DESCRIPTION OF STUDY

PURPOSE:

This study is designed to provide information on the financial transactions of Democratic, Republican, and non-party political committees, with emphasis on those transactions which support candidates for Federal office, for the period which began on January 1, 1977 and ended on December 31, 1978. Political committees, which are entities registered with the Federal Election Commission, report their financial activity to the Commission on a periodic basis. Information on receipts, disbursements, and debts from these reports have been entered into the Commission's computer system; programs have been used to produce all TABLES included in this study. The TABLES are organized into four VOLUMES. VOLUME I, SUMMARY TABLES, provides data for the Democratic and Republican national political committees and Presidential convention committees, for all state and local major party committees by state totals and overall total, and for all non-party committees by six group totals; it also includes tables providing information on contributions made to candidates. VOLUME II, STATE AND LOCAL PARTY DETAILED TABLES, presents financial information for each registered state and local major party committee, while VOLUME III (Corporate and Labor) and VOLUME IV (No Connected Organization, Trade/Membership/Health, Cooperative, Corporation without Stock) do the same for each non-party political committee.

WHAT IS NOT INCLUDED:

This study only provides information for the Democratic and Republican parties rather than for all party committees, both major and minor, which are registered with the Federal Election Commission. The study does not contain all of the information reported by the committees; for this reason it is not possible to add up a committee's specific receipts or disbursements and expect them to equal its gross receipts or gross disbursements.* Finally, because computer entry of "cash on hand" and debts information began in January, 1978, a committee which has not filed a report since 1977 containing this data appears to have \$0 in the "cash on hand" and debts sections when this may not be the case.

*For those familiar with the reporting of receipts and disbursements, it can be noted that the following information is not included: unitemized receipts and disbursements, and itemized other income, contributions from candidates, loans/loan repayments/refunds/rebates/returns received from unregistered committees, operating expenditures, loans/loan repayments/contribution refunds made to unregistered committees, contribution refunds made to registered candidates or committees, exempt Presidential fundraising/legal/accounting-expenditures, and in-kind contributions made to registered committees.

LIMITATIONS:

This study is a final report, designed to give a complete picture of the financial activity which occurred during the 1977-78 election cycle. It is possible, however, that the information contained in this report may be subsequently amended by the reporting committees.

Available at the Commission for inspection are microfilmed copies of the original reports which show information as reported by the filers. The microfilmed public record is the official record of the Federal Election Commission. This final study is one of several tools which have been developed to summarize the vast quantity of data available on the microfilmed public record.

PERIOD COVERED:

The beginning point for information in this study is committee reports on financial activity which occurred after December 31, 1976. As subsequent reports pertaining to 1977-78 activity were received during 1977, 1978, 1979 and 1980, the dollar figures contained on them were entered into the computer system and added to earlier information. The computer programs which produced this REPORT'S TABLES were run on February 22, 1980 and used all the 1977-78 data which had been entered up to and including that date.

GLOSSARY OF TERMS

NON-PARTY POLITICAL COMMITTEES

Terms in this glossary are defined in the order in which they appear in the tables.

The line number and (where appropriate) the schedule letter of the July 1976 FEC Form 3 on which the receipts and disbursements information was reported are indicated. The line number and the schedule letter of the Revised January 1977 Form 3 are given in parenthesis.

GROSS RECEIPTS:

This column includes all in-coming funds reported on Line 19 (Line 19).

TRANS IN NON-PARTY AFFIL (Transfers In from Non-Party Political Committees Which Are Affiliated):

"Transfers" are exchanges of funds between political committees. A political committee which receives funds from another political committee receives a "transfer in." Contributions received from individuals are characterized as individual contributions.

"Affiliated" committees are those committees which are established, financed, maintained, or controlled by the same corporation, labor organization, person, or group. The figures in this column are taken from Line 18a of Schedule A (Line 15a of Schedule A).

GROSS MINUS TI AFF (Gross Receipts Minus Transfers In from Affiliated Political Committees):

This column represents the difference between the gross receipts of a non-party political committee and the total transfers it has received from affiliated committees. Figures in this column more accurately depict the receipts situation, since gross receipts are frequently inflated due to transfers between affiliated committees.

REFUNDS, REBATES:

The receipts given in this column represent itemized refunds, rebates, or returns of disbursements to the listed political committee. These incoming monies include such things as refunds of deposits on office equipment. The amounts are as reported on Line 17a of Schedule A (Line 14a of Schedule A).

TRANS IN NON-PARTY NON-AFFIL (Transfers In from Non-Affiliated Non-Party Political Committees):

This column represents transfers to a non-party political committee from other non-party political committees which are not affiliated with the reporting committee. The source is Line 18b of Schedule A (Line 15b of Schedule A).

TOTAL PARTY TRANSFERS (Total Transfers In from Party Political Committees):

Figures in this column indicate the amount of transfers from party political committees. The amounts are from Line 18b of Schedule A (Line 15b of Schedule A).

IN-KIND CONTRIB REG COM (In-Kind Contributions from Registered Political Committees):

"In-kind contributions" are donations of services, goods, or property, e.g., the use of office space or equipment. They are valued at the ordinary market price and are reported on Line 18a or 18b of Schedule A (Line 15c of Schedule A). They are made by other political committees registered under the Federal Election Campaign Act.

UNREG COMMITT (Unregistered Committee):

Itemized transfers (either donations of money or in-kind contributions of services, goods, or property) from political organizations which are not registered under the Federal Election Campaign Act are included in this column. Line 18b of Schedule A (Line 15b or 15c of Schedule A) is the origin.

LOANS IN:

This column contains itemized loans received from individuals, candidates, other political committees, or from banks in the ordinary course of business. Line 16a of Schedule A (Line 17a of Schedule A) is the source.

REPAYMENTS:

These amounts represent itemized repayments from individuals, candidates, or other political committees for loans previously made by the listed political committee. The figures are taken from Line 16a of Schedule A (Line 17a of Schedule A).

GLOSSARY OF TERMS

\$101 - \$499 CONTRIB:

The amounts are the sum of itemized contributions of \$101 to \$499 from individuals. The contributions may be either monies given directly to the committee or earmarked through another political committee or they may be in-kind contributions of services, goods, or property. (Contributions earmarked through the committee are not included.) The source is Line 15a of Schedule A (Line 14a of Schedule A).

\$500 AND UP CONTRIB:

The sum of the itemized contributions of \$500 and over from individuals is given in this column. Contributions include the same types of receipts described in \$101 - \$499 CONTRIB. The source is also the same.

GROSS DISBURSEMENTS:

This column includes all outgoing funds reported by a political committee on Line 25 - Total Expenditures (Line 25).

TRANS OUT NON-PARTY AFFIL (Transfers Out to Non-Party Political Committees Which Are Affiliated):

"Transfers" are exchanges of funds between political committees. A political committee which disburses funds to another political committee makes a "transfer out."

"Affiliated" committees are those committees which are established, financed, maintained, or controlled by the same corporation, labor organization, person, or group. The figures in this column are taken from Line 24a of Schedule B (Line 22a of Schedule B).

GROSS MINUS TO AFF (Gross Disbursements Minus Transfers Out to Affiliated Political Committees):

This column represents the difference between the gross disbursements of a non-party political committee and the total transfers it has made to affiliated committees. Figures in this column more accurately depict the disbursements situation, since gross disbursements are frequently inflated due to transfers between affiliated committees.

TRANS OUT NON-PARTY NON-AFFIL (Transfers Out to Non-Affiliated Non-Party Political Committees):

This column represents transfers to other non-party political committees which are not affiliated with the reporting committee. The source is Line 24b of Schedule B (Line 22b of Schedule B).

NON-PARTY POLITICAL COMMITTEES

TOTAL PARTY TRANSFER (Total Transfers Out to Party Political Committees):

Figures here are transfers to party political committees. They are taken from Line 24b of Schedule B (Line 22b of Schedule B).

UNREG COMMITT (Unregistered Committee):

This information from the reports of non-party political committees is not entered into the computer system.

LOANS OUT:

Amounts here are itemized loans made TO individuals, candidates, or other political committees. They are taken from Line 22a of Schedule B (Line 21a of Schedule B).

REPAYMENTS:

The figures are itemized repayments made to individuals, candidates, other political committees, or to banks for loans previously made in the ordinary course of business. The amounts are as reported on Line 22a of Schedule B (Line 21a of Schedule B).

CONTRIB REFUNDS:

Itemized contribution refunds made to individuals, as reported by the political committee on Line 22a of Schedule B (Line 21a of Schedule B), are displayed in this column.

LATEST CASH-ON-HAND:

These amounts are a political committee's most recently reported 1978 "cash on hand." These balances are taken from Line 10 (Line 10).

1/1/77 CASH-ON-HAND:

A political committee's "cash on hand" on January 1, 1977 (or its initial "cash on hand" if it registered subsequent to 1/1/77) is given in this column. This beginning cash balance is reported on Line 6 (Line 6).

DEBTS OWED TO:

This column represents the outstanding debts and obligations owed TO the listed political committee. The amounts are taken from Line 26 (Line 12) of the committee's latest report.

DEBTS OWED BY:

The outstanding debts and obligations owed BY the listed political committee are given in this column. The figures are from Line 27 (Line 13) of the committee's latest report.

CONTRIBUTIONS TO CANDIDATES BY OFFICE AND PARTY:

These ten columns represent contributions (donations of money or in-kind contributions of services, goods, or property) to candidates from the listed political committee. In the first nine columns the figures are broken down by office (President, Senate, House, Total), and by major party (Democratic and Republican) and all other (independent and minor) candidates. The tenth column gives the sum of the preceding nine. The amounts are as reported on Line 24b of Schedule B (Line 22b or 22c of Schedule B).

TOTAL EXPENDITURES ON BEHALF OF CANDIDATES:

Figures here represent expenditures on behalf of candidates made by a non-party political committee. The disbursements may be for honoraria or election recounts, or for independent expenditures (those made without consultation with the candidates). Line 24b of Schedule B or Line 21 of Schedule E (Line 22b or 22c of Schedule B or Line 23 of Schedule E) are the sources for the amounts.

CORPORATION:

All non-party political committees which have identified themselves as being connected with a corporate entity are included in this group.

LABOR ORGANIZATION:

This category is composed of all non-party political committees which have indicated a connection with a labor organization.

NO CONNECTED ORGANIZATION (NON-441b):

With the exception of those in the health-related field which are included in the next category, all non-party political committees which have not reported a connected organization are placed in this class.

TRADE/MEMBERSHIP/HEALTH:

This grouping includes non-party political committees which have stated a connection with a trade association or membership organization and political committees in the health-related field.

COOPERATIVE:

Included here are non-party political committees which report that they are connected with a cooperative.

CORPORATION WITHOUT STOCK:

The reporting of a connection with a corporation without capital stock qualifies a non-party political committee for inclusion in this category.

The identification number which the Federal Election Commission has assigned to a committee (C) is listed next to the committee's name. Also given is the ending coverage date of the most recent report containing 1977-78 financial activity information which a committee has filed. If the committee has omitted the ending coverage date on its most recent report containing such information, an attempt has been made to supply the date based on evidence from the report. If no ending coverage date is printed next to the name of a committee, it means that for a variety of possible reasons the committee has not filed a report containing financial activity information.

III

SELECTED FINANCIAL ACTIVITY AND ASSISTANCE TO CANDIDATES,
NON-PARTY POLITICAL COMMITTEES

INTRODUCTION

The TABLES in this VOLUME are designed to show selected information for all registered non-party no connected organization, trade/member health, cooperative, and corporation without stock political committees. The GLOSSARY OF TERMS for non-party political committees provides detailed definitions of concepts and should be used in conjunction with the TABLES.

TABLE C, "SELECTED FINANCIAL ACTIVITY OF NO CONNECTED ORGANIZATION POLITICAL COMMITTEES AND THEIR ASSISTANCE TO CANDIDATES BY OFFICE AND PARTY," displays receipt, disbursement, and debt information. Gross receipts and gross disbursements, which are shown first in their respective places, are not necessarily accurate reflections of the "real" money that is available for political campaign financing. These figures are frequently inflated, due in large part to the fact that these sums include receipts from affiliated committees. Since affiliated committees are subject to one contribution limit (2 U.S.C. §441a), these receipts should be treated as though they were internal transfers so that the same dollar is not counted twice as a receipt. Therefore, all such transfers are given in the next column of the TABLE. These transfers are then subtracted from gross receipts (or gross disbursements) in order to produce an adjusted figure in the third column (either "GROSS MINUS TRANSFERS" or "GROSS MINUS TO AFF"). It is these two columns which most accurately depict receipts and disbursements.

The remaining information in this TABLE on specific types of receipts and disbursements provides a partial picture of a political committee's exact income and spending. As was noted in the DESCRIPTION OF STUDY where the omitted information was enumerated, the selected receipts and disbursements do not add up to the gross receipts and disbursements. A suggestion is offered for arriving at a more exact picture of the cash disbursements which a committee has made: since a committee receiving a free in-kind contribution of services, goods, or property reports it both as a receipt and as if it had been paid for, the amount given in the "IN-KIND CONTRIB REG COM" receipts column may be subtracted from the "GROSS DISBURSEMENTS" figure to arrive at a more precise sense of the cash actually dispensed.

TABLE C next provides a committee's "cash on hand" and debts figures. Amounts of its assistance to candidates by Federal office and party, which are shown after "cash on hand" and debts, indicate its candidate activity to date.

TABLES D through F are identical in construction to TABLE C.
