- ▣ Review Contribution Basics
- ▣ Evaluate Methods for Curing Excessive Contributions
- ▣ Discuss Contributions with Tricky Reporting
- ▣ Identify Ways the Candidate May Support the Campaign

## CAMPAIGN CONTRIBUTION BASICS

### Contribution Basics

#### Per Election Limits:

**\$2,700** (indexed for inflation)

- Individuals/Persons
- Non-multicandidate committees (“non-qualified”)

**\$5,000** (not indexed)

- Multicandidate committees (“qualified”)

**\$2,000** (not indexed)

- Campaign committee to campaign committee

Campaign Operations, Part 1

#### I. Per Election Basis

##### A. Subject to Limit (*Guide*, pp. 17-18)

1. Limits are per election, per candidate.
  - a) **\$2,700/election** (indexed for inflation) from individuals, persons, non-multicandidate committees.
  - b) **\$5,000/election** (not indexed) from multicandidate committees.
  - c) **\$2,000/election** (not indexed) from one federal candidate’s authorized committee to another federal candidate’s authorized committee.
2. The value of an in-kind contribution (usual and normal charge) counts against same contribution limit as gifts of money.

## Contribution Basics

### Accounting Method:

- ▣ During primary, cash on hand must be  $\geq$  total general election contributions received

FECConnect LIVE  
2015-16 Election Cycle

Campaign Operations, Part 1

- B. Accounting Method** (*Guide*, p. 74)
1. Campaign must adopt an accounting system to distinguish between contributions made for the primary and those for the general election.
  2. During the period before the primary, the campaign's cash on hand must at least equal the amount of general election contributions received.  
11 CFR 102.9(e)(2).

## Contribution Basics

### Accounting Method:

- ▣ If candidate loses primary, campaign must refund general election contributions w/in 60 days

FECConnect LIVE  
2015-16 Election Cycle

Campaign Operations, Part 1

**C. Candidates Who Lose in the Primary or Withdraw Before the Primary**

(*Guide*, pp. 20-21)

1. Entitled to limit only if candidate seeks office in that election.
2. Candidate who accepts contributions for general election before primary is held and loses or withdraws from the primary must refund, redesignate or reattribute general election contributions within 60 days of the primary or public withdrawal from the primary race.  
11 CFR 110.1(b)(3) and (5).
3. Similar application for convention, runoff, etc.

## Contribution Basics

### Debt Retirement Contributions

Debt is assigned to an election

Debt retirement contributions acceptable if:

- Campaign has “net debts” for an election
- Contribution designated for that election AND
- Does not exceed per election limit

**D. Contributions to Retire Debts** (*Guide*, pp. 27-28)

**1. Debt Retirement Contributions**

- a) If a committee has net debts outstanding after an election is over, it may accept contributions after the election to retire debts provided that the:
  - (1) Contribution is **designated** for that election;
  - (2) Contribution does **not exceed contributor’s limit for the designated election**; and
  - (3) Campaign has **net debts outstanding** on the day it receives the contribution. 11 CFR 110.1(b)(3)(i) and (iii).
- b) For example, campaigns retiring debt for 2014 general can accept up to \$2,600 from an individual, not the current \$2,700 limit.

## Net Debts Outstanding

Receipts  
- Disbursements

Cash on Hand

Debts  
- Cash on Hand

Net Debts  
Outstanding

### 2. Calculating Net Debts Outstanding

- a) A campaign's net debts outstanding consist of unpaid debts incurred with respect to a particular election, minus cash on hand.
- b) First calculated as of the day of election.
- c) Figure is continually recalculated as additional funds are received for, or spent on, the election for which debt remains.

## Soliciting Campaign Funds

Dear Mr. Justin Pitt,  
Please contribute.

Note that federal law requires us to ask for name, address, occupation and employer for any contributor who gives more than \$200 in the election cycle.

*Cosmo Kramer*

**Paid for by the Committee to Elect Cosmo Kramer**

- ✓ Best Efforts
- ✓ Fundraising Notice

 FECConnect LIVE  
2015-16 Election Cycle

Campaign Operations, Part 1

**A. Solicitations and Fundraising Notices** (*Guide*, pp. 63-67)

**1. Authorization Notice**

- a) When the campaign solicits contributions through public communications, or on a campaign website, it must include a clear and conspicuous notice on the solicitation stating that it was paid for by the campaign.
- b) *“Paid for by the Committee to Elect Cosmo Kramer”*

**2. Best Efforts**

- a) When making solicitations, campaigns and their treasurers must make “best efforts” to obtain, maintain and report the name, address, occupation and employer for each contributor who gives more than \$200 in an election cycle.
- b) Initial solicitation must specifically request that information and inform contributors that the campaign is required by law to use its best effort to collect and report it.
- c) If a contributor does not provide sufficient reporting information, the campaign must make one follow up within 30 days of receipt.

**B. How Contributions Work** (*Guide*, pp. 22-23)

**1. Designated and Undesignated Contributions**

- a) **Designated contributions** count against the donor’s contribution limits for the election that is named. Donors may designate contributions by indicating in writing on the check or in a signed statement accompanying the contribution.
- b) **Undesignated contributions** count against the donor’s contribution for the candidate’s next scheduled election, based upon “date made.” (see below)

## Date Made v. Date of Receipt

FECConnect LIVE  
2015-16 Election Cycle

Campaign Operations, Part 1

### 2. Date Made v. Date of Receipt (*Guide*, pp. 22-23)

#### a) Date Made

- (1) The date the contribution is made determines which election limit it counts against. Undesignated contributions made on or before the date of the election count against the donor's limit for that election, even if the date of receipt is after the election day.
- (2) The date the contribution is made is the date the contributor relinquishes control over it.
  - (a) **Hand delivery:** date the contribution is delivered by the contributor to the campaign.
  - (b) **Mail:** date of the postmark. If campaign wishes to rely on the postmark as evidence of date made, it must retain the envelope or a copy of it.
  - (c) **In-kind:** date the goods or services are provided by the contributor.
  - (d) **Internet:** date the contributor electronically confirms making the transaction.

#### b) Date of Receipt

- (1) The date the campaign (or person acting on the campaign's behalf) actually receives the contribution. This is the date used for reporting purposes.

- (2) **Special situations:**
- (a) **Credit card:** date of receipt is the date on which the committee receives the contributor's signed authorization to charge the contribution. Treasurer should retain a copy of authorization form for committee's records.
  - (b) **In-kind:** date the goods/services are provided to the committee, even if the contributor pays the bill for goods/services after they are provided to the campaign.
- c) **Date of Deposit**  
All contributions must be deposited within 10 days of receipt; this date is **not** used for reporting or contribution limit purposes.

## Curing Excessive Contributions

### Options: The Three R's

### I. Methods for Curing Excessive Contributions

#### A. Refund

## Presumptive Redesignation

1. Designate \$2,700 to Primary
2. Redesignate \$2,700 to General
3. Notify Helen, offering option of refund

\* Ensure that donor does not exceed contribution limit

**B. Redesignate** – (11 CFR 110.1(b)(5)(ii)(B)(1)-(4)); (*Guide*, pp. 24-27)

**1. Presumptive Redesignation**

If individual or non-multicandidate committee makes an excessive primary contribution, campaign may presumptively redesignate excessive portion to general election if contribution:

- a) Is made before candidate's primary election;
- b) Is not designated in writing for a particular election;
- c) Would be excessive if treated as a primary election contribution; and
- d) As redesignated, does not cause the contributor to exceed any other contribution limit.

**2. Backward-looking provision:** An undesignated contribution made after primary, but before general, may be applied to primary debt if campaign's net debts are greater than the amount redesignated.

**3. Notification Requirement**

Committee must notify contributor of redesignation by paper mail, e-mail, fax or other written method within 60 days of treasurer's receipt of contribution; must notify contributor of right to receive refund instead.

**4. Electronic Contributor Redesignations**

The Commission has recently acknowledged that, in certain circumstances, an online process can provide a sufficient level of assurance as to the contributor's identity and intent such that it satisfies the written signature requirements. See Interpretive Rule Regarding Electronic Contributor Redesignations, 76 FR 16233 (March 23, 2011). Available on FEC website at: [http://www.fec.gov/law/cfr/ej\\_compilation/2011/notice\\_2011-02.pdf](http://www.fec.gov/law/cfr/ej_compilation/2011/notice_2011-02.pdf)

C. **Reattribute** – (11 CFR 110.1(k)(3)(ii)(B)(1)); (*Guide*, pp. 25-26)

1. **Attribution of Contributions by Contributors**

- a) Individual contributions attributed to person(s) who sign check.
- b) Joint account – both must sign check or accompanying statement.

## Presumptive Reattribution

1. Attribute \$2,700 to Helen

2. Reattribute excessive \$2,700 to Morty

3. Notify both; offering option of a refund

\* Ensure that neither donor exceeds contribution limit

2. **Presumptive Reattribution**

If individual contribution exceeds limit and is made on joint account, but has only one signature:

- a) Attribute permissible amount to the signer; and
  - b) Presumptively reattribute excessive amount to other account holder, without obtaining his/her signature.
3. Reattribution may not cause contributors to exceed any contribution limits.
4. Committee must notify contributor of reattribution by paper mail, e-mail, fax or other written method within 60 days of treasurer's receipt of contribution; must notify contributor of right to receive refund instead.

## Avoid Excessive Contributions

- ☐ Encourage donors to designate contributions
- ☐ Obtain signatures for joint contributions
- ☐ Presumptive redesignation **NOT** available for multicandidate committee contributions

- ☐ Designation required if:
  - Contributing to a future election (i.e., not next election)
  - Contributing to retire debt from a past election

 FECCONNECT LIVE  
2015-16 Election Cycle

Campaign Operations, Part 1

### D. Avoiding Excessive Contributions

1. **Campaigns** – Ask contributors to designate contributions for a particular election.
2. **Designate** all contributions your committee makes to federal candidates.
3. **Ask joint contributors** to make sure both sign check or accompanying statement.
4. **Presumptive redesignation NOT available for excessive multicandidate committee contributions** (only individuals and non-multicandidate committees). Redesignation would need to be done the “old” way:
  - a) Campaign asks contributor to provide a written, signed statement redesignating contribution for another election. The request must also state that the contributor may instead receive a refund of the excessive amount.
  - b) Contribution is properly redesignated if, within 60 days of receipt, the campaign receives a written, signed statement redesignating the excessive portion to another election.
  - c) If the signed authorization is not received within 60 days, the campaign must refund the excessive portion.
5. **Designation of Campaign Contributions by Contributor**
  - a) If contributor intends contribution to count toward a future election, beyond the upcoming election.
  - b) If contributor wants contribution to retire candidate’s debt of a past election. Note: This is permissible only if:
    - (1) Candidate has net debt outstanding from that election; and
    - (2) Contribution, when aggregated with previous contributions to same candidate for same election, does not exceed limit.

## Reporting Receipts

### How to Itemize Receipts

Always Itemize:

- ✓ Contributions from party committees and organizations
- ✓ Contributions from other political committees
- ✓ Transfers
- ✓ Loans

Itemize all other receipts when:

- ✓ Aggregate > \$200 from one source in an election cycle

Receipt transactions should include the following itemization information for contribution source:

- Name and mailing address;
- Occupation and employer (individuals only);
- FEC ID number (political committees only);
- Election to which contribution/loan was designated;
- Date of receipt;
- Amount of receipt; and
- Aggregate election-cycle-to-date total for all receipts from same source.

Campaign Operations, Part 1

2. Can we accept Helen’s contribution check as written? If not, what must the campaign do to remedy the situation?

No. Potentially, these could be joint contributions. However, since only Helen signed the \$5,400 check, Helen has made an excessive contribution for the primary. To remedy this, the campaign can reattribute and/or redesignate the excessive portion of her contribution.

3. How should the committee disclose the transaction(s) that remedy the excessive contribution?

**Reattribution:**

Since Helen’s contribution is drawn on a joint account, the campaign has the option of reattributing the excessive portion to the joint account holder, Morty Seinfeld. The campaign may presumptively reattribute the excessive portion (\$2,700) to Morty for the primary election as long as it would not cause him to exceed his limits.

**Report receipt:** show reporting on Schedule A for Line 11(a)(i). Two separate entries:  
 a. Show check as written: \$5,400 contribution from Helen Seinfeld for primary; and  
 b. Subtract excessive amount of contribution: -\$2,700 removed from Helen Seinfeld’s primary contribution.

For both entries, include cross-reference notations: “retribution and redesignation below.”

Note that, in our scenario, Morty Seinfeld made a \$500 contribution before the above check was written, so that attributing the full \$2,700 to him for the primary would cause him to exceed his limit for that election by \$500. Therefore, only \$2,200 may be reattributed to Morty.

**Report reattribution:** show reporting on Schedule A for Line 11(a)(i). Show full \$5,400 as primary contribution from Helen Seinfeld. Change attribution of excessive portion to Morty Seinfeld to -\$2,200 as MEMO entry (noted by checking the "Memo Item" box) and include notation in Amount of Each Receipt this Period box indicating, “retribution.”

Campaign Operations, Part 1

With the remaining \$500, the campaign can presumptively redesignate the excessive \$500 to the general election as a remedy.

**Redesignation:**

Campaign committees may also remedy an excessive contribution by applying the excessive portion to a future election. The campaign may presumptively redesignate the excessive portion to the general election as long as the contribution:

- Is made before the candidate’s primary election;
- Is not designated;
- Would be excessive if treated as a primary election contribution; and
- As redesignated, does not cause the donor to exceed any other limits.

Helen Seinfeld has not yet made any general election contributions; therefore, the campaign may presumptively redesignate either the full \$2,700 excessive portion of primary contribution to the general, or the \$500 that remains after the reattribution to Morty. To maximize the availability of funds for the primary, the campaign chooses the latter.

**Report redesignation:** show reporting on Schedule A for Line 11(a)(i) as a \$500 contribution from Helen Seinfeld. Change designation to general as a MEMO entry (noted by checking the "Memo Item" box) and include notation in Amount of Each Receipt this Period box indicating, “redesignation.”

**Key issues:**

- A presumptive reattribution is allowed even if only one signature is on the check. Ensure that the reattribution won't cause donors to exceed the per election limits.
- A presumptive redesignation for the primary to the general election is allowed if the contribution is not designated for a particular election. For example, if Helen had written "primary" on the memo line of her check, a presumptive redesignation would not be allowed. The redesignation would need to be done the "old" way – with written authorization from contributor within 60 days of receipt BEFORE the redesignation could occur.
- Remember, written notification to contributor(s) must be done within 60 days of receipt for presumptive reattributions and redesignations. The notification must also offer the contributor the option to receive a refund instead.

Campaign Operations, Part 1

**SCENARIO #2:**     **Joint Fundraising Transfers** (Guide, pp. 136-138)  
                          **48-Hour Notices** (Guide, pp. 81, 83)

*Representative Cosmo Kramer and Senator Frank Costanza decide to hold an event on June 14, 2016 in Candidate Kramer’s district as a final push for their primary campaigns. They plan to divide the expenses and proceeds equally and have designated the “Kramer/Costanza Victory Fund” as their joint fundraising representative.*

*At the event, Kramer/Costanza Victory Fund collects a total of \$5,400. The only contributions came from Matt Wilhelm and David Puddy. Each made a \$2,700 contribution at the event. Since the proceeds were split evenly (50%) between Representative Kramer and Senator Costanza, Mr. Wilhelm and Mr. Puddy each made a \$1,350 contribution to Representative Kramer and a \$1,350 contribution to Senator Costanza.*

*Kramer/Costanza Victory Fund incurred \$1,000 in expenses to put on the June 14<sup>th</sup> event. As a result, the Committee to Elect Cosmo Kramer received a check from the Kramer/Costanza Victory Fund on June 21, 2016, in the amount of \$2,200, comprising the committee’s 50% allocation of net proceeds.*

- 1. How should the Committee to Elect Cosmo Kramer disclose the transfer in from Kramer/Costanza Victory Fund?**
- 2. Do the contributions received at the joint fundraising event trigger a 48-hour notice?**
- 3. Is any additional disclosure necessary?**

**SCENARIO #2 – ANSWERS:**

**1. How should the Committee to Elect Cosmo Kramer disclose the transfer in from Kramer/Costanza Victory Fund?**

The funds are coming from Kramer/Costanza Victory Fund, which has been authorized to raise money for the candidate. Therefore, the receipt is treated as a transfer of funds from an authorized committee – not as contributions from individuals. The campaign committee should itemize its net proceeds (the campaign’s share of the gross contributions, minus its share of expenses) as a receipt from Kramer/Costanza Victory Fund.

**2. Do the contributions received at the joint fundraising event trigger a 48-hour notice?**

Yes. In our scenario, the 48-Hour Notice period in connection with the June 28<sup>th</sup> primary runs from June 9 through June 25 – therefore, the June 14<sup>th</sup> receipts trigger the 48-Hour Notice requirements.

**Note for Joint Fundraising:** the date of receipt is the date the JFR receives the contribution. However, the principal campaign committee, not the JFR, is responsible for filing the 48-Hour notice.

**Report last minute receipts:** show reporting of 48-Hour Notice on Form 6.

## Form 3: Schedule A, Line 12

- Report transfer received from JFR
- Memo entries for individual donors

### Key issues on Joint Fundraising:

- The date of receipt may be different for the JFR and the contributors.
- Report the transaction using Line 12 (Transfers from Other Authorized Committee), not Line 11(a)(i).
- Use MEMO entries (noted by checking the “Memo Item” box) to break out contributor itemization.
  - Report gross amount of contribution(s) and include a notation referring back to JFR.
  - Itemize contributions from the original donors making up its share of the gross receipts as "Memo Item" entries on Schedule A (only contributions aggregating over \$200 for the election cycle for the contributor require itemization).
  - Please note that in most cases, the net amount of the transfer in to a participating campaign committee will be less than the sum of the MEMO entries supporting the transfer.
- The JFR pays expenses out of the total funds raised, and then gives participating committees their allocated share of the leftover money.
- Remember, when designating a separate JFR, participating campaign(s) must amend their FEC Forms 1 & 2 to add the JFR as an authorized committee.

3. Cannot attribute to any corporate partners.

### C. Types of LLCs

1. **LLC Treated as Partnership** - treated as partnership for tax purposes, partnership rules above apply.
2. **LLC Treated as Corporation** - If treated as corporation for tax purposes, corporate prohibition on contributions applies.

III. Earmarked Contributions – (11 CFR 110.6); (*Guide*, Appendix A, pp. 129-132)

## Earmarked Contributions

**Conduit:** Anyone who receives and forwards an earmarked contribution to a candidate

  - Employees/full time volunteers of campaign
  - Authorized fundraisers
  - Affiliated committees of the campaign
  - Commercial fundraising firms
- ▣ **Earmarked or Bundled?**

FECCConnect LIVE  
2015-16 Election Cycle

Campaign Operations, Part 1

- A. **Definition:** A contribution to a candidate which the contributor directs (either orally or in writing) though an intermediary or conduit.

**B. Conduit/Intermediary**

1. Anyone who receives and forwards an earmarked contribution to a candidate. This includes individuals, political committees, unregistered committees and partnerships.
2. **Persons NOI considered conduits include:**
  - a) Corporations, unions and other prohibited sources;
  - b) Employees or full time volunteers working for campaign committee;
  - c) Individuals expressly authorized to raise money on behalf of the candidate;
  - d) Committees affiliated with campaign committee; and
  - e) Commercial fundraising firms retained by campaign committee.

**C. Contributions Bundled by Lobbyists/Registrants and Lobbyist/Registrant PACs – (11 CFR 104.22); (Guide, Appendix F, pp. 161-167)**

1. **Earmarked or Bundled?**

Generally, to be a bundled contribution, the intermediary between the contributor and recipient campaign committee must be a Lobbyist, Registrant or Lobbyist Registrant PAC.
2. **Disclosure of Lobbyist Bundling Activity**
  - a) **2016 Disclosure Threshold = \$17,600**

Campaign committees that receive two or more bundled contributions from a lobbyist/registrant or lobbyist/registrant PAC aggregating in excess of \$17,600 during a specific *covered period* are required to disclose activity on FEC Form 3L.
  - b) **Bundled Contributions Disclosed on Form 3L**

Form 3L is filed on the same quarterly schedule, simultaneously with Form 3. Additional semi-annual covered period disclosure for report due in July (July Quarterly or pre-election report, if applicable) and January (Year-End Report).

## Earmarked Contributions

### Procedures:

- ▣ Contribution must be:
  - Forwarded to campaign within 10 days of conduit's receipt
- ▣ Conduit must:
  - Provide campaign with contributor information for FEC report

Campaign Operations, Part 1

### **D. Effect on Contribution Limits**

1. An earmarked contribution counts against the contributor's limit for the recipient candidate.
2. Conduit limit is affected when the conduit exercises direction or control over the contributor's choice of recipient candidate.

### **E. Transmittal to Campaign**

1. The conduit must forward an earmarked contribution to the recipient campaign committee within 10 days of receiving the contribution.
2. Campaign should receive transmittal report from conduit containing the contributor information needed to disclose on FEC report.

**SCENARIO #3**      *Earmarked Contributions (Guide, Appendix A, pp. 129-132)*

*David Puddy invites a group of friends over to his Manhattan apartment on April 3<sup>rd</sup> to drum up support for Kramer's re-election campaign and to celebrate the first day of baseball season by watching the Mets v. Royals game.*

*During the 7<sup>th</sup> Inning Stretch, David begins a discussion about Candidate Kramer and in response a number of guests break out their checkbooks to make contributions. Since no campaign representatives were at the event, one of the attendees, Art Vandelay, decides to collect the checks and forward them to the campaign. Most of the checks were for \$50, except for one from Mickey Abbott who wrote a check for \$250. On April 6, 2016, Art walks over to the Kramer Campaign Office and hands the envelope of checks to Treasurer Newman.*

**1. Does the campaign disclose the receipt of an earmarked contribution as a contribution from the conduit or as a contribution from the individual? Or both?**

**2. How does the campaign disclose the receipt of earmarked contributions?**

**SCENARIO #3 – ANSWERS:**

- 1. Does the committee disclose the receipt of an earmarked contribution as a contribution from the conduit, a contribution from the individual donors or both?**  
The earmarked contributions collected at this event count only as a contribution from the individual(s). In this scenario, Art Vandelay is acting as a conduit. Since the decision to make the contribution to the candidate was independently made by the individual contributors, not under the direction or control of Mr. Vandelay, the contribution is treated as a contribution only from the individual(s), not affecting the conduit’s limits.
  
- 2. How does the committee disclose the receipt of earmarked contributions?**
  - **Report itemized contribution from individual(s)** on Schedule A for Line 11(a)(i). The Date of Receipt is the date the conduit received the money from the contributors, in this case the date of the event. The itemization should also include a notation in the Receipt This Period box indicating, “Earmarked through Art Vandelay.” All of the smaller contributions of \$50 do not require itemization, but the value should be included in the total amount of unitemized contributions reported on Line 11(a)(ii).
  - **Report the receipt from conduit** on Schedule A for Line 11(a)(i) as a MEMO entry (noted by checking the “Memo Item” box). The Date of Receipt is the date the campaign received the funds from the conduit; itemization should also include a notation in the Receipt This Period box indicating “Total earmarked through conduit.”

### Repayment of Candidate Loans

- ▣ **Using contributions made *before* election**
  - May repay entire amount
- ▣ **Using contributions made *after* election**
  - May repay no more than \$250,000
  - Amount in excess of \$250,000 = contribution

**C. Repayment of Personal Loans from Candidate** (*Guide*, pp. 29-30, 51)

1. For personal loans from the candidate (including advances or candidate-endorsed bank loans) to his or her authorized committee that aggregate more than \$250,000, the following rules apply:
  - a) Campaign committee may use contributions to repay the candidate for the entire amount of the loan or loans only if those contributions were made on or before the day of the election; and
  - b) Committee may use contributions to repay the candidate only up to \$250,000 from contributions made after the date of the election.

- c) If committee uses the amount of cash-on-hand as of the date of the election to repay the candidate for loans in excess of \$250,000, then it must:
  - (1) Do so within 20 days of the election; and
  - (2) Treat the portion of candidate loans that exceed \$250,000, minus the amount of cash-on-hand as of the day after the election as a contribution by the candidate.
2. See AOs 2008-22 and 2008-09 (still in effect even though Millionaires' Amendment is not).

**SCENARIO #4:**      *Candidate Loans (Guide, pp. 91-92, 103-107)*  
                             *48-Hour Notices (Guide, pp. 81, 83)*

*On June 13, 2016, Candidate Cosmo Kramer generously dips into his “rainy-day” savings account and contributes \$10,000 to his campaign committee to give his primary re-election campaign a last push before the June 28 primary. He indicates, however, that once money from other contributors comes in, he wishes to be paid back in full, no matter how long it may take, and will not charge the committee any interest.*

*Successful in the primary, yet concerned about the lack of money coming into the campaign for the general, on October 1, 2016, Candidate Kramer decides to loan the campaign an additional \$50,000 – this time the funds were derived from a loan he took out from Chemical Bank. The bank charges the candidate 12.5% interest on the loan. However, the candidate decides not to charge as much interest to the committee and loans the money to the campaign at an interest rate of 9.5%.*

*After visiting their son, George, who is friends with Congressman Kramer, Frank and Estelle Costanza stop by and each contribute \$2,700. With a new confidence in their fundraising plan in the coming months, the campaign repays Candidate Kramer \$4,000 of his bank loan on October 10, 2016. (Note: payment consists of \$3,650 principal payment and \$350 interest payment).*

- 1. Should the committee disclose the personal funds loan? If so, how should the committee disclose it? Does the personal funds loan trigger a 48-Hour Notice?**
  
  
  
  
  
  
  
  
  
  
- 2. Are the reporting requirements any different for Candidate Kramer’s \$50,000 loan to the committee funded from a loan he took out from a lending institution?**
  
  
  
  
  
  
  
  
  
  
- 3. How is the committee’s loan repayment to the candidate disclosed?**

**SCENARIO #4 – ANSWERS:**

**1. Should the committee disclose the personal funds loan? If so, how should the committee disclose it? Does the personal funds loan trigger a 48-hour notice?**

Yes. The term “loan” is contained in the definition of contribution, and as such, the personal funds loan from Candidate Kramer should be disclosed as both a contribution on Schedule A and as a loan on Schedule C.

Since the loan was given to the campaign in close proximity to the candidate’s primary election, it must be determined whether or not the receipt triggers expedited disclosure with a 48-Hour Notice. The expedited disclosure requirement applies to all types of contributions received, including loans from the candidate, loans received (other than bank loans) and endorsements of bank loans.

In our scenario, Candidate Kramer is participating in the New York Primary being held on June 28, 2016, and the applicable 48-Hour Notice period runs from June 9 through June 25. Therefore the \$10,000 personal funds bank loan received on June 13<sup>th</sup> falls inside this period and triggers the 48-Hour Notice requirements. The contribution must be reported to the FEC by June 15, 2016.

**Report last minute receipt:** show reporting of 48-Hour Notice on Form 6.

*Successful in the primary, however, concerned about the lack of money coming into the campaign for the general, on October 1, 2016, Candidate Kramer decides to loan the campaign an additional \$50,000 – this time the funds were derived from a loan he took out from Chemical Bank. The bank charges the candidate 12.5% interest on the loan. However, the candidate decides not to charge as much interest to the committee and loans the money to the campaign at an interest rate of 9.5%.*

**2. Are the reporting requirements any different for Candidate Kramer’s \$50,000 loan to the committee funded from a loan he took out from a lending institution?**

Yes. In addition to the disclosures on Schedules A & C (as noted above), the campaign committee must also submit Schedule C-1 to disclose the loan agreement between the lending institution and the candidate. Schedule C-1 also includes description/value of collateral used (if any), and requires the signature of an approving official from the bank.

*After visiting their son, George, who is friends with Congressman Kramer, Frank and Estelle Costanza stop by and each contribute \$2,700. With a new confidence in their fundraising plan in the coming months, the campaign repays Candidate Kramer \$4,000 of his bank loan on October 10, 2016. (Note: payment consists of \$3,650 principal payment and \$350 interest payment).*

### 3. How is the committee's loan repayment to the candidate disclosed?

If payment is applied to the principal AND interest balances, the committee may use one check, but must break out each part and disclose them separately. Payment towards the principal balance is shown as a loan repayment, and payments toward interest are reported as operating expenditures. Note that principal repayments must also be continuously reported on Schedule C for each reporting period.

2015-16 Election Cycle

Campaign Operations, Part 1

### Key issues:

#### Candidate Loans

- If the candidate wishes to be paid back, be sure to report the receipt as a loan on the *first report* disclosing the receipt.
- **Tips for a Personal Funds Loan**
  - Use both Schedules A for Line 13(a) and Schedule C for Line 13(a).
  - Don't forget loan terms. Terms of a loan from the candidate's personal funds (no lending institution involved) may be more flexible. If there is no interest or due date, don't leave boxes blank, enter "none" or "n/a."
  - Include notations on both Schedules A & C indicating "personal funds."
  - When the candidate forgives a loan, the committee should file a letter signed by the candidate stating that the loan is forgiven – for both paper and electronic filers.

- **Tips for a Candidate Loan from Lending Institution**
  - When the candidate obtains a loan from the bank and then loans those funds to the campaign, report using Schedule A for Line 13(a), Schedule C for Line 13(a), and Schedule C-1.
  - Don't forget to include loan terms. Often terms on C-1 and C will differ. The candidate is able to use different terms than the bank (including no repayment conditions). The bank must have terms offered in the normal course of business.
  - Remember to include notations – i.e., “home equity line of credit.”
  - Candidate may charge the campaign an interest rate on a loan derived from a bank that is different from what the bank charges the candidate.
  - When disclosing repayment on this type of loan, principal campaign committee (PCC) may issue repayment to candidate or to the bank. Reflect payment on Schedules B and C. On Schedule B, break out payments towards principal and interest separately – disclosed on different line numbers: Line 19(a) for principal payments and Line 17 for interest payments.
  - Loans made by a lending institution directly to the committee should be reported on Schedules A and C for Line 13(b) and Schedule C-1. Repayments on these loans should be reported on Schedule B for Line 19(b) for principal payments and Schedule B for Line 17 for interest payments, as well as reflected on Schedule C.

#### **48-Hour Notices**

- Campaign committees must file special notices regarding contributions of \$1,000 or more received less than 20 days but more than 48 hours before 12:01am of the day of any election in which the candidate is running (whether or not the candidate has opposition).
- The expedited disclosure requirements apply to all types of contributions received, including loans from the candidate and other non-bank sources. Does not apply to bank loans.
- A state-by-state chart of 48-Hour Notice periods for 2016 primary elections can be found on the FEC website: [http://www.fec.gov/info/charts\\_primary\\_dates\\_2016.shtml](http://www.fec.gov/info/charts_primary_dates_2016.shtml)
- Where and How to File:
  - **House Committees:** file with the FEC. Electronic filers must file electronically; paper filers may file via fax or online using the FEC website.
  - **Senate Committees:** file with the Secretary of the Senate. File via mail or fax.
