

FEDERAL ELECTION COMMISSION,
Washington, D.C., December 2, 1975.

HON. CARL ALBERT,
Speaker of the House of Representatives,
Washington, D.C.

DEAR MR. SPEAKER: In accordance with Section 316(c) of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C., 438(c), the Federal Election Commission transmits herewith the proposed regulation pertaining to the filing of required statements and reports by federal candidates and political committees, 11 CFR Part 106, Document Filing. Accompanying the regulation is the detailed statement of explanation and justification required by the Act.

The revised regulation embodies modifications of the original document filing proposal which emerged after consultation with a variety of interested individuals and committees, including staff members of the appropriate House and Senate committees, and after analysis of the debate on the floor of the House of Representatives on the merits of the earlier proposal.

In essence the regulation requires House candidates and their committees to file with the Clerk of the House of Representatives, Senate candidates and their committees to file with the Secretary of the Senate, multicandidate committees supporting House candidates exclusively or Senate candidates exclusively to report to the Clerk or the Secretary respectively, and all other candidates and committees to file with the Commission. In addition, the regulation requires the Clerk and the Secretary to forward to the Commission, as promptly as possible, microfilm copies and photocopies of the original reports filed with those offices.

We hope the House will act promptly on this proposed regulation.
Sincerely yours,

THOMAS B. CURTIS, *Chairman.*

Enclosures.
