This matter having been initiated on the basis of information ascertained in the normal course of the Commission's supervisory responsibilities, an investigation having been conducted, and the Commission having found reasonable cause to believe that respondent, Colman for Congress violated 2 U.S.C. §434(b) (9) and (12) by failing to identify contributions and expenditures in excess of \$100, and by failing to continuously report all debts and obligations until extinguished in its 10 Day Pre-Primary and 30 Day Post Primary/Termination reports.

Therefore, the Federal Election Commission and respondent, Colman for Congress having duly entered into conciliation pursuant to §437g(a) (5), do hereby agree as follows:

- I. That the Federal Election Commission has jurisdiction over respondent and the subject of this proceeding.
- II. That respondent has had a reasonable opportunity to demonstrate that no action should be taken against it in this matter.

III. Respondent enters voluntarily into this Agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

- A. Respondent Colman for Congress was the principal campaign committee for Martin Colman during the 1978 Primary Election.
- B. In its 10 Day Pre-Primary and 30 Day Post Primary/Termination reports it did not include a detailed summary of receipts and expenditures. This was later corrected by an amended report.
- C. In the respondent's April 10 Quarterly report Candidate Colman is listed as having loaned respondent a total of \$5,000 from January through March, 1978. In its 10 Day Pre-Primary report Candidate Colman is listed as having contributed \$2,000 in April, 1978, but the previous \$5,000 in loans was not adequately disclosed. In its 30 Day Post Primary/Termination report it disclosed \$5,000 in debts and obligations while previous reports indicated the respondent's debts to be \$7,000. Amended reports to correct these deficiencies have been filed.
- D. Pursuant to 2 U.S.C. §434(b)(9) a political committee is required to identify those contri-

butions and expenditures in excess of \$100 and pursuant to 2 U.S.C. §434(b)(12) a political committee is required to continuously report all debts and obligations until extinguished.

WHEREFORE, Respondent agrees:

- V. That inadequate detail in the summary and totals of contributions and expenditures in excess of \$100 was in violation of 2 U.S.C. §434(b)(9). Amended reports to correct these deficiencies have been filed.
- VI. Respondent's action in failing to continuously report all debts and obligations until extinguished was in violation of 2 U.S.C. §434(b)(12). Amended reports to correct this deficiency have been filed.
- VII. That it will pay a civil penalty in the amount of \$100.00 which will require no further reports to account for the payment of such penalty and that the respondent committee is not required to reestablish itself or file any additional reports in connection with the payment of such penalty. This penalty and these terms are pursuant to 2 U.S.C. §437g(a)(6)(B)(i).
- VIII. That pursuant to 2 U.S.C. §434(b)(9) and (12) it has amended its reports and is now in total and complete compliance with all codes, rules and laws mentioned herein.
- IX. That it will not undertake any activity which is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. §431, et seq.

30040202591

GENERAL CONDITIONS

- X. The Commission, on the request of anyone filing a complaint under 2 U.S.C. §437g(a)(1) concerning the matters at issue herein, or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute civil action for relief in the United States District Court for the District of Columbia.
- XI. It is mutually agreed that this agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.
- XII. It is agreed that respondent shall have no more than thirty (30) days from the date of this agreement to implement and comply with the requirements contained herein, or so notify the Commission.

MEMORANDUM TO: The Commission
FROM: Charles N. Steele *CS*
General Counsel
SUBJECT: MUR 979(79) Conciliation Agreement

Attached is a conciliation agreement which has been signed by the candidate, Mr. Martin Colman, on behalf of the Colman for Congress Committee. Also enclosed is a copy of the check sent by Mr. Colman in payment of the civil penalty.

The attached agreement includes a number of changes in the provisions approved by the Commission. They are as follows:

1. In paragraph IV B, the words, "failed to include," is replaced by the words, "did not include." The sentence, "This was later corrected by an amended report," is also added.
2. In paragraph IV C, the sentence, "Amended reports to correct these deficiencies have been filed," is added.
3. In paragraph V, the sentence, "Respondent's action in failing to identify contributions and expenditures in excess of \$100 was in violation of 2 U.S.C. § 434(b)(9)," was replaced by the sentence, "That inadequate detail in the summary and totals of contributions and expenditures in excess of \$100 was in violation of 2 U.S.C. § 434(b)(9)."
4. In paragraph VI, the sentence, "Amended reports to correct these deficiencies have been filed," is added.
5. In paragraph VII, the sentence, "That it will pay a civil penalty in the amount of \$250 pursuant to 2 U.S.C. § 437g(a)(6)(B)(i)," has been replaced. The sentences replacing it state, "That it will pay a civil penalty in the amount of \$100 which will require no further reports to account for the payment of such penalty and that the respondent committee is not required to reestablish itself or file any additional reports in connection with the payment of such penalty. This penalty and these terms are pursuant to 2 U.S.C. § 437g(a)(6)(B)(i)."

30040202599

6. In paragraph VIII, the sentence, "That pursuant to 2 U.S.C. § 434(b)(9) and (12) it will amend its reports identifying those contributions and expenditures in excess of \$100 and the circumstances and conditions under which the debt to Mr. Martin Colman was extinguished and the dates on which such extinguishments were made," has been replaced. The sentence replacing it states, "That pursuant to 2 U.S.C. § 434(b)(9) and (12) it has amended its reports and is now in total and complete compliance with all codes, rules and laws mentioned herein."

The revised agreement reflects a willingness by the respondent to admit the violations of 2 U.S.C. §§ 434(b)(9) and (b)(12) and to pay a civil penalty that is adequate in light of the violations involved. The respondent has also sent in amendments to comply with the Act. Because of these factors, the General Counsel recommends the acceptance of this agreement and the closing of the file.

Recommendation

Approve the attached conciliation agreement in connection with MUR 979 and close the file.

Although Mr. Martin Colman, the candidate, has sent in a signed conciliation agreement and a check in payment of the civil penalty, close examination of amended reports submitted by Mr. Colman on behalf of the committee revealed that the reports were not complete. A detailed letter was sent to Mr. Colman explaining the changes necessary for compliance with the Act. A staff member of the Office of General Counsel called Mr. Colman and Mr. Colman stated that he would make the necessary changes. Upon receipt of the reports, an appropriate recommendation will be made to the Commission.

Mr. Martin Colman

Pacific Palisades, CA 90277

Re: MUR 979(79)

Dear Mr. Colman:

The Office of General Counsel has received from you a signed conciliation agreement and a check in payment of the proposed civil penalty. However, upon close examination of the amended reports filed by you last summer in an attempt to comply with the Federal Election Campaign Act of 1971, as amended ("the Act"), we have discovered that such reports are not complete. Therefore, we will not recommend to the Commission acceptance of the agreement and payment of the penalty until receipt of your correctly completed reports.

In order to insure satisfactory completion of the reports, we are listing the following errors and discrepancies and the ways to rectify them.

(1) In order to fulfill the obligation of 2 U.S.C. §434(b)
(8) 1/ to report all debts and obligations until extinguished, the forgiving of the loans by you to your Committee may not be designated by merely placing lines across the figures. Such loans must be reported on all subsequent reports (on schedule C forms) as still outstanding up to and including the reports covering the dates on which you forgave the loans. On those reports, you are to report the forgiveness of the loans and the dates upon which the loans were forgiven. Therefore, the \$3,000 loan on January 31, the \$1,000 loan on February 28, the \$1,000 loan on March 31, and the \$2,000 loan

1/ Formerly 2 U.S.C. §434(b) (12)

30040202637

Page Two
Martin Colman

on April 15 Must be reported in accordance with the above procedures.

(2) In listing aggregate contributions on any report, the figure must include loan totals even if such loans have already been extinguished. According to 2 U.S.C. §431(8) (A) (i), 2/ a loan is a contribution under the Act. Therefore, the aggregate year-to-date total listed for your contributions to the Committee on the Ten Day Pre-Primary Report and the Thirty Day Post-Primary/Termination Report should be amended accordingly.

(3) Receipt figures listed in the amendment to the Thirty Day Post-Primary/Termination Report are lower than the figures listed in the original report. Please explain this discrepancy.

Enclosed is a copy of the amended reports you sent us in July. The items to be corrected are circled.

In order to facilitate the conclusion of this matter, you must submit the necessary amendments within the next two weeks. Furthermore, when submitting these amendments, please be sure to include a "Summary of Receipts and Expenditures" and a "Detailed Summary of Receipts and Expenditures" (pages one and two of form 3) as you have done in the past.

If you have any questions, please direct them to Jonathan Levin at 202-523-4060.

Sincerely

Charles W. Steele

INTERIM CONCILIATION REPORT #5

Mr. Martin Colman, the candidate, has sent in a signed conciliation agreement and a check in payment of the civil penalty. However, close examination of amended reports submitted by Mr. Colman on behalf of the Committee reveals that such reports are not complete. Until Mr. Colman has submitted complete reports, the Office of General Counsel will refrain from recommending the acceptance of the agreement and the payment of the civil penalty. A letter will be sent explaining to Mr. Colman the changes he must make to be in compliance with the Act.

On October 25, 1979, a revised conciliation agreement was sent to Mr. Martin Colman for his signature. On November 13, 1979, Mr. Colman was contacted by phone and he stated that he had mailed back a signed conciliation agreement. As of November 27, we still had not received the agreement and, after speaking with Mr. Colman again, we concluded that the response may have been lost in the mail en route to us. We have sent Mr. Colman a new copy of the agreement and we will expect a response within two weeks. At that time, we will make a full report to the Commission.

INTERIM CONCILIATION REPORT

On June 20, 1979 the Commission determined there was reasonable cause to believe that the Committee violated §434(b)(9) and (12) of the Act and approved a proposed conciliation agreement. After the Committee submitted additional reports but failed to respond to the proposed agreement, we contacted the treasurer and the candidate by phone. The candidate advised that he would make a specific counter proposal to the agreement within a few days. We will advise the Commission when such proposal is received.

MUR 979

INTERIM CONCILIATION REPORT

On June 20, 1979 the Commission determined there was reasonable cause to believe that the Committee violated §434(b) (9) and (12) of the Act. The Commission also approved a proposed conciliation agreement which included a request that respondent Committee send detailed documentation of its financial activity, and pay a \$250 penalty. The information was received by the Commission on July 17, 1979, but no response was made to the conciliation proposal itself. The Committee Treasurer's secretary explained via telephone on August 3, 1979 that treasurer Marks is on vacation until August 17, 1979. Due to this fact, we currently are awaiting Mr. Marks' return and his response to the conciliation agreement. If no response is received, further recommendations will be made.

Re: MUR 979

Dear Mr. Marks:

On June 20, 1979, the Commission determined there was reasonable cause to believe that Colman for Congress committed a violation of 2 U.S.C. §434(b)(9) and (12) of the Federal Election Campaign Act of 1971, as amended. Specifically, the Commission found reasonable cause to believe that in its 10 Day Pre-Primary and 30 Day Post Primary/Termination reports a detailed summary of receipts and expenditures was not included. This is in violation of section 434(b)(9) which requires identification of contributions and expenditures in excess of \$100.

Also in the Committee's 10 Day Pre-Primary and 30 Day Post Primary/Termination reports it did not properly disclose its debts and obligations to Candidate Colman. This is in violation of section 434(b)(12) which requires the continuous reporting by a political committee of all debts and obligations until extinguished.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5)(B). If we are unable to reach an agreement during that period, the Commission may, upon a finding of probable cause to believe a violation has occurred, institute civil suit in United States District Court and seek payment of a civil penalty.

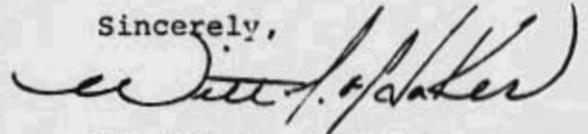

We enclose a conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter. If you agree with the provisions of the enclosed conciliation agreement, please sign and return

GENERATION OF MATTER

This matter was referred to the Office of General Counsel by the Reports Analysis Division because of the Respondent Committee's failure to continuously report all debts and obligations until extinguished, in violation of 2 U.S.C. §434(b) (12), and to identify contributions and expenditures in excess of \$100 in violation of 2 U.S.C. §434(b) (9). (Attachment I)

EVIDENCE

On October 26, 1978, the Colman for Congress Committee was sent an RFAI regarding certain omissions in its 10 Day Pre-Primary, and 30 Day Post Primary/Termination reports. In its April 10 Quarterly Report, Martin Colman is listed as having loaned his committee \$3,000 on January 31, 1978, \$1,000 on February 28, 1978 and \$1,000 on March 31, 1978. In its 10 Day Pre-Primary Report the candidate is listed as having loaned his committee \$2,000 on April 15, 1978. The previous \$5,000 in loans from the candidate was not adequately disclosed in this report. Also the Committee did not include a detailed summary of receipts and expenditures in this report. In its 30 Day Post Primary/Termination Report the Committee disclosed \$5,000 in debts and obligations while previous reports indicated the Committee's debts to be \$7,000. Also the Committee did not include a detailed summary of receipts

30040202714

and expenditures. (Attachment II) The Committee's aggregate in both receipts and expenditures was \$21,182.

On February 6, 1979 the Commission found reason to believe that the Committee had violated 2 U.S.C. §434. Candidate Colman lost the California Primary Election receiving 25.1 percent of the vote.

LEGAL ANALYSIS

2 U.S.C. §434(b) (12) states that a political committee is required to continuously report all debts and obligations.

2 U.S.C. §434(b) (9) states that a political committee is required to identify contributions and expenditures in excess of \$100.

The Committee has not yet responded to the RFAI and reason to believe notifications requesting that it amend its reports to meet the requirements of section 434. Therefore we recommend the Commission find reasonable cause to believe that the Committee violated 2 U.S.C. §434(b) and proceed to conciliation. A civil penalty of \$250 is recommended.

RECOMMENDATION

1. Find reasonable cause to believe that Colman for Congress violated 2 U.S.C. §434(b) (9) and (12).
2. Send attached letters and proposed conciliation agreement.

WASHINGTON, D.C. 20463

Attachment III

CERTIFIED MAIL
RETURN RECEIPT REQUESTED

Mr. Gerson Marks, Treasurer
Colman for Congress
1929 Idaho
Santa Monica, CA 90405

Re: MUR 979

Dear Mr. Marks:

On , 1979, the Commission determined there was reasonable cause to believe that Colman for Congress committed a violation of 2 U.S.C. §434(b)(9) and (12) of the Federal Election Campaign Act of 1971, as amended. Specifically, the Commission found reasonable cause to believe that in its 10 Day Pre-Primary and 30 Day Post Primary/Termination reports a detailed summary of receipts and expenditures was not included. This is in violation of section 434(b)(9) which requires identification of contributions and expenditures in excess of \$100.

Also in the Committee's 10 Day Pre-Primary and 30 Day Post Primary/Termination reports it did not properly disclose its debts and obligations to Candidate Colman. This is in violation of section 434(b)(12) which requires the continuous reporting by a political committee of all debts and obligations until extinguished.

The Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. §437g(a)(5)(B). If we are unable to reach an agreement during that period, the Commission may, upon a finding of probable cause to believe a violation has occurred, institute civil suit in United States District Court and seek payment of a civil penalty.

We enclose a conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter. If you agree with the provisions of the enclosed conciliation agreement, please sign and return

049202726

it along with the civil penalty to the Commission within ten days. I will then recommend that the Commission approve the agreement. You should make the check for the civil penalty payable to the U.S. Treasury.

If you have any questions or suggestions for changes in the enclosed conciliation agreement, please contact Marcie Cummings, staff member assigned to this matter, at 202-523-4060.

Sincerely,

William C. Oldaker

Re: MUR 979(79)

Dear Mr. Colman:

This is to advise you that on _____, 1979, the Commission found reasonable cause to believe that your committee, Colman for Congress, has violated 2 U.S.C. § 434(b)(9) and (12) by failing to continuously report its debts and obligations and by failing to identify contributions and expenditures in excess of \$100. The Commission has initiated conciliation with the Committee.

While the Committee Treasurer is responsible for reporting we believe that you, as the candidate, should be made aware of this development.

Under 2 U.S.C. § 437g(a)(3)(B) this matter will remain confidential unless Colman for Congress notifies the Commission in writing that it wishes the investigation to be made public.

If you have any questions please contact Marcie Cummings, the staff member assigned to this matter, at 202/ 523-4060.

Sincerely,

William C. Oldaker

QUEST FOR ADDITIONAL INFORMATION, PAGE TWO
April 10 Quarterly Report

I. The period covered by the April 10 Quarterly Report is January 1 through March 31. Please amend your report to show the correct coverage dates on Line 5 of the Summary Section and on the top line of the Detailed Summary, page two.

II. Line 6 of the Summary Section, cash on hand January 1, 1978, is reported as \$1,950. Line 7, cash on hand at the beginning of the reporting period, is reported as \$0. Please amend your report to clarify this discrepancy, and correct any other figures accordingly.

III. Mr. Gerson Marks is designated as your official campaign treasurer on the committee's Statement of Organization. However, the report was signed by the candidate. Section 104.4(a) of F.E.C. Regulations requires each treasurer of a political committee to file the reports of receipts and expenditures. Section 104.12(a) of the Regulations requires each individual responsible for filing reports to sign the original report. Please amend your report to bear the correct signature. If Mr. Marks is no longer your committee treasurer, please file an amended Statement of Organization designating another individual for this position.

IV. Schedule A discloses \$5,000 in loans from the candidate. Line 16a on the Detailed Summary page shows \$5,080 in loans. Please amend your report to clarify this discrepancy.

V. 2 U.S.C. 434(a)(2) requires that each contributor who has made one or more contributions in an aggregate over \$100 during the calendar be identified by full name, mailing address, occupation and principal place of business. Section 100.12 of F.E.C. Regulations defines "principal place of business" as "the full name under which the business is conducted and the city and state in which the person is employed or conducts business." Please amend your report to show the mailing address and principal place of business for Mr. John Arden, and the principal place of business and occupation for Ms. Cecile Silver.

 30-day Post-primary/Termination Report

The period covered by the 30-day Post-primary Report for California is May 23 through June 26. Please amend your report to show the correct coverage dates on Line 5 of the Summary Section and on the top line of the Detailed Summary, page two.

II. Your Statement of Organization designates Mr. Gerson Marks as your campaign treasurer. Under Section 104.4(a) and 104.12(s) of F.E.C. Regulations, reports and statement must be filed and signed by the official treasurer or his/her designated agent. If Mr. Marks is no longer your campaign treasurer, please submit an amended Statement of Organization naming a new treasurer. Otherwise, please submit an amendment of the report bearing the correct signature.

III. Line 15 of the Detailed Summary, page two, shows \$8,952 in itemized contributions, but this figure is not supported by Schedule A. Section 104.3(a) of the Regulations requires the full name, mailing address, occupation and principal place of business of each contributor of one or more contributions of over \$100 in aggregate for the calendar year to be disclosed. Please amend your report to fully disclose each contributor of over \$100 for the year on Schedule A, Line 15a.

IV. Line 20a shows \$8,674 in itemized operating expenditures, but this figure is not supported by a Schedule B. Section 104.6(a) requires the itemizing of each expenditure over \$100, including the identification of the recipient. Please amend your report to itemize these expenditures on Schedule B, Line 10a.

V. The committee's report discloses \$5,000 in debts and obligations owed by the committee. Previous reports indicate the committee's debts to be \$7,000. Section 104.8(a) requires continuous reporting of outstanding debts and obligations until extinguished. Please amend your report to include a Schedule C disclosing the correct figure owed by the committee, cumulative payments to date and the outstanding balance.

(Please note: Your filing cannot be accepted as a termination for the committee until all requests for further information have been adequately answered.)

Mr. Marks was returning my telephone call of earlier today to the HDQs. He said that he was calling from a "small town in California": "Beverly Hills." I asked him if he was aware that the PCC had to file a 10 Day Pre-Primary Report for CA - he said no. I explained that the PCC had to file, the coverage dates, all of the relevant information which would have to be submitted on a Form 3 should be on the mailgram, etc. He said that he had no Form 3s; I told him to call the candidate to see if he might have any. If not, he should read Section 104 of the REGs, determine what should be itemized, and if he has any problems to call me first thing in the morning to clarify them. He said that there were no receipts that he was aware of which were in excess of \$100 nor many expenditures. I said that he should sit down this evening, figure out the books, and call me tomorrow - first thing.

I continually stressed the importance of filing the report because the due date was past.

TELEPHONE NUMBER:

Mr. Colman called about having received a non-filer notice on the committee's 30-day post-primary report. He said they had sent it 29 days after the election. He said their records and copies of previous reports "mysteriously disappeared" after the primary. In order to be able to submit (or resubmit) their 30-day post report he asked that we send them copies of all the reports we have received from the committee so far. That consists of the Q1 and 10-day pre-primary reports. He said they will do their best to reconstruct what happened during the 30-day post period, and get something as soon as possible. I called Public Records and asked them to send the reports.
