The Richard J. Daley)
for Mayor Fund)

GENERAL COUNSEL'S REPORT

730101115
On April 25, 1978, John J. George, counsel for the late Mayor requested that the assessment of a penalty be waived in the above-captioned MUR for the following reasons. First, the transfer to the Clancy for Congress Committee was an unintentional violation of the FECA. There are no state requirements for segregation of funds and therefore it was impossible to trace this specific contribution to labor or business interests. Second, this was the only time the Daley for Mayor Fund had ever been cited for an infraction of any election law. Finally, Mr. George adds that since Mayor Daley died and the fund terminated, a penalty would have to be assessed against the heirs of the late Mayor who had no knowledge of or responsibility for the fund.1/

Mr. George and the late Mayor's son had made numerous efforts to secure a transfer of the monies from the Clancy for Congress Committee and eventually secured a retransfer in early April,

1/ Mayor Daley was the candidate, chairman, and treasurer of his own committee.

(copies of letters from the Mayor's son to the Committee are attached to the March 7, 1978 Interim Status Report); however, it is apparent that their efforts to correct the late Mayor's violation were stymied by the fact that they were not in a legal position to demand a transfer.

RECOMMENDATION:

Since the parties have made good faith efforts to correct the violation, and in view of the effective termination of the fund and the death of its responsible officer and beneficiary before any compliance action had even begun, we recommend that the Commission either waive the penalty or, in the alternative, accept a penalty of \$100 or less.

In re: MUR 407(77)

Dear Mr. Steele:

I am in receipt of your letter dated April 19, 1977 wherein you have requested that I respond to your revised Conciliation Agreement.

I have reviewed the Conciliation Agreement in light of your letter and the revision that you have made concerning the obligation of the respondent to obtain a refund of the \$1,250.00 from the Clancy for Congress Committee is acceptable. This matter may now be moot anyway since we have been informed that a check will be issued by the Clancy for Congress Committee.

With respect to the remainder of the Conciliation Agreement I still object to Paragraph 4 under the Wherefore clause which imposes a civil penalty against the Richard J. Daley for Mayor Campaign Committee. My reasons for objecting to this provision are that the contributions made by the Richard J. Daley for Mayor Campaign Committee to the Clancy for Congress Committee were not intended to violate any federal laws. There is no state requirement for segregation of funds and therefore it was impossible for the committee to trace this specific contribution to labor or business interests. This committee has always acted in accordance with all applicable state and federal statutes and this is the first time it has been cited for any infraction of any laws. In addition to the foregoing it must be remembered that when Mayor Daley died this committee terminated and it is no longer in existence and therefore it cannot be charged with any violations in the future. For these reasons it is respectfully requested that the

assessment of a fine be waived because of the particular circumstances of this case.

Re: MUR 407(77)

Dear Mr. George:

On April 13, 1978, the Commission determined to revise the proposed conciliation agreement it would accept from the Daley Fund in settlement of this matter. It would delete paragraph 3 of the Wherefore section which reads "That the respondent shall obtain a refund of \$1,250 from the Clancy for Congress Committee." While the Commission would still want this contribution returned to the Daley Fund, it has determined to assume the responsibility of dealing with the Clancy Committee to effectuate this transfer and not make it a condition of any agreement your Fund would enter into with the Commission.

With the elimination of this pre-condition, and considering the time that has so far elapsed, the Commission is interested in some specific response from you as to the remainder of the conciliation agreement.

We remind you that under 2 U.S.C. §437g(a)(5)(B), if the Commission is unable to correct any violation by conciliation, it may, if it determines there is probable cause to believe that a violation has occurred, institute a civil suit for relief, which may include a civil penalty of up to \$5,000.

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On October 6, 1977, the Commission found reasonable cause to believe that the Richard J. Daley for Mayor Campaign Fund violated, among other things, 2 U.S.C. §441b by contributing \$1,250 from funds it had received from labor organizations and corporations to the committee for a Federal candidate, the Clancy for Congress Committee. The proposed conciliation agreement sent to the Daley Fund required that it obtain the refund from the Federal committee of these contributions.

Conciliation has been delayed in part because of a death in the family of one of the attorneys for the Daley Fund. It has also been delayed because the Daley Fund, with our assistance has so far been unsuccessful in its efforts to obtain the refund. One attorney for the Daley Fund wrote twice to the Treasurer of the Clancy Committee, and we have written to the committee and spoken by phone with its representatives. (See our report of March 6, 1978.) On April 6, 1978, counsel for the Clancy Committee advised us that before he would advise such transfers to be made, he would want further information as to the Commission's authority to require these transactions, plus some additional information from the Daley Fund. While counsel expressed an

73910115

interest in cooperating, we do not have any assurance that the Clancy Committee would effectuate these transfers voluntarily.

II. ANALYSIS

The difficulties in effectuating these transfers in this manner have prompted our reconsideration of the proposed agreement with the Daley Fund. We think the burden of effectuating these transfers should fall not on the donor but on the entity which had received the money, the Clancy Committee. We propose to eliminate the transfer provision from the agreement with the Daley Fund. (See paragraph 3 of the Wherefore section)*/ At the same time, we will be recommending in a separate matter that the Commission find reason to believe that the Clancy Committee violated the Act by retaining these funds after they were informed of the improper source.

III. RECOMMENDATION

The Commission should approve the attached letter to respondent Daley Committee advising it of the elimination of the 'funds return' provision and that the Commission will assume the responsibility for effectuating this transfer.

4/7/78
Date

William C. Oldaker

*/ The Daley Fund was terminated with the death of Mayor Daley and it has no funds. Counsel for that Fund has claimed that the only way it could pay a civil penalty would be if the funds from the Clancy Committee were returned to it. While the transfer provision should be separate from the penalty provision, the Commission should consider this as a reason why the agreement would be delayed.

INTERIM STATUS REPORT

In October, 1977, the Commission sent a proposed conciliation agreement to the Richard J. Daley for Mayor Campaign Fund. The agreement requires, among other things, that respondent obtain a refund of the \$1,250.00 it had contributed to the Clancy for Congress Committee.

To achieve this transfer, we have been in contact with both the Clancy Committee and the counsel for the Daley Campaign Fund.

On January 27, 1978 and again on February 24, 1978, Michael Daley, co-counsel for the Daley Campaign Fund, made a written demand to the Clancy for Congress Committee for a return of the \$1,250.00 (see attached copies).

On February 15, 1978, a staff member of the Office of the General Counsel spoke with the Treasurer of the Clancy Committee, Mr. Edward Panschar, who advised us that he had doubts as to

7304075211

whether the Clancy Committee had enough funds left in its account to return the \$1,250.00. 1/ We have written Mr. Panschar advising him of our need to resolve this matter as quickly as possible.

1/ In checking our records, we found that as of November 1976, the Clancy Committee had approximately \$5,000 left in its account. Subsequently, all reports filed were postcards thus, we are unable to determine exactly how much money the Committee has at present. In the process of this search, we also discovered that the Clancy Committee is delinquent in filing a 1977 year-end report, and is on the non-filers list. We informed Mr. Panschar of these facts during our telephone conversation.

Dear Ms. Van Gelder:

I am enclosing herein a copy of a letter that has been sent to Marilyn Clancy to further explain to her the reason why we are requesting the return of the \$1,250.00 that was contributed to her campaign for Congress in 1976. I believe that this letter will act as a catalyst in bringing about a return of the funds and coincidentally bring about a resolution of the matter pending in your agency. As soon as I receive word from Marilyn Clancy regarding this letter I will notify you immediately.

INTERIM REPORT

The Commission approved a proposed conciliation agreement in this matter which, among other things, required that the respondent obtain a refund of the \$1,250 it contributed to the Clancy for Congress Committee.

Counsel for the late Mayor Daley has advised us that he has been making attempts to obtain this refund from the Clancy Committee but has been informed by the Committee that its acceptance of the contribution was not improper. The Committee reportedly told him that, prior to the time it accepted the Daley Fund's contribution, it had checked with the Commission and was given oral assurances that the contribution could be accepted. We are currently awaiting a written statement from the Clancy Committee setting out the specifics of this

advice from the Commission. Upon its receipt, we will be able to assess how, if at all, our recommendation for conciliation should be revised.

Dear Ms. Van Gelder:

Pursuant to our telephone conversation of today I am writing you this letter to inform you that I am still in the process of trying to resolve this matter and bring about a settlement of it prior to the filing of any law suit. I have taken the necessary steps to contact the treasurer for the Clancy for Congress Committee and have been in contact with him in an effort to obtain a refund of the funds that were contributed to this committee from the Richard J. Daley for Mayor Campaign Fund. I am enclosing herein a copy of a letter that I sent to Mr. Panschar on this topic.

As a follow up to my letter I have spoken with Mr. Panschar and it was Mr. Panschar's impression that at the time the second check was delivered to the Clancy for Congress Committee he had been told by the Federal Election Campaign Commission that this contribution was not a violation of any federal regulation and was permitted to be accepted by this Committee. In line with this conversation I am trying to obtain a more definite statement from Mr. Panschar so that I can clarify this matter for your Commission.

I will be in contact with you within the next few days to notify you of the disposition that will be made in this matter. I hope that you understand that I am sincerely trying to bring a resolution about in this matter and that I am in no way being dilatory in my dealings with you or the Commission.

Dear Mr. Panschar:

By this letter I wish to advise you that I represent the Richard J. Daley for Mayor Campaign Fund and it is in that capacity that I am writing you this letter.

The Federal Campaign Election Commission has informed me that the contributions which were made by the Richard J. Daley for Mayor Campaign Fund to the Clancy for Congress Committee both in the primary of 1976 and in the general election of 1976 were a violation of the rules and regulations of the Federal Campaign Election Commission. This Commission has now informed me that the only way that I can correct this alleged violation is to obtain a refund from the Clancy for Congress Committee of the sums contributed during the year 1976 namely, \$1,250.00.

In accordance with the mandate that has been given to me by the Federal Campaign Election Commission I am therefore making a demand upon you in your capacity as Treasurer of the Clancy for Congress Committee for the return of the sum of \$1,250.00 which sum is a total of two contributions made to the Clancy for Congress Committee-- the first contribution being made on February 29, 1976 in the sum of \$1,000.00 and the second contribution being on September 30, 1976 in the amount of \$250.00. I would appreciate it if you would return the sum of \$1,250.00 to the Richard J. Daley for Mayor Campaign Fund at your earliest opportunity.

If you have any questions, please call me.

Your prompt attention to this matter is requested.

Re: MUR 407 (77)

Dear Mr. George:

This is to notify you of the Commission's determination that there is reasonable cause to believe that the Richard J. Daley for Mayor Campaign Fund had violated 2 U.S.C. §441b of the Federal Election Campaign Act of 1971, as amended ("The Act"). This violation occurred when the Daley for Mayor Campaign Fund transferred \$1,250, which included labor and corporate contributions, to the Clancy for Congress Committee during 1976.

The Commission is mandated, pursuant to 2 U.S.C. §437g(a)(A) to "make every endeavor for a period of not less than 30 days to correct or prevent such violation by informal methods of conference, conciliation, and persuasion."

Attached is a proposed conciliation agreement which sets forth the pertinent facts in the matter and general conditions which should be adhered to. If you have any questions regarding the agreement, please call Biz Van Gelder (202-523-4175) the attorney assigned to this matter.

Re: Phone conversation with John J. George

Subject: conciliation

From: Biz Van Gelder *Biz*

I called Mr. George, attorney for the Mayor Daley Campaign Fund this morning to discuss the terms of the conciliation agreement which we are sending him.

After I told him the agreement contained both a penalty and repayment provision, Mr. George became distressed by the Commission's hard-handed approach toward the late Mayor. He wanted to know why the Commission would want to fine a dead man ... "Just because he happens to be Mayor Daley" and stated that the Clancy for Congress Committee wasn't going to give the money back. He asked for their address and stated he would write them and ask for a return. I also notified him that the Clancy Committee may be in violation of the law if they retained monies which were prohibited under the act.

Mr. George also wanted to know if ~~_____~~ were transcripts of the meeting and if he could talk to the Commissioners directly. (He has met Tiernan on a number of occasions).

Finally, Mr. George expressed anger over the double standard that he finds prevalent in Washington, i.e. that the Commission is so "hard" on outsiders but "I'd like to see what happens to them if one of them gets in trouble, you wouldn't see them getting fined." However, he stated that there was nothing he could do about it and that he would contact the Clancy Committee and look over the conciliation agreement and we'd get back in touch later.

In the Matter of)	
)	
)	MUR 407(77)
The Richard J. Daley for Mayor))	
Campaign Fund)	

GENERAL COUNSEL'S REPORT

On June 21, 1977, the Commission determined there was Reason to Believe the Richard J. Daley for Mayor Campaign Fund (hereinafter, "Daley Fund") violated 2 U.S.C. §§431(d), 433, 434, and 441b. The basis of the violations were two contributions to the Clancy for Congress Committee totaling \$1,250. The Daley Fund did not register and report as a political committee and, thus, is in apparent violation of §§431(d), 433, and 434. In addition, the Daley Fund accepted numerous contributions from labor organizations and corporations. Thus, monies which were contributed to the Clancy Campaign from the Daley Fund were "tainted" with prohibited funds in violation of 2 U.S.C. §441b.

Respondent contends that "(t)here is no way to trace the contributions made to the Richard J. Daley for Mayor Campaign Fund to determine if the contributions to the Clancy for Congress Committee included labor or business donations made to the Richard J. Daley for Mayor Campaign Fund. If, by chance, this did occur, it was by chance and not by design and there was no intentional violation of 2 U.S.C. §441b."

(Letter from John J. George, dated September 7, 1977, page 2.)

7801071116

Respondent also contends that the contribution involves an amount which is \$250 in excess of the permitted contribution of \$1,000 and, as such, constitutes a de minimus amount to make it a reporting entity within the definition of §431 and therefore, in violation of §433.

In support of this position, Michael Daley, son of the late Mayor, submitted an affidavit which states that the Daley Fund is now depleted and that Clancy was the only Federal candidate to receive a contribution from the Fund. (See attached affidavit).

As the affidavit notes, all monies which were in the Daley Fund have been transferred to the 11th Ward Regular Democratic Organization, (see Attachment B). Although the Daley Fund is now defunct, it still would be possible to recoup the contributions from the Clancy Committee (the Clancy Committee's 2nd Quarterly report for 1977 shows assets of approximately \$17,000). If the Daley Fund receives a refund of the excess contribution, then it would have eradicated its status as a reporting entity and also would have shown a "best effort" in trying to comply with the prohibition of corporate/labor organization contributions.

RECOMMENDATION

Due to the death of Richard J. Daley, there is no reason to seek prospective relief. However, in order to insure a public record of the transaction, the Commission should find Reasonable Cause to Believe that the Richard J. Daley for Mayor Campaign Fund violated the Act, and enter into concilia-

7304005117

tion with the representative of the late Mayor. Part of the conciliation should involve the return of the commingled contributions from the Clancy for Congress Committee to the Daley for Mayor Campaign Fund.

See draft Conciliation Agreement.

In re: MUR 407(77)

Dear Ms. Van Gilder:

Pursuant to our recent telephone conversation and also in response to your letter of June 28, 1977 I am writing this letter with reference to the Richard J. Daley for Mayor Campaign Fund. The purpose of this letter is to clear up ambiguities in my prior correspondence and to answer the questions your agency has raised relative to this fund.

On February 1, 1977 I wrote to you confirming the fact that the Richard J. Daley for Mayor Campaign Fund made contributions to the Clancy for Congress Committee during the calendar year 1976 in the amount of \$1,250.00. This amount was made up of two contributions, one in the amount of \$1,000.00 made in the March primary of 1976 and the other in the amount of \$250.00 which was made in the general election in November of 1976.

In my letter of February 1, 1977 I indicated that "my investigation indicated that the funds that were transferred from the Richard J. Daley for Mayor Campaign Fund to the Clancy for Congress Committee did not involve contributions from private corporations or labor unions". It appears that this language has caused some ambiguity and in an effort to resolve this matter let me state that what I meant was that when the contributions were made to the Clancy for Congress Committee there were no specific contributions from labor or business that comprised these funds. The money that was transferred came from the Richard J. Daley for Mayor Campaign Fund and consisted of excess contributions on hand in the Richard J. Daley for Mayor Campaign Fund. The money in the account consisted of funds contributed in support of the Mayor's re-election effort in 1975. It was true that the Richard J. Daley for Mayor Campaign Fund did receive contributions from labor and business but these contributions were made to assist the late Mayor in his bid for re-election and were in no way made with the understanding that they would be used for the support of federal candidates or political committees. At the time contributions were received by the Richard J. Daley for Mayor Campaign Fund the contributions and

78040052216

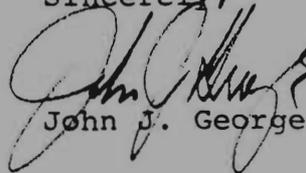

reporting of these amounts were governed by the campaign disclosure laws of Illinois, and under Illinois law there is no prohibition against contributions by labor organizations or businesses to a local candidate. There is also no requirement that contributions from labor organizations or business be segregated from other contributions. There is no way to trace the contributions made to the Richard J. Daley for Mayor Campaign Fund to determine if the contributions to the Clancy for Congress Committee included labor or business donations made to the Richard J. Daley for Mayor Campaign Fund. If by chance this did occur it was by chance and not by design and there was no intentional violation of 2 U.S.C §411b.

The contribution involved in this investigation involves an amount which is \$250.00 in excess of the permitted contribution of \$1,000.00. The amount involved is de minimus and there was no intentional violation of any federal reporting statute. The Richard J. Daley for Mayor Campaign Fund has always complied with all reporting statutes and regulations and if there was an inadvertent violation it was a technical error and not done with any intention to violate any provisions of the Federal Election Campaign.

In support of the foregoing statements I am enclosing herein the Affidavit of Michael Daley. This Affidavit is made by Mr. Daley in his capacity as attorney for the Richard J. Daley for Mayor Campaign Fund and also as attorney of the Estate of Richard J. Daley.

I hope the foregoing clarifies the status of this fund and the contributions that were made by it. If any additional information is needed please let me know and I will do my best to furnish you with it.

Sincerely,

John J. George

INTERIM STATUS REPORT

On June 21, 1977, the Commission found Reason to Believe that the Richard J. Daley for Mayor Fund had violated 2 U.S.C. §431(d), §433, §434, and §441b. On June 28, 1977, a letter of notification was sent to the Fund's counsel, Mr. John J. George.

Delays in this matter have occurred due to a change in personnel and the non-receipt by respondent of our notification letter. On July 8, 1977, Mr. George was notified that MUR 407(77) was transferred to another attorney within the Office of the General Counsel. A return receipt was received for the July 8th letter but not for the June 28th letter.

Consequently, when no response was received within a reasonable time, Mr. George was contacted by telephone. He stated that since he had not received the June 28, 1977 letter he did not have any idea what the July 8, 1977 letter referred to. A duplicate of the June 28, 1977 letter was immediately sent to him, which included a cover letter asking for a response within ten (10) days of receipt. The duplicate letter was mailed on August 3, 1977.

FROM:

BIZ VAN GELDER *Bvz*

SUBJECT:

Telephone conversation with John J. George, Esquire

DATE:

August 2, 1977

On August 2, 1977, I called Mr. John George (telephone no. 312/726-9143) to inquire about the status of MUR 407.

Mr. George informed me that he had received the letter of July 8, 1977 informing him that I was the attorney assigned to MUR 407, but stated that he had never received the letter of June 28, 1977 which was incorporated by a reference into the July 8 letter.

This means that Mr. George has not formally received notification that the Commission has found reason to believe that the Richard J. Daley for Mayor Campaign Fund has violated the Act. Although the letter of June 28, 1977 was sent out certified mail return receipt requested, a quick purusal of the docket room did not uncover a return slip for the letter. Recommend that a copy of the June 28, 1977 letter be sent immediately to Mr. George with a cover memo which explains that the Commission would like to act expeditiously on this matter.

Re: MUR 407 (77)

Dear Mr. George:

As you were previously informed, a review by the Commission's Disclosure Division of the Richard J. Daley for Mayor Fund ("the Fund") revealed apparent failures by the Fund to comply with certain provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). We have now numbered this matter as MUR 407. Please refer to this number in all future correspondence.

The Commission has reviewed this matter and your letters of February 1st and 16th and has found reason to believe that the Fund made contributions in violation of 2 U.S.C. §§431(d), 434, 433, 441b. Accordingly, we request that you have the treasurer of the Fund submit an affidavit pursuant to 2 U.S.C. §437g(a)(4) which responds to the following:

- (1) State the names of all Federal candidates and political committees which received contributions from the Fund, the amount of these contributions, and the date of the contributions.
- (2) State the total amount in the Fund as of this date.
- (3) Submit any evidence which might show that the Fund constituted Mayor Daley's personal funds. In particular state whether the Mayor paid income taxes on the Fund (include a copy of the appropriate completed tax forms) and whether the remainder of the Fund is being treated as part of the Mayor's estate. (Please note that your

78040052255

letter of February 16th is in error when it applies §113.2 of the Regulations to mean that a contribution by a local officeholder from his local campaign committee will be treated by the Commission as a personal contribution from the individual's office account. The view is contrary to both the express language and history of Part 113. In fact §113.2 provides only for the disposal of the excess funds of a Federal candidate.)

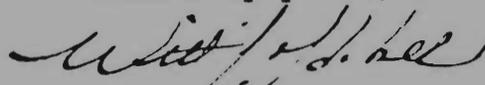

A review of this Office also has revealed that in your letter of February 1, 1977, you stated that "[m]y investigation indicates that the funds that were transferred from the Richard J. Daley for Mayor Campaign Fund to the Clancy for Congress Committee did not involve contributions from private corporations or labor unions, however, they did include funds from political action committees of such organizations which are permitted under the Federal Election Campaign Act." However, our review of the July 31, 1975 county report of the Fund (a copy of which is on file in this office) reveals that the Fund accepted numerous contributions directly from corporations and labor organizations. Accordingly, we request that the treasurer of the Fund also state in the affidavit what steps have been taken to keep any funds containing corporate and union contributions separate and segregated from funds used in connection with a federal campaign.

Please submit the aforementioned information within ten days of the receipt of this letter, along with any other factual or legal materials which you believe demonstrate that no action should be taken by the Commission. When possible, please supply sworn statements by individuals having personal knowledge of the facts alleged.

This matter will remain confidential in accordance with 2 U.S.C. §437g(a)(3) unless you notify the Commission in writing that you wish the investigation to be made public. The unauthorized disclosure of this matter is subject to the fine provided in 2 U.S.C. §437g(c).

SUMMARY OF ALLEGATION

The Richard J. Daley for Mayor Campaign Fund ("the Fund") made two contributions to the Clancy for Congress Committee totaling \$1,250. The fund did not register and report as a political committee and thus is in apparent violation of 2 U.S.C. §431(d), 433, 434.

PRELIMINARY LEGAL ANALYSIS

1) The Clancy for Congress Committee reported receiving a \$1,000 contribution from the Fund for the primary election and a \$250 contribution from the Fund for the general election. (See Attachments #1 and 2). A review of the Commission's records revealed that the Fund is not a registered or reporting political committee. (This review also failed to disclose any other contributions to Illinois Federal candidates). Accordingly, the Fund was notified by the Disclosure Division that it may have qualified as a political committee under the Act and it was requested to take appropriate corrective action. (See Attachment #3). On February 1, 1977, Mr. John J. George, the attorney for the Fund, responded by providing some information on the Fund and stated that it was his understanding that his letter was in lieu of and would be accepted as satisfaction of the Act's disclosure requirements. (See Attachment #4). Mr. George was informed by telephone that his understanding was incorrect and thus he wrote an additional letter on February 16, 1977. (See Attachment #5). This time Mr. George stated that "[t]he amounts of money in this fund consisted of excess

campaign funds which exceeded the amounts necessary to defray his [Mayor Daley's] 1975 campaign expenses." He then asserted that "[s]ince these funds were excess campaign funds a contribution made to the Clancy for Congress Committee was properly a personal contribution under regulations 113.2". Mr. George concluded by stating that since this was a personal contribution by Mayor Daley, "there was in fact no violation under the Federal Campaign Act and therefore there is no reporting requirement by this fund."

2) It is provided in 2 U.S.C. §431(d) that a "political committee" means any committee, club, association, or other group of persons which receives contributions or makes expenditures during a calendar year in an aggregate amount exceeding \$1,000." It is further provided in 2 U.S.C. §433(a) that "[e]ach political committee which anticipates receiving contributions or making expenditures during a calendar year in an aggregate amount exceeding \$1,000 shall file with the Commission a statement of organization." Since the Fund appears to have qualified as a political committee by its contribution of \$1,250, it should be requested to either register and report immediately or present additional evidence which would show that it actually constituted the personal funds of Mayor Daley. (It should be noted that Mr. George is in error when he applies §113.2 to mean that a contribution by a local officeholder from his local campaign committee will be treated by the Commission as a personal contribution from the individual's office account. In fact §113.2 provides only for the disposal of the excess funds of a Federal candidate.)

3) In his letter of February 1, 1977, Mr. George stated that

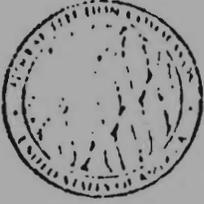

78040052262

"[m]y investigation indicates that the funds that were transferred from the Richard J. Daley for Mayor Campaign Fund to the Clancy for Congress Committee did not involve contributions from private corporations or labor unions, however they did include funds from political action committees of such organizations which are permitted under the Federal Election Campaign Act." (See Attachment #4). However, a review of the July 31, 1975 county report of the Fund (on file in the General Counsel's Office) reveals that the Fund accepted numerous contributions directly from corporations and labor organizations. The Fund should be notified of this finding and provided an opportunity to explain accordingly how contributions can be made from the Fund without violating 2 U.S.C. §441b.

Dear Sir:

This letter is prompted by the Commission's interest in assisting candidates and committees to comply with the Federal Election Campaign Act, as amended. This law has, as you may know, many and sometimes complex provisions. 2 U.S.C. 431(d) defines "political committee" to mean any committee, club, association, or other group of persons which receives contributions or makes expenditures in excess of \$1,000 during a calendar year for the purpose of influencing a Federal election. Additionally, 2 U.S.C. 431(f)(3) states that transfers of funds to political committees which support Federal candidates are considered "expenditures".

Our review of the receipts reported by other political committees indicates that your organization may have in fact contributed in excess of \$1,000 to committees supporting Federal candidates. Therefore, it would appear that your organization may qualify as a "political committee" under the Act.

Enclosed are relevant informational materials with regard to the Federal Election Campaign Act, including the appropriate forms for registration and reporting by political committees. Please examine these materials and, if you agree that your organization is a political committee, please submit a Statement of Organization on FEC FORM 1 within ten days of receipt of this letter. In addition, your committee will be required to file disclosure reports in accordance with the provisions of 2 U.S.C. 434 on FEC FORM 3. If you believe that your organization is not a political committee, or that the Commission is otherwise in error, please submit a statement within ten days which would clarify this matter for public record.

If you have any questions concerning this matter, please do not hesitate to contact Sharon Snyder (202/382-3484), our Reports Analyst assigned to you.

In re: Richard J. Daley for Mayor Campaign Fund

Dear Ms. Bowen:

Pursuant to our telephone conversation of today I am writing you this letter to inform you that the \$1,250.00 contribution that was made to the Clancy for Congress Committee was the only such federal campaign contribution made by the Richard J. Daley for Mayor Campaign Fund which exceeded the \$1,000.00 limitation. The sum of money that was transferred from the Richard J. Daley for Mayor Campaign Fund to the Clancy for Congress Committee was made in two separate disbursements, a \$1,000.00 contribution in the primary campaign and a \$250.00 contribution was made in the general election. My investigation indicates that the funds that were transferred from the Richard J. Daley for Mayor Campaign Fund to the Clancy for Congress Committee did not involve contributions from private corporations or labor unions, however, they did include funds from political action committees of such organizations which are permitted under the Federal Election Campaign Act.

It is my understanding that the furnishing of this letter is in lieu of and will be accepted as satisfaction of the disclosure requirements which you have sought of the Richard J. Daley for Mayor Campaign Fund. I would appreciate it if you would confirm this understanding by letter so that we can close our file.

If you have any questions concerning this matter, please call me.

The Commission has reviewed this matter and your letters of February 1st and 16th and has found reason to believe that the Fund made contributions in violation of 2 U.S.C. §§431(d), 434, 433, 441b. Due to the sensitive nature of this particular violation, it is being referred to the Office of General Counsel for further action. As can be determined from the documentation attached, the Disclosure Division has attempted to obtain clarification of the situation through the compliance procedures, however, responses have been inadequate.

the transactions made by the Fund and also familiar with the personal financial affairs (particularly income tax matters) of the late mayor. This affidavit should include the following points:

- (1) that the Fund did not contain any funds donated or contributed by corporations, labor organizations, government contractors, or foreign nationals, except as specifically provided by Federal law (2 U.S.C. §441b, §441c, and §441e);
- (2) specify the amounts, the dates contributed, and the recipients of all other contributions from the Fund which were made to Federal candidates, their authorized campaign committees, or other political committees as defined in 2 U.S.C. §431(d);
- (3) a representation that all monies held by the Fund have been and are regarded as equivalent to personal funds of the late mayor; to wit, they are funds as to which he had a right of beneficial enjoyment under applicable State law, had legal and rightful title, and had legal right of access to or control over (compare §110.10 of the proposed regulations).

I will be glad to look over a draft of such letter if you desire. This further information by sworn affidavit will be necessary to avoid characterizing the Fund as a political committee under the Act.

MEMORANDUM TO: BRAD LITCHFIELD
THROUGH: IRENE ALLEN
FROM: CARROLL BOWEN
SUBJECT: RICHARD J. DALEY FOR MAYOR CAMPAIGN FUND

- The Richard J. Daley for Mayor Campaign Fund is a campaign fund which is registered and filing reports with the State of Illinois. (Information obtained from the Illinois office of the Secretary of State indicates that a local candidate's office account must register with the State when it exceeds \$1,000.)
- Richard J. Daley was the Chairman and the Treasurer of the Fund.
- The Fund made contributions to the Clancy for Congress committee totaling \$1,250. (House-Illinois) Correspondence from the Fund indicates that other Federal candidates may have been supported, but not in excess of \$1,000.
- The Fund does not contain contributions from corporations or labor unions, but does contain contributions from political action committees of such organizations.
- The Attorney for the Fund claims to be unfamiliar with the Fund, but after investigating it states that the contributions were from an office account established by the Richard J. Daley for Mayor Campaign which consists of excess campaign funds from the 1975 election; therefore, making the contributions personal contributions from the late Mayor, under Section 113.2 of the Proposed Regulations.
- The second letter received from the Attorney contains one contradiction: it states that a \$1,000 contribution was made to Clancy for Congress for the General Election. The Attorney's first letter states that \$250 was contributed to Clancy for the General Election. The Clancy for Congress Committee reports receiving \$250 from the Fund.

MEMORANDUM TO: THE FILE

FROM: CARROLL BOWEN

SUBJECT: RICHARD J. DALEY FOR MAYOR CAMPAIGN FUND

- 79040052276
- On 11/15/76 a first notice surface violation letter for a non-registered committee was sent to the Richard J. Daley for Mayor Campaign Fund, c/o the Democratic Party of Cook County, regarding contributions totaling \$1,250 to the Clancy for Congress Committee (House-Illinois). A second notice, no response, was sent on 12/3/76. (Attachment A)
 - On 12/14/76, John George, Attorney for the Fund, called to request an extension. He had not yet received the second letter. He was given a 15-working day extension. (Attachment B)
 - On 1/28/77, a call was placed to the Democratic Party of Cook County in an effort to locate someone connected with the Fund. Mrs. Manson, an employee of the Party informed me that the Party has no connection with the Fund and that the late Mayor had handled it. She referred me to Michael Daley (son) who contacted Mr. George, the Attorney. (Attachment C)
 - On 1/31/77, Mr. George called to apologize for not responding to our letters. We discussed the situation and he indicated that he was not that familiar with the Fund. He did state that the contributions were personal contributions from Daley, and was opposed to the idea of the Fund registering and reporting to the Commission. He said that he would do some investigating into the Fund and send a letter to clarify certain questions that I asked him. His letter should include the following items: 1) the contributions were personal contributions from Richard Daley; 2) the Fund has not supported other Federal candidates; and 3) a statement disclosing the source of funds. (Attachment C)
 - On 2/4/77, Mr. George's letter was received. The letter does not fully clarify any of the above-mentioned items. It indicates that the fund did not support any other Federal candidates in excess of \$1,000, and does not contain corporate or labor union funds, but does contain funds from political action committees of such organizations. There is no mention of the contribution being a personal contribution from Richard Daley. (Attachment D)
 - After conferring with Brad Litchfield, OGC, a call was placed to Mr. George to inform him that his letter was not sufficient to relieve the Fund of reporting obligations under the Act, but in fact seemed to indicate that the Fund is a political committee supporting Federal candidates in excess of \$1,000 during a calendar year. Further, he was advised that if the contributions to Clancy for Congress were personal contributions from Richard Daley, the late Mayor's estate should reimburse the Fund \$1,250 and the Clancy for Congress committee should amend their report to show that the contribution was from Richard Daley. Mr. George stated that it was not possible as there is no estate. He was able to give me some more information on the Fund. He said

MEMORANDUM FOR THE FILE
RICHARD J. DALEY FOR MAYOR CAMPAIGN FUND

that Richard Daley was the Chairman and the Treasurer of the Fund, and the Fund has been registered and reporting with the State. At this point, Mr. George said he would do some more investigating. I referred him to the appropriate places in the Act that apply to the situation. He said he would contact me within two weeks. (Attachment E)

- On 2/18/77, a letter was received from Mr. George. The letter states that the contributions to the Clancy for Congress Committee were made from an office account established by the Richard J. Daley for Mayor Campaign, which consists of excess campaign funds from the 1975 election, which constitutes a personal contribution from Richard Daley under Section 113.2 of the Proposed Regulations. The letter also states that \$1,000 was contributed to Clancy for Congress for the Primary Election and \$1,000 for the General Election. His first letter states that \$250 was contributed to Clancy for the General Election. Our records indicate that \$250 was contributed for the General Election. (Attachment F)

- A call was placed to the Illinois Secretary of State concerning the reporting requirements of a local candidate's office account. According to the information received, an account must register when it exceeds \$1,000.

Is the Richard J. Daley for Mayor Campaign Fund an office account, making the contributions subject to Section 113.2 of the Proposed Regulations; or is the Fund a political committee required to register and file reports in accordance with the Act?

RESPONSE (Circle One) : TELECON LETTER PERSONAL

Mr. George, Attorney for above-named committee, called to inform us that he received the first RAD letter (dated 11/15/76) on December 6th. A review of the files indicated that a 2nd letter was sent on 12/3/76, which the committee has not yet received. Mr. George was merely calling to request an extension. He asked for a 30-day extension. Instead, I requested the information no later than Jan. 7, 1977, which would be a 15-working day extension.

RE: TELECON

FROM: CARROLL BOWEN

DATE: 1/28/77

NAME OF COMMITTEE: RICHARD DALEY FOR MAYOR CAMPAIGN FUND

A call was placed to the Democratic Party of Cook County in reference to the letter sent to them for the above mentioned Fund. I spoke with a Mrs. Manson who informed me that the family of the former Mayor was handling the fund - the Democratic Party of Cook County was not involved with the Fund. She said she would find out who I should contact and would call me back. (312-263-0575)

Mrs. Manson referred me to Michael Daley, the former Mayor's son. I placed a call to him (312-RA6-8797), and he stated that he was quite sure that the letter had been responded to. He said he would check it out and call me back.

1/31/77

The Attorney for Daley called and apologized for not responding to our letter. He stated that there was a death in his family (Michael Daley also mentioned this). He promised to respond ASAP. The letter would state that the contribution was from Daley, the fund did not support any other Federal candidates, and he would disclose the source of funds used for the contribution.

In re: Richard J. Daley for Mayor Campaign Fund

Dear Ms. Bowen:

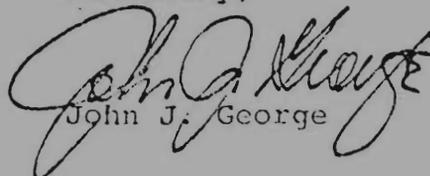

7804005281

Pursuant to our telephone conversation of today I am writing you this letter to inform you that the \$1,250.00 contribution that was made to the Clancy for Congress Committee was the only such federal campaign contribution made by the Richard J. Daley for Mayor Campaign Fund which exceeded the \$1,000.00 limitation. The sum of money that was transferred from the Richard J. Daley for Mayor Campaign Fund to the Clancy for Congress Committee was made in two separate disbursements, a \$1,000.00 contribution in the primary campaign and a \$250.00 contribution was made in the general election. My investigation indicates that the funds that were transferred from the Richard J. Daley for Mayor Campaign Fund to the Clancy for Congress Committee did not involve contributions from private corporations or labor unions, however, they did include funds from political action committees of such organizations which are permitted under the Federal Election Campaign Act.

It is my understanding that the furnishing of this letter is in lieu of and will be accepted as satisfaction of the disclosure requirements which you have sought of the Richard J. Daley for Mayor Campaign Fund. I would appreciate it if you would confirm this understanding by letter so that we can close our file.

If you have any questions concerning this matter, please call me.

Sincerely,

John J. George

NAME OF COMMITTEE: RICHARD DALEY FOR MAYOR CAMPAIGN FUND

After conferring with Brad Litchfield, Office of the General Counsel, I placed a call to John George, Attorney for the Fund, concerning the letter received from him in response to our surface violation letter.

I informed him that the information supplied in the letter indicates that the Fund was acting as a committee, required to register and report under the Act. I further informed him that Daley's estate could reimburse the Fund the money given to Clancy for Congress Committee and the committee could amend their report to show that the contributions were personal contributions from Daley. Mr. George stated that that would not be possible because there was no estate. He further stated that Daley was the Chairman and the Treasurer of the Fund, and the fund was registered with and reporting to the State. He also stated that it would be too hard on Daley's family to have to register the committee with the Commission and commence reporting.

He informed me that he would research the fund some more then send another letter.

In re: Contribution by Richard J. Daley
To The Clancy for Congress Committee

Dear Ms. Bowen:

I am writing you this letter to clarify the letter I had sent to you on February 1, 1977. The contribution that was made to the Clancy for Congress Committee was made from an office account established by the Richard J. Daley for Mayor Campaign. The amounts of money in this fund consisted of excess campaign funds which exceeded the amounts necessary to defray his 1975 campaign expenses. The late Mayor did not run for office in the year 1976 when the contribution was made to the Clancy for Congress Committee. Since these funds were excess campaign funds a contribution made to the Clancy for Congress Committee was properly a personal contribution under regulation 113.2 of the regulations of the Federal Election Commission which were promulgated on August 19, 1976. Since this was in fact a personal contribution it was governed by Section 110.1 of the Federal Regulations which permits individual contributions of \$1,000.00 for each election. Since there was a \$1,000.00 contribution for the primary election and a \$1,000.00 contribution for the general election there was in fact no violation under the Federal Campaign Act and therefore there is no reporting requirement by this fund.

I believe this letter clarifies my earlier letter and brings to a conclusion the inquiry you made concerning the contribution to the Clancy for Congress Committee. I would appreciate it if you would confirm by letter the conclusion I have reached in this matter so that I can close my file.

Sincerely,

John J. George

Dear Sir:

This letter is prompted by the Commission's interest in assisting candidates and committees to comply with the Federal Election Campaign Act, as amended. This law has, as you may know, many and sometimes complex provisions. 2 U.S.C. 431(d) defines "political committee" to mean any committee, club, association, or other group of persons which receives contributions or makes expenditures in excess of \$1,000 during a calendar year for the purpose of influencing a Federal election. Additionally, 2 U.S.C. 431(f)(3) states that transfers of funds to political committees which support Federal candidates are considered "expenditures".

Our review of the receipts reported by other political committees indicates that your organization may have in fact contributed in excess of \$1,000 to committees supporting Federal candidates. Therefore, it would appear that your organization may qualify as a "political committee" under the Act.

Enclosed are relevant informational materials with regard to the Federal Election Campaign Act, including the appropriate forms for registration and reporting by political committees. Please examine these materials and, if you agree that your organization is a political committee, please submit a Statement of Organization on FEC FORM 1 within ten days of receipt of this letter. In addition, your committee will be required to file disclosure reports in accordance with the provisions of 2 U.S.C. 434 on FEC FORM 3. If you believe that your organization is not a political committee, or that the Commission is otherwise in error, please submit a statement within ten days which would clarify this matter for public record.

If you have any questions concerning this matter, please do not hesitate to contact Sharon Snyder (202/382-3484), our Reports Analyst assigned to you.

Sincerely,
