### **How do I know which track I should sign up for?**

Several of the workshops are divided into sections designed for campaign committees, party committees and corporate/labor/trade association PACs. You should choose the track that applies to the type of organization you represent. If you are still unsure which track to enroll in, please contact us for assistance at [Conferences@fec.gov](mailto:Conferences@fec.gov).

### **What is the schedule?**

The agenda and schedule for the conference is attached.

### **I'm with a nonconnected committee - Can I come to this conference?**

You may attend, but the content of the conference is not tailored to your type of organization. The Commission will host a seminar for nonconnected committees on November 16, 2011. For more information, please see our website at <http://www.fec.gov/info/outreach.shtml>, email the FEC at [Conferences@fec.gov](mailto:Conferences@fec.gov) or call the FEC's Information Division at 1-800-424-9530 (Press 6).

### **Are there workshops for beginners?**

Yes. The workshop entitled Getting Started: Basics for Beginners provides an overview of campaign finance law that is applicable to everyone. Breakout workshops for each group in fundraising offer basic information geared to the specific type of organization. Beginners also benefit from the chance to network with more experienced campaign finance law professionals.

### **How about someone who is a seasoned veteran of campaign finance law - Does this conference fit their needs?**

Yes. Advanced workshops are offered on topics such as Corporate/Labor/Trade Communications after *Citizens United* and Legal Issues – Recent Developments in Federal Campaign Finance Law, so that experienced attendees can update their knowledge. All of the workshops are updated regularly with new information, as needed. Moreover, FEC conferences offer an opportunity for both beginners and advanced attendees to network with one another, to share ideas and to learn from each other.

### **Are CLE credits (or continuing education credits) available?**

The FEC has not applied in any state to be an official CLE (or CE) sponsor. In the past, however, attendees have applied on their own, and received continuing education credits for their attendance at FEC conferences. Contact your state MCLE organization (or state board of accountancy, for accountants) for more information. Please contact us if you have further questions or need additional materials for your application.
