DATE: AUGUST 1, 2005

SUBJECT: Ex Parte COMMUNICATION
RE: NPRM – Internet Communications

Transmitted herewith is a communication received by Vice Chairman Toner regarding the above-captioned matter.

Attachment
Keep out of the Blogs and the internet – it is the best way to get information – the stupid blogs are not listened to by anyone.

Why not Censor CBS of the Stupid – biased reporting on the National Guard memos that weren’t just before the election!

Fix the broken Media before you get involved in the Blogs!
