## B. Methods for Curing Excessive Contributions

1. **Refund**
2. **Redesignate** (11 CFR 110.1(b)(5)(ii)(B)(1)-(4))

## Redesignation Procedures

### Campaign Requests Redesignation:

1. Campaign must offer refund option when requesting redesignation
2. Signed redesignation authorization must be received by campaign within 60 days of its receipt of the contribution
3. If redesignation process is not completed within 60 days, campaign must refund excessive portion to PAC

#### a) **Procedures for Redesignation Request**

- (1) Campaign must offer refund option when asking PAC for redesignation.
- (2) Signed redesignation authorization must be received by campaign within 60 days of their receipt of original contribution.
- (3) If redesignation process not completed within 60 day window, campaign must refund the excessive portion back to the PAC.

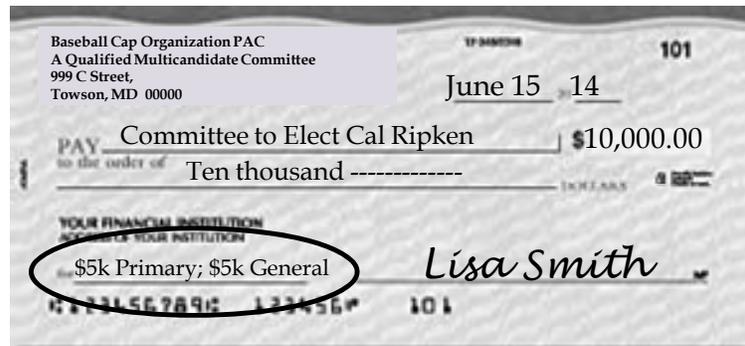

#### b) **Electronic Contributor Redesignations**

The Commission acknowledged that, in certain circumstances, an online process can provide a sufficient level of assurance as to the contributor's identity and intent such that it satisfies the written signature requirements. See Interpretive Rule Regarding Electronic Contributor Redesignations, 76 FR 16233 (March 23, 2011). Available on FEC website at: [http://www.fec.gov/law/cfr/ej\\_compilation/2011/notice\\_2011-02.pdf](http://www.fec.gov/law/cfr/ej_compilation/2011/notice_2011-02.pdf).

## FEC Recommended

Designate all contributions to candidates

- C. Avoiding Excessive Contributions**
- 1. Designate election for all contributions – highly recommended.**
  - 2. Designation Required if:**
    - a) PAC intends contribution to count toward a future election, beyond the upcoming election.
    - b) Making debt retirement contribution for past election.

**Reporting Example #1A & B: Itemizing Monetary Contributions Made to Federal Candidates and Committees**

## Reporting Example

- ▣ Itemizing Monetary Contributions Made and Refunded
  - How does the SSF disclose the transaction?
  - What information do we need to disclose?

The Baseball Cap Organization PAC, a multicandidate committee based in Virginia, really likes Senator Cal Ripken, Jr., a former professional baseball player now representing the neighboring state of Maryland. On May 21, 2014, the PAC made out two checks; one to Senator Ripken's campaign committee, and one to his leadership PAC, the Iron Man Fund. (Note: The PAC had not previously contributed to the Senator or to the Leadership PAC.)

1. **What types of transactions are these?**
2. **How must the committee disclose the transaction(s)?**
3. **What information from the scenario do we need to disclose this correctly?**

**Answers to Reporting Example #1A: Monetary Contribution to Federal PAC  
(Check #301)**

## Contributions Made

The image displays two checks from the Baseball Cap Organization PAC, a Qualified Multicandidate Committee, dated May 21, 2014, and signed by Kathy Sheffield. The first check, #0301, is for \$5,000.00 and is payable to the Iron Man Fund. The second check, #0302, is for \$7,000.00 and is payable to the Committee to Elect Cal Ripken, Jr. Arrows indicate that the \$5,000 check is a contribution to a Leadership PAC, and the \$7,000 check is a contribution to a campaign.

**1. What type of transaction is this?**

**Answer:** This check represents a contribution made by the Baseball Cap Organization PAC (Baseball Cap PAC). The \$5,000 check is a contribution to a Senate Leadership PAC. Note that the Leadership PACs and the campaign committee of the Leadership PAC sponsor are not considered affiliated.

**2. How must the committee disclose the transaction(s)?**

**Answer:** The Baseball Cap PAC must itemize the contribution on its June Monthly report (covering the month of May) on a Schedule B for Line 23.

3. What information from the scenario do we need to disclose this correctly?

**Answer:** Disclose the Leadership PAC’s name and address, the date made and the amount. For purpose, note “contribution.” The candidate and election information is not required because the Leadership PAC is not an authorized committee that is affiliated with the campaign.

Contribution to Campaign

Information Division  
2013-14 Election Cycle

The Cal Ripken campaign receives the PAC check on May 24, 2014, and notes that the undesignated \$7,000 check is an excessive contribution. As such, the campaign sends the Baseball Caps PAC a redesignation request. As a big supporter of the Senator, the PAC does not want a refund. On June 2, the PAC treasurer sends the campaign a redesignation letter which is received by the campaign treasurer on June 5.

**1. What type of transaction is this?**

**Answer:** This check represents two separate contributions made by the Baseball Cap PAC. The check for \$7,000 represents contributions to both the primary and the general election campaign of the Committee to Elect Cal Ripken, Jr. However, as an undesignated contribution, it's an excessive primary contribution. To remedy this, the campaign has asked the PAC to redesignate the excessive portion (\$2,000) to the general election.

**Report Redesignation (July Monthly):** Show reporting on Schedule B for Line 23. There will be two separate entries.

- \$7,000 contribution as disclosed on June monthly – MEMO entry.
- \$2,000 contribution shown with general checked – REDESIGNATION; MEMO entry.

Disclose both entries as MEMO entries since this is not new money leaving the PAC account, but new information on a previous disbursement.

Redesignation

**MEMO; as disclosed  
in June Monthly**

**Points to Remember:**

- Itemize contributions to all federal campaigns and committees on Schedule B for Line 23, regardless of amount.
- For contributions to federal campaign committees, include candidate information.
- **Memo entries** are transactions that are itemized, but the dollar total is excluded from the committee's total receipts or expenditures.

- **For example**, committees would use memo entries when itemizing a credit card bill on a Schedule B. The lump sum payment for the bill is itemized as a regular expenditure. The committee would use memo entries to list any specific charges that meet the itemization threshold. By using memo entries, the specific charges are not included in calculations for total expenditures.
- If redesignated after the close of books, show the redesignation on the next report and indicate the report on which it was previously itemized.
- Previous report should not be amended.
- Strongly recommended that PACs designate contributions to campaigns for particular elections (use year and type of election to properly designate).
- If designating for prior election, also note “debt” (e.g., “2012 general debt”).
- Treat contributions to a leadership PAC as a contribution to a PAC, not a contribution to a campaign.

## Returned vs. Refunded

- ▣ Returned, Lost or Voided
  - Negative entry on line number transaction was originally disclosed (Schedule B)
- ▣ Refunded
  - Refund received from another committee appears on Schedule A for Line 16

### **Reporting Example #1C: Itemizing Refunded, Lost and Returned Contributions Made to Federal Candidates and Committees**

On July 10, the Baseball Cap Organization PAC treasurer realizes that the check to the Iron Man Fund never cleared the bank, and decides to void the check and add the money back into the PAC's checking account.

On the same day, the PAC receives a refund check from the Ripken Campaign for \$2,000. Senator Ripken lost in the June 16 primary and has refunded the PAC's general election contribution.

- 1. What types of transactions are these?**
- 2. How must the committee disclose the transaction(s)?**
- 3. What information from the scenario do we need to disclose this correctly?**

**Answers to Example #1C: Itemizing Refunded, Lost and Returned Contributions Made to Federal Candidates and Committees**

**1. What types of transactions are these?**

**Answer:** The uncashed check to the Iron Man Fund that was voided by the Baseball Cap Organization PAC treasurer represents a lost, voided or returned contribution (in this case lost/voided) and thus, a negative expenditure. The check containing the refund from the Committee to Elect Cal Ripken, Jr. represents a refund, and thus, a receipt.

**2. How must the committee disclose the transaction(s)?**

**Answer:** Voided or returned/uncashed checks should be disclosed as negative entries on the Line number the transaction was originally disclosed (in this case, Schedule B for Line 23). On the other hand, when a refund check is actually received from another committee and deposited into the federal account, it should be disclosed on Schedule A for Line 16 as a receipt.

**3. What information from the scenario do we need to disclose this correctly?**

**Answer:** The committee will need the information that was originally disclosed on a previous report regarding the transaction and will also need to reference that report on its disclosure. The committee should also reference the original contribution date in the “purpose” section of the report.

  - Deferred earmarking done through PAC via payroll deduction program
  - Solicitation for earmarked contribution:
    - ▣ Sent by organization to restricted class
    - ▣ Collected by PAC

 Information Division

- a) An earmarked contribution always counts against the original contributor's limit for the recipient candidate.
- b) **An earmarked contribution may count against PAC's limits for the recipient candidate in these situations:**
  - Exercised direction or control over the contributor's choice of the recipient candidate. 11 CFR 110.6.
  - Deferred earmarking done through PAC via payroll deduction program. AO 1995-15.

## Supporting Federal Candidates

- ▣ Direct Contributions
  - Curing Excessive
  - Refunds and Returns
- ▣ Earmarked Contributions
- ▣ **In-Kind Contributions**
  - **Events for Candidates**

## Event for Campaign

- ▣ Organization's SSF may host fundraiser/event for candidate at organization's facilities
- ▣ Costs Incurred by SSF = In-Kind Contribution
- ▣ Advance payment is required for:
  - Staff: fair market value of salary and benefits
  - Mailing list: fair market value
  - Catering or food services: fair market value
  - Meeting room/other org. facilities: fair market value

**E. In-Kind Contributions (11 CFR 114.2(f)(2), 114.9 and 114.13)**  
**Example: PAC-Sponsored Fundraiser/Event Coordinated with Campaign**

**1. Results in In-Kind Contribution**

An SSF may hold a fundraiser or other event for a campaign and invite the general public (e.g., other SSFs and PACs, individuals outside its restricted class); however, any costs incurred are in-kind contributions, including personnel, invitations, food, equipment, etc.

**2. Advance Payment**

- The connected organization of the SSF must receive **advance** payment for the use of its staff, mailing list and/or food services (regardless of who is paying for them). See AOs 1984-37 and 1984-24;
- **Advance** payment to connected organization also required if SSF is paying for use of other connected organization facilities (e.g., meeting rooms, phones); and
- **Payment by SSF counts as an in-kind contribution (reported by campaign and SSF).**

## **Fundraiser for Campaign**

- ▣ **If PAC collects contributions,** campaign and PAC will need to report earmarked contributions
- ▣ **Avoid earmarking rules by** having campaign representative collect contributions

**3. Earmarking rules may apply to fundraising**

- **If PAC collects contributions,** campaign and PAC will need to report earmarked contributions. Campaign must also determine if HLOGA bundling disclosure thresholds tripped.
- **If campaign representative collects contributions,** earmarking rules do not apply.
- See *Campaign Activity Workshop* materials and previous section on earmarked contributions for more guidance.

**Reporting Example #1E: Itemizing In-Kind Contributions Made to Candidates**

## Reporting Example

- ▣ Itemizing In-Kind Contributions Made to Candidates
  - What information do we need to disclose?
  - How does the SSF disclose the transaction?

The Baseball Cap Organization PAC decides to throw a posh event for Congressman Stephen Strasburg at the hottest address in town, 1000 South Capitol Street S.E., aka the Grand Plush Hotel, located just around the corner from Nationals Park. The fundraiser takes place on June 22, 2014. The bill is paid to the Grand Plush Hotel on July 17, 2014.

- 3. How must the committee disclose the transaction(s)?**

## **Answers to Example #1E: Itemizing In-Kind Contributions Made to Candidates**

### **1. What type of transaction is this?**

**Answer:** The costs of the event represent an in-kind contribution to a candidate, but also a payment made to a vendor on a different date than the contribution. Both are reportable events.

### **2. What information from the scenario do we need to disclose this correctly?**

**Answer:** We need both the date of the contribution (the date that the good/service was provided) and the date of payment to the vendor. Also needed: payee name/address, purpose of disbursement, a notation of “in-kind” and all of the candidate and election information.

### **3. How must the committee disclose the transaction(s)?**

**Answer:** For in-kind contributions, the date the contribution is “made” is the date the candidate receives the benefit of the goods or services. Here, the in-kind contribution was made on June 22, the date of the fundraiser, and must be disclosed on a Schedule B for Line 23. The Grand Plush Hotel is listed as the actual payee, and the purpose box includes a notation that it is an in-kind contribution. All candidate and election information for Congressman Strasburg is noted in the appropriate boxes.

## **Objectives – Part 3**

- ▣ Methods For Supporting Federal Candidates
- ▣ **Types of PAC Communications**

## **PAC Communications**

- ▣ **Coordinated Communication**
- ▣ Independent Expenditure

## II. PAC Communications

### A. What PAC May Do:

#### 1. Communicate

Under FEC rules at 114.5(i), an SSF may communicate with the general public using PAC funds on any subject (except soliciting funds for the PAC), including express advocacy.

**Example:** Inviting other non-affiliated PACS to a PAC-sponsored fundraising event for a candidate.

#### 2. Coordinate

SSF may coordinate communications with a candidate or party; however, in-kind contribution results.

### B. Types of Communications

#### 1. Coordinated Communications

In-kind contribution results, subject to limitations

#### 2. Independent Expenditure

No contribution results; no limitations

## Coordination

### Basic Definition

- ▣ Made in cooperation, consultation or concert with or at the request/suggestion of:
  - Candidate
  - Candidate's authorized committee or agents
  - Party committee or its agents

### C. Definition of Coordination (11 CFR 109.20)

Coordination means “made in cooperation, consultation or concert with, or at the request or suggestion of, a candidate, a candidate’s authorized committee, or their agents, or a political party committee or its agents.”

## Coordination

- ▣ Treated as in-kind contribution
  - Subject to limitations and prohibitions
- ▣ Reportable by committees making and receiving the contribution

**D. Why Important? Coordination = In-Kind Contribution (11 CFR 109.21(b)(1))**

1. **Connected organization** prohibited from making contributions.
2. **Subject to contribution limitations.**
3. **Disclaimer required.**
4. **Reporting**

In many cases, reportable by campaign or party committee as in-kind contribution received (and by PAC if in-kind contribution made by PAC).

## Three-Part Coordination Test

- ▣ Source of Payment
- ▣ Content Standard
- ▣ Conduct Standard

## Three-Part Coordination Test

- ▣ Source of Payment
  - Paid for by someone other than the candidate/party (e.g., a PAC)

**E. Three-part test (11 CFR 109.21(d)):**

All three parts must be satisfied to justify conclusion that payments for a coordinated communication are for the purpose of influencing a federal election (and that costs incurred are in-kind contributions).

**1. Source of payment**

Will satisfy payment prong if communication is paid for by the PAC.

## Three-Part Coordination Test

- ▣ Content Standard
  - Meeting one of these:
    - ▣ Electioneering Communication
    - ▣ Republication of Campaign Materials
    - ▣ Express Advocacy or Functional Equivalent
    - ▣ Public Communication Referring to Candidate within Certain Time Frame before Election (No express advocacy required)

### 2. “Content Standard”(11 CFR 109.21(c)(1)-(5))

Will satisfy prong if communication meets any one of these five standards:

- a) **Electioneering Communication;**
- b) **Public Communication that Republishes, Disseminates or Distributes Campaign Materials;**
- c) **Public Communication with Express Advocacy;**
- d) **Communication that is “Functional Equivalent of Express Advocacy;”**

A communication is the “functional equivalent of express advocacy” if it is susceptible of no reasonable interpretation other than as an appeal to vote for or against a clearly identified Federal candidate.

- Applies without regard to the timing of the communication or the targeted audience.
- In its application of this test, Commission will follow Supreme Court’s reasoning in *FEC v. Wisconsin Right to Life*. See explanation and justification for this rule for more information at 75 FR 55947.

## Time Frames

- ☐ House or Senate candidates
  - ≤ 90 days before primary/general election
- ☐ Presidential candidates
  - Entire period from 120 days before the primary through date of general election
- ☐ Political parties
  - Presidential election cycle, 120 days before the primary through the general election
  - Midterm election cycle, 90 days before the primary or the general

 Information Division  
2013-14 Election Cycle

SSF Operations

- e) **Public Communication Referring to Candidate within Certain Time Frame before Election (No Express Advocacy required);**
- Refers to clearly identified candidate;
  - Is directed to voters in the jurisdiction of the clearly identified candidate or to voters in a jurisdiction where one or more candidates of the political party appear on the ballot.
  - **Senate and House candidates** = 90 days before a primary or general election.
  - **Presidential candidates** = entire period from 120 days before the clearly identified candidate's primary in that jurisdiction where disseminated up through the date of the general election.
  - **Political parties** = 90 days before a primary or general election (midterm cycle).
  - See Compliance Map for coordination dates <http://www.fec.gov/info/ElectionDate>.

### **Example: Not Meeting the Content Prong from AO 2011-14**

The Project's website and email communications to the general public soliciting contributions to certain Federal candidates did not result in a "coordinated communications" to those referenced candidates because the content prong was not satisfied. This is because the Project's communications appeared only on the Project's own website and by email, so the communications did not fit into the definitions of either public communications or electioneering communications.

## Three-Part Coordination Test

- ▣ Conduct Standard
  - Request or Suggestion
  - Material Involvement
  - Substantial Discussion
  - Common Vendor
  - Former Employee/Independent Contractor

### 3. “Conduct Standard”

Will satisfy test if communication meets any one of these five standards:

- a) **Request or Suggestion (11 CFR 109.21(d)(1))**
- b) **Material Involvement (11 CFR 109.21(d)(2))**
- c) **Substantial Discussion (11 CFR 109.21(d)(3))**
- d) **Employment of Common Vendor (11 CFR 109.21(d)(4))**  
Safe harbor of 120 days applies.
- e) **Former Employee/Independent Contractor (11 CFR 109.21(d)(5))**  
Safe harbor of 120 days applies.

## Three-Part Coordination Test

+ “Content standard”  
+ “Conduct standard”

= Coordinated Communication

= In-Kind Contribution, Subject to  
Limits and Prohibitions

## PAC Communications

- ▣ Coordinated Communication
- ▣ **Independent Expenditure**

# Independent Expenditure

## Definition

- Expenditure for a communication:
  - Expressly advocating the election or defeat of a clearly identified candidate
  - Not made in cooperation, consultation, in concert with, or at the request or suggestion of a candidate or his/her agents

### III. Independent Expenditures (11 CFR 100.16)

#### A. Definition

Expenditure for communication that "expressly advocates" the election or defeat of a clearly identified candidate and that is not made in cooperation with, or at the request or suggestion of, the candidate or his/her campaign or its agents, or a political party or its agents.

#### B. Elements of Definition

##### 1. Clearly Identified (11 CFR 100.17)

A candidate's name, nickname, photograph or drawing appears or identity is otherwise apparent through references such as "the President," "your Congressman," "the incumbent."

##### 2. Express Advocacy (11 CFR 100.22)

Message unmistakably urges election or defeat of one or more clearly identified candidates.

## Express Advocacy

Message unmistakably urges election or defeat of clearly identified federal candidate.

- Two Part Definition:
  - Part A: Specific Call to Action
  - Part B: Only Reasonable Interpretation Test

- C. **Two Part Definition of Unmistakably Urging Election or Defeat**
- Part A: Specific Call to Action
  - Part B: “Only Reasonable Interpretation Test”
1. **Part A: Specific Call to Action (11 CFR 100.22(a))**
    - a) **Explicit Words of Advocacy For or Against a Federal Candidate**  
Examples: "Re-elect your Congressman," "support your Democratic nominee," "reject the incumbent."
    - b) **Urging Action with Respect to Candidates Associated with a Particular Issue**  
Example: “Vote Pro-Environment,” when accompanied by names or photographs of candidates identified as supporting the issue.
    - c) **Campaign Slogan or Words (e.g., on bumper stickers & ads) that can have No Other Reasonable Meaning than to Support or Oppose Candidate,**  
Examples: “Bush/Cheney!”; “Obama for America!”
  2. **Part B: Express Advocacy by Context – “Only Reasonable Interpretation Test” (11 CFR 100.22(b))**  
Absent explicit words of advocacy for or against a candidate, the communication, when taken as whole and with limited reference to context, can only be interpreted by reasonable person as “encouraging action to elect or defeat” federal candidate.

## **Independent = Unlimited**

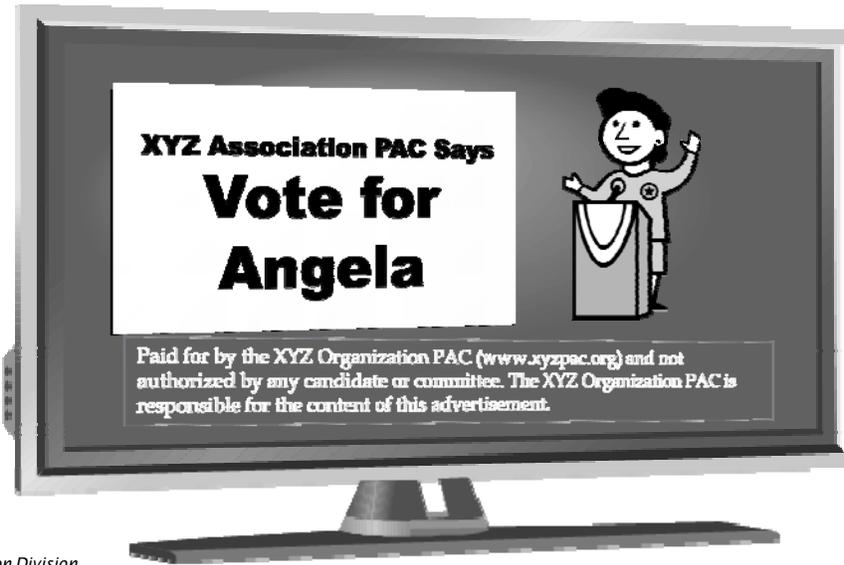

- ▣ No limit on amount of expenditure if communication meets definition (express advocacy + uncoordinated)
- ▣ Disclaimer required
- ▣ Reporting required

### **D. The Basics**

- 1. No Limits if Definition Met**  
One may spend an unlimited amount because the expenditure is not coordinated (and thus, a contribution).
- 2. If Coordinated, In-kind Contribution Results (See 11 CFR 109.21 and Section II).**
- 3. Disclaimer required (See 11 CFR 110.11 and *Basics Workshop Materials*)**

## Reporting Example #2: Large Last-Minute Independent Expenditures

# Scenario

# Reporting Independent Expenditures

  
  
SSF Operations

**Background:** House candidate Arthur Fonzarelli wouldn't accept PAC checks and his campaign would not speak to representatives of the Organization of Auto Mechanics (OAM) PAC. However, the PAC still wanted to lend its support to candidate Fonzarelli. On October 27, just before the November 5 special general election, OAM PAC runs a \$7,500 radio ad on WBQW-FM supporting Fonzarelli. The bill for the ads was paid on November 27, 2013.

1. **What type of transaction is this?**
  
  
2. **How must the committee disclose the transaction(s)?**
  
  
3. **What information from the scenario do we need to disclose this correctly?**

**Answers to Example #2: Large Last-Minute Independent Expenditures**

## **PAC Reporting Independent Expenditures**

### Last-Minute Reporting:

- ▣ What type of transaction is this?  
*ANSWER: Last-minute independent expenditure*
- ▣ How must the committee disclose transaction(s)?  
*ANSWER: 24-hour report; again on post-general*
- ▣ What information from the scenario do we need to disclose this correctly?

**1. What type of transaction is this?**

**Answer:** The PAC is making an independent expenditure, defined as an expenditure for a communication that "expressly advocates" the election or defeat of a clearly identified candidate and that is not made in cooperation with, or at the request or suggestion of, the candidate or his/her campaign or its agents, or a political party or its agents.

**2. How must the committee disclose the transaction(s)?**

**Answer:** An independent expenditure is considered made when it is publicly distributed or otherwise publicly disseminated. If it aggregates \$1,000 or more and is made less than 20 days but more than 24 hours before the day of an election, as this expenditure did, the PAC must file a 24-Hour Report on Schedule E disclosing the independent expenditure. The PAC must disclose the independent expenditure again, on Schedule E, for the next regular FEC report (30-Day Post General Report).

**3. What information from the scenario do we need to disclose this correctly?**

**Answer:** Key facts in the scenario include the date of dissemination (10/27/13), the fact that it is an advertisement that contained express advocacy, and was not coordinated with the campaign. The PAC will also need to disclose the payee’s name and address, the candidate information, the purpose of the expenditure, the amount and the calendar year-to-date per election for the office sought.

On the next report filed (30 Day Post-General covering 10/17/13-11/25/13, and due on 12/5/13), the PAC must report the same information disclosed on the 24-Hour Notice on Schedule E as a MEMO entry because the payment has not been made yet.
