GENERAL COUNSEL'S REPORT

BACKGROUND

On July 19, 1978, the Commission found reasonable cause to believe that the Nimrod for Congress Committee violated 2 U.S.C. §§433, 434(a)(1), and 439(a) for its failure to file a pre-election report, a statement of organization, and three other reports in a timely manner with the Illinois Secretary of State's Office. The Commission also approved a conciliation agreement which included a \$100 civil penalty.

ANALYSIS

K. J. James, treasurer of the Nimrod for Congress Committee, mailed a letter to the Commission which was received on July 28, 1978. James explained that the reason these reports were not filed with the Illinois Secretary of State's office was because he had been sending them to the "State Board of Elections". Apparently reports transferred from the "State Board of Elections" to the Secretary of State's Office were either misplaced or lost.

A telephone conversation on August 2, 1978 with John Hofferkamp of the Illinois Secretary of State's Office appears to confirm this. Several of the committee reports which the Secretary of State's Office had received were addressed to the "State Board of Elections". Hofferkamp stated that it was very possible that some reports were lost when they were transferred

110381675

to the Secretary of State's office from the State Board of Elections. A telephone call to the Illinois State Board of Elections on August 2, 1978 reveals that their office does not keep copies of reports of federal candidates mistakenly filed with them. These reports are merely forwarded to the Secretary of State's office with no record of their receipt by the State Board of Elections.

While the Nimrod for Congress Committee failed to file its reports with the proper state agency, it appears in this instance that the respondent did file its reports timely, albeit improperly. The Office of General Counsel therefore recommends that the Commission approve the attached conciliation agreement which is a modification of the first conciliation agreement approved by the Commission on July 19, 1978. In light of the above facts, the attached conciliation agreement does not include a civil penalty but provides for the respondent committee to report in the future with the proper state office, namely the Illinois Secretary of State pursuant to 2 U.S.C. §439(a).

RECOMMENDATION

Approve the attached conciliation agreement.

Send the attached letter.

Re: MUR 544 (78)

Dear Mr. Oldaker:

I am in receipt of your letter dated July 21, 1978 concerning the "Nimrod For Congress Committee". On April 26, 1978 we sent you a letter explaining that we have been filing reports with the "State Election Commission". We sent a copy of that letter to the State Board of Elections and received a letter in reply on August 1, 1978 from Mr. James Tanuto, a copy of which is attached. On May 3, 1978 we sent the missing reports directly to the Secretary of State's Office in accordance with Mr. Tanuto's letter.

I received your letter dated July 19th, and I tried to contact Mr. Tanuto to see if the State Board of Elections had been forwarding our reports to the Secretary of State's Office. Mr. Tanuto has left the State Board of Elections, and his replacement Mr. Tom Cloonan in the Chicago office, could find no copy of our reports or even of Mr. Tanuto's letter to us. I also called Barbara Mason, at the State Board of Elections in Springfield, and she also had no record.

I then called the Secretary of State's Office, Index Division, in Springfield and talked to Mr. Hofferkamp. He was able to locate a post-election report dated March 1, 1976 to March 31, 1976 and four quarterly reports for the three month periods ended June 30, 1976, September 30, 1976, March 31, 1977 and June 30, 1977. He also received on May 8th the missing reports which were sent by us on May 3, 1978 directly to the Secretary of State's Office after receiving Mr. Tanuto's letter.

I think it is quite clear that the State Board of Elections has not been forwarding copies of our reports to the Secretary of State's Office. This includes even the reports that were attached to our letter of April 26, 1978. We received a reply on May 1, 1978 without any indication that they would be forwarded. Mr. Hofferkamp said that it "has happened before" that the

16918001

Mr. William G. C. Oldaker, General Counsel (Cont'd)

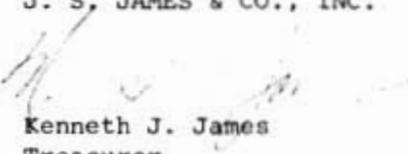

July 25, 1978

State Board of Elections has not forwarded reports to them. He said that each office gets many of the other's reports and should forward them, but apparently often the State Board of Elections does not adhere to this. This is why the Secretary of State had some of our reports, but was missing others.

I would, therefore, be willing to sign, if necessary, a conciliatory agreement to the effect that reports were misfiled with the "State Board of Elections" instead of the "Secretary of State", Index Division. I also ask that the \$100.00 fine be waived because of the fact that we did file the reports on time with the State of Illinois, and were never notified that they were going to the wrong office or that they were not being forwarded.

Sincerely yours,

RE: MUR 544(78)

Dear Mr. James:

On July 19, 1978, the Commission determined there was reasonable cause to believe that the committee committed a violation of 2 U.S.C. §§433, 434(a)(1) and 439(a) of the Federal Election Campaign Act of 1971, as amended. The Commission found reasonable cause to believe that the committee failed to file certain committee reports in a timely manner with the Illinois Secretary of State's office. Specifically, the following reports were not filed on time: the statement of organization of the committee; a pre-election report prior to the March 16, 1976 primary; a January 31, 1977 year end reports of receipts and expenditures; an October 10, 1977 quarterly report of receipts and expenditures; and a January 31, 1978 year end report of receipts and expenditures.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. If we are unable to reach an agreement during that period, the Commission may, upon a finding of probable cause to believe a violation has occurred, institute civil suit in United States District Court and seek payment of a civil penalty not in excess of \$5000.00.

We enclose a conciliation agreement that this Office is prepared to recommend to the Commission in settlement of this matter. If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with the amount of the civil penalty to the Commission within ten days. I will then recommend that the Commission approve the agreement.

If you have any questions or suggestions for changes in the enclosed conciliation agreement please contact Christopher Tow, the attorney assigned to this matter at (202) 523-4073.

Nimrod for Congress Committee) MUR 544(78)

John J. Nimod)

GENERAL COUNSEL'S REPORT

BACKGROUND

As previously reported, on April 13, 1978 the Commission found reason to believe that the Nimrod for Congress Committee violated 2 U.S.C. §§433, 434(a)(1) and 439(a) for its failure to file certain reports with the Illinois Secretary of State's office. Also the Commission found reason to believe that candidate John Nimrod violated 2 U.S.C. §§434(a)(1) and 439(a) for his failure to file reports with the Commission and with the Illinois Secretary of State's Office.

ANALYSIS

The Nimrod for Congress Committee failed to file a statement of organization, a pre-primary election report due March 6, 1978, and three other quarterly or year end reports with the Illinois Secretary of State's office. On May 8, 1978, a telephone call from that Office revealed that it has recently received these reports from the Nimrod committee. Thus it appears that this committee is presently up to date in its reporting.

However, the committee's failure to file its reports in a timely manner with the Illinois Secretary of State is clearly in violation of section 439(a) of the Act. It should be noted that the Nimrod committee's filing of some of its reports with the

7971696

Secretary of State's office indicates knowledge of their obligation under section 439(a) of the Act. We would therefore, recommend that the Commission find reasonable cause to believe that the candidate's committee violated 2 U.S.C. §§433, 434(a)(1) and 439(a). In light of the fact that the committee failed to file a pre-election report, a statement of organization, and three other reports, we would also recommend a \$100.00 civil penalty as part of a conciliation agreement.

As for candidate Nimrod, the Commission received all of his required reports in two mailings on June 12, 1978 and June 26, 1978. Copies were also filed at the Illinois Secretary of State's office. Nimrod stated in a telephone conversation that he had thought his committee was fulfilling all of the necessary reporting requirements and that reporting was not required of him as he had personally not received any contributions nor made any expenditures for his campaign. The fact that all his recently filed reports show a zero balance seems to support this contention since all campaign activity is reflected in the committee reports. We therefore recommend that this matter be closed as to candidate Nimrod and the nonfiling of his reports.

RECOMMENDATION

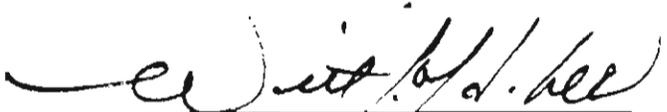

Close this matter as to candidate John Nimrod's failure to file his candidate reports.

Find reasonable cause to believe that the Nimrod for Congress Committee violated 2 U.S.C. §§433, 434(a)(1), and 439(a).

Approve the attached conciliation agreement.

Send the attached letters.

RE: MUR 544(78)

Dear Mr. James:

On _____, 1978, the Commission determined there was reasonable cause to believe that the committee committed a violation of 2 U.S.C. §§433, 434(a)(1) and 439(a) of the Federal Election Campaign Act of 1971, as amended. The Commission found reasonable cause to believe that the committee failed to file certain committee reports in a timely manner with the Illinois Secretary of State's office. The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. If we are unable to reach an agreement during that period, the Commission may, upon a finding of probable cause to believe a violation has occurred, institute civil suit in United States District Court and seek payment of a civil penalty not in excess of \$5000.00.

In the Matter of)

K.J. James, Treasurer)
John J. Nimrod)

Interim Report

On April 13, 1978, the Commission found reason to believe that the Nimrod for Congress Committee violated 2 U.S.C. §§433, 434(a)(1), and 439(a) for its failure to file a Statement of Organization, a pre-primary election report due March 10, 1976, and three other quarterly or year end reports with the Illinois Secretary of State's office. The Commission also found reason to believe that candidate John Nimrod violated 2 U.S.C. §§434(a)(1) and 439(a) for his failure to file any reports with the Commission and with the Illinois Secretary of State's office. The appropriate letters were mailed to the respondents.

On April 28, 1978, the Commission received the five required reports from the Nimrod for Congress Committee. Concerning the committee's failure to file with the Illinois Secretary of State, the Commission received a telephone call on May 8, 1978 from that office. As requested in previous conversations, they informed us of their receipt of all the required reports from the committee including an April 10, 1978

7 9 9 1 0 0 3 1 7 2 7

quarterly report. The Nimrod for Congress Committee is presently up to date in its reporting to both the Commission and the Illinois Secretary of State's office.

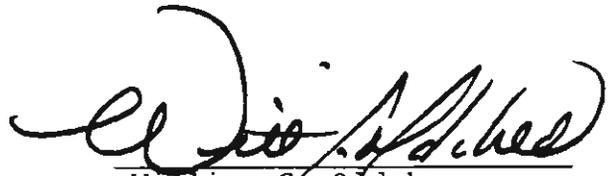

John Nimrod's candidate reports however, have not yet been received. In a May 12, 1978 telephone conversation with the General Counsel's office, Nimrod stated that he had not read the Commission's reason to believe notification and that he did not have the proper FEC forms. He was informed of the violation and the reporting requirements of the Act. Nimrod was also told that in light of the time which has transpired since his unsuccessful 1976 primary bid, he should file a statement of candidacy, year end reports for 1976 and 1977, and possibly a termination report if he desires. He agreed to do so.

A packet of FEC forms and a cover letter confirming this telephone conversation were mailed to Nimrod on May 22, 1978. In the cover letter, Nimrod is advised that he should send in his reports within ten days of his receipt of the envelope. We are presently awaiting his response and at that time will make a recommendation to the Commission.

Re: MUR 544

Dear Mr. Nimrod:

This letter concerns your failure to file candidate reports for your 1976 campaign for the House of Representatives in the 10th District of Illinois. The Federal Election Commission ("the Commission") notified you in an earlier correspondence, received at your home on May 4, 1978, of its reason to believe that you may have violated Sections 434 and 439 of the Federal Election Campaign Act of 1971, as amended ("the Act").

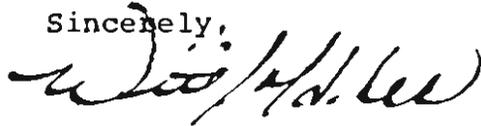

Pursuant to your telephone conversation with Christopher Tow on May 12, 1978 you will find in this envelope the necessary materials for you to comply with the reporting requirements of Sections 434 and 439 of the Act. Please note that Section 439 requires that a copy of all reports also be sent to the Illinois Secretary of State's office.

In light of the time which has transpired, please be advised that we would require from you a statement of candidacy, year end reports for 1976 and 1977. If you wish, a termination report may also be filed by checking the box marked termination report on one of the enclosed Form 3 Statements and filling out the remainder of the form. Please send in the reports within ten days of your receipt of this envelope.

If you have any further questions, please contact Christopher Tow, the attorney assigned to this matter at (202) 523-4073.

William C. Oldaker

Re: Nimrod For Congress Committee, M U R 544 (78)

Dear Mr. Steele:

We have received your letter dated April 19th concerning a complaint against the Nimrod For Congress Committee because we have failed to file certain committee reports as required. Mr. Kenneth James, who is the Treasurer of the Nimrod For Congress Committee is out of the country until the first week in May. I had worked with Mr. James in preparing all of these reports and I am sending this letter at this time because you had requested a response within ten days. I am enclosing copies of all of the reports which you have indicated in your letter were not submitted to the State Election Commission. By copy of this letter I am also sending another copy of all of these reports to the State Election Commission. At no time did we fail to submit reports either to the proper federal authorities or to the proper state authorities. In addition, all reports were mailed on time as required.

When this campaign committee was first organized we submitted the Statement of Organization to the Federal Election Commission and at that time we received instructions from them for filing. The instructions stated that a copy of all reports be mailed to our state authorities, which we began doing. We had never heard from the State Election Commission regarding the filing of these reports so we consequently assumed that the filing was done properly. If the State of Illinois was missing some reports, they failed to notify us of this.

I trust that the above information is satisfactory to you. The individual who made the complaint is free to review all of the reports which we have failed. At no time did we intentionally withhold information from anyone.

Sincerely yours,

J. S. JAMES & CO., INC.

Re: MUR 544 (78)

Dear Mr. Nimrod:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission has found that you may have violated certain provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). Specifically, it appears that you failed to file candidate reports (as distinguished from committee reports) with the Commission and with the Illinois Secretary of State's office pursuant to Sections 434, and 439 of the Act. We have numbered this matter MUR 544 (78).

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter.

The Commission is under a duty to investigate this matter expeditiously. Therefore, your response should be submitted within ten days after your receipt of this notification.

If you have any questions, please contact Christopher Tow, the attorney assigned to this matter at (202)523-4073.

This matter will remain confidential in accordance with 2 U.S.C. Section 437g(a)(3)(B) unless you notify the Commission in writing that you wish the investigation to be made public.

Re: MUR 544 (78)

Dear Mr. James:

The Federal Election Commission has received a complaint which alleges your committee committed certain violations of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint is enclosed. We have numbered this matter MUR 544 (78). The Commission has reason to believe that the matters alleged therein state a violation of 2 U.S.C. §§433, 434 and 439. It appears that as treasurer and on behalf of the committee you have failed to file certain committee reports as required under the Act with the Illinois Secretary of State's office. Specifically, the following reports have not been filed at that office: the Statement of Organization by the Committee; a pre-election report prior to the March 16, 1976 primary; a January 31, 1977 Year End Report of Receipts and Expenditures; an October 10, 1977 Quarterly Report of Receipts and Expenditures; and a January 31, 1978 Year End Report of Receipts and Expenditures.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter.

The Commission is under a duty to investigate this matter expeditiously. Therefore, your response should be submitted within ten days after your receipt of this notification.

MUR NO. 544 (78)

BY OGC March 7, 1978

COMPLAINANT'S NAME: William J. Benson

RESPONDENT'S NAME: The Nimrod for Congress Committee
K.J. James, Treasurer
John J. Nimrod

RELEVANT STATUTE: 2 U.S.C. §434(a)(1), 2 U.S.C. §439(a),
2 U.S.C. §433,
Regulation 101.3, 2 U.S.C. §439(b)(3)

INTERNAL REPORTS CHECKED: The Nimrod for Congress Committee's Registration Form and Statement of Organization; The Nimrod for Congress Committee's pre-election and post-election reports; and The Nimrod for Congress Committee's quarterly reports from April 10, 1976 through January 31, 1978.

FEDERAL AGENCIES CHECKED: Clerk of the House of Representative's Office, Mr. Steve Duffy

STATE AGENCIES CHECKED: Illinois Secretary of State's Office, Mr. John Hofferkamper

SUMMARY OF ALLEGATIONS

The complainant alleges that the Nimrod for Congress Committee failed to file pre-election and post-election disclosure statements at the Illinois Secretary of State's office. Complainant alleges that the filing of the statements was required pursuant to rules and regulations adopted to implement the Federal Election Campaign Act. Complainant also alleges that the Act requires a candidate or his committee to keep such records available for the complainant's inspection.

PRELIMINARY LEGAL ANALYSIS

2 U.S.C. §434(a)(1) requires reports of receipts and expenditures to be filed with the Commission by the treasurer of each political

7631762

committee supporting a candidate for election to office and by each candidate for election to such office. This section further sets forth deadlines for the filing of such reports and the types of contributions and expenditures which must be reported.

Section 439(a) of the Act states that each statement required to be filed with the Commission shall also be filed with the Secretary of State of the appropriate state. Section 439(b)(3) requires that the Secretary of State make all reports filed with him available for public inspection.

A telephone conversation with Mr. John Hofferkamper of the Illinois Secretary of State's office on March 13, 1978, revealed that although the respondent committee did file a post-election report, only five out of the required ten reports to date had been filed at their office. Complainant's allegation that the respondent committee failed to file a pre-election report with the Illinois Secretary of State appears to be true. In addition, respondent committee apparently has failed to file a statement of organization pursuant to Section 433 of the Act, an October 10, 1977 quarterly report and year end reports due January 31, 1977 and January 31, 1978 pursuant to Section 434 of the Act.

With respect to the candidate himself, it appears that he has failed to satisfy the reporting requirements of Sections 434 and 439. The candidate has failed to file reports with the Commission pursuant to Section 434(a)(1). Also the Illinois Secretary of State's Office has received no reports from the candidate pursuant to Section 439(a).

Regulation 101.3 entitled, "Waiver of Candidate Reporting" relieves the candidate of the duty of personally filing reports if the candidate so indicates on FEC form 2 or in a letter. FEC form 2 is the statement of a candidate for nomination or election to federal office. A check of the Commission's internal files reveals that candidate John J. Nimrod did not file an FEC form 2 nor did he file any waiver letter. Telephone conversations with Mr. Steve Duffy of the Clerk of the House of Representative's office and with Mr. John Hofferkamper of the Illinois Secretary of State's office likewise reveal that candidate John J. Nimrod did not file any FEC form 2 or waiver letter at their office.

RECOMMENDATION

Find reason to believe that the Nimrod for Congress Committee is in violation of 2 U.S.C. §§433, 434(a)(1), and 439(a). Find reason to believe that candidate John J. Nimrod is in violation of 2 U.S.C. §§434(a)(1) and 439(a). Also send the attached letters.

We have numbered this matter MUR 544 (78).

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter.

Re: MUR 544 (78)

Dear Mr. James:

The Federal Election Commission has received a complaint which alleges your committee committed certain violations of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint is enclosed. We have numbered this matter MUR 544 (78). The Commission has reason to believe that the matters alleged therein state a violation of 2 U.S.C. §§433, 434 and 439. It appears that as treasurer and on behalf of the committee you have failed to file certain committee reports as required under the Act with the Illinois Secretary of State's office. Specifically, the following reports have not been filed at that office: the Statement of Organization by the Committee; a pre-election report prior to the March 16, 1976 primary; a January 31, 1977 Year End Report of Receipts and Expenditures; an October 10, 1977 Quarterly Report of Receipts and Expenditures; and a January 31, 1978 Year End Report of Receipts and Expenditures.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter.

The Commission is under a duty to investigate this matter expeditiously. Therefore, your response should be submitted within ten days after your receipt of this notification.

If you have any questions, please contact Christopher Tow, the attorney assigned to this matter at (202)523-4073.

This matter will remain confidential in accordance with 2 U.S.C. §437g(a)(3)(B) unless you notify the Commission in writing that you wish the investigation to be made public.

If you intend to be represented by counsel in this matter, please have such counsel so notify us in writing.

Dear Sirs:

In accord with the Federal Election Commission regulatory provision 111.2, I wish to file a complaint alleging violations of Federal Election law by the Nimrod for Congress Committee, c/o K. J. James, 6030 Sheridan Rd., Chicago, IL 60660, Federal campaign identification # 053554; a 1976 campaign committee formed with the intent of electing John J. Nimrod to the U.S. Congress, 10th district, Illinois.

Attempts on my part to secure copies of the 1976 10 day pre-election and 30 day post-election campaign finance disclosure statements by the Nimrod Committee at the Illinois Secretary of State's office were unsuccessful due to the apparent failure of that committee to file such statements with State officers as required by FEC rules 104.4 (b); 104.12 (d); and 108.3.

On several occasions I personally contacted Mr. Nimrod with the aim of securing the reports from him personally. Each time he refused to produce the reports. At our last meeting Nimrod told me that he could not produce the records because his committee treasurer was "out of the country."

Irrespective of a treasurer's supposed inavailability, FEC rule 104.12 (b) (3) stipulates that a candidate or his committee must keep such records available for inspection.

On the basis of these facts I wish to formally file a complaint to the effect that the Nimrod committee is in violation of FEC law. I certify that the statements contained herein are true to the best of my knowlege.

RELEASE: ON RECEIPT

(202) 523-4065

FEC PUBLISHES LIST OF 1977 YEAR-END REPORT "NON-FILERS"

WASHINGTON - March 27 - The Federal Election Commission today published the names of 203 Federal candidates, their principal campaign committees, and other political committees from 36 states and the District of Columbia, which failed to file 1977 year-end campaign finance reports.

NOTE: The list of 1977 year-end "Non-Filers" follows:

All federal candidates without personal reporting waivers, their principal campaign committees, and all other political committees were required to file a 1977 year-end finance report by January 31, 1978, regardless of the amount of money raised or spent during the year. Committees active during 1977 which had filed a termination report prior to the end of the year were exempt.

The Federal Election Campaign Act of 1971, as amended in 1974 and 1976, states that "it shall be the duty of the Commission to...prepare and publish from time to time special reports listing those candidates...for whom...reports were not filed as so required."

In addition to publishing the names of non-filers, the FEC has the authority to undertake further enforcement action under the statute, including civil court enforcement and imposition of civil fines (\$5,000 for "any violation" and \$10,000 for a "knowing and willful violation.")

Under FEC procedures, three notices are sent to the candidates and committees reminding them of their reporting obligations, and urging compliance. If a report is not filed following these notices, the names of all "non-filers" are made public.

"Prior notice" is the first reminder sent on a routine basis prior to the filing date, to all candidates on election ballots in their respective states, as certified by their Secretary of State, and confirmed by lists with the Clerk of the House and the Secretary of the Senate and to all other candidates and political committees registered with the Commission. This notice simply reminds candidates and committees of their required reports, and the appropriate filing dates.

The second notice is sent only to candidates and committees whose reports have not been received by or shortly after the filing date, and states that this "apparent failure...gives the Commission 'reason to believe' that the candidate or committee is in violation of the reporting requirements."

The third notice is sent only to candidates and committees whose reports are not filed in response to the second notice, and states that "continued failure to file has given the Commission 'reasonable cause to believe' that they are in violation and that "failure to respond may subject the candidate or committee to civil penalties and...to publication of the candidate's or committee's name on a list of non-filers."

When a candidate or committee continues to fail to file after receiving the three notices, the Commission publishes the name of the candidate and/or committee on a list of "non-filers".

73 MAR 7 PM 12:10
March 1, 1978

William J. Benson
1128 E. 160th Place
South Holland, IL
60473

Federal Election Commission
1325 K Street N.W.
Washington, D.C. 20463

Dear Sirs:

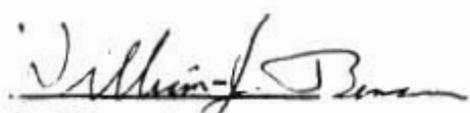

In accord with the Federal Election Commission regulatory provision 111.2, I wish to file a complaint alleging violations of Federal Election law by the Nimrod for Congress Committee, c/o K. J. James, 6030 Sheridan Rd., Chicago, IL 60660, Federal campaign identification # 053554; a 1976 campaign committee formed with the intent of electing John J. Nimrod to the U.S. Congress, 10th district, Illinois.

Attempts on my part to secure copies of the 1976 10 day pre-election and 30 day post-election campaign finance disclosure statements by the Nimrod Committee at the Illinois Secretary of State's office were unsuccessful due to the apparent failure of that committee to file such statements with State officers as required by FEC rules 104.4 (b); 104.12 (d); and 108.3.

On several occasions I personally contacted Mr. Nimrod with the aim of securing the reports from him personally. Each time he refused to produce the reports. At our last meeting Nimrod told me that he could not produce the records because his committee treasurer was "out of the country."

Irrespective of a treasurer's supposed inavailability, FEC rule 104.12 (b) (3) stipulates that a candidate or his committee must keep such records available for inspection.

On the basis of these facts I wish to formally file a complaint to the effect that the Nimrod committee is in violation of FEC law. I certify that the statements contained herein are true to the best of my knowlege.

William J. Benson
