Complainant,

Glenn E. Stinson

Respondent,

COMPLAINT

MUR 3871

9th JAN 21 PM 4:31

RECEIVED
FEDERAL ELECTION COMMISSION
OFFICE OF GENERAL COUNSEL

COMPLAINT OF CENTER FOR RESPONSIVE POLITICS

1. This complaint charges that the respondent has violated the Federal Election Campaign Act, 2 U.S.C. § 431 et seq., as amended ("FECA"), by making aggregate contributions in excess of the limits permitted by the FECA.

PARTIES

2. The complainant, the Center for Responsive Politics, is a nonprofit, nonpartisan research group incorporated in the State of Iowa and headquartered in Washington, D.C., that studies Congress and related issues. Founded in 1983, it was designed to research matters concerning the organization and operation of Congress as an institution and to examine potential reforms that could improve both its internal operation and its responsiveness to the American public. The patterns of contributions of money to federal candidates has been one of its chief areas of study.

3. The respondent is an individual contributor to various candidates and political committees.

4043594610

APPLICABLE STATUTES AND REGULATIONS

4. The FECA limits contributions by any one individual to an aggregate total of \$25,000 per calendar year. Contributions to a candidate or the candidate's authorized committee made in a year other than the calendar year of the election with respect to which the contribution is made are considered to be made during the calendar year in which such election is held. 2 U.S.C. § 441a(a)(3); 11 C.F.R. § 110.5.

GROUND S FOR COMPLAINT

5. According to FEC records, respondent Glenn E. Stinson made contributions subject to FECA in the amounts and to the persons identified in the list attached to this complaint as Exhibit 1. Attached as Exhibit 2 are copies of the FEC records for each contribution listed in Exhibit 1. All exhibits reflect the records on file at the FEC as of December 15, 1993.

6. On information and belief, respondent Glenn E. Stinson made contributions attributed to the 1992 calendar year in the amount of \$32,800. These contributions exceeded by \$7,800 the \$25,000 contribution limit imposed by the FECA and Commission regulations on all contributions by any individual in a calendar year.

RELIEF

7. The Center for Responsive Politics respectfully urges the Commission to conduct a prompt and thorough investigation into the allegations in this Complaint, and to declare that the Respondent has violated the FECA and Commission regulations.

Respectfully submitted,

Ellen S. Miller

EXHIBIT 1

FOR GE STINSON

Claim against Stinson

32800 VS 25000 - (7800) excess

① RNC REFUNDED \$5000.00 - See GES letter to Hairy
 Barton (Chairman (RNC) dated 11/9/93, also \$5000.00
 refund letter dated _____ from _____ of RNC.
 $\$7800 - \$5000 = \$2800$ excess.

② See John Seymour Schedule B Itemized Disbursements
 covering refund of 1000.00 6/17/92 should not be
 counted as a contribution to Seymour. Correct?
 This should be counted as a refund from
 the amount so its a double count.
 2.800 excess minus \$2000 - (\$1000.00 not counted
 in total of 32800 and correctly counted as a
refund of \$1000.00,) Correct?
 $\$2800 \text{ excess} - \$2000 = \$800 \text{ Excess}$

③ See Bush-Quale '92 Compliance Committee Inc.
 Schedule A-P attached - \$1000 5/22/92 -
 I was told by those RNC/Bush Quale people soliciting
 Compliance funds are not counted as a
 contribution in the total, Correct?
 $\$800 \text{ excess} - \$2000 = -200$ under 25,000 limit Correct?

④ See Schedule B-P Bush/Quale Primary Committee Inc.
 This is a contribution refund 1000.00 12/18/92 and
 should not be counted & is therefore a double count
See 2 above - same process x which counted properly
 as a refund it reduces excess a further 2000.00
 so now it's - 2200 under \$25000 limit Correct?
 $-200 + 2000 = -2200$ under \$25000 limit,
over phase

4043594638

5. William H STIMPSON CONTRIBUTION OF \$300 COUNTR.
OBVIOUS MISTAKE!

- 2200 + 300 = 2500 under \$25000 limit

6. In general my wife should have signed the \$5000 to RNC and the \$10,000 to Senatorial Trust. Since it was on ~~our~~ joint account I thought that was good enough. Was I wrong? Both Refuted! See attached.

If you need more info on this subject please let me know. I hope this clarifies ~~my~~ contributions and settles this claim.

Dear Harley;

It has been brought to my attention that my contributions to the Republican Party functions & candidates in 1992 have exceeded the Federal campaign laws. This was brought to my attention in a telephone call from an L.A. Times reporter. (Washington Bureau)

This was the first time I was aware of this since I thought giving to the Presidents Club, the Senatorial Trust, was on a party level and not limited by law.

I primarily give thru the Senatorial Trust, The Republican Nat'l Committee & individual Senate or congressional races.

I am a retired person who believes strongly in the principles of the Republican Party and the free enterprise system.

I was advised I was over my \$25,000 limit by \$18,000 - ie \$43,000 - \$10,000 Senatorial Trust, \$5,000 President Club - balance to campaign's. My wife Sylvia also gave but we never paid any real attention to making sure both signed.

I brought this to the attention of the Senatorial Trust. Donna Henderson has been very helpful and suggested after discussions with others that I request a refund or have the sum that we have over the limit be deducted to the National Republican Party which is authorized (when is the Senatorial Trust out the Republican Party?) ?

Your attention to this request would be most appreciated.

BEFORE THE FEDERAL ELECTION COMMISSION

In the Matter of

)
) Enforcement Priority
)

GENERAL COUNSEL'S MONTHLY REPORT

SENSITIVE

I. INTRODUCTION

This report is the second Enforcement Priority System Monthly Report. The purpose of this September Monthly Report is to recommend that the Commission no longer pursue the identified lower priority and stale cases.

II. CASES RECOMMENDED FOR CLOSING

A. Cases Not Warranting Further Pursuit Relative to Other Cases Pending Before the Commission

A critical component of the Priority System is identifying those pending cases that do not warrant the further expenditure of resources. Each incoming matter is evaluated using Commission-approved criteria and cases that, based on their rating, do not warrant pursuit relative to other pending cases are placed in this category. By closing such cases, the Commission is able to use its limited resources to focus on more important cases.

Having evaluated incoming matters, this Office has identified 44 cases which do not warrant further pursuit

4043594653

relative to the other pending cases.¹ A short description of each case and the factors leading to assignment of a relatively low priority and consequent recommendation not to pursue each case is attached to this report. See Attachments 1-44. For the Commission's convenience, the narratives for the externally-generated matters are immediately followed by the complaint and response(s) and the narrative for the internally-generated matter is immediately followed by the referral.

B. Stale Cases

Investigations are severely impeded and require relatively more resources when the activity and evidence are old. Consequently, the Office of General Counsel recommends that the Commission focus its efforts on cases involving more recent activity. Such efforts will also generate more impact on the current electoral process and are a more efficient allocation of our limited resources. To this end, this Office has identified 2 cases that have remained inactive and assigned to the Central Enforcement Docket for one year and which it believes do not warrant further investment of significant Commission resources.² Since the recommendation not to pursue the identified cases is

RE: MUR 3871

Dear Ms. Miller:

On January 21, 1994, the Federal Election Commission received your complaint alleging certain violations of the Federal Election Campaign Act of 1971, as amended ("the Act").

After considering the circumstances of this matter, the Commission has determined to exercise its prosecutorial discretion and to take no action against the respondents. See attached narrative. Accordingly, the Commission closed its file in this matter on November 14, 1994. This matter will become part of the public record within 30 days.

The Act allows a complainant to seek judicial review of the Commission's dismissal of this action. See 2 U.S.C. § 437g(a)(8).

MUR 3871
GLENN E. STINSON

The Center for Responsive Politics filed a complaint alleging that Glenn Stinson exceeded his 1992 \$25,000 annual contribution limit by \$7,800 because the contributions which he made during 1991 and 1992 and which were attributable to 1992 totaled \$32,800. The contributions identified in the complaint raised the issue of whether a recipient committee, the Bush-Quayle '92 Primary Committee, Inc., accepted contributions which exceeded the \$1,000 limit.

In response to the complaint, Mr. Stinson states that he requested and received a \$5,000 refund from the Republican National Committee and a \$10,000 refund from the National Republican Senatorial Committee. He also states that a June 17, 1992 entry on Seymour Committee reports actually reflects a refund to him not a contribution made by him. According to Mr. Stinson, his 1992 contribution total is \$17,800.

The Bush-Quayle '92 Primary Committee responds that Mr. Stinson made a \$1,000 contribution to the Bush-Quayle Compliance Committee and two \$1,000 contributions to the Primary Committee, one of which was refunded.

The respondent took remedial action and this matter involves less significant issues relative to other matters pending before the Commission.
