Re: Lincoln Club of Riverside County, California ID # 890418  
Federal ID # C00241323

Name of Complainant: Howard J. "Buddy" Robbins  
37030 Carolyn Court  
Rancho Mirage, California 92270

I am informed and believe that the Lincoln Club of Riverside County, its treasurer, Janice L. Rudman, Congressman Ken Calvert, Congressman Sonny Bono, and Congressman Jerry Lewis have violated Federal Election laws limiting the amount of contributions to \$1,000 for individuals and prohibiting campaign contributions from corporations. I have enclosed copies of pages from the state Campaign Statements filed with the Riverside County Department of Elections which I believe show these violations. I have not undertaken a complete audit of this committee. It is therefore highly possible that several other infractions of the law exist.

The Lincoln Club has accepted donations from corporations and from individuals in excess of \$1,000. I have marked the reported information concerning such specific contributions on the enclosed documents, which are true and correct copies of those obtained from the Riverside County Department of Elections. In turn, the Lincoln Club has made donations to the three Congressmen described above. True and correct copies of the reported contributions are also included.

There were no FEC reports for this Committee available to me by the Department of Elections from after June 30, 1992. I am informed and believe that the violations of

Re: MUR 4290

Dear Sir:

The Lewis for Congress Committee has received the Federal Election Commission's letter dated December 27, 1995, along with the complaint and accompanying documents relative to MUR 4290.

The \$100 contribution received by this Committee on or about May 22, 1992 was duly reported on its 1992 July Quarterly statement. A copy of the contributor check is enclosed. It clearly states the contributor to be "Lincoln Club - Federal Account." This Committee believed then and still believes that on its face said \$100 contribution was appropriate and that no further action should be taken against this Committee because no violation on the part of this Committee of the Federal Election Campaign Act of 1971, as amended, occurred.

Sincerely,

Dear Ms Taksar

The Ken Calvert for Congress Committee received the complaint noted as MUR 4290 dated December 27, 1995 and received in this office on January 4, 1996 and are hereby responding to that complaint. I have requested supporting documentation from Janice L Rudman, the treasurer during the period in question and am enclosing copies for your information.

The complaint states that The Lincoln Club of Riverside County, has accepted donations from corporations in excess of \$1,000 and in turn made donations to this committee. I am enclosing copies of checks received by this committee from The Lincoln Club of Riverside County and each one of these checks are marked as "Federal Account". The Lincoln Club treasurers office has assured our committee that these funds were drawn on an account with funds which are allowable under the Federal Election Commission laws and that absolutely no corporate funds are deposited into this account.

The complaint included copies of a State of California report. I have checked with the current Lincoln Club Treasurer, Kathleen Daley Howe and her office informed me that the state reports reflect all reportable information including federal receipts and contributions.

I hope that I have addressed all of your questions appropriately. If you need further documentation from our office please contact me at (909)784-1811 and I will provide you with any information you may need.

Sincerely,

Teri L. Jeter

Re: MUR 4290  
Lincoln Club of Riverside County

Dear Ms. Taksar:

The complaint filed by Howard J. Robbins is unwarranted. His complaint is that the Lincoln Club violated Federal Election laws limiting the amount of contributions to \$1,000 from individuals and prohibiting campaign contributions from corporations.

The Lincoln Club is a nonconnected committee. It maintains a Federal account and a Non-federal account. All contributions deposited to the Federal account are in accordance with Federal Election laws as evidenced by the forms FEC 3X filed for the years in question. All contributions to federal candidates have been made from the Federal account.

Mr. Robbins has submitted copies of the California reporting forms and has incorrectly assumed that contributions deposited into the Non-federal account were used as contributions to federal candidates.

If you have any further questions, do not hesitate to contact me.

Very truly yours,

Janice L. Rudman

Dear Ms. Smith,

This letter is in reply to a complaint (MUR 4290) received that indicates that the Friends of Sonny Bono committee may have violated Federal Election laws limiting the amount of individual contributions.

The contribution in question is from the Riverside Lincoln Club Federal Account, received by our committee on 9/30/94, in the amount of \$5,000. This committee and its Treasurer, Betty Presley, did not purposely accept a contribution that may violate campaign law. To the best of our knowledge, this \$5,000 contributions is from a Federal PAC and is within the legal limit.

Enclosed is a copy of the contribution check. Please forgive the delay of this response, as we did not know that one was required. If you have any questions, please call us at (714) 540-9561.

Enforcement Priority

**SENSITIVE**

**GENERAL COUNSEL'S REPORT**

**I. INTRODUCTION**

In accordance with the objectives of the Enforcement Priority System ("EPS") adopted by the Commission in May 1993, the Office of the General Counsel has periodically recommended that the Commission not pursue cases that are stale or that, in comparison to other pending matters, do not appear to warrant the use of the Commission's limited resources. This General Counsel's Report recommends the Commission not pursue 43 cases that fall within these categories.

**II. CASES RECOMMENDED FOR CLOSING**

**A. Cases Not Warranting Further Pursuit Relative to Other Cases Pending Before the Commission**

A critical component of the Priority System is identifying those pending cases that do not warrant the further expenditure of Commission resources. Each incoming matter is evaluated using Commission-approved criteria and cases that, based on their rating, do not warrant pursuit relative to other pending cases are placed in this category. By closing such cases, the Commission is able to use its limited resources to focus on more important cases.

9604374542

Having evaluated incoming matters, this Office has identified 24 cases which do not warrant further pursuit relative to other pending matters.<sup>1</sup> A short description of each case and the factors leading to assignment of a relatively low priority and consequent recommendation not to pursue each case is attached to this Report. Attachments 1-24. As the Commission has previously requested, we have also attached responses and referral materials where that information has not been circulated previously to the Commission. Attachment 25.

**B. Stale Cases**

Investigations are severely impeded and require relatively greater resources when the activity, and the evidence of the activity, are old. Accordingly, the Office of the General Counsel recommends that the Commission focus its efforts on cases involving more recent activity. Such efforts will also generate more impact on the current electoral process and are a more efficient allocation of our limited resources. To this end, this Office has identified 19 cases that

this Office believes are

now too old to warrant the use of the Commission's resources

<sup>1</sup> These matters are MUR 4227 (Wellstone for Senate) (Attachment 1); MUR 4273 (Jesse Wineberry) (Attachment 2); MUR 4290 (Lincoln Club of Riverside County) (Attachment 3); MUR 4292 (Congressman Ron Packard) (Attachment 4); MUR 4293 (Willie Colon for Congress) (Attachment 5); MUR 4294 (Alan Keyes for President '96) (Attachment 6); MUR 4299 (UAW-V-CAP) (Attachment 7); MUR 4312 (Sonoma County Republicans) (Attachment 8); MUR 4316 (Ross Perot) (Attachment 9); MUR 4318 (Patrick Combs for Congress) (Attachment 10); MUR 4324 (Buchanan for President) (Attachment 11); MUR 4325 (Dan Garstecki for Congress '96) (Attachment 12); MUR 4329 (Golden Door) (Attachment 13); MUR 4330 (Trice Harvey) (Attachment 14); MUR 4333 (WSB-TV) (Attachment 15); MUR 4334 (Cox Communications) (Attachment 16); MUR 4336 (WSB-TV) (Attachment 17); MUR 4339 (WSB-TV) (Attachment 18); MUR 4348 (Soglin for Congress) (Attachment 19); MUR 4359 (Francis Thompson for Congress) (Attachment 20); MUR 4360 (Weyand Committee) (Attachment 21); MUR 4363 (WSB-TV) (Attachment 22); MUR 4364 (Friends of Jimmy Blake) (Attachment 23) and Pre-MUR 328 (Department of the Interior) (Attachment 24)

Because our recommendation not to pursue these cases is based on their staleness, this Office has not prepared separate narratives for these cases. we have attached responses and referral materials in those instances where the information was not previously circulated. Attachments 26-45.

This Office recommends the Commission exercise its prosecutorial discretion and no longer pursue the cases listed below effective September 3, 1996. By closing the cases effective that day, CED and the Legal Review Team each will have the necessary time to prepare closing letters and case files for the public record.

RE MUR 4290

Dear Mr Robbins

On December 20, 1995, the Federal Election Commission received your complaint alleging certain violations of the Federal Election Campaign Act of 1971, as amended ("the Act")

After considering the circumstances of this matter, the Commission has determined to exercise its prosecutorial discretion and to take no action against the respondents. See attached narrative. Accordingly, the Commission closed its file in this matter on September 3, 1996. This matter will become part of the public record within 30 days.

The Act allows a complainant to seek judicial review of the Commission's dismissal of this action. See 2 U.S.C. § 437g(a)(8).

**MUR 4290**  
**LINCOLN CLUB OF RIVERSIDE COUNTY**

Howard J. "Buddy" Robbins filed a complaint, based on 1992 and 1993 state campaign statements filed with the Riverside County Department of Elections, alleging that the Lincoln Club of Riverside County ("Committee") accepted corporate contributions and excessive contributions from individuals. The complainant also alleges the Committee made approximately \$18,700 in contributions to Representatives Ken Calvert, Sonny Bono, and Jerry Lewis using funds from impermissible sources.

In response to the complaint, the Committee states that it is a nonconnected committee with a federal and non-federal account. The Committee maintains that all contributions to federal candidates are made from the federal account. According to the Committee, the complainant incorrectly assumed that funds deposited into the non-federal account were used to make contributions to federal candidates because the Committee reports both federal and non-federal activity on its state reports. In fact, according to the Committee, all of the contributions at issue were drawn on the Committee's federal account and only contributions permissible under the Act are deposited into the federal account.

Betty Presley, treasurer of Friends of Sonny Bono, responds to the complaint by stating that to the best of her knowledge the \$5,000 contribution is from a federal political action committee. Ms. Presley encloses a copy of the contribution check at issue, drawn on the federal account of the Committee.

Teri L. Jeter, treasurer of the Ken Calvert for Congress Committee, states that the Committee treasurer's office assured her that the contributions were drawn on an account with funds that are permissible under the Act and that absolutely no corporate funds are deposited into this account. She, too, encloses a copy of the contribution checks at issue, drawn on the federal account of the Committee.

In response to the complaint, Arlene Willis, assistant treasurer for the Lewis for Congress Committee, states that the \$100 contribution check clearly indicates that the contribution was from the Committee's federal account. She also encloses a copy of the contribution check at issue, drawn on the federal account of the Committee.

This matter appears to involve a limited amount of money and is less significant relative to other matters pending before the Commission.

She, too, encloses a copy of the contribution checks at issue, drawn on the federal account of the Committee.

In response to the complaint, Arlene Willis, assistant treasurer for the Lewis for Congress Committee, states that the \$100 contribution check clearly indicates that the contribution was from the Committee's federal account. She also encloses a copy of the contribution check at issue, drawn on the federal account of the Committee.

This matter appears to involve a limited amount of money and is less significant relative to other matters pending before the Commission.

**MUR 4290**  
**LINCOLN CLUB OF RIVERSIDE COUNTY**

Howard J "Buddy" Robbins filed a complaint, based on 1992 and 1993 state campaign statements filed with the Riverside County Department of Elections, **alleging** that the Lincoln Club of Riverside County ("Committee") accepted corporate contributions and excessive contributions from individuals. The complainant **also alleges** the Committee made approximately \$18,700 in contributions to Representatives Ken Calvert, Sonny Bono, and Jerry Lewis using funds from impermissible sources.

In response to the complaint, the Committee states that it is a nonconnected committee with a federal and non-federal account. The Committee maintains that all contributions to federal candidates are made from the federal account. According to the Committee, the complainant incorrectly assumed that funds deposited into the non-federal account were used to make contributions to federal candidates because the Committee reports both federal and non-federal activity on its state reports. In fact, according to the Committee, all of the contributions at issue were drawn on the Committee's federal account and only contributions permissible under the Act are deposited into the federal account.

Betty Presley, treasurer of Friends of Sonny Bono, responds to the complaint by stating that to the best of her knowledge the \$5,000 contribution is from a federal political action committee. Ms. Presley encloses a copy of the contribution check at issue, drawn on the federal account of the Committee.

Teri L. Jeter, treasurer of the Ken Calvert for Congress Committee, states that the Committee treasurer's office assured her that the contributions were drawn on an account with funds that are permissible under the Act and that absolutely no corporate funds are deposited into this account. She, too, encloses a copy of the contribution checks at issue, drawn on the federal account of the Committee.

In response to the complaint, Arlene Willis, assistant treasurer for the Lewis for Congress Committee, states that the \$100 contribution check clearly indicates that the contribution was from the Committee's federal account. She also encloses a copy of the contribution check at issue, drawn on the federal account of the Committee.

This matter appears to involve a limited amount of money and is less significant relative to other matters pending before the Commission.
