FECFile User Manual for PAC's & Party Committees

This manual is designed to help political committees use FECfile software and to assist with the filing of disclosure reports. The format is user-friendly and contains step-by-step instructions, along with screen shots, in an effort to help users maneuver through the software. Some of the areas found in this manual include: How to enter transactions on each line, How to upload a report, How to file a miscellaneous electronic submission, and How to make sense of some common error codes.
