This section of the FEDERAL REGISTER contains regulatory documents having general applicability and legal effect, most of which are keyed to and codified in the Code of Federal Regulations, which is published under 50 titles pursuant to 44 U.S.C. 1510.

The Code of Federal Regulations is sold by the Superintendent of Documents. Prices of new books are listed in the first FEDERAL REGISTER issue of each week.

FEDERAL ELECTION COMMISSION
11 CFR Part 9004
[Notice 2005–15]

Travel on Behalf of Candidates and Political Committees

AGENCY: Federal Election Commission.

ACTION: Announcement of effective date.

SUMMARY: The Commission is announcing the effective date for amendments to the regulations governing travel in connection with a Federal election. 68 FR 69583 (Dec. 15, 2003). The final rules provided new and revised regulations regarding the proper rates and timing for payment for travel on behalf of Presidential candidates during the general election on government conveyances. One portion of the rulemaking amended regulations in 11 CFR 9004.6 and 9004.7, promulgated pursuant to the Presidential Election Campaign Fund Act, 26 U.S.C. 9009(c) (pertaining to Presidential candidates receiving public funding for the general election).

Under the Administrative Procedure Act, 5 U.S.C. 553(d), and the Congressional Review of Agency Rulemaking Act, 5 U.S.C. 801(a)(1), agencies must submit final rules to the Speaker of the House of Representatives and the President of the Senate, and publish them in the Federal Register at least 30 calendar days before they take effect. In addition, 26 U.S.C. 9009(c) requires that any rules or regulations prescribed by the Commission to carry out the provisions of the Presidential Election Campaign Fund Act be transmitted to the Speaker of the House of Representatives and the President of the Senate 30 legislative days before they are finally promulgated. The final rules at 11 CFR 9004.6 and 9004.7 were transmitted to Congress on December 10, 2003. Thirty legislative days expired in both the Senate and the House of Representatives on March 31, 2004.

In the December 15, 2003 Final Rules and Transmittal to Congress, the Commission stated that a separate notice would be published to announce the effective date of the amendments to 11 CFR 9004.6 and 9004.7. This publication provides that separate notice, which was inadvertently delayed. Accordingly, the Commission hereby announces the effective date of amended 11 CFR 9004.6 and 9004.7, as published at 68 FR 69583, et seq. (Dec. 15, 2003), as April 2, 2004, which was more than thirty legislative days after the transmittal of the final rules to Congress.

The Commission notes that the 2003 publication of the Final Rules, in combination with the inadvertent delay in the publication of this effective date notice, may have caused some confusion as to which regulations were applicable to publicly funded Presidential candidates in the 2004 general election. In light of these circumstances, the Commission intends to exercise its discretion by not pursuing potential violations of the travel reimbursement rules in 11 CFR 9004.6(b)(2) and 9004.7(b)(5) and (8) that occurred between April 2, 2004, and June 9, 2005, so long as the reimbursement for campaign travel was provided in accordance with either pre- or post-revision 11 CFR 9004.6 or 9004.7. In addition, the Commission notes that, for reimbursement of travel that occurred during the 2004 general election cycle, calculations based on either pre-or post-revision 11 CFR 9004.6 or 9004.7 will be permissible in the context of audits or repayment of public funds pursuant to 26 U.S.C. 9007.

Dated: June 3, 2005.

Bradley A. Smith,
Commissioner, Federal Election Commission.

FEDERAL DEPOSIT INSURANCE CORPORATION
12 CFR Part 330
RIN 3064–AC90

Deposit Insurance Coverage: Accounts of Qualified Tuition Savings Programs Under Section 529 of the Internal Revenue Code

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Interim final rule; request for comments.

SUMMARY: The FDIC is revising its insurance regulations for accounts of qualified tuition savings programs under section 529 of the Internal Revenue Code. Qualified tuition programs that are savings plans or prepaid tuition plans may be established by states or state instrumentalities under section 529 of the Internal Revenue Code. Interests in qualified tuition savings programs are “securities” under the federal securities laws. Under the FDIC’s existing insurance regulations, a state public instrumentality that issues securities is treated as a corporation for deposit
