What is the difference between the seminar and webinar?
The agenda (included in this document) is exactly the same. Seminar workshops will simply be simulcast for online attendees. While those present at the seminar will have more opportunities to interact with agency staff and other attendees, webinar participants will see workshop slides, hear presentations and be able to ask questions via live chat.

May PAC representatives attend this seminar?
You may attend, but the content of this seminar is not tailored to your type of organization. The Commission will host a number of seminars throughout the Spring tailored to PACs. To view the full list of events, please visit our website at http://www.fec.gov/info/outreach.shtml#conferences. For additional information on seminars, please email the FEC at Conferences@fec.gov or call the FEC’s Information Division at 1.800.424.9530 (Press 6).

Are there workshops for beginners?
Yes. The workshop entitled Basics & Best Practices provides an overview of campaign finance law that is particularly beneficial to newcomers. Beginners also benefit from the chance to network with more experienced campaign finance law professionals and share ideas with each other.

How about someone who is a seasoned campaign finance law veteran - Does this seminar fit their needs?
Yes. The advanced workshop covers recent developments in campaign finance law. All of the workshops are updated regularly to ensure that attendees receive the very latest information. Moreover, FEC seminars offer an opportunity for both beginners and advanced attendees to network with one another, to share ideas and to learn from each other.
