Re: COO 26 38 30

92 APR 24 AM 10:52

Dear Mr. Noble:

Candidate for Congress in the Fourth Congressional District of Pennsylvania, Mike Veon has purposefully and willfully violated federal election law.

Mr. Veon's pre-primary report, dated April 15, 1992, on line 12, lists \$8,000.00 as being transferred from "other authorized committees" into his campaign committee. He lists on his Schedule A for line 12, the "Committee to Re-elect Mike Veon" as the source of this transfer. As Mr. Veon is not currently a Congressman and is currently a state Representative, it would appear that this "Committee to Re-Elect" is a state office campaign committee that is not subject to federal disclosure laws and federal bans on corporate or union dues contributions. Nor is it subject to federal contribution amount limits.

In order for it to qualify for treatment as an "other authorized committee," it would have to be registered with the Federal Election Commission and comply with all the restrictions listed above. Mr. Veon is pouring unlawful corporate and union dues funds probably solicited in excess of federal limits into his federal campaign, from a state office campaign committee purposefully obscured from review by the Federal Election Commission. I submit that a closer examination of this state office campaign committee will reveal that it is also making expenditures toward the purpose of election to federal office. That is why the records of the Committee to Re-elect Mike Veon to the State House have not been submitted to the F.E.C.

Sincerely,

Re: PA 04 3492

Dear Mr. Noble:

Candidate for the Democratic nomination for Congress in the Fourth District of Pennsylvania, Mike Veon has listed in his initial Federal Election Commission filing on statement of candidacy as his "Other Authorized Committee" the Committee to Re-Elect Mike Veon, a state office candidate committee. The state does not require one fraction of the disclosure that the federal government does, nor does it conform to the same contribution limits or prohibitions against corporate or labor dues funds.

92 APR 27 PM 3:40

Mr. Veon's statement for the first quarter of 1992 fails to fully disclose the receipts of this state Representative Committee, from the time of his announcement for federal office and for the time prior to the announcement for any funds in the account at that time.

This is clearly Veon's attempt to circumvent federal law and funnel funds into the federal campaign that would be unlawfully raised otherwise. Veon will not disclose this information, because it will show his intent to avoid the federal law.

Several local unions have informed me that the state AFL-CIO is leaning on them pretty hard to commit paid workers and facilities such as phone banks to the Veon campaign. This is another obvious circumvention of federal law, which states that only voluntarily raised individual or PAC funds maybe used in a campaign. Union "soft money" funds, salaries, dues, printing, etc. may only be used for members to make political contact with their own union members.

Veon will not disclose the names and number of union employees detailed to his campaign because it will show his intent to break federal law. The number of union-salaried workers will simply be not justified by the number of their members in the Democratic Party in the district. Once again, illegal funds virtually are being poured into the Veon campaign

93043505227

STATE OF PENNSYLVANIA  
COUNTY OF BEAVER

The same problems are evident from Veon's failure to disclose his state expense reports and state campaign expense reports, with respect to the likely actual illegal expenditure of state taxpayer funds for the political purpose of seeking the nomination to Congress. On one day four weeks ago, Veon was in Washington for an AFL-CIO meeting, in Beaver County to campaign, and in Harrisburg to vote. That sort of travel, as well as other campaign expenditures seemingly are being at least partially funded by taxpayer funds in the form of his state Representative's per diem and other travel reimbursements. I am sure an examination of State Representative Veon's Harrisburg expense records will indicate a great deal of his campaign travel is being funded by the taxpayers of Pennsylvania.

Sincerely,

General Counsel  
Federal Election Commission

Re: PA 04 3492

Dear Mr. Noble:

This is to augment and continue the complaint I filed on April 20, 1992, against then-candidate for Congress in the Fourth District of Pennsylvania, Mike Veon.

I have attached a copy of Mr. Veon's report from his campaign committee for state office, the Committee to Re-Elect Mike Veon (to the state house). This report reveals several willful and knowing violations of federal election law by Mr. Veon

As you are aware, Mr. Veon has listed this state Committee as his "other authorized committee" for federal election purposes. Yet he did not ever file a federal report for this committee and has never treated it like a federal committee. He has tried to maintain it as a state committee, while illegally using it for federal election purposes. You will recall that Mr. Veon reported shifting many thousands of dollars from his Committee to Re-Elect Mike Veon to his Mike Veon for Congress Committee. The attached report reveals that, for the purposes of federal election law, Mr. Veon is in direct violation of the law.

On page 5 of the report are listed three contributions: \$1,000.00 from the Association of Federal State County and Municipal Employees (AFSCME), \$20,000.00 from the Teamsters, and \$500 from the Teamsters. These contributions, when added to the contributions the Veon for Congress Committee received from the same unions, exceed federal limits. The Teamster contribution, on its face, exceeds the limit. This money was in turn "donated" to the Veon for Congress Committee. In fact, it probably was given to his state re-election committee for the purpose of furthering his campaign for Congress. When was the last time you heard of a state representative candidate in an uncontested re-election receiving \$20,000.00?

Page 11 of the report list a number of "state" campaign expenditures. Remember, Mr. Veon was uncontested in his state race. These expenditures, for printing and other

COUNTY OF BEAVER

things, were surely for his Congressional race and the receipts and other information will bear this out.

Finally, there seems to exist among the (state) Committee to Re-Elect Mike Veon, the (federal) Mike Veon for Congress Committee, and various labor-related state committees (in particular, the Pennsylvanians in Solidarity, listed on page 12 of the attached report) a peculiar and complex interlocking relationship, tailor-made for funds laundering and funds transfers. This should be investigated.

Sincerely,

*Jerry A. Hodge*

I. GENERATION OF MATTER

This report covers two separate complaints involving the same respondents and same basic allegations.

MUR 3509 was initiated by a complaint filed by George Weaver against Mike Veon for Congress ("Federal Committee") and Committee to Re-Elect Mike Veon ("State Committee") regarding

93043505352

transfers from the State Committee to the Federal Committee and expenditures by the State Committee

MUR 3511 was initiated by a complaint filed by Jerry Hodge regarding disbursements by the State Committee, in-kind contributions of personnel from unnamed union locals, and payment for campaign related travel from the state legislative account.

Mike Veon was a candidate for the Democratic Party's nomination for Congress in the Fourth Congressional District of Pennsylvania in the April 28, 1992, primary. Veon lost the primary.

II. FACTUAL AND LEGAL ANALYSIS

A. Complaint Allegations

1. MUR 3509

The complaint in MUR 3509 alleges that the Federal Committee's pre-primary report discloses \$8,000 in receipts from the State Committee. The complaint alleges that the State Committee is not subject to federal law regarding disclosure, the ban on corporate and union contributions, or the limits on permissible contributions. The complaint contends that the State Committee should be required to register with the Commission as a federal committee and to comply with the other requirements of federal law. The complaint alleges that through the State Committee the candidate is putting unlawful contributions into his campaign and that the State Committee is also making expenditures on behalf of the federal campaign.

2. MUR 3511

9 3 0 4 3 5 0 5 3 5 4

The complaint in MUR 3511 notes that Veon's Statement of Candidacy listed the State Committee as another authorized committee. It then alleges that the State Committee is not operating in accordance with federal law but is accepting prohibited corporate or union contributions. It also alleges that the receipts of the State Committee have not been fully disclosed. The complaint further alleges that local unions informed the complainant that the state AFL-CIO had leaned on them to commit paid workers and facilities, such as phone banks, to the Veon campaign. The complaint contends that in this manner union funds are being used for more than contacting union members. The complaint then alleges that Veon is using his state expense funds to further his federal campaign, especially for travel expenses and per diem. The complainant filed an amendment to the complaint that elaborates on the allegations in the original complaint and attached a copy of the report filed by the State Committee with the State of Pennsylvania.<sup>1</sup>

B. Response

As of June 26, 1992, no response had been received from the Respondents.

C. Act and Regulations

The Federal Election Campaign Act of 1971, as amended ("the Act"), defines a "political committee" as any group of persons,

---

1. This Office had already obtained a copy of the reports filed with the state and had included information from it in the analysis of this matter.

organization, committee or club that receives an aggregate of \$1,000 in contributions in any calendar year or makes an aggregate of \$1,000 in expenditures in any calendar year. 2 U.S.C. § 431(4)(A). Political committees must register with the Commission and file periodic reports of their receipts and disbursements. 2 U.S.C. § 433 and 434. A candidate for federal office must designate a principal campaign committee and may designate such additional authorized committees as the candidate chooses. 2 U.S.C. § 432(e)(1)

93043505355

A principal or authorized campaign committee may accept contributions from persons and other political committees within the limitations of the Act. 2 U.S.C. §§ 441a(a)(1)(A), 441a(a)(2)(A), and 441a(f). A candidate or political committee may not accept any direct or indirect corporate or labor organization contribution or expenditure. 2 U.S.C. § 441b. The Act defines "contribution" to include "any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office." 2 U.S.C. § 431(8)(A)(1). Person is defined to include a political committee. 2 U.S.C. § 431(11). Commission regulations provide that "anything of value" includes "all in-kind contributions." 11 C.F.R. § 100.7(a)(1)(iii)(A) Commission regulations provide that in-kind contributions shall be reported in an amount equal to the usual and normal value "on the date received" and reported as a contribution and as an expenditure. 11 C.F.R. § 104.13(a).

These reporting requirements were judicially construed in FEC v. American Federation of State, County and Municipal Employees - P.E.O.P.L.E. Qualified, No. 88-3208 (D.D.C. July 10, 1990) (hereinafter "AFSCME"). In that situation AFSCME had operated phone banks prior to the 1982 and 1984 general elections on behalf of Frank McCloskey, a Democratic Party candidate for the House of Representatives. AFSCME paid for the phone banks when the bills were received (after the election) and reported the payments as disbursements for that period (the period when they were paid). The court concluded that the phone banks constituted an in-kind contribution from AFSCME to McCloskey. The court further stated that the plain language of the Act in its entirety "requires reporting of contributions in the period in which they were made." AFSCME, slip op. at 5. Thus, in-kind contributions should be reported during the reporting period in which they are made and received, regardless of when the bills relating to the in-kind contributions are paid.

Commission regulations permit unlimited transfers between a candidate's campaign committee for nonfederal office to the candidate's federal committee(s) provided that the funds transferred are not composed of contributions that would be in violation of the Act. 11 C.F.R. § 110.3(c)(6). The regulations further define cash on hand for purposes of such a transfer. 11 C.F.R. § 110.3(c)(6)(i). If the contributions making up the transfer were received after the date of the nonfederal election or after the candidate ceases to seek nonfederal office, or has publicly announced as a candidate for federal office, then such

93043505356

contributions shall be aggregated with contributions made to the federal committee by the same contributors unless such contributions were designated for the previous nonfederal election or another election for which the candidate has debts outstanding. 11 C.F.R. § 110.3(c)(6)(ii). If the nonfederal committee transfers more than \$1,000 to the federal committee in any calendar year, the nonfederal committee must register and report in accordance with the Act and regulations, including itemizing the source of the funds transferred. 11 C.F.R. § 110.3(c)(6)(iii); see also, 11 C.F.R. § 104.12 (defining beginning cash on hand).

Commission regulations further provide for the treatment of costs for campaign and noncampaign travel. 11 C.F.R. § 106.3 If a candidate conducts campaign activity at a stop, the stop becomes campaign related even if noncampaign activity is also conducted at the stop. Campaign activity does not include incidental contacts. 11 C.F.R. § 106.3(b)(3). If a candidate's travel includes both campaign stops and noncampaign stops, then a hypothetical trip is reconstructed starting at the origin and including only the campaign stops and ending back at the point of origin. Campaign related travel costs are then computed for this hypothetical trip. 11 C.F.R. § 106.3(b)(2). Payments for campaign travel are reportable. 11 C.F.R. § 106.3(a)

**D. Analysis**

The place to begin in analyzing the issues raised in this matter is with a review of the reports and documents filed by

93043505357

Veon and his committees with the Commission and the State of Pennsylvania.

The Federal Committee filed its Statement of Organization on March 30, 1992, and its first report covering the period from January 1, 1992, through March 31, 1992, in mid-April. It disclosed total receipts of \$18,074.00 and disbursements of \$9,561.59 with ending cash on hand of \$8,512.41 and debts owed by the committee of \$7,958.68. The receipts included \$7,700 in political action committee contributions and a \$5,000 transfer from the State Committee. The reported PAC contributions were the Amalgamated Transit Union (\$2,500), Local 1300 CWA AFL-CIO (\$5,000), IBEW Local No. 126 COPE (\$100), and Carpenters 422 (\$100). The report also disclosed several disbursements for postage and bulk mail permit and disclosed a debt owed to Hendersons Printing of Rochester, PA, of \$4,905.68 for printing.

The Federal Committee also filed a Pre-Primary report covering the period from April 1 through April 8, 1992. It disclosed total receipts of \$29,820.00 and disbursements of \$26,466.88 with ending cash on hand of \$11,865.53 and debts owed by the committee of \$12,958.68. Its receipts included a \$3,000 transfer from the State Committee, a \$6,000 loan from the candidate, and political committee contributions totaling \$16,250.00. The political committee receipts included local candidate committees (\$1,950), Transportation Political Action League (\$2,500), Teamster Joint Council #53 (\$5,000), Political Education Committee AFL-CIO (\$5,000), IBEW Local 5 PAC (\$200), Pennsylvania #1 PAC (\$100), Bike PAC (\$500), GTE PAC (\$500), and

93043505358

C-TEC Federal PAC (\$500). The disbursements included a \$1,000 payment to Hendersons on the debt reported in the previous report.

The State Committee has not filed a Statement of Organization with the Commission, but it was listed on the Statement of Candidacy as another authorized committee of the candidate. The State Committee filed a federal report for the period from March 16, 1992, through March 31, 1992. It disclosed beginning cash on hand of \$10,036.92, total receipts of \$3,300.00, and total disbursements of \$6,835.89 with ending cash on hand of \$6,201.03. The receipts included \$3,200 from PACs. They were AFSCME AFL-CIO Council 13 (\$1,000), Pennsylvania PACE (\$1,000), LAW PAC (\$1,000), and Philadelphia Electric Co. State Political Action Committee (\$200). Disbursements consisted of a \$5,000 transfer to the Federal Committee and \$1,735.89 in operating expenditures. These operating expenditures included payments of \$455.63 and \$56.33 to Mickey's Bar in Beaver Falls, PA, for campaign staff dinner and meeting on March 27, 1992, and March 30, 1992, respectively, and a \$1,000.00 payment to Hendersons Printing on March 30, 1992, for campaign printing. The State Committee reported no payments for postage in this report.

The State Committee also filed a report intended to cover the Pre-Primary period.<sup>2</sup> This report disclosed beginning cash on hand of \$6,201.03, total receipts of \$500, and total disbursements of \$3,000 with ending cash on hand of \$3,701.03.

---

2. The report put April 1 in both places for the coverage period.

93043505359

The receipts consist of a single contribution from AT&T PAC Pennsylvania (\$500). Disbursements consist only of the \$3,000 transfer to the Federal Committee

The reports filed with the Pennsylvania elections bureau by the State Committee and two other committees linked to Mike Veon indicate a more elaborate financial pattern.<sup>3</sup> The State Committee's report filed with the state covered the period from January 1, 1992, through April 13, 1992. It disclosed beginning cash on hand of \$9,449.05, total receipts of \$31,800.00 and total disbursements of \$34,784.21 with ending cash on hand of \$6,464.84.<sup>4</sup> The receipts include \$500 in individual contributions and \$3,400 in apparent nonfederal PAC contributions received prior to the March 16, 1992, contribution from AFSCME AFL-CIO Council 13 that is the first itemized PAC receipt on the State Committee's reports filed with the Commission.

The receipts also include \$22,000.00 in apparent nonfederal PAC receipts that were received after the \$500 contribution from AT&T PAC Pennsylvania on April 1, 1992, that is the last receipt the State Committee itemized on its reports filed with the Commission. These \$22,000.00 in later receipts include a \$20,000

---

3. These three committees are: Committee to Re-Elect Mike Veon (the State Committee), Campaign '88: Re-Elect Mike Veon; and Pennsylvanians In Solidarity. Dennis Pietrandrea is treasurer of all three committees

4. The State Committee's report filed with the state for the period from May 7, 1991, through December 31, 1991, disclosed total receipts of \$20,150.00, of which \$19,050 came from nonfederal PACs with only a couple of exceptions for PACs with Washington, D.C. addresses. Thus, it appears that nearly all of the funds disbursed by the State Committee in 1992 derived from PACs that were not registered with the Commission.

93043505360

contribution on April 8, 1992, from Teamsters Local No. 115 PAC, \$500 from Teamsters Local No. 250 PAC, \$1,000 from Potomac Machinists PAC, \$500 from Pennsylvania Optometric PAC, and \$1,000 from LAW PAC.

On the disbursement side, the reports filed with Pennsylvania disclose \$6,257.13 in disbursements prior to the March 16, 1992, \$5,000 transfer to the Federal Committee, the first itemized disbursement on the reports filed with the Commission. Some of these payments are identified as campaign expenses, though it is not possible at this point to determine whether they were related to Veon's federal campaign or if he was initially seeking re-election to the state legislature. The report filed with the state also discloses \$18,691.19 in disbursements by the State Committee after the last one itemized on the report filed with the Commission -- the \$3,000 transfer to the Federal Committee on April 1, 1992. These disbursements include a \$4,015.44 contribution to Veon's 1988 state campaign committee (Campaign '88: Re-Elect Mike Veon), a \$4,000 and a \$3,000 contribution to Pennsylvanians In Solidarity (another committee linked to Veon), a \$1,000 contribution to a nonfederal candidate, and the remainder in miscellaneous campaign expenses.

The \$4,015.44 contribution to Veon's 1988 state campaign committee was disbursed to Mike Veon as a loan repayment on the same day (April 7, 1992) it was received. The Federal Committee reported receiving a \$6,000 loan from Veon on April 1, 1992. The \$7,000 contributed to Pennsylvanians In Solidarity remained unspent as of April 13, 1992, 15 days before the

93043505361

Pennsylvania primary. Whether any of these funds were subsequently disbursed on behalf of Veon's federal candidacy cannot be determined until the next state report is filed.

The "E" Index printout for Mike Veon does not list six PAC contributions totaling \$6,500 out of the \$25,700 in PAC contributions reported by the Federal and State Committees.<sup>5</sup> We note that the "E" Index listing of PAC contributions is taken from the reports filed with the Commission by the PACs, not the candidates. Therefore, the absence of a listing for a PAC contribution may mean that the candidate has reported a contribution from a nonfederal PAC or the federal PAC has not yet filed the necessary report or it has not yet been coded and entered into the database. We note that PACs making contributions with respect to the Pennsylvania primary before April 8 should have filed a report prior to the primary, either a quarterly, a monthly, or a pre-primary report. Nevertheless, it appears that \$6,500 of the reported PAC contributions may have come from non federal PACs, or remains in doubt. These figures do not include the additional PAC contributions reported by the State Committee in its reports filed with the State of

5. The attached printout totals \$50,750 because it is taken from the PAC reports not the Veon reports. The PACs have filed reports since the pre-primary report filed by the Veon committees. Also, the Teamsters contribution was, incorrectly listed at \$500 instead of \$5,000.00 as both the Teamsters and Veon committees reported it. The \$6,500 in questionable receipts are: (1) Carpenters 422 (3-20-92) \$100; (2) Local 13000 CWA (3-31-92) \$5,000; (3) IBEW Local 5 (4-6-92) \$200; (4) Pennsylvania PACE (4-6-92) \$100; (5) Bike PAC (4-2-92) \$500; and (6) AT&T PAC PENN. (4-1-92) \$500.

93043505362

Pennsylvania that were not included in its reports filed with the Commission.

It appears from the review of the Federal Committee and State Committee reports that there is reason to believe several violations have occurred.

First, the State Committee has not filed a Statement of Organization as required by 2 U.S.C. § 433. Second, the first report filed by the State Committee did not itemize its cash on hand as required by 11 C.F.R. § 104.12. Third, the State Committee may not have reported all of its receipts and disbursements on behalf of Veon's federal campaign. Fourth, both the Federal Committee and the State Committee appear to have accepted contributions from union or corporate PACs that are not registered with the Commission in violation of 2 U.S.C. § 441b. Fifth, the committees reported no in-kind contributions from local unions for phone banks or for personnel. There is an absence of evidence to refute this allegation. Thus, it appears that the Federal Committee has knowingly accepted prohibited in-kind contributions. Sixth, the committees report travel reimbursements to several individuals, other than the candidate, in amounts of \$100 or less. There are no travel reimbursements reported as made to the candidate or any in-kind contributions from the candidate that may represent his payment of travel costs, such as trips to Washington, D.C. Thus, there is an absence of evidence to refute the allegations that the candidate made one or more trips that were paid for out of his state expense funds. Therefore, there is also reason to believe the

930435363

Federal Committee has failed to report expenditures for campaign travel as required by 11 C.F.R. § 106.3 in violation of 2 U.S.C. § 434(b)

Accordingly, we recommend that the Commission find reason to believe the Federal Committee has violated 2 U.S.C. §§ 441b and 434(b) and that the State Committee has violated 2 U.S.C. §§ 433, 434, and 441b and 11 C.F.R. §§ 104.12 and 110.3(c)(6). We make no recommendations at this time with respect to any other potential respondents pending further investigation.

**E. Proposed Investigation**

To ascertain whether the alleged violations have occurred, this Office will send the two committees a set of interrogatories and request for documents. With respect to the State Committee, the discovery will seek an itemization of the source of funds making up the cash on hand at the time the State Committee began its activity on behalf of Veon's federal candidacy as well as documents relating to its receipts and disbursements itemized in the reports it filed with the Commission and with the State of Pennsylvania and information regarding whether reported union contributions came from federal or nonfederal accounts. The State Committee will also be asked to file a Statement of Organization, if it has not already done so. We will also further examine the more recent reports filed with the state by Campaign '88 and Pennsylvanians In Solidarity to determine if they had any role in Veon's federal campaign. With respect to the Federal Committee, the discovery will seek information on whether the reported union contributions came from federal or

93043505364

nonfederal accounts, an accounting of any in-kind assistance provided to the campaign by local unions as goods or services, and documentation relating to any payments of campaign-related travel made by the candidate.

Upon receipt of this information, this Office will review it to determine if findings should be made with respect to any other potential respondents as well as whether further investigation is warranted with respect to the Federal and State Committees.

III. RECOMMENDATIONS

FEDERAL ELECTION COMMISSION

WASHINGTON, D.C. 20463

August 4, 1992

Dennis P. Pietrandrea, Treasurer  
Committee to Re-Elect Mike Veon  
P.O. Box 327  
Beaver Falls, PA 15010

RE: MUR 3511  
Committee to Re-Elect Mike  
Veon and Dennis  
P. Pietrandrea, as treasurer

Dear Mr. Pietrandrea

On April 30, 1992, the Federal Election Commission notified the Committee to Re-Elect Mike Veon ("Committee") and you, as treasurer, of two complaints alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). Copies of the complaints were forwarded to you at that time. These two matters have been merged and are now known solely as MUR 3511.

Upon further review of the allegations contained in the complaints, and information supplied by you, the Commission, on July 2, 1992, found that there is reason to believe the Committee and you, as treasurer, violated 2 U.S.C. § 433(c), 434, and 441b and 11 C.F.R. §§ 104.12 and 110.3(c)(6), provisions of the Act and Commission Regulations. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information. Commission records also do not reflect the filing of a Statement of Organization. You should file this statement as soon as possible with the Clerk of the House. A blank Form 1 is enclosed.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office along with answers to the enclosed Interrogatories and Request for Production of Documents within 30 days of receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find

93043505368

probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public

If you have any questions, please contact Mary Taksar, the attorney assigned to this matter, at (202) 219-3400.

A. Your first report filed with the Commission disclosed a beginning cash on hand balance of \$10,036.92. FEDERAL ELECTION COMMISSION

FACTUAL AND LEGAL ANALYSIS

RESPONDENTS: Committee to Re-Elect Mike Veon and MUR: 3511  
Dennis P. Pietrandrea, as treasurer

This document covers two separate complaints involving the same respondents and same basic allegations.

MUR 3509 was initiated by a complaint filed by George Weaver against Mike Veon for Congress ("Federal Committee") and Committee to Re-Elect Mike Veon ("State Committee") regarding transfers from the State Committee to the Federal Committee and expenditures by the State Committee

MUR 3511 was initiated by a complaint filed by Jerry Hodge regarding disbursements by the State Committee, in-kind contributions of personnel from unnamed union locals, and payment for campaign related travel from the state legislative account.

Mike Veon was a candidate for the Democratic Party's nomination for Congress in the Fourth Congressional District of Pennsylvania in the April 28, 1992, primary

A. Complaint Allegations

1. MUR 3509

The complaint in MUR 3509 alleges that the Federal Committee's pre-primary report discloses \$8,000 in receipts from the State Committee. The complaint alleges that the State Committee is not subject to federal law regarding disclosure, the ban on corporate and union contributions, or the limits on permissible contributions. The complaint contends that the State Committee should be required to register with the Commission as a

93043505374

federal committee and to comply with the other requirements of federal law. The complaint alleges that through the State Committee the candidate is putting unlawful contributions into his campaign and that the State Committee is also making expenditures on behalf of the federal campaign.

2. MUR 3511

The complaint in MUR 3511 notes that Veon's Statement of Candidacy listed the State Committee as another authorized committee. It then alleges that the State Committee is not operating in accordance with federal law but is accepting prohibited corporate or union contributions. It also alleges that the receipts of the State Committee have not been fully disclosed. The complaint further alleges that local unions informed the complainant that the state AFL-CIO had leaned on them to commit paid workers and facilities, such as phone banks, to the Veon campaign. The complaint contends that in this manner union funds are being used for more than contacting union members. The complaint then alleges that Veon is using his state expense funds to further his federal campaign, especially for travel expenses and per diem. The complainant filed an amendment to the complaint that elaborates on the allegations in the original complaint and attached a copy of the report filed by the State Committee with the State of Pennsylvania

B. Response

As of June 10, 1992, no response had been received from the Respondents

### C. Act and Regulations

The Federal Election Campaign Act of 1971, as amended ("the Act"), defines a "political committee" as any group of persons, organization, committee or club that receives an aggregate of \$1,000 in contributions in any calendar year or makes an aggregate of \$1,000 in expenditures in any calendar year. 2 U.S.C. § 431(4)(A). Political committees must register with the Commission and file periodic reports of their receipts and disbursements. 2 U.S.C. § 433 and 434. A candidate for federal office must designate a principal campaign committee and may designate such additional authorized committees as the candidate chooses. 2 U.S.C. § 432(e)(1)

A principal or authorized campaign committee may accept contributions from persons and other political committees within the limitations of the Act. 2 U.S.C. §§ 441a(a)(1)(A), 441a(a)(2)(A), and 441a(f). A candidate or political committee may not accept any direct or indirect corporate or labor organization contribution or expenditure. 2 U.S.C. § 441b. The Act defines "contribution" to include "any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office." 2 U.S.C. § 431(8)(A)(1). Person is defined to include a political committee. 2 U.S.C. § 431(11). Commission regulations provide that "anything of value" includes "all in-kind contributions." 11 C.F.R. § 100.7(a)(1)(iii)(A). Commission regulations provide that in-kind contributions shall be reported in an amount equal to

93043505376

the usual and normal value "on the date received" and reported as a contribution and as an expenditure. 11 C.F.R. § 104.13(a)

These reporting requirements were judicially construed in FEC v. American Federation of State, County and Municipal Employees - P.E.O.P.L.E. Qualified, No. 88-3208 (D.D.C. July 10, 1990) (hereinafter "AFSCME"). In that situation AFSCME had operated phone banks prior to the 1982 and 1984 general elections on behalf of Frank McCloskey, a Democratic Party candidate for the House of Representatives. AFSCME paid for the phone banks when the bills were received (after the election) and reported the payments as disbursements for that period (the period when they were paid). The court concluded that the phone banks constituted an in-kind contribution from AFSCME to McCloskey. The court further stated that the plain language of the Act in its entirety "requires reporting of contributions in the period in which they were made." AFSCME, slip op. at 5. Thus, in-kind contributions should be reported during the reporting period in which they are made and received, regardless of when the bills relating to the in-kind contributions are paid.

Commission regulations permit unlimited transfers between a candidate's campaign committee for nonfederal office to the candidate's federal committee(s) provided that the funds transferred are not composed of contributions that would be in violation of the Act. 11 C.F.R. § 110.3(c)(6). The regulations further define cash on hand for purposes of such a transfer 11 C.F.R. § 110.3(c)(6)(i). If the contributions making up the transfer were received after the date of the nonfederal election or

93043505377

9 3 0 4 3 5 0 5 3 7 8

after the candidate ceases to seek nonfederal office, or has publicly announced as a candidate for federal office, then such contributions shall be aggregated with contributions made to the federal committee by the same contributors unless such contributions were designated for the previous nonfederal election or another election for which the candidate has debts outstanding. 11 C.F.R. § 110.3(c)(6)(ii). If the nonfederal committee transfers more than \$1,000 to the federal committee in any calendar year, the nonfederal committee must register and report in accordance with the Act and regulations, including itemizing the source of the funds transferred. 11 C.F.R. § 110.3(c)(6)(iii); see also, 11 C.F.R. § 104.12 (defining beginning cash on hand)

Commission regulations further provide for the treatment of costs for campaign and noncampaign travel. 11 C.F.R. § 106.3. If a candidate conducts campaign activity at a stop, the stop becomes campaign related even if noncampaign activity is also conducted at the stop. Campaign activity does not include incidental contacts. 11 C.F.R. § 106.3(b)(3). If a candidate's travel includes both campaign stops and noncampaign stops, then a hypothetical trip is reconstructed starting at the origin and including only the campaign stops and ending back at the point of origin. Campaign related travel costs are then computed for this hypothetical trip. 11 C.F.R. § 106.3(b)(2). Payments for campaign travel are reportable. 11 C.F.R. § 106.3(a)

#### D. Analysis

The place to begin in analyzing the issues raised in this matter is with a review of the reports and documents filed by

Veon and his committees with the Commission and the State of Pennsylvania.

The Federal Committee filed its Statement of Organization on March 30, 1992, and its first report covering the period from January 1, 1992, through March 31, 1992, in mid-April. It disclosed total receipts of \$18,074.00 and disbursements of \$9,561.59 with ending cash on hand of \$8,512.41 and debts owed by the committee of \$7,958.68. The receipts included \$7,700 in political action committee contributions and a \$5,000 transfer from the State Committee. The reported PAC contributions were the Amalgamated Transit Union (\$2,500), Local 1300 CWA AFL-CIO (\$5,000), IBEW Local No. 126 COPE (\$100), and Carpenters 422 (\$100). The report also disclosed several disbursements for postage and bulk mail permit and disclosed a debt owed to Hendersons Printing of Rochester, PA, of \$4,905.68 for printing.

The Federal Committee also filed a Pre-Primary report covering the period from April 1 through April 8, 1992. It disclosed total receipts of \$29,820.00 and disbursements of \$26,466.88 with ending cash on hand of \$11,865.53 and debts owed by the committee of \$12,958.68. Its receipts included a \$3,000 transfer from the State Committee, a \$6,000 loan from the candidate, and political committee contributions totaling \$16,250.00. The political committee receipts included local candidate committees (\$1,950), Transportation Political Action League (\$2,500), Teamster Joint Council #53 (\$5,000), Political Education Committee AFL-CIO (\$5,000), IBEW Local 5 PAC (\$200), Pennsylvania #1 PAC (\$100) Bike PAC (\$500), GTE PAC (\$500), and

93043505379

C-TEC Federal PAC (\$500). The disbursements included a \$1,000 payment to Hendersons on the debt reported in the previous report.

The State Committee has not filed a Statement of Organization with the Commission, but it was listed on the Statement of Candidacy as another authorized committee of the candidate. The State Committee filed a federal report for the period from March 16, 1992, through March 31, 1992. It disclosed beginning cash on hand of \$10,036.92, total receipts of \$3,300.00, and total disbursements of \$6,835.89 with ending cash on hand of \$6,201.03. The receipts included \$3,200 from PACs. They were AFSCME AFL-CIO Council 13 (\$1,000), Pennsylvania PACE (\$1,000), LAW PAC (\$1,000), and Philadelphia Electric Co. State Political Action Committee (\$200). Disbursements consisted of a \$5,000 transfer to the Federal Committee and \$1,735.89 in operating expenditures. These operating expenditures included payments of \$455.63 and \$56.33 to Mickey's Bar in Beaver Falls, PA, for campaign staff dinner and meeting on March 27, 1992, and March 30, 1992, respectively, and a \$1,000.00 payment to Hendersons Printing on March 30, 1992, for campaign printing. The State Committee reported no payments for postage in this report

The State Committee also filed a report intended to cover the Pre-Primary period.<sup>1</sup> This report disclosed beginning cash on hand of \$6,201.03, total receipts of \$500, and total disbursements of \$3,000 with ending cash on hand of \$3,701.03. The receipts consist of a single contribution from AT&T PAC Pennsylvania (\$500).

1. The report put April 1 in both places for the coverage period.

93043505380

Disbursements consist only of the \$3,000 transfer to the Federal Committee.

The reports filed with the Pennsylvania elections bureau by the State Committee and two other committees linked to Mike Veon indicate a more elaborate financial pattern.<sup>2</sup> The State Committee's report filed with the state covered the period from January 1, 1992, through April 13, 1992. It disclosed beginning cash on hand of \$9,449.05, total receipts of \$31,800.00 and total disbursements of \$34,784.21 with ending cash on hand of \$6,464.84.<sup>3</sup> The receipts include \$500 in individual contributions and \$3,400 in apparent nonfederal PAC contributions received prior to the March 16, 1992, contribution from AFSCME AFL-CIO Council 13 that is the first itemized PAC receipt on the State Committee's reports filed with the Commission.

The receipts also include \$22,000.00 in apparent nonfederal PAC receipts that were received after the \$500 contribution from AT&T PAC Pennsylvania on April 1, 1992, that is the last receipt the State Committee itemized on its reports filed with the Commission. These \$22,000.00 in later receipts include a \$20,000 contribution on April 3, 1992 from Teamsters Local No. 115 PAC,

---

2. These three committees are: Committee to Re-Elect Mike Veon (the State Committee), Campaign '88: Re-Elect Mike Veon; and Pennsylvanians In Solidarity. Dennis Pietrandrea is treasurer of all three committees.

3. The State Committee's report filed with the state for the period from May 7, 1991, through December 31, 1991, disclosed total receipts of \$20,150.00, of which \$19,050 came from nonfederal PACs with only a couple of exceptions for PACs with Washington, D.C. addresses. Thus, it appears that nearly all of the funds disbursed by the State Committee in 1992 derived from PACs that were not registered with the Commission.

93043505381

\$500 from Teamsters Local No. 250 PAC, \$1,000 from Potomac Machinists PAC, \$500 from Pennsylvania Optometric PAC, and \$1,000 from LAW PAC.

On the disbursement side, the reports filed with Pennsylvania disclose \$6,257.13 in disbursements prior to the March 16, 1992, \$5,000 transfer to the Federal Committee, the first itemized disbursement on the reports filed with the Commission. Some of these payments are identified as campaign expenses, though it is not possible at this point to determine whether they were related to Veon's federal campaign or if he was initially seeking re-election to the state legislature. The report filed with the state also discloses \$18,691.19 in disbursements by the State Committee after the last one itemized on the report filed with the Commission -- the \$3,000 transfer to the Federal Committee on April 1, 1992. These disbursements include a \$4,015.44 contribution to Veon's 1988 state campaign committee (Campaign '88: Re-Elect Mike Veon), a \$4,000 and a \$3,000 contribution to Pennsylvanians In Solidarity (another committee linked to Veon), a \$1,000 contribution to a nonfederal candidate, and the remainder in miscellaneous campaign expenses.

The \$4,015.44 contribution to Veon's 1988 state campaign committee was disbursed to Mike Veon as a loan repayment on the same day (April 7, 1992) it was received. The Federal Committee reported receiving a \$6,000 loan from Veon on April 1, 1992. The \$7,000 contributed to Pennsylvanians In Solidarity remained unspent as of April 13, 1992, 15 days before the Pennsylvania primary. Whether any of these funds were subsequently

93043505382

disbursed on behalf of Veon's federal candidacy cannot be determined until the next state report is filed.

The "E" Index printout for Mike Veon does not list six PAC contributions totaling \$6,500 out of the \$25,700 in PAC contributions reported by the Federal and State Committees.<sup>4</sup> We note that the "E" Index listing of PAC contributions is taken from the reports filed with the Commission by the PACs, not the candidates. Therefore, the absence of a listing for a PAC contribution may mean that the candidate has reported a contribution from a nonfederal PAC or the federal PAC has not yet filed the necessary report or it has not yet been coded and entered into the database. PACs making contributions with respect to the Pennsylvania primary before April 8 should have filed a report prior to the primary, either a quarterly, a monthly, or a pre-primary report. Nevertheless, it appears that \$6,500 of the reported PAC contributions may have come from non federal PACs, or remains in doubt. These figures do not include the additional PAC contributions reported by the State Committee in its reports filed with the State of Pennsylvania that were not included in its reports filed with the Commission.

4. The attached printout totals \$50,750 because it is taken from the PAC reports not the Veon reports. The PACs have filed reports since the pre-primary report filed by the Veon committees. Also, the Teamsters contribution was, incorrectly listed at \$500 instead of \$5,000.00 as both the Teamsters and Veon committees reported it. The \$6,500 in questionable receipts are: (1) Carpenters 422 (3-20-92) \$100; (2) Local 13000 CWA (3-31 Local 5 (4-6-92) \$200; (4) Pennsylvania PACE (4-6-92) \$100; (5) Bike PAC (4-2-92) \$500; and (6) AT&T PAC PENN. (4-1-92) \$500.

93043505383

It appears from the review of the Federal Committee and State Committee reports that there is reason to believe several violations have occurred.

First, the State Committee has not filed a Statement of Organization as required by 2 U.S.C. § 433. Second, the first report filed by the State Committee did not itemize its cash on hand as required by 11 C.F.R. § 104.12. Third, the State Committee may not have reported all of its receipts and disbursements on behalf of Veon's federal campaign. Fourth, the State Committee appears to have accepted contributions from union or corporate PACs that are not registered with the Commission in violation of 2 U.S.C. § 441b.

Accordingly, there is reason to believe that the State Committee has violated 2 U.S.C. §§ 433, 434, and 441b and 11 C.F.R. §§ 104.12 and 110.3(c)(6)

FEDERAL ELECTION COMMISSION

WASHINGTON, D.C. 20463

August 4, 1992

Barbara Veon, Treasurer  
Mike Veon for Congress  
P.O. Box 371  
1821 7th Avenue  
Beaver Falls, PA 15010

RE: MUR 3511  
Mike Veon for Congress  
and Barbara Veon,  
as treasurer

Dear Ms. Veon:

On April 30, 1992, the Federal Election Commission notified Mike Veon for Congress ("Committee") and you, as treasurer, of two complaints alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). Copies of the complaints were forwarded to you at that time. These two matters have been merged and are now known solely as MUR 3511.

Upon further review of the allegations contained in the complaints, and information supplied by you, the Commission, on July 2, 1992, found that there is reason to believe the Committee and you, as treasurer, violated 2 U.S.C. §§ 441b and 434(b), provisions of the Act. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office along with answers to the enclosed Interrogatories and Request for Production of Documents within 30 days of receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

93043505386

Barbara Veon, Treasurer  
Page 2

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public.

If you have any questions, please contact Mary Taksar, the attorney assigned to this matter, at (202) 219-3400.

Sincerely,

FEDERAL ELECTION COMMISSION

FACTUAL AND LEGAL ANALYSIS

RESPONDENTS: Mike Veon for Congress and MUR: 3511  
Barbara Veon, as treasurer

This document covers two separate complaints involving the same respondents and same basic allegations

MUR 3509 was initiated by a complaint filed by George Weaver against Mike Veon for Congress ("Federal Committee") and Committee to Re-Elect Mike Veon ("State Committee") regarding transfers from the State Committee to the Federal Committee and expenditures by the State Committee

MUR 3511 was initiated by a complaint filed by Jerry Hodge regarding disbursements by the State Committee, in-kind contributions of personnel from unnamed union locals, and payment for campaign related travel from the state legislative account.

Mike Veon was a candidate for the Democratic Party's nomination for Congress in the Fourth Congressional District of Pennsylvania in the April 28, 1992, primary.

A. Complaint Allegations

1. MUR 3509

The complaint in MUR 3509 alleges that the Federal Committee's pre-primary report discloses \$8,000 in receipts from the State Committee. The complaint alleges that the State Committee is not subject to federal law regarding disclosure, the ban on corporate and union contributions, or the limits on permissible contributions. The complaint contends that the State Committee should be required to register with the Commission as a

93043505391

federal committee and to comply with the other requirements of federal law. The complaint alleges that through the State Committee the candidate is putting unlawful contributions into his campaign and that the State Committee is also making expenditures on behalf of the federal campaign.

2. MUR 3511

The complaint in MUR 3511 notes that Veon's Statement of Candidacy listed the State Committee as another authorized committee. It then alleges that the State Committee is not operating in accordance with federal law but is accepting prohibited corporate or union contributions. It also alleges that the receipts of the State Committee have not been fully disclosed. The complaint further alleges that local unions informed the complainant that the state AFL-CIO had leaned on them to commit paid workers and facilities, such as phone banks, to the Veon campaign. The complaint contends that in this manner union funds are being used for more than contacting union members. The complaint then alleges that Veon is using his state expense funds to further his federal campaign, especially for travel expenses and per diem. The complainant filed an amendment to the complaint that elaborates on the allegations in the original complaint and attached a copy of the report filed by the State Committee with the State of Pennsylvania.

B. Response

As of June 10, 1992, no response had been received from the Respondents

93043505392

C. Act and Regulations

The Federal Election Campaign Act of 1971, as amended ("the Act"), defines a "political committee" as any group of persons, organization, committee or club that receives an aggregate of \$1,000 in contributions in any calendar year or makes an aggregate of \$1,000 in expenditures in any calendar year. 2 U.S.C. § 431(4)(A). Political committees must register with the Commission and file periodic reports of their receipts and disbursements. 2 U.S.C. § 433 and 434. A candidate for federal office must designate a principal campaign committee and may designate such additional authorized committees as the candidate chooses. 2 U.S.C. § 432(e)(1)

A principal or authorized campaign committee may accept contributions from persons and other political committees within the limitations of the Act. 2 U.S.C. §§ 441a(a)(1)(A), 441a(a)(2)(A), and 441a(f). A candidate or political committee may not accept any direct or indirect corporate or labor organization contribution or expenditure. 2 U.S.C. § 441b. The Act defines "contribution" to include "any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office." 2 U.S.C. § 431(8)(A)(1). Person is defined to include a political committee. 2 U.S.C. § 431(11). Commission regulations provide that "anything of value" includes "all in-kind contributions." 11 C.F.R. § 100.7(a)(1)(iii)(A). Commission regulations provide that in-kind contributions shall be reported in an amount equal to

93043505393

the usual and normal value "on the date received" and reported as a contribution and as an expenditure. 11 C.F.R. § 104.13(a).

These reporting requirements were judicially construed in FEC v. American Federation of State, County and Municipal Employees P.E.O.P.L.E. Qualified, No. 88-3208 (D.D.C. July 10, 1990) (hereinafter "AFSCME"). In that situation AFSCME had operated phone banks prior to the 1982 and 1984 general elections on behalf of Frank McCloskey, a Democratic Party candidate for the House of Representatives. AFSCME paid for the phone banks when the bills were received (after the election) and reported the payments as disbursements for that period (the period when they were paid) The court concluded that the phone banks constituted an in-kind contribution from AFSCME to McCloskey. The court further stated that the plain language of the Act in its entirety "requires reporting of contributions in the period in which they were made." AFSCME, slip op. at 5. Thus, in-kind contributions should be reported during the reporting period in which they are made and received, regardless of when the bills relating to the in-kind contributions are paid

Commission regulations permit unlimited transfers between a candidate's campaign committee for nonfederal office to the candidate's federal committee(s) provided that the funds transferred are not composed of contributions that would be in violation of the Act. 11 C.F.R. § 110.3(c)(6). The regulations further define cash on hand for purposes of such a transfer. 11 C.F.R. § 110.3(c)(6)(i). If the contributions making up the transfer were received after the date of the nonfederal election or

93043505394

9 3 0 4 3 5 0 5 3 9 5

after the candidate ceases to seek nonfederal office, or has publicly announced as a candidate for federal office, then such contributions shall be aggregated with contributions made to the federal committee by the same contributors unless such contributions were designated for the previous nonfederal election or another election for which the candidate has debts outstanding. 11 C.F.R. § 110.3(c)(6)(ii) If the nonfederal committee transfers more than \$1,000 to the federal committee in any calendar year, the nonfederal committee must register and report in accordance with the Act and regulations, including itemizing the source of the funds transferred. 11 C.F.R. § 110.3(c)(6)(iii); see also, 11 C.F.R. § 104.12 (defining beginning cash on hand).

Commission regulations further provide for the treatment of costs for campaign and noncampaign travel. 11 C.F.R. § 106.3. If a candidate conducts campaign activity at a stop, the stop becomes campaign related even if noncampaign activity is also conducted at the stop. Campaign activity does not include incidental contacts. 11 C.F.R. § 106.3(b)(3). If a candidate's travel includes both campaign stops and noncampaign stops, then a hypothetical trip is reconstructed starting at the origin and including only the campaign stops and ending back at the point of origin. Campaign related travel costs are then computed for this hypothetical trip. 11 C.F.R. § 106.3(b)(2). Payments for campaign travel are reportable. 11 C.F.R. § 106.3(a)

#### D. Analysis

The place to begin in analyzing the issues raised in this matter is with a review of the reports and documents filed by

Veon and his committees with the Commission and the State of Pennsylvania.

The Federal Committee filed its Statement of Organization on March 30, 1992, and its first report covering the period from January 1, 1992, through March 31, 1992, in mid-April. It disclosed total receipts of \$18,074.00 and disbursements of \$9,561.59 with ending cash on hand of \$8,512.41 and debts owed by the committee of \$7,958.68. The receipts included \$7,700 in political action committee contributions and a \$5,000 transfer from the State Committee. The reported PAC contributions were the Amalgamated Transit Union (\$2,500), Local 1300 CWA AFL-CIO (\$5,000), IBEW Local No. 126 COPE (\$100), and Carpenters 422 (\$100). The report also disclosed several disbursements for postage and bulk mail permit and disclosed a debt owed to Hendersons Printing of Rochester, PA, of \$4,905.68 for printing.

The Federal Committee also filed a Pre-Primary report covering the period from April 1 through April 8, 1992. It disclosed total receipts of \$29,820.00 and disbursements of \$26,466.88 with ending cash on hand of \$11,865.53 and debts owed by the committee of \$12,958.68. Its receipts included a \$3,000 transfer from the State Committee, a \$6,000 loan from the candidate, and political committee contributions totaling \$16,250.00. The political committee receipts included local candidate committees (\$1,950), Transportation Political Action League (\$2,500), Teamster Joint Council #53 (\$5,000), Political Education Committee AFL-CIO (\$5,000), IBEW Local 5 PAC (\$200), Pennsylvania #1 PAC (\$100), Bike PAC (\$500), GTE PAC (\$500), and

93043505396

C-TEC Federal PAC (\$500). The disbursements included a \$1,000 payment to Hendersons on the debt reported in the previous report.

The State Committee has not filed a Statement of Organization with the Commission, but it was listed on the Statement of Candidacy as another authorized committee of the candidate. The State Committee filed a federal report for the period from March 16, 1992, through March 31, 1992. It disclosed beginning cash on hand of \$10,036.92, total receipts of \$3,300.00, and total disbursements of \$6,835.89 with ending cash on hand of \$6,201.03. The receipts included \$3,200 from PACs. They were AFSCME AFL-CIO Council 13 (\$1,000), Pennsylvania PACE (\$1,000), LAW PAC (\$1,000) and Philadelphia Electric Co. State Political Action Committee (\$200). Disbursements consisted of a \$5,000 transfer to the Federal Committee and \$1,735.89 in operating expenditures. These operating expenditures included payments of \$455.63 and \$56.33 to Mickey's Bar in Beaver Falls, PA, for campaign staff dinner and meeting on March 27, 1992, and March 30, 1992, respectively, and a \$1,000.00 payment to Hendersons Printing on March 30, 1992, for campaign printing. The State Committee reported no payments for postage in this report.

The State Committee also filed a report intended to cover the Pre-Primary period.<sup>1</sup> This report disclosed beginning cash on hand of \$6,201.03, total receipts of \$500, and total disbursements of \$3,000 with ending cash on hand of \$3,701.03. The receipts consist of a single contribution from AT&T PAC Pennsylvania (\$500).

---

1. The report put April 1 in both places for the coverage period.

93043505397

Disbursements consist only of the \$3,000 transfer to the Federal Committee.

The reports filed with the Pennsylvania elections bureau by the State Committee and two other committees linked to Mike Veon indicate a more elaborate financial pattern.<sup>2</sup> The State Committee's report filed with the state covered the period from January 1, 1992, through April 13, 1992. It disclosed beginning cash on hand of \$9,449.05, total receipts of \$31,800.00 and total disbursements of \$34,784.21 with ending cash on hand of \$6,464.84.<sup>3</sup> The receipts include \$500 in individual contributions and \$3,400 in apparent nonfederal PAC contributions received prior to the March 16, 1992, contribution from AFSCME AFL-CIO Council 13 that is the first itemized PAC receipt on the State Committee's reports filed with the Commission.

The receipts also include \$22,000.00 in apparent nonfederal PAC receipts that were received after the \$500 contribution from AT&T PAC Pennsylvania on April 1, 1992, that is the last receipt the State Committee itemized on its reports filed with the Commission. These \$22,000.00 in later receipts include a \$20,000 contribution on April 8, 1992, from Teamsters Local No. 115 PAC,

2. These three committees are: Committee to Re-Elect Mike Veon (the State Committee), Campaign '88: Re-Elect Mike Veon; and Pennsylvanians In Solidarity. Dennis Pietrandrea is treasurer of all three committees.

3. The State Committee's report filed with the state for the period from May 7, 1991, through December 31, 1991, disclosed total receipts of \$20,150.00, of which \$19,050 came from nonfederal PACs with only a couple of exceptions for PACs with Washington, D.C. addresses. Thus, it appears that nearly all of the funds disbursed by the State Committee in 1992 derived from PACs that were not registered with the Commission.

93043505398

\$500 from Teamsters Local No. 250 PAC, \$1,000 from Potomac Machinists PAC, \$500 from Pennsylvania Optometric PAC, and \$1,000 from LAW PAC.

On the disbursement side, the reports filed with Pennsylvania disclose \$6,257.13 in disbursements prior to the March 16, 1992 \$5,000 transfer to the Federal Committee, the first itemized disbursement on the reports filed with the Commission. Some of these payments are identified as campaign expenses, though it is not possible at this point to determine whether they were related to Veon's federal campaign or if he was initially seeking re-election to the state legislature. The report filed with the state also discloses \$18,691.19 in disbursements by the State Committee after the last one itemized on the report filed with the Commission -- the \$3,000 transfer to the Federal Committee on April 1, 1992. These disbursements include a \$4,015.44 contribution to Veon's 1988 state campaign committee (Campaign '88: Re-Elect Mike Veon), a \$4,000 and a \$3,000 contribution to Pennsylvanians In Solidarity (another committee linked to Veon), a \$1,000 contribution to a nonfederal candidate, and the remainder in miscellaneous campaign expenses.

The \$4,015.44 contribution to Veon's 1988 state campaign committee was disbursed to Mike Veon as a loan repayment on the same day (April 7, 1992) it was received. The Federal Committee reported receiving a \$6,000 loan from Veon on April 1, 1992. The \$7,000 contributed to Pennsylvanians In Solidarity remained unspent as of April 13, 1992, 15 days before the Pennsylvania primary. Whether any of these funds were subsequently

93043505399

disbursed on behalf of Veon's federal candidacy cannot be determined until the next state report is filed.

The "E" Index printout for Mike Veon does not list six PAC contributions totaling \$6,500 out of the \$25,700 in PAC contributions reported by the Federal and State Committees.<sup>4</sup> We note that the "E" Index listing of PAC contributions is taken from the reports filed with the Commission by the PACs, not the candidates. Therefore, the absence of a listing for a PAC contribution may mean that the candidate has reported a contribution from a nonfederal PAC or the federal PAC has not yet filed the necessary report or it has not yet been coded and entered into the database. PACs making contributions with respect to the Pennsylvania primary before April 8 should have filed a report prior to the primary, either a quarterly, a monthly, or a pre-primary report. Nevertheless, it appears that \$6,500 of the reported PAC contributions may have come from non federal PACs, or remains in doubt. These figures do not include the additional PAC contributions reported by the State Committee in its reports filed with the State of Pennsylvania that were not included in its reports filed with the Commission.

4. The attached printout totals \$50,750 because it is taken from the PAC reports not the Veon reports. The PACs have filed reports since the pre-primary report filed by the Veon committees. Also, the Teamsters contribution was, incorrectly listed at \$500 instead of \$5,000.00 as both the Teamsters and Veon committees reported it. The \$6,500 in questionable receipts are: (1) Carpenters 422 (3-20-92) \$100; (2) Local 13000 CWA (3-31-92) \$5,000; (3) IBEW Local 5 (4-6-92) \$200; (4) Pennsylvania PACE (4-6-92) \$100; (5) Bike PAC (4-2-92) \$500; and (6) AT&T PAC PENN. (4-1-92) \$500.

93043505400

It appears from the review of the Federal Committee and State Committee reports that there is reason to believe several violations have occurred.

The Federal Committee appears to have accepted contributions from union or corporate PACs that are not registered with the Commission in violation of 2 U.S.C. § 441b. It also reported no in-kind contributions from local unions for phone banks or for personnel. There is an absence of evidence to refute this allegation. Thus, it appears that the Federal Committee has knowingly accepted prohibited in-kind contributions. The committee reports travel reimbursements to several individuals, other than the candidate, in amounts of \$100 or less. There are no travel reimbursements reported as made to the candidate or any in-kind contributions from the candidate that may represent his payment of travel costs, such as trips to Washington, D.C. Thus, there is an absence of evidence to refute the allegations that the candidate made one or more trips that were paid for out of his state expense funds. Therefore, there is also reason to believe the Federal Committee has failed to report expenditures for campaign travel as required by 11 C.F.R. § 106.3 in violation of 2 U.S.C. § 434(b).

Response to Interrogatories and Request for Documents for MUR #3511

1. a. No assistance in the form of goods, services, volunteers, or facilities were provided directly to the Mike Veon for Congress Committee for the 1992 Congressional Primary Election by either corporations or labor organizations. Union members, and corporate employees, did volunteer their services as individuals, but no groups or corporations as entities provided direct assistance.  
  
b. No such assistance, therefore no value attributable to it
2. As a State Representative for the 14th Legislative District in Pennsylvania, Mike is required to travel weekly between Harrisburg and Beaver Falls. This travel is necessitated by the responsibilities that Mike has as a State Representative. He has duties to fulfill in Harrisburg and must also be responsive to the requests and concerns of his constituents in the 14th Legislative District. With regard to travel within the Fourth Congressional District, Mike did not charge these expenses to any of his accounts, but rather used personal funds. There was a payment made to MBNA, a credit card company, on May 28, 1992. This payment covered airline and hotel costs incurred by Mike, while he was at the AFL-CIO Executive Board's endorsement meeting. A copy of this check is enclosed for your review.
3. Enclosed are photocopies of the checks received from Local 13000 CWA, IBEW Local 5, and Bike PAC listed in interrogatory #3. There was no accompanying correspondence or memoranda with any of these contributions with the exception of a receipt acknowledgment from IBEW Local 5. A copy of this receipt acknowledgment has also been enclosed.

Unfortunately, I cannot located photocopies of the checks received from Carpenters 422, Pennsylvania PACE, or AT&T PAC Pennsylvania listed in interrogatory #3, but all contributions were fully and accurately reported.

4. The Local 13000 CWA contribution of \$5,000.00 was received from their federal account. A copy of this check, indicating their FEC ID #00109595, is enclosed. This check also indicates their State Election Identification Number, however, we were assured by Thomas McCalla that our check was taken from their federal funds. The five remaining contributions were from state political action committees. In Pennsylvania, political action committees are restricted from accepting corporate or union contributions. Due to this fact, these funds would be permissible under federal guidelines. None of the contributions from these organizations in the aggregate exceeded \$1,000.00; therefore, they would also qualify as permissible funds under FEC guidelines. The contribution from IBEW Local 5 was returned on June 1, 1992 after their International PAC contributed their limit of \$5,000.00 towards the primary election. Therefore, we believe these contributions are fully permissible under the Federal Election Campaign Act of 1971, as amended.
5. Enclosed is a copy of check #404 for \$6,000.00 from Mike Veon's personal account. This check was written as a loan from the candidate to the Mike Veon for Congress Committee. The source of these funds was Mike's personal savings.

The Committee to Re-Elect Mike Veon did make a contribution of \$4,015.44 to Campaign '88: Re-Elect Mike Veon. This contribution was made so that the Campaign '88: Re-Elect Mike Veon Committee could pay off past campaign debts and close their account. This procedure is quite common when a legislator has more than one candidate committee. Campaign '88: Re-Elect Mike Veon in turn paid off its outstanding loan to the candidate, Mike Veon.

6. Enclosed is a copy of the committee's bank statement for the month of April 1992.

RE: MUR 3511  
Mike Veon for Congress  
and Barbara Veon,  
as treasurer

Dear Ms. Veon:

On August 4, 1992, you were notified that the Federal Election Commission, on July 2, 1992, found reason to believe that the Mike Veon for Congress Committee and you, as treasurer, violated 2 U.S.C. §§ 441b and 434(b). Enclosed are copies of the material that was sent to you at that time. Under the Federal Election Campaign Act of 1971, as amended, and Commission regulations, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer.

A review of our files indicates that to date you have not responded to the Commission's findings and interrogatories. Unless we receive a response from you within 15 days, this matter will proceed to the next stage of the enforcement process.

Should you have any questions, please contact me at (202) 219-3400.

WASHINGTON, D.C. 20463

Barbara Veon, Treasurer  
Mike Veon for Congress  
P.O. Box 371  
1821 7th Avenue  
Beaver Falls, PA 15010

RE: MUR 3511  
Mike Veon for Congress  
and Barbara Veon,  
as treasurer

Dear Ms. Veon:

On April 30, 1992, the Federal Election Commission notified Mike Veon for Congress ("Committee") and you, as treasurer, of two complaints alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). Copies of the complaints were forwarded to you at that time. These two matters have been merged and are now known solely as MUR 3511.

Upon further review of the allegations contained in the complaints, and information supplied by you, the Commission, on July 2, 1992, found that there is reason to believe the Committee and you, as treasurer, violated 2 U.S.C. §§ 441b and 434(b), provisions of the Act. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office along with answers to the enclosed Interrogatories and Request for Production of Documents within 30 days of receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

93043542759

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public.

If you have any questions, please contact Mary Taksar, the attorney assigned to this matter, at (202) 219-3400.

Sincerely,

*Joan D. Aikens*

FEDERAL ELECTION COMMISSION

FACTUAL AND LEGAL ANALYSIS

RESPONDENTS: Mike Veon for Congress and  
Barbara Veon, as treasurer

MUR: 3511

This document covers two separate complaints involving the same respondents and same basic allegations.

MUR 3509 was initiated by a complaint filed by George Weaver against Mike Veon for Congress ("Federal Committee") and Committee to Re-Elect Mike Veon ("State Committee") regarding transfers from the State Committee to the Federal Committee and expenditures by the State Committee.

MUR 3511 was initiated by a complaint filed by Jerry Hodge regarding disbursements by the State Committee, in-kind contributions of personnel from unnamed union locals, and payment for campaign related travel from the state legislative account.

Mike Veon was a candidate for the Democratic Party's nomination for Congress in the Fourth Congressional District of Pennsylvania in the April 28, 1992, primary.

A. Complaint Allegations

1. MUR 3509

The complaint in MUR 3509 alleges that the Federal Committee's pre-primary report discloses \$8,000 in receipts from the State Committee. The complaint alleges that the State Committee is not subject to federal law regarding disclosure, the ban on corporate and union contributions, or the limits on permissible contributions. The complaint contends that the State Committee should be required to register with the Commission as a

93043542764

federal committee and to comply with the other requirements of federal law. The complaint alleges that through the State Committee the candidate is putting unlawful contributions into his campaign and that the State Committee is also making expenditures on behalf of the federal campaign.

2. MUR 3511

The complaint in MUR 3511 notes that Veon's Statement of Candidacy listed the State Committee as another authorized committee. It then alleges that the State Committee is not operating in accordance with federal law but is accepting prohibited corporate or union contributions. It also alleges that the receipts of the State Committee have not been fully disclosed. The complaint further alleges that local unions informed the complainant that the state AFL-CIO had leaned on them to commit paid workers and facilities, such as phone banks, to the Veon campaign. The complaint contends that in this manner union funds are being used for more than contacting union members. The complaint then alleges that Veon is using his state expense funds to further his federal campaign, especially for travel expenses and per diem. The complainant filed an amendment to the complaint that elaborates on the allegations in the original complaint and attached a copy of the report filed by the State Committee with the State of Pennsylvania.

B. Response

As of June 10, 1992, no response had been received from the Respondents.

C. Act and Regulations

The Federal Election Campaign Act of 1971, as amended ("the Act"), defines a "political committee" as any group of persons, organization, committee or club that receives an aggregate of \$1,000 in contributions in any calendar year or makes an aggregate of \$1,000 in expenditures in any calendar year. 2 U.S.C. § 431(4)(A). Political committees must register with the Commission and file periodic reports of their receipts and disbursements. 2 U.S.C. § 433 and 434. A candidate for federal office must designate a principal campaign committee and may designate such additional authorized committees as the candidate chooses. 2 U.S.C. § 432(e)(1).

A principal or authorized campaign committee may accept contributions from persons and other political committees within the limitations of the Act. 2 U.S.C. §§ 441a(a)(1)(A), 441a(a)(2)(A), and 441a(f). A candidate or political committee may not accept any direct or indirect corporate or labor organization contribution or expenditure. 2 U.S.C. § 441b. The Act defines "contribution" to include "any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office." 2 U.S.C. § 431(8)(A)(1). Person is defined to include a political committee. 2 U.S.C. § 431(11). Commission regulations provide that "anything of value" includes "all in-kind contributions." 11 C.F.R. § 100.7(a)(1)(iii)(A). Commission regulations provide that in-kind contributions shall be reported in an amount equal to

93043542766

the usual and normal value "on the date received" and reported as a contribution and as an expenditure. 11 C.F.R. § 104.13(a).

These reporting requirements were judicially construed in FEC v. American Federation of State, County and Municipal Employees - P.E.O.P.L.E. Qualified, No. 88-3208 (D.D.C. July 10, 1990) (hereinafte. "AFSCME"). In that situation AFSCME had operated phone banks prior to the 1982 and 1984 general elections on behalf of Frank McCloskey, a Democratic Party candidate for the House of Representatives. AFSCME paid for the phone banks when the bills were received (after the election) and reported the payments as disbursements for that period (the period when they were paid). The court concluded that the phone banks constituted an in-kind contribution from AFSCME to McCloskey. The court further stated that the plain language of the Act in its entirety "requires reporting of contributions in the period in which they were made." AFSCME, slip op. at 5. Thus, in-kind contributions should be reported during the reporting period in which they are made and received, regardless of when the bills relating to the in-kind contributions are paid.

Commission regulations permit unlimited transfers between a candidate's campaign committee for nonfederal office to the candidate's federal committee(s) provided that the funds transferred are not composed of contributions that would be in violation of the Act. 11 C.F.R. § 110.3(c)(6). The regulations further define cash on hand for purposes of such a transfer. 11 C.F.R. § 110.3(c)(6)(i). If the contributions making up the transfer were received after the date of the nonfederal election or

93043542767

after the candidate ceases to seek nonfederal office, or has publicly announced as a candidate for federal office, then such contributions shall be aggregated with contributions made to the federal committee by the same contributors unless such contributions were designated for the previous nonfederal election or another election for which the candidate has debts outstanding. 11 C.F.R. § 110.3(c)(6)(ii). If the nonfederal committee transfers more than \$1,000 to the federal committee in any calendar year, the nonfederal committee must register and report in accordance with the Act and regulations, including itemizing the source of the funds transferred. 11 C.F.R. § 110.3(c)(6)(iii); see also, 11 C.F.R. § 104.12 (defining beginning cash on hand).

Commission regulations further provide for the treatment of costs for campaign and noncampaign travel. 11 C.F.R. § 106.3. If a candidate conducts campaign activity at a stop, the stop becomes campaign related even if noncampaign activity is also conducted at the stop. Campaign activity does not include incidental contacts. 11 C.F.R. § 106.3(b)(3). If a candidate's travel includes both campaign stops and noncampaign stops, then a hypothetical trip is reconstructed starting at the origin and including only the campaign stops and ending back at the point of origin. Campaign related travel costs are then computed for this hypothetical trip. 11 C.F.R. § 106.3(b)(2). Payments for campaign travel are reportable. 11 C.F.R. § 106.3(a).

#### D. Analysis

The place to begin in analyzing the issues raised in this matter is with a review of the reports and documents filed by

93043542768

Veon and his committees with the Commission and the State of Pennsylvania.

The Federal Committee filed its Statement of Organization on March 30, 1992, and its first report covering the period from January 1, 1992, through March 31, 1992, in mid-April. It disclosed total receipts of \$18,074.00 and disbursements of \$9,561.59 with ending cash on hand of \$8,512.41 and debts owed by the committee of \$7,958.68. The receipts included \$7,700 in political action committee contributions and a \$5,000 transfer from the State Committee. The reported PAC contributions were the Amalgamated Transit Union (\$2,500), Local 1300 CWA AFL-CIO (\$5,000), IBEW Local No. 126 COPE (\$100), and Carpenters 422 (\$100). The report also disclosed several disbursements for postage and bulk mail permit and disclosed a debt owed to Hendersons Printing of Rochester, PA, of \$4,905.68 for printing.

The Federal Committee also filed a Pre-Primary report covering the period from April 1 through April 8, 1992. It disclosed total receipts of \$29,820.00 and disbursements of \$26,466.88 with ending cash on hand of \$11,865.53 and debts owed by the committee of \$12,958.68. Its receipts included a \$3,000 transfer from the State Committee, a \$6,000 loan from the candidate, and political committee contributions totaling \$16,250.00. The political committee receipts included local candidate committees (\$1,950), Transportation Political Action League (\$2,500), Teamster Joint Council #53 (\$5,000), Political Education Committee AFL-CIO (\$5,000), IBEW Local 5 PAC (\$200), Pennsylvania #1 PAC (\$100), Bike PAC (\$500), GTE PAC (\$500), and

93043542769

C-TEC Federal PAC (\$500). The disbursements included a \$1,000 payment to Hendersons on the debt reported in the previous report.

The State Committee has not filed a Statement of Organization with the Commission, but it was listed on the Statement of Candidacy as another authorized committee of the candidate. The State Committee filed a federal report for the period from March 16, 1992, through March 31, 1992. It disclosed beginning cash on hand of \$10,036.92, total receipts of \$3,300.00, and total disbursements of \$6,835.89 with ending cash on hand of \$6,201.03. The receipts included \$3,200 from PACs. They were AFSCME AFL-CIO Council 13 (\$1,000), Pennsylvania PACE (\$1,000), LAWPAE (\$1,000), and Philadelphia Electric Co. State Political Action Committee (\$200). Disbursements consisted of a \$5,000 transfer to the Federal Committee and \$1,735.89 in operating expenditures. These operating expenditures included payments of \$455.63 and \$56.33 to Mickey's Bar in Beaver Falls, PA, for campaign staff dinner and meeting on March 27, 1992, and March 30, 1992, respectively, and a \$1,000.00 payment to Hendersons Printing on March 30, 1992, for campaign printing. The State Committee reported no payments for postage in this report.

The State Committee also filed a report intended to cover the Pre-Primary period.<sup>1</sup> This report disclosed beginning cash on hand of \$6,201.03, total receipts of \$500, and total disbursements of \$3,000 with ending cash on hand of \$3,701.03. The receipts consist of a single contribution from AT&T PAC Pennsylvania (\$500).

1. The report put April 1 in both places for the coverage period.

93043542770

Disbursements consist only of the \$3,000 transfer to the Federal Committee.

The reports filed with the Pennsylvania elections bureau by the State Committee and two other committees linked to Mike Veon indicate a more elaborate financial pattern.<sup>2</sup> The State Committee's report filed with the state covered the period from January 1, 1992, through April 13, 1992. It disclosed beginning cash on hand of \$9,449.05, total receipts of \$31,800.00 and total disbursements of \$34,784.21 with ending cash on hand of \$6,464.84.<sup>3</sup> The receipts include \$500 in individual contributions and \$3,400 in apparent nonfederal PAC contributions received prior to the March 16, 1992, contribution from AFSCME AFL-CIO Council 13 that is the first itemized PAC receipt on the State Committee's reports filed with the Commission.

The receipts also include \$22,000.00 in apparent nonfederal PAC receipts that were received after the \$500 contribution from AT&T PAC Pennsylvania on April 1, 1992, that is the last receipt the State Committee itemized on its reports filed with the Commission. These \$22,000.00 in later receipts include a \$20,000 contribution on April 8, 1992, from Teamsters Local No. 115 PAC.

2. These three committees are: Committee to Re-Elect Mike Veon (the State Committee), Campaign '88: Re-Elect Mike Veon; and Pennsylvanians In Solidarity. Dennis Pietrandrea is Treasurer of all three committees.

3. The State Committee's report filed with the state for the period from May 7, 1991, through December 31, 1991, disclosed total receipts of \$20,150.00, of which \$19,050 came from nonfederal PACs with only a couple of exceptions for PACs with Washington, D.C. addresses. Thus, it appears that nearly all of the funds disbursed by the State Committee in 1992 derived from PACs that were not registered with the Commission.

93043542771

\$500 from Teamsters Local No. 250 PAC, \$1,000 from Potomac Machinists PAC, \$500 from Pennsylvania Optometric PAC, and \$1,000 from LAW PAC.

On the disbursement side, the reports filed with Pennsylvania disclose \$6,257.13 in disbursements prior to the March 16, 1992, \$5,000 transfer to the Federal Committee, the first itemized disbursement on the reports filed with the Commission. Some of these payments are identified as campaign expenses, though it is not possible at this point to determine whether they were related to Veon's federal campaign or if he was initially seeking re-election to the state legislature. The report filed with the state also discloses \$18,691.19 in disbursements by the State Committee after the last one itemized on the report filed with the Commission -- the \$3,000 transfer to the Federal Committee on April 1, 1992. These disbursements include a \$4,015.44 contribution to Veon's 1988 state campaign committee (Campaign '88: Re-Elect Mike Veon), a \$4,000 and a \$3,000 contribution to Pennsylvanians In Solidarity (another committee linked to Veon), a \$1,000 contribution to a nonfederal candidate, and the remainder in miscellaneous campaign expenses.

The \$4,015.44 contribution to Veon's 1988 state campaign committee was disbursed to Mike Veon as a loan repayment on the same day (April 7, 1992) it was received. The Federal Committee reported receiving a \$6,000 loan from Veon on April 1, 1992. The \$7,000 contributed to Pennsylvanians In Solidarity remained unspent as of April 13, 1992, 15 days before the Pennsylvania primary. Whether any of these funds were subsequently

93043542772

disbursed on behalf of Veon's federal candidacy cannot be determined until the next state report is filed.

The "E" Index printout for Mike Veon does not list six PAC contributions totaling \$6,500 out of the \$25,700 in PAC contributions reported by the Federal and State Committees.<sup>4</sup> We note that the "E" Index listing of PAC contributions is taken from the reports filed with the Commission by the PACs, not the candidates. Therefore, the absence of a listing for a PAC contribution may mean that the candidate has reported a contribution from a nonfederal PAC or the federal PAC has not yet filed the necessary report or it has not yet been coded and entered into the database. PACs making contributions with respect to the Pennsylvania primary before April 8 should have filed a report prior to the primary, either a quarterly, a monthly, or a pre-primary report. Nevertheless, it appears that \$6,500 of the reported PAC contributions may have come from non federal PACs, or remains in doubt. These figures do not include the additional PAC contributions reported by the State Committee in its reports filed with the State of Pennsylvania that were not included in its reports filed with the Commission.

93043542773

---

4. The attached printout totals \$50,750 because it is taken from the PAC reports not the Veon reports. The PACs have filed reports since the pre-primary report filed by the Veon committees. Also, the Teamsters contribution was, incorrectly listed at \$500 instead of \$5,000.00 as both the Teamsters and Veon committees reported it. The \$6,500 in questionable receipts are: (1) Carpenters 422 (3-20-92) \$100; (2) Local 13000 CWA (3-31-92) \$5,000; (3) IBEW Local 5 (4-6-92) \$200; (4) Pennsylvania PACE (4-6-92) \$100; (5) Bike PAC (4-2-92) \$500; and (6) M&T PAC PENN. (4-1-92) \$500.

It appears from the review of the Federal Committee and State Committee reports that there is reason to believe several violations have occurred.

The Federal Committee appears to have accepted contributions from union or corporate PACs that are not registered with the Commission in violation of 2 U.S.C. § 441b. It also reported no in-kind contributions from local unions for phone banks or for personnel. There is an absence of evidence to refute this allegation. Thus, it appears that the Federal Committee has knowingly accepted prohibited in-kind contributions. The committee reports travel reimbursements to several individuals, other than the candidate, in amounts of \$100 or less. There are no travel reimbursements reported as made to the candidate or any in-kind contributions from the candidate that may represent his payment of travel costs, such as trips to Washington, D.C. Thus, there is an absence of evidence to refute the allegations that the candidate made one or more trips that were paid for out of his state expense funds. Therefore, there is also reason to believe the Federal Committee has failed to report expenditures for campaign travel as required by 12 C.F.R. § 106.3 in violation of 2 U.S.C. § 434(b).

Committee to Re-Elect Mike Veon, Dennis P. Pietrandrea, Treasurer

Response to Interrogatories and Request for Documents for MUR #3511

1. The answer to this interrogatory is still being formulated. I am waiting for the FEC to give me an interpretation of the law. After this is accomplished, I will forward my response to this interrogatory.
2. The Committee to Re-Elect Mike Veon did physically separate its funds from the Mike Veon for Congress Committee. This was done by having two separate committees and bank accounts.
3. Enclosed are photocopies of the five contributions listed in interrogatory #3. There were no accompanying documents.
4. These contributions came from state political action committees, but are permissible funds since none of the contributing organizations gave more than \$1,000.00. In Pennsylvania, political action committees are prohibited from accepting corporate or union funds, thus under that restriction, these funds would also be federally permissible.
5. Enclosed are photocopies of the five contributions listed in interrogatory #5. There were no accompanying documents.
6. Enclosed are all copies of payment checks, invoices, and memoranda associated with or that accompanied the disbursements listed in interrogatory #6. You will notice that these expenditures are all related to Mike's campaign for the State House of Representatives. These expenditures are consistent with expenditures made by the committee in Mike's four previous campaigns for the State House of Representatives.
- 7a. Pennsylvanians in Solidarity is a political action committee registered in the Commonwealth of Pennsylvania. It is an affiliate committee of the candidate Mike Veon.
- b. Pennsylvanians in Solidarity is an affiliated committee of the candidate Mike Veon, which is registered in the Commonwealth of Pennsylvania. The Mike Veon for Congress Committee is Mike's congressional campaign committee, which is registered with the Federal Election Commission. The Committee to Re-Elect Mike Veon is a state political action committee registered in the Commonwealth of Pennsylvania. It was also a federally registered committee from March 16, 1992 until April 1, 1992. On April 2, 1992, the Committee to Re-Elect Mike Veon began functioning solely as a state political action committee in the Commonwealth of Pennsylvania.
- c. Enclosed are photocopies of the reports filed by Pennsylvanians in Solidarity for the period beginning after April 13, 1992 and continuing through the end of the reporting period for your review.
- 8a. The Committee to Re-Elect Mike Veon did make a contribution of \$4,015.44 to Campaign '88: Re-Elect Mike Veon. This contribution was made so that the Campaign '88: Re-Elect Mike Veon Committee could pay off past campaign debts and close their account. This procedure is quite common when a legislator has more than one candidate committee.
- b. Enclosed is a copy of the check for the contribution listed above.
9. Enclosed is a copy of the check for \$4,015.44 written by Campaign '88: Re-Elect Mike Veon on 4/7/92 to the candidate, Mike Veon. This disbursement was a loan repayment, which the Campaign '88: Re-Elect Mike Veon Committee made to the candidate.

93043542776

- 10a. Please find enclosed a copy of the April 1992 bank statement for the Committee to Re-Elect Mike Veon.
  - b. Please find enclosed a copy of the April 1992 bank statement for Pennsylvanians in Solidarity.
  - c. Please find enclosed a copy of the April 1992 bank statement for Campaign '88: Re-Elect Mike Veon.
11. Copies of reports filed by the Committee to Re-Elect Mike Veon and Campaign '88: Re-Elect Mike Veon for the period beginning after April 13, 1992 and continuing through the end of the reporting period have been included for your review.

MEMO 122113R7CR91:11.C1M7R1373M11.11

93043542782

It appears from the review of the Federal Committee and State Committee reports that there is reason to believe several violations have occurred.

First, the State Committee has not filed a Statement of Organization as required by 2 U.S.C. § 433. Second, the first report filed by the State Committee did not itemize its cash on hand as required by 11 C.F.R. § 104.12. Third, the State Committee may not have reported all of its receipts and disbursements on behalf of Veon's federal campaign. Fourth, the State Committee appears to have accepted contributions from union or corporate PACs that are not registered with the Commission in violation of 2 U.S.C. § 441b.

Accordingly, there is reason to believe that the State Committee has violated 2 U.S.C. §§ 433, 434, and 441b and 11 C.F.R. §§ 104.12 and 110.3(c)(6).

RE: MUR 3511

Dear Mr. Hodge:

On April 27, 1992, the Federal Election Commission received your complaint alleging certain violations of the Federal Election Campaign Act of 1971, as amended ("the Act"). On July 2, 1992, the Commission found reason to believe that Mike Veon for Congress and Barbara Veon, as treasurer, violated 2 U.S.C. §§ 441b and 434(b) and the Committee to Re-Elect Mike Veon and Dennis P. Pietrandrea, as treasurer, violated 2 U.S.C. §§ 433(c), 434, 441b and 11 C.F.R. §§ 104.12 and 110.3(c)(6).

After considering the circumstances of this matter, the Commission has determined to exercise its prosecutorial discretion and to take no further action against Mike Veon for Congress and Barbara Veon, as treasurer, and the Committee to Re-Elect Mike Veon and Dennis P. Pietrandrea, as treasurer. See attached narrative. Accordingly, the Commission closed the file in this matter.

The Act allows a complainant to seek judicial review of the Commission's dismissal of this action. See 2 U.S.C. § 437g(a)(8).

**MUR 3511  
MIKE VEON COMMITTEE**

This matter was generated by two complaints against the Mike Veon for Congress Committee (federal committee) and Committee to Re-Elect Mike Veon (state committee). The Commission found reason to believe that the Mike Veon for Congress Committee accepted impermissible contributions and committed several reporting violations. The Commission also found reason to believe that the Committee to Re-Elect Mike Veon failed to file a Statement of Organization, failed to itemize its cash on hand in the first report filed with the Commission, and accepted impermissible contributions

This matter had little or no impact on the process and there are no significant issues relative to the other issues pending before the Commission. Moreover, there is no indication that respondents had a serious intent to violate the FECA.

MUR 3511  
MIKE VEON COMMITTEE

This matter was generated by two complaints against the Mike Veon for Congress Committee (federal committee) and Committee to Re-Elect Mike Veon (state committee). The Commission found reason to believe that the Mike Veon for Congress Committee accepted impermissible contributions and committed several reporting violations. The Commission also found reason to believe that the Committee to Re-Elect Mike Veon failed to file a Statement of Organization, failed to itemize its cash on hand in the first report filed with the Commission, and accepted impermissible contributions

This matter had little or no impact on the process and there are no significant issues relative to the other issues pending before the Commission. Moreover, there is no indication that respondents had a serious intent to violate the FECA.

RE: MUR 3511

Dear Mr. Pietrandrea:

On August 4, 1992 you were notified that the Federal Election Commission had found reason to believe that the Committee and you, as treasurer, had violated 2 U.S.C. §§ 433(c), 434, 441b and 11 C.F.R. §§ 104.12 and 110.3(c)(6). You have not submitted a response to the Commission's reason to believe findings.

After considering the circumstances of this matter, the Commission has determined to exercise its prosecutorial discretion and to take no further action against the Committee to Re-Elect Mike Veon and you, as treasurer. See attached narrative. Accordingly, the Commission closed the file in this matter.

The confidentiality provisions at 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record before receipt of your additional materials, any permissible submissions will be added to the public record when they are received.

If you have any questions, please contact me at (202) 219-3400.

Sincerely,
