Subj: Comment on Proposed Rulemaking on Campaign Finance Reform

Dear Ms. Dinh --

We are writing you today in support of the FEC's proposed rulemaking for the Bipartisan Campaign Reform Act of 2002 (BCRA).

The prohibitions on labor organizations from making electioneering communications are excellent, and are much needed, as these organizations have been influencing elections for years unethically, we respectfully submit.

We only wish that FEC would enforce the Supreme Court's Beck decision through its regulatory powers as well.

Very Respectfully Submitted,
/s/
