I. COMMITTEE: Re-Elect Senator Pell Committee  
(C00075051)  
Emilie A. Benoit, Treasurer  
P.O. Box 1990  
Providence, RI 02901

II. RELEVANT STATUTE: 2 U.S.C. §441a(f)

III. BACKGROUND:

Receipt of Apparent Excessive Contributions

The Re-elect Senator Pell Committee ("the Committee") has accepted apparent excessive contributions totalling \$25,600 in 1990. These contributions were made by thirty (30) individuals and one (1) political committee. Refunds totalling \$7,700 and redesignations/reattributions totalling \$17,400 were made. Yet, these refunds, redesignations and reattributions were not made within sixty (60) days of the receipt of the excessive contributions.

Schedule A of the Committee's 1990 July Quarterly Report discloses the receipt of apparent excessive contributions for the primary election totalling \$21,350 from twenty-three (23) individuals and one (1) nonqualified political committee.

A Request for Additional Information ("RFAI") was sent to the Committee on October 10, 1990 regarding the 1990 July Quarterly and 12 Day Pre-Primary Reports. The RFAI notes the receipt of apparent excessive contributions and acknowledges that a number of contributions have been redesignated and reattributed (Attachment 2).

On November 1, 1990, a Second Notice was sent to the Committee for failure to respond to the Commission's letters (Attachment 3). The Notice noted that while certain apparent excessive contributions were refunded on the Committee's 1990 October Quarterly and 12 Day Pre-General Reports, the Committee had failed to provide a written response to the Commission's letter dated October 10, 1990.

93040954631

The Committee handled the apparent excessive contributions received during the 1990 July Quarterly reporting period in the following manner: (a) the Committee's 1990 12 Day Pre-Primary Report discloses \$6,500 in redesignations and reattributions to the general election which were outside the sixty (60) day time limit. (b) The 1990 October Quarterly Report discloses \$9,650 in refunds, redesignations and reattributions to the general election -- albeit outside the sixty (60) day limit. It should be noted that the Committee disclosed a redesignation of a \$2,000 contribution to the general election which previously had been reported as a primary election contribution. (c) The Committee's 1990 12 Day Pre-General Report discloses the refund of \$4,200 in apparent excessive contributions outside the sixty (60) day period and a redesignation of a \$1,000 excessive contribution.

Schedule A of the Committees 1990 12 Day Pre-Primary Report discloses the receipt of \$4,250 in apparent excessive primary election contributions. The Committee handled the excessive contributions in the following manner: (a) The Committee refunded \$2,000 in apparent excessive contributions. Specifically, a \$500 apparent excessive contribution was refunded on the 1990 October Quarterly Report and a \$1,000 apparent excessive amount was refunded on the 1990 12 Day Pre-Primary Report, but the refund was incorrectly made to the general election. Finally, a refund for a \$500 apparent excessive receipt was disclosed on the 1990 12 Day Pre-General Report. (b) The Committee redesignated \$2,250 in apparent excessive receipts outside the sixty (60) day period. \$750 was redesignated on the 1990 October Quarterly Report, \$500 was redesignated on the 1990 12 Day Pre-General Report and \$1,000 was redesignated on the 1990 30 Day Post-General Report.

On December 21, 1990, the analyst contacted a representative of the Committee to clarify a number of discrepancies concerning the Committee's treatment of some of the apparent excessive contributions. The Committee promised to send in a response (Attachment 4).

On January 2, 1991, an RFAI was sent to the Committee. The RFAI asked the Committee to provide the dates for the redesignations/reattributions reported on the 1990 October Quarterly and 12 Day Pre-General Reports (Attachment 5).

A Second Notice was sent to the Committee on January 24, 1991 for failure to respond (Attachment 6).

The Committee responded on January 25, 1991 by furnishing a list of the requested dates. Copies of the redesignations were provided (Attachment 7).

93040954632

Finally, on January 3, 1991, the Committee provided a copy of a letter dated September 17, 1990 from the political committee which made an apparent excessive contribution of \$1,500. The letter shows that the political committee agreed to redesignate \$1,000 to the general election. The Committee furnished a photocopy of a \$500 refund check to the political committee (Attachment 8).

Senator Pell Election Committee  
P.O. Box 1990  
Providence, R.I. 02901

Dear Sirs:

Our PAC sent a check for \$2,500. to Senator Pell's Campaign in April 1990. Because of the make up of our PAC we contributed more than was allowed according to the Federal Election Commission.

We must rectify our error and request that you distribute our money so that \$1000 is for the primary election and \$1000 for the general election. You will have to return \$500 to the Silver State PAC at the above address.

We are sorry that this mistake was made and we will encourage our individual members to contribute to your campaign.

Sincerely,

*Dorothy Eisenberg*

Dear Ms. Benoit:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

AG [ -On both reports, redesignations of excessive contributions are disclosed. Please supply the date these contributions were redesignated. ]

-Schedule A of your October Quarterly report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-Primary report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. Although the Commission may take legal action, any response you wish to make concerning this matter will be taken into consideration. (11 CFR §104.5(f))

Re: Re-elect Senator Pell Committee

Dear Mr. Gerlough:

This is a follow-up letter to our recent telephone conversation pertaining to the reports of the Re-elect Senator Pell Committee ("Committee"). Outlined below is the information concerning the reported items noted by you.

1. Attached are copies of redesignation letters for the Silver State PAC and Alan Hassenfeld's general election contributions. The redesignations were inadvertently omitted from the Committee's reports.
2. As I indicated over the telephone, the redesignation of \$ 2,000 as Steven J. Green's general election contribution was an inadvertent typographical error. The report should have indicated that \$ 1,000 was redesignated by Mr. Green for the general election.
3. Attached is a copy of the attribution for the partnership contribution by GENC Realty Management. This contribution was originally inadvertently attributed for two separate partners, when, in fact, the correct attribution was for one partner, who designated \$ 1,000 for the primary election and \$ 1,000 for the general election.

I trust that this information will be helpful in addressing your concerns. As I indicated in our discussion, I will be forwarding the remaining information under separate cover. Should

Dear Sirs:

Our PAC sent a check for \$2,500. to Senator Pell's Campaign in April 1990. Because of the make up of our PAC we contributed more than was allowed according to the Federal Election Commission.

We must rectify our error and request that you distribute our money so that \$1000 is for the primary election and \$1000 for the general election. You will have to return \$500 to the Silver State PAC at the above address.

We are sorry that this mistake we made and we will encourage our individual members to contribute to your campaign.

I. GENERATION OF MATTER

The Office of the General Counsel received a referral from the Reports Analysis Division ("RAD") on June 6, 1991.

Attachment 1. The basis of the referral is the receipt of apparent excessive contributions from thirty (30) individuals and one political committee totaling \$25,600 in calendar year 1990 by the Re-Elect Senator Pell Committee and Emilie A. Benoit, as treasurer (the "Committee"). The Committee refunded \$7,700 and redesignated and/or reattributed \$17,900<sup>1</sup> of the excessive portions of the contributions but not within sixty (60) days of their receipt.

The Committee was the principal campaign committee for

1. The referral from RAD indicates that this amount is \$17,400 but after further discussions with the analyst both this Office and RAD agree that the correct amount is \$17,900.

Senator Claiborne Pell's 1990 campaign for re-election to the U.S. Senate from the state of Rhode Island in the September 11, 1990 Primary Election and the November 6, 1990 General Election.

II. FACTUAL AND LEGAL ANALYSIS

The Federal Election Campaign Act of 1971, as amended (the "Act"), states that no person may make a contribution to a candidate for federal office, or his authorized campaign committee, in excess of \$1,000 per election. 2 U.S.C. § 441a(a). The term "person" is defined to include any individual, partnership, committee, association, corporation, labor organization or group of persons. 2 U.S.C. § 431(11). Pursuant to 2 U.S.C. § 441a(f), candidates and political committees are prohibited from knowingly accepting any contribution in violation of the provisions of Section 441a.

The treasurer of a political committee has the responsibility for determining the legality of any contributions received by the committee. In the case of excessive contributions, the treasurer has sixty (60) days from the date of receipt to obtain a reattribution or redesignation of the contribution to cure the illegality. 11 C.F.R. §§ 103.3(b)(3) and 110.1(b). Excessive contributions not reattributed or redesignated must be refunded to the contributor within sixty days. 11 C.F.R. § 103.3(b)(3).

RAD's review of the Committee's reports and responses to inquiries has identified excessive contributions totaling \$25,600 from thirty (30) individuals and one political committee. The excessive contributions appear to have been in

93040954746

connection with both the 1990 primary and general elections and were itemized on the Committee's 1990 July Quarterly and 12 Day Pre-Primary Reports. Specifically, RAD has identified the Committee's receipt of excessive contributions for the primary election totaling \$21,350 from twenty-three (23) individuals and one unqualified multicandidate political committee<sup>2</sup> and excessive contributions totaling \$4,250 for the general election from seven (7) individuals.

RAD notified the Committee on October 10, 1990 regarding the 1990 July Quarterly Report and noted the receipt of apparent excessive contributions. The notification letter pointed out that a number of the contributions had been reattributed and/or redesignated but that others had not. The notification also informed the Committee that the Commission may take further legal action with regard to the receipt of excessive contributions. Also on October 10, 1990, RAD notified the Committee regarding the 1990 12 Day Pre-Primary Report and the Committee's receipt of apparent excessive contributions. The notice instructed the Committee to either refund to the donor the amount in excess of \$1,000 or get the donor to redesignate or reattribute the contribution in writing. To date, the Committee has either refunded or reattributed and/or

---

2. On April 4, 1990 the Committee received a \$2,500 from the Silver State PAC. Since the Silver State PAC is not a qualified multicandidate committee and thus is limited to contributing \$1,000 per election to any authorized committee, its contribution to the Committee resulted in a \$1,500 excessive contribution. 2 U.S.C. § 441a(a)(1).

93040954747

redesignated all of the contributions but failed to do so within sixty days of their receipt.<sup>3</sup>

The Committee disclosed the receipt of the excessive contributions between April 4, 1990 and August 16, 1990 and the respective refunds and reattributions and/or redesignations between July 16, 1990 and October 22, 1990. A chart of the contributions and the Committee's subsequent course of action with regard to the contributions was prepared by RAD and is attached. See Attachment 1 at 5 through 8.

Therefore, because the Committee accepted contributions in excess of the limitations, the Office of the General Counsel recommends that the Commission find reason to believe that the Re-Elect Senator Pell Committee and Emilie A. Benoit, as treasurer, violated 2 U.S.C. § 441a(f).<sup>4</sup>

### III. DISCUSSION OF CONCILIATION AND CIVIL PENALTY

In addition to recommending that the Commission find reason to believe that the Committee violated 2 U.S.C. § 441a(f), this Office also recommends that the Commission offer to enter into conciliation with the respondents prior to a finding of probable cause to believe. Attached for the Commission's approval is a

3. One of these redesignations failed to correct the violation. On June 30, 1990 the Committee received a \$2,000 contribution from Osman Osmani for the primary election. On September 21, 1990 the Committee redesignated the \$2,000 to the general election, thus resulting in a \$1,000 excessive contribution designated to the general election. To date, this additional error has not been corrected.

4. In light of the amounts of the excessive contributions given by the individuals to the Committee, this Office makes no recommendations with regard to the individual contributors.

IV. RECOMMENDATIONS

1. Open a MUR.

RE: MUR 3383  
Re-Elect Senator Pell  
Committee and Emilie A.  
Benoit, as treasurer

Dear Ms. Benoit:

On August 27, 1991, the Federal Election Commission found that there is reason to believe that Re-Elect Senator Pell Committee ("Committee") and you, as treasurer, violated 2 U.S.C. § 441a(f), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

In order to expedite the resolution of this matter, the Commission has also decided to offer to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe. Enclosed is a conciliation agreement that the Commission has approved.

93040954751

Emilie A. Benoit

If you are interested in expediting the resolution of this matter by pursuing preprobable cause conciliation and if you agree with the provisions of the enclosed agreement, please sign and return the agreement, along with the civil penalty, to the Commission. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible.

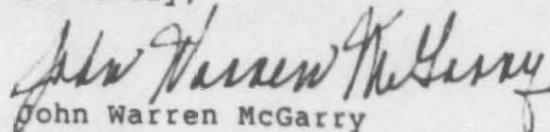

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Tamara Kapper, the staff member assigned to this matter, at (202) 219-3690.

individuals and one political committee. The excessive contributions appear to have been in connection with both the 1990 primary and general elections and were itemized on the Committee's 1990 July Quarterly and 12 Day Pre-Primary Reports. RAD notified the Committee on October 10, 1990 regarding the 1990 July Quarterly Report and noted the receipt of apparent excessive contributions. The notification letter pointed out that a number of the contributions had been reattributed and/or redesignated but that others had not. The notification also informed the Committee that the Commission may take further legal action with regard to the receipt of excessive contributions. Also on October 10, 1990, RAD notified the Committee regarding the 1990 12 Day Pre-Primary Report and the Committee's receipt of apparent excessive contributions. The notice instructed the Committee to either refund to the donor the amount in excess of \$1,000 or get the donor to redesignate or reattribute the contribution in writing. To date, the Committee has either refunded or reattributed and/or redesignated all of the contributions but failed to do so within sixty days of their receipt.

The Committee disclosed the receipt of the excessive

contributions between April 4, 1990 and August 16, 1990 and the respective refunds and reattributions and/or redesignations between July 16, 1990 and October 22, 1990.

Therefore, because the Committee received contributions in excess of the limitations, there is reason to believe that Re-elect Senator Pell Committee and Emilie A. Benoit, as treasurer, violated 2 U.S.C. § 441a(f).

Dear Ms. Kapper:

On behalf of the Re-Elect Senator Pell Committee and Emilie A. Benoit, as Treasurer, ("Respondents"), I request an extension of time to respond to the Commission's letter of September 6, 1991 notifying Respondents that the Commission found reason to believe in MUR 3383.

As the treasurer and I informed you, the Respondents did not receive the notification until September 24. Within several days, Respondents proceeded to contact and designate counsel to respond to the Commission. Respondent's former counsel was no longer available to assist in this matter. A Statement of Designation of Counsel signed by the treasurer is enclosed.

Respondents collected the files and related materials for transmittal to Perkins Coie. We received this information this week. An extension of time is necessary in order to review the records, have an adequate opportunity to discuss the issues with our client, collect factual information and prepare a comprehensive response. Therefore, pursuant to our telephone call yesterday, we are requesting an extension until October 18.

**Re: MUR 3383 - Re-Elect Senator Pell Committee and  
Emilie A. Benoit, as Treasurer**

Dear Ms. Kapper:

This letter constitutes the response by the Re-elect Senator Pell Committee (the "Committee") and Emilie A. Benoit, as treasurer, (the "Respondents") to the Commission's notification dated September 6, 1991, that the Commission found reason to believe that Respondents violated Section 441a(f) of the Federal Election Campaign Act of 1971, as amended (the "FECA"). Specifically, the Commission has identified thirty contributions that were not refunded, reattributed or redesignated within sixty days.

The Commission's Reports Analysis Division ("RAD") notified the Committee on October 10, 1990 about certain apparent excessive contributions and instructed the Committee to take necessary steps to correct this situation or amend the Committee's original report with clarifying information. The Committee responded promptly and thoroughly to this and all subsequent requests regarding these contributions. As the Factual and Legal Analysis states, the Committee has either refunded or reattributed and/or redesignated all of the contributions referenced in this Matter Under Review.

As it has over the years, the Committee worked diligently to achieve total compliance with the FECA, consulting with the Commission repeatedly to uphold its reporting responsibilities. Over the 1990 election period, the Committee received approximately 5,800 contributions and diligently monitored contributor's aggregate giving. Prior to the date of the Commission's request, the Committee had refunded, reattributed or redesignated all but nine of the

thirty contributions. Any remaining adjustments or refunds were made within one week after the date of this request. Moreover, approximately one-third of the contributions were acted upon within ten to fifteen days of the sixty-day period.

The Committee reported in each case where a contribution required redesignation or reattribution and promptly proceeded to notify the contributor. Committee staff made repeated efforts and spent considerable time contacting contributors to get reattributions and redesignations within the sixty-day period. Many of these attempts were frustrated by the contributors' travel and business schedules, particularly during the summer months. The Committee made repeated phone calls and sent several letters by mail and telecopier to reach the contributors. See Exhibit A. The Committee received verbal assurances from a majority of the contributors of their intent to redesignate or reattribute, often long before the written designation was received. If the contributor could not be reached, the contribution was refunded.

Not one of the individual contributions exceeded the aggregate \$2,000 limit for the primary and general elections. While a technical error may have occurred as to the precise time the Committee secured the contributors' written notices, the Committee had sufficient funds at all times during the period to refund the contributors. Moreover, it had sufficient funds to cover all expenses without using the contributions in question.

The Committee believes that its Herculean efforts to comply with the stringent terms of the sixty-day requirement and its broad success in doing so constitutes reasonable compliance and any variance was inadvertent and minimal. It also believes that nothing in the record suggests an intent at any time by the Committee to accept a contribution that was not fully in compliance with the statute and regulations.

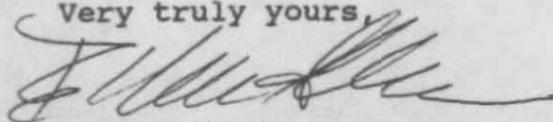

The Committee wishes to resolve this matter as quickly as possible and is, therefore, willing to enter into a conciliation agreement with the Commission at this stage of the proceeding.

Dear Mr. LeBow:

Thank you for your recent contribution of \$1,000.00 to the Re-elect Senator Pell Committee: Check No. 6977, dated June 21, 1990.

As you may know, Federal election laws limit contributions from individuals to \$1,000.00 per election. Thus your contribution would exceed the legal limit.

However, the law does allow separate \$1,000.00 contributions for both the primary and general elections. Thus we could accept your contribution if you were to designate on the enclosed form how you would apportion your contribution. We hope you find the form clear and helpful.

The law requires that we must receive the form within 60 days from the date we received your check or the check must be returned to you. Therefore, please return the form to the address on the form by August 21, 1990.

As an alternative, you may request the refund of your contribution.

RE: MUR 3383

Dear Ms. Schadler:

23040954766  
This letter will confirm our January 24, 1992 telephone conversation. Pursuant to our conversation, you agreed to locate and provide to the Office of the General Counsel evidence to support your argument that the Re-Elect Senator Pell Committee and Emilie A. Benoit, as treasurer, diligently attempted to refund, redesignate, or reattribute (hereinafter referred to as "corrections") the excessive contributions which form the basis of this MUR. In order to demonstrate that proposition, you agreed to provide the following: phone logs which would demonstrate the Committee's efforts to obtain corrections of the excessive contributions, copies of letters sent to contributors whose contributions had exceeded the applicable limits, and any follow-up letters which were sent to the contributors if the Committee did not receive a timely response. Additionally, you stated that the Committee did have a system in place to obtain the required corrections, and you agreed to provide us the name or names of individuals who were responsible for that system and, if able, to provide a statement from that individual(s) which describes the efforts made to obtain corrections of the excessives.

Please provide the above-described information, along with your written response to our counter-proposal, to the Office of the General Counsel within ten (10) days of your receipt of this letter. If you have any questions, please contact the undersigned at (202) 219-3690.

Sincerely,

Re: MUR 3383

Dear Mr. Denholm:

Enclosed you will find additional affidavits submitted in support of Respondents position in this matter.

We have earlier stressed the diligent effort made by the Committee to obtain the necessary redesignations and reattributions. There were obstacles in the way of complete success. These included the difficulty of reaching contributors or obtaining their prompt response.

Senator Pell has run many campaigns and he has run them well. The organizational rigor reflected in the accounts of the two affiants may or may not be common but certainly merits respect and some consideration in the resolution of this matter. Over the 1990 election period, the Committee received approximately 5,800 contributions and diligently monitored contributor's aggregate giving. Prior to the date of the Commission's request, the Committee had refunded, reattributed or redesignated all but nine of the thirty contributions. Any remaining adjustments or refunds were made within one week after the date of this request. Moreover, approximately one-third of the contributions were acted upon within ten to fifteen days of the sixty-day period.

The Federal Election Campaign Act, including Commission Advisory Opinions, regulations and enforcement decisions, presents campaign with considerable complexity. This is a product of 15 years of development. The campaigns confronted with these requirements have also undergone dramatic change over this time. As the Commission knows, Presidential Senate

and Congressional campaigns have become more expensive, and their administrative machinery more elaborate. In only 4 years, from 1984-1988, campaign spending for all offices increased 50% to \$2.7 billion. In 1990, 179 Senate candidates spent \$180.4 million, exclusive of party spending.

So campaigns run with larger staffs managing huge budgets for media, polling, get-out-the-vote and other programs. Sometimes, in the case of Senate campaigns, they develop momentum over 4-5 years, hitting stride in the election year when their pace is blistering. This can make for administrative frustration, even for campaigns well organized and most committed to rigorous legal compliance.

The Commission might consider the significance of these changes for its goal of promoting voluntary compliance and conciliation. 2 U.S.C. § 437d(a)(1)(9) and § 437g(a)(4). A committee will be discouraged from the most thoroughgoing compliance efforts if failure at the margin produces enforcement demands for high penalties. Conference and persuasion toward conciliation will also suffer from friction and delay -- when the result the Commission seeks appears disproportionate to the cause.

Here we have a violation, about which there is no dispute. It is little use to refer to the violation as "technical" inasmuch as the term is often used as a slogan by those seeking to escaping responsibility for serious violations. But the affidavits submitted today and indeed the entire record of the case supports the Committee's contention that it was well organized to address the requirements for reattributions and redesignations and that it took all rational and appropriate steps in the circumstances to fulfill these requirements. Incomplete results are not proof of culpability, certainly not culpability on the scale suggested by the Commission's most recent conciliation offer.

Very truly yours,

Robert F. Bauer

1. I have personal knowledge of the facts set forth herein, and if called upon to testify in this matter, I would testify as set forth herein.
2. I served as Assistant to the Principal Fundraiser for the Re-elect Senator Ball Committee (The "Committee") from January 1980 until December 1990.
3. In this capacity, I was responsible for assisting the Principal Fundraiser, Paula Levine, in all national and large donor fundraising for the Committee.
4. We used the following procedures for obtaining contributor information, including redesignations and reattributions, as required by the Federal Election Campaign Act.
5. When a contribution was received in our office, an initial attempt was made to complete all pertinent contributor information.

6. Contributions were then sent by overnight mail to the Committee's headquarters in Providence, Rhode Island to record information for subsequent use in the Committee's FEC report, and to identify and complete any missing information.
7. If additional information about any contributor, or a contribution redesignation, reattribution or refund was needed, the Committee would alert me and, if a phone number was available, I would punctually call that contributor to inform him or her of the information required.
8. If no phone number was available for the contributor, I contacted the host of the event at which the contribution was received in an attempt to reach the contributor directly.
9. After initial contact was made by telephone, if the contributor indicated a desire to reattribute or redesignate his or her contribution, I telefaxed a redesignation/retribution form to the contributor with instructions to complete the form and either telefax it back to me or send it to the Committee immediately.

- 11. If I did not receive a written retribution or redesignation from a contributor after having forwarded the request for redesignation or retribution, I persisted with repeated telephone requests.
- 12. In any case where a contributor informed me that he/she had lost or misplaced the material, I again telephoned them asking him or her to complete and return them at their earliest convenience.
- 13. After having made initial contact with a contributor who indicated a desire to retribute or redesignate his/her contribution, I made follow up calls if the retribution or redesignation form was not promptly returned. In the course of making these follow up calls, despite repeated attempts, my calls were often not promptly returned. In many of these cases a secretary or housekeeper took a message of my phone call. If I did not hear back from the contributor in a punctual manner, I persisted with repeated calls.

RE: MUR 3383  
Re-Elect Senator Pell  
Committee and Emilie A.  
Benoit, as treasurer

Dear Ms. Schadler:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities on August 27, 1991, the Federal Election Commission found reason to believe that your clients, the Re-Elect Senator Pell Committee and Emilie A. Benoit, as treasurer, violated 2 U.S.C. § 441a(f), and instituted an investigation in this matter.

After considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation has occurred.

The Commission may or may not approve the General Counsel's recommendation. Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within 15 days of your receipt of this notice, you may file with the Secretary of the Commission a brief (ten copies if possible) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of the General Counsel, if possible.) The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of whether there is probable cause to believe a violation has occurred.

If you are unable to file a responsive brief within 15 days, you may submit a written request for an extension of time. All requests for extensions of time must be submitted in writing five days prior to the due date, and good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

A finding of probable cause to believe requires that the Office of the General Counsel attempt for a period of not less than 30, but not more than 90 days, to settle this matter through a conciliation agreement.

Should you have any questions, please contact Tamara Kapper, the staff member assigned to this matter, at (202) 219-3690.

GENERAL COUNSEL'S BRIEF

I. STATEMENT OF THE CASE

On August 27, 1991, the Commission found reason to believe that the Re-Elect Senator Pell Committee and Emilie A. Benoit, as treasurer (the "Committee"), violated 2 U.S.C. § 441a(f) with the receipt of \$25,600 in excessive contributions from thirty (30) individuals and one unqualified multicandidate committee. The Committee failed to refund, redesignate and/or reattribute all of the excessive portions of the contributions within sixty (60) days of their receipt.

II. ANALYSIS

The Federal Election Campaign Act of 1971, as amended (the "Act"), states that no person may make a contribution to a candidate for federal office, or his authorized campaign committee, in excess of \$1,000 per election. 2 U.S.C. § 441a(a). The term "person" is defined to include any individual, partnership, committee, association, corporation, labor organization or group of persons. 2 U.S.C. § 431(11). Pursuant to 2 U.S.C. § 441a(f), candidates and political

93040954778

committees are prohibited from knowingly accepting any contribution in violation of the provisions of Section 441a.

The treasurer of a political committee has the responsibility for determining the legality of any contributions received by the committee. In the case of excessive contributions, the treasurer has sixty (60) days from the date of receipt to obtain a reattribution or redesignation of the contribution to cure the illegality. 11 C.F.R. §§ 103.3(b)(3) and 110.1(b). Excessive contributions not reattributed or redesignated must be refunded to the contributor within sixty days. 11 C.F.R. § 103.3(b)(3).

The Reports Analysis Division ("RAD") review of the Committee's reports and responses to inquiries has identified excessive contributions totaling \$25,600 from thirty (30) individuals and one political committee. The excessive contributions appear to have been in connection with both the 1990 primary and general elections and were itemized on the Committee's 1990 July Quarterly and 12 Day Pre-Primary Reports. Specifically, RAD has identified the Committee's receipt of excessive contributions for the primary election totaling \$21,350 from twenty-three (23) individuals and one unqualified multicandidate political committee and excessive contributions totaling \$4,250 for the general election from seven (7) individuals.

93040954779

93040954780

RAD notified the Committee on October 10, 1990 regarding the 1990 July Quarterly Report and noted the receipt of apparent excessive contributions. The notification letter pointed out that a number of the contributions had been reattributed and/or redesignated but that others had not. The notification also informed the Committee that the Commission might take further legal action with regard to the receipt of excessive contributions. Also on October 10, 1990, RAD notified the Committee regarding the 1990 12 Day Pre-Primary Report and the Committee's receipt of apparent excessive contributions. The notice instructed the Committee to either refund to the donor the amount in excess of \$1,000 or get the donor to redesignate or reattribute the contribution in writing.

To date, the Committee has either refunded or reattributed and/or redesignated all of the contributions but failed to do so within sixty days of their receipt. The Committee disclosed the receipt of the excessive contributions between April 4, 1990 and August 16, 1990 and the respective refunds and reattributions and/or redesignations between July 16, 1990 and October 22, 1990.

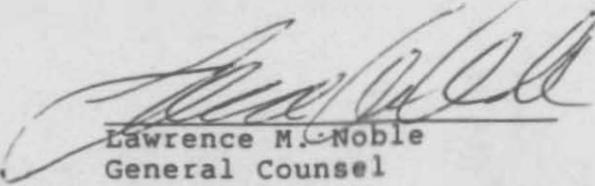

Therefore, the Office of the General Counsel recommends that the Commission find probable cause to believe that the Re-Elect Senator Pell Committee and Emilie A. Benoit, as treasurer, violated 2 U.S.C. § 441a(f).

III. GENERAL COUNSEL'S RECOMMENDATION

Find probable cause to believe that the Re-Elect Senator Pell Committee and Emilie A. Benoit, as treasurer, violated 2 U.S.C. § 441a(f).

RESPONDENT'S BRIEF

Thirty contributions received by the Re-Elect Senator Pell Committee (the "Committee") were reattributed or redesignated as required under the Federal Election Campaign Act ("FECA"), but not within the prescribed sixty-day period. The General Counsel, therefore, recommends that the Commission find probable cause to believe that the Committee and Emilie A. Benoit, as treasurer, violated 2 U.S.C. § 441a(f). But he fails to mention or even recognize the Committee's longstanding and significant efforts to fully disclose contributor information and achieve total compliance with the FECA.

Over the 1990 election period, the Committee received approximately 5,800 contributions and diligently monitored contributors' aggregate giving to ensure that no excessive contributions were accepted. The Committee reported in each case where a contribution required redesignation or reattribution and promptly proceeded to notify the contributor. Committee staff made repeated efforts and spent

considerable time contacting contributors to get reattributions and redesignations within the sixty-day period. Many of these attempts were frustrated by the contributors' travel and business schedules, particularly during the summer months. The Committee made repeated phone calls and sent several letters by mail and telecopier to reach the contributors. The Committee received verbal assurances from a majority of the contributors of their intent to redesignate or reattribute, often long before the written designation was received. If the contributor could not be reached, the contribution was refunded.

Despite the Committee's diligent efforts, the redesignation or reattribution letters for thirty contributions, less than one-half of one percent of all contributions received, were received outside the sixty-day period. Prior to the date of the Commission's request for additional information ("RFAI"), the Committee had refunded, reattributed or redesignated all but nine of the thirty contributions. Any remaining adjustments or refunds were made within one week after the date of this request. This indicates that the Committee had already set in motion the procedure to retrieve this information but, due to unavoidable delays, had not yet succeeded. Moreover, approximately one-third of the contributions were acted upon within ten to fifteen days of the sixty-day period. Not one of the

23040954785

individual contributions exceeded the aggregate \$2,000 limit for the primary and general elections. While a technical error may have occurred as to the precise time the Committee secured the contributors' written notices, the Committee had sufficient funds at all times during the period to refund the contributions. Moreover, it had sufficient funds to cover all expenses without using the contributions in question.

23040954786  
The General Counsel does not take note of any of these facts. He simply states: "The Committee disclosed the receipt of the excessive contributions between April 4, 1990 and August 16, 1990 and the respective refunds and reattributions and/or redesignations between July 16, 1990 and October 22, 1990." General Counsel's Brief at page 3. Such a sweeping account does not recognize the Committee's efforts or the substantial compliance prior to any notification from the Commission. Neither the Committee's comprehensive procedures to retrieve the redesignations and reattributions, nor its prompt and thorough response to the RFAI, have been considered in the General Counsel's recommendation in this matter.

In its Annual Reports, the Commission encourages committees to call the Reports Analysis Division ("RAD") with reporting questions and respond completely and quickly to RFAI's in order to assist in avoiding enforcement actions. 1991 Annual Report at pages 12 and 13. The RAD is meant to provide guidance to committees and encourage full compliance.

And yet, the first time a committee makes an error, no guidance is provided. An enforcement action is initiated with no further warning or opportunity to correct the error, regardless of its insignificance in relation to a committee's overall compliance record.

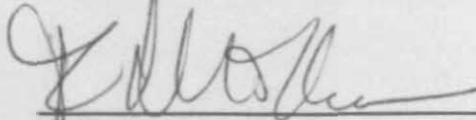

Here the Committee called the RAD repeatedly for advice on reporting redesignations and reattributions. It reported this information in accordance with this advice. In fact, the RAD initiated its inquiry based on information provided by the Committee. Therefore, in effect, the Committee is being penalized here for its dedication to full and accurate disclosure. Moreover, despite its efforts, the Committee received no warning or guidance once the error was discovered. It simply received a notification that the Commission was likely to initiate an enforcement proceeding, regardless of any action by the Committee.

In resolving this matter, the Commission should consider the efforts taken by the Committee to achieve full compliance. Disproportionately harsh enforcement serves only to discourage thoroughgoing compliance by committees. As federal campaigns become increasingly complex, expensive and pressured, errors such as are addressed in this case will occur. Even the most well-organized campaigns committed to rigorous compliance will occasionally fail to meet a deadline. But, when every step is

93040954787

taken to ensure full compliance, as the record indicates here,  
the Commission's actions should reflect that effort.

Respectfully Submitted,

---

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On August 27, 1991, the Commission found reason to believe that the Re-Elect Senator Pell Committee and Emilie A. Benoit, as treasurer (the "Pell Committee"), violated 2 U.S.C. § 441a(f) for the receipt of \$25,600 in excessive contributions from thirty (30) individuals and one political committee that had not met the requirements for multicandidate status. The Pell Committee failed to refund or to obtain redesignations and/or reattributions for all of the excessive portions of the contributions within sixty days of their receipt.

On July 10, 1992, this Office sent a brief to the respondents recommending that the Commission find probable cause to believe that the Pell Committee violated 2 U.S.C. § 441a(f). On August 24, 1992, counsel for the respondents submitted a response.

II. ANALYSIS for (The General Counsel's Brief is incorporated by reference.)

In response to the brief, counsel for the Pell Committee present no new mitigating factors surrounding the Pell Committee's receipt of the excessive contributions. Rather, counsel reiterate the arguments they presented to the Commission prior to a finding of probable cause to believe. Attachment 1.

93040954789

Further, counsel charge that the brief fails to recognize the efforts the Pell Committee made to comply with the requirements of the Act in the instant matter and over the long term.

Counsel assert that, "In resolving this matter, the Commission should consider the efforts taken by the Committee to achieve full compliance. Disproportionately harsh enforcement serves only to discourage thoroughgoing compliance by committees." Id., page 4. Respondents suggest that their efforts to rectify the violation were not taken into consideration by the Commission. Id., pages 3-5. This position is inaccurate.

93040954790

93040954791

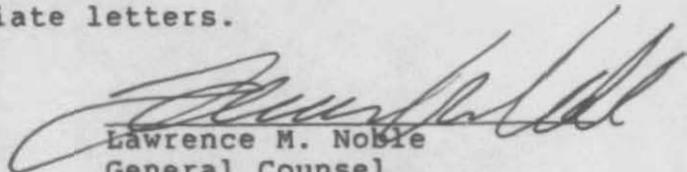

Therefore, the Office of the General Counsel recommends that the Commission find probable cause to believe that the Re-Elect Senator Pell Committee and Emilie A. Benoit, as treasurer, violated 2 U.S.C. § 441a(f) and approve the proposed conciliation agreement.

III. DISCUSSION OF CONCILIATION AND CIVIL PENALTY

III. RECOMMENDATIONS

1. Find probable cause to believe that the Re-Elect Senator Pell Committee and Emilie A. Benoit, as treasurer, violated 2 U.S.C. § 441a(f).
2. Approve the proposed conciliation agreement.
3. Approve the appropriate letters.

RE: MUR 3383  
Re-Elect Senator Pell Committee  
and Emilie A. Benoit, as treasurer

Dear Ms. Schadler:

On January 12, 1993, the Federal Election Commission found that there is probable cause to believe your clients, the Re-Elect Senator Pell Committee and Emilie A. Benoit, as treasurer, violated 2 U.S.C. § 441a(f) a provision of the Federal Election Campaign Act of 1971, as amended, in connection with the receipt of \$25,600 in excessive contributions from thirty (30) individuals and one political committee that had not met the requirements for multicandidate status.

The Commission has a duty to attempt to correct such violations for a period of 30 to 90 days by informal methods of conference, conciliation, and persuasion, and by entering into a conciliation agreement with a respondent. If we are unable to reach an agreement during that period, the Commission may institute a civil suit in United States District Court and seek payment of a civil penalty.

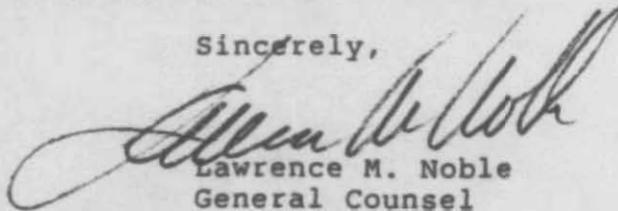

Enclosed is a conciliation agreement that the Commission has approved in settlement of this matter. If you agree with the provisions of the enclosed agreement, please sign and return it, along with the civil penalty, to the Commission within ten days. I will then recommend that the Commission accept the agreement. Please make your check for the civil penalty payable to the Federal Election Commission.

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission ("Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found probable cause to believe that the Re-Elect Senator Pell Committee (the "Committee") and Emilie A. Benoit, as treasurer ("Respondents"), violated 2 U.S.C. § 441a(f).

NOW, THEREFORE, the Commission and the Respondents, having duly entered into conciliation pursuant to 2 U.S.C. § 437g(a)(4)(A)(i), do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding.

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

23040954801

IV. The pertinent facts in this matter are as follows:

1. Senator Claiborne Pell was a candidate for re-election to the U.S. Senate in the September 11, 1990 Primary Election and the November 6, 1990 General Election from the state of Rhode Island. The Committee is the authorized principal campaign committee for Senator Pell's 1990 re-election campaign.

2. Emilie A. Benoit is the treasurer of the Committee.

3. The Federal Election Campaign Act of 1971, as amended (the "Act"), states that no person may make a contribution to a candidate for federal office, or his authorized campaign committees, in excess of \$1,000 per election. 2 U.S.C. § 441a(a). Pursuant to 2 U.S.C. § 441a(f), candidates and political committees are prohibited from knowingly accepting any contribution in violation of the provisions of Section 441a.

4. The treasurer of a political committee has the responsibility for determining the legality of any contributions received by the committee. In the case of excessive contributions, the treasurer has sixty (60) days from the date of receipt to obtain a reattribution or redesignation of the contribution or to refund the contribution. 11 C.F.R. §§ 103.3(b)(3) and 110.1(b) and (k). Excessive contributions not reattributed or redesignated must be refunded to the contributor within sixty days of their receipt. 11 C.F.R. § 103.3(b)(3).

93040954802

5. Pursuant to 2 U.S.C. § 431(11), the term "person" is defined to include any individual, partnership, committee, association, corporation, labor organization or group of persons.

6. Pursuant to 2 U.S.C. § 431(8)(a), a "contribution" is defined as any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office.

7. In connection with the 1990 Primary Election for U.S. Senate, respondents accepted excessive contributions totaling \$21,350 from twenty-three (23) individuals and one political committee that had not met the requirements for multicandidate status. The excessive portions were refunded, redesignated and/or reattributed but not within the sixty (60) days of their receipt under 11 C.F.R. § 103.3(b)(3).

8. In connection with the 1990 General Election for U.S. Senate, respondents accepted excessive contributions totaling \$4,250 from seven (7) individuals. The excessive portions were refunded, redesignated and/or reattributed but not within the sixty (60) of their receipt under 11 C.F.R. § 103.3(b)(3).

9. Respondents contend that they made repeated efforts to contact the contributors by phone and in writing to obtain redesignations or reattributions. Respondents further contend that, although the Committee was unsuccessful in

93040954803

securing written designations within the sixty (60) day period, it did receive verbal assurances from the contributors of their intent to redesignate or reattribute.

10. Respondents reported all redesignations and reattributions on its reports to the Commission in accordance with 11 C.F.R. § 104.8 identifying the date of receipt and the date of the redesignation or reattribution.

V. Respondents received \$25,600 in excessive contributions from thirty individuals and one political committee in violation of 2 U.S.C. § 441a(f).

VI. Respondents will pay a civil penalty to the Federal Election Commission in the amount of five thousand five hundred dollars (\$5,500), pursuant to 2 U.S.C. § 437g(a)(5)(A).

VII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

VIII. This agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

IX. Respondents shall have no more than 30 days from the date this agreement becomes effective to comply with and implement the requirement contained in this agreement and to so notify the Commission.
