Subject: Public comment on Coordination

---

Dear Rosemary Smith,

I am writing to comment on your proposed ruling on coordinated communications.

You should NEVER consider regulating ANY independent group like Christian Coalition, ACLU, National Right to Life, etc. These groups have a First Amendment right to speak out ANYTIME.

Today, the Liberal Media constantly supports liberals for public office. Conservatives must PAY to advertise their ideas in order to equal the FREE press that liberals get.

Any ideas to restrict free speech before an election is unconstitutional and un-American.

I urge you to DO NOTHING in this area.

Sincerely,

J. B. Nixon, Jr.
