To whom it may concern,

Acting in my capacity as Campaign Manager for the Kerry Kammer for Congress Committee, I, Brian J. Whiston, make the following complaint against the O'Neill for Congress Committee.

The following allegations are based on review of the quarterly reports filed by the O'Neill Campaign under 11 C.F.R. Sec 9008.12 (b) (1) and (2). The seven areas of discrepancy include the following:

1. Failure to post expenses for telephone payments. The O'Neill for Congress Campaign has a campaign office and it is not realistic that they show no phone expense.

2. Failure to post expenses for food and beverages served at fundraising events sponsored and hosted by the O'Neill Campaign. We have certain knowledge that fundraisers occurred, and neither "disbursements" nor "in-kind contributions" are shown.

3. Failure to post expenses for the design, construction and placement of a billboard located on Dixie Highway, Oakland County.

4. Failure to post expenses for postage, despite no less than 24 separate incidences of mass mailings. The original purchase of $1,400 of postage is hardly sufficient to have provided the vast number of mailings that have occurred. Moreover, why would these mailings have been at first class rates unless for the sole purpose of avoiding metered bulk rates which could be audited?

5. Failure to post clearly identifiable office rental expenses; nondescript payments to a James O'Neill business concern have been reported, but no actual rent to the landlord.

6. Failure to post utility payments. Are these included in rent? (See #5).

Paid for by the Kammer For Congress Committee
2520 Dixie Highway · Waterford, Michigan 48328

9404359053 5

7. Failure to post expenses for paid campaign staffers believed to be receiving compensation. If compensation was paid, all tax implications and contributions have been ignored.

It is my understanding a similar complaint was filed and a family member later questioned about a family member close to the O'Neill campaign putting potentially illegal funds into the campaign. We are trying to avoid this situation from re-occurring.

The forgoing is based upon my best knowledge, information and belief. On May 27, 1994 a request for an explanation was made to the treasurer of the O'Neill Campaign, but no viable information has been offered as of the date of this complaint.

Respectfully Submitted,

Brian J. Whiston

Mr. Brian J. Whiston

Dear Mr. Whiston:

We have received your letter dated July 11, 1994, regarding the possibility of a violation of the Federal Election Campaign Act of 1971, as amended ("the Act").

The 1976 amendments to the Act and Federal Election Commission regulations require that a complaint meet certain specific requirements. Your letter does not meet these requirements. Consequently, the Commission can take no action at this time unless the allegations are refiled meeting the requirements for a properly filed complaint.

However, if you desire the Commission to look into the matter discussed in your letter to determine if the Act has been violated, a formal complaint as described in 2 U.S.C. § 437g(a)(1) must be filed. Requirements of this section of the law, and Commission regulations at 11 C.F.R. § 111.4, which are a prerequisite to Commission action, are detailed below:

(1) A complaint must be in writing. (2 U.S.C. § 437g(a)(1)).

(2) Its contents must be sworn to and signed in the presence of a notary public and shall be notarized. (2 U.S.C. § 437g(a)(1)).

(3) A formal complaint must contain the full name and address of the person making the complaint. (11 C.F.R. § 111.4).

(4) A formal complaint should clearly identify as a respondent each person or entity who is alleged to have committed a violation. (11 C.F.R. § 111.4).

(5) A formal complaint should identify the source of information upon which the complaint is based. (11 C.F.R. § 111.4).

9404359 0537

(6) A formal complaint should contain a clear and concise recitation of the facts describing the violation of a statute or law over which the Commission has jurisdiction. (11 C.F.R. § 111.4).

(7) A formal complaint should be accompanied by supporting documentation if known and available to the person making the complaint. (11 C.F.R. § 111.4).

Finally, please include your telephone number, as well as the full names and addresses of all respondents.

Enclosed is a Commission brochure entitled "Filing a Complaint." I hope this material will be helpful to you should you wish to file a legally sufficient complaint with the Commission.

Please note that this matter will remain confidential for a 15 day period to allow you to correct the defects in your complaint. If the complaint is corrected and refiled within the 15 day period, the respondents will be so informed and provided a copy of the corrected complaint. The respondents will then have an additional 15 days to respond to the complaint on the merits. If the complaint is not corrected, the file will be closed and no additional notification will be provided to the respondents.

If we can be of any further assistance, please do not hesitate to contact me at (202) 219-3410.

Sincerely,

Retha Dixon

Washington D.C. 20463

To whom it may concern,

Acting in my capacity as Campaign Manager for the Kerry Kammer for Congress Committee, I, Brian J. Whiston, make the following complaint against the O'Neill for Congress Committee. Said committee was established for the candidacy of Ms. Meagan O'Neill, and the posts an address of 5885 Ortonville Road, Michigan 48346.

The following allegations are based on review of the quarterly reports filed by the O'Neill Campaign under 11 C.F.R. Sec 9008.12 (b) (1) and (2). The seven areas of discrepancy include the following:

1. Failure to post expenses for telephone payments. The O'Neill for Congress Campaign has a campaign office, but has posted no phone expenses, nor deferred phone debt.

2. Failure to post expenses for food and beverages served at fundraising events sponsored and hosted by the O'Neill Campaign. We have certain knowledge that fundraisers occurred, and neither "disbursements" nor "in-kind contributions" are shown.

3. Failure to post expenses for the design, construction and placement of a billboard located on Dixie Highway, Oakland County.

4. Failure to post expenses for postage, despite no less than 24 separate incidences of mass mailings. The original purchase of $1,400 of postage is hardly sufficient to have provided the vast number of mailings that have occurred.

5. Failure to post clearly identifiable office rental expenses; nondescript payments to a James O'Neill business concern have been reported, but no actual rent to the landlord.

9404359050539

6. Failure to post utility payments.

7. Failure to post expenses for paid campaign staffers believed to be receiving compensation. If compensation was paid, all tax implications and contributions have been ignored.

The forgoing is based upon my best knowledge, information and belief. On May 27, 1994 a request for an explanation was made to the treasurer of the O'Neill Campaign, but no viable information has been offered as of the date of this complaint. Additionally copies of campaign expense reports are attached to corroborate the forgoing allegations. These possible violations have occurred through the intent of the candidate herself or as a result of her reckless disregard for the cited regulations.

Respectfully Submitted,

Brian J. Whiston

RE: MUR 4021
Committee to Elect Megan O'Neill

Dear Ms. Taksar,

Pursuant to 2 U.S.C. 437g(a)(1), and in regard to the Complaint filed against the Committee to Elect Megan O'Neill, the following is a response to the allegations therein. This response will follow the preconceived format of the Complaint and will address each allegation in the same order.

1. This allegation can be summarily defused in that our committee has posted expenses for telephone expenses in our Quarterly Reports (See attached copies of Schedule B from our Quarterly Reports, "Exhibit A"). To suggest that our Committee has posted no telephone expenses and preface the allegation by stating, in sworn statement, that it is based on a review of our Committee's quarterly reports, is outrageous. There was no such review of our reports, and if there had been, even the most cursory review would have disclosed these expenses.

If the claimant bases its allegations on specific bills, we should be entitled to an amended complaint so that our Committee can address them specifically. Until such time, however, this allegation is spurious and specifically refuted in our Quarterly filings.

2. Once again, this allegation is a misrepresentation of the truth (see attached Schedule A, attached at "Exhibit B"). As you can see, a simple review of our Quarterly Reports by the Complainant would have saved a great deal of time. While the Complaint provides that the "allegations are based on review of the Quarterly Reports filed by the O'Neill Campaign", our reports clearly and specifically document in-kind contributions.

This allegation further suggests that the claimant has "certain knowledge that certain fundraisers occurred." If the claimant has "certain knowledge" about its allegation it should be compelled to provide that information so that our Committee can address it specifically. Furthermore, if the "certain knowledge" is not personal knowledge, the complaint should be accompanied by an identification of the source of information which gives rise to the complainant's belief in the truth of such allegation [2 U.S.C. 437g(a)(1)(d)(2)].

Paid for by the Committee to Elect Megan O'Neill

3. In response to the complainant's allegation that our committee has not posted expenses for the design, construction, and placement of our billboard, please refer to our Billboard Lease Agreement attached as "Exhibit C." Pursuant to the aforementioned lease agreement, our Committee has agreed to pay the lessor the sum of $600.00, due on November 29, 1994. Therefore, our Committee will not show any expenses for the billboard until said date.

Furthermore, this is a pre-existing billboard site and no expenses were incurred for "design", "construction", and "placement" of the billboard. Therefore, no expenses have been reported.

4. Complainant alleges in paragraph 4 that our Committee has made 24 separate mass mailings. This allegation is not only a misrepresentation of the truth, it is also an effort to distort true facts using vague terms like "mass mailings" to disguise its misrepresentations. The truth is that our Committee has not made 24 separate mailings and challenges the Complainant to come forward with proof of this allegation. Any postage for mailings made by our Committee have been specifically itemized on our Quarterly Reports (see attached Schedules B labeled "exhibit D").

The Complainant refers to "mass mailings" without any indication as to what qualifies as a "mass mailing." Our Committee has made several mailings, but we are unclear as to which of those mailings qualify as a "mass mailing" as defined by the Claimant. Furthermore, the Complainant is making allegations with no explanation as to how he acquired the information. Pursuant to 2 U.S.C. 437g(a)(1)(c) the Complainant should differentiate between statements based upon personal knowledge and statements based upon information and belief. The Code further provides that statements which are not based upon personal knowledge should be accompanied by an identification of the source of information which gives rise to the complainant's belief in the truth of such statements.

5. In response to allegation number 5, please refer to our Committee's "Sublease Agreement" and Schedules B (attached as "Exhibit E") which clearly delineates the lease agreement and our Committee's compliance thereto. Our Committee agreed to pay $251.18 per month starting with February 15, 1994. As per our obligation under the lease, the O'Neill Campaign has paid its agreed rent without fail, every month.

Once again, this allegation suggests that it was made after the complainant reviewed our Quarterly Reports, yet our reports clearly itemize each rent disbursement and labeled the purpose of the disbursements as "rent". If the Complainant actually reviewed our Quarterly Reports, as the sworn statement provides, there is no possibility that it could make the allegation that our Committee failed to post "clearly identifiable office rental expenses."

9404359059049

6. Please refer to our Committee's Lease Agreement (attached as "Exhibit F") which specifically provides our obligation regarding utility expenses. The lease requires Our Committee to pay 37.17% of the utilities chargeable to the Landlord. It is the obligation of the Landlord to bill our Committee for these utilities. As of July 25, 1994, the Landlord had not billed our Committee after repeated requests from our Committee for billings. The lease agreement does not specifically provide when the tenant is to be billed for utilities and it was the Landlord's decision to bill on a quarterly basis. Our Committee was able to obtain a bill from the Landlord for utilities and that bill was paid on August 12, 1994, as evidenced in attached "Exhibit F". We have also included copies of the bills for your perusal.

7. In response to allegation number 7, Derek Werner is the only paid staff member for our Committee. Please refer to attached "Exhibit G" which illustrates our Committee's disbursement for wages to Mr. Werner. Furthermore our Committee has hired ADP Payroll Service to insure compliance with the Government filings. Our ADP representative, Brad Mazzenga, has agreed to answer any of your questions should you desire to call him. His phone number is (810) 652-4483.

Once again, the complainant has made an allegation which is absolutely untrue. The Complainant is making allegations with no explanation as to how he acquired the information. Pursuant to 2 U.S.C. 437g(a)(1)(c) the Complainant should differentiate between statements based upon personal knowledge and statements based upon information and belief. The Code further provides that statements which are not based upon personal knowledge should be accompanied by an identification of the source of information which gives rise to the complainant's belief in the truth of such statements. The complainant has taken liberties with the requirements of the complaint and has been permitted to attack the Committee to Elect Megan O'Neill with spurious accusations based on unsubstantiated facts.

The Complaint, in its present state, makes allegations which are blatantly untrue and further allegations which are fatally vague and ambiguous. The Committee to Elect Megan O'Neill objects to this Complaint and respectfully requests that the matter be dismissed and that no further action by the Office of General Counsel be taken. In the alternative, however, if the Office of General Counsel is not inclined to dismiss this Complaint, our Committee would request an amended Complaint, which adheres to the requirements set forth in the Code of Federal Regulations, so that our Committee would have a fair opportunity to address each allegation.

9404359050

It should also be noted that the Complaint is sworn to and under oath, yet it is clear that, the basic premiss under which it was filed was that its allegations were based on "review of the quarterly reports filed by the O'Neill Campaign." Obviously, the Complainant did not review our reports as a simple inspection would have refuted most of his allegations. With this in mind and pursuant to 2 U.S.C. 437g(a)(1)(c) and 18 U.S.C. 1001, the Complainant should be advised that "all statements made in a complaint are subject to the statutes governing perjury." If the Claimant bases his allegations on some other source other than his own personal knowledge, our Committee has a right to confront that source. As it stands, however, the Claimant is making a mockery of Federal Law and procedure, and is succeeded in harassing our Committee with having to answer to a Complaint in which there are no meritorious claims and in which he has blatantly disregarded the truth.

The Committee to Elect Megan O'Neill would also request that the Office of General Counsel investigate the Notary which witnessed the Complaint. You will notice that, not only is the signature illegible, the Notary has also neglected to print its name below its signature as is required. This Notary is inherently suspect in that there is a clear attempt to disguise and/or hide the identity of the signor and thus thwart any effort to investigate its authenticity.

Should the Office of General Counsel have any questions please refer them directly to me at the above mentioned address or my direct phone line (810) 652-4252. Thank you for your cooperation in this matter.

Sincerely,

Michael D. Bishop

Michael D. Bishop, Treasurer
Committee to Elect Megan O'Neill

sublease. LANDLORD'S right to assign this sublease is and shall remain unqualified. Upon any sale of the premises in which the purchaser assumes all obligations under this sublease, LANDLORD shall be free of all obligations under this sublease and shall not be subject to any liability resulting from any act, omission, or event occurring after the conveyance. TENANT agrees to recognize any transferee of the LANDLORD as the LANDLORD, and TENANT further agrees, at the LANDLORD'S request, to execute and deliver any documents that the LANDLORD may request to assist in the transfer.

UTILITIES: LANDLORD shall have all utilities servicing the premises metered in its own name and shall pay all charges and deposits for the utilities provided to or used by TENANT on the premises during the term of the sublease. TENANT shall reimburse LANDLORD 37.17 percent of the Detroit Edison electric bill which pertains to the area rented by TENANT, but not including the vapor light electric bill, and 37.17 percent of the Consumer Power gas bill which pertains to the area rented by TENANT.

ACCEPTANCE OF PREMISES: TENANT'S signing of this agreement shall constitute an acknowledgment by TENANT that the premises is accepted in "As Is" condition.

DAMAGE OR DESTRUCTION: If during the term of this sublease, the premises are partially or totally destroyed by fire or casualty covered by insurance so as to become partially or totally untenantable, the same shall be repaired as speedily as possible. In the event of damage or destruction, TENANT shall have the right to terminate this sublease and all obligations of TENANT shall be considered satisfied.

CONDEMNATION: If the whole or any part of the premises is taken by any public authority under the power of eminent domain, then the term of this sublease shall cease on that part to be taken from the date the possession is acquired by the public authority, and the rent shall be paid up to that date. If the taking of a portion of the premises substantially impairs the usefulness of the premises for the purposes for which the premises were sublet, the TENANT shall have the right to either terminate the sublease or to continue in the possession of the remainder of the premises under terms and conditions of this sublease, except that the rents shall be reduced in proportion to the amount of the premises taken. Any and all damages awarded for the taking shall belong to and shall be the property of the LANDLORD.

ALTERATION: No improvements, alterations, additions, or physical changes shall be made upon the premises by the TENANT

II. CASES RECOMMENDED FOR CLOSING

A. Cases Not Warranting Further Pursuit Relative to Other Cases Pending Before the Commission

A critical component of the Priority System is identifying those pending cases that do not warrant the further expenditure of resources. Each incoming matter is evaluated using Commission approved criteria

By closing such cases the Commission is

1. Prior to this report, Enforcement Priority System reports were done on a quarterly basis. However, on July 19, 1994, the Commission decided to change the reporting frequency from quarterly to monthly. Because this Office needed sufficient time to implement the change in reporting frequency, the August Monthly Report includes cases for July and August. In the future, the Monthly Report will reflect one month's activity.

Additionally, this Office previously indicated to the Commission that at the end of each quarter, we will provide a statistical recap for the activity that occurred during the quarter. Sometime in early October, this Office will provide a report for third quarter activity.

able to use its limited resources to focus on more important cases.

Having evaluated incoming matters, this Office has identified 16 cases which do not warrant further pursuit relative to the other pending cases.[2] A short description of each case and the factors leading to assignment of a relatively low priority and consequent recommendation not to pursue each case is attached to this report. See Attachments 1-16. For the Commission's convenience, the narratives for externally-generated matters are immediately followed by the complaint and response(s) and the narratives for internally-generated matters are immediately followed by the referral or sua sponte submission.

B. Stale Cases

Investigations are severely impeded and require relatively more resources when the activity and evidence are old. Consequently, the Office of General Counsel recommends that the Commission focus its efforts on cases involving more recent activity. Such efforts will also generate more impact on the current electoral process and are a more efficient allocation of our limited resources. To this end, this Office has identified 5 cases that

warrant further investment of significant Commission resources.[3] Since the recommendation not to pursue the identified cases is based on staleness, this Office has not prepared separate narratives for these cases. RE: MUR 4021

Dear Mr. Whiston:

On August 1, 1994, the Federal Election Commission received your complaint alleging certain violations of the Federal Election Campaign Act of 1971, as amended ("the Act").

After considering the circumstances of this matter, the Commission has determined to exercise its prosecutorial discretion and to take no action against the Committee to Elect Megan O'Neill and Mike D. Bishop, as treasuer. See attached narrative. Accordingly, the Commission closed its file in this matter. This matter will become part of the public record within 30 days.

The Act allows a complainant to seek judicial review of the Commission's dismissal of this action. See 2 U.S.C. § 437g(a)(8).

Sincerely,

MUR 4021
O'NEILL FOR CONGRESS COMMITTEE

The Kerry Kammer for Congress Committee filed a complaint alleging that the O'Neill for Congress Committee failed to report expenditures for staff salaries, telephone, utilities, food and beverages at fundraisers, lease of a billboard, and production and mailing costs for 24 mass mailings in its disclosure reports. The complainant also alleges that the O'Neill Committee has failed to disclose rental expenses.

In its response, the O'Neill Committee states that it has disclosed telephone, rent, staff salary, and mailing expenses on Schedule B of its Quarterly Reports and the Committee has not produced 24 mass mailings. The Committee states that the food and beverages for fundraisers have been listed as in-kind contributions on Schedule A of its reports and the payment for billboard use is not yet due and will be reported when paid. The Committee attached to its response the disclosure reports in which it reported the expenditures in question. In regard to the utilities payments, the Committee indicates that under the sublease agreement for office space, the landlord pays the utilities and 37.17% is then allocated to the Committee on a quarterly basis. According to the O'Neill Committee, it made its first payment for utilities on August 12, 1994.

There is no indication of any serious intent to violate FECA. The activities do not appear to have had a significant impact on the process and this matter involves less significant issues relative to the other issues pending before the Commission.
