Maybe it's just me, but about half the time, I have trouble finding the mailing address for a campaign. I need this in regard to PAC contributions I coordinate for EastmanPAC. I'd rather get a list of near matches and have to find what I'm looking for, than nothing. Currently, I have to try and try and try to find the information. I don't know if you can do anything, but I would appreciate an improved search mechanism.

Thanks.
