Subject The Future is NOW!

The Future is NOW!

The voting system need full overhaul EX-PRESIDENTCARTERS' Voting International Systems , Turner Cable TIME WARNER COMPANY or SBC TECH and HIGH TECH, INC. INTERACTIVE TV should work together to reorganize a "New Pre-Designed Electronic Voting System & Signature Ballot System" totally 3X Secure with fire walls and codes to ensure full confidentiality/safety of signature w/random double codes

An International Patented System(s). Thank You.
