GENERAL COUNSEL'S REPORT

I. BACKGROUND

In 1978 the Reports Analysis Division referred to the Office of General Counsel all candidates and committees which failed to timely file one or more of the following reports: the 1977 year-end report, the 10 day pre-primary report, the 30 day post-primary report, and the 10 day pre-general report.

The Commission reviewed all of the candidates and committees which failed to file and in accordance with the criteria set forth in the Commission's non-filer memorandum dated May 23, 1978, determined to take further action through conciliation against a number of the candidates and committees. For those candidates and committees which did not conciliate, the Commission found probable cause. 1/ The Commission directed the Office of General Counsel to review all of the candidates and committees against which probable cause was found and to recommend to the Commission those candidates and committees against which a civil action should be filed.2/

- 
- 1/ Except for those candidates and committees which failed to file the 1977 year-end report, the Commission did not authorize the filing of civil suits.
- 2/ Four candidates and one committee against which the Commission found probable cause for failure to file reports of receipts and expenditures are not included in this report. They are: the Committee Amigos de Jaime Benitez, NF 54 (Puerto Rico); the New York State Voter Registration Drive, NF 59 (New York); the Committee to Elect Louis Nine to Congress, NF 62 (New York); the North Carolina Democratic Inaugural Committee, NF 70 (North Carolina); and Sanford Krasnoff, NF 193 (Louisiana). Civil actions for failure to timely file and for other violations of FECA were brought against the Committee Amigos de Jaime Benitez and Sanford Krasnoff. A civil action for failure to timely file was brought against the Committee to Elect Louis Nine to Congress and a consent decree has been obtained. The New York State Voter Registration Drive was referred to the Audit Division for an audit. Conciliation is proceeding for failure to timely file and for other violations of FECA with the North Carolina Democratic Inaugural Committee in MUR 859.

II. ANALYSIS

A. 1977 Year-End Non-Filers

The Commission has found probable cause against the following 1977 year-end non-filers:

Allen Blume for Congress	(Alaska)
Howard for Congress	(Arizona)
Joseph H. Parisian Congressional Campaign	(Florida)

Attachment I lists each respondent and indicates each respondent's filing history and financial activity for 1978.

All of the respondents are principal campaign committees of candidates who ran for election to federal office in 1976. None of the candidates ran for election to federal office in 1978. The respondent committees appear to be defunct. As none of the respondents filed 1978 quarterly reports there is no indication of financial activity.

Because of the inactivity of these committees in the 1978 elections, the Office of General Counsel recommends that the Commission not bring a civil action for relief against them, but close the files.

B. Pre- and Post-Election Non-Filers

The Commission has found probable cause against the following 10 day pre-primary, 30 day post-primary, and 10 day pre-general non-filers:

Donald Wylie Hobbs	(Alaska)
Ares for Congress	(California)
Harold R. Boylan	(California)
B. E. (Happy) Henschel	(California)
My Principal Campaign Committee (Henschel)	(California)
Hughes for Congress	(California)

Ronald C. Arline	(Tennessee)
People Working for Ron Arline	(Tennessee)
Peter Diamondstone (Committee)	(Vermont)

Attachment II lists each respondent and indicates each respondent's filing history and financial activity for 1978.

The General Counsel's Office used three criteria in reviewing the respondents. We are recommending the filing

of a civil action against any respondent who meets all three criteria. The criteria are as follows:

1. whether the respondent failed to timely file two of the 1978 reports;
2. whether the respondent (or the candidate if the respondent was a principal campaign committee) received more than 30% of the vote in either the primary or general election; and
3. whether the respondent had more than \$20,000 in receipts.

One committee, Conlin for Congress, meets all three criteria: failing to timely file both the 10 day pre-general election report and the 30 day post-general election report, receiving 42% of the vote in the general election, and having receipts in the amount of \$160,614.

The Office of General Counsel recommends that the Commission bring a civil action for relief against Conlin for Congress. Further, we recommend closing the files with respect to all other respondents.

Re: MUR 688(78)

Dear Mr. Wallace:

On July 28, 1978, the Commission found reasonable cause to believe that your committee, the Wallace for Congress Committee, is in violation of 2 U.S.C. §434 for filing its 10 day pre-primary election report late.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5)(A). If we are unable to reach an agreement during that period, the Commission may institute civil suit in the United States District Court and seek payment of a civil penalty not in excess of \$5,000.

We enclose a proposed conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter.

If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with the civil penalty, to the Commission within ten days. I will then recommend that the Commission approve the agreement.

73010154673

If you have any questions or suggestions for changes in the enclosed conciliation agreement, please contact Gary D. Lipkin, the attorney assigned to this matter, at 202-523-4529.

Sincerely,

William C. Oldaker  
General Counsel

Enclosure

BEFORE THE FEDERAL ELECTION COMMISSION  
October 5, 1978

In the Matter of )  
Wallace for Congress Committee ) MUR 688(78)

CONCILIATION AGREEMENT

This matter having been initiated on the basis of information ascertained in the normal course of carrying out its supervisory responsibilities, an investigation having been conducted, and the Commission having found reasonable cause to believe that the respondent, Wallace for Congress Committee (the Committee), violated 2 U.S.C. §434(a) (1) (A) (i) by filing its 10 day pre-primary election report late.

Now, therefore, the respective parties herein, the Federal Election Commission and respondent Committee having duly entered into conciliation pursuant to §437g(a) (5), do hereby agree as follows:

- I. That the Federal Election Commission has jurisdiction over the respondent and the subject of this proceeding.
- II. That the respondent Committee has had a reasonable opportunity to demonstrate that no action should be taken in this matter.
- III. That the pertinent facts in this matter are as follows:
  - A. That the 10 day pre-primary report filed by the Wallace for Congress Committee shows no pre-primary receipts and no pre-primary expenditures;

7 0 7 379064 file 74877

B. That the Committee, as of July 24, 1978, had failed to file its 10 day pre-primary report; the report was filed on August 3, 1978, thereby making the report 10 days late;

THEREFORE, respondent Committee agrees:

- I. That the respondent's action in failing to file its 10 day pre-primary election report on July 24, 1978, was in violation of 2 U.S.C. §434(a)(1)(A)(i).
- II. That it will pay a civil penalty in the amount of \$250 pursuant to 2 U.S.C. §437g(a)(6)(B)(i).
- III. That the respondent will not undertake any activity which is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. §431, et seq.

GENERAL CONDITIONS

- I. The Commission, on the request of anyone filing a complaint under 2 U.S.C. §437g(a)(1) concerning the matters at issue herein, or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute civil action for relief in the United States District Court for the District of Columbia.
- II. It is mutually agreed that this agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

79040154679

III. It is agreed that respondent Committee shall have no more than thirty (30) days from the date of this agreement to implement and comply with the requirements contained herein, or so notify the Commission.

GENERAL COUNSEL'S REPORT

BACKGROUND

On November 7, 1978 the Commission approved conciliation agreements for the following candidates and committees that were in violation of 2 U.S.C. §434 for the failure to timely file their 10 day pre-primary election reports:

- a. Walter Bradley, D.V.M.
- b. Doc Bradley Campaign Committee
- c. Steven A. Wallace
- d. Wallace for Congress Committee
- e. Harry Dale Fortner
- f. Fortner for Congress Committee

PERTINENT FACTS

We have received signed conciliation agreements from Steven A. Wallace, the Wallace for Congress Committee, Harry Dale Fortner and the Fortner for Congress Committee. During the course of the negotiations, a civil penalty of \$20 was agreed upon for each of these respondents and checks in the appropriate amounts have been received. In light of the willingness of these respondents to admit the violation of 2 U.S.C. §434, it is recommended that these agreements be accepted.

79040154705

The conciliation agreements for Walter Bradley, D.V.M., and the Doc Bradley Campaign Committee have not been signed and we have been unable to contact Dr. Bradley by telephone. Dr. Bradley's response to our conciliation proposals has been a recital of the reports he had filed; in this regard, it should be noted that the 10 day pre-primary reports for both Dr. Bradley and his committee were filed late (on September 25, 1978), and that termination reports, accepted by RAD, have also been filed. These filings show financial activity identical to that previously reported: no receipts or expenditures by the committee and no receipts and \$55,300 in expenditures by Dr. Bradley; all of the monies expended were from Dr. Bradley's personal savings. He lost in the primary, receiving 20,070 votes for 4% of the total.

ANALYSIS

The reduction in the penalties imposed on candidates Fortner and Wallace and their respective committees are reasonably negotiated changes. The conciliation agreements for these respondents should, accordingly, be accepted, especially since the respondents have signed the agreements and forwarded the amounts imposed as a penalty to the Commission.

The non-filer guidelines approved by the Commission in May of 1978 indicate that our inability to conciliate with Dr. Bradley and his committee should lead to a finding that there is probable cause to believe that these respondents violated 2 U.S.C. §434(a)(1)(A)(1) by filing their 10 day pre-primary reports late.

RECOMMENDATIONS

1. Give final approval to the attached conciliation agreements for Steven A. Wallace, Harry Dale Fortner, the Wallace for Congress Committee and the Dale Fortner for Congress Committee and close the file with respect to these respondents.
2. Find probable cause to believe that Walter Bradley, D.V.M., and the Doc Bradley Campaign Committee violated 2 U.S.C. §434(a)(1)(A)(i).
3. Approve the attached letters.

I hope this will satisfy the general counsel's office request for payment.

Although I have yet to locate a career position, all seems to be unfolding poisitively. I will keep in touch with you; perhaps I can use our past learning experiences to help other future candidates from getting into problems with election laws.

I will contact you if I should ever journey to your fair city.  
Finally, please accept my best wishes for a prosperous and happy New Year.

Dear Mr. Lipkin:

Thank you for getting back with me regarding MUR 688(78). I appreciate your assistance and guidance about my errors. I hope you do not think that I consciously neglected to conform to the reporting procedures. I thought I had met my obligations and regret to cause you the trouble of having to spend your time because of my mistake.

I have received both conciliation agreements and find them to be true. However, I ask that the civil penalties totaling \$500 be reduced to no payment for the following reasons. I realize what I am about to write does not change the fact that you received my reports late, but it may inform you of the circumstances.

As you may know, I filed reports of my revenue and expenses in a termination report on August 7, 1978. I filed those reports because I was leaving for Chicago to seek a career job; those reports indicated my campaign financial status to that point. I did not realize I had to file subsequent reports at that time because I reasoned that my termination reports contained all my financial information and that because it was a termination report it implied or meant that my campaign was officially over. In the latter part of August I received notice from the Clerk of the House that I still had to file the pre-primary and postprimary reports. At that time I called your (FEC) offices for Mr. Wade McArthur but spoke with Ms. Susan Kaltenbaugh. She explained the situation and later mailed me the forms so I could fill them out. I filled out the reports and returned them immediately upon receipt of them from Ms. Kaltenbaugh. That is the sequence of events and my thoughts regarding my filing obligation. I never meant to neglect my responsibility; I erroneously thought I had supplied the FEC with a final financial report that included the entire time span of my candidacy.

As I mentioned earlier, I came to Chicago to seek a career job. Since my arrival here I have had to work nights to maintain a flow of some money to pay for my basic necessities. Unfortunately I have not found a career job yet and as a result I have only a few dollars. I have uncovered some prospects in Tennessee and am returning to the south November 22nd. I will be staying with a friend at the above return address. The phone number is 501-633-9366. I hope the Federal Election Commission will not require me to pay any civil penalty because I simply do not have any money now to do so. In closing let me thank you again for your help in this matter and again apologize for creating this problem.

Sincerely,

*H. Dale Fortner*

Dear Sir:

I received today your registered letter informing me the the CONCILIATION AGREEMENT MUR 608(78) In the Matter of Wallace for Congress. You wish me to pay \$250 for having filed late my pre-primary report. As I stated in the original statement with you, this Committee had no intention of being operative in the Primary Campaign and was only to receive and disburse funds if a primary victory occurred, which it did not. Please refer to that document and please note the header that such Committees are valid and are required if \$1000 or greater are intended to be collected and spent. I consider a \$250 fine for not repeating this statement on a preprimary form improper and if a CONCILIATION AGREEMENT is required legally I consider a one dollar civil penalty to be correct.

I received a second letter today, also MUR 608 (78), containing a CONCILIATION AGREEMENT In the Matter of Steven A. Wallace. I am informed I owe a second \$250 for filing late my personal statement that I had not spent any money. I did spend approximately \$13 for gasoline and stamps out-of-pocket in filing the nine petitions to have my name placed upon the ballot for the Primary Election for the U.S. House of Representatives, 2nd Congressional District, State of Tennessee. I did so believing the electorate should have choices in an election. Afterwards, I filed forms FEC 3A, post cards stating I had not spent any <sup>more</sup> money. On Saturday July 29, 1978 I received a MAILGRAM, registered, in which I was informed the Federal Election Commission had received no indication from the Clerk of the House of Representatives that they had received my pre-primary report. I had thought form FEC 3A adequate. On Monday July 31, 1978 I called the Federal Election Commission and was told the long form FEC 3 was required. I immediately sent Edmund L. Henshaw, Jr., Clerk of the House of Representatives, a mailgram stating I had spent no money, that I was informed FEC 3A was not adequate, and that FEC 3 would follow. I enclose a copy of that mailgram. Form FEC 3A clearly states it is to be used when no receipts or expenditures are made. I did not realize that this form was inadequate for stating I had not spent any money. I realize that you are not a court of law nor are you bound by the requirement of reasonable doubt in judging my innocence in this breach of regulations, but I do ask that you consider that this was my first entry into elective combat arena and I just did not have experience in the rules.

7700164744

1978  
2052  
APPENDIX

You note that I was ten days late and wish to fine me \$250. That is almost twenty times my entire expenditure in the primary. This civil penalty is totally out of proportion to magnitude of money unreported, which is really none. Although I am in the wrong surely there should be some proportionality between the punishment and the degree of seriousness of the offense. Especially since as the record shows I did respond on July 31, 1978 with the MAILGRAM and would have responded on Saturday the 29<sup>th</sup> if anyone at the Federal Election Commission would have explained the problem to me on that day.

I ask therefore that you, if required, exact a civil penalty of one dollar on the Wallace for Congress CONCILIATION AGREEMENT because this paper committee never existed except as the form you have, the money having been received or disbursed.

As for my personal culpability, I ask that you reduce the civil fine to the absolute minimum you can allow having examined the above set of circumstances. Please take into account that I work during the week and could not get your MAILGRAM until Saturday or I could have acted earlier.

This will be in Saturday evening's mail and probably will arrive after I call Gary Lipkin the day after tomorrow (Monday, ~~the~~ November 20<sup>th</sup>). In any event I hope you will discuss this with him and approve revised CONCILIATION AGREEMENTS. Would a Federal Judge be empowered to fine me less than \$250 if this matter goes into a civil suit under 2 U.S.C. 434? What is form FEC 3A good for? Two hundred fifty dollars does not seem very conciliatory. Who picked this fine? I await some response to this letter.

Sincerely

Re: MUR 688(78)

Dear Dr. Bradley:

On July 28, 1978, the Commission found reasonable cause to believe that your committee, the Doc Bradley Campaign Committee, is in violation of 2 U.S.C. §434 for filing its 10 day pre-primary election report late.

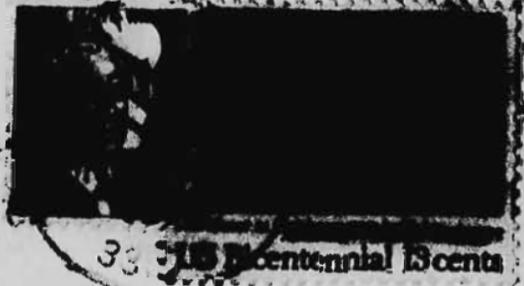

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5)(A). If we are unable to reach an agreement during that period, the Commission may institute civil suit in the United States District Court and seek payment of a civil penalty not in excess of \$5,000.

We enclose a proposed conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter.

If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with the civil penalty, to the Commission within ten days. I will then recommend that the Commission approve the agreement.

GENERAL COUNSEL'S REPORT

ALLEGATION

The following candidates and committees are in violation of 2 U.S.C. §434 for failure to file 10 day pre-primary reports for the Tennessee Primary held August 3, 1978:

1. Jim Boyd Will Beat Baker in November Committee
2. Walter Bradley, D.V.M.
3. Doc Bradley Campaign Committee
4. James Foster
5. Foster for Senate Committee
6. Francis Tapp
7. Steven A. Wallace
8. Wallace for Congress Committee
9. Red McEwen
10. Red McEwen Committee
11. Harry Dale Fortner
12. Fortner for Congress Committee
13. Mark Francis Flanagan

In addition, Francis Tapp and Mark Flanagan are also in violation of 2 U.S.C. 432(e) (1) for failure to file a statement of candidacy and to designate a principal campaign committee.

PREVIOUS COMMISSION ACTION

The Commission found reason to believe on July 26, 1978 and reasonable cause to believe that all of these candidates and committees had committed a violation of 2 U.S.C. 434(a) (1) (A) (i) on July 28, 1978. The respondents' names were published in the list of non-filers on August 1, 1978. The matter was referred to the Office of the General Counsel on August 22, 1978.

79040164809

In addition reason to believe that Tapp and Flanagan violated 2 U.S.C. 432(e) (1) for failing to designate a principal campaign committee and to file a statement of candidacy was found on July 6, 1978 and reasonable cause to believe was found on July 29, 1978.

EVIDENCE

The Boyd Committee and candidate Francis Tapp have failed to file any reports with the Commission. Consequently, we have no way of knowing the amounts of money spent, if any, by the committees and candidates. The total votes and percentage of votes received for the candidates was as follows: Boyd received 8.6% for 43,438 votes and Tapp received 2,513 votes for 1.2% of the votes cast.

James Foster and the Foster for Senate Committee filed the appropriate reports on August 2, 1978. Mr. Foster received 1.9% of the vote and received 9,643 votes.

Walter Bradley and the Doc Bradley Campaign Committee filed the appropriate reports on September 25, 1978. Dr. Bradley received 20,070 votes for 4% of the total. While Dr. Bradley spent \$55,300 on his campaign, the sum was all from his personal funds and the campaign has no debts.

Steven A. Wallace, a candidate for a House seat, failed to file the 10 day pre-primary report for both himself and his committee. The appropriate reports were filed on August 3, 1978. Mr. Wallace only spent \$13.00 of personal funds on the campaign and received 48.8% of the votes for 16,613 votes. His reports show no contributions of any kind.

79040164810

Red McEwen, a House candidate, polled 1,316 votes for 1.4% of the total. His reports, filed on August 3, 1978, show the receipt of no contributions and the expenditure of only \$40.00 of his personal funds on the campaign.

Harry Dale Fortner received 3,632 votes for 33.1% of the vote in his House race. The appropriate reports, filed August 7, 1978, show no receipts or expenditures.

In his House race, Mark Flanagan received 19.4% of the vote for 13,071 votes, and he failed to file the 10 day pre-primary report, and statement of candidacy, and did not designate a principal campaign committee. All of these documents, except the 10 day pre-primary report, were filed on September 26, 1978. The reports show expenditures of only \$200 from a donation by the candidate.

LEGAL ANALYSIS

While Boyd and Tapp received but a small percentage of the vote, no reports have been filed for the Boyd Committee and candidate Tapp. Mr. Tapp has also failed to file a statement of candidacy and to designate a principal campaign committee. As neither candidate won nor received more than 8.6% of the vote, the Commission's amended non-filer guidelines direct that the file be closed as to these respondents.

Mr. Foster and his committee filed the appropriate reports late. However, he received less than 2% of the vote, and total

79010154811

receipts and expenditures amounted to less than \$100. The criteria approved by the Commission on May 25, 1978 cause us to recommend that no further action be taken against Mr. Foster and his committee.

Dr. Bradley and the Doc Bradley Campaign Committee filed the appropriate reports late. While he received but 4% of the vote, the Commission's guidelines indicate that his expenditure of \$55,300 requires an attempt at conciliation. It should be noted, however, that Dr. Bradley is difficult to reach (he has no telephone or permanent address) and that this expenditure was made solely out of Dr. Bradley's personal funds.

The Wallace Committee and candidate Wallace filed the appropriate reports on August 3, 1978. While total expenditures are far below the \$25,000 minimum set in the May 25, 1978 guidelines, Mr. Wallace received 48.8% of the vote. Accordingly, we recommend that the conciliation process be initiated as to Mr. Wallace and his committee.

Harry Dale Fortner and his committee spent far less than the \$25,000 threshold set by the Commission for non-filer matters, and all reports were filed on September 5, 1978. However, as he received 33.1% of the vote, it is recommended that the matter be resolved through conciliation.

Red McEwen and his committee filed the proper reports on August 4, 1978. He received but 1.4% of the vote and spent less than \$100 on the campaign. In accordance with the Commission's guidelines, it is recommended that no further action be taken against Mr. McEwen and his committee.

7 9 0 1 0 1 5 4 8 1 2

Mark Flanagan has filed a statement of candidacy and he has designated a principal campaign committee. He has not, as yet, filed the 10 day pre-primary report. As Mr. Flanagan lost, received only 19.4% of the vote and had no financial activity reported, the Commission's amended non-filer guidelines direct that this part of the file be closed.

RECOMMENDATIONS

1. Approve the attached conciliation agreements with respect to the following candidates and committees:
  - a. Walter Bradley, D.V.M.
  - b. Doc Bradley Campaign Committee
  - c. Steven A. Wallace
  - d. Wallace for Congress Committee
  - e. Harry Dale Fortner
  - f. Fortner for Congress Committee
  
2. Take no further action and close the file with respect to the following candidates and committees:
  - a. Jim Boyd Will Beat Baker In November Committee
  - b. James Foster
  - c. Foster for Senate Committee
  - d. Red McEwen

Dear Dr. Bradley:

On July 28, 1978, the Commission found reasonable cause to believe that you are in violation of 2 U.S.C. §434 for filing your 10 day pre-primary election report late.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5)(A). If we are unable to reach an agreement during that period, the Commission may institute civil suit in the United States District Court and seek payment of a civil penalty not in excess of \$5,000.

We enclose a proposed conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter.

If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with the civil penalty, to the Commission within ten days. I will then recommend that the Commission approve the agreement.

MUR No. 688

DATE OF ORIGINAL REFERRAL August 22, 1978

**\*\*PURPOSE:**

On September 25, 1978, the attached report was received by the Secretary of the Senate from Walter D.V.M. Bradley, a Senate candidate in the Tennessee primary election in 1978. The Senate analyst, Chip Foley, determined that the report filed was adequate for the outstanding reports due for the candidate and his principal campaign committee, Doc Bradley Campaign Committee: i.e. the July 10 Quarterly Report for the candidate and the principal campaign committee, and the 10 Day Pre-Primary Report for the candidate and the principal campaign committee. However, because of the reporting deficiencies in the report, a Request for Additional Information is being generated by the analyst.

GENERAL COUNSEL'S REPORT

ALLEGATION

Francis Tapp and Mark Flanagan were candidates for the Senate and House of Representatives, respectively, in the Tennessee Primary. Both have failed to file a statement of candidacy and to designate a principal campaign committee.

PREVIOUS COMMISSION ACTION

The candidates were sent reason to believe letters on July 6, 1978 and reasonable cause to believe letters on July 25, 1978. No response was received to these letters and the matter was referred to the Office of the General Counsel on August 29, 1978.

LEGAL ANALYSIS

The failure to file a statement of candidacy and to designate a principal campaign committee are violations of 2 U.S.C. 432(e)(1) and 11 C.F.R. 101.2.

Both Mr. Tapp and Mr. Flanagan are respondents in MUR 688 (78) for failure to file 10 day pre-primary reports. As both MUR's are concerned with the failure to file required reports, it is recommended that the 2 compliance actions against

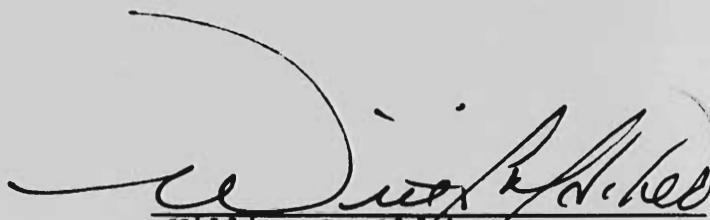

79010164853

Mr. Tapp and Mr. Flanagan be consolidated and continued through MUR 688(78).

RECOMMENDATION

Continue compliance action against Francis Tapp and Mark Flanagan for failure to file a statement of candidacy and to designate a principal campaign committee through MUR 688(78).

Re: Friends of Mark Flanagan for Congress  
C00051615-ID No.: 063045

Gentlemen:

This comes to supplement correspondence of July 20, 1978, regarding the financial report on the campaign of Mr. Mark Flanagan for Congress.

As indicated, this Committee is the sole campaign finance committee of Mr. Flanagan's campaign and had received a total contribution of \$200.00 from Mr. Flanagan personally.

Of the total contribution received, a total of \$118.95 was paid to Advent Novelty in payment of bumper stickers for the campaign. The balance of the campaign fund in the amount of \$81.05 has or is to be expended at "TGI Fridays" for the purpose of paying for a party for volunteer campaign workers. No other donations were received, nor were any further expenses involved beyond those reflected above.

If you desire that this information be submitted on Form 3A or some other reporting form, please advise and furnish us with same, and we will comply immediately.

If not further reporting is required, we would advise that the campaign committee has disbanded and that no further activity will take place beyond the preparation and filing of any reports that you might require.

Yours very truly,  
LANE, HANSOM & COLE

Thomas E. Hanson

Dear Mr. Flanagan:

The Federal Election Commission has not received your candidate statement designating a principal campaign committee for the primary election to be held in your state. Prior notification was sent to you approximately 30 days ago, advising you of your disclosure reporting requirements under the Federal Election Campaign Act along with the appropriate forms. We are enclosing another candidate statement (FEC Form 2) for your immediate attention. If you need additional forms, please let us know.

Your failure to file a candidate statement and to designate a principal campaign committee gives the Commission reason to believe that you are in violation of 2 U.S.C. 432(e) (1) and 11 C.F.R. 101.2.

No action will be taken against you until you have had a reasonable opportunity to respond to this matter. If you have not filed a candidate statement or designated a principal campaign committee, you should do so within fifteen (15) days of the date of this letter with the Clerk of the House, Office of Records and Registration, 1036 Longworth H.O.B., Washington, D.C. 20515.

A copy of these statements should also be filed with your Secretary of State or the equivalent state officer. In the event you have already filed the required statements, or require further information, please contact Sue Kaltenbaugh in our Reports Analysis Division on the toll free number (800)424-9530. Our local number is (202)523-4173.

Dear Mr. Flanagan:

You have been notified twice of the requirement for you to file your Statement of Candidate (FEC Form 2), designating a principal campaign committee as required by the Federal Election Campaign Act.

As of this date, we have received no response from you. Your continued failure to file the required documents gives the Commission reasonable cause to believe that you are in violation of 2 U.S.C. 432(e)(1) and 11 CFR 101.2.

You are hereby afforded a reasonable opportunity to demonstrate why no action should be taken against you. You have thirty (30) days from the date of your receipt of this letter to conciliate this matter with the Commission. If we do not receive an adequate response from you, the Reports Analysis Division must refer this matter to our Office of General Counsel for appropriate legal action.

You should file the required documents with the Clerk of the House, Office of Records and Registration, 1036 Longworth HOB, Washington, D.C. 20515. A copy of these statements should also be filed with your Secretary of State or the equivalent state officer.

In the event you have already filed the required document or require additional information, please contact Susan Kaltenbaugh in our Reports Analysis Division on the toll free number (800)424-9530. Our local number is (202)523-4172.

MEMORANDUM FOR FILE  
RE: TELECON

FROM: CONNIE HARLEY

DATE: 7-31-78

NAME OF CANDIDATE/COMMITTEE: WALLACE FOR CONGRESS TN/02

TELEPHONE #: (615) 966-6446

---

Mr. Wallace called in reference to a mailgram received for the 10-day Pre Report. He said he had filed a postcard. I explained to him that a postcard was not sufficient because a full financial report should be filed covering the period from 7-1-78 thru 7-19-78 showing all activity that may have occurred. Mr. Wallace was questioning what would happen besides publication at this point. I told him the report was still due and nothing would happen as long as it was filed soon.

RE: 10 Day Pre REPORT(S)

Mr. Wallace returned my call at 2:50 today. I explained to him that I had checked more thoroughly to see what happened if the reports were not filed. I explained that the names were not only published but they were referred to the Office of General Counsel, who checks into the committee filings. I told him publication was tomorrow and if he would still like to try to get his report in before the names were published he could try by sending a copy air-express or by mailgram. Mr. Wallace's main interest seem not to have been that he hadn't filed but, what would happen if the report still was not filed after the notices were sent.

REPORT(S)

Candidate called this date to advise that he completed letters in lieu of the Form 3/6 and sent them to the clerk this date by regular mail, indicated that the expense of registered mail is prohibited.

When analyst again asked about the S/O & S/C requested he indicated that all pertinent info was on the reports just sent in - it soon became apparent that Mr McEwen could not comprehend the difference between R+E reports and S/O & S/C. He was asked to call back next week after analyst received reports. Analyst saw no utility in discussing compliance.

(Continued from p. 2034)

### Alexander Wins:

## Butcher and Baker Are Nominated in Tennessee

Democrat Jake Butcher won a hotly-contested gubernatorial primary and Republican Sen. Howard H. Baker Jr. swept to renomination in Tennessee voting Aug. 3.

Butcher, a millionaire banker, was narrowly beaten by Ray Blanton in the 1974 primary. Blanton is retiring this year, setting up a contest in the fall between Butcher and Lamar Alexander, the Nashville lawyer chosen by Republicans for his second try at the statehouse.

With the heated gubernatorial contest this year, the Senate race was overshadowed. Incumbent Baker, a heavy favorite for re-election, overwhelmed a field of little-known Republican primary rivals who had made his support of the Panama Canal treaties a cornerstone of their opposition. He will face Democratic primary winner Jane Eskind this fall. (*Tennessee primary outlook, Weekly Report p. 1861*)

Butcher paced a large Democratic gubernatorial field that included Public Service Commission Chairman Bob Clement, the son of a former governor, and metro Nash-

ville Mayor Richard Fulton. Butcher mounted a lavish campaign of media and barbecues — costing about \$2 million — that complemented his support among statewide black and labor groups. Opponents criticized his heavy spending and personal finances, but were unable to prove any wrongdoing.

Butcher won by carrying the three congressional districts in east Tennessee and swamping the field in Shelby County (Memphis). Clement carried rural middle and west Tennessee (4th, 6th and 7th Districts), his father's strongholds, but not by enough to offset Butcher's margin elsewhere.

Fulton, who had tried unsuccessfully to build a coalition with labor and blacks as a base, carried only the Nashville area (5th District).

On the Republican side, Alexander scored a surprising one-sided victory over state Rep. Harold H. Sterling, Ronald Reagan's state primary campaign manager in 1976. Sterling had hoped to attract the votes of conservative Republicans, but was overwhelmed everywhere. He lost his home base, Shelby County, by a margin of more than 5-1.

The Senate contests drew little attention, with Baker considered a virtual shoo-in for a third term. Eskind, a veteran party official and community activist from Nashville, relied on party contacts, black support and an extensive, personally financed media campaign to win the Democratic nomination.

Her closest rival, former state Sen. Bill Bruce, was not as well financed and depended heavily on the backing of organized labor and leading members of the Democratic establishment, including former Sen. Albert A. Gore. ■

Candidates '78

(Continued from p. 2034)

This leaves on the ballot the candidates who had qualified at the July state assembly — Rep. William L. Armstrong of Aurora and former astronaut Jack Swigert of Denver for the Senate, and state Sen. Ted Strickland of Westminster and state Senate Majority Leader Dick Plock of Denver for governor.

The Democratic incumbents, Gov. Richard D. Lamm and Sen. Floyd K. Haskell, are guaranteed renomination.

Wyoming

Republican Alan K. Simpson, thought to be a clear favorite for Wyoming's open Senate seat, is the best-known of seven candidates who filed for the office before the deadline passed July 28. The incumbent Republican senator, Clifford P. Hansen, is retiring.

Simpson, a one-time state representative and son of former U.S. Sen. Milward L. Simpson (1962-66), has opposition in the Republican primary from James Maxey of Casper, Hugh "Big Foot" Binford of Sinclair, and Gordon Barrows of Ralston.

Democrats, who have never been optimistic about defeating Simpson this year, have three contenders for the

primary nomination: Charles Carroll of Cheyenne, Dean M. Larson of Riverton, and Raymond Whitaker of Casper.

Meanwhile, Democratic Gov. Ed Herschler filed for a second term. His only primary opponent is Margaret McKinstry of Cheyenne. The Republican nominee will be Gus Fleischli of Cheyenne, John Ostlund of Gillette, or Jim Bace of Cheyenne.

Delaware

Primary action this year in Delaware is limited. Democratic Sen. Joe Biden of Wilmington and the state's lone U.S. House member, Republican Thomas B. Evans Jr. of Wilmington, drew no primary opposition. Evans' Democratic rival, Gary Hinds, a former administrative assistant to the Democratic majority in the state House of Representatives, is also without opposition in the Sept. 9 primary.

The only primary battle is for the Republican Senate nomination, with Sussex County Chairman James H. Baxter Jr. of Georgetown and New Castle anti-busing leader James A. Venema meeting the July 28 filing deadline. Baxter won the endorsement of the Republican state convention in June. (Delaware convention, Weekly Report p. 1570)

Vermont

This year's Democratic primaries for governor and U.S. representative are not expected to generate much interest.
