GENERATION OF

On April 18, 1979, the Leland for Congress Committee (the "Committee") was referred to the Office of General Counsel by the Reports Analysis Division (RAD) for failure to adequately disclose occupation and principal place of business of its contributors, in violation of 2 U.S.C. § 434(b)(2) (See Attachment 1).

O

T

EVIDENCE

Since the Committee's first report, the April 10, 1978 Quarterly Report, the Committee has been sent seven RFAI's requesting, among other items, more information regarding their contributors' principal place of business and occupation. Several conversations ensued between RAD and Arlington McRae, the treasurer (see Attachment 2). In a letter dated June 21, 1978, Mr. McRae stated the Committee was attempting to obtain the required information but was not having much success (see Attachment 3). On September 21, 1978, the Committee sent in six amended reports, however, RAD found these reports to be inadequate.

The Commission has found reason to believe the Committee may be in violation of 2 U.S.C. § 434(b) on five different occasions during the last nine months.

On April 30, 1979, the Commission received another set of amendments from the Committee and this time RAD has deemed substantial compliance has been achieved.

PRELIMINARY ANALYSIS

In view of these latest amendments, and the fact that the Committee has apparently exercised "best efforts" to obtain the missing information, the Office of General Counsel recommends no further action in this matter.

Recommendation

1. Take no further action with regard to violations of 2 U.S.C. § 434(b) by the Leland for Congress Committee.
2. Close the file.
3. Send the attached letter.

I called the treasurer to inquire as to the status of the April 10 Quarterly and the 10 Day Pre-Primary RFAIs for the PCC. She (the woman to whom I spoke said that Mr. McRae was out of town) said that the RFAIs were completed and would be sent as soon as Mr. McRae could review them. I asked her if she needed help with any parts and she said no. I suggested that she call Ron K. or me if she had any trouble.

I called Mr. Macrae, prior to an RTB notice, to inquire about the progress of his committee's search for occupation, principal place of business, etc., for the committee's itemized contributors. RFAs were sent out on the Q1, 10 Day Pre Primary, as well as the 30 Day Post Runoff and 30 Day post Primary. Mr. Macrae said that he has not yet sent out the mailing to find out the information, but he was "just about to do it". I asked if he could send the information that he already has, and he said that he will. Mr. Macrae seemed nervous and apprehensive about the call.

Mr. MacRae, Treasurer for the committee, called to inform us that he has done all he could to contact all the Leland contributors to find out the occupation and principal place of business as requested on several RFAIs. He said that he has gone through the phone book, talked to mutual friends, etc. to find out the missing information. He estimated that he has compiled only 20% of the missing information. I told him to include an explanation of the steps he has taken to secure the missing information, along with the amendments with the new contributor information. I also told him that the matter has been referred to OGC and if they have any questions re. the matter they will get in contact with him. I could not assure him that the commission will agree to be satisfied at only 20% disclosure.

RE: Leland for Congress 073130

Dear Sir:

In reference to your letter of May 18, 1978 concerning corrections to be made to our ten day Pre-Primary Report of Receipts and Expenditures covering the period April 1, 1978 thru April 20, 1978. Your letter notes a number of omissions including proper addresses and principle place of business of various contributors. We have attempted to obtain the necessary information from contributors by telephone and/or personal contact. To date we have not been successful. As a result, we are in the process of making mail request for this information from all contributors over the hundred dollar limit. We fully intend to properly amend the report in question. However it would be preferable to us to amend the report once, after we have obtained all necessary information.

Please let me know if this approach does not meet with your approval.

Sincerely,

Arlington McRae, C.P.A.

APRIL 10 QUARTERLY REPORT

PAGE TWO

- I. Section 110.1(a)(1) of the FEC Regulations states that no person shall make contributions to any candidate, his authorized political committees or agents with respect to any election to Federal office which in the aggregate exceed \$1000. In addition, the identification, occupation, and principal place of business, if any, of each person who has made a contribution to the committee or candidate during the reporting period in an amount or value in excess of \$100, together with the amount and date of such contributions (Section 104.2(b)(2) of the FEC Regulations) shall be reported.

Please amend your report to properly attribute the following contributions:

-Mr. or Mrs. Robert Hecht	3/10/78	\$500
-Dr. or Mrs. Arthur C. Heopp	3/10/78	250
	2/28/78	100
-Mr. or Mrs. Mario Quinanes	3/16/78	200
-Mr. or Mrs. Leon Weiner	3/10/78	500
-Mr. or Mrs. Franasco Pellizzi	3/23/78	1000
-Dr. or Mrs. William C. Levin	3/28/78	200

- II. Your report shows contributions from Nugent Investments (on February 28, 1978 for \$1000), Herman Pholer Separate Property (on March 6, 1978 for \$200), E. W. Hardy Motor Co. (on March 10, 1978 for \$200), and Corum Investment Properties (on March 21, 1978 for \$1000). Please note that each person who has made one or more contributions in excess of \$100 must be identified by full name, mailing address, occupation (type of work or position), and principal place of business (name of employer or employing organization). Self-employed contributors must be identified as such, along with the type of work or profession and the city where self-employed.

If any of the aforementioned entities is a partnership, contributions must be reported in another manner. Contribution limits necessitate that contributions received from a partnership must be generally attributed to each partner in direct proportion to his or her share of the partnership profits. However, if the partners participating in the partnership's contribution have agreed that the contribution should be attributed in another manner, the contribution should then be reported according to that agreement. Please clarify the origin of the aforementioned contributions.

- III. 2 U.S.C. 434(b)(2) requires that the occupation and principal place of business of each contributor who has made one or more contributions in an aggregate amount of \$100 during the calendar year to be disclosed. Section 100.12 of the FEC Regulations defines "principal place of business" to be "the full name under which the business is conducted and the city in which the person is employed or conducts business." Please amend your report to provide the information which has been omitted.
- IV. 2 U.S.C. 434(b)(2) requires that the full name and mailing address of each contributor who has made one or more contributions in an aggregate amount of \$100 during the calendar year be disclosed. Please amend your report to provide the information which has been omitted.

He said that he has gone through the phone book, talked to mutual friends, etc. to find out the missing information. He estimated that he has compiled only 20% of the missing information. I told him to include an explanation of the steps he has taken to secure the missing information, along with the amendments with the new contributor information. I also told him that the matter has been referred to OGC and if they have any questions re. the matter they will get in contact with him. RE: Leland for Congress 073130

Dear Sir:

In reference to your letter of May 18, 1978 concerning corrections to be made to our ten day Pre-Primary Report of Receipts and Expenditures covering the period April 1, 1978 thru April 20, 1978. Your letter notes a number of omissions including proper addresses and principle place of business of various contributors. We have attempted to obtain the necessary information from contributors by telephone and/or personal contact. To date we have not been successful. As a result, we are in the process of making mail request for this information from all contributors over the hundred dollar limit. We fully intend to properly amend the report in question. However it would be preferable to us to amend the report once, after we have obtained all necessary information.

Please let me know if this approach does not meet with your approval.

Sincerely,

Arlington McRae, C.P.A.

Dear Mr. McRae:

On October 26, 1978, and on January 30, 1979, you were notified that the July 10 Quarterly and October 10 Quarterly Reports of Receipts and Expenditures filed by your committee omitted certain required information.

As of this date, however, we have received no response from you. Your failure to amend your report gives the Commission reason to believe that you are in violation of 2 U.S.C. 434.

The Commission will take no action against you until you have had a reasonable opportunity to respond to this letter. This response should be mailed to the Commission within fifteen (15) days from the date of this letter.

If you have responded to the above or you require additional information, please contact Ronald Krouse, our Reports Analyst assigned to you on our toll free number (800) 424-9350. Our local number is 523-4048.

Sincerely,
