I. GENERATION OF MATTER

The San Francisco Democratic County Central Committee (the "SFDC") registered with the Commission on October 17, 1975; stating they would expend money on behalf of all candidates, state and federal. SFDC stated that funds would not go to individual candidates but would be expended on behalf of a slate of Democratic candidates. Since that time, Reports Analysis (RAD) has communicated with the SFDC concerning surface violations involving possible acceptance by SFDC of corporate and union contributions and commingling of funds. In addition, other matters of concern mentioned in this referral include: 1) an improper slate card used by SFDC in the 1976 general election; and 2) a questionable allocation formula adopted by the SFDC to distinguish its federal activity from its non-federal activity.

On February 21, 1979, RAD referred this matter to the Office of General Counsel, with a notation that it was sending a copy of the materials to the Audit Division because they felt an audit might be required (see Attachment 1).

II. EVIDENCE

On March 11, 1976, a surface violation letter was sent to the SFDC concerning contributions received from corporations and labor unions in 1975. James Krotozyner, then treasurer of SFDC, responded on March 19, 1976 explaining that the contributions in question were accepted for non-partisan activities in which the SFDC took part (see Attachment 2). Some of the contributions were deposited into an affiliated committee's account and the rest were used by SFDC for non-partisan municipal elections held in late 1975. Mr. Krotozyner further stated his committee was audited by

79040133206

GAO in 1974 <sup>1/</sup> and that their books were set up to comply with GAO's recommendations, however the affiliated committee "has had its own account, with funds separated from SFDC's account." Apparently, this response was considered adequate as no follow-up letters were sent to the SFDC regarding the illegal contributions or their apparent reporting problems. Thus, the committee continued to report both federal and non-federal activity throughout 1976 and 1977.

On November 17 and November 23, 1977, respectively, surface violation letters were sent to the SFDC for acceptance of corporate and labor union contributions and receipts from unregistered committees reported on their October 10, 1977 Quarterly Report. The November 23rd letter pointed out the requirement of §102.6(a)(2)(i) and (ii) of the regulations.

Mr. Carl Ferrentino, treasurer of the SFDC, responded on December 19, 1977 claiming the SFDC had no federal activity during 1977 (see Attachment 3). He went on to say their October 10 Report was a total statement of their financial transactions and that it was his understanding to report all activity. Mr. Ferrantino further stated that all contributions from corporations, unions and individuals were properly segregated and that one of their checking accounts, which had been open for years, was reserved solely for money permissible under the Act. However, the account's use was not limited to federal activity.

After a number of telephone conversations with RAD, Mr. Ferrantino sent in a letter with amended reports for all of 1977 on January 31, 1978 (see Attachment 4). He explained the reports reflect an allocation of receipts and expenditures for federal and non-federal political activity for 1976 and 1977. "Based on the candidates and the ballot propositions on the slate card and use of campaign facilities, it was determined that approximately 29% of the money was used for federal election activity and 71% for state and local activity."

### III. PRELIMINARY ANALYSIS

#### 1. Corporate and Union Receipts

Section 441b of the Act prohibits the acceptance of corporate and union contributions by federal committees. Although the SFDC, in past filings, reported the receipt of corporate and labor contributions, the committee treasurer stated that such contributions were always deposited in accounts not used for federal purposes. These corporate and labor contributions were reported to the Commission only because the SFDC was under the mistaken impression that all their activity, be it federal, state or local, had to be reported, and even though they had separate accounts. Given the committee's statement we think there is no reason to believe that the SFDC violated 2 U.S.C. §441b.

#### 2. Commingling

11 C.F.R. §102.6 requires each subordinate political committee of a state committee to either: 1) establish a segregated federal account or

<sup>1/</sup> RAD could not locate this GAO report.

2) establish a single account but only if all contributions received are permissible under the Act, and all contributors are informed that all contributions are subject to the limitations of §§110.1, 110.2, and 110.5. This section further states that these committees may only receive transfers from an account or committee such as those set out in numbers 1 and 2 above. Given the committee's statement that they maintained a segregated account containing only those funds permissible under the Act, we think there is no reason to believe that the SFDC violated 11 C.F.R. §102.6.

3. Slate Cards

2 U.S.C. §§431(e)(5)(E), 431(f)(4)(G) exclude from the definition of a contribution/expenditure "the payment by ... a local committee of a political party the costs of preparation, display or mailing incurred by such committee with respect to a printed slate card or sample ballot, or other printed listing, of three or more candidates for any public office for which an election is held in the state in which such committee is organized ..." In AO 78-9, issued July 21, 1978, the Commission has deemed that "material on the candidates' positions on the issues or statements of party philosophy ... would not be permissible under the stated exemption."

The slate card used in the 1976 election contained a statement of party philosophy and the party's stand on various propositions. (See attachment 5). While it would not be exempt under AO 78-9, at the time the slate card was issued there were no clear guidelines. Given this factor, and the fact that the 1978 slate did not contain such information and appears to be clearly exempt (see Attachment 6), we think there is no reason to believe that the use of the 1976 slate card violated the Act.

4. Allocation Formula

11 C.F.R. §106.1(e) states party committees which have established federal committees pursuant to §102.6 shall allocate administrative expenses on a reasonable basis between their federal and non-federal accounts in proportion to the amount of funds expended on federal and non-federal elections, or on another reasonable basis. In AO 78-10, issued February 3, 1978, the Commission determined that registration and get-out-the-vote drives should be allocated between federal and non-federal elections in the same manner as other general party expenditures.

In regard to the allocation formula used by the SFDC in order to facilitate the reporting of only federal activity, we think there is no reason to believe that the SFDC violated 11 C.F.R. §106.1(e).

IV. RECOMMENDATIONS

1. Find no reason to believe that the SFDC violated the Act.
2. Close the file.

Sequence of Events - 1975

I. ORGANIZATION

The San Francisco Democratic County Central Committee (SFDC) registered with the Federal Election Commission on October 17, 1975. (Attachment 75-1) The San Francisco Voter Registration Committee was named as an affiliated subcommittee (VRC). The SFDC stated that it supported all Democratic candidates, including State and Federal, that no contributions were to be made directly to the candidates but funds were to be spent on their behalf, and that these amounts might exceed \$1,000 in a calendar year. An amendment to the Statement of Organization (January 2, 1976) stated that this committee would exist permanently by law.

II. REPORTS

For the year 1975 receipts were reported as \$30,599.00, and expenditures were \$30,759.00. A Request for Additional Information was sent on the July 10 Report for year-to-date totals and debt balances and an adequate response was received on January 2, 1976. An RFAI was sent on the October 10 Report for omitted debts, which totaled \$1,000, and an adequate response was received on January 2, 1976. An RFAI for year-to-date totals and particulars of expenditures on the Year End Report was sent on January 5, 1976 and an adequate response was received on April 8, 1976.

III. SURFACE VIOLATIONS

On March 11, 1976 a letter was sent to SFDC for apparent receipts from Corporations and Labor Unions. (Attachment 75-2) The response of March 19, 1976 (Attachment 75-3) states that "The contributions involved were accepted for non-partisan activities in which the SFDC took part". It then states that several of the contributions were deposited in VRC for "non-partisan voter registration". However, contributions from the International Brotherhood of Painters and Allied Trades, and from Automotive Machinists Lodge 1305, International Association of Machinists and Aerospace Workers were used to "help defray expenses incurred for the November 4 election and the December 11 run-off". These elections, it should be noted, were Municipal. The treasurer even describes them as "non-partisan activities, as in the November-December 1975 Municipal Elections".

This response was apparently accepted as adequate by the FEC analyst. While the letter is to Mr. Gordon McKay, FEC, there is no indication who accepted this response.

IV. OBSERVATIONS

This material may in fact be beyond the Statute of Limitations. It has been included in this referral to establish the early incidence of both reporting errors and the possible comingling of funds, problems which became frequent in future reports.

790401332

Sequence of Events - 1976

I. REPORTS

For the year 1976 receipts were reported as \$57,798.00 and expenditures as \$50,821.00. No Requests for Additional Information were sent to the committee on these reports.

II. RESULTS OF REVIEW

Review of these reports have disclosed the following: (Attachment 76-1)

- a) Receipts from unregistered Committees totaled \$23,230 (40% of total)
- b) Receipts from Labor Unions and Corporations were reported as \$2,577 (4% of total)
- c) Receipts from Federal Committees totaled \$23,081 (39%)
- d) Get-Out-The-Vote and Voter Registration expenditures totaled \$17,297 (35% of total expenditures)
- e) No candidate support was reported.

III. OBSERVATIONS

The review indicates two major findings. First, massive comingling of funds was disclosed with no apparent awareness of the restrictions on Corporate and Labor contributions. No doubt the lack of follow-up on the 1975 instances may have led to the conclusion on the part of SFDC that this was allowable. Secondly, extensive GOTV and Voter Registration activity took place with the use of the aforementioned funds. At that time all such activity was considered Federal Activity and therefore the funds were clearly prohibited under the Act.

79040123213

Sequence of Events - 1977

I. REPORTS

The initial set of reports filed for the year reported receipts of \$28,485 and expenditures of \$36,568. No Requests for Additional Information were sent on the April or July 10 Reports. The October 10 Report indicates:

- a) \$7,040 from unregistered committees (24% of total)
- b) \$7,500 from Labor and Corporations (26% of total)
- c) \$1,000 from a Federal Committee (3% of total)
- d) GOTV and Voter Registration expenditures were \$4,889 (13% of total)

79040133214  
Surface Violation letters were sent to SFDC on November 17 (Attachment 77-1) and 23, 1977 (Attachment 77-2) for receipts from unregistered committees and Corporate and Union Contributions. The response of December 19, 1977 (Attachment 77-3) indicated that; 1) There was ignorance as to the legality of the contributions and 2) the committee was engaged in "voter registration and get-out-the-vote efforts for a special municipal election on August 2, 1977." The letter also indicated that the Treasurer felt "it might be simpler for this committee to formally establish a "Federal Candidates Committee (or fund)" and that "one of our bank checking accounts is reserved solely for money that would be suitable for Federal activity, but its use is not limited to Federal activity".

Surface Violation letters were sent to the Bradley Group (Attachment 77-4) and the Moscone Dinner Committee (Attachment 77-5) due to indications of Federal activity in excess of \$1,000. Both committees responded (Attachment 77-6, 77-7) that they were not sure what elicited our inquiry since they had not contributed to any Federal candidates. But, they both said, if the inquiry was in regard to the SFDC then a closer examination of the reports filed would indicate that the monies had been handled properly. It might be noted that both committees have the same address and Moscone Dinner Committee was addressed in care of the Bradley Group.

On December 5, 1977, Mr. Carl Ferrentino, Treasurer of SFDC, spoke with Chadwick R. Gore, FEC, (Attachment 77-8), concerning the Surface Violations. Mr. Ferrentino explained that he was a new treasurer and had inadvertently, reported non-Federal activity. He was advised to amend his reports to show that there were two accounts, Federal and non-Federal, and to omit State activity from the Federal reports. It was to be made clear that comingling had not occurred.

On December 19, 1977, (Attachment 77-9), Mr. Ferrentino called again. The Bradley Group, Moscone Dinner Committee and the Union locals had been in touch with him and were concerned about apparant Federal violations. Mr. Ferrentino was very upset about the FEC "harassing" his contributors. An effort was made to explain FEC procedures to him and the conversation ended with his assurance of a prompt reply.

On January 26, 1978, (Attachment 77-10), Mr. Ferrentino called Carroll Bowen, RAD, to discuss the matter further. The FEC had still received no response and the Surface Violations had progressed to the RCTB stage. Mrs. Bowen informed Mr. Ferrentino of the same options that would solve his reporting problems that he previously had been told. He assured her he would file on January 31, 1978.

II. AMENDED REPORTS

On January 31, 1978 the Commission received amendments to all the 1977 Reports. (Attachment 77-11) The reported receipts were reduced from \$28,485 to \$706 and expenditures were reduced from \$36,568 to \$9,344. Mr. Ferrentino explained in the cover letter (Attachment 77-12) that "the reports reflect an allocation of Receipts and Expenditures for Federal and non-Federal political activity for 1976 and 1977. He enclosed copies of slate cards (Attachment 77-13) which had been mailed to approximately 179,000 Democratic households. He also stated that a particular bank account was being designated for Federal purposes. In reference to the amendments he stated that they had "reported only those transactions and balances which were attributed to Federal activity". Special attention should be paid to the allocation procedure as explained by Mr. Ferrentino in the letter. This entire set of amendments represents an allocated portion of the total committee activity, i.e. there is no assurance that these funds were expended from a segregated Federal account.

Thorough review of these amendments indicates that all previously reported Federal activity has been deleted.

79040133215

I. REPORTS

The committee reports through November 27, 1978, disclose receipts of \$4,941.00 and expenditures of \$4,843.97. \$2,500 (51% of total) was reported received from two registered committees. \$4,287.73 (88% of total) was reported to have been allocated GOTV, Voter Registration and headquarters rent.

SFDC also included a copy of the state report with its Ten-Day Pre-General Report. It discloses \$4,604.60 received from two registered committees and reports that \$12,950.35 was received for GOTV and Voter Registration.

II. SURFACE VIOLATIONS

The committee, SFDC, reported receiving loan repayments of \$1,287.00 from its non-Federal account during the October 10 reporting period. A letter was sent to SFDC (non-Federal) on December 26, 1978, (Attachment 78-1) notifying them that they should register as per 2 U.S.C. 433 and report as per 2 U.S.C. 434. Inadequate response was received on January 30, 1979. (Attachment 78-2)

III. GENERAL POINTS

On October 16, 1978, the FEC received a letter from SFDC indicating that they would be supporting Phil Burton, CA-6 and John Burton, CA-5. No support has been disclosed in subsequent reports. (Attachment 78-3)

On January 11, 1979, Chadwick R. Gore, FEC, discussed general reporting requirements with Alice Wong, SFDC. (Attachment 78-4) Appropriate Advisory Opinions were sent to Ms. Wong to assist her in reporting GOTV and Voter Registration.

IV. SFDC submitted copies of their 1978 slate card for FEC appraisal. (Attachment 78-5) It appears to fulfill the FEC non-reporting requirements.

\* Using 1977 amended figures

Reasons for Referral

1. Has this committee accepted funds prohibited by 2 U.S.C. §441b and used them for purposes under jurisdiction of the Act?

Evidence suggesting that this is the case was disclosed in reports covering the period January 1, 1975 through September 30, 1977. A variety of letters have been sent to the committee and the responses have been inconclusive regarding this question.

2. Has this committee commingled prohibited and permissible funds in an account used for federal purposes in violation of 11 C.F.R. §102.6?

A corollary to 1., this committee could accept such funds by state law, thereby necessitating segregated accounts. Several references to segregated accounts have been made in this committee's reports, but they are not conclusive as to whether such accounts abide by 11 C.F.R. §102.6.

3. Is the allocation formula adopted by the committee in 1977 in accordance with 11 C.F.R. §102.6 and §106.1(e)?

This can not be determined by the reports filed at the Commission.

4. Were in-kind contributions made to the Presidential Campaign in 1976 in violation of 11 C.F.R. §110.7(b)(5)?

\$4,200 was received by the committee from the 1976 Democratic Presidential Campaign Committee. It is not clear that these funds were used for Voter Registration as noted in the reports.

5. Is the San Francisco Democratic County Central Committee a committee as per the Act?

This cannot be conclusively demonstrated by the reports currently filed with the Commission.

6. Are the Slate Cards in accordance with 2 U.S.C. §431(e)(5)(E) and 2 U.S.C. §431(f)(4)(G)?

This needs to be determined by the Office of General Counsel, particularly with regard to the 1976 Slate Card.

7. If these Slate Cards are not exempt, how should the expenditures be allocated as per 11 C.F.R. §106.1(a)?

8. If these Slate Cards are exempt on the surface but were included in a solicitation mailing, do they lose their exempt status?

9. Has an existing committee, the Voter Registration Committee, remained non-registered and non-reporting in violation of 2 U.S.C. §433 and §434?

Indications are that significant federal voter registration activity has taken place in this committee and that it should be reporting.

Re: San Francisco Democratic County Central Committee.  
C00020156.

Dear Mr. McKay:

In reply to your letter of March 11, I trust the following will explain the contributions to which you refer.

The contributions involved were accepted for non-partisan activities in which the San Francisco Democratic County Central Committee took part.

The San Francisco Democratic County Central Committee has on several occasions carried on a non-partisan voter registration program, for the purpose of registering voters of all political parties. For this purpose we formed the San Francisco Voter Registration Committee, as a sub-committee of the San Francisco Democratic County Central Committee. Funds received for voter registration purposes all have been placed in the San Francisco Voter Registration Committee account so that they would be separated from our County Central Committee account. The 8-11-75 contribution from Cost Plus, Inc., the 8-22-75 contribution from Smarty Party Shops, and the 9-30-75 contribution from the United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry Local #38 were deposited in the San Francisco Voter Registration Committee account.

The San Francisco Democratic County Central Committee supported candidates in the November 4, 1975 Municipal Election in San Francisco. This was a non-partisan election. The 12-9-75 contribution from the International Brotherhood of Painters and Allied Trades, and the 12-17-75 contribution from Automotive Machinists Lodge 1905, International Association of Machinists & Aerospace Workers were made to our committee to help defray expenses incurred for the November 4 election and the December 11 run-off.

Assistant Staff Director for  
Disclosure and Compliance  
Federal Election Commission  
3-19-76

Our committee was audited by the General Accounting Office in 1974. Our activities then were clearly outlined. At that time we set up our books to comply with their recommendations; although since its inception the Voter Registration Committee has had its own account, with funds separated from the County Central Committee account. Where the County Central Committee takes part in non-partisan activities, as in the November-December 1975 Municipal Elections, this fact is clearly designated so that it is public knowledge what the Committee's role is in such an activity.

We invite your verification of the above, and we also invite an inspection of our books.

Yours very truly,

Attention: Mr. Chadwick Gore

Ref-Reply : 3SV1/77-217 & 3SV1/77-185 (Oct. 10, 1976 Quarterly Report)

Attachment 3

Dear Mr. Gore:

This letter is written to repeat in substance what has already been conveyed to you over the phone today and on or about December 6th:

- 1) The San Francisco Democratic County Central Committee has neither accepted nor expended any money for federal election purposes since December of 1976.
  - 2) There has been no federal campaign or electoral activity in this county in 1977. This fact is a matter of public record, knowledge of which you should be charged.
  - 3) Our expenditures for the October 10th report period exceeded receipts. The itemized receipts give no showing of apparent violation of federal election law. The activities of the committee included voter registration and get out the vote efforts for a special municipal election on August 2, 1977.
  - 4) The October 10 Quarterly Report was a total statement of the Central Committee's financial transactions. It was our understanding and practice to report ALL activity, federal and nonfederal. We felt to do otherwise would be a violation. ( I now understand it may be simpler for this committee to formally establish a "Federal Candidates Committee (or fund)".).
- Non-the-less all contributions from corporations, unions and individuals were properly segregated and accounted. One of our bank checking accounts is reserved solely for money that would be suitable for federal activity, but its use is not limited to federal activity.
- 5) Our San Francisco United Democratic Campaign (SFUDC) (C00046052) was terminated August 5, 1977. This was indicated on the October 10th Quarterly Report of the

Central Committee (C000 20156) and in a separate termination report.  
( Note the SFDCP contribution Page 2 of 2 Line Number 18b.)

I am deeply concerned that you have taken it upon yourself to needlessly alarm some 12 or 13 of our contributors. If there was an error, it was OURS. The error was an overly generous public disclosure. It seems to me that my first telephone call to your letter was sufficiently responsive so that any further FEC inquiry should have been made through this committee.

I therefore, request two things: First, please remove the cloud of suspicion you have cast upon us in the eyes of our contributors by informing them that their contribution was not a violation of federal law - apparent or otherwise. Second, please send us copies of the letters you sent the contributors so that we may follow-up.

Additionally, note the address of the committee above.

Thank you for your attention on this matter.

Sincerely,

Carl Ferrentino,  
Treasurer

Attention: Ms. Carol Bowen - Party Team

Ref: 3SV1/77-185 & 3SV1/77-185

Dear Mr. Potter,

Enclosed herewith is the 1977 Year End Report for the San Francisco Democratic County Central Committee ID# C00020156. The Committee is also enclosing amended copies of the first, second, and third quarters of 1977.

The reports reflect an allocation of Receipts and Expenditures for federal and non-federal political activity for 1976 and 1977. To give you an idea of the degree of federal political campaign activity this committee was involved in, I am enclosing copies of the slate cards used in the 1976 General Election. These cards were mailed to approximately 179,000 Democratic households in this County. The card reflects the operational and political priorities of the committee for 1976. We carried literature and campaign buttons for many candidates, state propositions and local propositions. Our volunteers were instructed to encourage voters to vote Democratic in all of the 14 races contested in each of the three assembly districts. Three of these races were federal.

To simplify and to better meet our Federal, State and County Reporting Requirements, we shall henceforth be designating our bank account #4082-06189 with the Bank of America Branch at Market and Montgomery Sts. in San Francisco to be used solely for federal purposes. This account has been open for years and had been used for federal and non-federal expenditures, but receives only deposits which conform to federal election law requirements.

In amending our reports we have reported only those transactions and balances which are attributable to federal activity. The segregation and allocation approach has given us a starting balance for a Federal

Campaign Committee.

I am awaiting further information from your Commission on the mechanics and advisability of setting up such a separate body. We hope that this effort will bring us to full and apparent compliance with the law and look forward to an early response to such.

Central Committee

1) The ending balance for 1/31/76 or the 1/1/77 beginning balance of \$8,809.72 represents total cash on hand from all activities of the San Francisco Democratic County Central Committee which include voter registration, Get-Out-The-Vote, slate card mailings, Democratic Campaign efforts-primarily for state and local elections. The first two activities are non-partisan efforts which effect both federal and local elections. Based on the candidates and the ballot propositions on the slate card and use of campaign facilities, it was determined that approximately 29% of the money was used for federal election activity and 71% for state and local activity.

Assuming receipts and expenditures are made in the same proportion, 29% of the cash accounts are allocated as the beginning cash balance for federal election activities except: 1) 100% of the remaining balance of one savings account (\$65.64) which was not used for any purpose; and 2) about \$627 which represents the approximate portion of remaining funds for an earlier state and local election drive (United Democratic Campaign Fund). Taking these exceptions into account, the beginning cash balance effectively is 26.72% of \$8,809.72 or \$2,353.82 for federal election efforts and activities. Thus, the balance of \$6,455.90 is the pro-rata allotment for non-federal purposes which is reflected as transfers out on line 24b.

2) The "loan" of \$842.82 for local election or non-federal activities in 1977 is shown to reflect the difference between the ending balance in the bank account and the ending cash balance if no "loan" were made.

Thus, to simplify and meet reporting requirements, this account will be designated for federal election activities/trans-actions only starting in 1978.

For the past eight years, our government has turned its back on the American people. The test of any government is not how popular it is with the powerful, but how honestly and fairly it deals with the many who must depend on it. We must have a government that recognizes and does something about our needs in health care, education, housing, unemployment, aid to the elderly, environmental protection and consumer rights. With Jimmy Carter as President and Walter Mondale as Vice President, our needs will be met with compassion and respect.

Sequence of Events - 1975

I. ORGANIZATION

The San Francisco Democratic County Central Committee (SFDC) registered with the Federal Election Commission on October 17, 1975. (Attachment 75-1) The San Francisco Voter Registration Committee was named as an affiliated subcommittee (VRC). The SFDC stated that it supported all Democratic candidates, including State and Federal, that no contributions were to be made directly to the candidates but funds were to be spent on their behalf, and that these amounts might exceed \$1,000 in a calendar year. An amendment to the Statement of Organization (January 2, 1976) stated that this committee would exist permanently by law.

II. REPORTS

For the year 1975 receipts were reported as \$30,599.00, and expenditures were \$30,759.00. A Request for Additional Information was sent on the July 10 Report for year-to-date totals and debt balances and an adequate response was received on January 2, 1976. An RFAI was sent on the October 10 Report for omitted debts, which totaled \$1,000, and an adequate response was received on January 2, 1976. An RFAI for year-to-date totals and particulars of expenditures on the Year End Report was sent on January 5, 1976 and an adequate response was received on April 8, 1976.

III. SURFACE VIOLATIONS

On March 11, 1976 a letter was sent to SFDC for apparent receipts from Corporations and Labor Unions. (Attachment 75-2) The response of March 19, 1976 (Attachment 75-3) states that "The contributions involved were accepted for non-partisan activities in which the SFDC took part". It then states that several of the contributions were deposited in VRC for "non-partisan voter registration". However, contributions from the International Brotherhood of Painters and Allied Trades, and from Automotive Machinists Lodge 1305, International Association of Machinists and Aerospace Workers were used to "help defray expenses incurred for the November 4 election and the December 11 run-off". These elections, it should be noted, were Municipal. The treasurer even describes them as "non-partisan activities, as in the November-December 1975 Municipal Elections".

This response was apparently accepted as adequate by the FEC analyst. While the letter is to Mr. Gordon McKay, FEC, there is no indication who accepted this response.

IV. OBSERVATIONS

This material may in fact be beyond the Statute of Limitations. It has been included in this referral to establish the early incidence of both reporting errors and the possible comingling of funds, problems which became frequent in future reports.

Sequence of Events - 1976

I. REPORTS

For the year 1976 receipts were reported as \$57,798.00 and expenditures as \$50,821.00. No Requests for Additional Information were sent to the committee on these reports.

II. RESULTS OF REVIEW

Review of these reports have disclosed the following: (Attachment 76-1)

- a) Receipts from unregistered Committees totaled \$23,230 (40% of total)
- b) Receipts from Labor Unions and Corporations were reported as \$2,577 (4% of total)
- c) Receipts from Federal Committees totaled \$23,081 (39%)
- d) Get-Out-The-Vote and Voter Registration expenditures totaled \$17,297 (35% of total expenditures)
- e) No candidate support was reported.

III. OBSERVATIONS

The review indicates two major findings. First, massive comingling of funds was disclosed with no apparent awareness of the restrictions on Corporate and Labor contributions. No doubt the lack of follow-up on the 1975 instances may have led to the conclusion on the part of SFDC that this was allowable. Secondly, extensive GOTV and Voter Registration activity took place with the use of the aforementioned funds. At that time all such activity was considered Federal Activity and therefore the funds were clearly prohibited under the Act.

79040123234

Sequence of Events - 1977

I. REPORTS

The initial set of reports filed for the year reported receipts of \$28,485 and expenditures of \$36,568. No Requests for Additional Information were sent on the April or July 10 Reports. The October 10 Report indicates:

- a) \$7,040 from unregistered committees (24% of total)
- b) \$7,500 from Labor and Corporations (26% of total)
- c) \$1,000 from a Federal Committee (3% of total)
- d) GOTV and Voter Registration expenditures were \$4,889 (13% of total)

Surface Violation letters were sent to SFDC on November 17 (Attachment 77-1) and 23, 1977 (Attachment 77-2) for receipts from unregistered committees and Corporate and Union Contributions. The response of December 19, 1977 (Attachment 77-3) indicated that; 1) There was ignorance as to the legality of the contributions and 2) the committee was engaged in "voter registration and get-out-the-vote efforts for a special municipal election on August 2, 1977." The letter also indicated that the Treasurer felt "it might be simpler for this committee to formally establish a "Federal Candidates Committee (or fund)" and that "one of our bank checking accounts is reserved solely for money that would be suitable for Federal activity, but its use is not limited to Federal activity".

Surface Violation letters were sent to the Bradley Group (Attachment 77-4) and the Moscone Dinner Committee (Attachment 77-5) due to indications of Federal activity in excess of \$1,000. Both committees responded (Attachment 77-6, 77-7) that they were not sure what elicited our inquiry since they had not contributed to any Federal candidates. But, they both said, if the inquiry was in regard to the SFDC then a closer examination of the reports filed would indicate that the monies had been handled properly. It might be noted that both committees have the same address and Moscone Dinner Committee was addressed in care of the Bradley Group.

On December 5, 1977, Mr. Carl Ferrentino, Treasurer of SFDC, spoke with Chadwick R. Gore, FEC, (Attachment 77-8), concerning the Surface Violations. Mr. Ferrentino explained that he was a new treasurer and had inadvertently, reported non-Federal activity. He was advised to amend his reports to show that there were two accounts, Federal and non-Federal, and to omit State activity from the Federal reports. It was to be made clear that comingling had not occurred.

On December 19, 1977, (Attachment 77-9), Mr. Ferrentino called again. The Bradley Group, Moscone Dinner Committee and the Union locals had been in touch with him and were concerned about apparant Federal violations. Mr. Ferrentino was very upset about the FEC "harassing" his contributors. An effort was made to explain FEC procedures to him and the conversation ended with his assurance of a prompt reply.

On January 26, 1978, (Attachment 77-10), Mr. Ferrentino called Carroll Bowen, RAD, to discuss the matter further. The FEC had still received no response and the Surface Violations had progressed to the RCTB stage. Mrs. Bowen informed Mr. Ferrentino of the same options that would solve his reporting problems that he previously had been told. He assured her he would file on January 31, 1978.

79040103235

II. AMENDED REPORTS

On January 31, 1978 the Commission received amendments to all the 1977 Reports. (Attachment 77-11) The reported receipts were reduced from \$28,485 to \$706 and expenditures were reduced from \$36,568 to \$9,344. Mr. Ferrentino explained in the cover letter (Attachment 77-12) that "the reports reflect an allocation of Receipts and Expenditures for Federal and non-Federal political activity for 1976 and 1977. He enclosed copies of slate cards (Attachment 77-13) which had been mailed to approximately 179,000 Democratic households. He also stated that a particular bank account was being designated for Federal purposes. In reference to the amendments he stated that they had "reported only those transactions and balances which were attributed to Federal activity". Special attention should be paid to the allocation procedure as explained by Mr. Ferrentino in the letter. This entire set of amendments represents an allocated portion of the total committee activity, i.e. there is no assurance that these funds were expended from a segregated Federal account.

Thorough review of these amendments indicates that all previously reported Federal activity has been deleted.

79040103236

Sequence of Events - 1978

I. REPORTS

The committee reports through November 27, 1978, disclose receipts of \$4,941.00 and expenditures of \$4,843.97. \$2,500 (51% of total) was reported received from two registered committees. \$4,287.73 (88% of total) was reported to have been allocated GOTV, Voter Registration and headquarters rent.

SFDC also included a copy of the state report with its Ten-Day Pre-General Report. It discloses \$4,604.60 received from two registered committees and reports that \$12,950.35 was received for GOTV and Voter Registration.

II. SURFACE VIOLATIONS

The committee, SFDC, reported receiving loan repayments of \$1,287.00 from its non-Federal account during the October 10 reporting period. A letter was sent to SFDC (non-Federal) on December 26, 1978, (Attachment 78-1) notifying them that they should register as per 2 U.S.C. 433 and report as per 2 U.S.C. 434. Inadequate response was received on January 30, 1979. (Attachment 78-2)

III. GENERAL POINTS

On October 16, 1978, the FEC received a letter from SFDC indicating that they would be supporting Phil Burton, CA-6 and John Burton, CA-5. No support has been disclosed in subsequent reports. (Attachment 78-3)

On January 11, 1979, Chadwick R. Gore, FEC, discussed general reporting requirements with Alice Wong, SFDC. (Attachment 78-4) Appropriate Advisory Opinions were sent to Ms. Wong to assist her in reporting GOTV and Voter Registration.

IV. SFDC submitted copies of their 1978 slate card for FEC appraisal. (Attachment 78-5) It appears to fulfill the FEC non-reporting requirements.

Reasons for Referral

1. Has this committee accepted funds prohibited by 2 U.S.C. §441b and used them for purposes under jurisdiction of the Act?

Evidence suggesting that this is the case was disclosed in reports covering the period January 1, 1975 through September 30, 1977. A variety of letters have been sent to the committee and the responses have been inconclusive regarding this question.

2. Has this committee commingled prohibited and permissible funds in an account used for federal purposes in violation of 11 C.F.R. §102.6?

A corollary to 1., this committee could accept such funds by state law, thereby necessitating segregated accounts. Several references to segregated accounts have been made in this committee's reports, but they are not conclusive as to whether such accounts abide by 11 C.F.R. §102.6.

3. Is the allocation formula adopted by the committee in 1977 in accordance with 11 C.F.R. §102.6 and §106.1(e)?

This can not be determined by the reports filed at the Commission.

4. Were in-kind contributions made to the Presidential Campaign in 1976 in violation of 11 C.F.R. §110.7(b)(5)?

\$4,200 was received by the committee from the 1976 Democratic Presidential Campaign Committee. It is not clear that these funds were used for Voter Registration as noted in the reports.

5. Is the San Francisco Democratic County Central Committee a committee as per the Act?

This cannot be conclusively demonstrated by the reports currently filed with the Commission.

6. Are the Slate Cards in accordance with 2 U.S.C. §431(e)(5)(E) and 2 U.S.C. §431(f)(4)(G)?

This needs to be determined by the Office of General Counsel, particularly with regard to the 1976 Slate Card.

7. If these Slate Cards are not exempt, how should the expenditures be allocated as per 11 C.F.R. §106.1(a)?

8. If these Slate Cards are exempt on the surface but were included in a solicitation mailing, do they lose their exempt status?

9. Has an existing committee, the Voter Registration Committee, remained non-registered and non-reporting in violation of 2 U.S.C. §433 and §434?

Indications are that significant federal voter registration activity has taken place in this committee and that it should be reporting.

Re: San Francisco Democratic County Central Committee.  
C00020156.

Dear Mr. McKay:

In reply to your letter of March 11, I trust the following will explain the contributions to which you refer.

The contributions involved were accepted for non-partisan activities in which the San Francisco Democratic County Central Committee took part.

The San Francisco Democratic County Central Committee has on several occasions carried on a non-partisan voter registration program, for the purpose of registering voters of all political parties. For this purpose we formed the San Francisco Voter Registration Committee, as a sub-committee of the San Francisco Democratic County Central Committee. Funds received for voter registration purposes all have been placed in the San Francisco Voter Registration Committee account so that they would be separated from our County Central Committee account. The 8-11-75 contribution from Cost Plus, Inc., the 8-22-75 contribution from Smarty Party Shops, and the 9-30-75 contribution from the United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry Local #38 were deposited in the San Francisco Voter Registration Committee account.

The San Francisco Democratic County Central Committee supported candidates in the November 4, 1975 Municipal Election in San Francisco. This was a non-partisan election. The 12-9-75 contribution from the International Brotherhood of Painters and Allied Trades, and the 12-17-75 contribution from Automotive Machinists Lodge 1305, International Association of Machinists & Aerospace Workers were made to our committee to help defray expenses incurred for the November 4 election and the December 11 run-off.

Mr. Gordon Andrew McKay  
Assistant Staff Director for  
Disclosure and Compliance  
Federal Election Commission  
3-19-76  
Page 2

Our committee was audited by the General Accounting Office in 1974. Our activities then were clearly outlined. At that time we set up our books to comply with their recommendations; although since its inception the Voter Registration Committee has had its own account, with funds separated from the County Central Committee account. Where the County Central Committee takes part in non-partisan activities, as in the November-December 1975 Municipal Elections, this fact is clearly designated so that it is public knowledge what the Committee's role is in such an activity.

We invite your verification of the above, and we also invite an inspection of our books.

Yours very truly,

*James M. Krotozyner*

FEDERAL ELECTION COMMISSION

1125 K STREET N.W.  
WASHINGTON, D.C. 20463

November 17, 1977

Carl Ferrentino, Treasurer  
San Francisco Democratic County  
Central Committee  
62 Woodland Avenue  
San Francisco, California

Dear Mr. Ferrentino:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, as amended. During review of the October 10 Quarterly Report of Receipts and Expenditures, we noticed entries indicating that you may have accepted contributions from corporations or unions, which are prohibited by the Act, unless segregated accounts have been established by the corporations or unions. A copy of that portion of your report is attached for your review and clarification.

The Commission recommends that if you have accepted prohibited contributions that you return the full amounts to the donors. These returns should be reported immediately by letter and should be reflected as expenditures on your next report of receipts and expenditures. If you find your identification of the source of these contributions are incomplete or incorrect, please submit a statement which would clarify these particular matters for the public record. You may do so by amending your original report by letter.

Please notify the Commission within ten (10) days of receipt of this letter of the determination made on this matter. If you have any questions concerning this matter, please do not hesitate to contact Chadwick Gore (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is 523-4048.

Sincerely,

Orlando B. Potter  
Staff Director

FEDERAL ELECTION COMMISSION

1125 K STREET N.W.  
WASHINGTON, D.C. 20463

12/8

November 23, 1977

Carl Ferrentino, Treasurer  
San Francisco Democratic  
County Central Committee  
62 Woodland Avenue  
San Francisco, California 94117

Dear Mr. Ferrentino:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, (the Act) as amended. During the review of the October 10 Quarterly Report of Receipts and Expenditures filed with the Federal Election Commission, we noticed entries indicating that you may have accepted contributions from non-federal committees which do not comply with the requirement that each committee either:

"...(i) Establish a separate Federal campaign committee which shall register as a political committee. The Federal campaign committee shall establish a segregated Federal account in either a national or State bank; or

(ii) Establish a single committee with a single account to make contributions to Federal and non-Federal candidates, but only if all contributions received are permissible under the Act, and all contributors are informed that all contributions are subject to the limitations of §§110.1, 110.2, and 110.5."

The Act prohibits the acceptance of contributions from committees which do not comply with the requirement. A copy of that portion of your report in question is enclosed so that a review of your records can be made.

If you find the entries are incomplete or incorrect, please submit a statement which would clarify these particular matters for the public record. You may do so by amending your original report by letter.

Alternatively, if you find you have accepted prohibited contributions, the Commission advises you to return the full amounts to the donors or transfer those funds to an account not used for Federal purposes. These returns or transfers should be reported immediately by letter and should be reflected as expenditures on your next report of receipts and expenditures.

- 3) if you believe that your organization is not a political committee, or that the Commission is otherwise in error, please submit a statement within ten (10) days of receipt of this letter which would clarify this matter for the public record.

If you have any questions concerning this matter, please do not hesitate to contact David Greevy (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is (202)523-4048.

Sincerely,

Orlando B. Potter

Attention: Mr. Chadwick Gore

Ref-Reply : 3SV1/77-217 & 3SV1/77-185 (Oct. 10, 1976 Quarterly Report)

Dear Mr. Gore:

This letter is written to repeat in substance what has already been conveyed to you over the phone today and on or about December 6th:

- 1) The San Francisco Democratic County Central Committee has neither accepted nor expended any money for federal election purposes since December of 1976.
  - 2) There has been no federal campaign or electoral activity in this county in 1977. This fact is a matter of public record, knowledge of which you should be charged.
  - 3) Our expenditures for the October 10th report period exceeded receipts. The itemized receipts give no showing of apparent violation of federal election law. The activities of the committee included voter registration and get out the vote efforts for a special municipal election on August 2, 1977.
  - 4) The October 10 Quarterly Report was a total statement of the Central Committee's financial transactions. It was our understanding and practice to report ALL activity, federal and nonfederal. We felt to do otherwise would be a violation. ( I now understand it may be simpler for this committee to formally establish a "Federal Candidates Committee (or fund)".).
- Non-the-less all contributions from corporations, unions and individuals were properly segregated and accounted. One of our bank checking accounts is reserved solely for money that would be suitable for federal activity, but its use is not limited to federal activity.
- 5) Our San Francisco United Democratic Campaign (SFUDC) (C00046052) was terminated August 5, 1977. This was indicated on the October 10th Quarterly Report of the

Central Committee (C000 20156) and in a separate termination report.  
( Note the SFDCP contribution Page 2 of 2 Line Number 18b.)

I am deeply concerned that you have taken it upon yourself to needlessly alarm some 12 or 13 of our contributors. If there was an error, it was OURS. The error was an overly generous public disclosure. It seems to me that my first telephone call to your letter was sufficiently responsive so that any further FEC inquiry should have been made through this committee.

I therefore, request two things: First, please remove the cloud of suspicion you have cast upon us in the eyes of our contributors by informing them that their contribution was not a violation of federal law - apparent or otherwise. Second, please send us copies of the letters you sent the contributors so that we may follow-up.

Additionally, note the address of the committee above.

Thank you for your attention on this matter.

Sincerely,

  
Carl Ferrentino,  
Treasurer

Dear Treasurer:

This letter is prompted by the Commission's interest in assisting candidates and committees to comply with the Federal Election Campaign Act, (the Act) as amended. Our review of the receipts reported by other political committees indicates that your organization may have contributed in excess of \$1,000 to a committee that supports Federal candidates.

The Act defines "political committee" to mean any committee, club, association, or other group of persons which receives contributions or makes expenditures in excess of \$1,000 during a calendar year for the purpose of influencing a Federal election (2 U.S.C. 431(d)). Additionally, 2 U.S.C. 431(f)(3) states that transfers of funds to political committees which support Federal candidates are considered "expenditures". It would appear that your organization may qualify as a "political committee" under the Act.

Enclosed are relevant informational materials with regard to the Federal Election Campaign Act, including the appropriate forms for registration and reporting by political committees. Please examine these materials and:

- 1) if you agree that your organization is a political committee, please submit a Statement of Organization on FEC FORM 1 within ten (10) days of receipt of this letter. In addition, your committee will be required to file disclosure reports in accordance with the provisions of 2 U.S.C. 434 on FEC FORM 3.
- 2) if you agree that your organization has made contributions which qualify it to be a political committee (as defined above), but you do not wish to be considered a political committee required to file reports and statements as required by 2 U.S.C. 433 and 434, you must request a refund from the recipient(s) of the amount in excess of \$1,000 which you have made. Please submit a statement to this effect within ten (10) days of receipt of this letter.

- 3) if you believe that your organization is not a political committee, or that the Commission is otherwise in error, please submit a statement within ten (10) days of receipt of this letter which would clarify this matter for the public record.

If you have any questions concerning this matter, please do not hesitate to contact Chadwick Gore (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is (202)523-4048.

Attention: Orlando B. Potter

Dear Sirs:

We are in receipt of your letter of November 23, 1977, reference number 3SV1-186.

The Bradley Group has made no contribution to any committee that supports Federal Candidates.

Due to vagueness of your communication we cannot be sure what elected your inquiry, but we presume it is in regard to contributions or loans to the San Francisco Democratic County Central Committee. If this is the case, proper attention by you to the information furnished by that committee would indicate that our contributions were deposited in their account which is not used for Federal Elections and is properly so designated.

You have not only expended government funds unnecessarily but you have inconvenienced us and others who have to reply to your communication.

All of this amounts to harassment of contributors and is a disservice to the political process.

I hope you will not follow this procedure in the future.

Sincerely,

*Don L. Bradley*

Called for clarification. Seems they inadvertently reported state & local bank activity to the FEC. The corporate & labor receipts were not in the Federal acct. I advised an amended report showing non-mingling of the two accts & omitted state & local activity. It's a new mess. & was in Hawaii that only Fed. activity need be reported.

SUBJECT: SV's

79040133285

Mr. Tarantino called wanting to know why the labor unions and Bradley Group plus corporations are all being harassed and did not know we are damaging delicate political relationships. I informed him that initial letters were sent out because of his report that his delinquent response has resulted in non-reporting, letting go of, and if anyone is more responsible it is clearly Mr. Tarantino. The fact that they have a part time office is only a condition, not an excuse or a reason to adhere to our requests. His attitude is ~~unacceptable~~ unacceptable. He insisted on reporting state & local activity to FEC because his old treasurer told him to. I suggested that that may apply to the Sec. of State but not to FEC. He threatened to respond immediately and I said "FINE!"

DATE: 1/26/78

NAME OF COMMITTEE: San Francisco Dem. County Central Office

He called regarding his requirements for filing the Report, and to discuss the problems of past filings involving possible co-mingling of funds. I suggested he amend all reports (LWTD) to show the activity of the Federal Account. Also, he should amend his Statement of Organization to show the separate account. He said he would file everything on Jan. 31.

Dear Mr. Potter,

Enclosed herewith is the 1977 Year End Report for the San Francisco Democratic County Central Committee ID# C00020156. The Committee is also enclosing amended copies of the first, second, and third quarters of 1977.

The reports reflect an allocation of Receipts and Expenditures for federal and non-federal political activity for 1976 and 1977. To give you an idea of the degree of federal political campaign activity this committee was involved in, I am enclosing copies of the slate cards used in the 1976 General Election. These cards were mailed to approximately 179,000 Democratic households in this County. The card reflects the operational and political priorities of the committee for 1976. We carried literature and campaign buttons for many candidates, state propositions and local propositions. Our volunteers were instructed to encourage voters to vote Democratic in all of the 14 races contested in each of the three assembly districts. Three of these races were federal.

To simplify and to better meet our Federal, State and County Reporting Requirements, we shall henceforth be designating our bank account #4082-06189 with the Bank of America Branch at Market and Montgomery Sts. in San Francisco to be used solely for federal purposes. This account has been open for years and had been used for federal and non-federal expenditures, but receives only deposits which conform to federal election law requirements.

In amending our reports we have reported only those transactions and balances which are attributable to federal activity. The segregation and allocation approach has given us a starting balance for a Federal

Campaign Committee.

I am awaiting further information from your Commission on the mechanics and advisability of setting up such a separate body. We hope that this effort will bring us to full and apparent compliance with the law and look forward to an early response to such.

The San Francisco Democratic County  
Control Committee

1) The ending balance for 1/31/76 or the 1/1/77 beginning balance of \$9,809.72 represents total cash on hand from all activities of the San Francisco Democratic County Central Committee which include voter registration, Get-Out-The-Vote, slate card mailings, Democratic Campaign efforts-primarily for state and local elections. The first two activities are non-partisan efforts which effect both federal and local elections. Based on the candidates and the ballot propositions on the slate card and use of campaign facilities, it was determined that approximately 29% of the money was used for federal election activity and 71% for state and local activity.

Assuming receipts and expenditures are made in the same proportion, 29% of the cash accounts are allocated as the beginning cash balance for federal election activities except:

- 1) 100% of the remaining balance of one savings account (\$65.64) which was not used for any purpose; and
- 2) about \$627 which represents the approximate portion of remaining funds for an earlier state and local election drive (United Democratic Campaign Fund). Taking these exceptions into account, the beginning cash balance effectively is 26.72% of \$8,809.72 or \$2,353.82 for federal election efforts and activities. Thus, the balance of \$6,455.90 is the pro-rata allotment for non-federal purposes which is reflected as transfers out on line 24b.

2) The "loan" of \$842.82 for local election or non-federal activities in 1977 is shown to reflect the difference between the ending balance in the bank account and the ending cash balance if no "loan" were made.

Thus, to simplify and meet reporting requirements, this account will be designated for federal election activities/trans-actions only starting in 1978.

# JIMMY CARTER & WALTER MONDALE

LEADERS,  
FOR A CHANGE

For the past eight years, our government has turned its back on the American people. The test of any government is not how popular it is with the powerful, but how honestly and fairly it deals with the many who must depend on it. We must have a government that recognizes and does something about our needs in health care, education, housing, unemployment, aid to the elderly, environmental protection and consumer rights. With Jimmy Carter as President and Walter Mondale as Vice President, our needs will be met with compassion and respect.

## YES on "A"

For a cleaner environment and up to 2,000 new jobs in the next 8 years. We must end the dumping of raw sewage into the Bay and Ocean.

## YES on "S"

The Yerba Buena Convention Center will create jobs at no cost to the property taxpayer.

# SENATOR JOHN TUNNEY

FIGHTS FOR  
YOUR FUTURE

## NO on #13

These leaders say NO on Proposition 13 (dog racing):

Gov. Edmund G. Brown, Jr.:

"Proposition 13 has an unsavory odor."

District Attorney Joseph Freitas:

"Proposition 13 is an open invitation to crime."

## YES on #1

Extend low-interest housing loans to working families and the elderly and provide thousands of urgently needed jobs in the construction industry.

## Yes on #5

Stimulate California's economy.

## YES on #14

Guarantee farm workers the right to vote.

## NO on "B"

"Protect city employees' constitutional rights.

## YES on "T"

Election of Supervisors by Neighborhood. End taxation without representation.

760 Market St., #529  
San Francisco, CA 94102

Dear Treasurer:

This letter is prompted by the Commission's interest in assisting committees who wish to comply with the Federal Election Campaign Act. Our review of the receipts reported by San Francisco Democratic County Central Committee indicates that your organization may have made contributions which total in excess of \$1,000 during the calendar year. Enclosed is a copy(s) of the report(s) in which your contribution(s) is listed.

The act defines "political committee" to mean any organization, or other group of persons which receives contributions or makes expenditures (which includes contributions to Federal candidates and committees supporting Federal candidates), aggregating in excess of \$1,000 during a calendar year. It would appear that your organization may qualify as a "political committee" subject to registration, reporting, and contribution limitation requirements of the Act.

If you agree that your organization is a political committee, please submit a Statement of Organization on FEC Form 1, in accordance with 2 U.S.C. 433. In addition, your committee will be required to file disclosure reports in accordance with 2 U.S.C. 434 on FEC Form 3.

If you agree that your organization has made contributions or expenditures which qualify you as a "political committee", but you do not wish to be considered as a "political committee", you must request refund(s) from the candidate(s) and/or political committee(s) to which you have contributed. As an alternative, political committees to which you made contributions may transfer all or part of the contributions to accounts which are not used to influence Federal elections. Refunds or transfers must be made in such amounts that the total remaining contributions made by you do not exceed \$1,000 during a calendar year.

If you believe that your organization is not a political committee, or that the Commission is otherwise in error, please submit a statement which would clarify this matter for the public record. We have also enclosed relevant informational materials and forms for the registration of and reporting by the political committee. Please examine the enclosed materials.

She has been assisting the committee in preparing reports. REFI on Q3 was pertaining to loan repayments from the State Cmte. Explained that if the funds were comingled with non-allowable source monies then all repayments must be refunded. However, if funds were certified legal, then could a) register state cmte, or b) refund difference to \$1,000 to avoid registration & could accept up to \$1,000 in legal repayment per year.

Discussed State Cards & exemption, GOTV & VR. Will send appropriate ADs to her to be forwarded to Cmte Counsel.
