REPORTS ANALYSIS REFERRAL**TO****OFFICE OF GENERAL COUNSEL****DATE: July 8, 1993****ANALYST: Pat Sheppard**

I. COMMITTEE: Murkowski '92
(C00161737)
John O. Daly, Treasurer
P.O. Box 240468
Anchorage, AK 99524

II. RELEVANT STATUTE: 2 U.S.C. §441a(f)
2 U.S.C. §441b(a)

III. BACKGROUND:**Receipt of Excessive and Prohibited Contributions**

The Murkowski '92 committee ("the Committee") has accepted excessive and prohibited contributions totaling \$57,407.43 during 1991-1992. These contributions were made by sixteen (16) individuals, two (2) corporations, one (1) principal campaign committee, two (2) non-qualified political committees and seventeen (17) qualified political committees. To date the Committee has refunded or received redesignation of \$13,980.11 of the excessive and prohibited amounts.

Presented below are the excessive and prohibited contributions received, the notices sent and the responses received. For specific details, please refer to the attached chart and its supporting documents. The chart is an alphabetical listing of all the excessive and prohibited contributions received by the Committee.

1. Possible Violations Discovered During Initial Review**A. 1991 Mid-Year Report**

Schedule A of the Committee's report discloses the receipt of an excessive contribution of \$699. This contribution was made by one (1) non-qualified multicandidate political committee. On December 10, 1991, a Request for Additional Information ("RFAI") was sent to the Committee (Attachment 2). The RFAI notes the receipt of the excessive amount and requests that the Committee refund the excessive amount. On January 3, 1992, a Second Notice was sent for failure to respond (Attachment 3).

96043722983

On February 24, 1992, the Committee responded by letter (Attachment 4). The treasurer indicates that the Committee has received redesignation of \$500 of the excessive amount noted in the RFAI. The response further provides copies of refund checks of contributions disclosed in subsequent reports. On August 20, 1992, the Committee responded by letter to the 1991 Year End Report (Attachment 11). The treasurer states that the remaining \$199 will be refunded.

B. 1991 Amended Year End Report

Schedule A of the Committee's report discloses the receipt of excessive contributions totaling \$21,175.97. These contributions were made by seven (7) individuals, two (2) corporations, one (1) non-qualified political committee and seven (7) qualified multicandidate political committees.

On January 27, 1992, the treasurer called the Reports Analysis Division analyst (Attachment 5). The treasurer explained that the Committee had inadvertently deposited a corporate check and wanted to know how to handle it. He was told to refund the check as soon as possible.

On February 1, 1992, the treasurer provided a copy of the letter to the corporation noting the receipt of the prohibited contribution and that he is returning the contribution (Attachment 6). On February 12, 1992, the treasurer sent a copy of the refund check (Attachment 7).

On June 16, 1992, an RFAI was sent to the Committee (Attachment 8). The RFAI notes the receipt of the excessive amounts and requests that the Committee refund the excessive amounts. The RFAI also notes the refund of an excessive and the corporate contribution. On July 9, 1992, a Second Notice was sent for failure to respond (Attachment 9).

On August 11, 1992, the Committee responded by stating that the treasurer is extremely busy and a response is forthcoming (Attachment 10).

On August 20, 1992, the Committee responded by letter (Attachment 11). The treasurer states that the Committee would refund \$2,618.42 of the amount and is requesting redesignation of the remaining amounts. To date, the Committee has failed to itemize the redesignations.

C. 1992 Amended April Quarterly Report

Schedule A of the Committee's report discloses the receipt of excessive contributions totaling \$7,000. These contributions were made by one (1) individual, one (1) non-qualified multicandidate political committee and five (5) qualified multicandidate political committees. On June 16,

96043722984

1992, an RFAI was sent to the Committee (Attachment 12). The RFAI notes the receipt of the excessive amounts and requests that the Committee refund the excessive amounts. On July 9, 1992, a Second Notice was sent for failure to respond (Attachment 9).

On August 11, 1992, the Committee responded by stating that the treasurer is extremely busy and a response is forthcoming (Attachment 10).

On August 21, 1992, the Committee responded by letter (Attachment 13). The treasurer states that letters asking contributors to redesignate the excessive amounts had been sent. To date, the Committee has failed to itemize the redesignations.

D. 1992 July Quarterly Report

Schedule A of the Committee's report discloses the receipt of excessive contributions totaling \$13,057.14. These contributions were made by three (3) individuals and six (6) qualified multicandidate political committees. On December 9, 1992, an RFAI was sent to the Committee (Attachment 14). The RFAI notes the receipt of the excessive amounts and requests that the Committee refund the excessive amounts. On December 30, 1992, a Second Notice was sent for failure to respond (Attachment 15).

On January 21, 1993, the Committee responded by letter (Attachment 16). The treasurer states that he had just received the RFAIs dated December 9, 1992 and that they are working on the responses.

On March 3, 1993, the Committee responded by letter (Attachment 17). The treasurer states that the Committee has refunded \$3,357.14 of the excessive amount and is requesting redesignation of the remaining amounts. To date, the Committee has failed to itemize the redesignations.

E. 1992 12 Day Pre-Primary Report

Schedule A of the Committee's report discloses the receipt of excessive contributions totaling \$1,544. These contributions were made by one (1) individual, one (1) principal campaign committee and two (2) qualified multicandidate political committees. On December 9, 1992, an RFAI was sent to the Committee (Attachment 18). The RFAI notes the receipt of the excessive amounts and requests that the Committee refund the excessive amounts. On December 30, 1992, a Second Notice was sent for failure to respond (Attachment 15).

On January 21, 1993, the Committee responded by letter (Attachment 16). The treasurer states that he had just received the RFAIs dated December 9, 1992 and that they are working on the responses.

96043722985

On March 8, 1993, the Committee responded by letter (Attachment 19). The treasurer states that the Committee refunded \$750 of the excessive amount and is requesting redesignations of the remaining amounts. To date, the Committee has failed to itemize the redesignations.

F. 1992 October Quarterly Report

Schedule A of the Committee's report discloses the receipt of excessive contributions totaling \$2,000. These contributions were made by one (1) individual and one (1) qualified multicandidate political committee. On December 9, 1992, an RFAI was sent to the Committee (Attachment 20). The RFAI notes the receipt of the excessive amounts and requests that the Committee refund the excessive amounts. On December 30, 1992, a Second Notice was sent for failure to respond (Attachment 15).

On January 21, 1993, the Committee responded by letter (Attachment 16). The treasurer states that he had just received the RFAIs dated December 9, 1992 and that they are working on the responses.

On March 8, 1993, the treasurer called to inquire why the contributions from the individual were questioned (Attachment 21). After cursory review, the analyst told him it appeared the contributions are not excessive.

On March 15, 1993, the Committee responded by letter (Attachment 22). The treasurer notes that the individual contribution did not need addressing and that the Committee requested redesignation from the political committee. To date, the Committee has failed to itemize the redesignations.

On March 25, 1993, the analyst called the treasurer to explain that the contribution from the individual is designated for the primary election but was received well after that election. Since the Committee appears not to have any debts remaining from the primary election, it appeared that this contribution may be excessive (Attachment 23). The treasurer stated he would check into the matter.

On April 5, 1993, the Committee responded by letter (Attachment 24). In response, the treasurer states that there were Primary expenditures made after that contribution's receipt; however, he will send a letter requesting reallocation of the contribution. To date, the Committee has failed to itemize the reallocation or amend its report to disclose these expenditures.

G. 1992 12 Day Pre-General Report

Schedule A of the Committee's report discloses the receipt of an excessive contribution of \$4,000. This contribution was made by one (1) qualified multicandidate

96043722986

political committee. On December 9, 1992, an RFAI was sent to the Committee (Attachment 25). The RFAI notes the receipt of the excessive amount and requests that the Committee refund the excessive amount. On December 30, 1992, a Second Notice was sent for failure to respond (Attachment 15).

On January 21, 1993, the Committee responded by letter (Attachment 16). The treasurer states that he had just received the RFAs dated December 9, 1992 and that they are working on the responses.

On March 15, 1993, the Committee responded by letter (Attachment 26). The treasurer notes that the Committee has requested redesignation of the excessive amount. To date, the Committee has failed to itemize the redesignation.

H. 1992 30 Day Post-General Report

Schedule A of the Committee's report discloses the receipt of excessive contributions totaling \$5,100. These contributions were made by three (3) individuals and one (1) qualified multicandidate political committee. On February 2, 1993, an RFAI was sent to the Committee (Attachment 27). The RFAI notes the receipt of the excessive amounts and requests that the Committee refund the excessive amounts. On February 25, 1993, a Second Notice was sent for failure to respond (Attachment 28).

On March 16, 1993, the treasurer called to inquire why a contribution had been questioned (Attachment 29). The analyst explained that the contribution designated for the Primary Election was received after that election, and the Committee discloses no outstanding debts from that election. The treasurer said he would respond as soon as possible.

In the Committee's March 29, 1993 response, the treasurer notes several errors in reporting; however, the treasurer maintains the legality of the contributions from one qualified committee by stating that primary election expenditures were made after the receipt of the apparent excessive contribution from this committee. The treasurer goes on by stating that the contributions still need to be properly designated thereby necessitating the sending of redesignation letters. He also notes that two contributions from one individual and one qualified committee have been refunded (Attachment 30).

2. Additional Possible Violations Discovered During the Preparation of the Referral

Review of the Committee's March 29, 1993 response to an RFAI discloses the receipt of an additional \$2,833.34 in excessive contributions received during 1991 and during the

96043722987

1992 July Quarterly reporting period. These contributions were made by one (1) individual and two (2) qualified multicandidate political committees. The Committee has not been notified of these excessive contributions. The Committee has refunded \$1,000 and is requesting redesignation of the remaining \$1,000 from the political committee.

Dear Mr. Daly:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. No political committee other than a qualified multicandidate committee may make contributions to a candidate for federal office in excess of \$1,000 per election. The Pacific Seafood PAC and the Preston Gates Ellis & Houvelas' Needs PAC did not meet the requirements for multicandidate status as of the date the contribution(s) was made to your committee. Additionally, a multicandidate committee may not make a contribution to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441(a) and (f); 11 CFR §110.1(b) and (e))

If the contribution(s) in question was incompletely or incorrectly reported, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limit, you should either refund to the donor(s) the amount in excess of \$1,000 or \$5,000 per election or get the donor(s) to redesignate the contribution(s) in writing. The Commission should be notified if a refund is necessary. Refunds are reported on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which the refund is made.

1016043722991

Redesignations are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation is received. (11 CFR §104.8(d)(2) and (4))

Although the Commission may take further legal steps, prompt action by you to refund or seek redesignation of the excessive amount(s) will be taken into consideration.

-You have previously indicated that your committee has been using "best efforts" to obtain the occupation and name of employer for each contributor. This report discloses a significant increase in the number of entries for which the occupation and/or employer is not available. Please note that the treasurer of a political committee must make at least one effort per solicitation, either by a written request or by an oral request, documented in writing.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 719-3580.

Re: Letter of Dec. 10, 1991
Mid-year Report (1/1/91-6/30/91)

Dear Ms. Sheppard,

This letter is in response to your letter of above concerning the corrective action taken by us.

1. Pacific Seafood PAC:

I have been in contact with Mr. John Iani of this organization to clarify their status and am enclosing copies of correspondence from him to myself and from myself to him refunding the excess contribution. Our records have also been corrected to reflect these changes.

2. Preston, Gates, Ellis PAC:

I have been in contact with the Treasurer of this PAC and am enclosing a copy of her correspondence authorizing us to re-allocate the contributions and be in compliance.

3. Washington PAC:

This contributors records have been combined showing the proper allocations. This PAC will show a total of \$5,000.00 for the primary and \$1,000.00 for the general elections as of 6-30-91. The error here was primarily caused by the change of computer programs at that time.

4. Aircraft Owners & Pilots PAC:

For the same reason as above, change of computer program, this PAC was shown as separate entities. It has been combined to show the proper allocations as of 6-30-91 of \$5,000.00 for the primary and \$500.00 for the general election.

92 FEB 24 AM 10 00

9203006255

Pg 2

5. William F. Ragan:

Since the checks from this contributor had different addresses the contributions showed separately as primary contributions. This has been corrected and now shows a \$1,000.00 contribution for the primary and \$500.00 for the general as of 6-30-91.

6. T. Boone Pickens:

This contributors checks were entered by different operators and therefore the names were slightly different. The accounts have been combined and now show contributions of \$1,000.00 for the primary and \$500.00 for the general as of 6-30-91.

7. Leon Hess:

Mr. Hess has been chronically overly generous to the Senator's campaign and we are continually either returning checks or refunding money to him. In this instance, an asst. treasurer made the deposit not being aware that special attention was required.

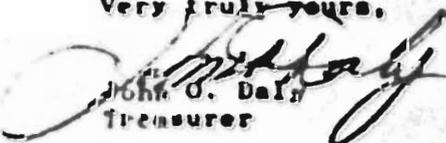

8. Madeleine Arison:

This persons deposits are entered correctly in our records. This is simply an error in checking the primary box rather than the general election box.

Regarding the required contributor information, we continue to mail requests for information to contributors and we also include printed information cards with each solicitation. When fundraising events are held we pass out cards at the door. Still, as you point out, we have not been as successful as in the past. I am adding an extra clerical volunteer to our staff to solely pursue this information. Future reports should show a marked improvement.

Now that our 12-31-91 year end report is completed, we will do the necessary amendments to the 6/30/91 mid-year report and forward them to your office.

Very truly yours,

John O. Dain
Treasurer

Re-Elect Senator Frank Murkowski Committee
PO Box 240168
Anchorage, Alaska 99524

Dear Mr. Daly:

I am writing to you regarding contributions made to Senator Murkowski's campaign from the Pacific Seafood Political Action Committee (PAC). The contributions in question were made during the Senator's current bid for re-election. The contributions in question are as follows:

January 24, 1991	\$1,000.00
March 12, 1991	300.00
August 14, 1991	300.00
November 21, 1991	1,000.00
Total Contributions	\$2,600.00

We have learned, after consultation with the Federal Election Commission, that our PAC has not met the requirements for multi-candidate states. As a result, our PAC has exceeded the legal requirements for contributions. We regret our mistake and request that you take the following steps in order to comply with the legal requirements of the Federal Election Commission:

- (1) Designate \$1,000.00 for the primary election;
- (2) Designate \$1,000.00 for the general election; and,
- (3) Reimburse the Pacific Seafood Political Action Committee \$1,000.00 to refund our overpayment.

Once the aforementioned actions are taken, our PAC's contributions will be in compliance with the FEC regulations. Again, we apologize for the inconvenience our error has caused. Please give me a call with any questions you might have.

Very truly yours,

Dear Jim,

A recent audit of donations to the Re-elect Senator Murkowski Committee discovered that we have inadvertently accepted and deposited a check from Dr. Switzer's company. As you are aware we are prohibited from accepting donations from corporations, both foreign and domestic.

Since this contribution is an infraction of both of these prohibitions I am enclosing our check in the amount of \$2,000.00. I would ask that you return this money to Dr. Switzer and thank him for his interest in the Senator's campaign. If Cominco should still wish to financially support the Senator we would be pleased to accept their donation provided it is offered through an FEC approved domestic political action committee.

In the meantime, we appreciate your interest and support and look forward to an interesting and successful campaign.

Reference: Amended Year End Report (7/1/91-12/31/91)

Dear Mr. Daly:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses several contributions which appear to exceed the limits set forth in the Act. No individual or political committee other than a qualified multicandidate committee may make contributions to a candidate for federal office in excess of \$1,000 per election. The Pacific Seafood PAC did not meet the requirements for multicandidate status as of the date the contributions was made to your committee.

A multicandidate committee may not make a contribution to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441(a) and (f); 11 CFR §110.1(b) and (e))

Schedule A of your 1986 30 Day Post-General and Year End Reports discloses contributions received after the 1986 November 4th General Election which are designated for the general election. These contributions may be accepted by you only to the extent that you have outstanding net debts remaining from the general election. (11 CFR §110.1(b)(3)(i))

Please note that contributions designated in writing by the contributor for a particular election must be attributed to that election. Contributions not designated in writing by the contributor will be considered made for the next election for that Federal Office (1992 Primary Election) (11 CFR §110.1(b)(2)(i) and (ii)).

96043723003
12037070500

AC

Any contribution drawn on a joint checking account will be considered made by both individuals only if the check is signed by both or is accompanied by a written document noting the amount attributable to each individual and is signed by each individual. (11 CFR §110.1(k)(1) and (2))

In addition, your report also discloses contributions from corporations which are prohibited unless made from a separate segregated fund established by the organization. If the contribution was prohibited, you should refund the full amount to the donor.

If the contributions in question were incompletely or incorrectly reported, you should amend your original report with the clarifying information. If the contributions you received exceed the limit, you should either refund to the donor(s) the amount in excess of \$1,000 or \$5,000 per election or get the donors to redesignate the contributions in writing.

The Commission should be notified if a refund is necessary. Refunds, redesignations, and reattributions of excessive contributions must be made within sixty days of the treasurer's receipt of the contribution. Refunds of prohibited contributions must be made within thirty days of the treasurer's receipt of the contribution.

Refunds are reported on Line 20 and on Schedule B of the Detailed Summary Page of the report covering the period in which the refund is made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignations or reattributions is received. (2 U.S.C. §§441a(a) and (f) and 441b(a); 11 CFR §104.8(d)(2), (3) and (4))

The Commission notes your refund of one of the excessive and prohibited amounts. Although the Commission may take further legal steps, prompt action by you to refund the remaining prohibited amount and to refund or seek redesignation or reattribution of the remaining excessive amount will be taken into consideration.

-A review of your itemized receipts indicates a possible discrepancy in your aggregate year-to-date totals. The reported aggregate totals on your report should include all contributions from an individual or committee for the calendar year (January 1, 1991 - December 31, 1991). Please review your procedures for compliance with this requirement and amend any report(s) as necessary.

1203737551

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 312 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. Re: Amended report 7/1/91-12/31/91

Dear Ms. Sheppard,

In response to your letter of June 16, we have reviewed all of the items mentioned. Corrective actions are listed below for each item.

Prior to that I would like to point out that the Murkowski '92 campaign does maintain a separate bank account for all general election designated monies and that this account far exceeds any reserves that may be necessary for the return of illegal contributions or the handling of improperly designated funds. Also, we are sending re-designation letters to all donors that have reached the primary maximums, or more, requesting confirmation of amounts and attribution in writing. With this ongoing process we should be able to greatly reduce the discrepancies.

1. Bill Allen:
Computer records corrected to show proper attribution, letter sent requesting confirmation.
2. Grega Daly:
Computer records combined to show proper ID and attribution, letter sent requesting confirmation.
3. Jack Ferguson:
Records corrected and excess donations returned in December of 1991. Attribution confirmation requested.
4. Claud Gingrich:
Records have been combined and \$530.92 refunded. Attribution confirmation requested.

9 0 0 4 3 7 2 3 0 0 8
2 3 0 0 1 9 0 4 3 1

Pg 2

5. Louis Iani:

These records were corrected some time ago, however, reattribution letter has been sent.

6. Denny Miller:

Same as no. 5

6. William A. Roberts:

In-kind refund of \$237.50 will be made promptly. I was not aware that in-kind for the general election could not be accepted prior to the primary.

7. AGC PAC:

These accounts have been combined, YTD totals corrected and a letter requesting redesignation sent.

8. ARCO PAC:

These accounts had not been combined and memo entries from joint committees had not been added. This has been done ultimately in an excess contribution of \$1,350 which has been refunded and a letter of re-designation sent.

9. Barnett PAC:

Same as no. 8 except no refund required.

10. Cummins PAC:

This was an illegal contribution that was refunded in January of 1992, when it was discovered.

11. Conagra PAC:

All Conagra accounts have been combined and attributions were correct but, when the 11-18-85 contribution is added in, this requires re-designation. A letter has been sent. At this point I would like to protest the inclusion of 1986 donations in your critiques. Your contention that excess contributions to the 1986 campaign should have been reported as primary 1992 contributions is probably valid but, I contend that you should have raised that objection within three years of its being reported at 12-31-86. Since you did not and since the regulation you cite (11 CFR 110.1(b)(3)(i) was not even effective until Jan. 1987, I contend that the issue should be omitted.

12. MEBA PAC:

Same problem and solution as ARCO except no refund required.

13. NBWA:

These accounts have also been corrected and combined and a letter requesting redesignation sent.

14. Pacific Seafood:

In our previous correction and refund to this PAC we missed the 4-18-88 in-kind of \$199. This will be refunded promptly.

15. RAR Realty:

This is an illegal contribution that we overlooked. In checking, we do not have an address to refund the money to so will probably have to donate this to a charity.

9200190435

Pg 3

16. Sea-Land PAC:

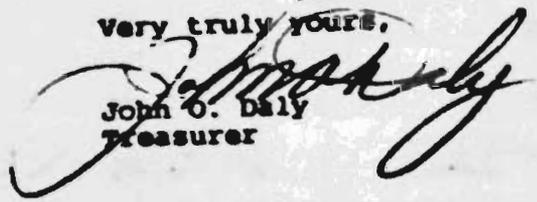

We have corrected the entries, sent a letter requesting re-designation and corrected the YTD totals.

17. Washington PAC:

This has been corrected and they have requested that we refund to them the donation in question of \$500 on 1-28-87, which we will do.

Dear Ms. Sheppard,

In response to the above letter, corrective actions by the Murkowski '92 committee are listed below:

1. James Rybicki:

We neglected to combine the memo entry with the regular entries. This has been done and the YTD total corrected. Also, A letter requesting re-designation has been sent.

2. B.P. America/Standard Oil PAC:

I did not realize Standard was now owned by BP. We will combine their accounts and correct the totals. A letter has been sent to BP asking for Designation to include Standard Oil.

3. Barnett PAC:

This donor was addressed in my letter of August 19, so the problem will be cured.

4. Conagra:

All Conagra accounts have been combined (including the 1986 amount) and a letter requesting redesignation has been sent.

5. Sealand:

This has been corrected per my letter of August 19.

5. AGC PAC

We had previously combined these accounts and requested a letter of re allocation but, they subsequently donated an additional amount through the Warner Nickels Committee which was incorrectly reported as a primary receipt. We have allocated the money correctly at this time.

6. Barnett People for Better Gov.

Our records show total contributions for this PAC of \$11,412.69 after combining all separate accounts. We have a letter of allocation already on file so we will refund them \$1,412.69.

7. General Electric PAC

Our records show \$5,500 allocated to the primary and \$2,500 to the general. We are sending them a letter requesting reallocation and will properly allocate \$500 from the primary to the general.

8. NERA

These accounts were combined and properly allocated as reported in my previous letter, however, they have over donated in the amount of \$2,500 which is being returned.

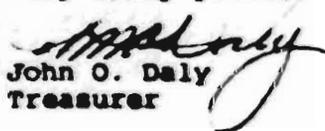

9. NRA Political Victory Fund

We have combined these accounts and are sending a letter requesting reallocation.

Dear Mr. Daly:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

96043723024
,2,3815J534

AC

-Schedule A of your report (pertinent portion attached) discloses several contributions which appear to exceed the limits set forth in the Act. No individual or political committee other than a qualified multicandidate committee may make contributions to a candidate for federal office in excess of \$1,000 per election. Additionally, a multicandidate committee may not make a contribution to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441(a) and (f); 11 CFR §110.1(b) and (e))

Please note that contributions designated in writing by the contributor for a particular election must be attributed to that election. Contributions not designated in writing by the contributor will be considered made for the next election for that Federal Office (11 CFR §110.1(b)(2)(i) and (ii)).

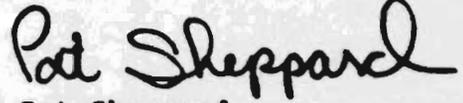

If the contributions in question was incompletely or incorrectly reported, you should amend your original report with the clarifying information. If the contributions you received exceeds the limit, you should either refund to the donors the amount in excess of \$1,000 or \$5,000 per election. The Commission should be notified if a refund is necessary. Refunds are reported on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which the refund is made. (11 CFR §104.8(d)(2) and (4))

AC [Although the Commission may take further legal steps, prompt action by you to refund the excessive amounts will be taken into consideration.]

-Schedule B supporting Line 20(a) discloses a refund to Milton Balkany - \$2000. However, it appears that only \$1,000 of this contribution has not been reported by your committee. Please clarify this matter and amend your reports accordingly.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. Re: 12 Day pre-primary report (7/1/92-8/18/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, regarding the above report, the following actions have been taken.

1. Marshall Sinick

It appears that we simply let this one get by us. Our records show donations of \$1,500 for the primary election and \$1,250 for the general. We are refunding \$750.00 to Mr. Sinick to reduce his contributions to the legal limit.

2. Martin Marietta PAC

This account is within the legal donation limits, however, we have not allocated the amounts properly between the primary and the general. We are sending them a letter requesting proper allocation and we will correct our records accordingly.

3. Sea Land Good Govt. Fund

This is the same problem as Martin Marietta above and we are taking the same action.

4. Stevens for Senate

This was our pro-rata share of a joint fund raiser. The money was erroneously credited all to the primary. A letter is being sent to them requesting authority for proper allocation and the correction will be made.

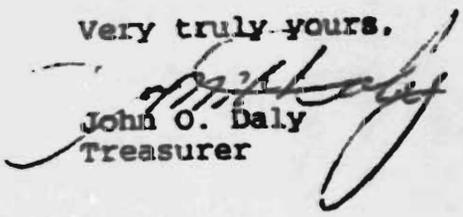

5. Milton Balkany

This refund actually had nothing to do with his contributions to Murkowski 92. The \$2,000 payment to him was to

96043723026
970001027

give to him the illegal contribution to Murkowski 92 by RAR Realty, Inc. We were not able to identify RAR Realty and we therefore gave the money to Rabbi Balkany with the request to use it for the charity of his choice. The problem here is that the transaction was not properly identified. A copy of my letter to the Rabbi is attached.

Dear Rabbi Balkany,

A recent audit of our reports by the FEC has shown that we inadvertently accepted an illegal donation by RAR Realty, Inc. We have no identification for this donation but, Mrs. McGuire and Karen Yetka remember that the donation was received at a fundraising event in New York.

I realize that this is an imposition but the regulations require that an illegal donation be returned and if that is not possible then it must be donated to a charity. The Senator and I would ask that you make a reasonable effort to determine the ownership of RAR Realty and return the money to them. If this cannot be done in about 10 days then, please donate the money to a charity of your choice in the New York area.

We very much appreciate your assistance in this matter and hope that it is not too much of an imposition.

-A review of your itemized receipts indicates a possible discrepancy in your aggregate year-to-date totals. The reported aggregate totals on your report should include all contributions from an individual or committee for the current calendar year (January 1, 1992 - Present). Please review your procedures for compliance with this requirement and amend any report(s) as necessary.

-Your report discloses a transfer of joint fundraising receipts. You must provide a Memorandum Schedule A showing your share of gross receipts. Contributions from original contributors whose total contributions to your committee have exceeded \$200 during the calendar year should be itemized on this schedule. The itemization should include the full name, mailing address and zip code of the person, along with the name of his/her employer, the date of the contribution, his/her occupation, the election designation and the aggregate year-to-date amount of contributions made by the person. Please amend your report to include a memo Schedule A if necessary. (11 CFR §102.17(c)(8)(i)(B))

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, regarding the above report, the following actions have been taken.

1. William Ruger
Per conversation with Ms. Sheppard, this account does not need to be addressed.

2. ARCO PAC
This account was re-allocated and excess contributions returned as of 8/19/92 as reported in my letter of that date to the Commission. Since then, however, we have received three additional donations reported as being received from the PAC totaling \$500.00. In researching this it turns out that the money was not a PAC donation. Three different ARCO employees in Anchorage requested donations to Murkowski 92 from their ARCO PAC accounts. The amounts were erroneously credited as PAC donations instead of to the individuals. The money will be correctly shown as follows:

a.	John S. Dayton	9/26/92	\$100.00	Gen
	11121 Mountain Lake Drive	10/21/92	\$100.00	Gen

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, regarding the above report I have researched the American Medical PAC donation history to Murkowski 92 as follows:

1.	5/28/91	\$1,000	cash
2.	12/31/91	\$4,000	cash
3.	5/29/92	\$5,000	cash returned to ANPAC
4.	7/1/92	\$5,000	In-Kind donation
5.	7/1/92	\$825	In-Kind
6.	7/6/92	\$825	cash payment to ANPAC
7.	10/14/92	\$4,000	cash
8.	10/14/92	\$1,000	cash

This nets out to total cash and in-kind donations of \$10,000, however, it has not been either properly allocated on our records nor reported under one name. I am sending a request for reallocation to the American Medical PAC and we have consolidated all records under the name American Medical PAC.

NAME OF THE COMMITTEE: Murkowski '92

SUBJECT: RFAI 30G report

FEC REP: Pat Sheppard

COMMITTEE REP: John Daly (202) 224-6665

Mr. Daly called to ask why was an individual included in the letter sent. I told him that the contribution was for both the primary and general elections and yet the committee fails to disclose any primary debts. He also asked about the affiliation between CSK PAC and Sea-Land PAC. I told him I had no information at this time. Mr. Daly stated that as of the year end report there were no debts outstanding; however, since there have been several bills that have come in and the committee is without funds to repay. He stated that they were having a fundraiser tomorrow and people were questioning him about debts because none were disclosed on the last report. I told him to explain this to them at the fundraiser.

Re: 30 Day Post-General Report (10/15/92-11/23/92)

Dear Ms. Sheppard,

In response to your letter of Feb. 2nd, the following actions have been taken.

1. Vern Hall

This donation was inadvertently charged as all general election contribution when it should have been allocated between the primary and general elections. A letter requesting re-allocation has been sent to Mr. Hall and the amount will be re-allocated properly.

2. Alice Huang

Mrs. Huang was credited with three \$1,000 donations, all listed as primary. In researching the history, one of the first \$1,000 donations should have been listed as a primary donation from her husband, Mr. Tommy Huang and the remaining two allocated between primary and general. We have sent a letter to Mrs. Huang requesting both a reattribution to MR. Huang and reallocation of her donations.

3. Ruth Soriano

Mrs. Soriano donated \$2,000 to the campaign in one check which was credited as primary and general donations, however, the donation was made on 10/30/92 following the primary. Since Murkowski 92 had no primary debt, the primary donation was illegal and must be returned. A check in the amount of \$1,000 will be sent to Mrs. Soriano.

9604372340940

4. ARCO PAC

These donations were addressed in my letter to you of Mar. 8, 1993.

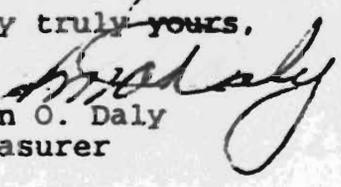

5. Exxon PAC

Exxon PAC donated \$5,000 to the campaign on 9/18/92, \$500 on 10/21/92 and \$2,000 on 10/30/92. Alaska had a delayed primary election last year (9/8/92) and we paid over \$67,000 in primary expenses following the receipt of the 9/18/92 donation so it was a legal primary donation. However, all of the donations need to be properly allocated between primary and general elections so we have sent a letter to Exxon PAC requesting their authorization do to so.

In addition to the this and previous letters, we have discovered that we have received excess donations from the combined CSX/Sea-Land PACs. Sea-Land Good Govt Fund has donated a total of \$9,000 and CSX a total of \$2,000, \$500 of which was mis-attributed as GSX. We are, therefore, returning \$1,000 to Sea-Land and correcting the \$500 donation. Additionally, we have requested that both CSX and Sea-Land provide us with a letter authorizing proper allocation of their donations.

Very truly yours,

John O. Daly

Dear Mrs. Soriano,

A recent audit of donations to the Murkowski 92 campaign has shown that your donation of \$2,000 was received by us in late October, following the 1992 primary election. Unfortunately, Federal Election Commission regulations prevent candidates from accepting donations after an election if the candidate does not have an existing debt from that election.

Therefore, since we were successful in paying all of our primary election expenses by the end of September, 1992, we must refund to you \$1,000 of your donation which would have been credited as a primary election donation and, I am enclosing our check number 3034 in the amount of \$1,000 for that purpose.

The Senator and I thank you very much for your interest and generosity. Please give our regards to Max.

Very truly yours,

Attn: Ms. Linda Mathis

Gentlemen,

A recent audit of the combined Sea-Land/CSX PAC donations to the Murkowski 92 campaign has revealed a total of \$9,000.00 in donations from Sea-Land and \$2,000.00 from CSX. This exceeds the allowable total by \$1,000.00.

I am therefore enclosing our check No. 3035 in the amount of \$1,000.00 in favor of Sea-Land to correct this situation. Also, I am enclosing a copy of a form authorizing us to properly allocate the remaining donations between the primary and general elections. I would ask that you have the CSX PAC also fill out and return a copy of this form to us.

Thank you for your assistance.

Very truly yours,

John O. Daly

Memorandum To the Chart

The following information may be helpful when reviewing the Chart and its attachments:

1. The refund check to Denny Miller was made out to Denny Miller Assoc., Inc.
2. The in-kind contribution received from William A. Roberts was received before the primary election but was designated for the general election; however, RAD has applied the contribution to the primary election.
3. Certain contributions were designated for the 1986 General or the 1992 Primary Elections but were received after these elections and the Committee disclosed no net outstanding debts; therefore, these contributions were applied to the next election in accordance with 11 CFR §110.1(b)(3)(i). This situation applies to contributions received from W. Ruger, R. Soriano, Arco PAC, Conagra Good Gov't Assn., and Exxon PAC.
4. An apparent reimbursement for an in-kind contribution from the American Medical PAC was reported by the Committee as a cash payment for polling expense.
5. The Committee refunded an excessive contribution received from EAR Realty Corp. to Rabbi Milton Balkany as charity because the original contributor could not be located.
6. The contribution received from Sea-Land Good Gov't Fund PAC dated 4-18-86 appears to be a typographical error because it was disclosed on the 1988 Mid-Year Report.
7. The contribution dated 8/14/91 received from CSX Good Government Fund was misreported as received from GSX; however, the Committee acknowledges this fact.
8. In the response, the Committee states that the contributions from Washington PAC should disclose \$5,000 to the primary and \$1,000 to the general elections up to June 30, 1991; however, the Committee failed to provide further details. RAD designated the February 21, 1991 contribution for the General Election.

INTERNAL REPORTS CHECKED: Referral Materials

FEDERAL AGENCIES CHECKED: None

I. GENERATION OF MATTER

This matter was referred to the Office of the General Counsel by the Reports Analysis Division ("RAD"). Attachment 1. The basis of the referral is the acceptance of excessive and prohibited contributions by Murkowski '98 ("the Committee") and John H. Moseman, as treasurer.¹ According to the referral, the Committee accepted excessive contributions totalling \$53,407.43 and prohibited contributions totalling \$4,000 during the 1992 election cycle.

1. On November 22, 1993, the Committee filed an amendment to its Statement of Organization with the Secretary of the Senate. At that time, the Committee changed its name from "Murkowski '92" to "Murkowski '98", and designated John H. Moseman as its new treasurer, in place of John O. Daly.

II. FACTUAL AND LEGAL ANALYSIS

A. Applicable Law

Pursuant to 2 U.S.C. § 441a(a)(1)(A), no person shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$1,000. The term "person" includes individuals and political committees. See 2 U.S.C. § 431(11). Pursuant to 2 U.S.C. § 441a(a)(2)(A), no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$5,000. Pursuant to 2 U.S.C. § 441a(f), no political committee shall knowingly accept any contribution in violation of the provisions of section 441a.

Contributions which do not appear to be excessive on their face, but which exceed the contribution limitations when aggregated with other contributions from the same contributor, may be either deposited into a campaign depository or returned to the contributor. 11 C.F.R. § 103.3(b)(3). Excessive contributions not redesignated must be refunded to the contributor within sixty (60) days of the treasurer's receipt of the contribution. Id.

A contribution shall be considered redesignated for another election . . . if [t]he treasurer requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation; and . . . [w]ithin sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer

96043723201

with a written redesignation of the contribution for another election, which is signed by the contributor.

11 C.F.R. § 110.2(b)(5)(ii)(A) and (B).²

Pursuant to 2 U.S.C. § 441b(a), it is unlawful for any corporation to make a contribution in connection with any Federal election, or for any political committee to knowingly accept any such contribution. Pursuant to 2 U.S.C. § 441e, it is unlawful for any foreign national to make any contribution of money in connection with an election to any political office, or for any person to accept or receive any such contribution from a foreign national. The term "foreign national" includes a corporation organized under the laws of or having its principal place of business in a foreign country. See 2 U.S.C. § 441e(b).

B. Individuals

According to the referral, the Committee accepted excessive contributions totalling \$10,952, which were not redesignated or refunded within 60 days of their receipt, from certain individuals during the 1992 election cycle. The Committee has indicated that certain contributions have been redesignated. However, in communications with RAD, the Committee has indicated that, in situations where excessive contributions were made which might be

2. It appears that Respondents maintained sufficient funds in their account such that none of the excessive funds received were used for any disbursements. Accordingly, no analysis of 11 C.F.R. § 103.3(b)(4) is presented.

96043723202

appropriately redesignated, the contributor was not given the option of obtaining a refund, as required by 11 C.F.R.

§ 110.2(b)(5)(ii)(A). See, e.g., Attachment 1 at 26-28. Because the Committee failed to comply with the requirements of the regulations, these contributions remain excessive. See NUR 3452, General Counsel's Report dated December 7, 1993 at 4, fn. 4. Of the total excessive amount, the Committee refunded \$3,519 outside of the 60-day period.³

Accordingly, this Office recommends that the Commission find reason to believe Murkowski '98 and John H. Roseman, as treasurer, violated 2 U.S.C. § 441a(f) with respect to these contributions.

C. Committees

According to information in the Commission's possession, the Committee also accepted excessive contributions totalling \$42,456, which were not redesignated or refunded within 60 days of their receipt, from certain political committees during the 1992 election cycle. The Committee has indicated that certain contributions have been redesignated. However, as with the contributions from individuals, in communications with RAD and with certain contributors, the Committee has indicated that, in situations where excessive contributions were made which might be

3. A chart identifying each of the individuals and the amount of their excessive contributions, as well as any amounts refunded, is contained in the Factual and Legal Analysis attached to this report. See Attachment 2 at 3-4.

96043723203

appropriately redesignated, the contributor was not given the option of obtaining a refund, as required by 11 C.F.R.

§ 110.2(b)(5)(ii)(A). Indeed, in many instances, Respondents took it upon themselves to redesignate contributions without seeking approval from the contributors. See, e.g., Attachment 1 at 39 (wherein Respondents, having received contributions designated for the primary election totalling \$12,500 from the NEBA Political Action Fund and an affiliated committee, the District 2 NEBA PAC, inform the NEBA Political Action Fund that they are "enclosing [their] check in the amount of \$2,500.00 which will reduce [NEBA's] total donations to the legal limit of \$10,000.00," thus indicating that Respondents redesignated certain funds without first obtaining the approval of the contributor). As with the attempted redesignations of contributions from individuals, because the Committee failed to comply with the requirements of the regulations and offer respondents the option of a refund, these contributions remain excessive. See MUR 3452, supra. Of the total excessive amount, the Committee refunded \$7,962 outside of the 60-day period.⁴

Accordingly, this Office recommends that the Commission find reason to believe Murkowski '98 and John H. Moseman, as treasurer, violated 2 U.S.C. § 441a(f) with respect to these contributions.

4. A chart identifying each of political committees and the amount of their excessive contributions, as well as any amounts refunded, is contained in the Factual and Legal Analysis attached to this report. See Attachment 2 at 5-6.

96043723204

D. Other Contributions

9 6 0 4 3 7 2 3 2 0 5

According to information in the Commission's possession, the Committee accepted a contribution in the amount of \$2,000 from Cominco Ltd., a Canadian corporation, on July 23, 1991. This contribution was reported by the Committee on its Amended 1991 Year-End Report as having been received from "COMINCO LTD PAC, VANCOUVER BC." The Committee conferred with RAD regarding this contribution on January 27, 1992, and was informed that the Committee should refund the funds as soon as possible. See Attachment 1 at 16. The Committee refunded this contribution on January 29, 1992, see id. at 18 and 20, approximately 280 days after its receipt. The letter transmitting the refund noted that the Committee had violated the prohibitions against accepting contributions from corporations and foreign nationals by accepting the Cominco contribution. Id. at 18.

Accordingly, this Office recommends that the Commission find reason to believe Murkowski '98 and John H. Moseman, as treasurer, violated 2 U.S.C. §§ 441b(a) and 441e with respect to this contribution.

Other information in the Commission's possession shows that the Committee received a contribution in the amount of \$2,000 from RAR Realty Corporation ("RAR Realty") on August 3, 1991. The contribution from RAR Realty was first questioned by RAD in a June 16, 1992 letter. See Attachment 1 at 21-22. The Committee responded on August 19, 1992, stating that "[t]his is an illegal

contribution that we overlooked. In checking, we do not have an address to refund the money to so will [sic] probably have to donate this to a charity." Id. at 27. Subsequently, a December 9, 1992 letter from RAD noted that the Committee's 1992 12-Day Pre-Primary Report disclosed a \$2,000 refund to Milton Balkany, even though the Committee had only reported receiving \$1,000 in contributions from him. Id. at 42-43. RAD requested that the Committee clarify this matter.

The Committee responded on March 2, 1993. The Committee stated that the \$2,000 payment had nothing to do with the previous contribution, but rather "was to give to him the illegal contribution to Murkowski 92 by RAR Realty, Inc. We were not able to identify RAR Realty and we therefore gave the money to Rabbi Balkany with the request to use it for the charity of his choice." Id. at 44-45. The Committee's letter enclosed a copy of the letter and the check that were sent to Rabbi Balkany. Id. at 47. The letter to Rabbi Balkany, dated September 1, 1992, noted that two individuals remembered that the RAR Realty check was received at a fundraising event in New York. It then requested that Rabbi Balkany make a reasonable effort to determine the ownership of RAR Realty and return the money to them. If Rabbi Balkany was unable to locate the ownership of RAR Realty, he was requested to donate the money to the charity of his choice in the New York area. The check was made out to Milton Balkany.

Commission regulations do allow a committee which receives an anonymous cash contribution in excess of \$50 to donate those excess funds to charity. See 11 C.F.R. § 110.4(c)(3). Indeed, a committee can donate any excess campaign funds to charity. See 11 C.F.R. § 113.2(b). However, corporate funds do not fall into either of these categories. When a committee receives an apparent corporate contribution, it is required to follow the procedures established at 11 C.F.R. § 103.3(b)(1). The Committee's correspondence with RAD shows that Respondents did not follow these procedures. Accordingly, this Office recommends that the Commission find reason to believe Murkowski '98 and John H. Roseman, as treasurer, violated 2 U.S.C. § 441b(a) with respect to this contribution.

1. Open a MUR.
2. Find reason to believe that Murkowski '98 and John H. Mooseman, as treasurer, violated 2 U.S.C. §§ 441a(f), 441b(a) and 441e, and enter into conciliation with Respondents prior to findings of probable cause to believe.
3. Approve the attached Factual and Legal Analysis and conciliation agreement, and the appropriate letter.

RE: MUR 4022
Murkowski '98 and
John H. Moseman, as treasurer

Dear Mr. Moseman:

On July 29, 1994, the Federal Election Commission found that there is reason to believe Murkowski '98 ("Committee") and you, as treasurer, violated 2 U.S.C. §§ 441a(f), 441b(a) and 441e, provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath. In the absence of additional information, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

In order to expedite the resolution of this matter, the Commission has also decided to offer to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe. Enclosed is a conciliation agreement that the Commission has approved.

If you are interested in expediting the resolution of this matter by pursuing probable cause conciliation and if you agree with the provisions of the enclosed agreement, please sign and return the agreement, along with the civil penalty, to the Commission. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days

9604372310

prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Tony Buckley, the attorney assigned to this matter, at (202) 219-3690.

FEDERAL ELECTION COMMISSION

FACTUAL AND LEGAL ANALYSIS

RESPONDENTS: Murkowski '98 and John H. NUR: 4022
Roseman, as treasurer

This matter was generated based on information ascertained by the Federal Election Commission ("the Commission") in the normal course of carrying out its supervisory responsibilities. See 2 U.S.C. § 437g(a)(2).

Pursuant to 2 U.S.C. § 441a(a)(1)(A), no person shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$1,000. The term "person" includes individuals and political committees. See 2 U.S.C. § 431(11). Pursuant to 2 U.S.C. § 441a(a)(2)(A), no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$5,000. Pursuant to 2 U.S.C. § 441a(f), no political committee shall knowingly accept any contribution in violation of the provisions of section 441a.

Contributions which do not appear to be excessive on their face, but which exceed the contribution limitations when aggregated with other contributions from the same contributor, may be either deposited into a campaign depository or returned to the contributor. 11 C.F.R. § 103.3(b)(3). Excessive contributions

96043723212

not redesignated must be refunded to the contributor within sixty (60) days of the treasurer's receipt of the contribution. Id.

A contribution shall be considered redesignated for another election . . . if [t]he treasurer requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation; and . . . [w]ithin sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor.

11 C.F.R. § 110.2(b)(5)(ii)(A) and (B).

Pursuant to 2 U.S.C. § 441b(a), it is unlawful for any corporation to make a contribution in connection with any Federal election, or for any political committee to knowingly accept any such contribution. Pursuant to 2 U.S.C. § 441e, it is unlawful for any foreign national to make any contribution of money in connection with an election to any political office, or for any person to accept or receive any such contribution from a foreign national. The term "foreign national" includes a corporation organized under the laws of or having its principal place of business in a foreign country. See 2 U.S.C. § 441e(b).

According to information in the Commission's possession, Murkowski '98 ("the Committee") accepted excessive contributions which were not redesignated or refunded within 60 days of their receipt from the following individuals during the 1992 election

cycle.¹ None of the excessive contributions appear to have been properly redesignated. The Committee has indicated that certain contributions have been redesignated. However, in communications with the Reports Analysis Division ("RAD"), the Committee has indicated that, in situations where excessive contributions were made which might be appropriately redesignated, the contributor was not given the option of obtaining a refund, as required by 11 C.F.R. § 110.2(b)(5)(ii)(A). See, e.g., Letter from Murkowski '92 to RAD dated August 19, 1992. Unless otherwise indicated, none of the excessive amounts were ever refunded.

According to information in the Commission's possession, the Committee accepted a contribution in the amount of \$2,000 from Cominco Ltd., a Canadian corporation, on July 23, 1991. VANCOUVER BC." The Committee refunded this contribution on January 29, 1992, approximately 280 days after its receipt. The letter transmitting the refund noted that the Committee had violated the prohibitions against accepting contributions from corporations and foreign nationals by accepting the Cominco contribution. See Letter from Murkowski '92 to Dr. Bruce Switzer dated January 29, 1991.

Other information in the Commission's possession shows that the Committee received a contribution in the amount of \$2,000 from RAR Realty Corporation ("RAR Realty") on August 3, 1991. The contribution from RAR Realty was first questioned by RAD in a June 16, 1992 letter. See Letter from RAD to Murkowski '92 dated June 16, 1992. The Committee responded two months later, stating that "[t]his is an illegal contribution that we overlooked. In checking, we do not have an address to refund the money to so will [sic] probably have to donate this to a charity." See Letter from Murkowski '92 to RAD dated August 19, 1992. Subsequently, RAD noted that the Committee's 1992 12-Day Pre-Primary Report disclosed a \$2,000 refund to Milton Balkany, even though the Committee had only reported receiving \$1,000 in contributions from him. See Letter from RAD to Murkowski '92 dated December 9, 1992. RAD requested that the Committee clarify this matter. Id.

The Committee responded three months later. See Letter from Murkowski '92 to RAD dated March 2, 1993. The Committee stated that the \$2,000 payment had nothing to do with the previous contribution, but rather "was to give to him the illegal

96043723218

contribution to Murkowski 92 by RAR Realty, Inc. We were not able to identify RAR Realty and we therefore gave the money to Rabbi Balkany with the request to use it for the charity of his choice."

Id. The Committee's letter enclosed a copy of the letter and the check that were sent to Rabbi Balkany. The letter to Rabbi Balkany, dated September 1, 1992, noted that two individuals remembered that the RAR Realty check was received at a fundraising event in New York. It then requested that Rabbi Balkany make a reasonable effort to determine the ownership of RAR Realty and return the money to them. If Rabbi Balkany was unable to locate the ownership of RAR Realty, he was requested to donate the money to the charity of his choice in the New York area. The check was made out to Milton Balkany.

Commission regulations do allow a committee which receives an anonymous cash contribution in excess of \$50 to donate those excess funds to charity. See 11 C.F.R. § 110.4(c)(3). Indeed, a committee can donate any excess campaign funds to charity. See 11 C.F.R. § 113.2(b). However, corporate funds do not fall into either of these categories. When a committee receives an apparent corporate contribution, it is required to follow the procedures established at 11 C.F.R. § 103.3(b)(1). The Committee's correspondence with RAD shows that Respondents did not follow these procedures.

Therefore, there is reason to believe Murkowski '98 and John H. Moseman, as treasurer, violated 2 U.S.C. §§ 441a(f), 441b(a) and 441e.

Re: Matter Under Review #4022, "Murkowski '98"
Committee

Dear Mr. Chairman:

This is in response to your letter of August 5, 1994 to John Moseman, former treasurer of the "Murkowski '98" committee. Your letter was received by Mr. Moseman on August 11, 1994 and I have been retained by the "Murkowski '98" committee to represent the committee in this matter.

Please be advised that Mr. Moseman has not been the treasurer of the "Murkowski '98" committee since March 16, 1994. On that date, the Secretary of the Senate was notified that Mr. Gregg Renkes would be replacing Mr. Moseman as treasurer of the committee. Attached you will find a copy of the letter to the Secretary of the Senate which implemented that change. Please adjust your records to reflect this change in the position of treasurer for the "Murkowski '98" committee.

Also attached you will find the executed "Designation of Counsel Form", signed by Mr. Renkes on behalf of the committee, which reflects my representation in this matter. I would appreciate it is all further contact regarding M.U.R. 4022 would be brought directly to my attention.

By way of background and as the factual basis surrounding a request for an extension of time in which to file a response to the "Factual and Legal Analysis" which was included in your letter to Mr. Moseman, I would point out that this M.U.R. involves

contributions made to the reelection campaign of Senator Frank Murkowski in 1991 and 1992. The majority of the records surrounding the contributions from that campaign are in archival storage, with the majority being located in Anchorage, Alaska. Some considerable amount of time will be required in Alaska to collect, review and forward the relevant records to Washington for my subsequent review and analysis.

In addition, the committee's treasurer during 1991 and 1992, when the contributions at issue were made, Mr. John Daly, currently divides his time between Seattle and Alaska. I have spoken with Mr. Daly today and he informs me that because of prior scheduling commitments, the first available date on which he will be able to come to Washington to confer with me and review these contributions, and their supporting documents, will be August 30, 1994. Thereafter, I will need an additional period of time to review the committee's records and prepare a formal response to the Matter Under Review.

For these reasons, I will be unable to physically review records, research and prepare a response to your letter before September 30, 1994. I therefore respectfully request an extension of time in which to file a response in M.U.R. 4022 until September 30, 1994. Please accept assurance that a comprehensive response will be forthcoming and that we earnestly look forward to a mutually satisfactory resolution of this matter.

SENSITIVE

COMPREHENSIVE INVESTIGATIVE REPORT #1

On July 29, 1994, the Commission found reason to believe that Murkowski '98 and its treasurer ("Respondents"), violated 2 U.S.C. §§ 441a(f), 441b(a) and 441e, and offered to enter into conciliation with Respondents prior to findings of probable cause to believe.¹ On August 16, 1994, this Office received a letter from counsel for Respondents requesting an extension of time until September 30, 1994 to respond to the Commission's reason to believe findings and offer to conciliate. The Office of the General Counsel has granted the requested extension. Upon our receipt and review of the response, this Office will further advise the Commission of any appropriate action to take in this matter.

Re: Matter Under Review # 4022, "Murkowski '98
Committee"

Dear Mr. Chairman:

This is in further response to your letter of August 5, 1994 to John Roseman, former Treasurer of the "Murkowski '98" Committee ("the Committee"), setting forth the Commission's reasons to believe that a violation of the Federal Election Campaign Act of 1974 ("the Act") had occurred and offering "pre-probable cause conciliation" to the Committee. As you will recall, on August 17, 1994 the Committee was granted an extension of time to respond to your letter until September 30, 1994. In accepting the Commission's offer of "pre-probable cause conciliation" in this matter, the Committee believes that it is important for the Commission to have as thorough an understanding as is possible of the facts and circumstances surrounding the events and transactions which are at issue in MUR # 4022 prior to the effort to agree upon the text of a Conciliation Agreement. It is in that context that I provide the following factual information.

Background: During the 1991-92 election cycle, the Campaign found itself operating under several highly unusual and unforeseen circumstances, all of which directly contributed to the matters that are at issue in MUR # 4022. First and foremost among these factual circumstances was the Committee's utilization of several different compliance software programs for its automated contribution/disbursement data base. During its previous reelection cycle (1985-86), the Committee successfully utilized a compliance software program entitled "Campaign Finance Systems"

which was supplied by an Arizona vendor. All 1992 cycle contributions and disbursements received or made during the years from 1987 through mid-1991 were entered into that software program. In early to mid-1991, the Committee was informed that the vendor of this software compliance package had gone out of business as the result of the sale of his company to another computer software vendor, Aristotle Industries.

As a result, while the Committee continued to utilize the "Campaign Finance Systems" software program for its compliance needs through mid-1991, it found itself increasingly frustrated by the lack of technical and support commitment to that software and by a lack of staff assistance for the "Campaign Finance Systems" software from the new owner/vendor located in Washington, D.C. In fact, by mid-1991, the "Campaign Finance Systems" software had become, for all practical purposes, unusable. As an illustration of this state of affairs, the Committee's part-time book-keeper was forced to prepare the June 30, 1991 report manually, without any software assistance (please see "Exhibit 1", statement of Evelyn M. Reid).

In hindsight, speculation has been offered that the new vendor purchased the original vendor of the "Campaign Finance Systems" software program for, among other reasons, the elimination of a business competitor. It has been speculated that the new vendor never intended to adequately service those clients using the "Campaign Finance Systems" software program, in the expectation that these clients would turn, as a necessary alternative, to the competitive compliance software program also being offered by Aristotle Industries. Whatever the intention of Aristotle Industries, the Committee was forced, in mid-1991, to drop its "Campaign Finance Systems" software program, contract for a separate software program, the "Hannibal" program, and attempt to convert all of its data on the "Campaign Finance Systems" program over to the "Hannibal" software. This conversion of data from one program to another was a complex, time-consuming process, undertaken by unpaid volunteers to the Committee. It should be no surprise to the Commission that errors in the conversion of this data were an unintended consequence of the burden imposed on the Committee by the necessity that it utilize the "Hannibal" compliance program.

In addition to the understandable human errors attributable to volunteer efforts to convert data from one software program to another, the Committee also faced the limitations on data recognition which were found to be inherent in the "Hannibal" compliance software (see "Exhibit 1"). For example, while the Committee's existing (pre-1991) software had been written so as to detect similarities in the names of contributors, the "Hannibal" software had been written in such a way that data entered into the

Honorable Trevor Potter
September 30, 1994
Page 3

"Hannibal" database had to exactly match the data, particularly individual and Political Action Committee contributor names and addresses, previously entered into "Hannibal". Thus, using the "Campaign Finance Systems" software, a Committee data entry volunteer could input "Joe Smith", or "Joseph Smith" or "J. Smith" (depending upon how the contributor signed the check or identified themselves on a response devise) and the software would recognize that these various names had enough in common to suggest a common derivation. In that instance, the software would affirmatively ask whether the names were for a common contributor. However, the "Hannibal" software was written in such a way that the volunteer inputting the data was obligated to search the software (utilizing a series of different screens) to attempt to ascertain whether all three "Smith" entries would be deemed to be separate and distinct or were for the same individual. Similar complexities in the "Hannibal" software were encountered when a previous contributor changed addresses during the cycle.

Another specific example of the difficulty faced by the Committee in converting data between these two software programs occurred with respect to contributions from Political Action Committees. The "Campaign Finance Systems" software was written so as to provide a sufficient number of alphabetic characters so that a volunteer inputting a PAC contribution for the first time could, in nearly all instances, spell-out the complete name of the contributing PAC. However, the "Hannibal" software was written in a way that required a volunteer inputting such information to abbreviate the full name of the contributing PAC. Since there is no standard source for such abbreviations, volunteers differed in their individual methods of abbreviating PAC names. Inevitably, this led to instances in which a single PAC would be entered into the "Hannibal" software under several different abbreviated names. Efforts were undertaken by the Campaign to rectify that situation and most, but not all, of the multiple entries for PAC contributors were eliminated.

From these illustrations, it is clear that the conversion of data on the "Campaign Finance Systems" data base to the "Hannibal" software database was made even more complex and open to error than could have reasonably been expected by the Committee. Many errors attributable to the conversion of one data base into another were identified by the Commission's Reports Analysis Division. Correspondence between RAD and the Committee suggest both the scope of the many problems encountered by the Committee and its contemporaneous efforts to remedy the errors brought to its attention by your staff.

Data conversion and inputting problems were not the only compliance software issues faced by the Committee in 1991-92. For example, while the original Arizona software vendor was available

96043723231

Honorable Trevor Potter
September 30, 1994
Page 4

to the Committee on a 24 hour per day basis, the "Hannibal" software vendor was located in Washington, D.C., four time-zones from Alaska and, as a result, was only available to answer questions or service the needs of the Committee's book-keeping staff during a very short (two or three hour) window of time each day (see "Exhibit 1").

It is also a matter of record that the Committee was required to conduct its affairs both in Washington, D.C. and in Alaska throughout 1991-92. While the Committee's book-keeping, banking, and data-entry functions were located in Anchorage, Alaska, its Treasurer, John Daly (who physically moved to Washington in June, 1991), its titular head, Senator Frank Murkowski, and many of its senior fundraising staff were located in Washington, D.C. (see "Exhibit A"). As the Commission can readily understand, the timely coordination of fundraising and book-keeping functions across four time-zones and 6000 miles is difficult at best. For example, a fund raising event in New York City would generate contributions which had to be forwarded to the Committee's Treasurer in Washington for review and the preparation of deposit information, before being sent on to Evelyn M. Reid, the Committee's part-time book-keeper in Anchorage for review, deposit and data entry into the software compliance program.

Despite the Committee's fundamental commitment to transacting its fundraising, book-keeping, and compliance obligations in the most expeditious manner possible (and in full compliance with the Act and the Regulations of the Commission), the Commission must understand that the physical separation, over an entire continent, of the Washington, D.C. and Anchorage components of the campaign inevitably led to time delays between the acceptance of a contribution on the east coast and its receipt, deposit and data entry in Anchorage.

In addition, given the location of the Committee's Treasurer in Washington, D.C., deposits made in Anchorage and then entered into the compliance data base were the subject of an initial formal review by the Treasurer only weeks and sometimes months after the deposit was made and the data was collected for the submission of a report to the Commission. During that initial review of the draft of a "contributions and disbursements" report, the Treasurer would note, on occasion, that a particular contribution had been entered into the data base in error and he took it upon himself to correct that error before the final report was sent to the Commission. While this illustrates the Committee's commitment to compliance, the Commission must not lose sight of the fact that the Murkowski Committee was required to operate under a time and distance burden not imposed on any similar federal committee inside the continental United States.

96043723232

In the opinion of the Committee, the alleged excessive individual and political action committee contributions outlined in the Commission's "Factual and Legal Analysis" must be viewed in the context established above.

Excessive Individual Contributions: The Commission has listed sixteen contributions received by the Committee from individuals which are deemed to be in excess of the statutory contribution limit set forth at 2 U.S.C. 441(a)(1)(A). The Commission asserts that none of these excessive contributions appears to have been properly redesignated and that even if some of these excessive contributions had been appropriately redesignated, the Committee failed to offer the contributor the option of receiving a refund. As a matter of fact, six of these contributions were indeed refunded to the contributor (although more than sixty days after receipt of the contribution) and the Committee has signed redesignation forms from six individual contributors requesting that the excessive portion of their primary election contribution be redesignated for the 1992 general election (see "Exhibit B"). In fact, of the sixteen excessive contributions cited by the Commission, only six were not either redesignated by the contributor or refunded by the Committee.

The following information has been reconstructed by the Committee from its "Hannibal" data base:

96043723233

Bill J. Allen (see Exhibit 2)	\$1000 check deposited 3/29/91 designated for the general election \$1000 check deposited 7/23/91 designated for the primary election <u>explanation:</u> error in entry of data designating a particular election.
Grega G. Daly (see Exhibit 3)	\$500 check deposited 4/5/90 designated for the primary election \$1000 check deposited 10/8/91 designated for the primary election <u>explanation:</u> error in entry of data designating the \$1000 check for the primary election.
Jack Ferguson (see Exhibit 4)	\$500 check deposited 4/18/88 designated for the primary election \$500 check deposited 6/21/89 designated for the primary election \$500 check deposited 4/6/90 designated for the general election \$500 check deposited 8/3/91 designated for the general election

\$1000 check deposited 8/3/91 designated for the general election
\$1000 refunded on 12/4/91
explanation: because of the merger of data from two different software programs, this excessive contribution was not made apparent in a timely manner. When it was noticed, a refund was provided.

Claud L. Gingrich
(see Exhibit 5)

\$530.92 "in-kind" contribution received 6/23/89 designated for the primary election
\$1000 check deposited 12/18/91 designated for the primary election
\$1000 check deposited 12/18/91 designated for the general election
\$530.92 refunded on 8/31/92
explanation: "in-kind" contribution entered in the original software program was not recognized in a timely fashion by the "Hannibal" program. Redesignation requested and received from the contributor.

Vern Hall
(see Exhibit 6)

\$1000 check deposited 10/26/92 designated for the general election
\$600 check deposited 10/26/92 designated for the general election
explanation: FEC informed on 3/18/93 that both checks had been designated, in error, to the general election and that a redesignation had been requested.

Timothy Horgan
(see Exhibit 7)

\$500 check deposited 8/29/91 designated for the primary election
\$250 check deposited 9/29/92 designated for the general election
explanation: FEC informed on 2/25/92 that a "Timothy H. Horgan" was recorded as having contributed a total of \$1750 since 1987 but that because of anomalies in two different software programs and the use by this contributor of multiple addresses (two in Seattle and one in Portland Oregon), the campaign believed, in error, that there were several contributors with the name "Timothy Horgan"; that a redesignation had been requested from Mr. Horgan.

96043723234

Alice/Tommy Huang
(see Exhibit 8)

one \$2000 check signed by Mrs. Huang deposited 12/18/91 designated for the primary election, attributed in error entirely to Mrs. Huang
\$1000 check deposited 10/16/92 designated in error for the primary election also attributed to Mrs. Huang
explanation: FEC informed on 3/18/93 of this error in attribution of three \$1000 contributions to Mrs. Huang. Contributor notified of error on 3/22/93 and reattribution/redesignation requested. Redesignation received.

Louis P. Iani
(see Exhibit 9)

\$500 check deposited 4/6/90 designated for the primary election
\$1000 check deposited 11/4/91 designated in error for the primary election
\$500 check deposited 4/23/92 designated for the general election
explanation: \$1000 check of 11/4/91 designated in error when earlier \$500 was not recognized by the "Hannibal" software.

Denny Miller
(see Exhibit 10)

\$500 check deposited 4/3/89 designated to the primary election
\$1000 check deposited 12/3/91 designated in error to the primary election
\$500 check deposited 5/11/92 designated in error for the primary election
\$500 check deposited 5/11/92 designated for the general election
\$500 refunded on 3/2/93. Redesignation received.
explanation: errors in data entry between software programs resulted in improper designations between primary and general elections.

William A. Roberts
(see Exhibit 11)

\$1000 check deposited 9/19/91 designated to the primary election
\$237.50 "in-kind" contribution received 9/19/90 and designated in error to the primary election
\$237.50 refunded on 8/19/92
explanation: "in-kind" contribution not reconciled with the \$1000 primary election contribution.

9604372335

Gilbert Robinson
(see Exhibit 12)

\$500 check deposited prior to 6/9/92 designated for the primary election
explanation: FEC informed on 2/25/92 that this contribution had apparently been designated in error and that a redesignation had been requested from the contributor. The files of the Committee do not provide an explanation as to why this was considered an error in designation. It may be that this individual was a contributor to the NRSC and that the proceeds of a contribution to the NRSC were contributed to the Murkowski committee although the identity of these contributions by this contributor were not disclosed to the Murkowski campaign by the NRSC

William Ruger
(see Exhibit 13)

\$1000 check deposited 11/4/91 designated in error for the general election
\$1000 check deposited 9/24/92 designated in error for the primary election
explanation: designations made in error; redesignation requested and received.

James T. Rybicki
(see Exhibit 14)

\$1000 check deposited 3/14/92 designated for the primary election
explanation: apparently the initial designation was made, in error, for the general election. A redesignation was requested and received from the contributor. There is no information in the files of the Committee as to why the initial designation was entered in error.

Marshall Sinick
(see Exhibit 15)

\$500 check deposited 4/18/88 designated for the primary election
\$500 check deposited 5/1/90 designated for the primary election
\$500 check deposited 3/12/91 designated in error for the primary election
\$1000 check deposited 12/18/91 designated for the general election
\$250 check deposited 7/26/92 designated for the general election
\$750 refunded on 3/3/93
explanation: FEC informed on 3/2/93 of an excessive contribution of \$500 accepted for the primary and \$250 accepted for the general election. \$750 refunded to the

960437238

contributor and redesignation requested on 3/3/93.

Ruth A. Soriano
(see Exhibit 16)

\$2000 check deposited 10/30/92 with \$1000 designated in error for the primary election and \$1000 designated for the general election
\$1000 refunded on 3/19/93
explanation: FEC informed on 3/18/93 that this check had been deposited after the date of the primary and that, as a result, the \$1000 contribution which had been designated for the primary was improperly designated and would be refunded. Refund made 3/19/93.

Chas. J. Wyly, Jr.
(see Exhibit 17)

\$1100 check deposited 6/8/92 with \$1000 designated for the primary election and \$100 designated for the general election
Redesignation requested and received from the contributor
explanation: no indication in the records of the Committee as to why the FEC should believe that this primary contribution was \$833 in excess of the limit for that election.

9 6 0 4 3 7 2 3 2 3 9

Excessive Committee Contributions: The Commission has listed eighteen political committee contributions received by the Murkowski campaign which are deemed to be in excess of the contribution limit established in the Act for such committees. In addition, the Commission asserts that none of the contributions which were in excess of the limits established for a primary election were redesignated by the contributing political committee and that even if such contributions were redesignated by the contributor, either the redesignation occurred more than sixty days after the contribution had been deposited by the Murkowski campaign and/or the contributor was not informed that it could seek a refund of the excessive contribution. In fact, the Murkowski campaign has redesignation forms from four of these political committees and statements from additional committees establishing that they intended that any potentially excessive primary contribution be designated to the general election. In addition, as to those committee contributions which were determined by the Murkowski committee to have been in excess of the statutory limit applicable to political committees, refunds of the excessive contribution were made in six instances.

The following information has been reconstructed by the Murkowski campaign from its "Hannibal" data base:

American Medical PAC

(see Exhibit 18)

\$1000 check deposited 5/28/91 designated for the primary election

\$4000 check deposited 12/31/91 designated, in error, for the general election

\$5000 in-kind contribution received 7/1/92 designated for the primary election

\$825 in-kind contribution received 7/1/92 designated, in error, for the general election

\$1000 check deposited 10/14/92 designated for the general election

\$4000 check deposited 10/14/92 designated, in error, for the primary election

\$5000 refunded 5/29/92

\$825 refunded 7/6/92

explanation: on 5/26/92, AMPAC notified the Murkowski campaign that it intended to contribute, as an in-kind primary election contribution, the results of a state-wide poll, valued at \$5825. To complete that transaction, AMPAC requested that the campaign refund \$5000 of its original primary election contribution and pay \$825 for the costs of the poll's presentation. Because the contributions deposited on 12/31/91 (\$4000), 7/1/92 (\$825) and 10/14/92 (\$4000) were, through an error by the data entry volunteers, improperly designated, AMPAC was asked by the campaign on 3/12/93 to redesignate these contributions for the proper election. In addition, the campaign received a \$500 check from the Alaska Medical PAC on or about 2/6/92. Because the Alaska Medical PAC and AMPAC are affiliated, the

96043723238

campaign returned the Alaska
Medical PAC check on 2/27/92.

Associated General Contractors PAC

(see Exhibit 19)

\$1000 check deposited 4/26/91
designated to the primary
election
\$5000 check deposited 12/24/91
initially designated, in error,
for the primary election
explanation: on or about
9/1/91, the campaign received a
check representing its share of
the proceeds from a joint
fundraising effort ("the Warner-
Nickles" committee) which
included a contribution from the
Associated General Contractors
PAC designated, in error, for
the primary election. The
campaign requested a
redesignation of that
contribution from the PAC.

ARCO PAC

(see Exhibit 20)

\$1000 check deposited 3/12/91
designated for the primary
election
\$250 check deposited 5/15/91
designated for the primary
election
\$100 check deposited 10/28/91
designated for the primary
election
\$2000 check deposited 12/18/91
designated for the primary
election
\$5000 check deposited 12/18/91
deposited designated for the
general election
\$1350 refunded 8/19/92 due to
excessive contribution which
resulted after the deposit of
the proceeds of a joint-
fundraising activity which
included ARCO PAC
\$100 check deposited 9/26/92
designated, in error, as a PAC
contribution for the primary
election

9604372323

\$250 check deposited 10/30/92 designated, in error, as a PAC contribution for the primary election

\$150 check deposited 10/30/92 designated, in error, as a PAC contribution for the primary election

explanation: FEC notified on 3/8/93 of \$1350 refund to ARCO PAC on 8/19/92 because of an excessive contribution which resulted from the committee's subsequent receipt in August, 1992 of a joint-fundraising contribution ("Warner-Nickles" committee) which included proceeds of an ARCO PAC contribution; FEC also notified on 3/8/93 that several contributions from three ARCO employees in Alaska (\$200 from John S. Dayton, \$202 from Robert Iden, \$250 from Paul S. Bilgore) had been deposited and reported, in error, as if they were contributions from ARCO PAC. The errors in reporting the contributions from these three individuals were thereafter corrected in subsequent reports to the Commission.

9 6 0 4 3 7 2 3 2 4 0
B.P. America PAC
(see Exhibit 21)

\$1000 check deposited 6/21/91 designated for the primary election

explanation: The FEC asserts that the PAC contributed a total of \$5500 for the primary election with the result that there was an excessive primary election contribution of \$500. The Murkowski committee has a signed redesignation form from the PAC redesignating the \$500 primary contribution to the general election.

Barnett Bank PAC

(see Exhibit 22)

\$1000 check deposited 3/8/91
designated for the primary
election

\$1000 check deposited 6/21/91
designated for the primary
election

\$1000 check deposited 12/5/91

\$2500 check deposited 12/9/91
designated for the primary
election

\$1000 check deposited 2/8/92
designated for the general
election

\$500 check deposited 3/21/92
designated for the primary
election

\$1500 check deposited 8/24/92
designated for the general
election

\$1412.69 refunded on 3/2/93 to
eliminate an excessive
contribution

explanation: \$500 of the
deposit on 12/9/91 was
designated, in error, to the
primary election; \$500 check
deposited on 3/21/92 designated,
in error, to the primary
election; these errors are
attributable to software data
entry problems which resulted in
contributions from this PAC
being entered into the
compliance software under
several different accounts. The
FEC was informed on 2/25/92 that
when the multiple accounts for
this PAC were reconciled, the
excessive contribution was
refunded; the Murkowski
committee has a signed
redesignation form from this PAC
to correct the inaccurate
primary election designations.

Commodity Futures PAC

(see Exhibit 23)

\$3000 check deposited 5/1/91
designated for the primary
election

96043723241

\$1000 check deposited 10/2/92
designated for the primary
election

\$1000 check deposited 2/8/92
designated for the primary
election

\$1000 check deposited 8/24/92
designated, in error, for the
primary election

explanation: Commodity Futures
PAC was also a donor to a
joint-funding effort ("Warner-
Nickles" committee), a share of
the proceeds of that activity
being contributed to the
Murkowski committee in August,
1992. When the proceeds of the
joint-fundraising committee were
received, that contribution
resulted in an excessive primary
contribution from this PAC. To
remedy that situation, the
Murkowski committee requested,
on March 11, 1993, and received
a redesignation of a \$1000
primary contribution to the
general election.

CONAGRA PAC

(see Exhibit 24)

\$500 check deposited 2/18/87
designated for the primary
election

\$500 check deposited 4/27/90
designated for the primary
election

\$1000 check deposited 2/27/91
designated for the primary
election

\$1000 check deposited 8/29/91
designated for the primary
election

\$2000 check deposited 8/29/91
designated for the primary
election

\$3000 check deposited 3/31/92
designated for the primary
election

explanation: the FEC asserts
that this PAC contributed \$3500
in excess of the statutory
primary limit. The excessive

contribution resulted from errors in data entry and data merger between the two compliance software systems utilized by the Murkowski campaign during the 1992 election cycle.

HEXON PAC

(see Exhibit 25)

\$5000 check deposited 9/18/92 designated, in error, for the general election

\$500 check deposited 10/21/92 designated, in error, for the primary election

\$2000 check deposited 10/30/92 designated, in error, for the primary election

explanation: the Murkowski committee, as the result of data entry errors, mis-designated these contributions between the primary and general elections. The committee informed the FEC on 3/18/92 of its error and requested, on 3/19/93, a redesignation of these contributions by the PAC. The PAC responded to this request on 3/26/93 in a letter to the committee.

General Electric PAC

(see Exhibit 26)

\$1000 check deposited 2/21/91 designated for the primary election

\$1000 check deposited 11/4/91 designated for the primary election

\$1000 check deposited 12/18/91 designated for the primary election

\$500 check deposited 3/1/92 designated, in error, for the primary election - redesignated by the committee, on 3/1/92, for the general election, to correct the misdesignation

(see Exhibit 27)

\$1000 check deposited 6/30/92

election

\$1000 check deposited 9/24/92
designated for the general
election

explanation: FEC informed on
2/25/93 of the misdesignation of
the \$500 contribution on 3/1/92
and of the request by the
committee to the PAC for a
signed redesignation of that
contribution.

primary election

\$1000 check deposited 10/13/92
designated for the general
election

\$1000 check deposited 11/2/92
designated for the general
election

explanation: the FEC asserts
that this PAC contributed \$500
in excess of the statutory limit
applicable to the primary. On
3/2/93 the committee informed
the FEC that its records reflect
a total of \$3000 in
contributions and \$2000 in
contributions to the general
election from this PAC. The
committee explained that,
because of a data entry error,
there had been a misdesignation
of a contribution between the
primary and the general election
and that the PAC had been asked
to sign a redesignation form.
The \$500 contribution at issue
was deposited on 2/24/87. It
appears that during the

\$500 check deposited 6/30/92 designated, in error, for the primary election

\$2500 refunded on 3/2/93

explanation: as a result of confusion in the choices of name abbreviations made by the volunteers, who entered contribution data into both of the committee's compliance software systems, contributions from both the national MEBA PAC, the New York MEBA PAC, and the Alaska MEBA PAC were combined into one account. The committee informed the FEC on 2/25/93 of this error and refunded \$2500 to the Alaska MEBA PAC on 3/2/93; prior to that refund, the committee's treasurer had one or more telephone discussions with Ms. Pat Sheppard of RAD about the committee's difficulty in differentiating between and accounting for contributions from affiliated national and state PACs, including the MEBA PACs as a specific example; Ms. Sheppard informed the

96043723243

committee's treasurer that RAD had a responsibility in assisting candidate committees to make such differentiations.

\$500 check deposited 4/25/88 designated for the primary election
\$500 check deposited 4/17/89 designated for the primary election
an additional \$4500 in contributions from this PAC were received and designated for the primary election
explanation: the \$500 primary contribution deposited in 1988, at issue here, appears not to have been recognized by the committee's "Hannibal" compliance software system when pre-1991 data was converted to the "Hannibal" format. The committee received a signed redesignation from this PAC for the \$500 primary contribution.

NRA Pol. Victory Fund

\$1000 check deposited 4/8/91 designated for the primary election
\$1000 check deposited 6/28/91 designated for the primary election

\$4000 check deposited 6/30/92 designated, in error, for the primary election
\$950 check deposited 6/30/92 designated for the general election
explanation: as a result of the confusion in the choices of name abbreviations made by the volunteers, who entered contribution data into the committee's compliance software system ("Hannibal"), contributions from the NRA PAC

96043723248

were not combined into a single account but were entered into several different accounts for both the primary and general elections. The committee informed the FEC of this error 2/25/93 and that a redesignation had been requested from the PAC.

Pacific Seafood PAC
(see Exhibit 31)

\$199 in-kind contribution (fish) received 4/18/88 designated for the primary election
\$1000 check deposited 2/11/91 designated for the primary election
\$500 check deposited 3/18/91 designated for the primary election
\$500 check deposited 8/29/91 designated for the primary election
\$1000 check deposited 12/24/91 designated for the primary election

explanation: on 1/21/92 the Murkowski committee was notified by the PAC that it had not qualified as a "multi-candidate" political committee and that the campaign should redesignate a \$1000 contribution for the primary election and a \$1000 contribution for the general election and refund \$1000 to the PAC. On 1/29/92 a refund in the amount of \$1000 was issued. In addition, on 8/19/92, the campaign issued another refund check in the amount of \$199 to reimburse the PAC for the in-kind contribution which it made in 1988 but which, through a data entry error, was not converted onto the "Hannibal" compliance system in 1991.

CSX Good Govt. Fund/
Sea-Land Empl. Good
Govt. Fund

between 1987 and 1992, the CSX PAC and the Sea-Land PAC contributed a total of \$11,000

96043723247

(see Exhibit 32)

to the Murkowski campaign, all of which was designated for the primary election except for one \$500 contribution from Sea-Land PAC which was designated for the general election (CSX PAC contributed \$2000 and the Sea-Land PAC contributed \$9000 in total). At some point during the 1992 election cycle, unknown to the campaign, the CSX Corporation and the Sea-Land Corporation merged with the result that there political action committees became affiliated

explanation: the Murkowski committee communicated with the FEC about the contributions from the Sea-Land Good Government Fund via letters dated 2/25/93 and 3/2/93. On 3/18/93 the committee informed the FEC that, as a result of the affiliation of these two PACs (following the merger of their corporations) the committee had received an excessive contribution from the combined PACs. On 3/19/93, the committee refunded \$1000 to the Sea-Land Good Government Fund to rectify the excessive contribution. The FEC appears to believe that a total of \$5500 in primary contributions from these two PACs were in excess of the statutory limits. The committee was and remains unaware of the date of the corporate merger and believed at the time that these contributions were accepted that each PAC had a separate primary limit for contributions to the Murkowski committee.

Stevens for Senate
(see Exhibit 33)

\$1044 check deposited 7/10/92 designated, in error, for the primary election

96043723248

explanation: we now believe that \$44 of this check represented the reimbursement, by the Stevens Committee, of the Murkowski campaign's share of a fundraising expense incurred during a fundraising activity involving the Steven campaign; the \$44.00 was designated, in error, as a primary election contribution; the committee informed the FEC of this error on 3/2/93 reiterating its mistaken belief that the amount was a contribution which should be redesignated.

\$500 check deposited 4/6/90 designated for the primary election

\$500 check deposited 3/18/91 designated for the primary election

\$500 check deposited 2/8/92 designated, in error, for the primary election

explanation: the \$500 check deposited on 2/8/92 was designated in error because the volunteer entering the contribution data onto the data base assumed, in error, that the PAC was a "multi-candidate committee" and thus able to contribute \$1500 in a primary election.

\$1000 check deposited 3/14/92
designated for the primary

\$500 refunded 8/19/92
explanation: for reasons
unknown, the \$500 contribution
deposited on 1/28/87 was
reported by the PAC to the FEC
as a 1986 general election
contribution. This issue was
raised with the PAC by the
Murkowski committee in a letter
dated 8/12/92 and the committee
requested that the PAC
redesignate \$2001.71 as a
general election contribution.
On 9/2/92, the committee
refunded \$500 to the PAC to
eliminate an excessive
contribution.

Foreign Contribution: The Commission asserts that the
Murkowski committee accepted a contribution from a foreign
corporation, "Cominco Ltd.", an alleged violation of 2 U.S.C.
441(e).

The following information has been reconstructed by the
Committee from its "Hannibal" data base:

Cominco, Ltd. \$2000 check received on or about 7/23/91
and deposited
 \$2000 refunded 1/29/92
(see Exhibit 36) explanation: this check was deposited in
error; however, it was duly reported to
the FEC at line 11c, page 6 of the 1991
year-end report by the Committee; the
check was unsolicited and apparently was
received from Cominco through the office
of their Washington, D.C. representative,
R. Duffy Wall & Associates; this
contribution was deposited and reported to

96043723250

the FEC as a result of a mistaken belief that Cominco, Ltd. was the same entity as "Cominco Alaska Exploration" of Anchorage, Alaska; when the identity of Cominco, Ltd. was independently ascertained by the committee, it immediately refunded \$2000 to Cominco, Ltd., on 1/29/92, and informed the FEC of the refund.

Corporate Contribution: The Commission asserts that the Murkowski campaign accepted a corporate contribution from RAR Realty, Inc., an alleged violation of 2 U.S.C. 441b(a).

The following information has been reconstructed by the Committee from its "Hannibal" data base:

260437235
RAR Realty, Inc. \$2000 check received on or about 7/30/91 and deposited in error
(see Exhibit 37) \$2000 refunded 8/19/92
explanation: on or about 7/30/91, the committee held a fund-raising reception in New York City; a supporter of the Murkowski campaign, Rabbi Milton Balkany of Brooklyn, New York was instrumental in assisting with that event, including providing invitations to prospective contributors; at the event, the check from RAR Realty, Inc. was included along with other checks from individuals who had been invited by Rabbi Balkany; this check was mistakenly deposited and the contribution was duly noted to the FEC; when the contribution was brought to the attention of the committee by the FEC, the committee undertook a substantial effort to identify the source of the RAR Realty, Inc. check; this effort was unsuccessful as the check bore no address and the New York City telephone directory had no listing for this company; having exhausted all possibilities of identifying the location of RAR Realty, Inc. in New York, the committee concluded that their only alternative was to refund the amount of the contribution through Rabbi Milton Balkany to the donor or to request that, if that could not be accomplished, that Rabbi Balkany donate the \$2000 refund to a charity of his choice; as is clear from the letter of transmittal to the Rabbi,

the committee was of the mistaken impression that the Commission's Regulations allowed such a transaction; Rabbi Balkany received and endorsed the refund check. Rabbi Balkany informs the committee that he in turn donated the \$2000 refund to a Hebrew school in Brooklyn: Bais Yaa Kov of Brooklyn, 1862 49th Street, Brooklyn, New York 11219.

Discussion: During the 1991-92 election cycle, the Murkowski campaign enjoyed the support of over 3600 individual contributors and raised more than \$1.8 million from those supporters over the six years of that election cycle. As indicated above, the campaign relied on part-time book-keeping and volunteer assistance with respect to the accounting portion of its fund-raising activities. Because of the very nature of the Committee's part-time and volunteer book-keeping activities, some mistakes were made, not in an effort to mislead the Commission or the public as to the amounts and sources of its contributions, but rather out of a misunderstanding of the Commission's somewhat complex Regulations.

The seriousness with which the Committee undertook its compliance responsibilities is clear. For example, in late 1991 and early 1992, the Treasurer became dissatisfied with the level of address/occupation/employer information which was being provided to the Committee by those donors whose contributions would be itemized on the Committee's contributions reports to the Commission. The Committee, unilaterally and not as the result of any directive from the Commission, began a systematic effort to secure such donor information from at least 90% of those contributors whose contributions would be itemized. This unilateral effort was the subject of positive news coverage in Alaska.

With respect to the transactions which are at issue in this MUR, the record demonstrates that the Committee disclosed all of the contributions which are at issue to the Commission before they became the subject of the Commission's formal interest. In addition, the record clearly demonstrates the efforts undertaken by the Committee's Treasurer, John Daly, to work with the Reports Analysis Division staff to remedy the errors which were brought to the Committee's attention by the Commission.

The fact that these errors occurred is very troubling to the Committee. The Murkowski campaign expends considerable financial and staff resources in its efforts to comply with the Act and takes very seriously its obligations under the law. Unfortunately for the Committee, the 1991-92 election cycle posed a number of administrative difficulties, outlined above, which resulted in a small number of human errors. While the Committee does not seek to

96043723252

Honorable Trevor Potter
September 30, 1994
Page 25

dismiss the seriousness of these errors, it is clear that the errors outlined in this Matter Under Review represent only a very small fraction of the Committee's other wise substantial compliance burden, a burden imposed by some 3600 individual contributors. We trust that the Commission will agree that while errors did occur, they were errors which resulted from administrative mistakes and were not the result of any effort by the Committee to hide the identity or amounts given by its contributors.

23253
2723253
26043723253
Lastly, the substantial efforts made by the Committee's Treasurer in his role as the chief compliance officer of the campaign need to be addressed. John Daly came to his role in the campaign as a long time friend of the candidate. He is not a lawyer or an accountant by training. He attempted to avail himself of all of the Commission's periodic guidance on compliance issues. For reasons of cost and logistics, neither he nor anyone else from the campaign was able to attend the Commission's compliance seminar for candidate committees in Washington, D.C. It is his belief that during the 1985-86 cycle, the Commission undertook a far different enforcement and compliance position or emphasis on the "redesignation and reattribution" of contributions than was taken by the Commission during the 1991-92 cycle. Having said that, he was mindful of the "redesignation" Regulation and in an effort to comply with that Regulation, the Committee sent out more than sixty (60) "redesignation" cover letters and forms to contributors during the 1991-92 cycle. The forms utilized by the Committee to request the "redesignation" and/or "reattribution" of contributions will be found at "Exhibit 38".

Conclusion: The Murkowski Committee accepts full responsibility for the administrative errors which appeared in its disclosure forms filed with the Commission during 1991-92. The errors were unintended and were not undertaken with any intent to deceive either the Commission or the public.

In an effort to narrow the differences which are at issue with the Commission, the Committee believes that the following is an accurate review of the contributions which are the subject of the Matter Under Review:

Individual Contributions: Of the \$10,952 in allegedly excessive individual contributions, \$3519 has previously been refunded by the Committee. Of the remaining \$7433, a case can be made that only the contributions from Mrs. Alice Huang and Vern Hall were in excess of the statutory limit and that the remaining contributions at issue were improperly designated, through administrative error, but were not excessive. For those contributions which were mistakenly designated for a particular election, the Committee sought and received "redesignations" from the contributor. While these "redesignations" were requested

Honorable Trevor Potter
September 30, 1994
Page 26

beyond 60 days from the deposit of the contribution, the Committee was only made aware of the original error in designation by RAD after a review of the Committee's report had been completed by the Commission staff in Washington.

Committee Contributions: The AMPAC contribution was improperly designated and the excessive contribution which resulted from a misidentification of the national and Alaska AMPAC affiliates was remedied via the refund of \$5825. The total contribution received from AMPAC was \$10,000. The contributions from both Associated General Contractors PAC, Commodities Futures PAC and ARCO PAC are at issue because of the Committee's subsequent receipt of the proceeds of a joint-fundraising effort in which these three PACs participated and because the contributions from three ARCO employees were mistakenly credited as an ARCO PAC contribution. Contributions from the B.P. America PAC, Barnett Bank PAC, Exxon PAC General Electric PAC, Martin Marietta PAC, MEBA PAC, National Beer Wholesalers PAC, NRA PAC, and CSX/Sea-Land PAC were mistakenly designated, through internal administrative error, to the wrong election. Those PAC contributions which were truly excessive, from AMPAC, ARCO PAC, Barnett Bank PAC, MEBA PAC, Pacific Seafood PAC, CSX/Sea Land PAC and the Washington PAC have previously been refunded by the Committee.

Foreign/Corporate Contributions: The contribution from Cominco, Ltd. was improperly, though mistakenly, accepted and deposited. It was refunded as soon as the issue was discovered by the Committee's Treasurer. The contribution from RAR Realty, Inc. was improperly, though mistakenly, deposited. When this contribution was brought to the Committee's attention, the Committee exercised its best efforts to refund the contribution directly to the company and failing that it refunded the \$2000 contribution to the individual who had invited the donor to the Committee's fundraising event in the first instance and that individual forwarded the donation on to a charity (Bais Yaa Kov Hebrew School) in Brooklyn, New York.

In an effort to correct the administrative errors outlined above, and to further demonstrate the Committee's commitment to its compliance obligations, the Committee is undertaking a systematic effort to contact individual and committee contributors, whose contributions are at issue in this matter, and who have not yet provided a "redesignation" of their excessive contribution or been afforded the opportunity for a refund of their contribution.

I have been serving as a part-time bookkeeper for Senator Frank Murkowski's campaign committee since July 1988. I work under the direction of the treasurer, an unpaid volunteer.

The committee was using a computer program "Campaign Finance Systems". This program worked well for us. Help was available 24 hours a day from the support service located in Arizona. In early 1991 the system was sold. Subsequently, we had problems with the updated program and found their employees uncooperative when seeking help. As a result, I prepared the June 30, 1991 FEC report manually.

We chose the Hannibal program to replace the one we were unable to use. All contributors and payees had to be set up, and data for all activity since January 1, 1987 had to be entered in the Hannibal program. One peculiarity of the Hannibal program is its refusal to accept a name as a known contributor unless it is entered exactly as it had been before. Since all data was re-entered by temporary and/or volunteer help, differences in entering names did occur. As a result, some contributors were entered more than once.

John Daly, the treasurer, left Anchorage and moved to D. C. in June 1991. His move, together with the change in programs and the re-entering of the data caused us to lose continuity. Hannibal's support service is located in Washington, D. C. and is open during regular business hours. Since we are four time zones away, their service is available to us only during our morning hours.

As to the handling of contributions: Mary McGuire, a paid consultant, organized fundraisers. Contributions came to her; she turned them over to Daly after she had up-dated her mailing lists with address changes and sent out thank-you notes. Daly prepared bank deposits and mailed them to me in Anchorage for deposit to the committee's bank account.

Dear Jack,

An audit of donations to the Re-elect Senator Murkowski Committee shows that you have exceeded the limits for individuals as prescribed by the Federal Election Commission.

Our records show that you made the following donations on the approximate dates shown. (Because we show the date deposited, not the date the check was written):

1. 8-03-91 \$1,000.00
2. 8-03-91 \$500.00
3. 4-06-90 \$500.00
4. 6-21-89 \$500.00
5. 4-18-88 \$500.00

Since the maximum allowable limit of donation per individual is \$2,000.00, I am enclosing our refund check to you in the amount of \$1,000.00.

We greatly appreciate your efforts on the behalf of Senator Murkowski and hope that your involvement will continue as the campaign progresses.

Dear Vern,

A recent audit of our year end donations has revealed that we have mis-allocated your donations in the amount of \$1,600 to the Murkowski 92 campaign. In order to correctly allocate these between the primary and general elections, I am enclosing a form letter that I would request you to fill out and return at your earliest convenience.

Re: 30 Day Post-General Report (10/15/92-11/23/92)

Dear Ms. Sheppard,

In response to your letter of Feb. 2nd, the following actions have been taken.

3605

1. Vern Hall

This donation was inadvertently charged as all general election contribution when it should have been allocated between the primary and general elections. A letter requesting re-allocation has been sent to Mr. Hall and the amount will be re-allocated properly.

2. Alice Huang

1970 (add Tommy)

Mrs. Huang was credited with three \$1,000 donations, all listed as primary. In researching the history, one of the first \$1,000 donations should have been listed as a primary donation from her husband, Mr. Tommy Huang and the remaining two allocated between primary and general. We have sent a letter to Mrs. Huang requesting both a reattribution to MR. Huang and reallocation of her donations.

3. Ruth Soriano

Mrs. Soriano donated \$2,000 to the campaign in one check which was credited as primary and general donations, however, the donation was made on 10/30/92 following the primary. Since Murkowski 92 had no primary debt, the primary donation was illegal and must be returned. A check in the amount of \$1,000 will be sent to Mrs. Soriano.

96043723279

4. ARCO PAC

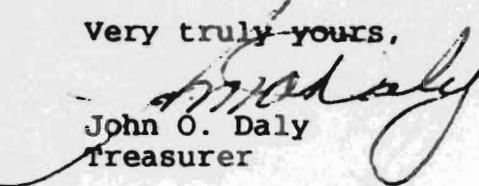

These donations were addressed in my letter to you of Mar. 8, 1993.

5. Exxon PAC

Exxon PAC donated \$5,000 to the campaign on 9/18/92, \$500 on 10/21/92 and \$2,000 on 10/30/92. Alaska had a delayed primary election last year (9/8/92) and we paid over \$67,000 in primary expenses following the receipt of the 9/18/92 donation so it was a legal primary donation. However, all of the donations need to be properly allocated between primary and general elections so we have sent a letter to Exxon PAC requesting their authorization do to so.

In addition to the this and previous letters, we have discovered that we have received excess donations from the combined CSX/Sea-Land PACs. Sea-Land Good Govt Fund has donated a total of \$9,000 and CSX a total of \$2,000, \$500 of which was mis-attributed as GSX. We are, therefore, returning \$1,000 to Sea-Land and correcting the \$500 donation. Additionally, we have requested that both CSX and Sea-Land provide us with a letter authorizing proper allocation of their donations.

Very truly yours,

John O. Daly

Re: July Quarterly Report (4/1/92-6/30/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, please be advised that we have taken the following actions:

1. Timothy H. Horgan

Mr. Horgan has donated a total of \$1,750.00 to the campaign over a period of 4 years. Because of different addresses etc. these were not recognized to be the same person. We have now combined these accounts and are sending Mr. Horgan our Authorization form requesting his authority to properly allocated these donations between the primary and the general.

2. Denny Miller

In August of 1992, as previously reported to you, we sent a reattribution letter to Mr. Miller asking that he allocate his donations properly between the primary and general. We received the letter from him but, in the meantime he had contributed more money which put him over the total limit. We will refund him the excess money, \$500, and send a new request for allocation.

3. Ed Rasmuson

The in-kind donations on this report were in error as they were not required to be reported under 100.7(b)(6) as a contribution. They will be ammended in our original report.

4. Gilbert Robinson

We are sending a letter for authorization of proper allocation, in the meantime, we have combined his accounts and allocated the donations properly.

5. AGC PAC

We had previously combined these accounts and requested a letter of re allocation but, they subsequently donated an additional amount through the Warner Nickels Committee which was incorrectly reported as a primary receipt. We have allocated the money correctly at this time.

6. Barnett People for Better Gov.

Our records show total contributions for this PAC of \$11,412.69 after combining all separate accounts. We have a letter of allocation already on file so we will refund them \$1,412.69.

7. General Electric PAC

Our records show \$5,500 allocated to the primary and \$2,500 to the general. We are sending them a letter requesting reallocation and will properly allocate \$500 from the primary to the general.

8. MEBA

These accounts were combined and properly allocated as reported in my previous letter, however, they have over donated in the amount of \$2,500 which is being returned.

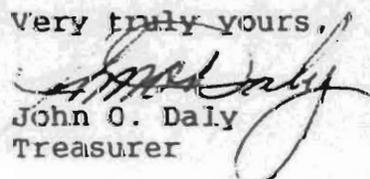

9. NRA Political Victory Fund

We have combined these accounts and are sending a letter requesting reallocation.

10. Sea Land Good Govt. Fund

This account was corrected as reported in my letter to you of Aug. 19, 1992.

Very truly yours,

John O. Daly

Dear Mrs. Huang,

A recent audit of donations to the Murkowski '92 campaign has disclosed that we have mis-reported the donations of yourself and Mr. Huang to the FEC. In order to correct the situation on our books, I am enclosing two form letters that I would ask you to sign and return at your earliest convenience.

As background, we have reported that you made three \$1,000 donations to the campaign. FEC regulations limit an individual donor to \$1,000 per election or a total of \$2,000 for the cycle. Mary McGuire informs me that of the original \$2,000 donations made in December of 1991, \$1,000 each was intended for you and your husband. However, we reported it as all credited to you. If \$1,000 is re-attributed to Mr. Huang as a primary donation then the balance will be legal if it is properly allocated between the primary and general elections. Thus, the two forms.

Thank you for your assistance.

Dear Denny,

A recent audit of our campaign accounts following our 1992 year end reporting has shown that you have exceeded the allowable FEC limits in donating to Senator Murkowski's campaign. I am therefore enclosing a check in the amount of \$500.00 to rectify the situation.

We thank you very much for your support over the years and look forward to working with you in the future.

Re: July Quarterly Report (4/1/92-6/30/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, please be advised that we have taken the following actions:

1. Timothy H. Horgan

Mr. Horgan has donated a total of \$1,750.00 to the campaign over a period of 4 years. Because of different addresses etc. these were not recognized to be the same person. We have now combined these accounts and are sending Mr. Horgan our Authorization form requesting his authority to properly allocated these donations between the primary and the general.

2. Denny Miller

In August of 1992, as previously reported to you, we sent a reattribution letter to Mr. Miller asking that he allocate his donations properly between the primary and general. We received the letter from him but, in the meantime he had contributed more money which put him over the total limit. We will refund him the excess money, \$500, and send a new request for allocation.

3. Ed Rasmuson

The in-kind donations on this report were in error as they were not required to be reported under 100.7(b)(6) as a contribution. They will be ammended in our original report.

4. Gilbert Robinson

We are sending a letter for authorization of proper allocation, in the meantime, we have combined his accounts and allocated the donations properly.

5. AGC PAC

We had previously combined these accounts and requested a letter of re allocation but, they subsequently donated an additional amount through the Warner Nickels Committee which was incorrectly reported as a primary receipt. We have allocated the money correctly at this time.

6. Barnett People for Better Gov.

Our records show total contributions for this PAC of \$11,412.69 after combining all separate accounts. We have a letter of allocation already on file so we will refund them \$1,412.69.

7. General Electric PAC

Our records show \$5,500 allocated to the primary and \$2,500 to the general. We are sending them a letter requesting reallocation and will properly allocate \$500 from the primary to the general.

8. MEBA

These accounts were combined and properly allocated as reported in my previous letter, however, they have over donated in the amount of \$2,500 which is being returned.

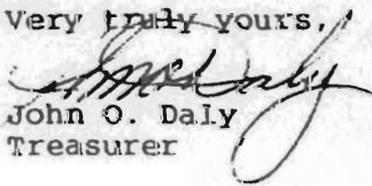

9. NRA Political Victory Fund

We have combined these accounts and are sending a letter requesting reallocation.

10. Sea Land Good Govt. Fund

This account was corrected as reported in my letter to you of Aug. 19, 1992.

Very truly yours,

John O. Daly

For Alaska

Sept. 1, 1992

Mr. William Roberts
444 N. Capitol St.
Washington, DC 20001

Dear Mr. Roberts,

A recent audit of our reports by the FEC has shown that you have made total in-kind donations to Senator Murkowski's campaign of \$1,237.50, all of which was made prior to the primary election. We had then credited \$1,000.00 as a primary donation and the balance as a general election donation.

Normally, with cash, this would be acceptable but the regulations state that an in-kind donation for the general election may not be made prior to the primary election. We are therefore required to refund the \$237.50 in-kind donation that was credited to the general election and our check for this amount is enclosed.

We thank you for your support and apologize for any inconvenience we may have caused.

Re: William Ruger

Dear Ms. Sheppard,

Per our recent phone call, I have revisited the donations of Mr. William Ruger. The problem in this case seems to be that we credited his primary donation of 11/4/91, as a general donation and his 9/24/92 general donation as a primary.

If we accept the above as final then the 9/24/92 donation would be not a legitimate donation. However, since our call, I went through our disbursements as reported in our Oct. 15th report and have found \$7,494 in payments made after the 9/24 donation that were primary expenses. Since our primary election was actually held on 9/08/92, these bills were being paid within 30 days following the election but, after receipt of the donation.

Therefore, in my opinion, the donation was legitimate and does not need to be returned. I am, however, sending a letter to Mr. Ruger asking for a re-allocation of his donations.

Very truly yours,

John O. Daly

Mar. 3, 1993

Mr. Marshall Sinick
5511 Lambeth Road
Bethesda, Md 20814

Dear Mr. Sinick,

A recent audit of our campaign accounts following our 1992 year end reporting has shown that you have exceeded the allowable FEC limits in donating to Senator Murkowski's campaign. I am therefore enclosing our check in the amount of \$750 to rectify the situation.

I am also enclosing a form letter which I would ask you to fill out and return to us at your earliest convenience. This form simply authorizes us to properly allocate your donations between the primary and general elections.

Thank you very much for your support during this campaign.

Very truly yours,

Re: 12 Day pre-primary report (7/1/92-8/18/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, regarding the above report, the following actions have been taken.

1. Marshall Sinick

It appears that we simply let this one get by us. Our records show donations of \$1,500 for the primary election and \$1,250 for the general. We are refunding \$750.00 to Mr. Sinick to reduce his contributions to the legal limit.

2. Martin Marietta PAC

This account is within the legal donation limits, however, we have not allocated the amounts properly between the primary and the general. We are sending them a letter requesting proper allocation and we will correct our records accordingly.

3. Sea Land Good Govt. Fund

This is the same problem as Martin Marietta above and we are taking the same action.

4. Stevens for Senate

This was our pro-rata share of a joint fund raiser. The money was erroneously credited all to the primary. A letter is being sent to them requesting authority for proper allocation and the correction will be made.

5. Milton Balkany

This refund actually had nothing to do with his contributions to Murkowski 92. The \$2,000 payment to him was to

Mrs. Ruth A. Soriano
6127 NE Keswick Drive
Seattle, Wash. 98105

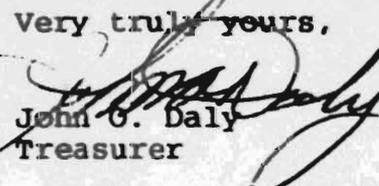

Dear Mrs. Soriano,

A recent audit of donations to the Murkowski 92 campaign has shown that your donation of \$2,000 was received by us in late October, following the 1992 primary election. Unfortunately, Federal Election Commission regulations prevent candidates from accepting donations after an election if the candidate does not have an existing debt from that election.

Therefore, since we were successful in paying all of our primary election expenses by the end of September, 1992, we must refund to you \$1,000 of your donation which would have been credited as a primary election donation and, I am enclosing our check number 3034 in the amount of \$1,000 for that purpose.

The Senator and I thank you very much for your interest and generosity. Please give our regards to Max.

Very truly yours,

John G. Daly

Re: 30 Day Post-General Report (10/15/92-11/23/92)

Dear Ms. Sheppard,

In response to your letter of Feb. 2nd, the following actions have been taken. 3605

1. Vern Hall

This donation was inadvertently charged as all general election contribution when it should have been allocated between the primary and general elections. A letter requesting re-allocation has been sent to Mr. Hall and the amount will be re-allocated properly.

2. Alice Huang

1970 (add Tommy)
Mrs. Huang was credited with three \$1,000 donations, all listed as primary. In researching the history, one of the first \$1,000 donations should have been listed as a primary donation from her husband, Mr. Tommy Huang and the remaining two allocated between primary and general. We have sent a letter to Mrs. Huang requesting both a reattribution to MR. Huang and reallocation of her donations.

3. Ruth Soriano

Mrs. Soriano donated \$2,000 to the campaign in one check which was credited as primary and general donations, however, the donation was made on 10/30/92 following the primary. Since Murkowski 92 had no primary debt, the primary donation was illegal and must be returned. A check in the amount of \$1,000 will be sent to Mrs. Soriano.

4. ARCO PAC

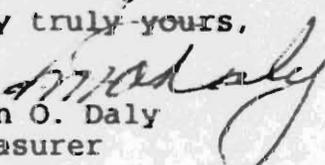

These donations were addressed in my letter to you of Mar. 8, 1993.

5. Exxon PAC

Exxon PAC donated \$5,000 to the campaign on 9/18/92, \$500 on 10/21/92 and \$2,000 on 10/30/92. Alaska had a delayed primary election last year (9/8/92) and we paid over \$67,000 in primary expenses following the receipt of the 9/18/92 donation so it was a legal primary donation. However, all of the donations need to be properly allocated between primary and general elections so we have sent a letter to Exxon PAC requesting their authorization do to so.

In addition to the this and previous letters, we have discovered that we have received excess donations from the combined CSX/Sea-Land PACs. Sea-Land Good Govt Fund has donated a total of \$9,000 and CSX a total of \$2,000, \$500 of which was mis-attributed as GSX. We are, therefore, returning \$1,000 to Sea-Land and correcting the \$500 donation. Additionally, we have requested that both CSX and Sea-Land provide us with a letter authorizing proper allocation of their donations.

Very truly yours,

John O. Daly

Mr. Kevin Walker
Exec. Director

1101 Vermont Ave., N.W.
Washington, DC 20005

Dear Kevin,

A recent audit of our accounts by the FEC has shown some mis-allocation on our part of the donations by you to Murkowski 92 during the last election. In order to clear this up and properly allocate and account for the donations I am enclosing a form that I would ask you to fill out and return to us at your earliest convenience. I am also enclosing a copy of my response to the FEC.

Thank you for your assistance.

Very truly yours,

Re: 12 Day Pre-General Report (10/1/92-10/14/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, regarding the above report I have researched the American Medical PAC donation history to Murkowski 92 as follows:

- | | | | |
|----|----------|---------|------------------------|
| 1. | 5/28/91 | \$1,000 | cash |
| 2. | 12/31/91 | \$4,000 | cash |
| 3. | 5/29/92 | \$5,000 | cash returned to AMPAC |
| 4. | 7/1/92 | \$5,000 | In-Kind donation |
| 5. | 7/1/92 | \$825 | In-Kind |
| 6. | 7/6/92 | \$825 | cash payment to AMPAC |
| 7. | 10/14/92 | \$4,000 | cash |
| 8. | 10/14/92 | \$1,000 | cash |

This nets out to total cash and in-kind donations of \$10,000, however, it has not been either properly allocated on our records nor reported under one name. I am sending a request for reallocation to the American Medical PAC and we have consolidated all records under the name American Medical PAC.

Dear Ms. Petty,

I am enclosing our check number 2490 in the amount of \$825.00 in order to reimburse you for a portion of the benchmark survey recently completed by the Tarance Group.

Also enclosed is a signed copy of the receipt for the survey.

Because we did not have the necessary information in time, we did not report your in-kind donation on our 6-30-92 report. It will be reported by us on the next report as of 8-19-92.

Dear Senator Murkowski:

As you know, AMPAC was privileged to recently support your reelection effort in the way of a Benchmark Survey, completed by The Tarrance Group and presented to you on June 16, 1992.

This research will be reported as an in-kind contribution from AMPAC to you on our June, 1992 report (due July 20, 1992) to the Federal Election Commission. You must, therefore, report to the FBC that \$5,825.00 was received from AMPAC in the form of an in-kind 1992 Primary contribution on the above date. If there are any questions about this, be sure to let me know.

Also, we have included two copies of a receipt for this material and would appreciate your signing both copies of the receipt and returning one copy to us.

Again, AMPAC was pleased to provide this contribution, and is hopeful of your reelection in November, 1992. I would like to again suggest that you be sure to express your appreciation to the physicians in your District who, by their support to AMPAC, made this contribution possible.

Sincerely,

Kevin Walker

As we discussed in our meeting of May 18, AMPAC has agreed to conduct a statewide Benchmark Survey in Alaska on behalf of the Murkowski for Senate campaign. We will require a refund of the \$5,000.00 '92 primary contribution in order to present the poll in the primary period.

The cost of the poll will be \$15,000.00, plus a \$200.00 fee for presentation of the results. AMPAC has attached additional questions to the poll, which allow us to discount to value of the poll by 25%, or \$11,250.00. Additionally, AMPAC will hold the data for a period of no less than 16 days allowing us to further discount the value of the poll by 50%, which puts the value of the 16 day poll at \$5,625.00. The addition of a \$200.00 fee for presentation (which may not be discounted) brings the value of the poll at presentation time to \$5,825.00.

Since the value of the 16 day poll exceeds the \$5,000 maximum in-kind contribution allowed by federal law, the campaign will be responsible for payment of \$825.00 directly to The Tarrance Group.

In addition, AMPAC will require a release from the campaign stating that the campaign will not request the pollster to release any portion of the data that might be assigned to the payment of \$825.00 prior to the presentation of the poll at AMA Headquarters.

Please call me at 202/789-7461 if you have any questions.

Reference: 12 Day Pre-General Report (10/1/92-10/14/92)

Dear Mr. Daly:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses several contributions which appear to exceed the limits set forth in the Act. A multicandidate committee may not make a contribution to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441(a) and (f); 11 CFR §110.1(b) and (e))

Please note that contributions designated in writing by the contributor for a particular election must be attributed to that election. Contributions not designated in writing by the contributor will be considered made for the next election for that Federal Office (11 CFR §110.1(b)(2)(i) and (ii)).

If the contributions in question was incompletely or incorrectly reported, you should amend your original report with the clarifying information. If the contributions you received exceeds the limit, you should either refund to the donors the amount in excess of the \$5,000 per election. The Commission should be notified if a refund is necessary. Refunds are reported on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which the refund is made. (11 CFR §104.8(d)(2) and (4))

Although the Commission may take further legal steps, prompt action by you to refund the excessive amounts will be taken into consideration.

96043723354

9 6 0 4 3 7 2 3 3 5 5

-A review of your itemized receipts indicates a possible discrepancy in your aggregate year-to-date totals. The reported aggregate totals on your report should include all contributions from an individual or committee for the current calendar year (January 1, 1992 - Present). This should include contributions given directly to the principal campaign committee and any receipt from joint fundraising committees. Please review your procedures for compliance with this requirement and amend any report(s) as necessary.

-Please be reminded that contributions to other political committees or organizations should be reported on Line 21 of the Detailed Summary Page and itemized on a separate Schedule B.

-All reports filed must be legible so that a microfilmed copy can be placed on the public record. Please submit a legible copy of Memorandum Schedule A for the Texas Roundtable Committee contributions. Your report may not be considered complete until such legible copies have been received. (11 CFR §104.3) In addition, each report submitted by a political committee under 11 CFR §104 must be on the appropriate FEC form. Please resubmit this schedule on FEC FORM 3. (11 CFR §104.2(e)(2))

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Re: July Quarterly Report (4/1/92-6/30/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, please be advised that we have taken the following actions:

1. Timothy H. Horgan

Mr. Horgan has donated a total of \$1,750.00 to the campaign over a period of 4 years. Because of different addresses etc. these were not recognized to be the same person. We have now combined these accounts and are sending Mr. Horgan our Authorization form requesting his authority to properly allocated these donations between the primary and the general.

2. Denny Miller

In August of 1992, as previously reported to you, we sent a reattribution letter to Mr. Miller asking that he allocate his donations properly between the primary and general. We received the letter from him but, in the meantime he had contributed more money which put him over the total limit. We will refund him the excess money, \$500, and send a new request for allocation.

3. Ed Rasmuson

The in-kind donations on this report were in error as they were not required to be reported under 100.7(b)(6) as a contribution. They will be ammended in our original report.

4. Gilbert Robinson

We are sending a letter for authorization of proper allocation, in the meantime, we have combined his accounts and allocated the donations properly.

5. AGC PAC

We had previously combined these accounts and requested a letter of re allocation but, they subsequently donated an additional amount through the Warner Nickels Committee which was incorrectly reported as a primary receipt. We have allocated the money correctly at this time.

6. Barnett People for Better Gov.

Our records show total contributions for this PAC of \$11,412.69 after combining all separate accounts. We have a letter of allocation already on file so we will refund them \$1,412.69.

7. General Electric PAC

Our records show \$5,500 allocated to the primary and \$2,500 to the general. We are sending them a letter requesting reallocation and will properly allocate \$500 from the primary to the general.

8. MEBA

These accounts were combined and properly allocated as reported in my previous letter, however, they have over donated in the amount of \$2,500 which is being returned.

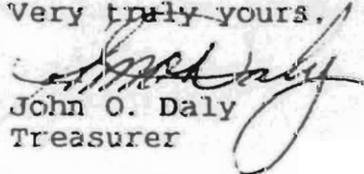

9. NRA Political Victory Fund

We have combined these accounts and are sending a letter requesting reallocation.

10. Sea Land Good Govt. Fund

This account was corrected as reported in my letter to you of Aug. 19, 1992.

Very truly yours,

John O. Daly
Treasurer

Los Angeles, Ca. 90071

Gentlemen,

A recent review of our FEC statements has disclosed that we failed to include a joint fundraising memo entry in our disclosure of your donations to Senator Murkowski's campaign. When this was done, ARCO PAC had over-contributed to our campaign by \$1,350.00.

We are therefore enclosing our check no. 2605 in the amount of \$1,350.00 to return this money.

We thank you for your interest and support and look forward to working with you in the future.

Re: October Qtrly Report (8/20/92-9/30/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, regarding the above report, the following actions have been taken.

1. William Ruger

Per conversation with Ms. Sheppard, this account does not need to be addressed.

2. ARCO PAC

This account was re-allocated and excess contributions returned as of 8/19/92 as reported in my letter of that date to the Commission. Since then, however, we have received three additional donations reported as being received from the PAC totaling \$500.00. In researching this it turns out that the money was not a PAC donation. Three different ARCO employees in Anchorage requested donations to Murkowski 92 from their ARCO PAC accounts. The amounts were erroneously credited as PAC donations instead of to the individuals. The money will be correctly shown as follows:

a.	John S. Dayton	9/26/92	\$100.00	Gen
	11121 Mountain Lake Drive	10/21/92	\$100.00	Gen
	Anchorage, Alaska 99516	Total 92	\$200.00	
	Exec.-ARCO Alaska			
b.	Robert Iden	7/10/92	\$52.00	Pri
	6449 Tolhurst Court	10/30/92	\$150.00	Gen
	Anchorage, Alaska 99504	Total 92	\$202.00	
	Exec.-ARCO Alaska			

c. Paul S. Bilgore
Anchorage, Alaska
Exec.-ARCO Alaska

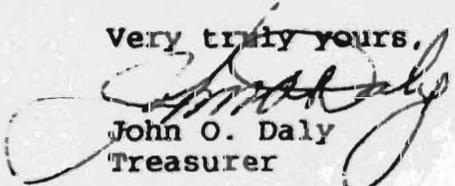

10/30/92 \$250.00 Gen
Total 92 \$250.00

Mr. Iden's And Mr. Bilgore's donations have appeared on our 30 day post general report as well, so this will serve as a response to that inquiry also.

3. Commodity Futures Political Fund

This account shows \$6,000 allocated to the primary election. We are sending a written request for proper allocation and will correct our records accordingly.

Very truly yours,

John O. Daly
Treasurer

96043723375

October quarterly report

William Reger - I don't understand the problem. He reported 1000 Primary + 1,000 General.

ARCO PAC - I am a bit perplexed on this one. They have marked contributions that add up to 4,100 primary + 6,000 general. Our records show 6,500 primary + 5,000 general. They have marked 1,000 on 12/31/26 - this should be on the prior election. However, we have 2,400 that they don't show. Anyway, it appears that we need to return 1,500.

Commodity Futures - 6,000 primary - needs to transfer 1,000 to general.

Gentlemen,

A recent audit of our campaign accounts following our year end reporting has shown that your organization has exceeded the allowable FEC limits in donating to Senator Murkowski's campaign. I am therefore enclosing our check in the amount of \$1,412.69 which will reduce your total donations to the legal limit of \$10,000.00.

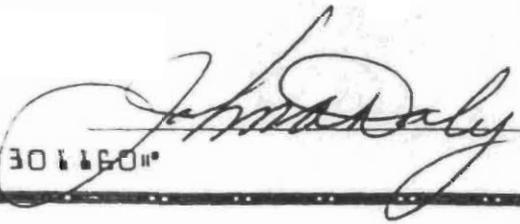

We thank you very much for your support and look forward to working with you in the future.

Sincerely yours,

MURKOWSKI 92

Feb. 25, 1992

Ms. Pat Sheppard
Senior Reports Analyst
Federal Election Commission
Washington, DC 20463

ID No.: C00161737

Re: July Quarterly Report (4/1/92-6/30/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, please be advised that we have taken the following actions:

1. Timothy H. Horgan

Mr. Horgan has donated a total of \$1,750.00 to the campaign over a period of 4 years. Because of different addresses etc. these were not recognized to be the same person. We have now combined these accounts and are sending Mr. Horgan our Authorization form requesting his authority to properly allocate these donations between the primary and the general.

2. Denny Miller

In August of 1992, as previously reported to you, we sent a reattribution letter to Mr. Miller asking that he allocate his donations properly between the primary and general. We received the letter from him but, in the meantime he had contributed more money which put him over the total limit. We will refund him the excess money, \$500, and send a new request for allocation.

3. Ed Rasmuson

The in-kind donations on this report were in error as they were not required to be reported under 100.7(b)(6) as a contribution. They will be amended in our original report.

4. Gilbert Robinson

We are sending a letter for authorization of proper allocation, in the meantime, we have combined his accounts and allocated the donations properly.

5. AGC PAC

We had previously combined these accounts and requested a letter of re allocation but, they subsequently donated an additional amount through the Warner Nickels Committee which was incorrectly reported as a primary receipt. We have allocated the money correctly at this time.

6. Barnett People for Better Gov.

Our records show total contributions for this PAC of \$11,412.69 after combining all separate accounts. We have a letter of allocation already on file so we will refund them \$1,412.69.

7. General Electric PAC

Our records show \$5,500 allocated to the primary and \$2,500 to the general. We are sending them a letter requesting reallocation and will properly allocate \$500 from the primary to the general.

8. MEBA

These accounts were combined and properly allocated as reported in my previous letter, however, they have over donated in the amount of \$2,500 which is being returned.

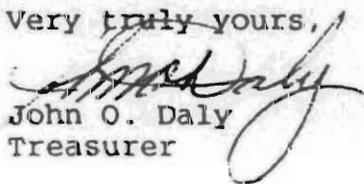

9. NRA Political Victory Fund

We have combined these accounts and are sending a letter requesting reallocation.

10. Sea Land Good Govt. Fund

This account was corrected as reported in my letter to you of Aug. 19, 1992.

Very truly yours,

John O. Daly

Dear Mr. Daly:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses several contributions which appear to exceed the limits set forth in the Act. No individual or political committee other than a qualified multicandidate committee may make contributions to a candidate for federal office in excess of \$1,000 per election. Additionally, a multicandidate committee may not make a contribution to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441(a) and (f); 11 CFR §110.1(b) and (e))

Please note that contributions designated in writing by the contributor for a particular election must be attributed to that election. Contributions not designated in writing by the contributor will be considered made for the next election for that Federal Office (11 CFR §110.1(b)(2)(i) and (ii)).

If the contributions in question was incompletely or incorrectly reported, you should amend your original report with the clarifying information. If the contributions you received exceeds the limit, you should either refund to the donors the amount in excess of \$1,000 or \$5,000 per election. The Commission should be notified if a refund is necessary. Refunds are reported

9604372341

on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which the refund is made. (11 CFR §104.8(d)(2) and (4))

Although the Commission may take further legal steps, prompt action by you to refund the excessive amounts will be taken into consideration.

-A review of your itemized receipts indicates a possible discrepancy in your aggregate year-to-date totals. The reported aggregate totals on your report should include all contributions from an individual or committee for the current calendar year (January 1, 1992 - Present). Please review your procedures for compliance with this requirement and amend any report(s) as necessary.

-Your report discloses a transfer of joint fundraising receipts. You must provide a Memorandum Schedule A showing your share of gross receipts. Contributions from original contributors whose total contributions to your committee have exceeded \$200 during the calendar year should be itemized on this schedule. The itemization should include the full name, mailing address and zip code of the person, along with the name of his/her employer, the date of the contribution, his/her occupation, the election designation and the aggregate year-to-date amount of contributions made by the person. Please amend your report to include a memo Schedule A if necessary. (11 CFR §102.17(c)(8)(i)(B))

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

March 26, 1993

Mr. John O. Daly
Treasurer
Murkowski '92
P. O. Box 240468
Anchorage, AK 99524

Dear Mr. Daly:

This is in response to your recent letter regarding the redesignation of contributions made by the Exxon Corporation Political Action Committee (EXPAC) to "Murkowski '92" last year. EXPAC reported these contributions to the Federal Election Commission as listed below:

<u>Check Number</u>	<u>Date of Check</u>	<u>Amount</u>	<u>Designation</u>
2532	9/4/92	\$5,000	1992 Primary Election
2720	10/13/92	\$500	1992 General Election
2767	10/27/92	\$2,000	1992 General Election

Copies of the transmittal letters for these checks, which include the designation for each contribution, are attached for your information. This should provide sufficient documentation so you can correctly allocate our contributions for your reporting requirements.

Please contact me if you need additional information.

Sincerely,

E. L. McGee

EXXON PAC
Box 2180

Attn: Treasurer

Gentlemen,

A review of donations to the Murkowski 92 campaign following our year end reporting has disclosed that we have improperly allocated the \$7,500 in donations from the EXXON PAC. I am therefore enclosing a form letter that I would ask you to fill out and return at your earliest convenience. We will then correctly allocate your donations as \$5,000 to the primary and \$2,500 general.

Thank you for your assistance in this matter.

Very truly yours,

John G. Daly

Re: 30 Day Post-General Report (10/15/92-11/23/92)

Dear Ms. Sheppard,

In response to your letter of Feb. 2nd, the following actions have been taken.

3605

1. Vern Hall

This donation was inadvertently charged as all general election contribution when it should have been allocated between the primary and general elections. A letter requesting re-allocation has been sent to Mr. Hall and the amount will be re-allocated properly.

2. Alice Huang

Mrs. Huang was credited with three \$1,000 donations, all listed as primary. In researching the history, one of the first \$1,000 donations should have been listed as a primary donation from her husband, Mr. Tommy Huang and the remaining two allocated between primary and general. We have sent a letter to Mrs. Huang requesting both a reattribution to MR. Huang and reallocation of her donations.

1970 (add Tommy)

3. Ruth Soriano

Mrs. Soriano donated \$2,000 to the campaign in one check which was credited as primary and general donations, however, the donation was made on 10/30/92 following the primary. Since Murkowski 92 had no primary debt, the primary donation was illegal and must be returned. A check in the amount of \$1,000 will be sent to Mrs. Soriano.

96043723430

4. ARCO PAC

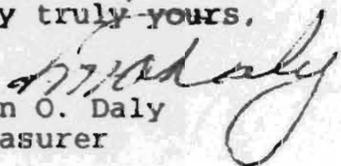

These donations were addressed in my letter to you of Mar. 8, 1993.

5. Exxon PAC

Exxon PAC donated \$5,000 to the campaign on 9/18/92, \$500 on 10/21/92 and \$2,000 on 10/30/92. Alaska had a delayed primary election last year (9/8/92) and we paid over \$67,000 in primary expenses following the receipt of the 9/18/92 donation so it was a legal primary donation. However, all of the donations need to be properly allocated between primary and general elections so we have sent a letter to Exxon PAC requesting their authorization do to so.

In addition to the this and previous letters, we have discovered that we have received excess donations from the combined CSX/Sea-Land PACs. Sea-Land Good Govt Fund has donated a total of \$9,000 and CSX a total of \$2,000, \$500 of which was mis-attributed as GSX. We are, therefore, returning \$1,000 to Sea-Land and correcting the \$500 donation. Additionally, we have requested that both CSX and Sea-Land provide us with a letter authorizing proper allocation of their donations.

Very truly yours,

John O. Daly
Treasurer

Re: July Quarterly Report (4/1/92-6/30/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, please be advised that we have taken the following actions:

1. Timothy H. Horgan

Mr. Horgan has donated a total of \$1,750.00 to the campaign over a period of 4 years. Because of different addresses etc. these were not recognized to be the same person. We have now combined these accounts and are sending Mr. Horgan our Authorization form requesting his authority to properly allocate these donations between the primary and the general.

2. Denny Miller

In August of 1992, as previously reported to you, we sent a reattribution letter to Mr. Miller asking that he allocate his donations properly between the primary and general. We received the letter from him but, in the meantime he had contributed more money which put him over the total limit. We will refund him the excess money, \$500, and send a new request for allocation.

3. Ed Rasmuson

The in-kind donations on this report were in error as they were not required to be reported under 100.7(b)(6) as a contribution. They will be amended in our original report.

4. Gilbert Robinson

We are sending a letter for authorization of proper allocation, in the meantime, we have combined his accounts and allocated the donations properly.

5. AGC PAC

We had previously combined these accounts and requested a letter of re allocation but, they subsequently donated an additional amount through the Warner Nickels Committee which was incorrectly reported as a primary receipt. We have allocated the money correctly at this time.

6. Barnett People for Better Gov.

Our records show total contributions for this PAC of \$11,412.69 after combining all separate accounts. We have a letter of allocation already on file so we will refund them \$1,412.69.

7. General Electric PAC

Our records show \$5,500 allocated to the primary and \$2,500 to the general. We are sending them a letter requesting reallocation and will properly allocate \$500 from the primary to the general.

8. MEBA

These accounts were combined and properly allocated as reported in my previous letter, however, they have over donated in the amount of \$2,500 which is being returned.

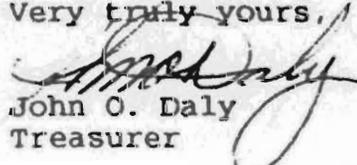

9. NRA Political Victory Fund

We have combined these accounts and are sending a letter requesting reallocation.

10. Sea Land Good Govt. Fund

This account was corrected as reported in my letter to you of Aug. 19, 1992.

Very truly yours,

John O. Daly

Attn: Treasurer

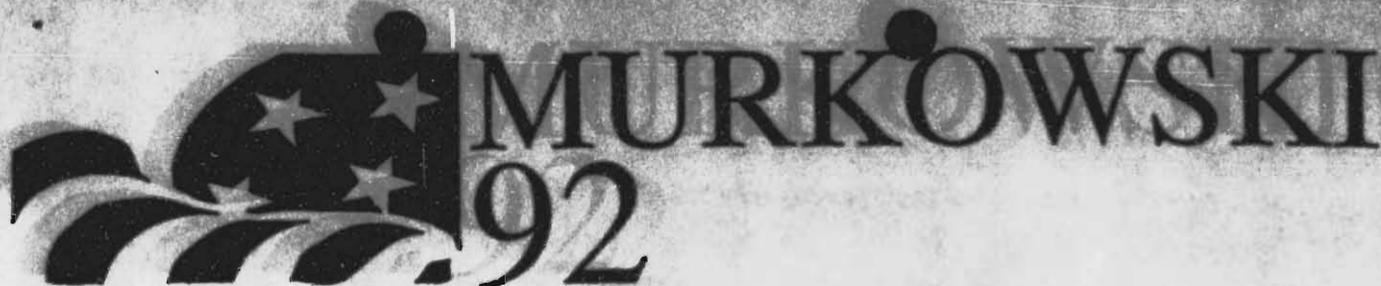

Gentlemen,

A recent audit of our accounts following our year end reporting has shown that we have misallocated your donations between the primary and general elections. I am enclosing a standard form that I would ask you to fill out and return to us at your earliest convenience. This will enable us to properly account for your donations to the FEC.

Thank you for your assistance.

Re: 12 Day pre-primary report (7/1/92-8/18/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, regarding the above report, the following actions have been taken.

1. Marshall Sinick

It appears that we simply let this one get by us. Our records show donations of \$1,500 for the primary election and \$1,250 for the general. We are refunding \$750.00 to Mr. Sinick to reduce his contributions to the legal limit.

2. Martin Marietta PAC

This account is within the legal donation limits, however, we have not allocated the amounts properly between the primary and the general. We are sending them a letter requesting proper allocation and we will correct our records accordingly.

3. Sea Land Good Govt. Fund

This is the same problem as Martin Marietta above and we are taking the same action.

4. Stevens for Senate

This was our pro-rata share of a joint fund raiser. The money was erroneously credited all to the primary. A letter is being sent to them requesting authority for proper allocation and the correction will be made.

5. Milton Balkany

This refund actually had nothing to do with his contributions to Murkowski 92. The \$2,000 payment to him was to

A recent audit of our campaign accounts following our year end reporting has shown that your organization has exceeded the allowable FEC limits in donating to Senator Murkowski's campaign. We thank you very much for your support over the years and look forward to working with you in the future.

MURKOWSKI 92

Feb. 25, 19973

Ms. Pat Sheppard
Senior Reports Analyst
Federal Election Commission
Washington, DC 20463

ID No.: C00161737

Re: July Quarterly Report (4/1/92-6/30/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, please be advised that we have taken the following actions:

1. Timothy H. Horgan

Mr. Horgan has donated a total of \$1,750.00 to the campaign over a period of 4 years. Because of different addresses etc. these were not recognized to be the same person. We have now combined these accounts and are sending Mr. Horgan our Authorization form requesting his authority to properly allocated these donations between the primary and the general.

2. Denny Miller

In August of 1992, as previously reported to you, we sent a reattribution letter to Mr. Miller asking that he allocate his donations properly between the primary and general. We received the letter from him but, in the meantime he had contributed more money which put him over the total limit. We will refund him the excess money, \$500, and send a new request for allocation.

3. Ed Rasmuson

The in-kind donations on this report were in error as they were not required to be reported under 100.7(b)(6) as a contribution. They will be ammended in our original report.

4. Gilbert Robinson

We are sending a letter for authorization of proper allocation, in the meantime, we have combined his accounts and allocated the donations properly.

96043723472

5. AGC PAC

We had previously combined these accounts and requested a letter of re allocation but, they subsequently donated an additional amount through the Warner Nickels Committee which was incorrectly reported as a primary receipt. We have allocated the money correctly at this time.

6. Barnett People for Better Gov.

Our records show total contributions for this PAC of \$11,412.69 after combining all separate accounts. We have a letter of allocation already on file so we will refund them \$1,412.69.

7. General Electric PAC

Our records show \$5,500 allocated to the primary and \$2,500 to the general. We are sending them a letter requesting reallocation and will properly allocate \$500 from the primary to the general.

8. MEBA

These accounts were combined and properly allocated as reported in my previous letter, however, they have over donated in the amount of \$2,500 which is being returned.

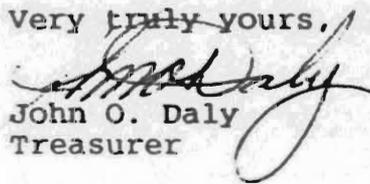

9. NRA Political Victory Fund

We have combined these accounts and are sending a letter requesting reallocation.

10. Sea Land Good Govt. Fund

This account was corrected as reported in my letter to you of Aug. 19, 1992.

Very truly yours,

John O. Daly

August 30, 1992

Mr. John Iani, President
Pacific Seafood Processors
4019 W. 21st Avenue
Seattle, Wash. 98199

Dear John,

A recent audit of our reports by the FEC has shown that the PSPA some time ago gave an in-kind donation to the Senator (I believe it was a shipment of fish) of \$199.00. This puts you over the legal donation for an un-approved committee with a \$2,000.00 maximum limit.

I am therefore enclosing our check in the amount of \$199 to return this money to your PAC and bring us both into compliance.

We thank you for your help and consideration in the past and look forward to an even more successful next term.

Very truly yours,

John O. Kelly

Mr. John O. Daly, Treasurer
Re-Elect Senator Frank Murkowski Committee
PO Box 240468
Anchorage, Alaska 99524

Dear Mr. Daly:

I am writing to you regarding contributions made to Senator Murkowski's campaign from the Pacific Seafood Political Action Committee (PAC). The contributions in question were made during the Senator's current bid for re-election. The contributions in question are as follows:

January 24, 1991	\$1,000.00
March 12, 1991	500.00
August 19, 1991	500.00
November 25, 1991	1,000.00
Total Contributions	\$3,000.00

We have learned, after consultation with the Federal Election Commission, that our PAC has not met the requirements for multi-candidate states. As a result, our PAC has exceeded the legal requirement for contributions. We regret our mistake and request that you take the following steps in order to comply with the legal requirements of the Federal Election Commission:

- (1) Designate \$1,000.00 for the primary election;
- (2) Designate \$1,000.00 for the general election; and,
- (3) Reimburse the Pacific Seafood Political Action Committee \$1,000.00 to refund our overpayment.

Once the aforementioned actions are taken, our PAC's contributions will be in compliance with the FEC regulations. Again, we apologize for the inconvenience our error has caused. Please give me a call with any questions you might have.

Very truly yours,

L. John Iani
President

Attn: Ms. Linda Mathis

Gentlemen,

A recent audit of the combined Sea-Land/CSX PAC donations to the Murkowski 92 campaign has revealed a total of \$9,000.00 in donations from Sea-Land and \$2,000.00 from CSX. This exceeds the allowable total by \$1,000.00.

I am therefore enclosing our check No. 3035 in the amount of \$1,000.00 in favor of Sea-Land to correct this situation. Also, I am enclosing a copy of a form authorizing us to properly allocate the remaining donations between the primary and general elections. I would ask that you have the CSX PAC also fill out and return a copy of this form to us.

Thank you for your assistance.

Re: 30 Day Post-General Report (10/15/92-11/23/92)

Dear Ms. Sheppard,

In response to your letter of Feb. 2nd, the following actions have been taken.

3605

1. Vern Hall

This donation was inadvertently charged as all general election contribution when it should have been allocated between the primary and general elections. A letter requesting re-allocation has been sent to Mr. Hall and the amount will be re-allocated properly.

2. Alice Huang

1970 (add Tommy)

Mrs. Huang was credited with three \$1,000 donations, all listed as primary. In researching the history, one of the first \$1,000 donations should have been listed as a primary donation from her husband, Mr. Tommy Huang and the remaining two allocated between primary and general. We have sent a letter to Mrs. Huang requesting both a reattribution to MR. Huang and reallocation of her donations.

3. Ruth Soriano

Mrs. Soriano donated \$2,000 to the campaign in one check which was credited as primary and general donations, however, the donation was made on 10/30/92 following the primary. Since Murkowski 92 had no primary debt, the primary donation was illegal and must be returned. A check in the amount of \$1,000 will be sent to Mrs. Soriano.

96043723490

4. ARCO PAC

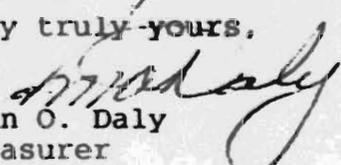

These donations were addressed in my letter to you of Mar. 8, 1993.

5. Exxon PAC

Exxon PAC donated \$5,000 to the campaign on 9/18/92, \$500 on 10/21/92 and \$2,000 on 10/30/92. Alaska had a delayed primary election last year (9/8/92) and we paid over \$67,000 in primary expenses following the receipt of the 9/18/92 donation so it was a legal primary donation. However, all of the donations need to be properly allocated between primary and general elections so we have sent a letter to Exxon PAC requesting their authorization do to so.

In addition to the this and previous letters, we have discovered that we have received excess donations from the combined CSX/Sea-Land PACs. Sea-Land Good Govt Fund has donated a total of \$9,000 and CSX a total of \$2,000, \$500 of which was mis-attributed as GSX. We are, therefore, returning \$1,000 to Sea-Land and correcting the \$500 donation. Additionally, we have requested that both CSX and Sea-Land provide us with a letter authorizing proper allocation of their donations.

Gentlemen,

A recent audit of our accounts following our year end reporting has shown that we have misallocated your donations between the primary and general elections. I am enclosing a standard form that I would ask you to fill out and return to us at your earliest convenience. This will enable us to properly account for your donations to the FEC.

Thank you for your assistance.

Re: 12 Day pre-primary report (7/1/92-8/18/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, regarding the above report, the following actions have been taken.

1. Marshall Sinick

It appears that we simply let this one get by us. Our records show donations of \$1,500 for the primary election and \$1,250 for the general. We are refunding \$750.00 to Mr. Sinick to reduce his contributions to the legal limit.

2. Martin Marietta PAC

This account is within the legal donation limits, however, we have not allocated the amounts properly between the primary and the general. We are sending them a letter requesting proper allocation and we will correct our records accordingly.

3. Sea Land Good Govt. Fund

This is the same problem as Martin Marietta above and we are taking the same action.

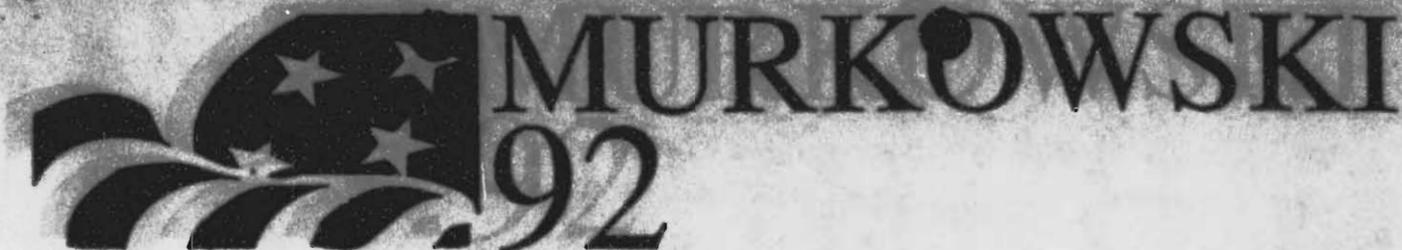

4. Stevens for Senate

This was our pro-rata share of a joint fund raiser. The money was erroneously credited all to the primary. A letter is being sent to them requesting authority for proper allocation and the correction will be made.

5. Milton Balkany

This refund actually had nothing to do with his contributions to Murkowski 92. The \$2,000 payment to him was to

Re: July Quarterly Report (4/1/92-6/30/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, please be advised that we have taken the following actions:

1. Timothy H. Horgan

Mr. Horgan has donated a total of \$1,750.00 to the campaign over a period of 4 years. Because of different addresses etc. these were not recognized to be the same person. We have now combined these accounts and are sending Mr. Horgan our Authorization form requesting his authority to properly allocated these donations between the primary and the general.

2. Denny Miller

In August of 1992, as previously reported to you, we sent a reattribution letter to Mr. Miller asking that he allocate his donations properly between the primary and general. We received the letter from him but, in the meantime he had contributed more money which put him over the total limit. We will refund him the excess money, \$500, and send a new request for allocation.

3. Ed Rasmuson

The in-kind donations on this report were in error as they were not required to be reported under 100.7(b)(6) as a contribution. They will be ammended in our original report.

4. Gilbert Robinson

We are sending a letter for authorization of proper allocation, in the meantime, we have combined his accounts and allocated the donations properly.

96043723494

5. AGC PAC

We had previously combined these accounts and requested a letter of re allocation but, they subsequently donated an additional amount through the Warner Nickels Committee which was incorrectly reported as a primary receipt. We have allocated the money correctly at this time.

6. Barnett People for Better Gov.

Our records show total contributions for this PAC of \$11,412.69 after combining all separate accounts. We have a letter of allocation already on file so we will refund them \$1,412.69.

7. General Electric PAC

Our records show \$5,500 allocated to the primary and \$2,500 to the general. We are sending them a letter requesting reallocation and will properly allocate \$500 from the primary to the general.

8. MEBA

These accounts were combined and properly allocated as reported in my previous letter, however, they have over donated in the amount of \$2,500 which is being returned.

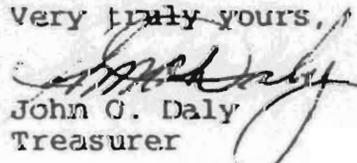

9. NRA Political Victory Fund

We have combined these accounts and are sending a letter requesting reallocation.

10. Sea Land Good Govt. Fund

This account was corrected as reported in my letter to you of Aug. 19, 1992.

Very truly yours,

John G. Daly

A recent audit of our accounts following our year end reporting has shown that the In-Kind contribution of \$1,044.00 received by Murkowski 92 through the Alaska 92 joint fundraising event was mistakenly credited as a primary donation. Mr. Morris J. Amitay, Treasurer
Washington Political Action Committee
444 No. Capitol Street, N.W., Suite 712
Washington, D.C. 20001

Dear Morrie,

Mary McGuire recently forwarded to me a copy of the July letter to you from the FEC concerning your Jan. 29, 1987, contribution to Senator Murkowski's re-election committee.

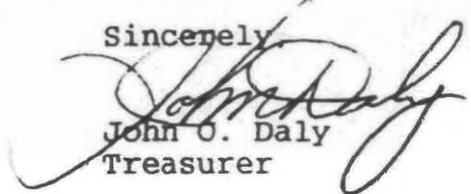

There is a mild bit of confusion about this donation because the Wash. PAC reported it as a 1986 contribution and the Murkowski committee reported all donations received after Dec. 31, 1986, as contributions to the 1992 primary.

At this point our records show the Washington PAC as having donated a total of \$7,001.71 to Murkowski '92 from 1-1-87 to 6-30-92. In order to clear the air, it would probably be best if you wrote a letter to the FEC redesignating the first \$5,000 (by item) as primary 1992 donations and the balance as general 1992 donations.

At this point, we do not show you as having exceeded any limits and a redesignation should clear the air.

Please call if you disagree or have any questions. I will be in Washington through the 21st of August and will then be gone for a couple weeks.

Sincerely,

John O. Daly
Treasurer

Dear Jim,

A recent audit of donations to the Re-elect Senator Murkowski Committee discovered that we have inadvertently accepted and deposited a check from Dr. Switzer's company. As you are aware we are prohibited from accepting donations from corporations, both foreign and domestic.

Since this contribution is an infraction of both of these prohibitions I am enclosing our check in the amount of \$2,000.00. I would ask that you return this money to Dr. Switzer and thank him for his interest in the Senator's campaign. If Cominco should still wish to financially support the Senator we would be pleased to accept their donation provided it is offered through an FEC approved domestic political action committee.

In the meantime, we appreciate your interest and support and look forward to an interesting and successful campaign.

Dear Rabbi Balkany,

A recent audit of our reports by the FEC has shown that we inadvertently accepted an illegal donation by RAR Realty, Inc. We have no identification for this donation but, Mrs. McGuire and Karen Yetka remember that the donation was received at a fundraising event in New York.

I realize that this is an imposition but the regulations require that an illegal donation be returned and if that is not possible then it must be donated to a charity. The Senator and I would ask that you make a reasonable effort to determine the ownership of RAR Realty and return the money to them. If this cannot be done in about 10 days then, please donate the money to a charity of your choice in the New York area.

We very much appreciate your assistance in this matter and hope that it is not too much of an imposition.

Re: 12 Day pre-primary report (7/1/92-8/18/92)

Dear Ms. Sheppard,

In response to your letter of Dec. 9, 1992, regarding the above report, the following actions have been taken.

1. Marshall Sinick

It appears that we simply let this one get by us. Our records show donations of \$1,500 for the primary election and \$1,250 for the general. We are refunding \$750.00 to Mr. Sinick to reduce his contributions to the legal limit.

2. Martin Marietta PAC

This account is within the legal donation limits, however, we have not allocated the amounts properly between the primary and the general. We are sending them a letter requesting proper allocation and we will correct our records accordingly.

3. Sea Land Good Govt. Fund

This is the same problem as Martin Marietta above and we are taking the same action.

4. Stevens for Senate

This was our pro-rata share of a joint fund raiser. The money was erroneously credited all to the primary. A letter is being sent to them requesting authority for proper allocation and the correction will be made.

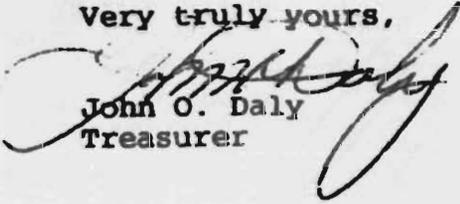

5. Milton Balkany

This refund actually had nothing to do with his contributions to Murkowski 92. The \$2,000 payment to him was to

96043723540

give to him the illegal contribution to Murkowski 92 by RAR Realty, Inc. We were not able to identify RAR Realty and we therefore gave the money to Rabbi Balkany with the request to use it for the charity of his choice. The problem here is that the transaction was not properly identified. A copy of my letter to the Rabbi is attached.

William B. Canfield, III, Esq.
Holland & Knight
2100 Pennsylvania Avenue, N.W.
Suite 400
Washington, D.C. 20037-3202

RE: MUR 4022
Murkowski '98 and Gregg Renkes,
as treasurer

Dear Mr. Canfield:

This is in response to your September 30, 1994 submission regarding the Federal Election Commission's reason to believe findings against Murkowski '98 and Gregg Renkes, as treasurer. This Office has reviewed your extensive submission and, as you requested, we are willing to meet with you to discuss your submission. We believe it would be beneficial, however, for you to be aware of our thoughts on the violations at issue in light of your submission, prior to any such meeting.

Based on your submission, it now appears that contributions by the following persons which appeared excessive were in fact appropriate, but were reported incorrectly by the Committee: Bill J. Allen, Grega G. Daly, Denny Miller, William Ruger, American Medical PAC, Associated General Contractors PAC, Exxon PAC, General Electric PAC, NRA Political Victory Fund, and Van Ness, Feldman & Curtis PAC.

In addition, excessive contributions by the following persons resulted in untimely reimbursements or redesignations: Jack Ferguson (the merger of data problem experienced by the Committee does not mitigate that fact that it reported receipt of \$1,500 from this individual on one day (8/3/91), and did not refund the excess \$500 until four months later), Claud L. Gingrich (there does not appear to be a need for the redesignation the Committee requested), William A. Roberts, Marshall Sinnick (there does not appear to be a need for the redesignation the Committee requested), Ruth A. Soriano, ARCO PAC, BP America PAC, Barnett Bank PAC, Commodity Futures PAC, National Beer Wholesalers PAC, and Pacific Seafood PAC. In those situations where contributions were redesignated, it does not appear that the contributors were given the option of a refund, as required by 11 C.F.R. § 110.1(b)(5)(ii)(A).

9 6 0 4 3 7 2 3 5 4 5

A number of instances still remain where the Committee appears to still be in receipt of excessive contributions. These are described below:

- a) Vern Hall - You report that both checks, deposited on October 26, 1992, had been designated in error for the general election, and that a redesignation had been requested. However, since the Committee had paid all of its primary election expenses by the end of September 1992 (see your Exhibit 16, letter to Ruth Soriano dated March 19, 1993), the contributor could not redesignate any money for the primary election, and any amount over \$1,000 should have been refunded.
- b) Timothy Horgan - You state that a redesignation has been requested. No evidence of the receipt of any such redesignation has been presented.
- c) Alice/Tommy Huang - You state that both a reattribution and redesignation were requested from Alice Huang, and that a redesignation was received. There are several problems with this violation. First, the initial contribution was excessive on its face, and an attempt to redesignate or reattribute it should have occurred within 60 days of its receipt, not more than two years later. Second, you have presented no evidence that any amount has been reattributed. Moreover, the Committee's March 22, 1993 letter to Mrs. Huang did not offer her the option of a refund, as required by 11 C.F.R. § 110.1(b)(5)(ii)(A).
- d) Louis P. Iani - Redesignation of a portion of the \$1,000 check should have been attempted to bring the total amount within election limits.
- e) Gilbert Robinson - On the Committee's 1990 Mid-Year Report, it reported the receipt of a \$1,000 contribution from Mr. Robinson for the primary election. Thus, the receipt of the \$500 contribution for the primary election is excessive. The Committee has provided no evidence that the contributor redesignated the excessive amount.
- f) James T. Rybicki - Despite the comments in the response, it does not appear that a designation was made at any time for the general election. Rather, on the Committee's 1991 Mid-Year Report, it reported receipt of \$1,000 through the National Republican Senatorial Committee which was undesignated, and which, therefore, was considered as made for the primary election. See 11 C.F.R. § 110.1(b)(2)(ii). On the Committee's 1992 July Quarterly Report, it reported the receipt of a \$1,000 contribution from Mr. Rybicki which was designated for the primary election. The redesignation form did not offer Mr. Rybicki the option of a refund, as required by 11 C.F.R. § 110.1(b)(5)(ii)(A).

9 6 0 4 3 7 2 3 5 4 6

g) Charles J. Wyly, Jr. - The Committee's 1991 Year-End Report shows a contribution from Mr. Wyly in the amount of \$833.34, for which the Texas Roundtable Committee apparently served as a conduit. This amount, along with the \$1,000 contribution deposited on June 8, 1992, resulted in an excessive contribution for the primary election.

h) Conagra PAC - Although you state that the excessive contribution resulted from errors in data entry, you have not provided any evidence in support of this assertion.

i) Martin Marietta PAC - The Committee has not demonstrated that the \$500 which is excessive for the primary election has been redesignated.

j) NEBA Political Action Fund - Your response and Commission records indicate that the Committee has refunded the excessive \$2,500. However, there is no indication that certain contributions have been properly redesignated.

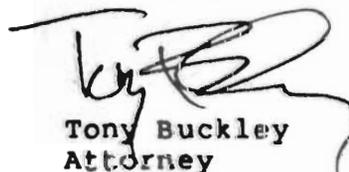

k) CSX Good Government Fund/Sea-Land Good Government Fund - Commission records show that these committee's became affiliated no later than February 6, 1987. The Committee's lack of awareness of such affiliation at the time it accepted certain contributions does not obviate its responsibility to obtain redesignation of or refund any excessive amount once that affiliation is made known to it.

l) Washington PAC - The Committee has not provided any evidence that it has received a redesignation from Washington PAC.

Finally, there are the issues of the contributions from Cominco, Ltd. and RAR Realty, Inc. With respect to Cominco, your description goes to mitigation of the violations at issue. (The violations here are of both 2 U.S.C. §§ 441b(a) and 441e). With respect to RAR Realty, Inc., there does not appear to be any question that the Committee improperly accepted a contribution from this corporation.

Your response also presented some "big picture" considerations which I believe can best be addressed during our meeting. Please contact me at (202) 219-3690 to set up a mutually convenient time to meet.

Re: MUR 4022, Murkowski '98

Dear Mr. Buckley:

I have received your letter of May 2, 1995 and have now had an opportunity to bring it to the attention of my client. We appreciate your thorough review of the submission which was forwarded to you on September 30, 1994 and we appreciate the Commission's willingness to meet with us to further discuss the submission and the contributions which remain at issue in MUR 4022.

Senator Murkowski will be in Alaska during the scheduled Memorial Day recess of the Senate and will use that occasion to meet with those individuals who have a personal knowledge of the issues which are addressed in MUR 4022. The Senator will specifically meet with Mr. John Daly, the treasurer of the Murkowski '92 committee, and will arrange for Mr. Daly to come to Washington during the week of June 19, 1995 and to be available to meet with you on MUR 4022. The Senator has specifically indicated that he would like to participate in our meeting with you and suggests that Friday, June 23, 1995 would be best for his schedule. I will provide you with an exact time based on the Senator's availability.

Please inform me at your earliest convenience if this meeting schedule is satisfactory to you.

With best wishes,

Sincerely,

SENSITIVE

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On July 29, 1994, the Commission found reason to believe that Murkowski '98 and its treasurer ("Respondents"), violated 2 U.S.C. §§ 441a(f), 441b(a) and 441e, and offered to enter into conciliation with Respondents prior to findings of probable cause to believe.¹ An extension of time until September 30, 1994 was granted to Respondents to respond to the Commission's reason to believe findings and offer to conciliate. On that date, this Office received an extensive response from Respondents which discussed in detail each of the 36 apparent violations. Attachment 1.²

Subsequently, an item-by-item review of the response occurred, which resulted in this Office's conclusion that certain contributions originally thought to be excessive were in fact

1. The Commission's reason to believe findings cited John H. Roseman as treasurer. Donna Pagano Murray is the current treasurer of the Committee.

2. This Office is only including the 27-page letter submitted by counsel for Respondents as Attachment 1. The supporting documents, a stack approximately one-and-a-half inches thick, are available in the Office of the General Counsel should the Commission wish to review them.

96043723551

within proscribed limits. This Office communicated these conclusions in a letter to Counsel dated May 2, 1995.

Attachment 2. That letter also indicated this Office's willingness to meet with Respondents, as had been requested.

A meeting was held on June 23, 1995 with Senator Murkowski, the Committee's two previous treasurers, and counsel. A review was made of each of the outstanding items in this Office's May 2, 1995 letter. This Office indicated that we would look into their questions regarding redesignations and reattributions at this late date, as well as review any evidence they would subsequently provide which would demonstrate that certain additional contributions were not excessive.

Later on that same day, Counsel for Respondents faxed a copy of a check from ConAgra Good Government Association to the Committee in the amount of \$3,000. Attachment 3. This contribution had been reported as having been received for the primary election and therefore, had apparently resulted in a receipt of an excessive contribution of \$3,000. Because the check is clearly marked as being for the General Election, this Office informed counsel in a letter dated June 30, 1995 that we believed they had provided sufficient evidence to conclude that no excessive contribution had been received in this regard. Attachment 4. That letter also reviewed the items discussed at the June 23 meeting.

II. ANALYSIS

1. Revised Figures and Additional Violation

The Commission's initial reason to believe findings were based on information which suggested that Respondents had accepted excessive contributions from individuals, political committees and multicandidate committees in amounts totaling \$53,408.

Outstanding amounts which required refunding totaled \$42,427.

As a result of information provided by Respondents, this Office now believes that these figures are lower. Specifically, it now appears that Respondents accepted excessive contributions

from individuals, political committees and multicandidate committees in amounts totaling \$29,914. Of this amount, it now appears that outstanding amounts which require refunding total \$19,433.

A large part of the discrepancy resulted from misreporting by the Committee. Specifically, the Committee failed to accurately report receipts totalling \$23,494. Pursuant to 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.14(d), the treasurer of a political committee is responsible for the timely and accurate filing of all reports filed with the Commission. Because certain contributions were not accurately reported as being designated for the primary or general election, Respondents are in violation of these provisions. Accordingly, this Office recommends that the Commission find reason to believe that Murkowski '98 and its treasurer violated 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.14(d).

2. Conciliation Agreement

96043723554

III. RECOMMENDATIONS

1. Find reason to believe that Murkowski '98 and Donna Pagano Murray, as treasurer violated 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.14(d).
- 2.

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission ("Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found reason to believe that Murkowski '98 and Donna Pagano Murray, as treasurer ("Respondents"), violated 2 U.S.C. §§ 434(a)(1), 441a(f), 441b(a) and 441e, and 11 C.F.R. § 104.14(d).

NOW, THEREFORE, the Commission and the Respondents, having participated in informal methods of conciliation, prior to findings of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C.

§ 437g(a)(4)(A)(i).

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

1. Murkowski '98 ("the Committee") is a political committee within the meaning of 2 U.S.C. § 431(4). The Committee

96043723565

received contributions totalling over \$1.6 million from over 3600 individuals and political committees during the 1992 election cycle.

2. Donna Pagano Murray is the current treasurer of the Committee. John O. Daly was the treasurer of the Committee during the time of the transactions which are at issue in this matter.

3. Pursuant to 2 U.S.C. § 441a(a)(1)(A), no person shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$1,000. The term "person" includes individuals and political committees. See 2 U.S.C. § 431(11). Pursuant to 2 U.S.C. § 441a(a)(2)(A), no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$5,000. Pursuant to 2 U.S.C. § 441a(f), no political committee shall knowingly accept any contribution in violation of the provisions of section 441a.

4. Contributions which do not appear to be excessive on their face, but which exceed the contribution limitations when aggregated with other contributions from the same contributor, may be either deposited into a campaign depository or returned to the contributor. 11 C.F.R. § 103.3(b)(3). Excessive contributions

96043723566

not redesignated must be refunded to the contributor within sixty (60) days of the treasurer's receipt of the contribution. Id. A contribution shall be considered redesignated for another election if the treasurer requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation; and within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor. See 11 C.F.R. §§ 110.1(b)(5)(ii)(A) and (B), 110.2(b)(5)(ii)(A) and (B).

5. Pursuant to 2 U.S.C. § 441b(a), it is unlawful for any corporation to make a contribution in connection with any Federal election, or for any political committee to knowingly accept any such contribution.

6. Pursuant to 2 U.S.C. § 441e, it is unlawful for any foreign national to make any contribution of money in connection with an election to any political office, or for any person to accept or receive any such contribution from a foreign national. The term "foreign national" includes a corporation organized under the laws of or having its principal place of business in a foreign country. See 2 U.S.C. § 441e(b).

7. Pursuant to 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.14(d), each treasurer of a political committee is

96043723567

responsible for the timely and accurate filing of all reports filed with the Commission.

8. The Committee accepted excessive contributions from six individuals during the 1992 election cycle, which were not refunded or redesignated within 60 days of their receipt, in amounts totalling \$2,519. The Committee refunded these excessive amounts after the 60-day period had expired.

9. The Committee accepted excessive contributions from seven other individuals during the 1992 election cycle, which were not refunded or redesignated within 60 days of their receipt, in amounts totalling \$4,933. With respect to these excessive amounts, the Committee either attempted redesignation where none was possible, attempted redesignation or reattribution but received no reply, or failed to make any attempt at redesignation. The Committee's attempts at redesignation and reattribution were flawed in that they failed to inform the contributors that they could request refunds of the excessive amounts.

10. The Committee accepted excessive contributions from one political committee and five multicandidate committees during the 1992 election cycle, which were not redesignated or refunded within 60 days of their receipt, in amounts totalling \$19,962. The Committee refunded \$7,962 of the excessive amount outside of the 60-day period. The Committee attempted flawed redesignations of the remaining \$12,000, and received affirmative responses from the contributors, after the 60-day period had expired. The

96043723568

Committee's requests were flawed in that they failed to inform the contributors that they could request refunds of the excessive amounts.

11. The Committee accepted additional excessive contributions from four multicandidate committees during the 1992 election cycle, which were not redesignated or refunded within 60 days of their receipt, in amounts totalling \$2,500. With respect to these excessive amounts, the Committee either attempted redesignations or reattributions but received no reply, or failed to make any attempt at redesignation. The Committee's attempts at redesignation and reattribution were flawed in that they failed to inform the contributors that they could request refunds of the excessive amounts.

12. The Committee accepted a contribution in the amount of \$2,000 from Cominco Ltd., a Canadian corporation.

13. The Committee accepted a contribution in the amount of \$2,000 from RAR Realty Corporation.

14. The Committee inaccurately reported certain contributions and other receipts as being designated for either the primary or general election which, if such designations had been accurate, would have resulted in the acceptance of additional excessive contributions in amounts totalling \$23,494.

V. 1. Respondents accepted a \$2,000 contribution from a corporation organized under the laws of Canada, in violation of 2 U.S.C. §§ 441b(a) and 441e.

2. Respondents accepted a separate \$2,000 corporate contribution, in violation of 2 U.S.C. § 441b(a).

96043723569

3. Respondents accepted excessive contributions totalling \$29,914 from individuals, political committees, and multicandidate committees, in violation of 2 U.S.C. § 441a(f).

4. Respondents failed to accurately report receipts totalling \$23,494, in violation of 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.14(d).

5. Respondents assert and the Commission further accepts that the violations described herein have not been characterized by the Commission as "knowing and willful" violations of the Act. Respondents further assert that such violations resulted from administrative errors and mistakes on the part of the Committee's staff.

VI. 1. Respondents will pay a civil penalty to the Federal Election Commission in the amount of Seven Thousand, Five Hundred dollars (\$7,500), pursuant to 2 U.S.C. § 437g(a)(5)(A).

2. Respondents will refund outstanding excessive contributions, including those not properly redesignated, totalling \$19,433. In the event Respondents cannot effect any refund, Respondents will donate a like amount to a charitable or educational entity which qualifies under either Section 501(c)(3) or 501(c)(4) of the Internal Revenue Code.

3. Respondents will amend reports currently on file with the Commission to correct the inaccuracies described in Paragraph IV, Number 14.

VII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement.

96043723570

If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

VIII. This agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

IX. Respondents shall have no more than 45 days from the date this agreement becomes effective to comply with and implement the requirements contained in this agreement and to so notify the Commission.

X. This Conciliation Agreement constitutes the entire agreement between the parties on the matters raised herein, and no other statement, promise, or agreement, either written or oral, made by either party or by agents of either party, that is not contained in this written agreement shall be enforceable.

CLOSED

Dear Mr. Chairman:

In order to fulfill the agreement of MUR 4022, I had a meeting with Tony Buckley to discuss what reports needed to be amended and had several phone conversations with Pat Shephard to discuss how to correct those reports. The following has been done:

1. The campaign committee refunded excessive contributions to seven individuals and eight multicandidate committees. Copies of the refund checks are attached.
2. The campaign committee corrected inaccurately reported contributions from four individuals, two committees, and six multicandidate committees. Copies of the corrected reports are attached.

I believe that I have completed all of the outstanding matters of the agreement. If further information is necessary, please let me know.

Sincerely,

Donna P. Murray
Treasurer
