses \$169,737.41 in operating expenditures. The total on the last page of Schedule B supporting this Line is \$169,737.41; however, the sum of all entries itemized equals \$168,678.57. Please explain this discrepancy and amend your report(s) accordingly.

-Commission Regulations requires the reporting of all contributions/loans received by your committee. 48 Hour Notices on file with the Commission indicate that you may have failed to report several contributions/loans received by your committee during May 19 through June 4, 1988 (i.e., Dave Baker - \$90,300). Please amend your report to clarify if this contribution and others need to be disclosed within this report.

-Commission Regulations define the term "purpose" to mean a brief statement or description of why a debt is owed. Examples are "dinner expense", "media", "salary", "polling", "travel", "party fees", "phone banks", "travel expenses", "travel expense reimbursement" and "catering costs". Unacceptable descriptions include "advance", "election day expense", "expenses", "other expenses", "expense reimbursement", "miscellaneous", "outside services", "get-out-the-vote" and "voter registration". (11 CFR 104.3(b)(4)) Please amend Schedule D of your report to clarify the descriptions which do not meet the requirements of the Regulations.

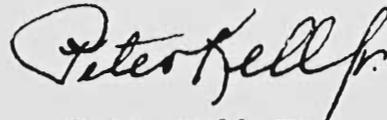

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-Primary report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. (11 CFR 104.5(f))

RE: DAVE BAKER FOR CONGRESS
Response to your letter reference HQ-2

Identification Number: C00222133 / House of Rep. # 400409

Reference: July Quarterly Report (5/19/88-6/30/88)

Dear Mr. Hall:

First of all I apologise for the delay in responding to your letter. The Baker's have recently moved and the letter was forwarded. Address change in Statement of Organization will be forthcoming.

Sincerely, thank you for your assistance today over the phone. It is greatly appreciated.

Now to respond to your letter. I am enclosing a copy of your letter and have numbered the areas in question.

1. Excessive contribution:

Refund payments have been made directly out of the candidate personal funds on 7/14 and 8/18/88 and are reported on the 9/30/88 October Quarterly Report. Copies of the first check and a letter from Mrs. Crawford are attached. Hope this satisfies this problem.

2. Sch B line 17 -itemized sum vs. figure on last page:

The difference is \$1,058.84 which is the exact amount of the non-itemized disbursements. I was under the impression that the total figure on the last page of Sch B included the non-itemized figures. After our discussion today, I have made a note to my files of the correct procedure. Attached is a copy of the amended page in question.

3. 48 Hour Notices of contribution/loan by candidate by Dave Baker in the amount of \$90,300:

On June 4th I was informed that the candidate had paid out of his personal funds directly to vendors \$90,300 on June 3rd. Knowing the candidate would like to be reimbursed, I sent a mailgram as a loan. Several days after the election, I was advised that \$3,779.15 more had been paid to vendors by the candidate on June 3rd. Now it's too late for another mailgram. While preparing the next report, I

8 3 0 4 0 7 5 6 7 2 4 3 0

Wrote to Elaine Covey of the FEC on July 14 on how to report this "loan" considering that no monies from the candidate were deposited into the campaign checking account. She recommended that I show the total sum of \$64,879.15 as a debt owed to the candidate on Sch D. Sounded simple enough and took her advice. That is why the July quarterly report did not back up the mailgram "loan" by doing a Schedule C because it ended up on Line 10 of Schedule D.

4. Descriptions of purpose on Schedule D:

The October Quarterly report has all the correct descriptions. For your suggestion, also is an Attachment A that list the vendors paid out of Dave Baker's personal funds.

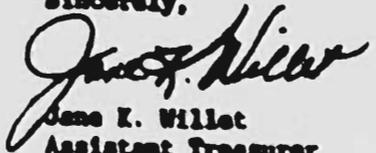

5. 48 Hour Notices:

Upon review of my mailgrams, and based on what information I had at that time, it appears that I did miss one. The name was John Corvelli who gave two checks within a two day period. I did not know about the Crawford 28-kind contribution until after the election nor the candidate's additional payments to vendors that took place on June 3rd. (see #6).

As I said on the phone, the campaign and candidate had an unfortunate breakdown in communication on June 3rd. However, all campaign related transactions have now been reported and /or rectified as of today. Now all we have to do is figure out how to pay off the debts owed by the campaign.

Again Mr. Kall, thank you for your help on this matter.

Sincerely,

Jane K. Willot

Dear Stella:

Thank you for your kind offer and contribution for the \$11,000.00 you had given to us in order to pay for the Green Strips Media services. Unfortunately it has recently been pointed out to us that this does not meet the campaign limitation guideline established by the Federal Elections Commissions.

Please find enclosed our check for \$5,500.00, in partial repayment of your kind gesture. The campaign report must show the transaction that had taken place and we apologise for any inconvenience it may cause. Again Stella, thank you very, very much for your kind support.

Sincerely,

Patricia K. Baker

FIRST GENERAL COUNSEL'S REPORT

RAD Referral 89L-07
STAFF MEMBER C. Miller

SOURCE: I N T E R N A L L Y G E N E R A T E D

RESPONDENTS: Dave Baker for Congress, and
Patricia Baker, as treasurer
Stella Crawford

RELEVANT STATUTES: 2 U.S.C. § 441a(a)
2 U.S.C. § 441a(f)

INTERNAL REPORTS CHECKED: Referral Materials

FEDERAL AGENCIES CHECKED: None

I. GENERATION OF MATTER

The Reports Analysis Division referred the Dave Baker for Congress Committee ("Committee") to the Office of the General Counsel because of the apparent receipt of an excessive in-kind contribution from Stella Crawford which was not refunded within 60 days. According to the Committee's reports, Ms. Crawford made an "in-kind contribution for media" of \$11,000 on June 3, 1988, having already contributed \$1,000 on January 17, 1988. Both contributions were designated for the primary election.

The Committee informed Ms. Crawford that the in-kind contribution was excessive, and refunded to her \$5,500 on July 15, 1988. The remaining \$5,500 was refunded to Ms. Crawford out of the candidate's personal funds on August 18,

3 3 0 4 0 7 6 6 1 5

1988.

The referral materials indicate that the Committee has less than \$6000 cash on hand, with outstanding debts in excess of \$183,000. It is noted, however, that Dave Baker for Congress was the requestor in AO 1989-2, where it was noted that part of the Committee's indebtedness is to the candidate himself. Baker has apparently decided to recharacterize his loan to the Committee of \$105,079 as a gift, leaving the Committee with an indebtedness of \$78,876.

II. FACTUAL AND LEGAL ANALYSIS

Pursuant to 2 U.S.C. § 441a, it is unlawful for any person to make a contribution for any election in excess of \$1,000, and for any political committee to accept a contribution in excess of that amount. 2 U.S.C. §§ 441a(a) and 441a(f). The definition of contribution, under the Act, includes "any thing of value," including all in-kind contributions. 2 U.S.C. § 431(8)(A), 11 C.F.R. § 100.7(a)(1)(iii)(A).

It is clear that the Committee accepted an excessive contribution from Ms. Crawford, and that the contribution was not expeditiously refunded. The full amount was finally refunded to Ms. Crawford on August 18, 1988, seventy-three days after the receipt of the contribution. Therefore, this Office recommends finding reason to believe that the Committee violated 2 U.S.C. § 441a(f) and that Stella Crawford violated 2 U.S.C. § 441a(a).

1. Open a MUR.
2. Find reason to believe that Dave Baker for Congress, and Patricia Baker, as treasurer violated 2 U.S.C. § 441a(f).
3. Find reason to believe that Stella Crawford violated 2 U.S.C. § 441a(a).

RE: MUR 2919

Dear Ms. Baker:

On June 21, 1989, the Federal Election Commission found that there is reason to believe the Dave Baker for Congress Committee ("Committee") and you, as treasurer, violated 2 U.S.C. § 441a(f), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

RE: MUR 2919

Dear Ms. Miller:

This letter will confirm our telephone conversation of yesterday, wherein I informed you, on behalf of my campaign, my wife and treasurer, Patricia K. Baker and my Aunt, Stella Crawford, that we request pre-probable cause conciliation.

In furtherance of your request, I am submitting this letter to you to reiterate the following:

1. In the hectic days of the campaign, after protracted personal expenses, an unintentional mistake was made in accepting this loan.

2. Mrs. Crawford was not an experienced political giver making a donation, but is my Aunt who was making a personal loan as she had in the past many years before I was ever a candidate. It was my misunderstanding that "personal" funds could be used for both personal living and if chosen, campaign needs. It was always regarded as a personal loan.

3. Upon discovering that this was not the case, we attempted to correct the problem as quickly as possible and fully disclosed the matter in all FEC reports. It was not our intention to hide or avoid anything.

4. The loan was repaid entirely from our personal funds and no campaign funds were ever used. A principal contention in the Factual and Legal Analysis appears to be that "the contribution was not expeditiously refunded" and took seventy-three days to refund the full amount. Upon realizing the mistake \$5,500.00 was repaid from our personal funds which was everything we could afford at the time. The balance was repaid August 20, 1989 immediately following the sale of our home which was necessary to pay for debts.

5. I have no intention of ever running for anything again and would readily give up that right if it helps at all. The campaign committee continues to be active only for the purpose of winding down and disposing of debts.

Finally, I would like to reiterate that I take full and complete responsibility personally for any mistake that was made. We never intentionally intended to violate anything, but were only trying to make sure that bills got paid; and attempted to do so at great personal expense to the fullest extent possible. Accordingly, I would respectfully request that any penalty be borne by me personally and not my wife or aunt.

My most sincere apologies to you and the Commission for requiring your time and attention to clarify this matter. Thank you very much for all your cooperation in resolving it as expeditiously as possible in what ever manner you and the Commission deem fully appropriate. Should you have any questions, please do not hesitate to contact me at (714) 832-6218.

Sincerely,

Dave Baker

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On June 21, 1989, the Commission found reason to believe that Dave Baker for Congress, and Patricia Baker, as treasurer (the "Committee") violated 2 U.S.C. § 441a(f), and that Stella Crawford violated 2 U.S.C. § 441a(a). The findings were based on information provided by the Reports Analysis Division indicating that the Committee had accepted an in-kind contribution from Ms. Crawford in the amount of \$11,000. Half of that amount was repaid to Ms. Crawford within sixty days, the remainder was repaid within 73 days of the contribution.

The Commission's findings and factual and legal analyses were sent to the respondents on June 30, 1989. On July 21, 1989, Dave Baker responded on behalf of his committee and Ms. Crawford, who is his aunt. The response admits to the violation and requests pre-probable cause conciliation.

(Attachment 1). Baker states that he and his wife repaid the in-kind contribution from personal funds, which required them to sell their own home. The delay in refunding the contribution resulted from the time required to complete the sale of their home.

3 3 0 4 0 7 6 5 6 2 7

II. DISCUSSION

This Office recommends taking no further action against the Committee and Ms. Crawford. It appears that the candidate made extensive efforts to expeditiously correct the situation once it was discovered to be a violation. The fact that the candidate went to the extent of selling his home to refund the contribution to his aunt should be considered as mitigating in this instance. Therefore, this Office recommends taking no further action and closing the file.

III. RECOMMENDATIONS

1. Take no further action.
2. Send the attached letter.

Dear Mr. Baker:

On June 21, 1989, the Federal Election Commission found reason to believe that Dave Baker for Congress, and Patricia Baker, as treasurer violated 2 U.S.C. § 441a(f) and that Stella Crawford violated 2 U.S.C. § 441a(a). On July 27, 1989, you submitted a response to the Commission's reason to believe findings in this matter.

After considering the circumstances of the matter, the Commission determined on August 28, 1989, to take no further action against Dave Baker for Congress, and Patricia Baker, as treasurer and Stella Crawford, and closed the file. The file will be made part of the public record within 30 days.
