OFFICE OF GENERAL COUNSEL

In Re: COYNE FOR CONGRESS COMMITTEE
FREDERICK N. FRANK, Treasurer

MUR No. 4315

COMPLAINT

1. Complainant, Daniel S. Cohen, resides at 427 Hastings Street, Pittsburgh, Pennsylvania 15206, and is registered to vote in the 14th Congressional District in the Commonwealth of Pennsylvania. Cohen is also a candidate in the April 23, 1996 Primary Election for the Democratic nomination for U.S. Representative in Congress in the 14th District.

2. Respondent, Coyne for Congress Committee, is the political committee of William J. Coyne, also a candidate in the Primary Election for the Democratic nomination for U.S. Representative in Congress in the 14th District (hereinafter "the Coyne Committee"). Frederick N. Frank is the Treasurer of the Coyne for Congress Committee.

3. The Schedule of Itemized Receipts included in its 1995 Year-end Report filed with the Federal Election Commission by the Coyne Committee appears to misstate the actual total contributions from nine political action committees (PACs). On information and belief, it is averred that the following PAC contributions are underreported:

 - g. **Air Line Pilots Association**
 - h. **Association for the Advancement of Psychology**
 - i. **Transportation Political Education League**

4. It is believed and therefore averred that the disparity in contributions received and reported totals \$10,000.

5. It appears, further, that the 1995 Year-end Report, as well as the 1995 Mid-year Report filed with the Federal Election Commission by the Coyne Committee failed to disclose contributions from five PACS. On information and belief, it is averred that the following PACS reported to the Commissioner making contributions totalling \$3,000 to the Coyne Committee which were not reported by the Coyne Committee:

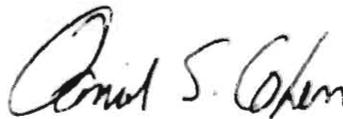

- a. **American Speech-Language-Hearing Association**
- b. **American Textile Manufacturers Institute**
- c. **Consolidated Rail Corporation Good Government Fund**
- d. **McDermott, Will & Emery PAC**

e. **White & Case PAC**

6. Based on the foregoing averments, Complainant believes that the Coyne Committee's non-compliance with the public disclosure provisions of the Federal Election Campaign Act of 1971, as amended, constitutes a violation or violations of that Act.

WHEREFORE, in light of the impending April 23, 1996 Primary Election, the allegations contained in this notarized Complaint, and pursuant to section 437g of the Act, Complainant respectfully requests that the Commission conduct an immediate investigation of possible violations by the Coyne Committee and undertake an audit of the Committee's filings with the Commission since the Committee's inception.

Respectfully submitted,

Daniel S. Cohen,
Complainant

RE: MUR 4315

Dear Ms. Taksar:

This is in response to your letter dated March 7, 1996 and the Complaint filed by Daniel S. Cohen at the above-referenced number against the Coyne for Congress Committee (hereinafter "the Committee"). We acknowledge the correctness of Paragraphs One (1) and Two (2) of the Complaint.

We deny the averments of Paragraph Three (3). All of the contributions from the nine (9) political action committees referenced in Paragraph Three (3) of the Complaint were duly reported and they will be reviewed *seriatim*. 96043743094

Mary L. Taksar, Esquire
March 18, 1996
Page 4

It is noted that with respect to each of the contributor PACs listed above, on the January 31 Year-End Report with respect to the last contribution received reported thereon, there was an arithmetic error in the aggregate year-to-date listed in the appropriate box for said listing. All of the contributions received, however, had been duly reported and there was no failure to disclose any of the individual contributions. Prior to receiving the Complaint filed at the above-referenced number, on March 1, 1996 by Federal Express, the Committee filed an amended report correcting the arithmetic errors in the aggregate year-to-date listings.

For the reasons stated aforesaid there is no "disparity in contributions received and reported" as averred in Paragraph Four (4) of the Complaint.

26043743095

With respect to the allegations set forth in Paragraph Five (5), when called to the Committee's attention that the aforesaid political action committees had reported making contributions to the Committee that it did not report, an investigation was immediately commenced as the Committee had no record of receipt of contributions in calendar year 1995 from any of the political action committees listed in Paragraph Five (5) of the Complaint. At the request of the Committee, officials of each of the political action committees investigated whether in fact the check in question representing the purported contribution to the Committee had been cashed and in each instance it was confirmed that the check had not been cashed, consistent with the Committee's records that these checks had never been received. Prior to receipt of the Complaint, the Committee wrote to each of the political action committees requesting that they amend their reports with the Federal Election Commission to reflect the fact that these contributions were in fact never completed. Further, again in advance of receiving any complaint, the Committee wrote to Chairman Elliott by letter dated March 1, 1996, a copy of which is attached hereto, requesting that the Federal Election Commission be advised of the fact that we had confirmed that these contributions purported as having been made never in fact cleared the account of the donor political action committee. We appended to said letter to Chairman Elliott each of the letters written to the individual political action committees confirming this fact and requesting an amendment of its FEC report. The Treasurer of the Committee was advised by telephone call dated March 7, 1996 from Peter Kell of the FEC that the Committee's letter setting forth these facts was now part of the public record of the Commission.

Mary L. Taksar, Esquire
March 18, 1996
Page 5

In closing, we believe that this specific complaint is frivolous in nature and filed for the purpose of drawing media attention prior to a primary election. These types of complaints do not reach even the minimal stature of serious, or for that matter even as technical violations of the Act. Dignifying this as a serious matter further erodes the credibility of the Federal Election Campaign Act.

For these reasons, this Committee would ask that the Commission act expeditiously and that action be taken on or before April 10, 1996 due to the pendency of the April 23, 1996 primary election in the Commonwealth of Pennsylvania.

We thank you very much.

Very truly yours,

Frederick N. Frank

26043743209

Mary L. Taksar, Esquire
March 18, 1996
Page 4

It is noted that with respect to each of the contributor PACs listed above, on the January 31 Year-End Report with respect to the last contribution received reported thereon, there was an arithmetic error in the aggregate year-to-date listed in the appropriate box for said listing. All of the contributions received, however, had been duly reported and there was no failure to disclose any of the individual contributions. Prior to receiving the Complaint filed at the above-referenced number, on March 1, 1996 by Federal Express, the Committee filed an amended report correcting the arithmetic errors in the aggregate year-to-date listings.

For the reasons stated aforesaid there is no "disparity in contributions received and reported" as averred in Paragraph Four (4) of the Complaint.

With respect to the allegations set forth in Paragraph Five (5), when called to the Committee's attention that the aforesaid political action committees had reported making contributions to the Committee that it did not report, an investigation was immediately commenced as the Committee had no record of receipt of contributions in calendar year 1995 from any of the political action committees listed in Paragraph Five (5) of the Complaint. At the request of the Committee, officials of each of the political action committees investigated whether in fact the check in question representing the purported contribution to the Committee had been cashed and in each instance it was confirmed that the check had not been cashed, consistent with the Committee's records that these checks had never been received. Prior to receipt of the Complaint, the Committee wrote to each of the political action committees requesting that they amend their reports with the Federal Election Commission to reflect the fact that these contributions were in fact never completed. Further, again in advance of receiving any complaint, the Committee wrote to Chairman Elliott by letter dated March 1, 1996, a copy of which is attached hereto, requesting that the Federal Election Commission be advised of the fact that we had confirmed that these contributions purported as having been made never in fact cleared the account of the donor political action committee. We appended to said letter to Chairman Elliott each of the letters written to the individual political action committees confirming this fact and requesting an amendment of its FEC report. The Treasurer of the Committee was advised by telephone call dated March 7, 1996 from Peter Kell of the FEC that the Committee's letter setting forth these facts was now part of the public record of the Commission.

In closing, we believe that this specific complaint is frivolous in nature and filed for the purpose of drawing media attention prior to a primary election. These types of complaints do not reach even the minimal stature of serious, or for that matter even as technical violations of the Act. Dignifying this as a serious matter further erodes the credibility of the Federal Election Campaign Act.

For these reasons, this Committee would ask that the Commission act expeditiously and that action be taken on or before April 10, 1996 due to the pendency of the April 23, 1996 primary election in the Commonwealth of Pennsylvania.

We thank you very much.

Very truly yours,

Frederick N. Frank

FIRST GENERAL COUNSEL'S REPORT

SENSITIVE

MUR: 4315
DATE COMPLAINT FILED: February 29, 1996
DATE OF NOTIFICATION: March 7, 1996
DATE ACTIVATED: April 29, 1996

STAFF MEMBER: Jeffrey Long

COMPLAINANT: Daniel S. Cohen
RESPONDENTS: Coyne for Congress Committee
Frederick N. Frank, as Treasurer
RELEVANT STATUTES: 2 U.S.C. § 434(b)(2)(D)
INTERNAL REPORTS CHECKED: Financial Disclosure Reports
FEDERAL AGENCIES CHECKED: None

I. GENERATION OF MATTER

The Commission received a complaint on February 29, 1996, filed by Daniel Cohen, a candidate for the Democratic nomination for U.S. Representative in Pennsylvania's 14th District. The Complainant lost the primary election with 34 % of the vote to William Coyne, whose committee is the named Respondent in the complaint. Cohen alleges that the Coyne Committee failed to report the receipt of contributions from five PACs totaling \$3,000 and, misreported the amounts of contribution received from nine political action committees, totaling \$10,000.

On March 4, three days prior to the date that the complaint notification letters were mailed, Frederick Frank, treasurer of Coyne for Congress, mailed a letter to the Commission explaining that it had been called to his attention that certain contributions were never reported. In that letter, he explains that the Committee contacted each of the five PACs and determined that none of the contribution

26043743212

checks had cleared the donors' accounts. The treasurer states that he then wrote to each donor PAC confirming that the checks had not cleared and requesting that they amend their FEC reports. Copies of those letters were included, (attachment 2).

In their March 19th response to the complaint, the Respondents reiterate their response to the allegations of not reporting contributions from the five PACs, and address the second allegation; the discrepancy in the amounts of nine PAC contributions. The respondent treasurer explains that the Committee received multiple contributions from the nine PACs, and although each contribution was disclosed on the appropriate report, the required aggregate year to date totals were not reported on the 1995 Year End Report for these nine PACs. Prior to receiving the complaint, the Respondents filed an amended report correcting the errors in the aggregate totals.

II. FACTUAL AND LEGAL ANALYSIS

According to 2 U.S.C. § 434(b)(2)(D), each treasurer of a political committee shall file reports of receipts and disbursements which shall disclose for the reporting period and calendar year, the total amount of all contributions from political committees. The Respondents were required to properly report all contributions received from the PACs.

With regard to the group of five unreported PAC contributions, the Respondents state that those checks were never received. They state that when contacted the five donors confirmed that the checks were not cashed, corroborating their records of never having received them. From the information provided it appears that the five PAC contributions were not reported by the Committee because they were never received.

¹ A review of the reports filed by the five PACs since the Respondents' letters were mailed indicate that two of the five contributors have properly reported their original contributions as voided checks. If the Commission accepts the recommendation to close this matter, this Office will forward letters to the other three PACs with a request that they properly amend their reports

With regard to the allegation that the Respondents misreported the total amount of contributions received from nine PACs, by their own admission the Respondents did fail to properly report the aggregate totals for the contributions as required by the Act. Although each contribution was disclosed individually, the aggregated contributions were not reported on the Year End Report. The total discrepancy in the aggregated total amounts caused by the misreporting is \$10,500. Therefore, this Office recommends that the Commission find reason to believe the Coyne for Congress Committee violated 2 U.S.C. § 434(b) for failing to report the aggregate totals for nine PAC contributions. Given the fact that the individual PAC contributions were each properly and timely filed, and the Respondents' efforts to immediately amend the public record, this Office further recommends that the Commission take no further action, close the file, and send an admonishment letter.

III. RECOMMENDATIONS

1. Find reason to believe the Coyne for Congress Committee and Frederick N. Frank, as treasurer, violated 2 U.S.C. § 434(b), and take no further action.
2. Approve the attached Factual and Legal Analysis.
3. Approve the appropriate letters.
4. Close the file.

RE: MUR 4315
Coyne for Congress Committee and
Frederick N. Frank, as treasurer

Dear Mr. Cohen:

This is in reference to the complaint you filed with the Federal Election Commission on February 29, 1996, concerning alleged reporting errors made by Coyne for Congress Committee.

Based on that complaint, on August 19, 1996, the Commission found that there was reason to believe Coyne for Congress Committee and Frederick N. Frank, as treasurer, violated 2 U.S.C. § 434(b), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act".) However, after considering the circumstances of this matter, the Commission determined to take no further action against the Respondents, and closed the file in this matter on that same date. This matter will become part of the public record within 30 days. The Act allows a complainant to seek judicial review of the Commission's dismissal of this action. See 2 U.S.C. § 437g(a)(8).

If you have any questions, please contact me at (202) 219-3690.

RE: MUR 4315
Coyne for Congress Committee and
Frederick N. Frank, as treasurer

Dear Mr. Frank:

On August 19, 1996, the Federal Election Commission found reason to believe that Coyne for Congress Committee ("Committee") and you, as treasurer, violated 2 U.S.C. § 434(b), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act.") However, after considering the circumstances of this matter, the Commission also determined to take no further action and closed its file. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

The Commission reminds you that failing to report the aggregate year-to-date totals of contributions received is a violation of the Act. You should take steps to ensure that this activity does not occur in the future.

The confidentiality provisions at 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record before receiving your additional materials, any permissible submissions will be added to the public record upon receipt.

If you have any questions, please contact Jeffrey Long, the staff member assigned to this matter, at (202) 219-3690.

Sincerely,

Lee Ann Elliott

Dear Mr. Bulcao:

During the course of an investigation, the Federal Election Commission has ascertained information which indicates that you may have failed to properly report a financial transaction, as required by the Federal Election Campaign Act of 1971, as amended.

Your Committee's reports indicate a contribution made to the Coyne for Congress Committee on May 8, 1995, in the amount of \$500. Our information indicates that that check did not clear your Committee's bank account, resulting in erroneous information on the public record. A review of our records further indicates that your Committee has not yet corrected its reports to reflect that the contribution check was not cashed. Please file all necessary amendments to your Committee's reports to properly reflect this and any related transactions on the public record.

If you have any questions, please call me on (800) 424-9530 or (202) 219-3690.

RE: MUR 4315

Dear Ms. Taksar:

This is in response to your letter dated March 7, 1996 and the Complaint filed by Daniel S. Cohen at the above-referenced number against the Coyne for Congress Committee (hereinafter "the Committee"). We acknowledge the correctness of Paragraphs One (1) and Two (2) of the Complaint.

We deny the averments of Paragraph Three (3). All of the contributions from the nine (9) political action committees referenced in Paragraph Three (3) of the Complaint were duly reported and they will be reviewed *seriatim*. h. Association for the Advancement of Psychology, Inc.

- The Committee received three (3) contributions from this PAC, one dated May 23, 1995 in the amount of Five Hundred Dollars (\$500) [See: p.1, ¶G of l. 11(c)] and one dated June 20, 1995 in the amount of One Thousand Five Hundred Dollars (\$1,500) [See: p.4, ¶D of l. 11(c)] both of which were reported on the July 31 Mid-Year Report; and one dated December 28, 1995 in the amount of One Thousand Dollars (\$1,000) which was reported on the January 31 Year-End Report [See: p.11, ¶G of l. 11(c)].

i. Transportation Political Education League

- The Committee received two (2) contributions from this PAC, one dated October 2, 1995 in the amount of Five Hundred Dollars (\$500) [See: p.7, ¶G of l. 11(c)] and one dated December 28, 1995 in the amount of One Thousand Dollars (\$1,000) [See: p.11, ¶F of l. 11(c)] both of which were reported on the January 31 Year-End Report.

96043744001

It is noted that with respect to each of the contributor PACs listed above, on the January 31 Year-End Report with respect to the last contribution received reported thereon, there was an arithmetic error in the aggregate year-to-date listed in the appropriate box for said listing. All of the contributions received, however, had been duly reported and there was no failure to disclose any of the individual contributions. Prior to receiving the Complaint filed at the above-referenced number, on March 1, 1996 by Federal Express, the Committee filed an amended report correcting the arithmetic errors in the aggregate year-to-date listings.

For the reasons stated aforesaid there is no "disparity in contributions received and reported" as averred in Paragraph Four (4) of the Complaint.

9 6 0 4 3 7 4 4 0 0 2

With respect to the allegations set forth in Paragraph Five (5), when called to the Committee's attention that the aforesaid political action committees had reported making contributions to the Committee that it did not report, an investigation was immediately commenced as the Committee had no record of receipt of contributions in calendar year 1995 from any of the political action committees listed in Paragraph Five (5) of the Complaint. At the request of the Committee, officials of each of the political action committees investigated whether in fact the check in question representing the purported contribution to the Committee had been cashed and in each instance it was confirmed that the check had not been cashed, consistent with the Committee's records that these checks had never been received. Prior to receipt of the Complaint, the Committee wrote to each of the political action committees requesting that they amend their reports with the Federal Election Commission to reflect the fact that these contributions were in fact never completed. Further, again in advance of receiving any complaint, the Committee wrote to Chairman Elliott by letter dated March 1, 1996, a copy of which is attached hereto, requesting that the Federal Election Commission be advised of the fact that we had confirmed that these contributions purported as having been made never in fact cleared the account of the donor political action committee. We appended to said letter to Chairman Elliott each of the letters written to the individual political action committees confirming this fact and requesting an amendment of its FEC report. The Treasurer of the Committee was advised by telephone call dated March 7, 1996 from Peter Keil of the FEC that the Committee's letter setting forth these facts was now part of the public record of the Commission.

Mary L. Taksar, Esquire
March 18, 1996
Page 5

In closing, we believe that this specific complaint is frivolous in nature and filed for the purpose of drawing media attention prior to a primary election. These types of complaints do not reach even the minimal stature of serious, or for that matter even as technical violations of the Act. Dignifying this as a serious matter further erodes the credibility of the Federal Election Campaign Act.

For these reasons, this Committee would ask that the Commission act expeditiously and that action be taken on or before April 10, 1996 due to the pendency of the April 23, 1996 primary election in the Commonwealth of Pennsylvania.

We thank you very much.

Very truly yours,

Frederick N. Frank
