Complaint of Improper Actions

RECEIVED
FEDERAL ELECTION COMMISSION
OFFICE OF GENERAL COUNSEL

Dear Sir:

While everyone is entitled to make mistakes and while a certain amount of latitude should be permitted when a candidate is running for Federal Office for the first time, as you will see from the following the conduct of Tim Holden, his authorized Committee and others involved in his campaign goes well beyond naivete and indicates a careless disregard for the applicable law.

Formal Complaint

This letter is intended to be a complaint as authorized by 11 CFR §111.4. The complainant is John E. Jones, III. Complainant's address is 13 Westwood Centre, P.O. Box 149, Pottsville, Pa. 17901.

1. Prohibited Campaign Contributions.

Respondents:

Tim Holden; Tim Holden for Congress, John Holden, Treasurer; Brick Layers Union Local No. 21, Reading, Pa.; Laborer's Union Local 471, Blandon, Pa.

Possible Additional Respondents: International Union of Operating Engineers, Local 542; Miller Distributions; Mrs T. FF Management Consultant.

Brief Statement of Law:

Corporations and labor unions are prohibited from making contributions to Federal Campaigns. 11 CFR §114.2(b). It is the obligation of the authorized Committee to review all contributions to the Campaign and return all prohibited contributions. 11 CFR §103.3(b).

Statement of Facts:

a. According to FEC 3 Reports filed by Tim Holden's authorized Committee a contribution in the amount of \$200 was received from the Brick Layers Union Local No. 21, Reading, Pa. on June 4, 1992. According to information provided by the FEC by telephone on September 22, 1992, there is no political action committee sponsored by the Brick Layers Union Local No. 21. It is therefore the complainant's belief that this constitutes an prohibited contribution by a labor union.

b. According to FEC 3 Reports filed by Tim Holden's authorized Committee a contribution in the amount of \$200 was received from the Laborer's Union Local 471, Blandon, Pa. on June 12, 1992. According to information provided by the FEC by telephone on September 22, 1992, there is no political action committee sponsored by the Laborer's Union Local 471. It is therefore the complainant's belief that this constitutes a prohibited contribution by a labor union.

93040991226

c. According to FEC 3 Reports filed by Tim Holden's authorized Committee a contribution in the amount of \$200 was received from the International Union of Operating Engineers, Local 542, Norristown, Pa. on April 9, 1992. It is the complainant's belief that there is no political action committee sponsored by the International Union of Operating Engineers, Local 542. It is therefore the complainant's belief that this constitutes an prohibited contribution by a labor union.

d. According to FEC 3 Reports filed by Tim Holden's authorized Committee a contribution in the amount of \$400 was received from Miller Distributions on April 2, 1992. This does not appear to be the name of an individual and it would appear that Miller Distributions is a corporation. It is therefore the complainant's belief that this constitutes an prohibited contribution by a corporation. Conversely, if Miller Distributions is not a corporation, this would appear to be a violation of the identification requirements of the Regulations. 11 CFR §§100.12, 104.7, 104.8.

e. According to FEC 3 Reports filed by Tim Holden's authorized Committee a contribution in the amount of \$1,000 was received from Mrs T. FF Management Consultant on June 30, 1992. This does not appear to be the name of an individual and it would appear that Mrs T. FF Management Consultant is a corporation. It is therefore the complainant's belief that this constitutes an prohibited contribution by a corporation. Conversely, if Mrs T. FF Management Consultant is not a corporation, this would appear to be a violation of the identification requirements of the Regulations. 11 CFR §§100.12, 104.7, 104.8.

Conclusion:

Tim Holden and his authorized Committee have knowingly accepted prohibited contributions from labor unions (they are even given the label "union" on the FEC 3 Reports) and may

93040991227

have possibly accepted prohibited contributions from corporations.

Supporting Documentation:

As indicated, the information upon which the foregoing is based has been obtained from the FEC 3 Reports filed by Tim Holden's authorized Committee as well as from the Commission. Therefore, no supporting documentation is attached.

2. Failure to Comply with Disclaimer Requirements.

Respondents:

Tim Holden; Tim Holden for Congress, John Holden, Treasurer; Schuylkill Countians for Tim Holden; Metro Litwak; Schuylkill County Democratic Committee.

Brief Statement of Law:

In order to prevent prohibited campaign contributions the law mandates the placement of disclaimers on virtually all communications which expressly advocate the election or defeat of a specific candidate and/or which solicit contributions. 11 CFR §110.11.

Statement of Facts:

a. There are primarily two types of signs advocating the election of Tim Holden which have been posted throughout the 6th District. Some of the signs are printed and do have the requisite disclaimer found thereon, albeit in virtually microscopic print. The second type of sign (of which there are four (4) different styles know to complainant), which appears to the complainant to be more numerous, far larger (some of which actually approach small billboards in size) and far more visible, are painted signs. None of the painted

93040991228

signs inspected by complainant have any form of disclaimer thereon.

b. On July 13, 1992 there appeared a large advertisement in the *Pottsville Republican*, on page 14 which was a general invitation to a reception in honor of Tim Holden. This advertisement did not include any form of disclaimer.

c. According to a letter to the editor by a Robert Jacobs of Reading, published in the *Evening Herald* on April 8, 1992, Tim Holden was distributing leaflets advocating his election to office in Berks and Schuylkill Counties which such leaflets did not contain a disclosure as required by law.

d. According to an article published in the *Pottsville Republican* on May 11, 1989, in April 1992, Metro Litwak, the chairman of the Schuylkill County Democratic Committee printed or caused to have printed and distributed or caused to have distributed numerous "fliers" which specifically advocated the election of Tim Holden. These "fliers" did not contain any type of disclaimer as to who paid for same nor did they indicate if they were authorized by Tim Holden or his authorized Committee.

e. On August 28, 1992 there appeared an advertisement in the *Pottsville Republican*, on page 17 which was a solicitation for volunteers to work for Tim Holden's campaign as well as for contributions to Tim Holden's campaign listing a George Smith c/o Abbots Oil Company as the contact person. This advertisement included a disclaimer to the effect that it was paid for by Schuylkill Countians for Tim Holden. While the tenor of the advertisement would indicate it was a coordinated activity with Tim Holden's campaign, there is no disclaimer to that effect nor, according to a telephone inquiry made to the FEC on September 23, 1992, is the Schuylkill Countians for Tim Holden a committee authorized by Tim Holden or otherwise registered with the FEC.

Conclusion:

Tim Holden, his authorized Committee and others supporting Tim Holden have repeatedly disregarded the clear requirements to properly mark appropriate communications with a disclaimer. Furthermore, in light of the fact that on at least two occasions individuals or entities other than Tim Holden's authorized Committee have expended funds on behalf of Tim Holden's candidacy, the lack of disclaimers on the signs, leaflets and advertisements referenced above raises serious questions as to whom actually paid for same.

Supporting Documentation:

With regard to item a., enclosed you will find a photocopy of photographs of representative examples of the four (4) different styles of painted signs in question.

With regard to item b., enclosed you will find a photocopy of the advertisement in question.

With regard to item c., enclosed you will find a photocopy of a portion of a page from the *Evening Herald*.

With regard to item d., enclosed you will find a photocopy of the "flier" as well as a photocopy of the article from the *Pottsville Republican*.

With regard to item e., enclosed you will find a photocopy of the advertisement in question.

3. Failure to File Reports in a Timely Manner.

Respondents:

Tim Holden; Tim Holden for Congress, John Holden, Treasurer.

93040991230

Brief Statement of Law:

In order to assure compliance with the Act, it is required that specified statements and reports be filed simultaneously with the House of Representatives as custodian for the FEC as well, in the case of candidates for the 6th District, with the Pennsylvania Department of State, Bureau of Elections. 11 CFR §§ 101.1(a), 102.1(b), 105.1, 2 USC §439. Since the beginning of 1992 the following reports have been required to be filed by candidates and authorized Committees in the 6th District:

<u>Report</u>	<u>Dates Covered</u>	<u>Certified Mail Due Date</u>
Statement of Candidacy	n/a	within 15 days of becoming a candidate.
Statement of Organization	n/a	within 10 days after designation
1st 1/4 Report	1/1/92 - 3/31/92	4/15/92
Pre-primary	4/1/92 - 4/8/92	4/13/92
2nd 1/4 Report	4/9/92 - 6/30/92	7/15/92

[11 CFR §104.5(a), See also, FEC Record, Volume 18, Number 3, March 1992, pages 10 and 11.]

In addition, in the event of receipt of contributions of \$1,000 or more after April 8, 1992 (through April 26, 1992), the Committee was required to file a "48 Hour Notice". 11 CFR 104.5(f).

Statement of Facts:

a. According to copies of documents received by the complainant from the Pennsylvania Department of State, Bureau of Elections no filings were made by Tim Holden or his authorized Committee with the Bureau until 8:43 a.m. on May 20, 1992 at which time the following documents were filed:

- i. Statement of Candidacy of T. Timothy Holden;
- ii. Statement of Organization of Tim Holden For Congress, John T. Holden Treasurer;
- iii. FEC 3 for the period 1/1/92 - 3/31/92; and
- iv. FEC 3 for the period 4/1/92 - 4/14/92.

b. According to the FEC Reports filed by Tim Holden's authorized Committee the following contributions of \$1,000 or more were received by Tim Holden and/or his authorized Committee during the period April 9, 1992 - April 26, 1992:

Michael T. Conahan	4/10/92	\$1,000
Carpenters L.I.P.	4/22/92	\$2,000
Mazzuca Realty	4/24/92	\$1,000

According to the information available from the Pennsylvania Department of State, Bureau of Elections, however, no 48 Hour Notices were made with regard to these contributions.

Conclusion:

Tim Holden and his authorized Committee failed to timely file mandatory reports and statements denying other candidates, the press and interested third parties timely access thereto.

Supporting Documentation:

Since the Statements and other Reports referred to above are of public record, copies of same are not enclosed herewith.

4. Failure to Comply with Regulations and Instructions
Regarding Form and Content of Mandated Reports.

Respondents:

Tim Holden; Tim Holden for Congress, John Holden,
Treasurer.

Brief Statement of Law:

In order to be assured the requirements of the Act and Regulations are met, the Regulations specify: i. that all those responsible for filing reports shall use their best efforts in complying with the law; ii. the forms which are to be used; and iii. what information must be disclosed on said forms. 11 CFR Part 104. In addition, the FEC in the *Campaign Guide for Congressional Candidates and Committees* sets forth further instructions and detailed examples as to how the appropriate forms are to be completed.

Statement of Facts:

a. According to FEC 3 Reports filed by Tim Holden's authorized Committee a contribution in the amount of \$1,000 was received from Mazzuca Realty Co. on April 24, 1992. This does not appear to be the name of an individual and it is complainant's understanding this is a partnership. Tim Holden's authorized committee obviously took no efforts to determine this, to determine who the partners were or to report this contribution in the manner specified by the FEC.

b. According to the Regulations, the FEC 3 Reports to be filed by Tim Holden's authorized Committee were to cover the following periods: i. the period 1/1/92 - 3/31/92; ii. the period 4/1/92 - 4/8/92; and iii. the period 4/9/92 - 6/30/92.

Copies of the FEC 3 Reports filed by Tim Holden's authorized Committee indicates that same were actually filed for the following periods: i. the period 1/1/92 - 3/31/92; ii.

93040991233

the period 4/1/92 -4/14/92; and iii. the period 4/15/92 - 6/30/92.

c. The Regulations and instructions to the FEC 3 mandate that specific schedules be attached to the Reports, each of which reports a specific type of information.

The FEC 3 Reports filed by Tim Holden's authorized Committee do not comply with these requirements. For example:

i. The FEC 3 Report filed for the period ending March 31, 1992 does not include any of the mandated schedules.

ii. The FEC 3 Reports for the periods ending April 14 and June 30 make no attempt to segregate contributions from PACs (in fact, the contributions are incorrectly labeled on the FEC 3 forms as being from unions).

d. The Regulations indicate that the full name, mailing address, name of employer and occupation of each contributor is to be listed. None of the FEC 3 Reports filed by Tim Holden's authorized Committee make more than a feeble attempt to provide the information regarding contributors mandated by the FEC. For example:

i. Despite the fact Joseph Holden is most probably well known to Tim Holden and John Holden, the FEC 3 for the period ending 3/31/92 fails to indicate the date of his contribution, his employer or occupation.

ii. Despite the fact that Tim Holden is the Schuylkill County Sheriff and personally knows many of the attorneys who practice in Schuylkill County, and despite the fact this information is readily available in the telephone book or from a telephone call to the contributor's offices, the FEC 3 reports fail to indicate the employers of the following attorneys/contributors:

<u>Name</u>	<u>Date of Contribution</u>	<u>Amount</u>
Michael Conhan	4/10	\$1,000
David Rattigan	4/3	975
Richard Thornburg	4/10, 5/14	1,000
Frederick Fanelli	4/7	1,000
James Riley	4/6, 6/30	2,000
Ed Brennan	4/24, 5/21	1,500
Robert & Ellen Zane	6/4	1,000
Thomas & Maureen Pellish	6/12	1,000
Frederick Giorgi	6/11	1,000
James Diehl	6/11	900

iii. The regulations provide that when a check from a joint checking account is used to make a contribution, the signer of the check is the contributor, not the couple. Furthermore, while a single check can be used to make a contribution on behalf of both husband and wife, the contributions are to be listed separately.

The FEC 3 Reports filed by Tim Holden's authorized Committee fail to comply with these regulations and lists the following couples as contributors:

<u>Names</u>	<u>Date of Contribution</u>	<u>Amount</u>
Louis & Colleen Fanelli	4/8	\$ 400
Carola & Michael Hamm, Jr.	4/8	300
Michael & Barbara Queecia	6/6	50
Robert & Ellen Zane	6/4	1,000
George & Jean Kuhn	6/8	100
Thomas & Maureen Pellish	6/12	1,000
Michael & Mary Goodkind	6/11	1,000

e. The Regulations provide that receipts from any contributor (on a cumulative basis) of \$200 or more must be specifically itemized and disbursements in excess of \$200 must be itemized.

93040991235

The FEC 3 filed by Tim Holden's authorized Committee lists as an itemized receipt "Net income from Golf Tournament" in the amount of \$4,756 on 6/13/92. It would seem to the complainant that: i. if the contributions of the tournament participants were sufficient to warrant itemization or the expenses were large enough to warrant itemization they should have been so itemized; or ii. if not, the contributions and disbursements should have been included along with other unitemized contributions and disbursements. In any event, this item is not properly reported in its current form and gives rise to questions about Tim Holden's authorized Committee's accounting of cash contributions and cash distributions.

f. The Regulations indicate that contributions are generally allocated to the election next to occur. Furthermore, the Act limits individual contributions to \$1,000 per election and limits allocations after the primary to primary debt.

The FEC 3 Report filed by Tim Holden's authorized Committee, however, indicates a total contribution of \$1,400 by Richard Higgins to the Committee (\$400 on 4/24 and \$1,000 on 5/29) all of which has been indicated as being allocated to the primary. This is either a violation of the law as set forth in the preceding paragraph or another indication of the carelessness with which Tim Holden and his authorized Committee approached the required record keeping and reporting requirements.

g. The Regulations indicate that the full name, mailing address and purpose be listed for each disbursement. None of the FEC 3 Reports filed by Tim Holden's authorized Committee make more than a feeble attempt to provide the information regarding disbursements. In lieu of listing the various violations of these rules, however, I would merely direct your attention to virtually every page of the Schedule B's attached to the FEC 3 Reports filed by Tim Holden's authorized Committee.

93040991236

Conclusion

In addition to being virtually illegible, even a cursory review of the FEC 3 Reports filed by Tim Holden's authorized Committee would reveal his disregard for the applicable law and the FEC's pertinent instructions. Furthermore, Tim Holden and his authorized Committee's failure to even make a good faith effort to comply with the reporting requirements has had the result of making it extremely hard to get a picture of whom Tim Holden's contributors are, whether they are permitted contributors and whether or not any improper distributions have been made.

Supporting Documentation:

Since the FEC 3 Reports referred to above are of public record, copies of same are not enclosed herewith.

Summary and General Comment

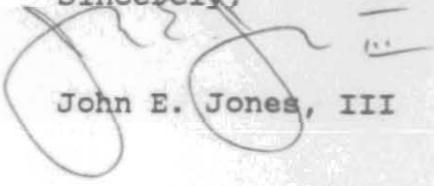

While the complainant would not have filed this complaint if only one or two of the above noted violations had come to his attention, when taken as a whole and coupled with other confidential information the complainant has received but which the complainant has been unable to confirm, the complainant believes that the conduct of Tim Holden and his authorized Committee rises to the level of contempt for the Federal Election Laws. The complainant is further concerned that Tim Holden, his authorized Committee and others involved in Tim Holden's campaign have taken other actions inconsistent with the Federal Election Laws and that they will continue to take actions inconsistent with such laws in the future.

It is therefore the complainant's belief that Tim Holden, his authorized Committee and the others involved in his campaign deserve the most stringent of investigations by the FEC.

Thumbs-up for Vic restoration

TO THE EDITOR:

A thumbs-up salute to Senator James Rhoades, the State Historical Commission and Museum office, and mostly to Ettore DiCasimirro, owner of the Vic Theatre.

A restored Victoria Theatre being placed on the national historic registry would enhance forever the dignity that flourished and was provided to generations of citizens throughout the Mahanoy City area and surrounding communities.

It isn't a matter of jobs. It isn't a matter of income. It is a matter of pride, of splendor, of memories that proud communities showed never let perish.

The populace of Mahanoy City should be extremely proud of Senator Rhoades' attempt to have the Victoria Theatre's recognition on the National Historic registry and the gratuitous generosity of Ettore DiCasimirro to donate the theatre.

Pastors respond to Mr. O'Brien

TO THE EDITOR:

The first recorded words of Satan were "Hath God said...?" His methods have not changed, causing people to doubt the Word by questioning its authority or questioning absolutes. This has been the oldest and foremost attack on God's revelation to man. Satan made this attack in a very subtle and intelligent sounding way. The doctrine of inspiration states that the original autographs are the very word of God, applicable in all matters of faith and practice. In addition to this, the history of how we have our Bible today is nothing short of miraculous and you can be sure that when Christ said that not one jot or one tittle shall pass away till all be fulfilled, He intended to preserve it. If one does not believe that, he has nothing, absolutely nothing to stand on. Even Mr. O'Brien, after attacking inspiration

change a man or woman, only Christ can do that.

It's amazing how much time and effort is placed on making sure of one's choice whether investing in a car, house, or investment plans, etc. We want to be absolutely sure of these things. But, for some reason, death, God, heaven, hell, seem so far away and nothing really worth looking into. Things here obviously don't last and death is around every day but ignored. Check it out. Christ didn't die for absolutely nothing. He didn't die for your sins so you could work your way in. Obeying commandments won't do it. He gave us 10 in Exodus 20 and there's not a one who fulfilled them except Christ.

As far as Peter's chair, it sounds like rally round the bandwagon, Mr. O'Brien.

Leaflets must have disclaimer

TO THE EDITOR:

You would think that the Sheriff of Schuylkill County would know the law! However, Sheriff Tom Holden, a Congressional candidate in the 6th District, either doesn't know the law or he's choosing to break it. Holden has been campaigning in Berks and Schuylkill counties by handing out a leaflet which contains a major federal election law violation. The pamphlet does not indicate who paid for it — in other words, there is no disclaimer.

One of the stated reasons to elect him on his leaflet is that "he can provide honest and professional public service." Voters might be skeptical of this since it seems that he intends to conduct a campaign which ignores the election laws.

Yatron flier not my plan, Holden says

Litwak made handouts passed in Shenandoah

By Terry McPhillips
The REPUBLICAN

Schuylkill County Sheriff T. Timothy Holden said today he had nothing to do with a campaign flier that may have made it appear that retiring U.S. Rep. Gus Yatron was backing him in the 6th Congressional District.

Holden said the flier was created by Schuylkill County Democratic Chairman Metro Litwak and passed out the day before the primary election in Shenandoah.

The flier was made by altering a political advertisement that showed Yatron shaking hands with candi-

Yatron flier blamed on county Democrat chief

FLIER/From Page 1
data John A. Reusing, Wyomissing Hills, who the congressman endorsed in the Democratic primary, according to Schuylkill County District Attorney Claude A.L. Shields, Holden's campaign manager.

Holden's photo was placed over Reusing's on the flier and remarks made by Yatron in the past supporting Holden in a previous election for county sheriff were added below the photo, Shields said.

Litwak, who said he did nothing underhanded, said he took the most

recent photo he could find of Yatron and trimmed it, placing a photo of Holden beside him. He also said he added the remarks that Yatron made about Holden 3½ years ago from a sheriff's campaign.

"Tim was not aware of it. In no way did I say anything wrong. I did it locally and I used an exact quote. I think they're just poor losers," Litwak said.

He also said he did not indicate on the flier that Yatron endorsed Holden.

Holden scored a stunning upset April 28 by getting the Democratic nomination over Reusing and Read-

ing Mayor Warren H. Haggerty Jr.

"I had nothing to do with it and I did not authorize it," Holden said before attending a meeting with Reading businessmen today. "Metro did it only in Shenandoah and no place else."

According to primary election results, Holden garnered 614 votes in Shenandoah, while Reusing received only 96 votes and Haggerty had 26 votes there.

Holden received 84.9 percent of the vote in Schuylkill County and 40 percent of the votes district-wide. Berks County and portions of Northumberland and Montgomery coun-

ties are included in the 6th District as well. Holden also won Northumberland County with 1,410 votes.

Holden said Litwak, who is from Shenandoah, probably made the fliers and passed them out to show that "Yatron has also said good things about me."

"I could do nothing about it," Holden said. "If I knew anything about them, I would have told him not to."

Shields said as far as he knows, the fliers were handed out at the voting station in Shenandoah and nowhere else. Shields said a copy made its way back to county Demo-

cratic headquarters in Pottsville.

"It looked real amateurish, like someone ran it off in a copy machine, but there was no disclaimer on it," Shields said.

Shields said the flier was not approved or condoned by Holden's campaign committee.

He said the altered flier may also have been made in response to radio advertisements airing in the Shenandoah area the day before the primary election that claimed Reusing was the only pro-life Democratic candidate. Holden also said during the campaign that he was pro-life on the abortion issue.

Holden said today he believed the flier had no impact on the election in Shenandoah.

"It was something done in one community by one chairman and there were no lies on it," he said.

However, Michael Kitsock Sr., chairman of the Schuylkill County Republican Committee, said the altered fliers are not to be taken lightly.

"This would come under the category of dirty tricks," he said. "Metro Litwak is one of the top officials in the party and I don't think that he took that on his own. It deserves some criticism."

Dear Sir:

In reference to your letter dated October 2, 1992, and Mr. Jones' complaint in regard to the advertising I placed in the Pottsville Republican.

Please be advised, this ad was paid for by myself and my wife (total cost \$35.72), without knowledge or collaboration from Tim Holded, Tim Holded for Congress, John Holded, Treasurer or any other committees or persons connected to Mr. Holded.

Mr. Jones' assumption that the ad was, "A coordinated activity with Tim Holded's campaign", is just what it is an assumption of his part.

Mr. Jones is upset, because I would not do the same for him.

Dear Ms. Hennessy:

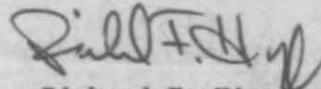

I am answering the complaint filed by John Jones, Candidate for U. S. Congress against me.

I made two contributions to his opponent:

1. \$400. on 4/24/92 deposited 4/27/92.
2. \$1,000. on 5/29/92 deposited 6/4/92.

I can't understand why Mr. Jones made this complaint. Will you please advise as an inquiry from your agency is quite upsetting.

Very truly yours,

RE: MUR 3626

Statement of Metro Litwak

I, Metro Litwak, hereby swear and affirm the following factors concerning MUR 3626.

It appears the allegations of the MUR 3626 as it concerns the Schuylkill County Democratic Committee and Metro Litwak appear in paragraph 2(d). All other matters appear to make allegations against the Tim Holden for Congress Committee. As such I address the allegation in Paragraph 2(d).

I personally acknowledge that I had prepared a flier for Tim Holden personally during the Primary. This action was done personally and did not have the acknowledgement nor the consent of the Schuylkill County Democratic Party or the Tim Holden for Congress Committee.

I simply made the flier and gave the flier to Violet Ciesluk, local chairperson, now deceased. Apparently she distributed the flier; however, I take the responsibility and had not put a disclaimer that I prepared it.

If anything further is needed, please advise.

Sincerely yours,

Metro Litwak

RE: MUR 3626

Dear Attorney Mastrobattista:

Please consider this our answer to the complaint filed in the above-captioned matter filed by John J. Jones, III. I enter my appearance on behalf of Tim Holden and his committee and include a statement of designation of counsel.

We respond to Mr. Jones's complaint in the same order as presented to your office.

1. Prohibited Campaign Contributions

Respondents

Tim Holden; Tim Holden for Congress, John Holden, Treasurer; Brick Layers Union Local No. 21, Reading, Pa.; Laborer's Union Local 471, Blandon, Pa.

Possible Additional Respondents: International Union of Operating Engineers, Local 542; Miller Distributions; Mrs T. FF Management Consultant.

Statement of Facts

a. Holden returned a check which was received from the Brick Layers Union Local No. 21, prior to the filing of the complaint by Mr. Jones. Once it was realized this contribution was from the Union and not a political action committee, it was returned in accordance with the federal laws. See Exhibit A.

93040991271

92 OCT 21 PM 3:30

FEDERAL ELECTIONS COMMISSION

b. The check received from the Laborer's Union Local 471 in the amount of \$200.00 was also returned by the Holden Committee due to the fact that it was not a check from a political action committee. See Exhibit B.

c. The check from the International Union of Operating Engineers, was received from a political action committee and does not constitute a prohibited contribution by a labor union. See Exhibit C.

d. The check received from Miller Distributions is allowable under the law in that Miller Distribution is a sole proprietorship. Please see attached affidavit marked Exhibit D.

e. This contribution of \$1,000.00 from the management consultant is not a corporation and is therefore an allowable contribution.

Conclusion

The Holden Committee and other respondents have not knowingly accepted prohibited contributions from unions or corporations. In fact, checks have been returned once it was realized they were sent in error. Please see supporting documentation.

Enclosed please find a letter addressed to an Iron Workers Political Action Committee returning checks together with photocopies of the actual checks received and returned. See Exhibit E. Also attached is a letter dated July 28, 1992, from the Federal Election Commission to John Holden after a preliminary review of various statements. See Exhibit F. This letter covered some of the items complained of by John Jones. Attached is the reply of John Holden by letter dated August 6, 1992, explaining our position with regard to the very specific concerns raised in the F.E.C. letter of July 28, 1992. See Exhibit G.

2. Disclaimer Requirements

Respondents

Tim Holden; Tim Holden for Congress, John Holden, Treasurer; Schuylkill Countians for Tim Holden; Metro Litwak; Schuylkill County Democratic Committee.

93040991272

Statement of Facts

a. There are various homemade signs which volunteers hand-painted and posted on their own premises. Materials were purchased by the Holden Committee for various posting of printed signs. By this we mean plywood and wooden stakes for attaching signs to a more permanent foundation. Apparently, some volunteers took the materials and painted their own signs while waiting for the printed signs to become available. Although this is a technical error, all necessary disclaimers have now been added to the signs and the Holden Committee took steps to immediately correct the situation once it was discovered that some homemade signs did not have the required disclaimer.

b. The ad which appeared July 13, 1992, in the Pottsville Republican was done so without the approval of the candidate or the Holden Committee. This apparently is the only time that the ad was placed.

c. Jones refers to a letter to the Editor by someone from Reading which was reportedly published in a local newspaper. Aside from the fact that this is double and even triple hearsay without any basis in fact, Mr. Holden and the Holden Committee specifically deny distributing any leaflets in Berks and Schuylkill County which did not contain disclosures required by law.

d. Tim Holden and the Holden Committee deny authorizing any type of flyer which may have been distributed by Metro Litwak, Chairman of the Schuylkill County Democratic Committee. By way of further answer, we believe and therefore aver that a woman who was then Chairman of the Shenandoah Borough Democratic Committee prepared and distributed these flyers. These flyers were not authorized nor approved by the Holden Committee. Once Mr. Holden was made aware of said flyers he took steps to stop distribution.

e. The advertisement which appeared in the Pottsville Republican on August 28, 1992, was prepared by George Smith without the approval or authorization of Holden or his committee. Mr. Smith was advised immediately that this was not a proper ad and stopped running same. Attached is a notarized statement from Mr. Smith explaining his position. See Exhibit H.

93040991273

Supporting Documentation

See attached statements and photocopies of letters.

3. Failure to File Reports in a Timely Manner

Tim Holden; Tim Holden for Congress, John Holden, Treasurer.

Statement of Facts

John Holden did file F.E.C. statements in a timely manner with the Federal Election Commission. However, copies of the reports were not filed with the Pennsylvania Department of State, Bureau of Elections on time. This was a clerical error which has been corrected and will not occur again.

4. Failure to Comply with Regulations and Instructions Regarding Form and Content of Mandated Reports

Statement of the Facts

a. The Mazzuca Realty Company check is an individual checking account used by Mr. Michael Mazzuca, 14th and Laurel Street, Pottsville, Pennsylvania. The fact that this now did not appear in the report as a clerical error which will be corrected by filing an amended report.

b. Any clerical error with the dates on the reports will also be corrected by filing an amended report.

c. Here again if there are any clerical errors amended reports will be filed to correct same.

d. Again if there are any errors as far as the address and employer occupation these will be corrected by filing amended returns. It should be noted that subsequent reports filed by the Holden Committee corrected the errors complained of by Jones such as listing two individuals as contributors instead of just the individual who signed the check.

e. The golf tournament receipt and expenses will be detailed in an amended return. All expenses and receipts will be accounted for by filing an amended return.

93040991274

f. The allegations about Mr. Richard Higgins giving contributions in the primary election in excess of \$1,000.00 are incorrect. Closer examination of the checks indicate that the checks were issued at different dates than listed in the complaint. Any error appearing on the report submitted by the Holden Committee are basically clerical errors which will be corrected by filing an amended return.

g. The Holden Committee is preparing amended reports showing the full name and address for each disbursement. The lack of space prompted the handwritten reports to be filed without the complete addresses. However, it should be noted that all expenses and disbursements are properly recorded.

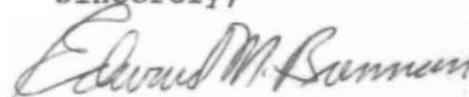

Closing Comment

Complainant Jones takes great liberty with so called confidential information which he has been unable to confirm. The items raised in this complaint are basically clerical errors and administrative oversights which will be corrected by filing an amended return. It seems strange that someone who had to return \$10,000.00 in the primary election expresses such outrage and concern over technical violations of the Federal Election Law.

We invite any investigation by the F.E.C. In fact, we are curious to see how Mr. Jones reports the use of the Schoeneman Corporation building and advertising signs placed on corporate properties in his subsequent reports. In press conferences, Mr. Jones admits that he held meetings and had other uses for the Schoeneman property yet not nowhere does it appear as a contribution in kind.

The Holden Committee stands ready, willing and able to correct any errors and has shown a pattern of working with the F.E.C. as the reports are reviewed when they are filed. In fact, the attached documentation shows the history of the Holden Committee and its attempts to abide by the F.E.C. regulations.

Sincerely,

EDWARD M. BRENNAN

Reference: 12 Day Pre-Primary Report (4/1/92-4/14/92)

Dear Mr. Holden:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses contributions from individuals but fails to include the aggregate year-to-date total. Please amend your report to include the missing information for each of these entries. (11 CFR §104.3(a)(4)(i))

-For future reports, please be advised that contributions from individuals and political committees should be itemized on separate Schedules A. Additionally, the total amount of these contributions should be reported on the appropriate line of the Detailed Summary Page (11(a), 11(b) and 11(c)).

-Your report discloses contribution(s) that may be from a corporation (pertinent portion attached). A contribution from a corporation is prohibited by the Act, unless it is made from a separate segregated fund established by the corporation. (2 U.S.C. §441b(a) and 11 CFR §103.3(b))

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution you received is from a corporation, you should refund the full amount to the donor and notify the Commission of such action. The refund must be made within thirty days of the treasurer becoming aware of the impermissibility of the contribution. (11 CFR §103.3(b)(2)) Copies of refund checks for the contribution(s) in question may be used to respond to

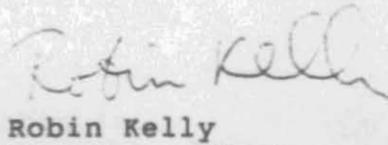

93040991295

this letter. The refund should be reported on a Schedule B supporting Line 20(a) of the report covering the period in which the refund is made. (11 CFR §104.8(d)(4))

Although the Commission may take further legal steps, prompt action by you to refund the prohibited amount will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Clerk of the House of Representatives, 1036 Longworth House Office Building, Washington, DC 20515 within fifteen (15) days of the date of this letter. RE: MUR 3626

Mary P. Mastro Battista: ESQ

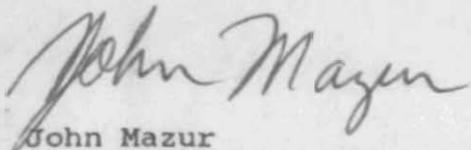

Mastiff Management Consultants never was, is not now, and never will be Incorporated.

It was a venture I attempted many years ago and later abandoned.

I simply was using up the old checks printed for that venture, which are for my personal account.

I trust this cleans up this matter.

Sincerely,

John Mazur

Re: Laborers Union Local 471
MUR 3626

Dear Mastrobattista:

Please be advised that I represent the Laborers Union Local 471 in Reading, PA. Please accept this letter as the Laborers response to the complaint filed September 25, 1992 by John Jones, a copy of which was received on or about October 4, 1992.

In June of 1992, the Laborers were asked to participate in a golf tournament whose purpose was to benefit the Holden for Congress Committee. They wrote a check for the Holden for Congress Committee to sponsor two holes in the golf tournament in the amount of \$200.00. The Local Union has only 240 active members. It employs a single business manager and no other agents. The Union has never had a Political Action Committee and the business manager was not aware that this donation was different from other charitable contributions that the Local was asked to make from time to time.

Upon learning of the complaint, they promptly requested a refund of the money from the Holden for Congress Election Committee. The Committee advises Local 471 that they originally sent the refund on August 17, 1992, but that check was never received. The Committee put a stop payment on that check and issued another check October 16, 1992, and the Union has now been reimbursed.

The Union wishes to enter into pre-probable cause conciliation in this matter. The facts are relatively straight forward and the Union is not contesting the violation.

RE: Holden Committee - MUR 3626

Dear Attorney Mastrobattista:

This is to follow up on our conference with you in the above-captioned Complaint.

I enclose photocopies of the amended reports which were filed separately with Robin Kelly. I believe all items on these reports have been corrected. These corrections include but are not limited to the matters complained of by Mr. Jones. Exhibit "C" of our original answer contains a check from the International Union of Operating Engineers Local 542. I have been advised by the Business Manager's Office that this is a properly registered federal committee. Accordingly, we have not refunded the \$200.00 check noted as Exhibit "C" in our answer. Mr. John Holden has informed me that the recent FEC report has been filed and everything is in order. He has been working closely with Robin Kelly to avoid any further errors.

I have also been contacted by the Bricklayers, Masons and Tilesetters Local 21. You may recall that we returned a check issued by this Local prior to the filing of the Complaint by Mr. Jones. This filing was also a clerical error which was promptly corrected. Please consider this my request on behalf of Bricklayers, Masons and Tilesetters Local 21 that this union be included in any informal

I understand that our next step is a pre-probable cause conciliation conference. We are looking for an informal disposition and will await further instructions from your office. If you require any further information, please contact me at your convenience.

Dear Ms. Takster:

It was a pleasure talking with you on October 6, 1993, concerning the above matter.

Although we expressed our desire to work something out informally with Attorney Mastrobattista, please allow me to reiterate our strong desire to resolve this matter as quickly as possible. If the Commission makes a finding of any sort of technical violation, we would be very interested in a pre-probable cause conciliation. I do note from the FEC Newsletter that often times the Commission simply makes a finding of no-probable cause and the matter is dismissed. I would greatly appreciate some guidance from your office as this case moves along. As I stated to you earlier, most of the allegations against us are very minor and technical in nature. I also appreciate you offering to send us an outline of your procedures.

If you require further information, please telephone me at my Pottsville number. I greatly appreciate your help and cooperation.

Dear Mary:

Thank you for sending me the description of preliminary procedures for processing Complaints with the F.E.C.

Would it be possible to find out if the office of the General Counsel has recommended either a reason to believe the Complaint sets forth a violation of the Act or that there is no reason to believe that the Complaint sets forth a possible violation of the Act? This may seem like a silly question, but I thought this may be the recommendation prior to a pre-probable cause conciliation.

I greatly appreciate your taking the time to answer my questions and guide me through the system.

Sincerely,

EDWARD M. BRENNAN

RE: MUR 3626

Dear Mr. Jones:

On September 28, 1992, the Federal Election Commission received your complaint alleging certain violations of the Federal Election Campaign Act of 1971, as amended ("the Act").

After considering the circumstances of this matter, the Commission has determined to exercise its prosecutorial discretion and to take no action against Holden for Congress Committee and John Holden, as treasurer, T. Timothy Holden, Bricklayers, Masons and Tilesetters Local 21, International Union of Operating Engineers Local 542, Miller Distributing Co., Mastiff Management Consultant, Richard F. Higgins, Schuylkill Countians for Tim Holden, Laborers Union Local 471, Schuylkill County Democratic Committee, and Metro Litwak. See attached narrative. Accordingly, the Commission closed its file in this matter. This matter will become part of the public record within 30 days.

The Act allows a complainant to seek judicial review of the Commission's dismissal of this action. See 2 U.S.C. § 437g(a)(8).

HOLDEN FOR CONGRESS COMMITTEE

23043543237

The complaint alleged that Tim Holden for Congress ("the Committee") accepted prohibited labor and corporate contributions in 1992 totaling \$2,000 from the following respondents: Bricklayers, Masons and Tilesetters Local 21, International Union of Operating Engineers Local 542, Laborers Union Local 471, Miller Distributing Co. and Mastiff Management Consultant. The complaint further alleged that the Committee failed to include the disclaimer required for general public political advertising on campaign signs and leaflets. The complaint also alleged that Schuylkill Countians for Tim Holden, the Schuylkill County Democratic Committee, and Metro Litwak violated the FECA in connection with various advertisements and fliers. (Note: the number of signs, leaflets and fliers that failed to include the disclaimer is unknown.) The complaint further alleged that Congressman Holden failed to timely file a statement of candidacy, and that the Committee committed various reporting violations. Finally, the complaint alleged that Richard Higgins made a \$400 excessive contribution to the Committee.

The responses to the complaint indicated that two contributions totaling \$400 were received from labor organizations, both of which have been refunded. The Committee's response indicated that Committee volunteers made hand-painted signs and posted them on their premises without the required disclaimer. The Committee stated that it took steps to correct the situation once it discovered the absence of a disclaimer. The Committee denied that it distributed leaflets which failed to include the required disclaimer. The Chairman of the Schuylkill County Democratic Party stated that he personally prepared a flier for Congressman Holden without the acknowledgment or consent of the Committee or the Schuylkill County Democratic Party, which did not include the required disclaimer. The Committee stated that Congressman Holden took steps to stop the distribution of the fliers once he became aware of them. The responses further indicated that an individual had placed an advertisement in a local newspaper without the Committee's approval or authorization, which lacked the required disclaimer. The cost of the advertisement was \$35.70. The Committee further contended that Congressman Holden timely filed a statement of candidacy with the Commission. The Committee denied that it received a \$400 excessive contribution.

Finally, the Committee admitted to various reporting errors and filed amended reports with the Commission to correct these errors.

This matter involves no significant issue relative to the other issues pending before the Commission, and involves no substantial amounts of money. There is no indication of any serious intent by respondents to violate the FECA.

MUR 3626
HOLDEN FOR CONGRESS COMMITTEE

The complaint alleged that Tim Holden for Congress ("the Committee") accepted prohibited labor and corporate contributions in 1992 totaling \$2,000 from the following respondents: Bricklayers, Masons and Tilesetters Local 21, International Union of Operating Engineers Local 542, Laborers Union Local 471, Miller Distributing Co. and Mastiff Management Consultant. The complaint further alleged that the Committee failed to include the disclaimer required for general public political advertising on campaign signs and leaflets. The complaint also alleged that Schuylkill Countians for Tim Holden, the Schuylkill County Democratic Committee, and Metro Litwak violated the FECA in connection with various advertisements and fliers. (Note: the number of signs, leaflets and fliers that failed to include the disclaimer is unknown.) The complaint further alleged that Congressman Holden failed to timely file a statement of candidacy, and that the Committee committed various reporting violations. Finally, the complaint alleged that Richard Higgins made a \$400 excessive contribution to the Committee.

The responses to the complaint indicated that two contributions totaling \$400 were received from labor organizations, both of which have been refunded. The Committee's response indicated that Committee volunteers made hand-painted signs and posted them on their premises without the required disclaimer. The Committee stated that it took steps to correct the situation once it discovered the absence of a disclaimer. The Committee denied that it distributed leaflets which failed to include the required disclaimer. The Chairman of the Schuylkill County Democratic Party stated that he personally prepared a flier for Congressman Holden without the acknowledgment or consent of the Committee or the Schuylkill County Democratic Party, which did not include the required disclaimer. The Committee stated that Congressman Holden took steps to stop the distribution of the fliers once he became aware of them. The responses further indicated that an individual had placed an advertisement in a local newspaper without the Committee's approval or authorization, which lacked the required disclaimer. The cost of the advertisement was \$35.70. The Committee further contended that Congressman Holden timely filed a statement of candidacy with the Commission. The Committee denied that it received a \$400 excessive contribution.
